DECKERS OUTDOOR CORPORATION

Notice is hereby given that the Annual Meeting of Stockholders (the Annual Meeting) of Deckers Outdoor Corporation, a Delaware corporation (the Company), will be held at the offices of Sheppard, Mullin, Richter and Hampton LLP, 800 Anacapa Street, Santa Barbara, California 93101, on Friday, May 20, 2005, beginning at 9:00 a.m., local time. The Annual Meeting will be held for the following purposes:

1. To elect two (2) directors of the Company to serve as Class III directors until the Annual Meeting of Stockholders to be held in 2008.
2. To ratify the selection of KPMG LLP as the Company s independent registered public accounting firm.
3. To transact such other business as may properly come before the meeting or any postponements or adjournments thereof.

The Board of Directors has fixed March 25, 2005 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and any postponements or adjournments thereof, and only stockholders of record at the close of business on that date are entitled to such notice and to vote, in person or by proxy, at the Annual Meeting.

A list of stockholders entitled to vote at the Annual Meeting will be available at the offices of the Company for ten (10) days prior to the Annual Meeting.

We hope that you will use this opportunity to take an active part in the affairs of the Company by voting on the business to come before the Annual Meeting either by executing and returning the enclosed Proxy Card or by casting your vote in person at the Annual Meeting.

The Proxy Statement that accompanies this Notice contains additional information regarding the proposals to be considered at the meeting, and stockholders are encouraged to read it in its entirety.

As set forth in the accompanying Proxy Statement, proxies are being solicited by and on behalf of the Board of Directors of the Company. All proposals set forth above are proposals of the Company. It is expected that these materials first will be mailed to stockholders on or about April 18, 2005.

STOCKHOLDERS UNABLE TO ATTEND THE ANNUAL MEETING IN PERSON ARE REQUESTED TO DATE AND SIGN THE ENCLOSED PROXY CARD AS PROMPTLY AS POSSIBLE. A STAMPED ENVELOPE IS ENCLOSED FOR YOUR CONVENIENCE. ANNUAL MEETING OF STOCKHOLDERS
To be Held May 20, 2005

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Deckers Outdoor Corporation, a Delaware corporation (the Company), for use at the Annual Meeting of Stockholders (the Annual Meeting) to be held at 9:00 a.m., local time, on May 20, 2005, at the offices of Sheppard, Mullin, Richter and Hampton LLP, 800 Anacapa Street, Santa Barbara, California 93101, and any continuations, postponements or adjournments thereof for the purposes set forth in the accompanying Notice of Annual Meeting. This Proxy Statement and the accompanying proxy card were first mailed to stockholders on or about April 18, 2005.

Method of Voting

Stockholders can vote by proxy or by attending the Annual Meeting and voting in person. A proxy card (the Proxy) is enclosed. If you vote by means of the Proxy, the Proxy must be completed, signed and dated by you or your authorized representative. The completed Proxy may be returned in the postage-paid envelope provided, or by facsimile to the Inspector of Elections at (213) 553-9735. Douglas B. Otto and M. Scott Ash, the designated proxyholders (the Proxyholders), are members of the Company's management. If you hold Common Stock in street name, you must either instruct your broker or nominee as to how to vote such shares or obtain a proxy, executed in your favor by your broker or nominee, to be able to vote at the Annual Meeting.

If a Proxy is properly signed, dated and returned and is not revoked, the Proxy will be voted at the Annual Meeting in accordance with the stockholder's instructions indicated on the Proxy. If no instructions are indicated on the Proxy, the Proxy will be voted FOR the nominees named herein for election as directors, FOR ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm, and in accordance with the recommendations of the Board of Directors upon such other business as may properly come before such meeting or any and all continuations, postponements or adjournments thereof.

Record Date

March 25, 2005 has been fixed as the record date (the Record Date) for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and any postponements or adjournments thereof. As of March 25, 2005, there were outstanding 12,313,258 shares of the Company's common stock, par value \$.01 per share (the Common Stock). A majority of the shares of Common Stock entitled to vote, present in person or represented by proxy, will constitute a quorum at the meeting.

Voting Rights

Each share of Common Stock issued and outstanding on the Record Date is entitled to one vote on any matter presented for consideration and action by the stockholders at the Annual Meeting. With respect to all matters, other than the election of the directors, the affirmative vote of a majority of shares of the Company's Common Stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter will be the act of the stockholders. The Company's Certificate of Incorporation does not authorize cumulative voting in the election of directors. Directors will be elected by a plurality of the votes of the shares of the Company's Common Stock present in person or represented by proxy and entitled to vote on the election of directors. An abstention on any proposal submitted to the stockholders, other than the election of directors, will be included in the number of votes cast on that proposal and, accordingly, will have the effect of a vote AGAINST the proposal.

