The annual meeting will commence at 9:00 a.m., local time, and will be held at The Exchange National Bank of Jefferson City's facility located at 3701 West Truman Boulevard, Jefferson City, Missouri. Our Company's principal business activity is the ownership, directly or indirectly, of all the issued and outstanding stock of The Exchange National Bank of Jefferson City, Citizens Union State Bank & Trust of Clinton, and Osage Valley Bank of Warsaw.

Our principal executive offices are located at 132 East High Street, Jefferson City, Missouri, 65101. This proxy statement and the enclosed form of proxy were first mailed to shareholders on or about May 3, 2002.

INFORMATION ABOUT THE MEETING AND VOTING

PURPOSE OF THE MEETING

The purposes of the annual meeting are:

- to elect three Class I directors to hold office for a term expiring at the 2005 annual meeting of the shareholders of our Company;
- to consider and vote upon ratification and approval of the selection of the accounting firm of KPMG LLP as the independent auditors of our Company for the current year; and
- to transaction such other business as may properly come before the annual meeting, including a proposal to adjourn or postpone the meeting.

SHAREHOLDERS ENTITLED TO VOTE AT THE MEETING

Shareholders of record as of the close of business on the April 17, 2002 record date are entitled to notice of, and to vote at, the annual meeting or any adjournment or adjournments thereof. As of the record date, 2,834,145 shares of our Company's common stock were issued and outstanding and an additional 29,348 shares were issued and held in treasury. Each such share of common stock is entitled to one vote on each matter properly to come before the

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

annual meeting.

ATTENDING THE MEETING AND VOTING IN PERSON

If you plan to attend the annual meeting and vote in person, we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee (commonly referred to as being held in "street" name), proof of ownership may be required for you to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

A-1

VOTING BY PROXY

This proxy statement is being sent to you by our board of directors for the purpose of requesting that you allow your shares of common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. We urge you to complete, date and sign the enclosed form of proxy and return it promptly in the enclosed postage prepaid envelope. If you properly complete and sign your proxy card and send it to us in time to vote, the shares represented by your proxy will be voted as you have directed. If you sign the proxy card but do not make specific voting instructions, your shares will be voted as follows:

- "FOR" the election of the nominees for director named in this proxy statement, and
- "FOR" ratification of the selection of the accounting firm of KPMG LLP as our Company's independent auditors for the current year.

If any other matter is properly brought before the annual meeting, your shares will be voted in accordance with the discretion and judgment of the appointed proxies. A shareholder who has given a proxy may revoke it at any time before it is exercised at the annual meeting by filing written notice of revocation with the Secretary of our Company, by executing and delivering to the Secretary of our Company a proxy bearing a later date, or by appearing at the annual meeting and voting in person.

If your shares of common stock are held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet.

If you participate in The Exchange National Bank of Jefferson City Profit Sharing Trust, a form of proxy/direction to trustee will be furnished to you which represents a voting instruction to the trustee of the plan as to the number of shares in your plan account. Each participant in the plan may direct the trustee as to the manner in which shares of common stock allocated to the participant's plan account are to be voted.

QUORUM REQUIREMENT

A quorum of shareholders is necessary to hold a valid meeting. The presence in person or by proxy of shareholders holding a majority of the total

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

outstanding shares of our Company's common stock will constitute a quorum at the annual meeting. Shares of common stock represented by a proxy which directs that the shares be voted to abstain or to withhold a vote on any matter will be counted in determining whether a quorum is present. Shares of common stock as to which there is a broker non-vote (i.e., when a broker holding shares for clients in street name is not permitted to vote on certain matters without instruction) also will be counted for quorum purposes. If a quorum should not be present, the annual meeting may be adjourned from time to time until a quorum is obtained.

REQUIRED VOTE TO APPROVE EACH PROPOSAL

Election of Directors. Directors are elected by a majority of the votes cast, in person or by proxy, of shareholders entitled to vote at the annual meeting for that purpose. Shareholders can withhold authority to vote for one or more nominees for director. Votes withheld from a particular nominee will have the same effect as a vote against the nominee. Shareholders do not have cumulative voting rights in the election of directors.

