PROXY STATEMENT

The Company has prepared this Proxy Statement in connection with the solicitation by the Company's Board of Directors of proxies for the Annual Meeting of Shareholders of IDEX Corporation to be held on Tuesday, March 23, 2004, at 10:00 a.m. Central Time, in the LaSalle Room of Bank of America, 231

Edgar Filing: IDEX CORP /DE/ - Form DEF 14A

South LaSalle Street, Chicago, Illinois. The Company commenced distribution of this Proxy Statement and the materials which accompany it on February 27, 2004.

The Company will bear the costs of preparing and mailing this Proxy Statement and other costs of the proxy solicitation made by the Company's Board of Directors. Certain of the Company's officers and employees may solicit the submission of proxies authorizing the voting of shares in accordance with the Board of Directors' recommendations, but no additional remuneration will be paid by the Company for the solicitation of those proxies. Such solicitations may be made by personal interview, telephone and facsimile transmission. Arrangements have also been made with brokerage firms and others for the forwarding of proxy solicitation materials to the beneficial owners of Common Stock held of record by such persons, and the Company will reimburse such brokerage firms and others for reasonable out-of-pocket expenses incurred by them in connection therewith. The Company has engaged Morrow & Co. to assist in proxy solicitation and collection, and has agreed to pay such firm \$4,500, plus out-of-pocket costs and expenses.

1

VOTING AT THE MEETING

The record of shareholders entitled to notice of and to vote at the Annual Meeting was taken as of the close of business on February 17, 2004, and each shareholder will be entitled to vote at the meeting any shares of IDEX Common Stock held of record at that date. An aggregate of 33,146,415 shares of the Company's Common Stock was outstanding at the close of business on February 17, 2004. Each share entitles its holder of record to one vote on each matter upon which votes are taken at the Annual Meeting. No other securities are entitled to be voted at the Annual Meeting.

A quorum of shareholders is necessary to take action at the Annual Meeting. A majority of outstanding shares of Common Stock of the Company present in person or represented by proxy will constitute a quorum. The Company will appoint election inspectors for the meeting to determine whether or not a quorum is present, and to tabulate votes cast by proxy or in person at the Annual Meeting. Under certain circumstances, a broker or other nominee may have discretionary authority to vote certain shares of Common Stock if instructions have not been received from the beneficial owner or other person entitled to vote. The election inspectors will treat directions to withhold authority, abstentions and broker non-votes (which occur when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because such broker or other nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner) as present and entitled to vote for purposes of determining the presence of a quorum for the transaction of business at the Annual Meeting. The election of directors requires a plurality vote, and the ratification of the appointment of Deloitte & Touche LLP as auditors of the Company for 2004 requires a majority vote, of the shares of Common Stock of the Company present in person or represented by proxy at the meeting. Directions to withhold authority will have no effect on the election of directors, because directors are elected by a plurality of votes cast. Abstentions will be treated as shares voted against ratification of the appointment of Deloitte & Touche LLP as auditors of the Company for 2004. Broker non-votes with respect to a particular proposal will have no effect on such proposal because they are not considered as present and entitled to vote with respect to that matter.

The Company requests that you mark the accompanying proxy card to indicate your votes, sign and date it, and return it to the Company in the enclosed envelope. If your completed proxy card is received prior to or at the meeting, your shares will be voted in accordance with your voting instructions. If you