With respect to brokers who are members of a stock exchange, the exchange rules generally require that when shares are registered in street or nominee name, its member brokers must receive specific instructions from the beneficial owners in order to vote on certain proposals. However, the exchange rules do not require specific instructions in order for a broker to vote on the election of the Class III directors and on ratification of the selection of the Company's independent registered public accounting firm. If a member broker indicates on the proxy that such broker does not have discretionary authority as to certain shares to vote on any proposal that does require specific instructions, those shares will not be considered as present and entitled to vote with respect to that proposal, and accordingly will have the effect of reducing the number of affirmative votes needed to approve the proposal.

Other Business

If any other matters are promptly presented for consideration at the Annual Meeting including, among other things, consideration of a motion to adjourn the meeting to another time or place in order to solicit additional proxies in favor of the nominee of the Board of Directors, the persons named as proxies and acting thereunder will have discretion to vote on these matters according to their best judgement to the same extent as the person delivering the proxy would be entitled to vote. At the date this Proxy Statement went to press, we did not anticipate any other matter would be raised at the Annual Meeting.

Revocation of Proxy

A stockholder giving a proxy has the power to revoke it at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, by executing a subsequent proxy, or by attending the Annual Meeting and voting in person. Subject to any such revocation, all shares represented by properly executed proxies will be voted in accordance with the specifications on the enclosed proxy card.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

The Company's Bylaws state that the Board of Directors shall consist of not less than one nor more than seven members. The specific number of Board members within this range is established by the Board of Directors and is currently set at five. There are currently five Board members and no vacancies. The Company's Certificate of Incorporation provides that the Board shall be classified into three classes of directors, which classes serve staggered three-year terms. The Board currently consists of two directors for both Class I and Class III, and one Class II director. The current term of the Class I directors expires at the Annual Meeting of Stockholders to be held in 2006, the current term of the Class II director expires at the 2007 Annual Meeting of Stockholders, and the current term of the Class III directors expires at the May 20, 2005 Annual Meeting of Stockholders. Each nominee has indicated his willingness to serve and, unless otherwise instructed, the Proxyholders will vote the Proxies received by them for the nominees of the Board. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting or any adjournment or postponement thereof, the Proxies will be voted for such other nominee(s) as shall be designated by the current Board to fill any vacancy. The Company has no reason to believe that any nominee will be unable or unwilling to serve if elected as director. INFORMATION ABOUT THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD OF DIRECTORS

Committees of the Board

The Company has an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. Each member of these committees is independent as defined under the applicable rules of Nasdaq and the SEC, except as provided below.

Audit Committee The Board has a standing Audit Committee that (i) monitors the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance; (ii) monitors the independence and performance of the Company's independent registered public accounting firm, and (iii) provides an avenue of communications among the independent registered public accounting firm, management and the Board of Directors. The Committee met seven times during 2004. At the date of this Proxy Statement, Mr. Gibbons was Chairman of the Audit Committee and the Committee was comprised of Messrs. Burleson, Licklider and Gibbons. In February 2005, the Audit Committee recommended, and the Board adopted, a revised charter for the Audit Committee, a copy of which is attached as Appendix A to this Proxy Statement. The Board has determined that Mr. Gibbons qualifies as an audit committee financial expert as defined under the rules of the SEC.

Compensation Committee The Board's Compensation Committee (the Compensation Committee) (i) reviews and approves corporate goals and objectives relevant to compensation of the executive officers, (ii) evaluates the performance of the executive officers in light of those goals and objectives, (iii) determines and approves the compensation level of the executive officers based on this evaluation, and (iv) makes recommendations to the Board with respect to incentive-compensation plans and equity-based plans. The Compensation Committee also reviews and recommends to the Board any new compensation or retirement plans and administers the Company's 1993 Employee Stock Incentive Plan (the 1993 Plan) and the Company's 1995 Employee Stock Purchase Plan (the Stock Purchase Plan). The Committee met five times during 2004. At the date of this Proxy Statement, Mr. Burleson was Chairman of the Compensation Committee and the Committee was comprised of Messrs. Burleson, Licklider, Gibbons, and Terheggen. Mr. Terheggen is not independent as defined under the applicable rules of Nasdaq. The Company paid BHPC Global Licensing, Inc. an aggregate of approximately \$168,000 for agency fees related to licensing of the Company's products during 2004. Mr. Terheggen is the owner and Chief Executive Officer of BHPC Global Licensing, Inc. However, in accordance with Nasdaq Rule 4350(c)(3)(C), the Compensation Committee is comprised of at least three members, and the Board has determined that Mr. Terheggen's membership on the Compensation Committee is in the best interests of the Company and its stockholders because of his valuable experience and input. Mr. Terheggen will not serve as a non-independent member of the Compensation Committee for longer than two years.

