PRELIMINARY COPY
SUBJECT TO COMPLETION

March 15, 2005

Dear Fellow BEI Stockholder:

It is our pleasure to invite you to attend the 2005 Annual Meeting of stockholders of Beverly Enterprises, Inc., to be held at our corporate headquarters at One Thousand Beverly Way, Fort Smith, Arkansas at 10:00 a.m. local time on April 21, 2005.

We urge you to participate in this Annual Meeting by completing and returning the enclosed WHITE proxy card as promptly as possible. This Annual Meeting is of particular importance to all BEI stockholders because:

A group including Arnold Whitman, the Chief Executive Officer of Formation Capital, LLC and Appaloosa Management L.P., a New Jersey based hedge fund, among others, is attempting to take control of your company's Board at the meeting as part of its efforts to acquire BEI.

As described in the accompanying Proxy Statement, your Board's unanimous view is that the transactions proposed by this group are not in the best interests of BEI stockholders and significantly undervalue BEI.

For the reasons more fully described in the accompanying Proxy Statement, your Board strongly recommends that you protect your investment in BEI by voting:

FOR the BEI nominees for director; and

AGAINST the Whitman/Appaloosa group proposals under Items 3-5 on the enclosed WHITE proxy card.

Please, sign, date and return the WHITE proxy card in the accompanying postage paid envelope. Whether or not you plan to attend the Annual Meeting, we hope that you will vote as promptly as possible.

Your Board urges you NOT to sign or return any blue proxy card sent to you by the Whitman/Appaloosa group for any reason, even as a protest against their activities. If you have previously returned a blue proxy card, you may change any vote you may have cast in favor of the Whitman/Appaloosa group proposals and vote in favor of the election of the BEI nominees, by signing and returning the enclosed WHITE proxy card in the accompanying envelope. Any signed blue proxy card you return even if it reflects votes **AGAINST** the Whitman/Appaloosa group proposals will cancel any votes reflected on any WHITE proxy card you may have previously returned. The properly executed proxy card you submit with the latest date will be the one honored. We urge you to disregard any blue proxy card sent to you.

On behalf of everyone at BEI, we thank you for your continued support. We remain committed to acting in your best interests. If you have any questions or need any assistance in voting your shares, please feel free to call one of our proxy solicitors, Innisfree M&A Incorporated or Georgeson Shareholder Communications Inc., at one of the telephone numbers set forth below.

Sincerely,

William R. Floyd
Chairman, President and
Chief Executive Officer

If your shares are registered in the name of a broker, only your broker can execute a proxy and vote your shares and only after receiving your specific instructions. Please sign, date and promptly mail the WHITE voting instruction card in the envelope provided by your broker. Remember, your shares cannot be voted unless you return a signed and executed voting instruction card to your broker. If you have any questions or need further assistance in voting, please contact one of the firms assisting us in the solicitation of proxies:

**PROXY STATEMENT FOR
BEVERLY ENTERPRISES, INC. (BEI)
2005 ANNUAL STOCKHOLDERS MEETING
Answers to Frequently Asked Questions**

1. Q. Why am I receiving these proxy materials?

- A. BEI's Board of Directors is asking for the right to vote your shares as your proxy or agent at the Annual Meeting. Acting as your proxy, a member of the Proxy Committee, appointed by the Board, will vote your shares as you instruct on your proxy card. This Proxy Statement discusses the issues to be voted on. Each share you own is entitled to one vote on each matter considered at the Annual Meeting.

2. Q. On which proposals may I vote?

- A. You will be voting on:

(1) Election of eight directors;

(2) Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2005; and

(3) Approval or disapproval of any other business properly presented for a vote at the Annual Meeting. Please see Question and Answer 5 and Question and Answer 6 below.

3. Q. Who is being nominated for election as a director?

- A. Your Board has nominated William R. Floyd, Melanie Creagan Dreher, Ph.D., John D. Fowler, Jr., John P. Howe, III, M.D., James W. McLane, Ivan R. Sabel, Donald L. Seeley and Marilyn R. Seymann, Ph.D., for election as directors at the Annual Meeting. Additional information about each of the BEI nominees is included under the heading "BEI Nominees for the Board of Directors" below.

As you may know, a group including Arnold Whitman, the Chief Executive Officer of Formation Capital, LLC and Appaloosa Management L.P., a New Jersey based hedge fund, among others, has acquired over eight percent of our outstanding stock and has sent us two letters proposing an acquisition of BEI. This group, through Mr. Whitman, has nominated six individuals for election as directors of BEI at the Annual Meeting in order to take control of the Board and further their attempt to acquire BEI.

Your Board has unanimously determined that the transactions proposed by the Whitman/Appaloosa group significantly undervalue BEI and are not in the best interests of BEI or its stockholders.

YOUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE **FOR ELECTION OF THE EIGHT BEI DIRECTOR NOMINEES (ITEM 1 ON THE ENCLOSED **WHITE** PROXY CARD).**

We urge you **NOT** to sign or return any blue proxy card sent to you by the Whitman/Appaloosa group for any reason, which would void any earlier-dated proxy. The best way to support your Board is by voting:

FOR BEI's nominees for director; and

AGAINST Items 3-5 on the enclosed **WHITE** proxy card (the Whitman/Appaloosa group proposals).

Table of Contents

4. Q. What vote is required to elect directors?

A. With respect to the election of directors, you may:

Vote for the election of any or all of the eight BEI director nominees; or

Withhold authority to vote for any or all of the eight BEI director nominees.

You may take any of these actions by marking the appropriate spaces on the enclosed WHITE proxy card. If you submit your signed WHITE proxy card without indicating how you wish to vote, your shares will be voted **FOR** the election of the BEI director nominees.

If you receive a proxy statement from the Whitman/Appaloosa group or attend the Annual Meeting, you may also be able to vote on their nominees for election as directors at the Annual Meeting.

BEI's By-Laws provide that directors will be elected by a plurality of votes cast, in person or by proxy, and entitled to vote at the Annual Meeting at which a quorum is present. Stockholders do not have the right to cumulate votes in the election of directors. Accordingly, the eight nominees receiving the highest vote totals will be elected as directors of BEI. Votes that are withheld in the election of directors and broker non-votes will not be taken into account for purposes of determining the outcome of the election.

The only way to vote by proxy **FOR** the BEI nominees is to sign, date and return the enclosed WHITE proxy card. Do NOT sign or return any blue proxy card sent to you by the Whitman/Appaloosa group for any reason, even as a protest against their activities. The best way to support your Board is by voting:

FOR BEI's nominees for director; and

AGAINST Items 3-5 on the enclosed WHITE proxy card (the Whitman/Appaloosa group proposals).

YOUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR ELECTION OF THE EIGHT BEI DIRECTOR NOMINEES (ITEM 1 ON THE ENCLOSED WHITE PROXY CARD).

5. Q. What business other than the election of directors will be conducted at the Annual Meeting?

A. BEI has set forth Proposal No. 2, which asks the stockholders to ratify the appointment of Ernst & Young LLP as BEI's independent registered public accounting firm for 2005.

YOUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THIS PROPOSAL (ITEM 2 ON THE ENCLOSED WHITE PROXY CARD).

We also have received notice from Arnold M. Whitman, the Chief Executive Officer of Formation Capital, that he intends to bring the following proposals before the Annual Meeting for consideration by BEI's stockholders:

A proposal to amend our By-Laws to fix the number of directors constituting the entire Board at eight (Item 3 on the enclosed WHITE proxy card);

A proposal to repeal any amendment to our By-Laws adopted after May 29, 1997, other than the proposed amendment described above (Item 4 on the enclosed WHITE proxy card); and

A proposal to require that the foregoing proposals be presented prior to the election of directors and before any other business is conducted at the Annual Meeting (Item 5 on the enclosed WHITE proxy card).

YOUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE AGAINST EACH OF THESE PROPOSALS SUBMITTED BY THE WHITMAN/APPALOOSA GROUP (ITEMS 3-5 ON THE ENCLOSED WHITE PROXY CARD). More information regarding these

2

Table of Contents

proposals, and the reasons for your Board's recommendation, may be found under the heading "Other Matters" below.

6. Q. What vote is required for the other proposals that may be considered at the Annual Meeting?

- A. The affirmative vote of the holders of a majority of the shares present, in person or by proxy, and entitled to vote on this proposal at the Annual Meeting at which a quorum is present is required for stockholder ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2005.

You may vote for or against this proposal or abstain from voting. Abstentions will have the same effect as if you voted against this proposal. If this proposal is contested, broker non-votes will not affect the outcome of the vote on this matter.

If you submit your signed WHITE proxy card and either vote for this proposal or do not indicate a vote, you will be voting for the proposal. If you submit your signed WHITE proxy card and either vote against this proposal or abstain from voting, then you will be voting against the proposal.

YOUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP (ITEM 2 ON THE ENCLOSED WHITE PROXY CARD).

Under BEI's By-Laws, the affirmative vote of the holders of a majority of the outstanding shares of BEI common stock is required to amend or repeal the By-Laws. As a result, the affirmative vote of the holders of a majority of the outstanding shares of BEI common stock is required to amend our By-Laws to fix the number of directors constituting the entire Board at eight or to repeal any amendment to our By-Laws adopted after May 29, 1997. In addition, the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and entitled to vote on the matter at the Annual Meeting at which a quorum is present is required to approve the proposal to conduct business in the order proposed by the Whitman/ Appaloosa group.

You may vote for or against each of these matters or abstain from voting with respect to each of these matters. Abstentions with respect to any of these proposals will have the same effect as a vote against such proposals. Broker non-votes will have the same effect as a vote against the proposals to amend our By-Laws. Broker non-votes will not affect the outcome of the vote with respect to the proposal to conduct business in the order proposed by the Whitman/ Appaloosa group.

If you submit your signed WHITE proxy card and vote for any of the Whitman/ Appaloosa group proposals, you will be voting for such proposal. If you submit your signed WHITE proxy card and either vote against any of the Whitman/ Appaloosa group proposals, abstain from voting or do not indicate a vote, then you will be voting against such proposals.

YOUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE AGAINST EACH OF ITEMS 3-5 ON THE ENCLOSED WHITE PROXY CARD.

7. Q. How does our Board recommend I vote on the enclosed WHITE proxy card?

- A. Your Board unanimously recommends you vote:

FOR each BEI director nominee (Item 1 on the enclosed WHITE proxy card); and

FOR ratification of the appointment of Ernst & Young LLP as BEI's independent registered public accounting firm for 2005 (Item 2 on the enclosed WHITE proxy card).

We have not made any changes to our By-Laws since May 19, 1997. Your Board unanimously recommends you vote **AGAINST** the proposals to amend our By-Laws to fix the number of directors constituting the entire Board at eight, to repeal any amendment to our By-Laws adopted after May 29, 1997 and to conduct business in the order proposed by the Whitman/ Appaloosa group (Items 3-5 on the enclosed WHITE proxy card).

8. Q. Who is entitled to vote?

- A. Stockholders as of the close of business on March 7, 2005 (the Record Date) are entitled to vote at the Annual Meeting. As required by Delaware law, a list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting on April 21, 2005 and for 10 days prior to the meeting, during normal business hours, at BEI s corporate office located at One Thousand Beverly Way, Fort Smith, Arkansas 72919.