Edgar Filing: IDEX CORP /DE/ - Form DEF 14A

sign and return your proxy card but do not give voting instructions, your shares will be voted FOR the election of the Company's nominees as directors and FOR the ratification of the appointment of Deloitte & Touche LLP as auditors of the Company for 2004, and in the discretion of the proxy holders as to any other business which may properly come before the meeting. Any proxy solicited hereby may be revoked by the person or persons giving it at any time before it has been exercised at the Annual Meeting by giving notice of revocation to the Company in writing at the meeting. The Company requests that all such written notices of revocation to the Company be addressed to Frank J. Notaro, Vice President-General Counsel and Secretary, IDEX Corporation, 630 Dundee Road, Suite 400, Northbrook, IL 60062.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors has the ultimate authority for the management of the Company's business. The Board selects the Company's executive officers, delegates responsibilities for the conduct of the Company's operations to those officers, and monitors their performance. During 2003, the Board of Directors held nine meetings. The independent (non-management) directors met in regular executive sessions without management at each in-person meeting of the Board. Generally, the Chairman of the Nominating and Corporate Governance Committee presides at the non-management executive sessions. The Board has made an affirmative determination that the following members of the Board meet the standards for "independence" set forth in the New York Stock Exchange corporate governance listing standards on the basis that they have no material relationship with the Company (either directly or as a partner, shareholder or officer of an

5

organization that has a relationship with the Company): Messrs. Bell, Hermance, Kenny, Raether, Springer and Tokarz. The following members of the Board do not meet the standards for independence set forth in the NYSE corporate governance listing standards because they have a material relationship with the Company: Dennis K. Williams who is our Chairman, President and Chief Executive Officer.

Important functions of the Board of Directors are performed by committees comprised of members of the Board. Subject to applicable provisions of the Company's By-Laws and based on the recommendations of the Nominating and Corporate Governance Committee, the Board as a whole appoints the members of each committee each year at its first meeting. The Board may, at any time, appoint or remove committee members or change the authority or responsibility delegated to any committee. There are four regularly constituted committees of the Board of Directors: the Executive Committee, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

The Executive Committee is empowered to exercise the authority of the Board of Directors in the management of the Company between meetings of the Board of Directors, except that the Executive Committee may not fill vacancies on the Board, amend the Company's By-Laws or exercise certain other powers reserved to the Board or delegated to other Board committees. The members of the Executive Committee are Messrs. Springer, Tokarz and Williams. During 2003, the Executive Committee did not hold any meetings.

The Audit Committee's primary duties and responsibilities are to: monitor the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance; monitor the independence and performance of the Company's independent auditor and monitor the performance of the Company's internal audit function; hire and fire

Edgar Filing: IDEX CORP /DE/ - Form DEF 14A

the Company's auditor and approve any audit and non-audit work performed by the independent auditor; provide an avenue of communication among the independent auditor, management and the Board of Directors; and prepare the report that the rules of the Securities and Exchange Commission require to be included in the Company's annual proxy statement. The members of the Audit Committee are Messrs. Bell, Hermance and Springer, each of whom satisfy the "independence" requirements of the New York Stock Exchange. The Board of Directors has determined that Mr. Bell is the "audit committee financial expert," as defined by the rules of the Securities and Exchange Commission. During 2003, the Audit Committee held eleven meetings.

The Compensation Committee's primary purpose and responsibilities are to: establish the compensation of the Chief Executive Officer and other senior officers of the Company; develop and recommend to the Board of Directors total compensation for the Board; and produce a compensation committee report on executive compensation as required by the Securities and Exchange Commission to be included in the Company's annual proxy statement. The members of the Compensation Committee are Messrs. Kenny and Tokarz, each of whom satisfy the "independence" requirements of the New York Stock Exchange. During 2003, the Compensation Committee held five meetings.

The Nominating and Corporate Governance Committee's primary purpose and responsibilities are to: develop and recommend to the Board of Directors corporate governance principles and a code of conduct and business ethics; develop and recommend criteria for selecting new directors; identify individuals qualified to become Board members consistent with criteria approved by the Board and recommend to the Board such individuals as nominees to the Board for its approval; screen and recommend to the Board individuals qualified to become Chief Executive Officer and any other senior officer whom the committee may wish to approve; and oversee evaluations of the Board, individual Board members and the Board committees. The members of the Nominating and Corporate Governance Committee are Messrs. Raether and Springer, each of whom satisfy the "independence" requirements of the New York Stock Exchange. During 2003, the Nominating and Corporate Governance Committee held two meetings. A copy of the current charter of the Nominating and Corporate Governance Committee is available on our website at www.idexcorp.com.