Selection of Auditors and Other Matters. The affirmative vote of a majority of the shares of our Company's common stock, represented in person or by proxy and entitled to vote at the annual meeting, is required for (i) the ratification of the selection of KPMG LLP as our Company's independent auditors, and (ii) the approval of such other matters as properly may come before the annual meeting or any adjournment thereof. Shareholders can abstain from voting on these proposals. If you abstain from voting on any of these proposals, it has the same effect as a vote against the proposal.

Effect of Broker Non-Votes. If your broker does not vote your shares on any proposal, such "broker non-votes" do not count as shares present for purposes of such proposal. This means that a broker non-vote would reduce the number of affirmative votes that are necessary to approve the proposal.

2

SOLICITATION OF PROXIES

This solicitation of proxies for the annual meeting is being made by our Company's board of directors. Our Company will bear all costs of such solicitation, including the cost of preparing and mailing this proxy statement and the enclosed form of proxy. After the initial mailing of this proxy statement, proxies may be solicited by mail, telephone, facsimile transmission or personally by directors, officers, employees or agents of our Company, Exchange National Bank, Citizens Union State Bank or Osage Valley Bank. Brokerage houses and other custodians, nominees and fiduciaries will be requested to forward soliciting materials to beneficial owners of shares held of record by them, and their reasonable out-of-pocket expenses, together with those of our Company's transfer agent, will be paid by our Company.

A list of shareholders entitled to vote at the annual meeting will be available for examination at least ten days prior to the date of the annual meeting during normal business hours at the registered office of our Company located at 132 East High Street, Jefferson City, Missouri. The list also will be available at the annual meeting.

ITEM 1: ELECTION OF DIRECTORS

THE BOARD OF DIRECTORS

Through March 30, 2002, our Company's board of directors consisted of

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

nine directors. On March 30, 2002, Donald L. Campbell retired from the board and simultaneously resigned as Chairman and President. At its March 14, 2002 meeting, the board of directors voted unanimously to reduce its size from nine to eight directors effective March 30, 2002. The articles of incorporation of our Company divide the board of directors into three classes of directors, with the directors serving staggered terms of three years and until their respective successors are duly elected and qualified or until their respective earlier resignation or removal. The present terms of Charles G. Dudenhoeffer, Jr., Philip D. Freeman and James E. Smith, the three directors in Class I, expire at this annual meeting. Directors in Class II (David R. Goller, James R. Loyd and Gus S. Wetzell, II) and Class III (Kevin L. Riley and David T. Turner) have been elected to terms expiring at the time of the annual meeting of shareholders in 2003 and 2004, respectively. Prior to his retirement on March 30, 2002, Donald L. Campbell was a director in Class III.

One of the purposes of this annual meeting is to elect three directors in Class I to serve for a three-year term expiring at the annual meeting of shareholders in 2005 and until their respective successors are duly elected and qualified or until their respective earlier resignation or removal. The board of directors has designated Charles G. Dudenhoeffer, Jr., Philip D. Freeman and James E. Smith as the three nominees proposed for election at the annual meeting. Unless authority to vote for the nominees or a particular nominee is withheld, it is intended that the shares represented by properly executed proxies in the form enclosed will be voted for the election as directors of these three nominees. In the event that one or more of the nominees should become unavailable for election, it is intended that the shares represented by the proxies will be voted for the election of such substitute nominee or nominees as may be designated by the board of directors, unless the authority to vote for all nominees or for the particular nominee who has ceased to be a candidate has been withheld. Each of the nominees has indicated his willingness to serve as a director if elected, and the board of directors has no reason to believe that any nominee will be unavailable for election.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF CHARLES G. DUDENHOEFFER, JR., PHILIP D. FREEMAN AND JAMES E. SMITH AS CLASS I DIRECTORS.

MEETINGS OF THE BOARD AND COMMITTEES

During 2001 the board of directors of our Company held five meetings. All directors attended at least 75% of the meetings of the board of directors which were held during 2001. It should be noted that our Company's directors discharge their responsibilities throughout the year, not only at such board of directors and committee meetings, but through personal meetings and other communications with members of management and others regarding matters of interest and concern to our Company.