Corporate Governance and Nominating Committee The Board has a Corporate Governance and Nominating Committee (the Corporate Governance Committee) whose purpose is (i) develop and recommend to the Board a set of corporate governance principles applicable to the Company, (ii) recommend the director nominees to be selected by the Board for the next annual meeting of stockholders, (iii) identify individuals qualified to become Board members, consistent with criteria approved by the Board and (iv) oversee the evaluation of the Board and management. The Committee met three times during 2004. At the date of this Proxy Statement, Mr. Licklider was Chairman of the Corporate Governance Committee and the Committee was comprised of Messrs. Licklider, Burleson, Gibbons and Terheggen. For the reasons discussed above, Mr. Terheggen is not independent as defined under the applicable rules of Nasdaq because of his relationship with BHPC Global Licensing, Inc. However, in accordance with Nasdaq Rule 4350(c)(4)(C), the Corporate Governance Committee is comprised of at least three members, and the Board has determined that Mr. Terheggen's membership on the Corporate Governance Committee is in the best interests of the Company and its stockholders because of his valuable experience and input. Mr. Terheggen will not serve as a non-independent member of the Corporate Governance Committee for longer than two years. In February 2005, the Corporate Governance Committee recommended, and the Board adopted, a revised charter for the Corporate Governance Committee, a copy of which is attached as Appendix B to this Proxy Statement.

Nominating Procedures and Criteria

Among its functions, the Corporate Governance and Nominating Committee considers and approves nominees for election to the Board of Directors. In addition to the candidates proposed by the Board of Directors or identified by the committee, the committee considers candidates for director suggested by stockholders, provided such recommendations are made in accordance with the procedures set forth in the Bylaws and described under

Stockholder Proposals and Director Nominations for the 2006 Annual Meeting Procedures for Stockholder Nominations. Stockholder nominations that meet the criteria outlined below will receive the same consideration that the committee's nominees receive.

Essential criteria for all candidates considered by the Corporate Governance and Nominating Committee include the following: integrity and ethical behavior, maturity, management experience and expertise, independence and diversity of thought and broad business or professional experience, with an understanding of business and financial affairs, and the complexities of business organizations.

In evaluating candidates for certain Board positions, the committee evaluates additional criteria, including the following: financial or accounting expertise; industry expertise; accomplishment in designing, marketing, manufacturing, distribution and licensing of footwear, apparel and accessories; business and other experience relevant to public companies of a size comparable to the Company; and experience in investment banking, commercial lending or other financing activities.

In selecting nominees for the Board of Directors, the committee evaluates the general and specialized criteria set forth above, identifying the relevant specialized criteria prior to commencement of the recruitment process, considers previous performance if the candidate is a candidate for re-election, and generally considers the candidate's ability to contribute to the success of the Company.

The Board of Directors' nominees for the Annual Meeting have been recommended by the Corporate Governance and Nominating Committee, as well as the full Board of Directors.

Stockholders did not propose any candidates for election at the Meeting.

Communications with Directors

You may communicate with the chair of our Audit Committee, Corporate Governance and Nominating Committee, or Compensation Committee, or with our independent directors as a group, by writing to any such person or group c/o the Secretary of the Company, at the Company's office at 495-A South Fairview Avenue, Goleta, CA 93117.

