Item 8.01. Other Events.

On November 7, 2005, Terayon Communication Systems, Inc. (the Company), announced via press release that it is reviewing the recognition of revenue for certain transactions during prior periods. The Company initiated the review after determining that certain revenues recognized in the second half of fiscal year 2004 from a customer may have been recorded in incorrect periods. The revenue matters under examination relate to the timing of revenue recognition and may result in a restatement of prior period financial statements.

Pending completion of the accounting review, the filing of the Company's Form 10-Q for the third quarter of fiscal year 2005 will be delayed, and this delay will extend beyond November 9, 2005, the Securities and Exchange Commission's filing deadline for the Company's Form 10-Q.

The full text of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
