PROXY STATEMENT

GENERAL INFORMATION

This proxy statement is furnished to the stockholders of Chromcraft Revington, Inc. (the "Company") in connection with the solicitation by the Board of Directors of the Company of proxies to be voted at the annual meeting of stockholders of the Company to be held on Wednesday, May 4, 2005 at 9:00 a.m., Indianapolis time, at the Canterbury Hotel, 123 South Illinois Street, Indianapolis, Indiana, and at any and all adjournments or postponements of the meeting. This proxy statement and accompanying form of proxy were first mailed to stockholders of the Company on or about March 31, 2005.

The cost of soliciting proxies will be borne by the Company. In addition to use of the mail, proxies may be solicited personally or by telephone by directors, officers and certain employees of the Company who will not be specially compensated for such solicitation. The Company also will request brokerage firms, nominees, custodians and fiduciaries to forward the proxy solicitation materials relating to the annual meeting to the beneficial owners of common stock and will reimburse such institutions for the cost of forwarding these materials.

Any stockholder giving a proxy has the right to revoke it at any time before the proxy is exercised. Revocation may be made by written notice delivered to the Secretary of the Company, by executing and delivering to the Company a proxy bearing a later date or by attending and voting in person at the annual meeting.

The shares represented by proxies received by the Company will be voted as instructed by the stockholders giving the proxies. In the absence of specific instructions, proxies will be voted as follows:

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

- FOR the election as directors of the five persons named as nominees in this proxy statement, each of whom will hold office for a term expiring at the 2006 annual meeting of stockholders and until his successor is duly elected and qualified; and
- FOR the approval of the ratification of KPMG LLP as the independent auditors for the Company for the fiscal year ending December 31, 2005.

If for any reason any director nominee named in this proxy statement becomes unable or unwilling to serve, the persons named as proxies in the accompanying form of proxy will have authority to vote for a substitute nominee should the Board of Directors determine to nominate another person. The accompanying form of proxy gives discretionary authority to the persons named as proxies to vote in accordance with the directions of the Board of Directors on any other matters that may properly come before the annual meeting.

The principal executive office of the Company is located at 1100 North Washington Street, Delphi, Indiana 46923.

VOTING SECURITIES

The Company has one class of capital stock outstanding consisting of common stock. The close of business on March 7, 2005 has been fixed as the record date (the "Record Date") for determining stockholders of the Company entitled to notice of and to vote at the annual meeting and any adjournments or postponements thereof. On the Record Date, the Company had 6,003,202 shares of common stock outstanding and entitled to vote. There are no other outstanding securities of the Company entitled to vote.

Each share of common stock of the Company is entitled to one vote, exercisable in person or by proxy. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock is necessary to constitute a quorum so that business may be conducted at the annual meeting. Shares voting, abstaining or withholding authority to vote on any matter at the annual meeting will be counted as present for purposes of determining a quorum. Assuming a quorum is present at the annual meeting, the election of directors will be determined by a plurality of the votes cast. The ratification of the appointment of KPMG LLP and any other matters that may properly come before the meeting will be approved by the affirmative vote of the holders of at least a majority of the shares present, in person or by proxy, at the annual meeting.

Instructions on the accompanying proxy to withhold authority to vote for one or more of the director nominees will result in those nominees receiving fewer votes. In counting the votes with respect to the ratification of the appointment of KPMG LLP as the independent auditors for the Company and any other matters that may properly come before the meeting, abstentions will have the same effect as votes against the matter. Shares that are the subject of a broker non-vote will be deemed to be not voted.