5

Our Company's board of directors has established an Audit Committee. The Audit Committee assists the Board in fulfilling its responsibilities with respect to accounting and financial reporting practices and the scope and expense of audit and related services provided by external auditors, among others. The Audit Committee is responsible for apprising the Board of management's compliance with Board mandated policies, internal procedures and applicable laws and regulations. The committee works with the internal audit department and external auditors and supervises the internal audit function directly, reviews and approves the hiring of audit personnel and evaluates the performance of the internal audit function and the external auditors. The committee also has the duty to make, or cause to be made, a suitable examination and audit of the financial affairs of our Company and its subsidiaries at least annually, and to report thereon to the board of directors. Members of the Audit Committee currently are Messrs. Freeman, Goller, Riley and Wetzel. Each committee member attended at least 75% of the committee meetings held during 2001. The Audit Committee met six times during 2001. The Audit Committee has adopted a written charter, which was attached to the proxy statement with respect to the 2001 annual meeting of shareholders.

In January 2000, our Company established a Compensation Committee which assumed the responsibility to make recommendations to the board of directors regarding the compensation and benefits of our executive officers and directors and the establishment and administration of our Company's executive compensation program. The members of the Compensation Committee currently are Messrs. Freeman, Goller, Riley and Loyd. Each committee member attended at least 75% of the committee meetings held during 2001. The Compensation Committee held one meeting during 2001.

In February 2000, our board of directors approved an Incentive Stock Option Plan under which an Incentive Stock Option Committee was established. The committee is authorized to construe, interpret and administer the Plan, and to exercise exclusive authority over the grant of options under the Plan. Members of the committee are Messrs. Freeman, Goller, Riley, Loyd and Wetzel. The Incentive Stock Option Committee did not meet in 2001.

With the exception of the Audit, Compensation and Incentive Stock Option Committees, there currently are no other standing compensation, executive, nominating or other committees of our Company's board of directors, or committees performing similar functions of the Board.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

REPORT ON EXECUTIVE COMPENSATION

This report has been prepared by the Compensation Committee of our Company's board of directors (the "Committee") which has general responsibility

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

for the establishment, direction and administration of all aspects of the compensation policies and programs for the executive officers of our Company and its affiliate banks. Under an agreement between our Company and Exchange National Bank, employees of our Company and Exchange National Bank, including persons who are employees of both our Company and Exchange National Bank, are compensated as such by Exchange National Bank. Our Company's executive compensation program, insofar as it pertains to the Chairman of the Board and Chief Executive Officer (the "Chief Executive Officer") and the Vice Chairmen of our Company (the "Vice Chairmen"), is administered by the Committee. The Committee is composed of four independent outside directors, none of whom is an officer or employee of our Company or any affiliate bank. Our Company's executive compensation program, insofar as it pertains to executive officers other than the Chief Executive Officer and the Vice Chairmen, is administered by the Chief Executive Officer and the Vice Chairmen. Mr. Donald Campbell, the Chief Executive Officer, and certain other executive officers of our Company and affiliate banks, may attend meetings of the Committee, but are not present during discussions or deliberations regarding their own compensation.

COMPENSATION POLICY. Our Company's executive compensation policy is premised upon three basic goals: (1) to attract and retain qualified individuals who provide the skills and leadership necessary to enable our Company and its affiliate banks to achieve earnings growth, capital compliance and return on investment objectives, while maintaining a commitment to equal employment opportunity and affirmative action guidelines and practices; (2) to create incentives to achieve company and individual performance objectives through the use of performance-based compensation programs; and (3) to create a mutuality of interest between executive officers and shareholders through compensation structures that create a direct link between executive compensation and shareholder return.

6

In determining the structure and levels of each of the components of executive compensation needed to achieve these goals, all elements of the compensation package are considered in total, rather than any one component in isolation. As more fully described below, the determination of such levels of executive compensation is a subjective process in which many factors are considered, including our Company's and/or affiliate banks' performance and the individual executive's specific responsibilities, historical and anticipated personal contribution to our business, and length of service with our Company or affiliate banks.

COMPENSATION COMPONENTS. The Committee, as well as the Chief Executive Officer and the Vice Chairmen, reviews our Company's compensation program annually to ensure that compensation levels and incentive opportunities are competitive and reflect the performance of our Company and its affiliate banks as well as performance of the individual executive officer. The particular elements of the compensation program for executive officers are base salary, incentive compensation and periodic stock option grants. The Committee believes that these compensation components together advance both the short- and long-term interests of our shareholders. In this regard, the Committee believes that the long-term interests of our shareholders are advanced by designating a portion of executive compensation to be at risk: namely, incentive compensation (which permits individual performance to be recognized on an annual and long-term basis based, in part, on an evaluation of the executive's contribution to our Company's and/or affiliate bank's performance) and the grant of stock options (which directly ties a portion of the executive's long-term remuneration to stock price appreciation realized by shareholders). Each of the components of the compensation program is addressed separately below.