The Nominating and Corporate Governance Committee will consider nominees for the Board recommended by the Company's shareholders in accordance with the procedures described under "Shareholder Proposals and Director Nominations for 2005 Annual Meeting." Shareholder nominees that comply with these procedures will be given the same consideration as nominees for director from other sources.

6

The Nominating and Corporate Governance Committee will select nominees for the Board who demonstrate the following qualities:

Experience (in one or more of the following):

- high level leadership experience in business or administrative activities;
- specialized expertise in the industry;
- financial expertise;
- breadth of knowledge about issues affecting the Company; and
- ability and willingness to contribute special competencies to Board activities.

Edgar Filing: IDEX CORP /DE/ - Form DEF 14A

Personal attributes:

- personal integrity;
- loyalty to the Company and concern for its success and welfare and willingness to apply sound independent business judgment;
- awareness of a director's vital part in the Company's good corporate citizenship and corporate image;
- time available for meetings and consultation on Company matters; and
- willingness to assume fiduciary responsibilities.

Qualified candidates for membership on the Board shall be considered without regard to race, color, religion, sex, ancestry, national origin or disability. Annually, the Nominating and Corporate Governance Committee shall review the qualifications and backgrounds of the Directors, as well as the overall composition of the Board, and recommend to the full Board the slate of Directors to be recommended for nomination for election at the annual meeting of shareholders. The Company has hired Russell Reynolds, a search firm, to help identify and facilitate the screening and interview process of director nominees. After conducting an initial evaluation of a candidate, the Nominating and Corporate Governance Committee will interview that candidate if it believes the candidate might be suitable to be a director. The Committee may also ask the candidate to meet with other members of the Board. If the Committee believes a candidate would be a valuable addition to the Board of Directors, it will recommend to the full Board that candidate's election.

During 2003, each member of the Board of Directors attended more than 75% of the aggregate number of meetings of the Board of Directors and of committees of the Board of which he was a member. The Company encourages the directors to attend the annual meeting of shareholders. All of the directors attended the 2003 annual meeting of shareholders.

CERTAIN INTERESTS

In 2001, the Company made a \$180,000 loan to Mr. Williams, our Chairman of the Board, President and Chief Executive Officer, to pay withholding taxes on the 2001 vesting of his restricted stock award. This loan was interest free. The largest amount outstanding in 2003 under the loan was \$165,762. As of February 10, 2004, \$0 remained outstanding under the loan as Mr. Williams paid off the loan in full on such date.

In 2003, the Company paid a \$100,000 fee to Kohlberg Kravis Roberts & Co., L.L.C., of which Mr. Raether is a member, for consulting and investment advisory services.

COMPENSATION OF DIRECTORS

Edgar Filing: IDEX CORP /DE/ - Form DEF 14A

Non-management directors of the Company receive an annual fee of \$30,000 for their services. The Audit, Compensation and Nominating and Corporate Governance Committee chairperson receives an annual retainer (pro-rated for partial years of service in the position) of \$5,000, \$4,000 and \$4,000, respectively. Each Board member receives an attendance fee of \$1,000 for each Board meeting attended in-person, and each member of the Audit, Compensation and Nominating and Corporate Governance Committees receives an attendance fee of \$500 for each committee meeting attended in-person, in each case accrued and paid in arrears quarterly when payments of the annual base retainer are made. Under the Second Amended and Restated IDEX Corporation Directors Deferred Compensation Plan, directors are permitted to defer their compensation into an interest-bearing account or into a deferred compensation units account as of the date that such compensation would otherwise be payable. The deferred compensation credited to the interest-bearing account is adjusted on a quarterly basis with hypothetical earnings for the quarter equal to rates on U.S. government securities with 10-year maturities as of December 1 of the calendar year preceding the year for which the earnings were credited, plus 200 basis points. Amounts credited to the interest-bearing account are compounded at least annually. The deferred compensation credited to the deferred compensation units account is converted into a number of Common-Stock-equivalent units ("Deferred Compensation Units") by dividing the deferred compensation by the fair market value of the Company's Common Stock on the deferral date. In addition, the value of the dividends payable on shares of Common Stock are credited to the deferred compensation units account and converted into Deferred Compensation Units based on the number of Deferred Compensation Units on the dividend record date, and the fair market value of Common Stock on the dividend payment date.