Employment Agreements

Effective April 11, 2005, the terms of employment for Douglas B. Otto were amended to reflect Mr. Otto's resignation from his role as Chief Executive Officer and President. Mr. Otto will continue to be Chairman of the Board and will continue to be an executive officer of the Company through 2007. For 2005, Mr. Otto's compensation is pro-rated to include a base salary of \$345,000 per annum pro-rated for the period through April 10, 2005 and \$104,000 per annum pro-rated for the period thereafter. His compensation also includes a target incentive bonus of \$103,500, based upon the achievement of certain performance criteria. In the event that performance targets are surpassed, the bonus earned can exceed the target incentive bonus amount. If Mr. Otto's employment agreement is terminated for any reason, including termination within two years of a Change in Control, the Company will pay Mr. Otto severance in the amount of three times his annual base salary in effect immediately prior to the time such termination occurs, plus the greater of (x) three times the targeted Incentive Bonus immediately prior to the time such termination occurs or (y) three times the average actual Incentive Bonus for the previous three years, whichever is greater.

Effective January 1, 2004, the other Named Executive Officers entered into separate employment agreements with the Company, which will continue until December 31, 2005. The agreements provide for base salaries in the amounts of \$168,000, \$165,000, \$167,000 and \$125,000 for Constance X. Rishwain, M. Scott Ash, Patrick C. Devaney and Janice M. Howell, respectively, and target incentive bonuses in the amounts of \$59,000, \$58,000, \$50,000 and \$38,000, respectively. In the event that performance targets are surpassed, the bonus earned can exceed the target incentive bonus amount. The agreements also provide for severance payments to be made in the event of termination, excluding For Cause as defined therein, and including termination within two years of a Change in Control by the Company without cause or by the Named Executive Officers for good reason. The amount of severance pay ranges from one-half to one and one-half times the respective executive's annual base salary plus, if there is a change in control, the greater of (x) one and one-half times the targeted Incentive Bonus immediately prior to the time such termination occurs or (y) one and one-half times the average actual Incentive Bonus for the previous three years, whichever is greater.

Effective April 11, 2005, the Company entered into an employment agreement with Angel R. Martinez. The agreement, which expires December 31, 2008, provides that Mr. Martinez will serve as the Company's Chief Executive Officer and President. For 2005, Mr. Martinez's compensation includes a base salary of \$345,000 per annum and a target incentive bonus of \$103,500, based upon the achievement of certain performance criteria. In the event that performance targets are surpassed, the bonus earned can exceed the target incentive bonus amount. For 2005, the minimum incentive bonus is set at \$165,000 per annum. The base salary increases to \$400,000 for 2006 and may be reviewed prior to December 31, 2008, with appropriate adjustments being made. Mr. Martinez is also granted 50,000 unvested stock units as an incentive, which will vest quarterly between the third and fourth anniversary of employment. In the event that Mr. Martinez's employment is terminated by the Company without Cause, or by the executive for Good Reason, or in the event of death or disability, all previously unvested stock units will automatically vest. The agreement also provides for severance payments to be made in the event of termination, excluding For Cause as defined therein, and including termination within two years of a Change in Control by the Company without cause or by the executive for good reason. The amount of severance pay ranges from one to two times the executive's annual base salary plus, if there is a change in control, the greater of (x) two times the targeted incentive bonus immediately prior to the time such termination occurs or (y) two times the average actual incentive bonus for the previous three years, whichever is greater.

CERTAIN TRANSACTIONS

In February 2002, we agreed to guarantee up to \$1,000,000 of principal for a home construction bank loan of Doug Otto for up to three years, in order to avoid any need for Mr. Otto to sell a portion of his Common Stock in our Company. During May 2004, Mr. Otto repaid the loan in full and no payments were required to be made by the Company. After the passage of the Sarbanes-Oxley Act in July 2002, we are precluded from making such guarantees in the future.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee (the Committee) of the Board of Directors consists entirely of directors who have never served as officers or employees of the Company or any of its subsidiaries. The Committee determines and administers the compensation of the Company's executive officers. Set forth below are the principal factors underlying the Committee's philosophy used in setting compensation.

Compensation Philosophy At the direction of the Board of Directors, the Committee endeavors to ensure that the compensation programs for executive officers of the Company and its subsidiaries are competitive and consistent in order to attract and retain key executives critical to the Company's long-term success. The Committee believes that the Company's overall financial performance should be an important factor in the total compensation of executive officers. At the executive officer level, the Committee has a policy that a significant proportion of potential total compensation should consist of variable, performance-based components, such as stock options, stock awards and bonuses, which can increase or decrease to reflect changes in corporate and individual performance. These incentive compensation programs are intended to reinforce management's commitment to enhancement of profitability and stockholder value.