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

Base Salary. The base salary for each executive officer is reviewed from the previous year. In determining whether to adjust base salary levels, management's recommendations and subjective assessments of each executive's growth and effectiveness in the performance of his or her duties are taken into account. In addition, the performance of our Company and/or the affiliate bank is considered. The increases in the base salaries of executives of our Company and affiliate banks for 2001 were based primarily upon a subjective analysis of our Company's and/or the banks' performance during the period since the last salary increase and the individual executive's role in generating that performance. In this regard, the analysis of performance included a review of our Company's and/or affiliate bank's earnings and return on investment for the prior year. The analysis of the role played by each individual executive in generating our Company's and/or bank's performance included a consideration of the executive's specific responsibilities, contributions to our Company's and/or bank's business, and length of service. The factors impacting base salary levels are not independently assigned specific weights. Rather, all of these factors are reviewed, and specific base pay recommendations are made which reflect an analysis of the aggregate impact of these factors. The Committee and the Chief Executive Officer and the Vice Chairmen believe that base pay levels for the executive officers are maintained within a range that is considered to be appropriate and necessary.

Incentive Compensation. After careful analysis of our Company's needs and an examination of the competitive practices among peer companies, the Committee recommended, and the full board of directors approved, the adoption of an incentive bonus program. As a result, our Company's and affiliate banks' officers are eligible to receive incentive bonus awards. Each of the officers who are eligible to receive bonus awards are assigned to one of four bonus tiers, which assignments are made primarily according to job category. Tier one consists of the Chief Executive Officer. Tier two consists of our Company's Vice Chairmen and affiliate bank presidents. Tier three consists of senior officers of our Company and affiliate banks. Tier four includes officers of affiliate banks.

Officers identified by the Chief Executive Officer and the Vice Chairmen and the Committee are eligible to receive incentive bonuses. These officers may earn annual awards only upon the achievement of performance objectives which are established at the beginning of the year. Threshold, target and maximum levels of awards are established, and no awards are paid if the threshold is not met. The performance objectives are weighted based upon their relative importance to each individual. The performance objectives for participants may include corporate performance objectives and personal targeted objectives for performance. The performance objectives may include functional or operating unit objectives. Each participant's target bonus is expressed as a percentage of his or her base salary, dependent on responsibility and function. The target award is 30% of base salary in the case of the Chief Executive Officer, and in the case of the Vice Chairmen, Presidents, senior officers and other officers, the target award ranges from 20% to 10% of base pay. Earned awards may range from 0% to 150% of the target award. In 2001, the Committee granted an incentive bonus award of \$63,000, or 30% of base pay, to Mr. Campbell, the Chief Executive Officer, for the 2000 fiscal year.

Incentive bonus awards to the Vice Chairmen are allocated based upon the recommendation of the Chief Executive Officer. In allocating bonus awards among the other participants, the Chief Executive Officer and the Vice Chairmen exercise their discretion and judgment after considering the individual

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

participant's performance, responsibilities and contributions to our Company and/or affiliate banks, and subjectively analyzing the basis of their aggregate impact on the success of our Company and/or affiliate banks for the preceding year.

Stock Options. The Committee believes that in order to enhance long-term shareholder value it must provide incentives that provide motivation beyond short-term results. In February 2000, our board of directors adopted, and our shareholders subsequently approved, a stock option plan. The objective of stock option grants is to advance the longer term interests of our Company and its shareholders and complement incentives tied to annual performance by rewarding executives upon the creation of incremental shareholder value. Stock options only produce value to executives if the price of our Company' common stock appreciates, thereby directly linking the interests of executives with those of shareholders. Therefore, in order to provide long-term incentives to executive officers and other employees related to long-term growth in the value of our Company's common stock, it is intended that stock options be granted to such persons under our Company' stock option plan. The selection of the persons eligible to receive stock options and the designation of the number of stock options to be granted to such persons are made by our Company's Incentive Stock Option Committee after taking into account management's assessment of each person's relative level of authority and responsibility with the Bank, years of service and base salary, among other factors.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Members of the Compensation Committee are Mr. Freeman, the Chairman, Mr. Goller, Mr. Riley and Mr. Loyd. As discussed above under "Report on Executive Compensation", in 2001 Mr. Campbell, the Chief Executive Officer, and Messrs. Smith and Turner, Vice Chairmen, administered the executive compensation program insofar as it pertained to executive officers other than the Chief Executive Officer and the Vice Chairmen. All decisions relating to the compensation of executive officers are reviewed by, and subject to the approval of, the Compensation Committee. Among the members of the banks' board of directors, Messrs. Smith and Turner are officers and employees of the Company and affiliate banks. Mr. Campbell is a former officer and employee of the Company and its affiliate banks.