Outside directors receive non-qualified stock options pursuant to the Amended and Restated IDEX Corporation Stock Option Plan for Outside Directors. Outside directors are those individuals who are not full-time employees of the Company or its subsidiaries. Under the Restated Directors' plan, nonqualified stock options may be granted to outside directors to purchase in the aggregate up to 337,500 shares of Common Stock. If any option expires or is cancelled without having been fully exercised, the shares covered thereby may be subject to the grant of new options. For so long as the plan remains effective, except for each person who immediately prior to becoming an outside director was a full-time employee of the Company or any of its subsidiaries, any person who becomes an outside director after April 19, 2000 will receive an option to purchase 6,750 shares of Common Stock. On the first regularly scheduled meeting of the Board of Directors held in January of each year, each outside director will receive an option to purchase 4,500 shares of Common Stock. The exercise price is specified in each option, and is equal to the fair market value of a share of Common Stock on the date the option is granted, as determined under the plan. Prior to the amendment of the plan in January 2000, the fair market value was based on the average closing price per share of Common Stock on the New York Stock Exchange during the 30-day period immediately preceding the date the option was granted. Under the current terms of the plan, the fair market value is based on the closing price per share of the Common Stock on the trading day preceding the date the option is granted. In the year ended December 31, 2003, each of Messrs. Bell, Kenny and Springer received an option to purchase 4,500 shares of Common Stock at an exercise price of \$28.32. On January 5, 2004, Mr. Hermance received an option to purchase 6,750 shares of Common Stock at an exercise price of \$41.38, and on January 30, 2004, each of Messrs. Bell, Hermance, Kenny, Raether, Springer and Tokarz received an option to purchase 4,500 shares of Common Stock at an exercise price of \$42.25. Upon exercise of any option, the purchase price of Common Stock may be paid either in cash, in shares of Common Stock having an aggregate fair market value on the date of exercise equal to the exercise price, or by delivery of an irrevocable commitment to use the proceeds from the sale of stock acquired from exercise of the option.

SECURITY OWNERSHIP

The following table furnishes information as of February 17, 2004, except as otherwise noted, with respect to the shares of Common Stock beneficially owned by (i) each director and nominee for director, (ii) each officer named in the Summary Compensation Table, (iii) directors, nominees and executive officers of the Company as a group, and (iv) any person who is known by the Company to be a beneficial owner of more than five percent of the outstanding shares of Common Stock of the Company. Except as indicated by the notes to the following table and with respect to Deferred Compensation Units issued under the Second Amended and Restated IDEX Corporation Directors' Deferred Compensation Plan and the IDEX Corporation 1996 Deferred Compensation Plan for Officers, the holders listed below have sole voting power and investment power over the shares beneficially held by them. Under the Securities and Exchange Commission rules, the number of shares shown as beneficially owned includes shares of common stock subject to options that currently are exercisable or will be exercisable within 60 days of February 17, 2004. Shares of common stock subject to options that are currently exercisable within 60 days of February 17, 2004 are considered to be outstanding for the purpose of determining the percentage of the shares held by a holder, but not for the purpose of computing the percentage held by others. An * indicates ownership of less than one percent of the outstanding Common Stock.