9. Q. Does holding my stock in a brokerage account affect my entitlement to vote?

- A. If your shares are held in the name of a broker, only your broker can execute a proxy and vote your shares. Please sign, date and promptly mail the WHITE voting instruction card in the envelope provided by your broker. Remember, your shares cannot be voted (except with respect to the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm, so long as such proposal is not contested at the time of the Annual Meeting) unless you return a signed and dated voting instruction card to your broker or attend the Annual Meeting to vote your shares in person. If your shares are held in the name of a broker, and you intend to attend the Annual Meeting and vote your shares in person, you must obtain a legal proxy, executed in your favor, from your broker to be able to vote at the Annual Meeting. However, you should still sign, date and promptly mail the WHITE voting instruction card in the envelope provided by your broker to preserve your right to vote. If you attend the Annual Meeting and vote, your proxy will be revoked.

10. What happens if I don t instruct my broker how to vote?

Q.

- A. If you don t return a voting instruction card, your broker will not be able to vote on Items 1, 3, 4 and 5. Your broker will be able to vote with respect to Item 2 only if that proposal is not contested at the time of the Annual Meeting. Therefore, if you do not return a voting instruction card:

your vote will not be taken into account for purposes of determining the outcome of the election of directors;

your broker will have discretion to vote with respect to the ratification of the appointment of Ernst & Young LLP, assuming the ratification is uncontested;

your vote will not be taken into account with respect to the proposals to amend our By-Laws, which will have the same effect as a vote against the proposals; and

your vote will not be taken into account for purposes of determining the outcome of the proposal to conduct business in the order proposed by the Whitman/ Appaloosa group.

11. What happens if I do not vote the shares registered in my name?

Q.

- A. If your shares are held in a registered account maintained by the transfer agent, The Bank of New York, your shares will not be voted or considered in the determination of a quorum unless you submit a proxy card or vote at the Annual Meeting.

12. What is a quorum ?

Q.

- A.

Edgar Filing: BEVERLY ENTERPRISES INC - Form PRER14A

A quorum is a majority of BEI's issued and outstanding shares of common stock and is required to hold the Annual Meeting. As of the Record Date, there were 108,787,095 shares of BEI common stock issued and outstanding, all of one class and each having one vote. There must be at least 54,393,548 shares present or represented by proxy at the Annual Meeting for business to be transacted. If you send the enclosed WHITE proxy card to BEI, your shares will be considered part of the quorum, regardless of how you vote.

Table of Contents

13. How do I vote?

Q.

- A. **Your vote is important.** You may vote by mail or by attending the Annual Meeting and voting by ballot, all as described below.

Vote by Mail

If you choose to vote by mail, simply date and sign your WHITE proxy card or voting instruction card and return it in the postage-paid envelope provided. If the envelope is missing, please mail your completed WHITE proxy card to Innisfree M&A Incorporated, P.O. Box 5154, FDR Station, New York, NY 10150-5154, or your completed voting instruction card to your broker, bank or nominee.

If you return your signed WHITE proxy card, but do not mark the boxes showing how you wish to vote, your shares will be voted by a member of BEI's Proxy Committee in accordance with your Board's recommendations described in this Proxy Statement. The members of the Proxy Committee are Douglas J. Babb, William R. Floyd and Jeffrey P. Freimark.

Voting at the Annual Meeting

The method or timing of your vote will not limit your right to vote at the Annual Meeting if you attend the meeting and vote in person. However, if your shares are held in the name of a broker, you must obtain a legal proxy, executed in your favor, from your broker to be able to vote at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

The shares represented by the proxy cards received, properly marked, dated, signed and not revoked will be voted at the Annual Meeting.

14. Can I revoke or change my vote after I return a proxy card?

Q.

- A. You can revoke any proxy you give at any time before your shares are voted. You can revoke a proxy in any one of three ways:

submit a valid, later-dated proxy card;

notify BEI's Corporate Secretary in writing at One Thousand Beverly Way, Fort Smith, Arkansas 72919, before the Annual Meeting that you have revoked your proxy; or

vote in person at the Annual Meeting.

Attendance at the meeting in itself will not constitute revocation of a proxy.

If you have returned a blue proxy card to the Whitman/Appaloosa group, we urge you to revoke your proxy by signing, dating and returning the enclosed WHITE proxy card to BEI.

15. What does it mean if I get more than one WHITE proxy card?

Q.

- A. If your shares are registered differently and are in more than one account, you will receive more than one WHITE proxy card. **PLEASE SIGN AND RETURN ALL WHITE PROXY CARDS TO ENSURE THAT ALL OF YOUR SHARES ARE VOTED.**

16. **Who will count the votes?**

Q.

- A. Representatives of IVS Associates, Inc., an independent tabulator appointed by the Board of Directors, will count the votes and act as inspectors of election. The inspectors of election shall have the authority to receive, inspect, electronically tally and determine the validity of proxies received.

17. **How will voting on any other business be conducted?**

Q.

- A. Other than those items described in this Proxy Statement, we do not know of any business to be conducted at the Annual Meeting. However, if any other business is properly presented, your signed WHITE proxy card gives authority to each member of the Proxy Committee to vote or refrain from voting on such matters at his discretion.

18. How do I vote if I participate in the Employee Stock Purchase Plan or the Beverly Enterprises, Inc. 401(k) SavingsPlus Plan?

- A. Computershare, as administrator of the Employee Stock Purchase Plan, is the record holder of the shares held in BEI's Employee Stock Purchase Plan. If you are a participant in the Employee Stock Purchase Plan, your shares are held in a nominee position with Computershare's broker dealer, Merrill Lynch. Computershare will seek instructions from you on how to vote and convey those instructions to Merrill Lynch, who in turn will vote your shares.

Similarly, Diversified Investment Advisors, as recordkeeper of the Beverly Enterprises, Inc. 401(k) SavingsPlus Plan, is the record holder of the shares held in the plan. If you are a participant in the Beverly Enterprises, Inc. 401(k) SavingsPlus Plan, your shares are held in a nominee position with Investors Bank and Trust, the 401(k) Plan trustee. Diversified Investment Advisors will seek instructions from you on how to vote and convey those instructions to Investors Bank and Trust, who in turn will vote your shares.

19. Who can attend the Annual Meeting?

- A. Admission to the Annual Meeting is limited to stockholders of BEI, persons holding validly executed proxies from stockholders who held BEI common stock at the close of business on March 7, 2005, and invited guests of BEI.

If you are a stockholder of BEI, you must bring certain documents with you in order to be admitted to the Annual Meeting. The purpose of this requirement is to help us verify that you are actually a stockholder of BEI. Please read the following rules carefully, because they specify the documents that you must bring with you to the Annual Meeting in order to be admitted. The items that you must bring with you differ depending upon whether you are a record holder or hold your stock in street name.

Proof of ownership of BEI common stock must be shown at the door. Failure to provide adequate proof that you were a stockholder on the record date may prevent you from being admitted to the Annual Meeting.

If you were a record holder of BEI common stock on March 7, 2005, then you must bring a valid government-issued personal identification (such as a driver's license or passport).

If a broker was the record holder of your shares of BEI common stock on March 7, 2005, then you must bring:

Valid government-issued personal identification (such as a driver's license or passport); and

Proof that you beneficially owned shares of BEI common stock at the close of business on March 7, 2005.

Examples of proof of beneficial ownership include the following (1) a letter from your bank or broker stating that you owned BEI common stock on March 7, 2005; (2) a brokerage statement indicating that you owned BEI common stock on March 7, 2005; or (3) a copy of the voting instruction card provided by your broker indicating that you owned BEI common stock on March 7, 2005.

If you are a proxy holder for a stockholder of BEI, then you must bring:

Edgar Filing: BEVERLY ENTERPRISES INC - Form PRER14A

The validly executed proxy naming you as the proxy holder, signed by a stockholder of BEI who owned shares of BEI common stock on March 7, 2005;

Valid government-issued personal identification (such as a driver's license or passport); and

If the stockholder whose proxy you hold was not a record holder of BEI common stock on March 7, 2005, proof of the stockholder's beneficial ownership of shares of BEI common stock on March 7, 2005, in the form of a letter or statement from a broker or the voting instruction card provided by the broker, in each case indicating that the stockholder owned BEI common stock on March 7, 2005.

You may not use cameras, recording equipment or other electronic devices during the Annual Meeting.

20. When are the stockholder proposals for the 2006 Annual Meeting due?

Q.

- A. All stockholder proposals to be considered for inclusion in next year's proxy statement must be submitted in writing for receipt by November 15, 2005. They should be sent to the **Corporate Secretary, Beverly Enterprises, Inc., One Thousand Beverly Way, Fort Smith, AR 72919.**

Additionally, BEI's advance notice by-law provision requires that any stockholder proposal to be presented from the floor of the 2006 Annual Meeting be received by the Corporate Secretary at least seventy-five (75) days before the meeting. It is currently expected that the 2006 Annual Meeting will be held on April 20, 2006. If this is the date set by the Board, stockholder proposals to be presented from the floor will be due by February 4, 2006. Proposals may be presented from the floor only after a determination has been made that it is a proper matter for consideration.

21. Can a stockholder recommend someone to be a nominee for election as a director at the 2006 Annual Meeting?

Q.

- A. As a stockholder, you may recommend any person to be a nominee for director by writing to the Chairman of the Nominating and Compensation Committee of the Board, c/o the Corporate Secretary at BEI's address above. The recommendations must be received by BEI no later than the date by which stockholder proposals must be received to be considered for inclusion in the proxy statement, which is the first date set forth in Question and Answer 20 above. Each recommendation must be accompanied in writing by the following information:

name and address of the stockholder recommending the nomination;

a representation that the stockholder recommending the nomination is a record holder;

a representation that the stockholder recommending the nomination intends to appear in person or by proxy at the Annual Meeting to nominate the person or persons specified;

information regarding each recommended potential director nominee that would be required to be included in a proxy statement;

a description of any arrangements or understandings between the stockholder recommending the nomination and the recommended potential director nominee; and

the consent of each recommended potential director nominee to serve as a director, if elected.

22. Are there any specific, minimum qualifications for director nominees?

Q.

- A. The Nominating and Compensation Committee of the Board has established certain criteria it considers as a guideline in considering nominations to BEI's Board of Directors. The criteria include: character, knowledge, experience, education, business judgment, diligence, stock ownership, independence, loyalty, reputation and ability to contribute to board balance and diversity. These criteria are not exhaustive, and the Nominating and Compensation Committee and the Board of Directors may consider other qualifications and attributes which

they believe are appropriate in evaluating the ability of an individual to serve as a member of the Board of Directors.

**23. What is the Nominating and Compensation Committee's process of identifying and evaluating nominees?
Q.**

- A. Prior to each Annual Meeting of stockholders at which directors are to be elected, and whenever there is otherwise a vacancy on the Board of Directors, the Nominating and Compensation Committee will consider incumbent Board members and other well-qualified individuals as potential director nominees. The Nominating and Compensation Committee will determine whether to retain an executive search firm to identify Board candidates. If an executive search firm is retained, the Nominating and Compensation Committee will select the search firm, approve the search firm's fees

Table of Contents

and other retention terms and specify for the search firm the criteria to use in identifying potential candidates consistent with the director qualification criteria described above. The Nominating and Compensation Committee will review each potential candidate. Management may assist the Nominating and Compensation Committee in the review process at the Committee's direction. The Nominating and Compensation Committee will select the candidate or candidates it believes are the most qualified to recommend to the Board for selection as a director nominee. Candidates recommended by a security holder will be evaluated in the same manner as candidates identified by the Nominating and Compensation Committee.

With the exception of Melanie Creagan Dreher, Ph.D., each of the nominees for election as a director at the 2005 Annual Meeting was elected at the Annual Meeting of stockholders held in 2004. Dr. Dreher was initially identified as a potential candidate by a professional search firm. The qualifications of Dr. Dreher were then reviewed by the members of the Nominating and Compensation Committee. All of the BEI nominees are recommended by the Nominating and Compensation Committee to stand for election by the stockholders.

24. Who is soliciting my proxy?

Q.