The Committee takes into account various qualitative and quantitative indicators of corporate and individual performance in determining the level and composition of compensation for the chief executive officer and other executive officers. The Committee considers such corporate performance measures as net sales, open orders, net income, earnings per share and similar quantitative measures. The Committee also appreciates the importance of achievements that may be difficult to quantify, and accordingly recognizes qualitative factors, such as successful supervision of major corporate projects, demonstrated leadership ability and contributions to industry and community development. For 2004, the most important qualitative factors in determining incentive compensation awards to executive officers were the Committee's assessments of their contributions to the Company's sales, open orders, and earnings per share.

The Committee also evaluates the total compensation of the Company's chief executive officer and other executive officers in light of information regarding the compensation practices and corporate financial performance of similar companies in the Company's industry. However, the Committee does not target a specific percentile range within the peer group compensation structure in determining compensation for executive officers. From time to time, the Committee also receives assessments and advice regarding the Company's compensation practices from independent compensation consultants.

Relationship of Performance to Compensation Compensation that may be earned by the executive officers in any fiscal year consists of base salary, cash bonus and stock-based compensation. Salaries are reviewed periodically and adjusted as warranted to reflect sustained individual performance. The Committee focuses primarily on total annual compensation, including incentive awards and cash bonuses, rather than base salary alone, as the appropriate measure of executive officer performance and contribution.

The executive officers receive incentive compensation awards based on individual goals and milestones established for each officer at the beginning of each year and other factors as determined by the Committee. Such officers receive compensation for the subsequent attainment of these goals.

The Company's 1993 Stock Incentive Plan (the 1993 Plan) authorizes the Committee to make grants and awards of stock options, stock appreciation rights, nonvested stock units and other stock-based awards. The Committee grants such compensation to executive officers, as well as other employees and consultants of the Company and its subsidiaries below the executive officer level, as it deems appropriate.

In approving grants and awards under the 1993 Plan, the quantitative and qualitative factors and industry comparisons outlined above will be considered. The number and type of awards previously granted to and held by executive officers is reviewed but is not an important factor in determining the size of current grants.

To the extent readily determinable and as one of the factors in its consideration of compensation matters, the Committee considers the anticipated tax treatment to the Company and to the executives of various payments and benefits. Some types of compensation payments and their deductibility (e.g., the spread of

exercise of non-qualified options) depend upon the timing of an executive's vesting or exercise of previously granted rights. Further, interpretations of and changes in the tax laws and other factors beyond the Committee's control also affect the deductibility of compensation.

Beginning in December 2004, the Board of Directors and the Compensation Committee of the Company have determined to cease issuing stock options to directors, officers and employees of the Company and, rather, to issue nonvested stock units under the 1993 Plan to continue to align the interests of the directors, officers and employees with those of the stockholders at a lower cost than the previous stock option grants. As of December 20, 2004, officers and key employees will be eligible to receive nonvested stock units annually in an amount to be determined by the Board of Directors or the Compensation Committee. The vesting of the nonvested stock units will be as set forth in each grant and be dependent on the achievement of certain corporate milestones and continued employment with the Company for a designated period.

Chief Executive Officer Compensation Douglas B. Otto entered into an employment agreement, effective January 1992, and subsequently extended through 2007. For 2004, his employment agreement provided for an annual salary of \$345,000, based on an assessment and recommendation performed by an independent compensation consultant. The amounts of Mr. Otto's bonuses are determined by the Compensation Committee and are based upon a combination of factors, weighted heavily toward the sales, open orders and operating results of the Company. For 2004, Mr. Otto's bonus was \$1,476,000.

For 2004, the Committee based the majority of Mr. Otto's bonus on several criteria established at the beginning of the year, which were focused primarily on the Company's ability to achieve targeted goals for sales, open orders and earnings. In 2004, under the direction of Mr. Otto, the Company exceeded the targeted goals for each of these areas. In 2004, the Company had record sales of \$214.8 million and record operating income of \$42.5 million; increased diluted EPS by 173%; improved the balance sheet by completing a follow-on stock offering which raised approximately \$35 million and repaying all of the Company's long-term debt; and experienced a 129% increase in stock price for the year.

In December 2004 and in February 2005, the Committee established the compensation of the Company's Chief Executive Officer and its other executive officers for fiscal year 2005. In each case, the Committee's decision was based upon the principles and procedures outlined above.

Deductibility of Compensation

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), a public company generally will not be entitled to a deduction for non-performance-based compensation paid to certain executive officers to the extent such compensation exceeds \$1.0 million. Special rules apply for performance-based compensation, including the approval of the performance goals by the stockholders of the Company.