Each participant in the Employee Stock Ownership Plan (the "ESOP") of the Company will receive a form to use to provide voting instructions to LaSalle Bank N.A., the trustee for the ESOP, for the shares allocated to the participant's account under the ESOP as of the Record Date. Voting instructions to the trustee should be completed, dated, signed and returned in the envelope provided by April 27, 2005. Voting instructions of individual participants will be kept confidential by the ESOP trustee and will not be disclosed to the Company.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

Unless its fiduciary duties require otherwise, the ESOP trustee will vote (i) the shares allocated to participants' accounts under the ESOP in accordance with the instructions received in a timely manner from participants, and (ii) the shares that have not been allocated to participants' accounts in accordance with the directions of the Benefit Plans Administrative Committee of the Company (the "Benefits Committee"). Any shares allocated to a participant's account for which the ESOP trustee has not received voting instructions in a timely manner will be voted by the trustee in accordance with the directions of the Benefits Committee.

Each participant in the Savings Plan of the Company will receive a form to use to provide voting instructions to T. Rowe Price Trust Company, Inc., the trustee for the Savings Plan, for the shares credited to the participant's account under the Savings Plan as of the Record Date. Voting instructions to the trustee should be completed, dated, signed and returned in the envelope provided by April 27, 2005. Voting instructions of individual participants will be kept confidential by the Savings Plan trustee and will not be disclosed to the Company.

Unless its fiduciary duties require otherwise, the Savings Plan trustee will vote the shares credited to participants' accounts under the Savings Plan in accordance with the instructions received in a timely manner from participants. Any shares credited to a participant's account for which the Savings Plan

2

trustee has not received voting instructions in a timely manner will be voted by the trustee in accordance with the directions of the Benefits Committee.

If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees selected by the Board of Directors, unless the Board chooses to reduce the number of directors of the Company. The persons named on the enclosed proxy intend to vote each proxy, if properly signed and returned, FOR the election of each of the five director nominees identified in this proxy statement, unless indicated on the proxy that the stockholder's vote should be withheld from any or all of the nominees.

Michael E. In addition, Warren G. Wintrub, who is 71 years old and who has served as a director of the company since 1992, has decided to retire from the Board of Directors and all Board committees effective immediately following the 2005 annual meeting of stockholders, which is the expiration of his current term.

CHANGE IN CONTROL

In 2002, Court Square Capital Limited ("Court Square"), a Delaware corporation and an affiliate of Citigroup Inc., completed its sale of 5,695,418 shares of Company common stock, comprising approximately 59% of the Company's issued and outstanding shares of common stock on that date, to the Company and the Chromcraft Revington Employee Stock Ownership Plan Trust (the "ESOP Trust"), which forms a part of the ESOP. With respect to the 5,695,418 shares of the Company's common stock sold by Court Square, 3,695,418 shares were repurchased by the Company (the "Company Stock Transaction") and 2,000,000 shares were purchased by the ESOP Trust (the "ESOP Stock Transaction" and together with the Company Stock Transaction, the "Transaction").

The funds required to pay the total consideration and certain related expenses of the Transaction were obtained using available cash and bank borrowings of approximately \$45,000,000. Under a term loan and security agreement (the "ESOP Loan Agreement"), the Company loaned \$20,000,000 to the ESOP Trust to finance the ESOP Stock Transaction. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the federal securities laws, the Company's directors and executive officers, and any persons beneficially owning more than 10% of the Company's common stock, are required to report their initial ownership of the Company's common stock and any subsequent changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established by the

7

Securities and Exchange Commission, and the Company is required to disclose in this proxy statement any failure to file timely the required reports by directors, executive officers and 10% stockholders of the Company. During 2004, no director or executive officer was late in filing the required reports with the Securities and Exchange Commission. In making this disclosure, the Company has relied solely upon written representations of directors and executive officers of the Company and copies of reports that those persons have filed with the Securities and Exchange Commission and provided to the Company.

CERTAIN STOCK REPURCHASES BY THE COMPANY

The Company did not repurchase any shares of its common stock in 2004.