- (4) Includes 298,070 shares reserved for future issuance in connection with Deferred Compensation Units under the 1996 Deferred Compensation Plan for Non-Officer Presidents, 5,156 of which have been allocated to certain presidents in connection with their election to defer certain compensation. Under the 1996 Deferred Compensation Plan for Non-Officer Presidents, presidents who are not officers are permitted to defer a portion of their compensation into an interest-bearing account or into a deferred compensation units account as of the date that such compensation would otherwise be payable. The deferred compensation credited to the interest-bearing account is adjusted on a quarterly basis with hypothetical earnings for the quarter equal to rates on U.S. government securities with 10-year maturities as of December 1 of the calendar year preceding the year for which the earnings were credited, plus 200 basis points. Amounts credited to the interest-bearing account are compounded at least annually. The deferred compensation credited to the deferred compensation units account is converted into a number of Common Stock-equivalent units ("Deferred Compensation Units") by dividing the deferred compensation by the fair market value of the Company's Common Stock on the deferral date. In addition, the value of the dividends payable on shares of Common Stock are credited to the deferred compensation units account and converted into Deferred Compensation Units based on the number of Deferred Compensation Units on the dividend record date, and the fair market value of Common Stock on the dividend payment date. Deferred compensation is paid on the January 1 following the number of years for which deferral was elected (5 or 10), retirement, death or termination of employment. Deferred Compensation Units are distributed in the form of our Common Stock.

PENSION AND RETIREMENT PLANS

Certain employees of the Company, including the executive officers and certain hourly employees, are covered under the IDEX Corporation Retirement Plan (the "Retirement Plan"). The Company and the other sponsoring subsidiaries are required to make an annual contribution to the Retirement Plan in such amounts as are actuarially required to fund the benefits of the participants. The Retirement Plan is an ongoing "career average" plan that provides a level of benefit based on a participant's compensation for a year, historically with periodic updates to average compensation over a fixed five-year period. Under the Retirement Plan, participants are entitled to receive an annual benefit on retirement equal to the sum of the benefit earned through 1995 using the five-year average compensation of a participant through 1995, plus the benefit earned under the current formula for each year of employment after 1995. For each year of participation through 1995, a participant earns a benefit equal to 1.25% of the first \$16,800 of such average compensation through 1995, and 1.65% of such compensation in excess of \$16,800. Beginning January 1, 1996, the benefit earned equals the sum of 1.6% of the first \$16,800 of each year's total compensation, and 2.0% for such compensation in excess of \$16,800 for each full year of service credited after 1995. As required by law, compensation counted for purposes of determining this benefit is limited. For all participants in the Retirement Plan, the normal form of retirement benefit is payable in the form of a life annuity with five years of payments guaranteed. Other optional forms of payment are available.

As of December 31, 2003, the total accrued monthly benefit under the Retirement Plan for Messrs. Williams, Sayatovic, Windmuller and McMurray and Ms. Bors was \$1,311, \$5,699, \$4,544, \$3,385 and \$328, respectively. Assuming projected earnings in 2004 of \$4,535,300, \$202,000, \$482,500, \$434,100 and \$385,900 for Messrs. Williams, Sayatovic, Windmuller and McMurray and Ms. Bors, respectively, and assuming (except in the case of Mr. Williams whose restricted stock award will have fully vested in 2005 and Mr. Sayatovic who retired February 1, 2004) that such earnings remain level until each person reaches age 65, the projected monthly benefit for Messrs. Williams, Windmuller and McMurray and Ms. Bors under the Retirement Plan would be \$4,000, \$10,873, \$7,418 and \$7,385, respectively, upon retirement at age 65. Mr. Sayatovic's benefit at retirement was \$4,500 after reductions for early retirement.

13

Pursuant to the Company's Supplemental Executive Retirement Plan (the "SERP"), employees of the Company are entitled to retirement benefits to compensate for any reduction in benefits under the Retirement Plan arising from the maximum benefit limitations under Sections 401 and 415 of the Internal Revenue Code of 1986, as amended (the "Code"). Based on the above assumptions, the projected monthly benefit at age 65 for Messrs. Williams, Windmuller and McMurray and Ms. Bors under the SERP would be \$45,869, \$10,509, \$5,651 and \$6,365, respectively. Mr. Sayatovic's monthly benefit was \$5,354 at retirement.

