Members of the Investment Committee

Acuity Brands, Inc. Selected 401(k) and Retirement Plans

We have audited the accompanying statements of net assets available for benefits of Acuity Brands, Inc. 401(k) Plan, Acuity Brands Lighting, Inc. 401(k) Plan for Hourly Employees, Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees, and Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees Covered by a Collective Bargaining Agreement as of December 31, 2010 and 2009, and the related statements of changes in net assets available for benefits for the year ended December 31, 2010. These financial statements are the responsibility of the Plans' management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plans' internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plans' internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plans at December 31, 2010 and 2009, and the changes in the net assets available for benefits for the year ended December 31, 2010, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of assets (held at end of year) as of December 31, 2010 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plans' management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

**Table of Contents**

Acuity Brands, Inc. Selected 401(k) and Retirement Plans  
Notes to Financial Statements  
December 31, 2010

**1. Description of the Plans**

**General**

The financial positions of Acuity Brands, Inc. 401(k) Plan, Acuity Brands Lighting, Inc. 401(k) Plan for Hourly Employees, Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees, and Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees Covered by a Collective Bargaining Agreement (collectively, the Plans ) are included in the accompanying financial statements. The investment assets of the Plans are included in the Acuity Brands, Inc. Defined Contribution Plans Master Trust (the Acuity DC Trust ). The Plans are subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ( ERISA ). Employer matching amounts are allocated in accordance with the participant s current investment elections for elective deferrals at the time the match is funded.

Effective July 1, 2010, the assets of the Sensor Switch 401(k) Plan were merged into the Acuity Brands, Inc. 401(k) Plan and the Acuity Brands Lighting, Inc. 401(k) Plan for Hourly Employees. Employees of Sensor Switch, Inc. became eligible on September 1, 2009 to participate in the plans in accordance with the terms of the respective plans. Refer to the respective summary plan description or plan agreement for additional information about the Plans eligibility, funding, allocation, vesting, and benefit provisions.

**Eligibility and Forfeitures**

Each of the Plans is a defined contribution plan. The Plans cover substantially all domestic salaried, commissioned, union and non-union hourly employees of Acuity Brands, Inc. and its subsidiaries ( Acuity Brands or the Company ). Employees of certain unions who have elected not to participate in such Plans and foreign employees of the Company are not eligible to participate.

Employees have immediate eligibility upon attaining the age requirement of each respective plan. The Plans further provide that forfeitures of Company contributions may be used to pay plan administrative expenses or reduce future Company contributions.

In the event of the cessation of operation of a plant, or the discontinuance of a component of the Company s business, plan participants shall automatically become fully vested in Employer contributions upon termination.

**Participant Loans**

Participants may borrow the lesser of 50% of their vested balance or \$50,000 (reduced by the excess of the participant s highest outstanding loan balance from the twelve months prior to the loan request). Participants agree to loan repayment terms upon endorsement of the borrowed funds. Only one outstanding general-purpose loan and one residence loan, a loan issued for the purchase of a primary residence, are permitted during a calendar year. The Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees and the Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees Covered by a Collective Bargaining Agreement are the only Plans which allow for residential loans.

Loan repayments must be substantially equal in amount over the term of the loan and must be made by payroll deduction on an after-tax basis. General-purpose loans must be repaid within five years, and residential loans must be repaid within ten years.

Loan repayments may be suspended, at the discretion of the Company, for a period of not more than twelve months if a participant is on unpaid leave of absence, disability, or military service. Upon return, the loan will be amortized over the initial loan repayment period.

**Administration**

Administration of the Plans is the responsibility of the Company s Investment Committee, members of which are designated by the Chairman, President, and Chief Executive Officer of Acuity Brands, Inc. All administrative expenses of the Plans were paid by either the Company or plan forfeitures during the year ended December 31, 2010.

**Table of Contents**

Acuity Brands, Inc. Selected 401(k) and Retirement Plans  
Notes to Financial Statements (continued)

**1. Description of the Plans (continued)**

**Plan Termination**

Although the Company intends for the Plans to be permanent, the Plan agreements provide the Company the right to discontinue contributions or to terminate the Plans at any time.

In the event of a plan termination, each respective participant shall be 100% vested in the balance of his/her account and his/her proportionate share of any future adjustments or forfeitures.

In October 2008, the Company announced the planned closures of the Austin, Texas, and Utica, Ohio, facilities. The Utica, Ohio, closure was completed in 2009. The Austin, Texas, closure has been delayed and is now anticipated to occur by September 2011. As a result, the Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees incurred a partial plan termination. The partial plan termination will cause any unvested accounts of participants affected by the partial plan termination to become fully vested and nonforfeitable.