CORPORATE GOVERNANCE AND BOARD MATTERS

INDEPENDENCE AND GOVERNANCE

The Board of Directors has determined that each of the directors standing for re-election at the 2005 annual meeting, with the exception of Mr. Healy, has no material relationship with the Company that would interfere with the exercise of his independent judgment and, accordingly, is independent under the Company's

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

director independence standards. Mr. Healy is not independent because he serves as the President of Cochrane Furniture Company, Inc., a subsidiary of the Company. The Company's director independence standards are the same as the director independence criteria adopted by the American Stock Exchange as set forth in Section 121 of the Exchange's Company Guide.

The Board of Directors has adopted a Code of Ethics applicable to its chief executive officer and senior financial managers, a Code of Business Conduct and Ethics applicable to its directors, officers and employees and a set of Corporate Governance Guidelines. Copies of these items are available, without charge, upon request in writing to Mr. Frank T. Kane, Corporate Secretary, Chromcraft Revington, Inc., at 1100 North Washington Street, Delphi, Indiana 46923, or by telephone at (765) 564-3500.

BOARD COMMITTEES

The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. All members of each of the Committees are non-management directors who are independent under the criteria adopted by the American Stock Exchange.

Audit Committee. The members of the Audit Committee are Messrs. Mullett (Chairman), Butler, Kolb, Kunz and Wintrub. Mr. Wintrub will retire as a member of the Board of Directors and as a member of the Audit Committee when his term expires at the 2005 Annual Meeting of Stockholders. The Audit Committee's charter was attached to the Company's proxy statement relating to the 2004 annual meeting of stockholders and is available upon written request to the Secretary of the Company.

In addition, among other responsibilities, the Audit Committee appoints, oversees the performance of and approves the fees of the Company's independent auditors; reviews and discusses with management and the independent auditors the Company's annual audited and quarterly financial statements; reviews with management and the independent auditors the adequacy and effectiveness of the

The report of the Audit Committee is included in this proxy statement on page 20.

Mr. Wintrub serves on the Company's Audit Committee as well as the audit committees of four other public companies or entities. The Company's Board of Directors determined that Mr. Wintrub's service on these audit committees would not impair his ability to serve effectively on the Company's Audit Committee.

Compensation Committee. The members of the Compensation Committee are Messrs. Kolb (Chairman), Butler, Kunz, Mullett and Wintrub. Mr. Wintrub will

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

In addition, among other responsibilities, the Compensation Committee determines the compensation of the Company's chief executive officer and other executive officers; reviews and approves the Company's goals and objectives relevant to compensation of the chief executive officer; develops the philosophies, policies and practices relating to compensation and benefits for executive management of the Company and its subsidiaries; administers the Company's stock option plans for key employees and directors; administers the Company's short term and long term executive incentive plans; reviews and makes recommendations to the Board of Directors regarding any employment agreements for executive management of the Company and its subsidiaries; reviews and makes recommendations to the Board of Directors regarding director compensation; approves a succession plan developed by management for the Company's chief executive officer and other executive officers; annually reviews the Compensation Committee's charter and evaluates the Committee's performance; and prepares the Compensation Committee report for inclusion in the Company's annual meeting proxy statement.

Search Committee. The Board of Directors formed a Search Committee in December, 2004 for the purpose of assisting the Board of Directors to identify appropriate candidates to serve as the new Chairman and Chief Executive Officer of the Company. Mr. Thomas, the Company's current Chairman, President and Chief Executive Officer, will retire immediately following the 2005 annual meeting of stockholders. The Search Committee has engaged a search firm to assist it in conducting its search for a new Chairman and Chief Executive Officer. The final candidate will be selected by the Board of Directors.

The members of the Search Committee consist of Messrs. Butler, Kolb, Kunz, Mullett and Wintrub. Mr. Wintrub will retire as a member of the Board of Directors and as a member of the Search Committee when his term expires at the 2005 Annual Meeting of Stockholders. Messrs. Kolb and Kunz serve as co-chairs of this committee. The Search Committee met once in 2004.

