Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Compensation Committee of the Board of Directors of Terayon Communication Systems, Inc. (the Company) on March 6, 2007 approved the Company's 2007 Executive Sales Commission Plan (the Plan). The Plan is applicable to Matthew Aden, the Company's Senior Vice President, Worldwide Sales and Support, and, in accordance with its provisions, Mr. Aden is eligible to earn commission payments based on achieving certain revenue targets. The target commission for Mr. Aden is equal to 100% of his base salary. No commission will be paid if less than 25% of the revenue target is achieved. If greater than 25% but less than 50% of the revenue target is achieved, the commission amount will be 50% of the percentage of the revenue target achieved multiplied by the year-to-date target commission. If more than 50% of the revenue target is achieved, the commission will be the percentage of the revenue target achieved multiplied by the year-to-date target commission. The commission is determined quarterly and paid within sixty days of the last day of the quarter. In the event Mr. Aden exceeds his annual revenue target, there are additional accelerators that are applied to commission dollars earned on revenue exceeding 100% of the year-to-date target, and these amounts are paid at year-end. The Company reserves the right to modify, revoke, suspend, terminate or change any terms of the Plan at any time, with or without notice.
