HOW DOES THE BOARD RECOMMEND THAT I VOTE?

WHY SHOULD I VOTE?

Every vote is important. If shareholders fail to vote, the Fund may not receive enough votes to hold the July 17, 2012 joint annual shareholder meeting. WHO IS THE PROXY SOLICITOR?

We have hired the Computershare Fund Services as the Funds proxy solicitor. If we do not receive your vote after a reasonable amount of time, you may receive a telephone call from them reminding you to vote your shares.

WILL MY VOTE BE CONFIDENTIAL USING THE ONLINE PROXY VOTING SYSTEM?

The Web proxy voting system offered by proxy-direct.com maintains a high level of security to ensure the confidentiality of your vote. Security features include:

Secure Sockets Layer (SSL) A security measure that encrypts all information that travels between proxy-direct.com's Web server and the shareholder's computer.

Control Number Each shareholder is required to enter his or her control number. Proxy-direct.com verifies the number and presents the correct proxy card.

Firewall To protect the confidentiality of your account records, proxy-direct.com uses only control numbers and card codes to register votes. Voted positions are then periodically uploaded to our master database of shareholders listed as of the record date. All account-specific data remains behind our firewall.

HOW DO I SIGN THE PROXY CARD?

Please follow these guidelines to avoid the time and expense of validating your vote if you fail to sign your proxy card properly.

Individual Accounts: Shareholders should sign exactly as their name appears in the account registration shown on the proxy card.