- A. Under applicable regulations of the SEC, each of our directors, certain officers of BEI and certain other persons may be deemed to be participants in BEI's solicitations of proxies in connection with the Annual Meeting. For information with respect to each participant in BEI's solicitation of proxies in connection with the Annual Meeting, please refer to (i) the table of security ownership of directors and executive officers under the heading "Security Ownership of Certain Beneficial Owners and Management", (ii) the discussion under the headings "Executive Compensation" and "Employment Contracts, Termination of Employment and Change in Control Agreements", and (iii) Schedules I and II to this Proxy Statement.

For additional information regarding BEI's solicitation of proxies, please see "Solicitation of Proxies" below.

25. How can I obtain copies of BEI's periodic and current reports filed with the SEC?

Q.

- A. Our periodic and current reports are available, free of charge, on BEI's website at <http://www.beverlycorp.com> as soon as reasonably practicable after such material is electronically filed with, or furnished to, the SEC.

26. How can I obtain copies of BEI's Corporate Governance Guidelines, Audit and Compliance Committee Charter and Nominating and Compensation Committee Charter?

Q.

- A. Our Corporate Governance Guidelines, Audit and Compliance Committee Charter and Nominating and Compensation Committee Charter are available, free of charge, on BEI's website at <http://www.beverlycorp.com>. We will also provide copies of these documents in printed form at the request of any stockholder.

27. Has BEI adopted a Code of Business Conduct and Ethics, and if so, how can I obtain a copy?

Q.

- A. In early 2004, we adopted an amended and restated Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, and a Code of Ethics for Senior Financial Officers that applies to our principal executive officer, principal financial officer, controller and other persons serving similar functions. Each of these codes is available, free of charge, on BEI's website at <http://www.beverlycorp.com>. We will also provide a copy in printed form at the request of any stockholder.

**28. Does BEI s Board of Directors provide a process for stockholders to send communications to the Board?
Q.**

- A. Stockholders may send correspondence to the Board of Directors c/o the Corporate Secretary at One Thousand Beverly Way, Fort Smith, Arkansas 72919. The Corporate Secretary will review all correspondence addressed to the Board or to any individual Board member. The Corporate Secretary will determine whether correspondence should be forwarded to the Board or would be more appropriately answered by management. The Corporate Secretary will summarize all correspondence not forwarded to the Board and make the summaries of the correspondence periodically available to the Board for its review. At the Board s request, the Corporate Secretary will provide the Board with the actual correspondence underlying the summaries.

**29. Do I have dissenters rights?
Q.**

- A. No dissenters rights apply to any matter to be acted upon at this meeting.

Background

On December 16, 2004, Arnold M. Whitman, the Chief Executive Officer of Formation Capital, called William R. Floyd, our Chairman, President and Chief Executive Officer, and expressed an interest in a possible transaction involving BEI.

On December 27, 2004, Mr. Floyd received a letter, dated December 22, 2004, from Formation Capital expressing an interest by Formation Capital, Appaloosa Management L.P. and Franklin Mutual Advisers, LLC in acquiring BEI for \$11.50 per share. The letter also suggested that this group would be prepared to discuss a transaction involving the purchase of our real estate assets and nursing facilities operations, leaving BEI with its ancillary service businesses. In its letter, Formation Capital indicated that this group owned approximately 4.5% of our outstanding common stock. The letter also indicated that the proposal was being provided to BEI on a confidential basis and that Formation Capital expected that BEI would not disclose the proposal to anyone other than BEI's Board and advisors.

Mr. Floyd promptly forwarded this letter to the entire Board and convened a Board meeting on December 30, 2004 to discuss the letter. Following that meeting, we retained Latham & Watkins LLP and Lehman Brothers Inc. as our legal and financial advisors, respectively, to assist the Board in fully evaluating the December 22 letter. Subsequently, we also retained J.P. Morgan Securities Inc. as a financial advisor.

On January 5, 2005, and in subsequent telephone conversations, Mr. Floyd advised Mr. Whitman that consistent with its fiduciary obligations and acting in good faith the BEI Board would meet to carefully consider the Whitman/Appaloosa group's expression of interest in an acquisition of BEI at a special meeting in late January.

Mr. Whitman called Mr. Floyd during the week of January 10, 2005. During this conversation, Mr. Floyd informed Mr. Whitman that the BEI Board would be meeting the following week and Mr. Whitman told Mr. Floyd that he might like to provide further information for the BEI Board to consider with respect to the transactions described in Formation Capital's December 22 letter. Mr. Floyd urged Mr. Whitman to provide that information quickly so the Board would have sufficient time to carefully review the information in connection with its evaluation of the December 22 letter.

Our Board met again on January 21, 2005 to consider the Whitman/Appaloosa group's December 22 letter. Mr. Floyd did not receive any additional information from the Whitman/Appaloosa group prior to his departure for the meeting.

At the January 21 Board meeting, the Board adopted a policy to hold BEI's Annual Meeting of Stockholders as early as practicable in each calendar year and, in particular, to hold our 2005 Annual Meeting on April 21, 2005. In our announcement, we stated that the meeting had been moved closer to the announcement of 2004 annual results and the anticipated filing of our Form 10-K with the SEC, which is expected to be on March 15. This policy was adopted prospectively because the BEI Board believes that holding the annual meeting closer to the recently accelerated deadline for filing of our annual report with the SEC represents an important expression of good corporate governance practice in that, among other things, it is consistent with the SEC's acceleration of year-end filing of Form 10-K. In adopting this policy, the BEI Board intended that BEI hold its annual meeting as early as practicable every year, including in 2005, without regard to whether there is or would be a proxy contest in any given year. Additionally, one of the important factors that the Board took into account in adopting this policy was that holding our annual meeting in April would shorten the amount of time the members of the Whitman/Appaloosa group would have to notify us of director nominations or stockholder proposals to be presented from the floor of the meeting. Accordingly, we disclosed the new deadline in our press release announcing the date of the annual meeting. The Board did not believe that this change would preclude stockholders, including members of the Whitman/Appaloosa group, from nominating directors or notifying us of proposals to be presented from the floor of the meeting, and it did not, in fact, prevent Mr. Whitman from taking either of these actions.

When Mr. Floyd returned from the Board meeting on the afternoon of January 21, 2005, he received a second letter from Mr. Whitman dated January 19, 2005. This second letter reiterated Formation Capital's

Table of Contents

interest in acquiring BEI for \$11.50 per share, subject to the terms and conditions contained in Mr. Whitman's earlier letter (which included, among other things, completion of business, regulatory, legal and accounting due diligence). Mr. Whitman also indicated that, as stated in his prior letter, Formation Capital would be prepared to discuss a transaction in which the Whitman/ Appaloosa group would acquire our real estate assets and nursing facilities operations, leaving BEI with its ancillary service businesses. Specifically, Mr. Whitman indicated that, subject to completion of business, regulatory, legal and accounting due diligence, the Whitman/ Appaloosa group was prepared to pay \$9.00 per share in cash for our nursing operations and assume all liabilities not related to our ancillary service businesses. The January 19 letter also suggested that Formation Capital believed the company comprised of the ancillary service businesses would trade at approximately a valuation of \$4.00 per share and that the Whitman/ Appaloosa group would enter into contractual agreements whereby BEI would continue to provide ancillary services to the acquired nursing facilities. Mr. Whitman's January 19 letter again indicated that the proposal was being provided to BEI on a confidential basis and that he expected that BEI would not disclose the proposal to anyone other than BEI's Board and advisors.

This second letter necessitated an entirely new round of review by our Board and its outside legal and financial advisors to evaluate the additional information contained in the January 19 letter regarding the alternative acquisition structure described in the letter. On January 24, 2004, Mr. Floyd sent Mr. Whitman a letter informing him that the Board would meet again to consider this second letter and that he expected to respond during the first week of February.

Both of Mr. Whitman's letters professed a desire for a friendly transaction and specifically requested that we treat their indications of interest confidentially, a request that BEI honored. However, on January 24, 2005, Mr. Whitman, Appaloosa, Formation Capital, Franklin and Northbrook NBV, LLC, among others, filed a Schedule 13D with the SEC explaining that they had acquired over 8% of our common stock and disclosing their December 22 and January 19 letters and their intent to gain control of BEI.

Importantly, their Schedule 13D filing was triggered by the Whitman/ Appaloosa group's accumulation of more than 5% of our shares in the open market. In fact, based upon the buying history described in their Schedule 13D, they knew on January 14 that they would be forced to make public disclosure of their proposals no later than January 24. Mr. Whitman's January 19 letter, nonetheless continued to express a desire to keep the Whitman/ Appaloosa group's indications of interest confidential.

On January 25, 2005, in light of the rapid accumulation of our shares by the Whitman/ Appaloosa group, our Board adopted a Share Purchase Rights Plan to protect our stockholders from the obvious threat of additional stock accumulations.

On January 27, 2005, we received a letter from a lawyer for the Whitman/ Appaloosa group indicating that they might propose a slate of directors for election at the Annual Meeting.

Our Board met again on the evening of February 2, 2005 to consider the transactions described in Mr. Whitman's January 19 letter. On February 3, 2005, Mr. Floyd faxed Mr. Whitman a letter informing him that the BEI Board had after consultation with its independent financial and legal advisors unanimously concluded that the transactions described in his December 22 and January 19 letters are not in the best interests of BEI or our stockholders.

In reaching these conclusions, the Board took into account its confidence in BEI's strategic plan and business segment growth initiatives, including continued growth of the ancillary service businesses as part of a single company with our skilled nursing business, and its belief that management will continue to deliver on its commitments to stockholders. The Board also took into account the operating and financial progress BEI has achieved in recent years, including, among other things:

Between December 31, 2000 and September 30, 2004, we increased cash and cash equivalents, on a consolidated basis, from approximately \$26 million to approximately \$207 million. The September 30, 2004 amount includes cash of approximately \$56 million related to our subsidiaries that are not guarantors of our 7⁷/₈% Senior Subordinated Notes;

Table of Contents

From December 31, 2000 to September 30, 2004, we reduced our long-term debt (including current portion) from approximately \$1 billion to approximately \$570 million. These amounts include off-balance sheet obligations, if any, and obligations of our direct and indirect wholly owned subsidiaries, but do not include other current or long-term liabilities on our balance sheet; and

From December 31, 2000 to September 30, 2004, through greater management focus on improving collections, including implementation of new systems and centralization of Medicare collections, we reduced our skilled nursing patient receivables from approximately \$495 million to approximately \$181 million. On a same facility basis (facilities operating at both December 31, 2000 and September 30, 2004), our skilled nursing receivables declined approximately 41% from \$296.8 million at December 31, 2000.

The BEI Board also took into account that, under the current management team:

the price of BEI's common stock has more than quadrupled between January 2003 (the beginning of the first quarter following our announcement of a two-year divestiture program that was intended to, and did, result in a significant reduction in projected patient care liability costs) and January 21, 2005 (the last trading day prior to the public disclosure of the Formation Capital letters);

EBITDA² from continuing operations (on a comparable basis) has more than tripled in the past four years; and

BEI has developed innovative clinical services, including for Alzheimer's patients, and focused on delivering quality care for the elderly, which the BEI Board believes will result in competitive advantages for BEI as it continues to implement its strategic plan.