Strategy Committee. The Board of Directors formed a Strategy Committee in 2005 for the purpose of assisting senior management with overall corporate strategy of the Company. Mr. Butler is the sole member and chair of this committee.

BOARD MEETINGS

The Board of Directors held eight meetings during 2004. Each director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and of all Board committees of which he is a member.

DIRECTOR COMPENSATION

Directors who are not employees of the Company are paid an annual retainer of \$20,000, plus a fee of \$1,500 for each Board of Directors and committee meeting attended in person and a fee of \$750 for each telephonic meeting of the Board and committee in which he participates. In addition, the chair of the Audit Committee receives an annual retainer of \$4,500, the chairs of the Compensation Committee and the Nominating and Corporate Governance Committee each receive an annual retainer of \$3,000, the co-chairs of the Search Committee each receive an annual retainer of \$2,000 and the chair of the Strategy Committee receives an annual retainer of \$4,000. Directors who are employees of the Company do not receive director or committee fees for their service on the Board of Directors.

Directors who are not employees of the Company are eligible to participate in the Directors' Stock Option Plan of the Company. Under this plan, each director who is not an employee of the Company receives an option to purchase 2,500 shares of common stock on the day following each annual meeting of stockholders. Any new director who is elected or appointed for the first time to the Board of Directors receives an initial option to purchase 10,000 shares of common stock. All stock options granted under this plan vest immediately at the time of the grant, have an exercise price equal to the fair market

10

value of the underlying shares on the date of the grant and are exercisable for ten years following the date of each grant.

In 2004, Messrs. Kolb, Kunz, Mullett and Wintrub each received an option to purchase 2,500 shares of common stock, and Mr. Butler received his initial option to purchase 10,000 shares of common stock, under the Directors' Stock Option Plan.

EXECUTIVE SESSIONS OF THE BOARD OF DIRECTORS AND PRESIDING DIRECTOR

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

Executive sessions of the Board of Directors are those at which only directors who are not also employees of the Company are present. There were three executive sessions of the Board of Directors in 2004. Any non-management director can request that an executive session of the Board be scheduled.

The presiding director is the director who presides over an executive session of the Board of Directors. The Board of Directors has not designated a specific director to serve as the presiding director at all executive sessions of the Board. Instead, the independent directors rotate the presiding director position among themselves, and a rotation occurs after a director has presided over an executive session.

CONSIDERATION OF DIRECTOR CANDIDATES

Role of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will consider candidates for Board membership suggested by the Committee's members, by other members of the Board of Directors and by stockholders. For existing directors to be nominated for re-election at an annual meeting, the Nominating and Corporate Governance Committee will consider the director's performance on the Board, his attendance record at Board and committee meetings, the needs of the Company and the ability of the director to continue to satisfy the established director qualifications set forth in the Company's Corporate Governance Guidelines.

With respect to new members of the Board, the Nominating and Corporate Governance Committee will consider the needs of the Company and whether the director satisfies the Committee's established director qualifications. When the Committee determines a need exists, the Committee will recommend new directors to replace directors who do not seek re-election, to fill vacancies or to add members to the Board of Directors in the event the size of the Board is increased. Once the Committee has identified a prospective director nominee and has conducted an initial evaluation of the candidate, the Committee will interview the candidate. If the Committee believes the candidate would be an appropriate addition to the Board of Directors, it will recommend to the full Board of Directors that the individual be nominated for election at an annual meeting of stockholders or be elected to fill a vacancy on the Board. The Board of Directors determines the director nominees after considering the recommendation of the Nominating and Corporate Governance Committee.