None of the members of the Committee were an officer or employee of our Company or any of its subsidiaries during 2001. Messrs. Freeman, Riley and Goller, and certain corporations and firms in which such persons have interests, have obtained loans from the affiliate banks. Each of such loans are believed to have been made to such persons, corporations or firms in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of collectibility or present other unfavorable features.

EXCHANGE NATIONAL BANK PROFIT-SHARING TRUST

Exchange National Bank established a profit-sharing plan and trust in 1951, which has been amended and restated from time to time, and was most recently amended and restated effective January 1, 2001. All employees of Exchange National Bank who have completed one year of service are eligible to participate. Exchange National Bank makes all contributions except for voluntary contributions by participants who are not highly compensated employees. Exchange

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

National Bank is required to make an annual contribution to the trust in an amount equal to 6% of its income before provision for Federal and state income taxes and before provision for contributions to the profit-sharing plan and retirement plan, limited, however, to the maximum amount deductible for Federal income tax purposes. Exchange National Bank's contribution to the trust for any given year is allocated to the accounts of the participants in direct proportion to the compensation of the participants for such year. The trust can invest up to 60% of the value of its assets in our Company's stock, and such common stock held by the trust is allocated to the accounts of the participants. The interest of a participant in Exchange National Bank contributions does not vest prior to the completion of five years of service. After five years of service a participant becomes fully vested in the value of his or her employer contribution account. A participant whose employment with Exchange National Bank terminates because of his normal retirement, death, or permanent disability is also fully vested. Payments are made to participants upon termination of service. If cash instead of stock is distributed, any shares of our Company's stock previously allocated to the terminating participant's account would be reallocated among the remaining participants' accounts. A participant may withdraw his or her own contributions, but a participant may not borrow from the trust. Each participant may direct the trustee with respect to the voting of shares of our Company's stock allocated to his account on such matters upon which shareholders are entitled to vote. Exchange National Bank serves as trustee of the trust, and the trust is administered by a retirement committee which is appointed by the board of directors of Exchange National Bank. As of December 31, 2001, the trust held assets with an aggregate book value of \$10,525,951.

As of March 15, 2002, the trust held 183,519 shares (or 6.5%) of our Company's common stock.

CITIZENS UNION STATE BANK PROFIT-SHARING PLAN

Citizens Union State Bank established the Citizens Union State Bank & Trust of Clinton Profit Sharing Plan (the "Plan") in 1963. The Plan was restated in 1994. All employees of Citizens Union State Bank who have completed one year of service and are twenty-one years old are eligible to participate in the Plan. Eligible Plan participants may make elective deferrals up to a maximum of 8% of such participant's compensation. Under the

10

terms of the Plan, a matching contribution will be made on behalf of each participant by Citizens Union State Bank in an amount of 33.33% of the participant's elective deferrals. In addition to the employer matching contributions, Citizens Union State Bank may make a discretionary annual profit sharing contribution to the Plan. Both the employer matching contribution and the discretionary employer profit sharing contribution are subject to the Plan's vesting schedule. Under the Plan's vesting schedule, a participant's interest in employer contributions does not begin to vest until the participant has completed three years of service. A participant becomes fully vested after he or she has completed seven years of service. Unless a participant terminates employment due to death, disability or retirement, a participant is not eligible to receive an employer matching or employer profit sharing contribution for a specific Plan year unless the participant has completed 1,000 hours or more of service during the Plan year and is employed on the last day of the Plan year. A participant may take a total distribution of his or her vested account balance upon his or her termination from employment. Under the terms of the Plan,

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

in-service hardship withdrawals are allowed. Plan loans, however, are not permitted. Citizens Union State Bank currently serves as the trustee and plan administrator of the Plan.