As BEI has stated on many occasions, it believes that the value of our ancillary service businesses is enhanced by being part of a single organization with our skilled nursing business and that this combination

² We define EBITDA as earnings from continuing operations before interest expense (including costs related to early extinguishments of debt), interest income, income taxes, depreciation and amortization. The BEI Board looks to EBITDA in considering management's performance because EBITDA is commonly used by our lenders and investors to assess our leverage capacity, debt service ability and liquidity, and we use EBITDA to evaluate financial performance and to design incentive compensation for management. EBITDA is not considered a measure of financial performance under U.S. generally accepted accounting principles (GAAP), and the items excluded from EBITDA are significant components in understanding and assessing our financial performance. EBITDA should not be considered as an alternative to net income, cash flows provided by or used in operating, investing or financing activities or other financial statement data presented in our consolidated financial statements as an indicator of financial performance or liquidity. Since EBITDA is not a measure determined in accordance with GAAP and is thus susceptible to varying calculations, EBITDA, as presented, may not be comparable to other similarly titled measures of other companies.

EBITDA has limitations as an analytical tool, and you should not consider it in isolation or as a substitute for analysis of our results as reported under GAAP. Some of these limitations are:

EBITDA does not reflect our cash expenditures, or future requirements, for capital expenditures or contractual commitments;

EBITDA does not reflect changes in, or cash requirements for, our working capital needs;

EBITDA does not reflect interest expense, or the cash requirements necessary to service interest or principal payments, on our debt; and

although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future, and EBITDA does not reflect any cash requirements for such replacements.

Because of these limitations, EBITDA should not be considered as a measure of discretionary cash available to us to invest in the growth of our business. We compensate for these limitations by relying primarily on our GAAP results and using EBITDA only supplementally.

reflects a core element of our strategic plan. Accordingly, the Board took into account its belief that separating those businesses would create significant risks for the standalone services company, including its reliance on the separated skilled nursing business for a substantial portion of its revenue stream, as well as requiring the ancillary service businesses to incur costs related to operation as a standalone public company.

Additionally, the Board took into account its serious concerns regarding the highly contingent nature of the proposals, including that:

the Whitman/ Appaloosa group did not have a commitment letter with respect to the debt financing that would be required to complete an acquisition of BEI;

even if the Whitman/ Appaloosa group were to receive a commitment letter with respect to debt financing, it would almost certainly be subject to numerous qualifications and conditions, which would likely include both customary financing conditions and conditions specifically related to the complex multi-property real estate financing the BEI Board believes would be required to finance the Whitman/ Appaloosa group's proposal for an acquisition of BEI. For example, as disclosed in Mariner Health Care, Inc. public filings, even after the acquirer of Mariner, another operator of skilled nursing facilities, conducted almost two months of due diligence (as compared with the 30 days of due diligence the Whitman/ Appaloosa group indicated it required in its December 22 letter), the debt commitment letter provided to the acquirers of Mariner was conditioned upon, among other things, real estate, healthcare and legal and financial due diligence acceptable to the lender;

exploration of even the feasibility of the financing required to complete either of the transactions would require protracted and undefined due diligence that would disrupt our operations;

rising interest rates and attendant changes in the capital markets (including the availability and cost of leveraged financing, based on either cash flows or real estate assets) create additional uncertainty with respect to the ability to obtain the required debt financing;

the proposed prices suggested in the two letters are subject to, among other things, the Whitman/ Appaloosa group's completion of business, regulatory, legal and accounting due diligence;

while the letters suggest that the Whitman/ Appaloosa group might raise the proposed purchase price, the terms of their letters are not binding and the group may attempt to lower their proposed purchase price; and

the indications of interest by the Whitman/ Appaloosa group were also subject to negotiation of definitive documentation as described in the December 22 letter.

The BEI Board also took into account its belief that neither of the alternative transaction structures, as presented, could be successfully financed within the terms of the indications of interest. In particular, the Board took into account Formation Capital's statement that the Whitman/ Appaloosa group had only \$375 million in committed equity financing.

Additionally, the Board took into account its concerns about the willingness of the Whitman/ Appaloosa group to deal with BEI in a forthright manner after we had received two letters requesting that BEI maintain the confidentiality of the group's proposals—particularly in light of the fact that when the group sent its second letter on January 19 they knew they would publicly disclose their proposals no later than January 24.

Finally, the Board believes that this group's two preliminary and highly conditional indications of interest significantly undervalue BEI. The Board has consulted with its financial advisors who have provided guidance and assistance to the Board in analyzing BEI's historical financial statements, its stock market prices over the past several years and other financial measures of performance, including, but not limited to, cash flows and comparisons with comparable companies. The Board has also considered BEI's own strategic plan and prospects for future growth on a standalone basis.

Mr. Whitman's nomination of an opposition slate of directors, as well as his proposal of a number of additional matters for approval by the BEI stockholders at the Annual Meeting, is designed solely to further the Whitman/Appaloosa group's attempt to take over BEI.

Table of Contents

Your Board has unanimously concluded that the transactions proposed by the Whitman/ Appaloosa group are not in the best interests of BEI or our stockholders. Accordingly, your Board unanimously recommends you vote:

FOR the BEI director nominees; and

AGAINST items 3-5 on the enclosed WHITE proxy card.

Proposed Legislation in Arkansas

BEI understands that members of the Arkansas legislature have concerns about the impact of a potential change of control of BEI on the quality of care provided to patients in that state, as well as on jobs and the local economy. Two bills have been proposed in the Arkansas legislature to address these concerns.

The first bill (House Bill 2128) is limited to a review by the State of Arkansas to ensure that quality of care for residents of long-term care facilities in Arkansas does not deteriorate in the event of a significant change in ownership of any long-term care provider.

Specifically, this first bill would require that any party seeking to acquire a health facility permit in Arkansas, including by acquisition of more than 10% of the stock or voting rights of the owner of a health facility, such as BEI, obtain the approval of the Arkansas Health Services Permit Agency prior to completion of the transfer.

BEI does not believe that this proposed legislation would impact the solicitation of proxies by Mr. Whitman, prevent Mr. Whitman from exercising proxies at the annual meeting or affect the ability of the Whitman/ Appaloosa group nominees to serve on the BEI Board.

This first bill would, however, require any person seeking to acquire BEI to obtain the prior approval of the Arkansas Health Services Permit Agency prior to taking control of our Arkansas facilities. The application for approval would be required to include information needed by the Agency to determine whether:

following the transfer, the health facility will continue to be able to meet the needs of the locale or area in terms of health care required for the population or geographic region;

the health facility can be adequately staffed and operated when the transfer is completed;

the proposed transfer is economically feasible;

the health facility will foster cost containment through improved efficiency and productivity following the transfer; and

following the transfer the applicant can be expected to provide a substantially consistent high level of care at the health facility.

The second bill (House Bill 2593), which was proposed by the same legislator who proposed the first bill, also addresses quality of care issues, but is broader in scope in that, among other things, it could potentially apply to facilities outside Arkansas. In addition, this second bill could potentially restrict the ability of Mr. Whitman, or others, from exercising proxies with respect to 10% or more of our stock.

BEI will not support Arkansas legislation that would have any effect outside Arkansas, where only 17 of our facilities are located, and BEI believes that this second bill has been or will soon be amended so as to remove these concerns by replacing the language of House Bill 2593 (the second bill) with the language of House Bill 2128 (the first bill) and by adding clarifying language that the provisions of House Bill 2128 apply only to long term care facilities located within the State of Arkansas. Our 17 Arkansas facilities accounted for approximately four percent of our total EBITDA in 2004.

Neither of these bills would prevent a change of control of BEI. However, the second bill could be interpreted as applying outside the State of Arkansas and BEI will not support this second bill or any other Arkansas legislation that purports to apply outside Arkansas.

Table of Contents

BEI believes that a bill restricted to Arkansas facilities alone is a legitimate way for the Arkansas legislature to protect its nursing home residents and other constituents. Further, we believe each state must determine how best to protect the interests of patients, and that it is not the role of the State of Arkansas to legislate patient care on behalf of other states.

As neither bill would impact BEI's current operations, BEI does not believe either would have any impact on our financial condition or results of operations, nor would either bill reduce BEI's ability to modify its current business practices.

Proposals on Which You May Vote

1. Election of Directors

All of the eight current directors of BEI have been nominated for re-election. Detailed information on each BEI nominee is provided beginning on page 18. Each director is elected annually and serves a one-year term until the next Annual Meeting or until his or her successor is elected and qualified. Except as otherwise specified on your WHITE proxy card, proxies will be voted for the election of all BEI nominees.

If for any reason any of the BEI director nominees should become unavailable for election (an event that the Board does not anticipate), the proxy will be voted for the election of such substitute nominee as may be designated by the Board.

Your Board unanimously recommends a vote FOR the election of each BEI nominee as a director.

2. Ratification of the Appointment of Ernst & Young LLP as our Independent Registered Public Accounting Firm for 2005

The Audit and Compliance Committee has appointed, and the Board has ratified the appointment of, Ernst & Young LLP as our independent registered public accounting firm for 2005. Ernst & Young LLP has unrestricted access to the Audit and Compliance Committee to discuss audit findings and other financial matters. Representatives of Ernst & Young LLP will attend the Annual Meeting and will be available to answer appropriate questions. They may also make a statement if they desire to do so.

Audit Fees

Ernst & Young LLP fees for the 2004 annual audit and the 2003 annual audit were \$1,684,000 and \$1,292,000, respectively, including fees associated with Sarbanes-Oxley 404 attestation procedures, reviews of BEI's quarterly reports on Form 10-Q and consents on registration statements filed with the SEC in 2003 and 2004.

Audit-Related Fees

Ernst & Young LLP fees for audit-related services in 2004 and 2003 were \$1,158,000 and \$668,000, respectively. Audit-related services generally include employee benefit plan audits, statutory and affiliate audits, agreed-upon compliance attestation procedures under BEI's Corporate Integrity Agreement with the Office of Inspector General, due diligence procedures performed in connection with acquisitions or potential acquisitions, and consultations on accounting and financial reporting matters.

Tax Fees

Ernst & Young LLP fees for tax services in 2004 and 2003 were \$290,000 and \$30,000, respectively. Tax services rendered to BEI primarily include tax return compilation reviews, state tax planning assistance and consultations on tax matters.

All Other Fees

There were no other Ernst & Young LLP fees incurred in 2004 and 2003.

The Audit and Compliance Committee has determined that the provision of these services is compatible with maintaining Ernst & Young LLP's independence.

Pre-Approval Policy for Audit and Non-Audit Services Performed by Independent Registered Public Accounting Firm

The Audit and Compliance Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. The Audit and Compliance Committee is provided sufficient detail regarding each service to be pre-approved to enable it to determine whether providing such service might impair the independence of the independent registered public accounting firm.

Table of Contents

Pre-approval is provided periodically as determined necessary and any pre-approval is detailed as to the particular service or category of services and generally subject to a budget or fee range, but only for purposes of authorizing payment. Interpretations as to whether a particular service to be provided falls within the definition of a service that has already been pre-approved shall be made by the Audit and Compliance Committee or its delegate. Management and the independent registered public accounting firm are required to report periodically to the Audit and Compliance Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval. The Audit and Compliance Committee may also pre-approve particular services on a case-by-case basis. The Audit and Compliance Committee has delegated pre-approval authority to the Chairperson of the Committee, and the Chairperson must report, for informational purposes only, any pre-approval decisions to the Audit and Compliance Committee at its next scheduled meeting.

The Audit and Compliance Committee has the sole responsibility for selecting BEI's independent registered public accounting firm, and stockholder ratification is not required. However, the selection is being submitted for ratification by the stockholders solely for the purpose of soliciting the stockholders' opinion of the Audit and Compliance Committee's selection of the independent registered public accounting firm. While it is the Audit and Compliance Committee's present intention to take the opinion of the stockholders into consideration in its future deliberations with respect to the selection of an independent registered public accounting firm, it may decide not to do so. In any event, the Audit and Compliance Committee may engage or terminate the engagement of Ernst & Young LLP or any other accounting firm as BEI's independent registered public accounting firm as it determines is necessary or appropriate in its sole discretion, regardless of the outcome of the stockholders' vote on Item 2 or any other vote of the stockholders taken at any time or in any other manner.