Suggestions by Stockholders. The Nominating and Corporate Governance Committee will consider suggestions by stockholders of individuals to serve on the Board of Directors when it makes its recommendations to the full Board of Directors of persons to be nominated as directors. Director candidates suggested by a stockholder will be considered by the Nominating and Corporate Governance Committee in a manner similar to the way that candidates suggested by a Committee member or by a member of the Board of Directors are considered. Any stockholder desiring to make a suggestion to the Nominating and Corporate Governance Committee of a director nominee should submit to the Committee the candidate's name and address; a statement of the candidate's business experience; an identification of other boards of directors and board committees on which the candidate serves; a statement indicating any relationship between the candidate and the Company itself, any customer, supplier or competitor of the Company or the stockholder making the suggestion; a statement that the candidate would be willing to

serve if nominated and elected; an evaluation of the candidate in light of the Committee's established director qualifications; and any other information requested by the Committee. These suggestions should be made in writing and

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

received no later than October 31, 2005 by:

Chair, Nominating and Corporate Governance Committee
Chromcraft Revington, Inc.
1100 North Washington Street
Delphi, Indiana 46923

Stockholders also can nominate individuals for election as directors at any annual meeting of stockholders in addition to making suggestions to the Nominating and Corporate Governance Committee as provided above. To make such a nomination, a stockholder must comply with the procedures set forth in the Company's By-Laws. Those procedures are contained in Article IX of the By-Laws and are summarized under the heading "STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS" on page 22 of this proxy statement.

Qualifications of Directors. When evaluating a prospective director nominee, the Nominating and Corporate Governance Committee will consider, among other qualifications, the prospective nominee's:

- level of integrity;
- ability to make sound decisions and to exercise appropriate business judgment;
- overall business experience;
- knowledge of the Company's industry;
- ability to devote sufficient time and attention to the performance of his duties as a director;
- independence from the Company and its customers, suppliers and competitors;
- potential contribution to the range of talent, skill and expertise needed or appropriate for the Board of Directors;
- ability to represent the interests of the Company's stockholders; and
- background or experience in financial, accounting or compensation matters.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Stockholders or other interested parties who desire to communicate with the full Board of Directors, the non-management directors or an individual director may write to:

Chair, Nominating and Corporate Governance Committee
Chromcraft Revington, Inc.
1100 North Washington Street
Delphi, Indiana 46923

A letter from a stockholder should state the stockholder's name and, if the stockholder's shares are held in street name, evidence of the stockholder's ownership of Company common stock. Depending on the subject matter of the letter, the Chairman will:

- forward the letter to the appropriate director;
- request an officer of the Company to handle the inquiry directly

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

such as, for example, where the letter contains a request for routine information about the Company or stock transfer matters or is primarily commercial in nature; or

- not forward the letter to any director if it relates to an improper or irrelevant topic.

12

At each Board meeting, the Chairman will present a summary of all letters received since the last Board meeting that were not forwarded to all directors and will make those letters available to any director.

ATTENDANCE AT ANNUAL MEETINGS

The Board of Directors has adopted a policy that it expects all Board members to attend the Company's annual meeting of stockholders. All directors attended the Company's 2004 annual meeting.

EMPLOYMENT AGREEMENTS

Michael E. Thomas. The Company and Mr. Thomas are parties to an employment agreement, as amended, which provides, among other items, for the employment by the Company of Mr. Thomas as the Company's Chairman of the Board, President and Chief Executive Officer through April 23, 2005. The employment agreement provides for automatic one-year extensions, unless the Company or Mr. Thomas

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

gives notice of termination at least 180 days before the termination date. The Company may terminate the employment of Mr. Thomas with or without cause (as defined in the employment agreement) or in the event of the disability of Mr. Thomas. If the Company terminates the employment of Mr. Thomas with cause, then he is entitled to receive his monthly base salary for a three-month period following his

15

termination. If the Company terminates the employment of Mr. Thomas without cause, then he is entitled to receive an amount equal to twice the sum of his then-current annual base salary plus the higher bonus earned by him under the Short Term Incentive Plan in the two fiscal years prior to termination. In the event of termination due to disability, Mr. Thomas will continue to receive his then-current annual base salary, less any payments equivalent to those provided by the Company's benefit plans and by any government sponsored program, for a 24-month period following the termination.