As of December 31, 2001, the trust held assets with an aggregate book value of \$970,174.

STOCK OPTION PLAN

On February 29, 2000, our board of directors adopted the Exchange National Bancshares, Inc. Incentive Stock Option Plan. The Plan is sponsored by our Company for key employees of our Company and its subsidiaries, and is intended to encourage such employees to participate in the ownership of our Company, and to provide additional incentive for them to promote the success of our business through sharing in the future growth of our business. As of March 15, 2002, our Company had granted options to purchase a total of 64,357 shares of common stock pursuant to the Plan.

The Plan is administered by a committee composed of Messrs. Freeman, Goller, Riley, Loyd and Wetzel. The Plan committee has the power to determine in its discretion the persons to whom options are granted under the Plan, the number of shares covered by those options, and the time at which an option becomes exercisable, subject in each case to the limitations set forth in the Plan. Options can be granted under the Plan only to key employees of our Company or any of its subsidiary corporations. The eligibility of the persons to whom options may be granted under the Plan is limited to those persons whom the Plan committee determines have made, or are expected to make, material contributions to the successful performance of our Company. The period of up to ten years during which an option may be exercised, and the time at which it becomes exercisable, are fixed by the Plan committee at the time the option is granted. No option granted under the Plan is transferable by the holder other than by will or the laws of descent and distribution.

The aggregate number of shares of our common stock that may be issued pursuant to the exercise of options granted under the Plan is limited to 300,000 shares, subject to increase or decrease in the event of any change in our Company's capital structure. Shares subject to options granted under the Plan which expire or terminate without being exercised in full become available, to the extent unexercised, for future grants under the Plan. No consideration is paid to our Company by any optionee in exchange for the grant of an option. The per share exercise price for an option granted under the Plan is determined by the Plan committee but may not be less than the greater of the par value or the fair market value of our common stock on the date that the option is granted. The Plan provides for automatic adjustments to prevent dilution or enlargement of the optionee's rights in the event of a stock split, stock dividend, reorganization, merger, consolidation, liquidation, combination or exchange of shares, or other change in the capital structure of our Company.

PENSION PLAN

Concurrently with the creation of the profit-sharing plan and trust in 1951, Exchange National Bank established a defined benefit plan for its employees, which has been amended and restated from time to time, and was most recently amended and restated effective January 1, 2001. Under the plan, all full-time employees become participants on the earlier of the first of June or the first of December coincident with or immediately following the later to occur of (i) the completion of one year of service or (ii) the attainment of the age of 21, and continue to participate so long as they continue to be full-time employees, until their retirement, death or termination of employment prior to normal retirement date. The plan has a five-year vesting schedule under which a participant

becomes fully vested in his accrued benefit after completing five years of service. This plan provides for the payment of retirement and death benefits that are funded by investments which, at December 31, 2001, had an aggregate book value of \$3,578,493.

The normal retirement benefits provided under the plan for an employee with at least 25 years of continuous service are based upon 45% of his/her average compensation over a ten-year period, less 50% of his social security benefit. Compensation covered by the plan includes wages, salaries and overtime pay but excludes directors' fees, commissions, bonuses, expense allowances, and other extraordinary compensation. Amounts reported in the compensation table include salaries, directors' fees, commissions and bonuses. For employees with less than 25 years of continuous service, retirement benefits are reduced proportionally. Provision is made for early or late retirement and optional payment provisions are available.

The table below illustrates the projected amount of annual retirement income, based on a straight line annuity, available under the plan for a person retiring at 65 years of age at various levels of average annual compensation and years of service classifications, with an assumed annual social security benefit of \$10,000.

AVERAGE TEN- YEAR ANNUAL COMPENSATION -----	10 YEARS SERVICE -----	15 YEARS SERVICE -----	20 YEARS SERVICE -----
\$ 50,000	\$ 7,000	\$10,000	\$14,000
100,000	16,000	24,000	32,000
150,000	25,000	37,500	50,000
200,000	34,000	51,000	68,000

The amounts shown above reflect benefits payable in the normal payment form. For a married participant, payment is by monthly benefit to the participant during his or her lifetime, and 50% of that amount is paid to the spouse monthly during the spouse's life after the participant's death. For an unmarried participant, payment is by a lifetime monthly benefit, with payments guaranteed for the first 120 months.