Your Board unanimously recommends a vote FOR the ratification of Ernst & Young LLP's appointment as our independent registered public accounting firm for 2005.

Board of Directors Meetings and Attendance at Board and Committee Meetings and Annual Meetings of Stockholders

Each director attended at least 75% of all meetings of the Board and any committees on which the director served. Directors are encouraged to attend the Annual Meeting of stockholders of BEI. All of the nine then-sitting directors attended the 2004 Annual Meeting except Dr. Seymann.

Each of the Audit and Compliance Committee and the Nominating and Compensation Committee meet at regularly scheduled executive sessions without management. The Chairperson of each of these committees presides over these sessions. In addition, the non-management directors meet at regularly scheduled executive sessions. The presiding director at those executive sessions is selected by a majority of the non-management directors and alternates from meeting to meeting.

Compensation Committee Interlocks and Insider Participation

During 2004, John D. Fowler, Jr., James W. McLane, Ivan R. Sabel and Marilyn R. Seymann, Ph.D. served as members of the Nominating and Compensation Committee of the Board of Directors. John P. Howe, III, M.D., also served on the Compensation Committee until May 20, 2004. None of these persons is or has been an officer or employee of BEI or any of its subsidiaries. In addition, during 2004, none of BEI's

executive officers served on the board of directors or compensation committee (or committee performing similar functions) of any other company that had one or more executives serving on BEI s Board of Directors or Nominating and Compensation Committee.

Table of Contents**Board of Directors Compensation****How was the Board compensated in 2004?**

William R. Floyd, BEI's sole employee director, received no compensation for serving on the Board, other than expense reimbursement. Mr. Floyd also receives a salary in connection with his position as BEI's Chairman of the Board, President and Chief Executive Officer.

In 2004, non-employee directors, as a group, received \$366,605 in cash, \$256,100 credited as deferred share units, which, until May 20, 2004, included a 25% BEI match, and \$18,562 credited as deferred cash units. This compensation was paid based on the following:

Category	Participation Fees(d)
Annual retainer fee	\$ 35,000
Additional annual retainer fee for Chairperson of Audit and Compliance Committee and Nominating and Compensation Committee (June-December)(a)	\$ 15,000
Additional annual retainer fee for Chairperson of Finance Committee and Quality Committee (June-December)(a)	\$ 10,000
Attendance at Board or Committee meetings (January-May)	\$ 1,000/500(e)
Attendance at Board meeting (June-December)	\$ 1,500/750(e)
Attendance at Committee meeting (June-December)	\$ 1,250/625(e)
Attendance at Committee meeting Chairperson (January-May)(b)	\$ 1,000/500(e)
Expense reimbursement	Out of pocket costs
	Value at Time of Grant
15,385 shares	\$ 120,000

(a) The respective Chairpersons were paid a prorated amount of the annual retainer fee in 2004.

(b) The Committee Chairperson received this amount in addition to the amount received for attendance at Committee meetings generally. This per meeting fee was replaced in June 2004 by the annual retainer fee referred to in footnote (a).

(c) In accordance with the Non-Employee Directors Stock Option Plan, non-employee directors receive annual restricted shares grant equal to \$120,000, as determined based on the closing share price on the date of the Board meeting held in conjunction with the Annual Meeting. Dr. Dreher received 11,688 shares, pro rated from August when she joined the Board. Directors may choose to defer the grant of all or a portion of these shares. Deferred restricted shares are designated as phantom stock units. Each phantom stock unit has an initial value equivalent to one share of BEI common stock and directly tracks the increase or decrease in value of BEI's common stock. Distributions will be made in shares of BEI common stock, and will start upon retirement, termination, death or disability and can be made, at the director's option, in a lump sum or over a period of two to 10 years.

- (d) *In accordance with the Non-Employee Director Deferred Compensation Plan, non-employee directors are permitted to defer all or a portion of their cash compensation. Deferred compensation is designated as phantom stock units, cash units or a combination of both. Each phantom stock unit has an initial value equivalent to one share of BEI common stock and directly tracks the increase or decrease in value of BEI's common stock. Cash units accrue interest at the prime rate, as determined by a major New York bank, on the first business day of the year. All of the deferred cash in 2004 constituted interest earned on cash deferred in previous years. Distributions will be made in shares of BEI common stock, and will start upon retirement, termination, death or disability and can be made, at the director's option, in a lump sum or over a period of two to 10 years.*
- (e) *If two amounts are shown, the first amount represents the participation fee if the non-employee director attended the applicable meeting in the manner in which attendance was requested, while the second amount represents attendance in any other manner.*

Audit and Compliance Committee Report

This Audit and Compliance Committee Report is not deemed to be soliciting material or filed with the SEC, is not subject to the liabilities of Section 18 of the Exchange Act, and shall not be deemed incorporated by reference into any of the filings previously made or made in the future by BEI under the Exchange Act or the Securities Act of 1933, as amended (the Securities Act) (except to the extent BEI specifically incorporates this information into a document that is filed).

The Audit and Compliance Committee was established in accordance with Section 3(a)(58) of the Exchange Act. The Audit and Compliance Committee currently consists of four independent non-employee directors who satisfy the requirements of Section 10A-3 of the Exchange Act and the current listing standards of the NYSE. On February 11, 2004, the Board adopted a restated written charter for the Audit and Compliance Committee, a copy of which can be found on BEI's website at <http://www.beverlycorp.com>.

The Audit and Compliance Committee oversees BEI's financial reporting process on behalf of the Board. In fulfilling its oversight responsibilities, the Audit and Compliance Committee selects, appoints, retains and oversees BEI's independent registered public accounting firm and reviews and discusses the audited financial statements included in BEI's Annual Report on Form 10-K with management, including the reasonableness of significant judgments and the clarity of disclosures in the financial statements. Management has primary responsibility for the financial statements and reporting process, including internal control over financial reporting.

BEI's independent registered public accounting firm is responsible for performing an audit of BEI's financial statements and expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles. The Audit and Compliance Committee's responsibility is to monitor and review the processes. It is not the Audit and Compliance Committee's duty nor its responsibility to conduct auditing or accounting reviews or procedures. In this context, the Audit and Compliance Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2004 with management and the independent registered public accounting firm. The Audit and Compliance Committee has discussed with the independent registered public accounting firm their judgments as to BEI's accounting principles, including the acceptability and quality of those principles, and such other matters as are required to be discussed under generally accepted accounting standards Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications) and Statement on Auditing Standards No. 89 (Audit Adjustments), each as currently in effect. In addition, it has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees), as currently in effect, and discussed their independence from BEI and its management and considered whether the independent registered public accounting firm's provision of non-audit services to BEI is compatible with the registered public accounting firm's independence.

The Audit and Compliance Committee discussed with the independent registered public accounting firm the overall scope of their respective audits. The Audit and Compliance Committee meets with the independent registered public accounting firm, without management present, to discuss the results of their examinations, their evaluations of BEI's internal control over financial reporting and the overall quality of BEI's financial reporting. In the performance of their oversight function, the members of the Audit and Compliance Committee necessarily relied upon the information, opinions, reports and statements presented to them by management and by the independent registered public accounting firm. The Audit and Compliance Committee held nine meetings during 2004.

In reliance on the reviews and discussions referred to above, the Audit and Compliance Committee recommended to the Board, and the Board has approved, that the audited financial statements as of and for the year ended December 31, 2004 be included in BEI's Annual Report on Form 10-K for the year ended December 31, 2004, filed with the SEC.

The Audit and Compliance Committee also oversees BEI's compliance and reporting to the Office of Inspector General of the Department of Health and Human Services (OIG) under the Corporate Integrity Agreement entered into by BEI and the OIG in February 2000.

**Nominating and Compensation
Committee Report
on 2004 Executive Compensation**

This Nominating and Compensation Committee Report is not deemed to be soliciting material or filed with the SEC, is not subject to the liabilities of Section 18 of the Exchange Act, and shall not be deemed incorporated by reference into any of the filings previously made or made in the future by BEI under the Exchange Act or the Securities Act (except to the extent BEI specifically incorporates this information into a document that is filed).

The Nominating and Compensation Committee of the Board currently consists of four independent non-employee directors who satisfy the current independence standards of the NYSE. Our objective is to develop executive compensation policies that are directly aligned with BEI's strategic goals and tie pay to performance and to stockholder value creation. We are responsible for reviewing, recommending and approving corporate goals and objectives relevant to the Chief Executive Officer's and other senior executive officers' compensation, and determining and approving the CEO's compensation. We also approve the design of BEI's broad-based compensation programs, evaluate their effectiveness and authorize new plans and strategies, as appropriate.

Compensation Practices

To accomplish these objectives, on October 10, 2001, we adopted the following compensation philosophy, which we believe continues to be appropriate:

quality of care will always be a key criteria in the formulation of incentive compensation;

competitive market for executive talent is national and multi-industry in scope;

pay should position salary around competitive market median and target incentive pay around the 75th percentile, with opportunity to exceed this level with strong performance;

pay should consist of cash and stock-based vehicles;

pay is tied to performance;

pay should reflect significant upside for exceeding goals; and

individual contributions should be recognized.

We rely on information from a number of sources to assist us in implementing this philosophy. We work with an executive compensation consulting firm selected by us that provides guidance on industry practices and assists in valuing various forms of compensation. We evaluate competitive compensation practices and amounts by considering data assembled by the compensation consultant. The information provided to us for this purpose looks at companies in the service industry and the healthcare services industry with comparable revenues, number of employees and market capitalization. Finally, we receive input from BEI's CEO regarding the elements of compensation and the overall compensation he recommends for other executive officers.

Executive compensation at BEI consists of four primary elements: base salary, annual incentive compensation potential, long-term compensation in the form of stock-based vehicles and retirement benefits. The type and amounts of compensation, the scope and terms of the compensation plans and the retirement benefits are the result of a substantial evaluation and analysis by the Committee. The consulting firm retained by the Committee provided an analysis of BEI's compensation structure in comparison to that of competitive companies. The Committee utilized that analysis in conjunction with its compensation philosophy to develop BEI's current compensation structure.

Table of Contents

Base Salary

We regularly review the base salary of BEI's corporate officers. In addition to considering the median salaries for comparable positions at the other companies reflected in competitive market information, we also consider the level and scope of responsibility, experience and performance of individual officers, as well as relative salary levels among BEI officers. However, we do not assign a specific weight to each of these factors.

Annual Incentive Compensation

On February 2, 2005, we evaluated performance-based compensation available under the Beverly Enterprises, Inc. Annual Incentive Plan, dated effective January 1, 1998, for corporate and subsidiary management. The financial performance measurement used was earnings before interest, taxes, depreciation and amortization (EBITDA), excluding the effect of certain actions taken during 2004.

Each executive officer participating in the Annual Incentive Plan, including those listed in the Summary Compensation Table, has a target and maximum annual incentive opportunity expressed as a percentage of annual base salary. Target opportunities for executive officers for 2004 ranged from 45% to 125% of annual base salary, which amount is weighted based upon the performance of BEI in excess of the target opportunity thresholds. Except for the executive officers listed below in the Summary Compensation Table, the target opportunities for participants may be increased or decreased by the Committee based upon the business and financial performance of BEI. Subsidiary management incentive plan distributions were reviewed and adjusted if applicable due to revisions to final business unit scorecard results.