The Company has not adopted any formal policy with respect to Section 162(m) of the Internal Revenue Code of 1986. However, the Compensation Committee generally structures compensation to be deductible and considers cost and value to the Company in making compensation decisions, which would result in non-deductibility. The Board has on occasion made decisions resulting in non-deductible compensation. The Company will not be able to deduct any compensation in excess of \$1,000,000 paid to Douglas B. Otto in fiscal year 2004. The Compensation Committee believes that these payments were appropriate and in the best interests of the Company.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is currently composed of three directors, each of whom meets the independence and experience requirements of the Nasdaq Stock Market and the independence requirements of the SEC.

Management is responsible for the preparation of the Company's financial statements and financial reporting process including its system of internal controls. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing (i) an opinion on whether the Company's financial statements present fairly, in all material respects, the Company's financial position and results of operations for the periods presented in conformity with accounting principles generally accepted in the United States and (ii) an opinion on whether management's assessment that the Company maintained effective internal control over financial reporting as of December 31, 2004, is fairly stated, in all material respects, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Audit Committee's responsibility is to monitor and oversee these processes. The Board of Directors has determined that John M. Gibbons, the Chairman of the Audit Committee, is an audit committee financial expert and is independent.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2004 consolidated financial statements and obtained from management their representation that the Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee also discussed with the independent registered public accounting firm the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), which includes, among other items, information regarding the conduct of the audit of the Company's consolidated financial statements. The Audit Committee also received written disclosures from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with KPMG LLP that firm's independence from the Company and its management. The Audit Committee has further considered the compatibility of the services provided by KPMG LLP with that firm's independence.

The Audit Committee operates under a written charter, which was adopted by the Board and is assessed annually for adequacy by the Audit Committee. The Audit Committee held seven meetings during fiscal 2004, including meetings with the independent registered public accounting firm, both with and without management present. In performing its functions, the Audit Committee acts only in an oversight capacity. It is not the responsibility of the Audit Committee to determine that the Company's financial statements are complete and accurate, are presented in accordance with accounting principles generally accepted in the United States or present fairly the results of operations of the Company for the periods presented or that the Company maintains appropriate internal controls. Nor is it the duty of the Audit Committee to determine that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's registered public accounting firm is independent.

Based upon the Audit Committee's review and discussions with management and the independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K as of and for the year ended December 31, 2004, to be filed with the Securities and Exchange Commission.

PROPOSAL NO. 2
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

For the 2004 fiscal year, KPMG LLP provided audit services, which included examination of the Company's annual consolidated financial statements. The Audit Committee has selected KPMG LLP to provide audit services to the Company and its subsidiaries for the fiscal year ending December 31, 2005. The stockholders are being requested to ratify such selection at the Annual Meeting. A representative of KPMG LLP will attend the Annual Meeting to make any statements he or she may desire and to respond to appropriate stockholder questions.

Although this appointment is not required to be submitted to a vote of the stockholders, the Audit Committee believes it is appropriate as a matter of policy to request that the stockholders ratify the appointment. If the stockholders do not ratify the appointment, which requires the affirmative vote of a majority of the outstanding shares of the Common Stock present, in person or by proxy, and entitled to vote at the Annual Meeting, the Board of Directors will consider the selection of another independent registered public accounting firm.

Ratification of the appointment of the independent registered public accounting firm requires the affirmative vote of a majority of the votes cast by the holders of the shares of Common Stock voting in person or by proxy at the Annual Meeting of Stockholders. If the stockholders should not ratify the appointment of KPMG LLP, the Audit Committee will reconsider the appointment.

**THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE
FOR THE RATIFICATION OF THE ELECTION OF KPMG LLP AS THE
COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

Audit-Related Fees

The Company was not billed for any audit-related fees in 2004 or 2003.

Tax Fees

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee administers the Company's engagement of KPMG LLP and pre-approves all audit and permissible non-audit services on a case-by-case basis. In approving non-audit services, the Audit Committee considers whether the engagement could compromise the independence of KPMG LLP, and whether for reasons of efficiency or convenience it is in the best interest of the Company to engage its

independent auditor to perform the services. The Audit Committee has determined that performance by KPMG LLP of the non-audit services listed above did not affect their independence.

Prior to engagement, the Audit Committee pre-approves all independent auditor services. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires that those services be submitted to the committee for specific pre-approval before the Company can engage for them.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated reports any pre-approval decisions to the Audit Committee at its next scheduled meeting.