Mr. Campbell and Mr. Turner have 50 years and 23 years of respective continuous service under the plan. Mr. Smith is not a participant in the plan. Mr. Rose has 4 consecutive years of service.

CAMPBELL RETENTION/ASSET GROWTH INCENTIVE AGREEMENT

In 1997, our Company agreed to provide for a \$126,000 bonus to be paid to Donald L. Campbell upon his retirement if he would remain as Chief Executive Officer of our Company through March 2002. In addition, our Company agreed to provide for a \$126,000 bonus to be paid at retirement if desired asset growth targets for our Company were achieved. Each of these payments have been made to Mr. Campbell.

SMITH EMPLOYMENT AGREEMENT

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

Our Company has entered into an employment agreement with James E. Smith. The agreement had an initial three-year term which expired on November 3, 2000, but is subject to automatic extensions of one additional year upon the expiration of each year prior to Mr. Smith's 62nd birthday (unless either party gives notice not to so extend the term). The agreement provides for an annualized base salary of \$110,000, and eligibility for merit-based increases. In addition to base salary, the agreement also provides that Mr. Smith is eligible to participate in bonus and other incentive compensation plans made available to employees having responsibilities comparable to those of Mr. Smith.

Mr. Smith's employment is subject to early termination in the event of his death, disability or adjudication of legal incompetence, and otherwise may be terminated only for cause (as defined). The employment agreement prevents Mr. Smith from competing with our Company, soliciting customers or hiring employees during the term of the agreement and for a period of two years thereafter. In addition, the employment agreement requires Mr. Smith to maintain the confidentiality of our Company's confidential information prior to its disclosure by our Company.

12

CHANGE OF CONTROL AGREEMENT

Our Company has entered into change of control agreements with 12 executive officers, including Messrs. Campbell, Turner, Smith and Rose. These agreements provide that if, within two years after a change in control (as defined below), our Company or any subsidiary that is the primary employer of the executive terminates the executive's employment other than by reason of the executive's death, disability or for cause (as defined) or if the executive terminates his or her employment for good reason (as defined), the executive will be entitled to receive:

- an amount equal to one to three years' of the executive's salary (based on the executive's highest monthly base salary for the preceding twelve-month period);
- an amount equal to one to three times the executive's incentive bonus for the preceding year;
- the proportionate amount of any incentive bonus and other compensation, payments and benefits which would otherwise have been received by the executive for the year in which employment was terminated; and
- any accrued and unpaid vacation pay.

The total payments made under the change of control agreements and under any other agreements, plans or arrangements as a result of a change in control is not permitted to be in excess of 5% of the aggregate cash consideration that our shareholders would receive as a result of a change of control. Our Company will reimburse the executive for any excise taxes that result from any of such payments being considered "excess parachute payments" under Section 280G of the Internal Revenue Code of 1986, and will make a gross-up payment to reimburse the executive for any income or other tax attributable to the excess parachute payment and to the tax reimbursement payments themselves. The change of control agreements require the executives to maintain the confidentiality of our confidential information prior to its disclosure by our Company.

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

A "change in control" generally is defined to take place when (a) a person or group (other than our Company and various affiliated persons or entities) becomes the beneficial owner, directly or indirectly, of 50% or more of the total voting power of our Company's outstanding securities, (b) our shareholders approve a merger or consolidation involving our Company in which at least 50% of the total voting power of the voting securities of the surviving corporation is held by persons who were not previously shareholders of our Company, or (c) our shareholders approve a plan of complete liquidation of our Company or an agreement for the sale or disposition by our Company of all or substantially all of its assets.

COMPANY PERFORMANCE

The following performance graph shows a comparison of cumulative total returns for our Company, the Nasdaq Stock Market (U.S. Companies) and a peer index of financial institutions having total assets of between \$500 million and \$1 billion (as calculated by SNL Securities LC) for the period from January 1, 1997, through December 31, 2001. The cumulative total return on investment for each of the periods for our Company, the Nasdaq Stock Market (U.S. Companies) and the peer index is based on the stock price or index at January 1, 1997. The performance graph assumes that the value of an investment in our Company's common stock and each index was \$100 at January 1, 1997 and that all dividends were reinvested. The information presented in the performance graph is historical in nature and is not intended to represent or guarantee future returns.