Long-Term Incentive Compensation

We strongly believe that stock-based compensation creates a direct link between the long-term financial interests of BEI's executives and BEI's stockholders. Prior to last year, we granted stock options to eligible employees. We have changed our view on this approach in favor of grants of restricted stock to eligible employees. Last year we evaluated BEI's ability to provide performance-based compensation under the 1997 Plan. We decided to implement a 2004 long-term incentive program under the 1997 Plan, pursuant to which BEI grants restricted stock to employees selected by the Committee that vest at the end of three years from the date of grant. In addition, BEI grants performance units and/or performance-based cash bonuses to employees selected by the Committee that vest at the end of three years to the extent certain EBITDA, EBITDA margin and share appreciation goals are obtained.

In determining the size and other terms of stock grants, we review information on competitive practices and valuations provided by our compensation consultants. Generally, performance-based stock awards are made during the first half of a year.

In 2004, BEI granted 558,602 shares of restricted stock to the executive officers as a group, and 396,368 shares of restricted stock to BEI's other employees as a group. Further details about restricted stock awards granted to the named executive officers during 2004 are shown on the Executive Summary Compensation Table below.

Response to Tax Laws Limiting Deductions for Compensation

Section 162(m) of the Internal Revenue Code generally sets a \$1,000,000 per person limit on a company's ability to deduct compensation paid to its five most highly paid executive officers. Section 162(m) provides an exemption to this limit for compensation that qualifies under the Code as performance-based compensation. The Nominating and Compensation Committee has determined that it generally should seek to retain full tax deductibility for our incentive compensation programs. Therefore, we have designed BEI's annual and long-term compensation programs so that compensation earned under those plans can meet the definition of performance-based compensation. However, in order to maintain flexibility in motivating and compensating BEI's executive officers, in some circumstances it may provide for or pay compensation that may not satisfy 162(m) and, therefore, may not be deductible, in whole or in part, by BEI.

Table of Contents**Retirement Benefits**

SERP. In addition to maintaining standard broad-based employee retirement benefit plans, we adopted a supplemental executive retirement plan (the *SERP*) on February 19, 1998. Participants were selected based on management's recommendations. The *SERP* was amended and restated, effective as of April 1, 2000. Generally, this program provides for an annual retirement income benefit equal to the product of (a) 3.33%, multiplied by (b) the participant's final average base compensation and (c) the participant's years (including partial years) of credited service. The benefit is payable for a maximum of fifteen years upon retirement at age 65 with 15 years of service after age 50. For purposes of calculating participants' retirement benefits, only their base annual salary up to \$1,000,000 per year is taken into account; incentive compensation, bonuses and base annual salary in excess of \$1,000,000 are disregarded. Benefits are reduced for retirement before age 65 or for less than 15 years of service. Participants may elect to receive their benefits in the form of a single lump sum payment.

The *SERP* was modified in December 2001 with respect to Mr. Floyd to provide him an enhanced retirement benefit equal to 50% of his final average compensation regardless of his years of service. For purposes of calculating Mr. Floyd's final average compensation, only his base annual salary up to \$1,000,000 per year is taken into account; incentive compensation, bonuses and base annual salary in excess of \$1,000,000 are disregarded. Mr. Floyd's benefit is now fully vested. In addition, the 5% discount per year for retirement prior to age 65 was waived for Mr. Floyd, and his benefits could be paid over 15 years regardless of how many years of service he has at retirement. (See *Executive Compensation - Defined Benefit Plan*).

As discussed further under *Retirement Benefits - Executive Deferred Compensation Plan* below, the *SERP* was frozen for participants under age 56 and closed to new participants effective as of January 1, 2003.

Enhanced Supplemental Executive Retirement Plan. Effective as of January 1, 2004, we adopted the *Enhanced Supplemental Executive Retirement Plan (Enhanced SERP)* for a designated group of BEI's senior executive employees. The Nominating and Compensation Committee is responsible for selecting the participants for the *Enhanced SERP*. The *Enhanced SERP* is a nonqualified, unsecured deferred compensation plan, informally funded through a so-called *rabbi trust*. Each year BEI, in its discretion, may make a contribution on each participant's behalf equal to a percentage of his or her salary and incentive compensation for the year. Prior to any change in control, we will set the contribution percentage each year for each participant in our sole discretion. Following any change in control, contributions will equal at least the amount made on each participant's behalf immediately prior to the change in control. If a participant dies, becomes disabled or is terminated without cause within two years following a change in control, contributions will continue to be made on the participant's behalf based on the participant's compensation and the *Enhanced SERP* contributions that were made immediately prior to the participant's death, disability or termination. Such contributions will continue until the earlier of the time the participant attains (or would have attained) age 60 or would have completed ten years of plan participation. If a participant is involuntarily terminated without cause prior to a change in control and prior to the time the participant attains age 60 or completes 10 years of plan participation, BEI, in its sole discretion, may continue making contributions on the terminated participant's behalf up to the amount and for the period of time that contributions would have been made had the participant died or become disabled.

BEI's contributions will be credited with deemed investment earnings or losses based on a participant's investment elections from the investment funds offered under the *Enhanced SERP*. In addition, if BEI does not credit contributions to a participant's account by December 31 of the year for which the contributions are to be made, interest will accrue at the rate of 6.5% per annum on the delinquent contributions until they are made to the plan. A deferred credit contribution must be made by December 31 of the following year. Participants will vest in their *Enhanced SERP* benefits upon the earlier of attaining age 60, completing 10 years of plan participation, death, total and permanent disability, a change in control or involuntary termination of employment without cause. Distributions of participants' benefits will be made once they attain age 60 or complete ten years of plan participation (whichever is earlier), and terminate employment. Distributions will be made in cash in either a single lump sum or annual installment payments over a five, ten or fifteen year period as elected by the participant. However, distributions due to death, disability or

Table of Contents

termination of employment without cause within two years of a change in control will be made only in a lump sum and only after the participant would have attained age 60 or completed ten years of plan participation but for such death, disability or termination following a change in control.

Executive Deferred Compensation Plan. Effective as of December 31, 2002, the Board adopted an Executive Deferred Compensation Plan (the EDC Plan) for a designated group of management or highly compensated employees. Certain employees with base annual salary of at least \$90,000 and total annual compensation (salary plus target bonus) of at least \$100,000 are eligible for selection by the Nominating and Compensation Committee for participation in the EDC Plan. The EDC Plan is a nonqualified, unsecured deferred compensation plan, informally funded through a so-called rabbi trust. Eligible employees can elect to defer up to 75% of their base salary and 100% of their bonus or incentive compensation each year. In addition, BEI may make matching contributions to make up for matching contributions to the tax-qualified SavingsPlus Plan that participants were ineligible for due to various legal limits and/or their participation in the EDC Plan. Additional discretionary contributions are also possible. In addition, due to the freezing of the SERP for participants under age 56 (as well as for any new participants), in January 2003 BEI made an initial contribution to the EDC Plan for two affected participants with vested SERP benefits, and will make ongoing, future age-weighted EDC Plan contributions for other former SERP participants, in exchange for such participants waiving their rights under the SERP. Earnings and losses on all participant and BEI contributions will be credited with deemed investment earnings based on participant investment elections from among 20 variable investment fund options currently offered under the EDC Plan.

Participants are always vested in their own compensation deferrals. BEI contributions generally vest after five years of combined EDC Plan and SERP participation. Vesting is accelerated upon a change in control of BEI. Participants can elect in-service withdrawals at a specified future date, in either a single lump-sum or, for withdrawals of \$25,000 or more, in annual installments over two to five years. Non-scheduled withdrawals can also be made, but the participant will forfeit 10% of the requested withdrawal and be suspended from the EDC Plan for the remainder of the then current year and the next following year. These penalties will not apply if the withdrawal is on account of a severe financial hardship. Upon termination of employment, participants can elect to receive either a lump sum payout or, if they have a least five years of combined EDC Plan and SERP service and a distribution of at least \$25,000, annual installments for up to 15 years. All distributions will be in cash.

Retention Enhancement Program. In March 2004, BEI established the Retention Enhancement Program (REP), as part of the EDC Plan, to provide enhanced retirement, death and disability benefits to Mr. Floyd to supplement his SERP benefits, which are described above, and to provide an additional incentive for him to remain with BEI until he attains age 65. Pursuant to the REP, BEI will make contributions each year to an account established for Mr. Floyd under the EDC Plan. The Nominating and Compensation Committee will determine the amount of those contributions each year, but it is currently intended that when the total contributions and earnings on the contributions are added to Mr. Floyd s SERP benefits, this will provide him with a combined retirement benefit equal to 40% of his total final compensation (which includes base salary and bonuses and is not capped at \$1,000,000 like his SERP benefits). Like the EDC Plan, earnings and losses will be credited to the REP contributions made on Mr. Floyd s behalf based on his investment elections from the funds offered under the EDC Plan. Mr. Floyd will vest in his REP benefits when the first of the following events occurs: (i) he attains age 65, provided that he is still employed by BEI; (ii) he dies or becomes disabled; or (iii) BEI undergoes a change in control. If Mr. Floyd is terminated without cause prior to the date he otherwise fully vests in his REP benefits, he will vest in the balance of his REP account at that time, and the Nominating and Compensation Committee, in its discretion, may continue making contributions to Mr. Floyd s REP account until he attains age 65. Mr. Floyd will have the option of taking his REP benefits in either a single lump sum payment or in annual installment payments over a period of two to fifteen years.

Compensation for the Chief Executive Officer

The Committee applied the policies mentioned above in determining the compensation for Mr. Floyd, BEI s Chief Executive Officer, for 2004. At December 31, 2004, Mr. Floyd s annual base salary was \$900,000, which reflects an increase over the prior year of \$62,187. This increase was recommended by the independent

Table of Contents

compensation consultant, and made his salary more aligned with the market. Prior to the increase, Mr. Floyd had not received a salary increase since December 2001 when he became Chairman of BEI.

For 2004, Mr. Floyd received a bonus of \$1,344,375 under the 2004 Annual Incentive Plan (AIP). The 2004 AIP established annual incentive compensation opportunities for Mr. Floyd and other participants based on performance against targeted goals for EBITDA and improvement in quality of care. Thus, Mr. Floyd s bonus for 2004 was determined based on three factors. The first was the amount by which actual EBITDA exceeded the planned EBITDA for BEI as approved by the Board. The second factor was an evaluation by the Nominating and Compensation Committee of BEI s performance in relation to its quality of care improvement goals for 2004. The last factor was a set of strategic priorities in revenue growth, EBITDA margin, balance sheet measures and measures around succession planning which were evaluated by the Nominating and Compensation Committee. The first factor was weighted at 60%, and the second and third factors were each weighted at 20%.

As part of a long-term incentive program instituted under the 1997 Plan in 2004, the Nominating and Compensation Committee awarded Mr. Floyd 214,822 shares of restricted BEI common stock as well as performance units and performance cash equal to an amount ranging from a minimum of \$1,675,634 to maximum of \$7,037,659, depending on BEI s performance in achieving targets with respect to EBITDA, EBITDA margin improvements and improvements in the market price for BEI s common stock. If none of the targets are met, neither the performance units nor the performance cash will vest under the award. If the targets are met, the long-term incentive award will vest, subject to Board approval, three years from the date of grant.

- (2) The Performance Based Restricted Units program has a target of one-third the total award for the year under the Long-Term Incentive Program. Cumulative EBITDA improvement and EBITDA margin improvement are measured equally in measuring performance over the duration of the cycle. The range of payments for this component are from 50% to 200% of the target amount based on the performance against the set measures. If the minimum amount under the performance measures is not met, then the award would be zero. Upon evaluation and approval of the cycle performance, the participants are paid an amount of BEI common stock equal to the award value, based on the closing price of the stock on the date of the evaluation.

