**PART II**  
**INFORMATION REQUIRED IN THE REGISTRATION STATEMENT**

**Item 3. Incorporation of Documents by Reference**

We incorporate by reference into this Registration Statement the following documents, to the extent not superseded by documents or reports subsequently filed or furnished:

(a) Our Annual Report on Form 20-F for the fiscal year ended September 30, 2007 filed with the Commission on November 28, 2007 (the 2007 Form 20-F ) pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act ).

Our consolidated financial statements as of September 30, 2007 and 2006, and for each of the years in the three-year period ended September 30, 2007, and management s assessment of the effectiveness of internal controls over financial reporting as of September 30, 2007, appearing in the Annual Report on Form 20-F for the fiscal year ended September 30, 2007 have been incorporated by reference in this Registration Statement in reliance upon the report of KPMG Deutsche Treuhand-Gesellschaft Aktiengesellschaft Wirtschaftsprüfungsgesellschaft, an independent registered public accounting firm ( KPMG ), appearing in such Annual Report on Form 20-F, and upon the authority of said firm as experts in accounting and auditing.

(b) Siemens Savings Plan s Annual Report on Form 11-K for the fiscal year ended December 31, 2006, filed with the Commission on June 26, 2007 pursuant to the Exchange Act.

(c) Siemens Savings Plan for Union Employees Annual Report on Form 11-K for the fiscal year ended December 31, 2006, filed with the Commission on June 26, 2007 pursuant to the Exchange Act.

(d) The description of the Ordinary Shares contained under the heading Item 10: Additional Information Capital Stock in our Registration Statement on Form 20-F/A, filed with the Commission on March 14, 2001, and in Item 10: Additional Information Rights, Preferences and Restrictions Attaching To Our Shares in the 2007 Form 20-F.

(e) Report of Foreign Private Issuer on Form 6-K (containing the Company s Interim Report which complies with the applicable legal requirements of the Securities Trading Act (Wertpapierhandelsgesetz WpHG) regarding the half-yearly financial report, and comprises interim consolidated financial statements, an interim group management report and a responsibility statement in accordance with § 37w (2) WpHG), furnished to the Commission on May 5, 2008 pursuant to the Exchange Act.

With respect to the unaudited condensed interim consolidated financial statements for the period from October 1, 2007 to March 31, 2008, incorporated by reference herein, KPMG has reported that they applied limited procedures in accordance with professional standards for a review of such information. However, their separate report included in the Company s interim report on Form 6-K for the period from October 1, 2007 to March 31, 2008, and incorporated by reference herein, states that they did not audit and they do not express an opinion on the condensed interim consolidated financial statements. Accordingly, the degree of reliance on their report on such information should be restricted in light of the limited nature of the review procedures applied. The accountants are not subject to the liability provisions of Section 11 of the Securities Act for their report on the unaudited interim financial information because that report is not a report or a part of the registration statement prepared or certified by the accountants within the meaning of Sections 7 and 11 of the Securities Act.

(f) All other reports filed by us pursuant to Section 13(a) or 15(d) of the Exchange Act since the fiscal year ended September 30, 2007 or by the Savings Plans since the fiscal year ended December 31, 2006.

All documents subsequently filed by us (with respect to any Form 6-K, only to the extent designated therein) and the Savings Plans pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment to this Registration Statement that indicates that all securities offered hereby have been sold or that deregisters all securities remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such documents.

To the extent that KPMG audits and reports on our consolidated financial statements and the effectiveness of internal control over financial reporting issued at future dates, and consents to the use of its reports thereon, the audited consolidated financial statements and management s assessment of the effectiveness of internal control over financial reporting appearing in such Forms 20-F will be incorporated by reference in this Registration Statement in reliance upon its reports and said authority.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document that also is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

**Table of Contents****Item 4. Description of Securities**

Not applicable.

**Item 5. Interests of Named Experts and Counsel**

The validity of the Ordinary Shares to be issued under the Plans will be passed upon for us by Solms Wittig, General Counsel Corporate and SFS. Mr. Wittig is a full time employee of the Registrant and may be eligible to participate in the Plans and receive Ordinary Shares thereunder. Mr. Wittig currently beneficially owns less than 0.001% of our outstanding Ordinary Shares.

**Item 6. Indemnification of Directors and Officers**

Under German law, a corporation may indemnify its officers, and, under certain circumstances, German labor law requires a stock corporation to do so. However, a corporation may not, as a general matter, indemnify members of the management board or the supervisory board. A German stock corporation may, however, purchase directors and officers insurance. The insurance may be subject to any mandatory restrictions imposed by German law. In addition, German law may permit a corporation to indemnify a member of the management board or the supervisory board for attorneys fees incurred if such member is the successful party in a suit in a country, like the United States, where winning parties are required to bear their own costs, if German law would have required the losing party to pay the member's attorneys fees had the suit been brought in Germany.

The members of the governing bodies of the Registrant and all board members of its domestic and foreign subsidiaries are indemnified by the Registrant or its subsidiaries against third-party liability claims to the extent permitted by law. For this purpose, the Registrant provides a group insurance policy for board and committee members and employees of the Siemens organization which is taken out for one year and renewed annually. The insurance covers the personal liability of the insured in the case of a financial loss associated with employment functions. In such a case, the Registrant may, with effect from October 1, 2005, hold members of the Managing Board liable for such loss up to an amount equivalent to 20 percent of the fixed salary. In the same way, each member of the Supervisory Board has individually agreed to be held liable up to an amount equivalent to 20 percent of their fixed compensation component (i.e., a deductible within the meaning of Section 3.8 paragraph 2 of the German Corporate Governance Code).

24 Power of Attorney (included in signature pages)

Pursuant to Item 8(b) of Part II of Form S-8, the undersigned Registrant hereby undertakes that it has, both in the past and currently, submitted the Savings Plans to the Internal Revenue Service (the IRS) in a timely manner and it has in the past, and will currently, make all changes required by the IRS in order to qualify the Savings Plans.

**Item 9. Undertakings**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement.

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

**Table of Contents**

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