TRANSACTIONS WITH DIRECTORS AND OFFICERS

As part of the consideration provided by our Company for its November 1997 acquisition of Union State Bancshares, Inc. and Union State Bank, our Company issued a promissory note to James E. Smith in the principal amount of \$2,000,000, a promissory note to Gus S. Wetzel, II in the principal amount of \$5,000,000, and four promissory notes to Mr. Wetzel's children in the aggregate principal amount of \$892,472. The six promissory notes each matures on November 1, 2002, with quarterly installments of accrued interest to be made on each February 1, May 1, August 1 and November 1 of the loan term at the rate of 7% per annum. Our Company has reserved the right to prepay the promissory notes at any time on or after November 1, 2000. The promissory notes, and one other promissory note issued to a former shareholder of Union, are secured by Union's pledge of the shares of Union State Bank capital stock owned by it.

In connection with our Company's acquisition of Union State Bank in November 1997, our Company entered into noncompetition agreements with James E. Smith and Gus S. Wetzel, II. The agreements prevent Mr. Smith and Dr. Wetzel from competing with our Company, soliciting customers or hiring employees during

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

the six-year term of the agreement in exchange for our Company's agreement to pay each of them six annual installments of \$50,000 each (without interest), the first of which installments was paid on November 3, 1997.

The officers and directors of our Company and of its subsidiaries, some of their family members and our Companies with which some of the directors are associated, were customers of, and had banking transactions with, Exchange National Bank, Citizens Union State Bank and Osage Valley Bank in the ordinary course of Exchange National Bank's, Citizens Union State Bank's and Osage Valley Bank's respective businesses during 2000 and 2001. During each of these years Exchange National Bank, Citizens Union State Bank and Osage Valley Bank each continued its policy of making loans and loan commitments in the ordinary course of business to its employees, officers and directors, and their affiliates, only on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons. In the opinion of the board of directors of Exchange National Bank, Citizens Union State Bank and of Osage Valley Bank, respectively, none of its transactions with such persons involved more than a normal risk of collectability or other unfavorable features.

David R. Goller, a director of our Company and Exchange National Bank, is a member of the firm Goller, Gardner & Feather, P.C., which Exchange National Bank has retained and expects in the future to retain as its general counsel. During 2001, Exchange National Bank paid legal fees to Goller, Gardner & Feather, P.C. in the amount of \$619.

ITEM 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The board of directors has selected the independent certified public accounting firm of KPMG LLP as our Company's independent auditors to audit the books, records and accounts of our Company for the year ending

16

December 31, 2002. Shareholders will have an opportunity to vote at the annual meeting on whether to ratify the Board's decision in this regard.

KPMG LLP has served as our Company's independent auditors since our Company commenced business operations in 1993. A representative of KPMG LLP is expected to be present at the annual meeting. Such representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Submission of the selection of the independent auditors to the shareholders for ratification will not limit the authority of the board of directors to appoint another independent certified public accounting firm to serve as independent auditors if the present auditors resign or their engagement otherwise is terminated. Shareholder ratification of the board of directors' selection of KPMG LLP as our Company's independent auditors is not required by any statute or regulation or by our Company's bylaws. Nevertheless, if the shareholders do not ratify the selection of KPMG LLP at the annual meeting, the selection of independent auditors for the current year will be reconsidered by the board of directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE SELECTION OF KPMG LLP.

AUDIT COMMITTEE REPORT TO SHAREHOLDERS

The Audit Committee of our board of directors assists the Board in fulfilling its responsibilities with respect to accounting and financial reporting practices and the scope and expense of audit and related services provided by external auditors, among others. The Audit Committee is composed of four directors, each of whom is independent as defined by the National Association of Securities Dealers' listing standards. The Audit Committee has adopted a written charter, which was attached to the proxy statement for the 2001 annual meeting of shareholders.

In connection with these responsibilities, the Audit Committee met with management to review and discuss the December 31, 2001 financial statements. The Audit Committee also discussed with the independent accountants the matters required by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Audit Committee received written disclosures from the independent accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee discussed with the independent accountants that firm's independence. The Audit Committee has considered whether the services provided under financial information systems design and implementation and other non-audit services are compatible with maintaining the independence of KPMG LLP.

Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representations of management, the Audit Committee recommended that the board of directors include the audited consolidated financial statements in the Company's Annual