EXECUTIVE EMPLOYMENT AGREEMENTS

The Company has entered into an employment agreement with Mr. Williams. The employment agreement provides for an initial term of five years and successive twelve-month periods thereafter. Mr. Williams' annual base salary for 2004 is \$775,000, subject to annual review and adjustment. In addition to his annual base salary, Mr. Williams is eligible to receive an annual cash bonus. Annual bonuses are paid to Mr. Williams under the Executive Incentive Bonus Plan. If Mr. Williams' employment is terminated by the Company other than for cause, he will receive continuing salary payments and fringe benefits for 24 months plus a bonus payment equal to the sum of 240% of his base salary and a pro-rated

portion of 120% of his base salary (based on the portion of the year he was employed). If Mr. Williams' employment is terminated because of disability, he will receive continuing salary payments and fringe benefits for a period of 18 months plus a bonus payment equal to the sum of 180% of his base salary and a pro-rated portion of 120% of his base salary (based on the portion of the year he was employed). If Mr. Williams dies before the continuing payments described above are complete, such payments will continue to Mr. Williams' wife if she survives him or, if she does not survive him, to his estate. Additionally, if Mr. Williams should die during the term of the agreement, Mr. Williams' wife or estate will receive continuing salary payments and fringe benefits for a period of 18 months plus a bonus payment equal to the sum of 180% of his base salary and a pro-rated portion of 120% of his base salary (based on the portion of the year he was employed). In connection with Mr. Williams' employment agreement, the Company awarded Mr. Williams 350,000 shares of restricted IDEX Common Stock. Seventy thousand shares of the restricted stock vested on each of April 30, 2001, April 30, 2002 and April 30, 2003, and an additional 70,000 shares vest on April 30 in each of years 2004 and 2005 if Mr. Williams remains as Chairman of the Board, President and Chief Executive Officer of the Company. All shares of the restricted stock will vest in the event Mr. Williams is terminated by the Company other than for cause or if Mr. Williams terminates his employment because the Company has taken certain actions with respect to his employment. The agreement provides for payment of the 20% golden parachute excise tax, increased for taxes due on the payment, in the event that the Internal Revenue Service determines any such taxes to be payable due to a change in control.

The Company has entered into an employment agreement with Mr. Sayatovic. Mr. Sayatovic retired on January 31, 2004. However, since he was a named executive officer for the fiscal year ended December 31, 2003, we have described the terms of his employment agreement, as required. The agreement provides for an initial term of three years and successive 12-month periods thereafter. Mr. Sayatovic's annual base salary for 2004 is \$270,700, subject to annual review and adjustment. If Mr. Sayatovic's employment is terminated by the Company, he will be entitled to receive continuing salary payments and fringe benefits for 24 months. If Mr. Sayatovic dies before payments are complete, such payments will continue to Mr. Sayatovic's wife if she survives him or, if she does not survive him, to his estate. Mr. Sayatovic will receive a bonus of not less than his target amount for the entire year in the event he becomes disabled or dies, or if his employment is terminated by the Company. The agreement provides for reimbursement of all medical, hospitalization, dental and similar benefits and expenses for Mr. Sayatovic, his wife and dependents during the term of his employment with the Company and for the longer of his life or his wife's life. Reimbursements for medical expenses for Mr. Sayatovic will be reduced until he attains age 59 to the extent reimbursement is available from other programs sponsored by subsequent employers. The agreement provides for payment of the 20% golden parachute excise tax, increased for taxes due on the payment, in the event that the Internal Revenue Service determines any such taxes to be payable due to a change in control. The agreement also provides for the payment of pension benefits equal to the amount Mr. Sayatovic is entitled to receive under the SERP as currently in effect, to the extent not paid by the SERP.

The Company has entered into an employment agreement with Ms. Bors. The agreement does not provide for a fixed term and may be terminated at any time. Ms. Bors' annual base salary for 2004 is \$237,600, subject to annual review and adjustment. In addition to her annual base salary, Ms. Bors is eligible to receive an annual cash bonus. Annual bonuses are paid to Ms. Bors under the Management Incentive Bonus Plan. If Ms. Bors' employment is terminated by the Company other than for cause, she will be entitled to receive continuing salary payments for 12 months. In the event Ms. Bors is actually or constructively terminated without cause within two years following a change in control, the

Edgar Filing: IDEX CORP /DE/ - Form DEF 14A

Company will be obligated to pay Ms. Bors her salary and her current target Management Incentive Plan Bonus for three years.