In October 2008, the Company announced a staff reduction of the IBEW union employees at the Holophane Newark, Ohio facility. The staff reduction began and completed in 2009. As a result, the Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees Covered by a Collective Bargaining Agreement incurred a partial Plan termination following the staff reduction. The partial plan termination caused any unvested accounts of the IBEW employees affected by the termination to become fully vested and nonforfeitable.

**Investment in Parties-In-Interest Common Stock**

As of December 31, 2010 and 2009, the percentage of the Acuity DC Trust's net assets invested in the common stock of Acuity Brands, Inc. was 3.8% and 2.9% respectively.

**Table of Contents**

Acuity Brands, Inc. Selected 401(k) and Retirement Plans

Notes to Financial Statements (continued)

**Funding Policy**

The basis for determining participant (pre-tax) and Company contributions is as follows:

<b>Plan Name</b>	<b>Participant Contributions</b>	<b>Employer Contributions</b>
Acuity Brands, Inc. 401(k) Plan	1% to 50% of compensation	<p>Matching contribution of 60% of the first 6% of participant compensation.</p> <p>Supplemental contributions for employees who on December 31, 2002 were active participants in the Acuity Brands, Inc. Pension Plan, which was frozen on that date are made at the end of each plan year to eligible participants who are non-highly compensated employees and who are employed on the last day of the plan year.</p> <p>Effective June 1, 2006, automatic enrollment was implemented for all new hires at 3% deferral.</p>
Acuity Brands Lighting, Inc. 401(k) Plan for Hourly Employees	1% to 25% of compensation	<p>Plan provides that the matching contribution for hourly employees of Hydrel will be equal to 25% of the first 15% of a participant's contributions and for hourly employees of Sensor Switch Inc will be equal to 60% of the first 6% of participant's contributions.</p> <p>Teamsters Local Union 673 Midwest Regional Warehouse employees received an employer contribution equal to \$.16 per hour worked in 2010 regardless of whether they made participant deferrals to the plan.</p> <p>Employees at all other locations participating in the plan do not receive an employer contribution.</p>
Holophane Division of Acuity Brands Lighting 401(k) Plan for Hourly Employees	1% to 60% of compensation	<p>Employees of Utica, Ohio hired on or after December 1, 2001 60% of participant contribution up to 6% of compensation. Employees of Utica, Ohio hired before December 1, 2001 33% of participant contribution up to 6% of compensation.</p> <p>Employees of Metal Optics 50% of participant contribution up to 6% of compensation.</p> <p>All other employees of Holophane 33% of participant contribution up to 6% of compensation, plus a discretionary basic contribution of 5% of annual compensation.</p>

## Acuity Brands, Inc. Selected 401(k) and Retirement Plans

## Notes to Financial Statements (continued)

**2. Significant Accounting Policies****Basis of Accounting**

The accounts of the Plans are maintained by the trustee, Merrill Lynch National Trust Company, on the cash basis of accounting. The accompanying financial statements have been prepared using the accrual method of accounting.

**Investments**

The investments in the Acuity DC Trust are subject to certain administrative guidelines and limitations as to the type and amount of securities held. Fund assets are allocated to selected independent investment managers to invest under these guidelines.

Investments of the Acuity DC Trust are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Please see Notes 3 and 8 for further discussion of fair value measurements.

The Acuity DC Trust holds investments in synthetic guaranteed investment contracts ( synthetic GICs or wrap contracts ) as part of the Stable Value Fund. The synthetic GICs each hold a diversified portfolio of investment contracts backed by high-quality bonds, including corporate bonds, mortgage-backed securities, asset-backed securities, government securities, or units of collective trust funds holding corporate and government bonds. Bonds or units of collective trust funds are held in the name of the Acuity DC Trust. The synthetic GICs or wrap contracts have features that provide for variable interest crediting rates which are credited to the contract value of the contracts underlying holdings. As required by Accounting Standards Codification ( ASC ) 946, *Financial Services Investment Companies*, ( ASC 946 ) and ASC 962, *Plan Accounting Defined Contribution Pension Plans*, ( ASC 962 ), the investments in synthetic GICs deemed to be fully benefit responsive are presented at fair value on the Statements of Net Assets Available for Benefits in the row Plan Interest in Acuity DC Trust. An adjustment row has also been included in the Statements of Net Assets Available for Benefits so that the ending values of the synthetic GICs are recorded at contract value in the Net Assets Available for Benefits.

Contract value represents contributions made under the contract, plus earnings, less member withdrawals and administrative expenses. Members may ordinarily direct the withdrawal and transfer of all or a portion of their investment at contract value. The crediting interest rate is based on a mutually agreed upon formula that resets on a monthly basis depending on the performance of the underlying investments being managed. The minimum crediting rate is 0%.