Cumulative EBITDA improvement and EBITDA margin improvement are measured equally in measuring performance over the duration of the cycle. The range of payments for this component are from 50% to 200% of the target amount based on the performance against the set measures. This amount is further subject to a multiple as determined on the gain in stock price during the

DEFINED BENEFIT PLAN

Mr. Floyd receives an additional defined benefit type retirement benefit pursuant to the SERP. Under the SERP, Mr. Floyd is eligible for an annual retirement benefit upon his retirement, death or disability equal to 50% of his final average annual compensation over the last three full years before his retirement, death or disability. This benefit is not dependent on his years of service, and is not reduced for Social Security or any other amount. For purposes of determining Mr. Floyd's final average annual compensation, only amounts that are part of his annual base salary listed in the Summary Compensation Table and that do not exceed \$1,000,000 will be taken into account. Mr. Floyd's bonuses, incentive payments, employee benefits, tax gross-up payments and other special payments and fees are not taken into account. Mr. Floyd became 100% vested in his SERP benefits on October 16, 2004. Mr. Floyd's annual SERP retirement benefits are payable for 15 years following his retirement, death, or disability. Mr. Floyd also has the option of taking his SERP benefits in a single discounted lump sum payment when he retires. The discount rate used to determine the lump sum payment will equal the average Moody's Aa corporate bond return for the month of November immediately before the lump sum payment of Mr. Floyd's SERP benefits. Mr. Floyd's current estimated annual retirement benefit under the SERP if he retires on or after October 16, 2005 is \$442,599.93.

Employment Contracts, Termination of Employment and Change in Control Agreements

BEI has current employment agreements with each of Messrs. Babb, Floyd and Freimark and Ms. Susienka. The term of each agreement continues until such time as BEI gives notice to the executive, at which time the termination date of the employment agreement becomes three years from the date of such notice.

Each of the agreements provides for an initial base rate of salary that may be increased by the Nominating and Compensation Committee. Mr. Floyd's agreement provides that in no event shall his base salary and benefits be reduced unless the salaries and benefits of all executive-level officers are reduced proportionately. The agreements for each of Messrs. Floyd, Babb and Freimark, as amended effective December 1, 2004, provide that BEI shall maintain life insurance coverage for the remainder of the executive's life, in the amount of the executive's initial base salary, under the Executive Split Dollar Life Insurance Plan. The Executive Split Dollar Life Insurance Plan was amended in May 2004 to meet the requirements of the Sarbanes-Oxley Act of 2002.

The employment agreements generally provide for participation in all benefit plans, participation in the Annual Incentive Plan and severance benefits upon termination of employment in connection with a change in control, as defined therein, or under certain other circumstances. Generally, a Change in Control will be deemed to have occurred in any of the following circumstances:

- (i) the acquisition of 30% or more of the outstanding voting stock of BEI by any person or entity;

(ii) the persons serving as directors of BEI before any contested election for the Board of BEI, or any tender or exchange offer, merger or other business combination or sale of assets, or any combination of the foregoing (a Transaction), cease to make up more than 50% of the Board of BEI or any successor to BEI or its assets;

(iii) the consolidation or merger with any other person or entity where BEI is not the continuing or surviving corporation;

(iv) any other person or entity consolidates with, or merges with BEI, and BEI is the continuing or surviving corporation and all or part of the outstanding BEI common stock is changed into or exchanged for stock or other securities of any other person or cash or any other property;

Table of Contents

(v) BEI is party to a statutory share exchange with any other person after which BEI is a subsidiary of any other person; or

(vi) BEI sells or otherwise transfers 50% or more of the assets or earning power of BEI and its subsidiaries (taken as a whole) to any other person or entity.

Generally, the employment agreements provide a severance benefit on termination after a Change in Control of BEI equal to up to three years of base salary and target bonus, vesting of all stock-based compensation, continuation of medical, dental and disability coverage for three years and a relocation reimbursement. Absent a Change in Control, if a termination of employment is initiated by BEI without cause or by the executive for good reason, the severance benefits consist of up to two years of base salary and target bonus, a continuation of medical, dental and disability coverage for two years and the same relocation reimbursement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act and regulations of the SEC require that the executive officers, directors and persons who beneficially own more than 10% of the common stock of BEI file initial reports of ownership and reports of changes in ownership with the SEC and furnish BEI with copies of all Section 16(a) forms they file. BEI offers assistance with the preparation and filing of these reports.

Based solely on a review of the copies of the reports and written representations received from certain executive officers and directors, we believe that during 2004 our executive officers and directors complied with all applicable filing requirements with the exception that each of the following directors and executive officers had one late transaction reported on one delinquent Form 4 as a result of BEI's delay in communicating BEI's restricted stock grants: all current executive officers (except Ms. Washburn), all current directors, former executive officer Blaise J. Mercadante and former directors James Greene and Edith Holiday. Moreover, Patrice K. Acosta, David R. Devereaux, James M. Griffith and Cindy H. Susienka each had one additional late transaction reported on a delinquent Form 4 due to BEI's over-funding of their respective employee stock purchase plans in August of 2002, which was recently discovered. The over-funding resulted in shares being sold by BEI in 2002 in order to return the over-funded amounts to BEI, which was not timely communicated to such persons.

Certain Transactions with Management and Others

Mr. Freimark, the Chief Financial and Information Officer, was indebted to his former employer. As part of his employment agreement with BEI, BEI loaned Mr. Freimark \$194,092.47 on December 31, 2001 (prior to the enactment of the Sarbanes-Oxley Act of 2002) which was used to pay off the loan from his former employer. Such amount is the maximum principal amount of the loan. The interest rate varies based upon the federal short-term rate as published by the IRS. The outstanding balance of the note plus accrued interest as of March 7, 2005 was approximately \$48,765.28.

Other Matters

In a letter dated February 4, 2005, Arnold M. Whitman, the Chief Executive Officer of Formation Capital notified us that he intends to nominate six individuals for election as directors at the Annual Meeting and to bring the following proposals before the Annual Meeting for consideration by BEI's stockholders:

- | | |
|------------|---|
| Proposal 3 | To amend our By-Laws to fix the number of directors constituting the entire Board at eight; |
| Proposal 4 | To repeal any amendment to our By-Laws adopted after May 29, 1997, other than the proposed amendment described above; and |
| Proposal 5 | To require that the foregoing proposals be presented prior to the election of directors and before any other business is conducted at the Annual Meeting. |

Table of Contents

The Whitman/ Appaloosa group has included Mr. Whitman's February 4, 2005 letter to us in a filing with the SEC made on that day under cover of a Schedule 13D. His letter contains information regarding the proposed Whitman/ Appaloosa group nominees. BEI is not responsible for the accuracy or completeness of any information provided by Mr. Whitman or the Whitman/ Appaloosa group in any letters to us or our Board of Directors or in any oral or written communications, solicitations or proxy materials made or disseminated by Mr. Whitman or the Whitman/ Appaloosa group or filed by them with the SEC. The nomination by Formation Capital of six individuals for election as directors at the Annual Meeting and each of the proposals listed above are intended solely to help the Whitman/ Appaloosa group take control of our Board as part of their efforts to acquire BEI.

Article III, Section 2 of our By-Laws authorizes our Board of Directors to fix the specific number of directors constituting the full Board. Our Board of Directors has already set the size of our Board at eight directors. However, approval of Formation Capital's proposal to amend our By-Laws to fix the number of directors constituting the entire Board at eight would prevent us from increasing the size of our Board in the event one or more of the Whitman/ Appaloosa group's nominees are elected at the Annual Meeting. It would also preclude us from decreasing the size of the Board when the Board believes it appropriate to do so. Accordingly, your Board recommends that you vote **AGAINST** Proposal 3.

With respect to Proposal 4, we note that BEI has not amended its By-Laws since May 29, 1997. Our By-Laws, as currently in effect, were filed with the SEC as an exhibit to a Registration Statement on Form S-1 we filed with the SEC on June 4, 1997. The proposal would, therefore, not result in any change to the provisions of our By-Laws currently in effect. However, your Board believes that, as a matter of sound corporate governance, it should have the ability to amend the By-Laws prior to the Annual Meeting should circumstances arise that in the good faith judgment of the Board make it in the best interests of BEI to do so. In addition, your Board believes that its authority to amend the By-Laws cannot be restricted in this manner. Accordingly, your Board recommends that you vote **AGAINST** Proposal 4.

Article II, Section 7 of our By-Laws provides that the Chairman of the Board (or in the absence of the Chairman, certain other officers of BEI) shall preside over the Annual Meeting. The Chairman of the meeting has the responsibility to ensure an orderly Annual Meeting. As in prior years, the Chairman will determine the sequence in which proposals properly brought before the Annual Meeting will be considered and voted on by stockholders ensuring that the Annual Meeting proceeds in an orderly fashion. In that regard, the order in which proposals properly presented at the Annual Meeting will be submitted for a vote by stockholders has not yet been determined. We do not believe that this authority of the Chairman can be restricted by a proposal presented at our Annual Meeting. Further, the Board does not think it appropriate or desirable that the order of our Annual Meeting be irrevocably fixed regardless of intervening events that might make it desirable in the Chairman's judgment to alter the order of the meeting. Accordingly, your Board recommends that you vote **AGAINST** Proposal 5.

YOUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE AGAINST ITEMS 3-5 ON THE ENCLOSED WHITE PROXY CARD.

We urge you NOT to sign or return any blue proxy card sent to you by the Whitman/ Appaloosa group for any reason, even as a protest against their activities. The best way to support your Board is by voting:

FOR BEI's nominees for director; and

AGAINST the Whitman/ Appaloosa group proposals (Items 3-5 on the enclosed WHITE proxy card).

The Board knows of no other business to be presented at the Annual Meeting, but if other matters do properly come before the Annual Meeting, it is intended that the persons named in the proxy will vote on said matters in accordance with their best judgment.

Table of Contents**Solicitation of Proxies**

Proxies may be solicited by mail, advertisement, telephone or other methods and in person. Solicitations may be made by directors, officers, investor relations personnel and other employees of BEI, none of whom will receive additional compensation for such solicitations.

BEI has retained Innisfree M&A Incorporated and Georgeson Shareholder Communications Inc. to provide solicitation and advisory services in connection with the proxy solicitation, for which Innisfree and Georgeson are each to receive a fee not to exceed \$350,000, together with reimbursement for reasonable out-of-pocket expenses and for payments made to brokers and other nominees for their expenses in forwarding soliciting material. Innisfree and Georgeson will distribute proxy materials to beneficial owners and solicit proxies by personal interview, mail, telephone and telegram, and will request brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to the beneficial owners of BEI common stock. BEI has also agreed to indemnify Innisfree and Georgeson against certain liabilities and expenses. It is anticipated that Innisfree and Georgeson will collectively employ approximately 105 persons to solicit stockholders for the Annual Meeting.