The Company has entered into agreements with each of Messrs. Williams, Sayatovic, Windmuller and McMurray providing for three years' compensation and fringe benefits in the event they are actually or constructively terminated without cause within two years following a change of control.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors of the Company reviews and approves base salary, annual management incentive compensation, and long-term incentive awards for all corporate officers and certain other key executives, with the objective of attracting and retaining individuals of the necessary quality and stature to operate the business. The Committee considers individual contributions, performance against strategic goals and directions, and industry-wide pay practices in determining the levels of base compensation for key executives.

Annual management incentive compensation is paid to corporate officers other than Mr. Williams and certain other key executives under the Management Incentive Compensation Plan. The Management Incentive Compensation Plan provides for payment of annual bonuses based upon performance of the business units of the Company and individual performance of the employee. Individual target bonus percentages are based on base salaries and levels of responsibility. Actual awards are set as a percentage of target based on meeting quantitative and qualitative performance criteria set each year in connection with the annual planning process, and adjusted by an individual personal performance multiplier. Actual payouts under the plan to corporate officers since the Company was formed in 1988 have ranged from 41% of target to 170% of target. The Committee believes that this plan is properly leveraged relative to performance of the Company and its business units.

Long-term incentive awards are granted to corporate officers and certain other key employees under the Company's 2001 Stock Plan for Officers and the Third Amended and Restated 1996 Stock Plan for Non-Officer Key Employees. The awards take the form of stock options which are tied directly to the market value of the Company's Common Stock.

The Committee believes that both the annual bonus plan and the long-term incentive plan align the interests of management with the shareholders and focus the attention of management on the long-term success of the Company. A significant portion of the executives' compensation is at risk, based on the financial performance of the Company and the value of the Company's stock in the marketplace.

The Committee sets compensation of the Company's Chief Executive Officer annually based on Company performance, his performance, and prevailing market conditions. Dennis K. Williams has a personal stake in the Company through his ownership of 267,015 shares of Common Stock of the Company (inclusive of 140,000 shares of non-vested restricted stock), and his ownership of 59,761 Deferred Compensation Units under the IDEX Corporation 1996 Deferred Compensation Plan for Officers. He also has options to acquire an additional 620,000 shares of Common Stock. With this sizeable ownership position, a very large percentage of Mr. Williams' personal net worth is tied directly to the Company's performance.

Annual bonuses are paid to Mr. Williams based upon the attainment of operating income performance goals pursuant to the terms of the Executive Incentive Bonus Plan. The maximum bonus payable to Mr. Williams under the Executive Incentive Bonus Plan is 2% of the Company's operating income. Mr. Williams' actual bonus for 2003 was \$900,000.

Section 162(m) of the Internal Revenue Code limits to \$1 million in a taxable year the deduction publicly-held companies may claim for compensation paid to executive officers, unless such compensation is performance-based and meets certain requirements. The Executive Incentive Bonus Plan and the 2001 Stock Plan for Officers satisfy the requirements for performance-based compensation under Code Section 162(m).

AUDIT COMMITTEE REPORT

For the year ended December 31, 2003, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors, Deloitte & Touche LLP. The Committee discussed with the independent auditors the matters required to be discussed by the Statement of Auditing Standards No. 61, and reviewed the results of the independent auditors' examination of the financial statements.

The Committee also reviewed the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, discussed with the auditors the auditors' independence, and satisfied itself as to the auditors' independence.

Based on the above reviews and discussions, the Audit Committee recommends to the Board of Directors that the financial statements be included or incorporated by reference in the Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Commission.

The Board of Directors has determined that the members of the Audit Committee satisfy the "independence" requirements of the New York Stock Exchange. The committee is governed by a charter, a copy of which is attached to this Proxy as Appendix A.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings made by the Company under those statutes, in whole or in part, this report shall not be deemed to be incorporated by reference into any such filings, nor will this report be incorporated by reference into any future filings made by the Company under those statutes.

All such fees were pre-approved by our Audit Committee pursuant to our pre-approval policy discussed below.