Certain events limit the ability of the Plans to transact at contract value with the issuer. These events include, but are not limited to, the following: (1) amendments to the Plan documents that materially and adversely affect the risk borne by the contract issuer, unless otherwise approved by the issuer, (2) bankruptcy of the Plans sponsor or other Plans sponsor events which cause a significant withdrawal from the Plans, or (3) the failure of the Acuity DC Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Acuity Brands does not believe that the occurrence of any event limiting the Plans ability to transact at contract value with members is probable.

The contract issuers can only terminate the contract under very limited circumstances, such as Acuity Brands or the investment fund managers breaching any of their material obligations under the agreement, or upon completion of specified periods of time following notice periods. Acuity Brands does not believe it is likely that the contracts will be terminated.

The average yield of the Stable Value Fund based on actual earnings was approximately 4.23% and 4.32% at December 31, 2010 and 2009, respectively. The average yield credited to members reflecting all investments in the Stable Value Fund was approximately 4.06% and 4.18% at December 31, 2010 and 2009, respectively. At December 31, 2010 and 2009, the fair values of the underlying assets of the synthetic GICs were \$51,020,340 and \$50,266,517, respectively. At December 31, 2010 and 2009, the values of the wrap contracts and book valuation adjustments included in the Acuity DC Trust were (\$2,315,844) and (\$1,371,983), respectively.

**Notes Receivable from Participants**

The notes receivable from participants are participant loans in the Acuity DC Trust which are carried at principal amounts outstanding plus accrued but unpaid interest.

**Table of Contents**

## Acuity Brands, Inc. Selected 401(k) and Retirement Plans

## Notes to Financial Statements (continued)

**2. Significant Accounting Policies (continued)****Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates, and the differences could be significant.

**New Accounting Pronouncements**

In May 2009, the Financial Accounting Standards Board ( FASB ) issued FASB Statement No. 165, *Subsequent Events*, which was codified into ASC 855, *Subsequent Events*, to provide general standards of accounting for and disclosure of events that occur after the balance sheet date, but before financial statements are issued or are available to be issued. ASC 855 was amended in February 2010. The Plan has adopted ASC 855, as amended.

In January 2010, the FASB issued Accounting Standards Update ( ASU ) No. 2010-06, *Fair Value Measurements and Disclosures (Topic 820) Improving Disclosures about Fair Value Measurements* ( ASU 2010-06 ). The updates require new disclosures around transfers into and out of Levels 1 and 2 in the fair value hierarchy and separate disclosures about purchases, sales, issuances, and settlements related to Level 3 measurements. ASU 2010-06 is effective for interim and annual reporting periods beginning after December 15, 2009, with early adoption permitted, except for the disclosures about purchases, sales, issuances, and settlements in the rollforward of Level 3 activity. Those disclosures are effective for fiscal years beginning after December 15, 2010, and for interim periods within those fiscal years with early adoption permitted. Adoption of ASU 2010-06 did not have a material effect on the Plans net assets available for benefits or its changes in net assets available for benefits.

In September 2010, the FASB issued ASU No. 2010-25, *Plan Accounting – Defined Contribution Pension Plans (Topic 962) Reporting Loans to Participants by Defined Contribution Pension Plans* ( ASU 2010-25 ). The updates to the Codification require that participant loans be classified as notes receivable from participants. ASU 2010-25 should be applied retrospectively to all prior periods presented and is effective for fiscal years ending after December 15, 2010, with early adoption permitted. Adoption of ASU 2010-25 did not have a material effect on the Plans net assets available for benefits or its changes in net assets available for benefits.

In May 2011, the FASB issued ASU No. 2011-04, *Fair Value Measurement (Topic 820) Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs* ( ASU 2011-04 ), which clarifies the wording and disclosures required in Accounting Standards Codification ( ASC ) Topic 820, *Fair Value Measurement* ( ASC 820 ), to converge with those used (to be used) in International Financial Reporting Standards. The update explains how to measure and disclose fair value under ASC 820. However, the FASB does not expect the changes in this standards update to alter the current application of the requirements in ASC 820. The provisions of ASU 2011-04 are effective for public entities prospectively for interim and annual periods beginning after December 15, 2011. Early adoption is prohibited. Therefore, ASU 2011-04 is effective for the Company on January 1, 2012. The Company does not expect ASU 2011-04 to have a material effect on the Plans net assets available for benefits or its changes in net assets available for benefits.

**3. Acuity DC Trust**

The Acuity DC Trust is a collective investment of the assets of participating employee benefit plans of the Company. Trust assets are allocated among participating plans by assigning to each plan those transactions (primarily contributions and benefit payments) which can be specifically identified and distributed among all plans, in proportion to the fair value of the assets assigned to each plan, income and expenses resulting from the collective investment of the assets of the Trust. The fair value of net assets of the Acuity DC Trust is presented below as of December 31, 2010 and 2009.