BEI retained Lehman Brothers Inc., referred to as Lehman Brothers, and J.P. Morgan Securities Inc., referred to as JPMorgan, as its financial advisors to provide certain financial advisory and investment banking services, including those in connection with the proposals received from the Whitman/ Appaloosa group, and related matters. Neither Lehman Brothers nor JPMorgan was retained by BEI to solicit proxies for the Annual Meeting. Neither Lehman Brothers nor JPMorgan admits that it and any of its respective directors, officers, employees, affiliates or controlling persons is a participant, as defined in Schedule 14A promulgated under the Exchange Act, in the solicitation of proxies for the Annual Meeting, or that Schedule 14A requires the disclosure of certain information concerning them. However, Lehman Brothers, JPMorgan and certain of their respective directors, officers, employees, affiliates or controlling persons may assist BEI in its solicitation as part of its broader engagement, although none of Lehman Brothers, JPMorgan and their respective directors, officers, employees, affiliates or controlling persons will receive any fee for, or in connection with, any solicitation activities apart from the fees Lehman Brothers and JPMorgan are otherwise entitled to receive under their respective engagements. Pursuant to the terms of their engagement letters, BEI has agreed to pay Lehman and JPMorgan the following fees for their services: (a) a retainer fee of \$250,000 for each of Lehman and JPMorgan, (b) an opinion fee of \$1,500,000 for each of Lehman and JPMorgan upon the delivery of an initial opinion and a fee of \$500,000 for each of Lehman and JPMorgan for each additional opinion they provide, provided that the maximum fee payable under this clause (b) to each of Lehman and JPMorgan is \$3,000,000, (c) if during the term of Lehman's or JPMorgan's engagement (or for 18 months after the termination thereof) a publicly disclosed unsolicited proposal to acquire BEI or an interest in BEI or any of its assets or businesses is terminated or withdrawn and within six months after such termination or withdrawal no person or group has acquired 50% or more of the outstanding common stock of BEI and there has not been a change in the majority of members of the Board, a fee of \$11,000,000 for Lehman and \$5,500,000 for JPMorgan, and (d) if during the term of Lehman's or JPMorgan's engagement (or for 18 months after the termination thereof) control of BEI or a material interest in BEI or any of its businesses, or a material amount of any of their respective assets, is transferred to a third party or a restructuring of BEI occurs, or an agreement to effect such a transaction or restructuring is entered into that subsequently results in such a transaction or restructuring, a fee equal to (i) if the consideration per share is equal to or less than \$11.50 per share, 0.56% of the aggregate consideration for Lehman and 0.28% of the aggregate consideration for JPMorgan or (ii) if the consideration per share is greater than \$11.50 per share, (A) 0.56% of the aggregate consideration for Lehman and 0.28% of the aggregate consideration for JPMorgan with respect to the first \$11.50 per share and (B) 1.00% for each of Lehman and JPMorgan of the aggregate consideration in excess of \$11.50 per share. The fees payable pursuant to clauses (a) and (b) are creditable against the fees paid under clauses (c) and (d) and the fee payable pursuant to clause (c) is creditable against the fee paid pursuant to clause (d). BEI has also agreed to reimburse Lehman and JPMorgan for their reasonable out-of-pocket expenses, including the fees and expenses of counsel, and to indemnify Lehman and JPMorgan and certain related persons against certain liabilities in connection with their engagements. Lehman and JPMorgan have each in the past been retained by BEI to render investment banking and advisory services, and each has received customary compensation for such services.

Table of Contents

Costs incidental to these solicitations of proxies will be borne by BEI and include expenditures for printing, postage, legal, accounting, financial advisers, public relations, soliciting, advertising and related expenses and, although no precise estimate can be made at this time, are expected to be approximately \$1,950,000 in addition to the fees of Innisfree, Georgeson, Lehman Brothers and JPMorgan described above (excluding the amount normally expended by BEI for the solicitation of proxies at its Annual Meetings and costs represented by salaries and wages of regular employees and officers). The aggregate amount to be spent will vary depending on, among other things, any developments in the proxy contest described in this proxy statement. Total costs incurred to date for, in furtherance of, or in connection with these solicitations of proxies are approximately \$475,000.

Certain information about the directors and executive officers of BEI and certain employees and other representatives of BEI who may also solicit proxies is set forth in Schedule I to this Proxy Statement. Schedule I also sets forth certain information relating to shares of BEI common stock owned by such parties and certain transactions between any of them and BEI. Schedule II sets forth certain information with respect to Lehman Brothers and JPMorgan.

All expenses of solicitation of proxies will be borne by BEI.

Information Regarding Ownership of BEI's Securities By Participants

The number of shares of BEI common stock and other BEI securities held, directly or indirectly, by directors and named executive officers of BEI is set forth on pages 26 and 27 of this Proxy Statement. The number of shares of BEI common stock and other BEI securities held, directly or indirectly, by the remaining BEI Participants as of the Record Date is set forth below. Except as otherwise set forth in this Proxy Statement, no BEI Participant is the record holder of shares that such person does not beneficially own.

Name of Beneficial Owner	Shares of BEI Common Stock(a)	Options to Acquire BEI Common Stock(b)
James M. Griffith	193,576	139,100
Richard D. Skelly, Jr.	70,353	40,000

- (a) Includes 54,670 and 53,043 shares of restricted stock for James M. Griffith and Richard D. Skelly, Jr., respectively, which will vest upon a change of control, and excludes 9,966 and 8,878 shares of restricted stock granted on March 10, 2005 to Mr. Griffith and Mr. Skelly, respectively.
- (b) The stock options will vest upon a change of control.

General Compensation

See Executive Compensation and Employment Contracts, Termination of Employment and Change in Control Agreements for information regarding the general compensation and benefits provided to BEI's named executive officers.

James M. Griffith has a severance agreement with BEI, dated as of August 26, 1997. The severance agreement provides benefits on a termination after a Change in Control of BEI that include three years of base salary as well as three years of target bonus or annual bonus in the year before the Change of Control (whichever is higher), vesting of all stock-based compensation, continuation of medical, dental and disability coverage for three years and a relocation reimbursement. Absent a Change in Control, if a termination of employment is initiated by BEI without cause or by Mr. Griffith for good reason (as defined in the severance agreement), the severance benefits consist of one year of base salary and one year of target or annual bonus (whichever is higher), a continuation of medical, dental and disability coverage for one year and the same relocation reimbursement. See Employment Contracts, Termination of Employment and Change in Control Agreements for the definition of a Change in Control.

Richard D. Skelly, Jr. does not have an employment or severance agreement with BEI, but the terms of his offer letter of employment provide for two years base salary and target bonus upon a Change of Control and one year of base salary and target bonus if a termination of employment is initiated by BEI without cause or by Mr. Skelly for

good reason.

(1) The Performance Based Restricted Units program has a target of one third the total value delivered for the year under the Long-Term Incentive Program. The performance is measured equally in both cumulative EBITDA and EBITDA margin improvement over the duration of the cycle. The range of payments for this component are from 50% to 200% of the target amount based on the performance against the set measures. However, if the minimum amount under the performance measures is not met, then the award would be zero. Upon evaluation and approval of the cycle, the participants are paid in stock for the equivalent amount approved under the plan and any residual between the approved award and the amount delivered in shares is paid in cash to the participant.

(2) The Performance Based Cash program has a target of one third the total value delivered for the year under the Long-Term Incentive Program. The performance is measured equally in both cumulative EBITDA and EBITDA margin improvement over the duration of the cycle. The range of payments for this component are from 50% to 200% of the target amount based on the performance against the set measures. This amount is further subject to a multiple as determined on the gain in stock price during the cycle ranging from 10% to 110%. However, if the minimum amount under the performance measures of the cycle or the appreciation in stock price is not met, then the award would be zero.

The following table sets forth certain amounts of cash and common stock that BEI is required to pay the BEI participants in connection with BEI's Long-Term Incentive Plan for the three-year period ended December 31, 2003.

Table of Contents**Purchases and Sales of BEI Securities**

The following table sets forth all purchases and sales of BEI's securities by BEI Participants during the past two years. Unless otherwise indicated, all transactions were in the public market and none of the purchase price or market value of those shares is represented by funds borrowed or otherwise obtained for the purpose of acquiring and holding such securities. To the extent that any part of the purchase price or market value of those shares is represented by funds borrowed or otherwise obtained for the purpose of acquiring and holding such securities, the amount of the indebtedness as of the latest practicable date is set forth below. If those funds were borrowed or obtained otherwise than pursuant to a margin account or bank loan in the ordinary course of business of a bank, broker or dealer, a brief description of the transaction and the names of the parties are set forth below.

Miscellaneous Information Concerning BEI Participants

Douglas J. Babb, William R. Floyd and Jeffrey P. Freimark have agreed to serve as proxies with respect to BEI's WHITE proxy card.

Other than as disclosed in this Schedule or in the Proxy Statement, to the knowledge of BEI:

(i) no BEI Participant is, or has been within the past year, a party to any contract, arrangement or understanding with any person with respect to any securities of BEI, including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies.

(ii) no BEI Participant beneficially owns, directly or indirectly, any securities of any subsidiary of BEI.

(iii) no associates of any BEI Participant beneficially own, directly or indirectly, any securities of BEI.

(iv) none of the BEI Participants or any of their respective associates, has had or will have a direct or indirect material interest in any transaction or series of similar transactions since the beginning of January 1, 2004, or any currently proposed transactions or series of similar transactions, to which BEI or any of its subsidiaries was or is to be a party in which the amount involved exceeds \$60,000.

(v) none of the BEI Participants nor any of their respective associates has any arrangements or understandings with any person with respect to (i) any future employment by BEI or its affiliates or (ii) any future transactions to which BEI or any of its affiliates will or may be a party.

(vi) no BEI Participant has any substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon at the Annual Meeting.

Table of Contents**SCHEDULE II****Information Concerning Lehman Brothers and JPMorgan and Certain of Their Employees Who May Be Deemed Participants in BEI's Solicitation of Proxies**

BEI retained Lehman Brothers and JPMorgan as its financial advisors to provide certain financial advisory and investment banking services, including those in connection with the proposals received from the Whitman/ Appaloosa group and related matters. BEI has agreed to pay Lehman Brothers and JPMorgan customary fees for such services and to reimburse Lehman Brothers and JPMorgan for reasonable out-of-pocket expenses and to indemnify Lehman Brothers, JPMorgan and certain related persons against certain liabilities relating to or arising out of the engagements. Although neither Lehman Brothers nor JPMorgan admits that it or any of its directors, officers, employees, affiliates or controlling persons is a participant, as defined in Schedule 14A promulgated under the Exchange Act, in the solicitation of proxies for the Annual Meeting, or that Schedule 14A requires the disclosure of certain information concerning them, the following employees of Lehman Brothers and JPMorgan may assist BEI in its solicitation of proxies. However, none of Lehman Brothers, JPMorgan or any of the persons named below will receive any fee for, or in connection with, any solicitation activities apart from the fees Lehman Brothers and JPMorgan are otherwise entitled to receive under their respective engagements.

The business address of the employees of Lehman Brothers is 745 Seventh Avenue, New York, NY 10019. The business address of the employees of JPMorgan is 277 Park Avenue, New York, NY 10172.

Lehman Brothers is an internationally recognized, full service securities firm offering a range of investment banking, securities trading, market-making and brokerage services for institutional and individual clients. JPMorgan and its affiliates comprise an internationally recognized full service securities firm and a commercial bank engaged in securities trading and brokerage activities, as well as providing investment banking, asset management, financing, and financial advisory services and other commercial and investment banking products and services to a wide range of corporations and individuals. Lehman Brothers, JPMorgan and their respective affiliates may trade the securities of BEI for their own accounts and the accounts of customers and, accordingly, may at any time hold a long or short position in such securities, or option contracts or other derivatives in or relating to such securities. As of the Record Date, each of Lehman Brothers and JPMorgan, for its account, beneficially owned less than 1% of BEI common stock. Lehman Brothers, JPMorgan and their respective affiliates may have voting and/or dispositive power with respect to securities of BEI held in management, brokerage and other accounts. Lehman Brothers, JPMorgan and their respective affiliates disclaim beneficial ownership of securities of BEI not held for their own respective accounts. None of the individuals listed above (the Other BEI Participants) has purchased or sold any BEI securities during the past two years. However, the Other BEI Participants may hold investments in certain investment funds which from time to time may hold positions in BEI securities. The Other BEI Participants do not exercise any investment control or discretion with respect to the securities purchased or sold by such