Total	\$2,118,000	\$2,286,000
	=====	=====

(1) Audit fees represent the aggregate fees billed for the audit of the Company's financial statements, review of the financial statements included in the Company's quarterly reports, and services in connection with statutory and regulatory filings or engagements for those fiscal years.

(2) Audit-related fees represent the aggregate fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under "Audit fees." These services include planning and compliance with Sarbanes-Oxley regulations in 2003 and filing registration statements in 2002.

17

(3) Tax fees represent the aggregate fees billed for professional services for tax compliance, tax advice and tax planning.

(4) All other fees represent the aggregate fees billed for products and services that are not included in the "Audit fees," "Audit-related fees" and "Tax fees" sections. These services include a special review of controls and financial reporting related to a foreign subsidiary in 2002. The Audit Committee has determined that the provision of these services is not incompatible with maintaining the principal accountant's independence.

PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee has adopted a policy that requires the pre-approval of audit and non-audit services rendered by the Deloitte Entities. For audit services, the accounting firm will provide the Audit Committee with an audit services plan during the third quarter of each fiscal year outlining the scope of the audit services proposed to be performed for the fiscal year and the fees therefore, which plan must be formally accepted by the Audit Committee. For non-audit services, Company management will submit to the Audit Committee for approval from time-to-time during the fiscal year the list of non-audit services that it recommends the Audit Committee engage the accounting firm to provide for the current and subsequent fiscal years, together with a budget therefor. Company management and the accounting firm will each confirm to the Audit Committee that each non-audit service on the list is permissible under all applicable legal requirements. The Audit Committee will approve both the list of permissible non-audit services and the budget for such services. The Audit Committee delegates to the Chair the authority to amend or modify the list of approved permissible non-audit services and fees. The Chair will report action taken to the Audit Committee at a subsequent Audit Committee meeting.

IDEX CORPORATION

CHARTER OF AUDIT COMMITTEE

ORGANIZATION

The Audit Committee of IDEX Corporation (the "Company") shall have at least three members, comprised solely of independent directors as such term is defined by the New York Stock Exchange. The members of the Audit Committee shall also satisfy any financial literacy requirements of the New York Stock Exchange. At least one member of the Audit Committee shall have the accounting or related financial management expertise as determined by the Board of Directors. Committee members shall be appointed by the Board of Directors on the recommendation of the Nominating and Corporate Governance Committee. Committee members shall hold their offices for one year and until their successors are elected and qualified, or until their earlier resignation or removal. All vacancies in the Committee shall be filled by the Board. The Board shall designate one of the members as Chairman of the Committee, and the Committee shall keep a separate book of minutes of their proceedings and actions.

The Audit Committee shall meet at least six times each year, or more frequently as circumstances dictate. To foster open communication, the Audit Committee should meet at least annually with management and the internal audit staff and the independent auditor in separate sessions. All meetings shall be at the call of the Chairman of the Committee. A majority of the members of the Committee shall constitute a quorum for the transaction of business.

The Committee may form one or more subcommittees, each of which may take such actions as may be delegated by the Committee. The Committee shall periodically report on its activities to the Board and make such recommendations and findings as it deems appropriate. The Committee members shall perform an annual evaluation of the Committee, as administered by the Nominating and Corporate Governance Committee. The Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the independent auditor as well as anyone in the organization. The Committee may, in its sole discretion and at the Company's expense, retain and terminate legal, accounting or other consultants or experts it deems necessary in the performance of its duties and without having to seek the approval of the Board.

PURPOSE

The Committee's primary duties and responsibilities shall be:

- To monitor the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance.
- To monitor the independence and performance of the Company's independent auditor and monitor the performance of the Company's internal audit function.
- To hire and fire the Company's auditor and approve any audit and non-audit work performed by the independent auditor.
- To provide an avenue of communication among the independent auditor, management and the Board of Directors.
- To prepare the report that SEC rules require to be included in the Company's annual proxy statement.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Committee to conduct general investigations or to assure compliance with laws and regulations and the Company's compliance policies.