If Mr. Thomas terminates his employment following a change in control of the Company (as defined in his employment agreement) and, in addition, a reduction in his duties, a diminution in his salary or benefits or a relocation of his principal place of employment occurs, then the Company will be required to pay him, as severance pay, a lump sum amount equal to twice the sum of his then-current annual base salary plus the higher bonus earned by him under the Short Term Incentive Plan in the two fiscal years prior to the change in control.

Under his employment agreement, Mr. Thomas receives a base salary of not less than \$400,000 during each year that the employment agreement is in effect and is entitled to participate in the incentive compensation plans and programs generally available to executives of the Company. The Company also pays the premiums on insurance covering Mr. Thomas' life having a total face amount of \$1.5 million.

In addition, Mr. Thomas may not compete against the Company during his employment by the Company and during the two-year period following termination of his employment.

Mr. Thomas has given his notice of termination of the employment agreement, which means the agreement will terminate on April 23, 2005. Mr. Thomas will retire as the Chairman of the Board, President and Chief Executive Officer of the Company effective immediately following the 2005 annual meeting of stockholders.

Frank T. Kane. The Company also has entered into an employment agreement with Frank T. Kane which provides, among other items, for the employment by the Company of Mr. Kane as the Company's Vice President-Finance, Chief Financial Officer, Secretary and Treasurer through March 15, 2006. The employment agreement provides for automatic extensions for successive one-year periods upon expiration of the initial term, or any renewal term, unless the Company or Mr. Kane gives notice of termination at least 180 days before the termination date. The Company may terminate the employment of Mr. Kane with or without cause (as defined in the employment agreement) or in the event of the disability of Mr. Kane. Mr. Kane may terminate his employment with or without good reason (as defined in the employment agreement). If the Company terminates Mr. Kane's employment with cause or if Mr. Kane terminates his employment without good reason, then the Company is required to pay him, in a lump sum, his monthly base salary for a three-month period following his termination. If the Company terminates Mr. Kane's employment without cause or if Mr. Kane terminates his employment with good reason, then the Company is required to pay him in 24 equal

monthly installments an amount equal to twice the sum of his then-current annual base salary and the higher cash bonus under the Short Term Incentive Plan (up to the target award rate) paid to him in the two fiscal years preceding termination. In the event of termination due to disability, Mr. Kane will receive his then-current annual base salary earned through the date of termination.

If Mr. Kane terminates his employment following a change in control of the Company (as defined in the employment agreement) and, in addition, a reduction in his duties, a diminution in his salary or benefits or a relocation of his principal place of employment occurs, then the Company will be required to pay him, as severance pay, a lump sum amount equal to twice the sum of his then-current annual base salary and the higher cash bonus under the Short Term Incentive Plan (up to the target award rate) paid to him in the two fiscal years preceding termination.

16

Under his employment agreement, Mr. Kane receives a base salary of not less than \$205,000 during each year that the employment agreement is in effect and will be entitled to participate in the incentive compensation plans and programs generally available to executives of the Company.

Under his employment agreement, Mr. Kane may not compete against the Company during his employment by the Company and during the two-year period following termination of his employment. However, if the Company elects not to extend the term of Mr. Kane's employment agreement, then Mr. Kane may not compete against the Company for a one-year period following termination of his employment.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

Effective as of March 31, 1992, the Company established pursuant to Mr. Thomas' employment agreement a supplemental executive retirement plan for the purpose of providing supplemental retirement benefits to Mr. Thomas upon his retirement from the Company (the "Thomas SERP"). The manner by which payments of the Thomas SERP were to be made was specified in a supplemental retirement benefits agreement dated August 21, 1992, as amended, between the Company and Mr. Thomas. The supplemental retirement benefits agreement provides that the Thomas SERP is implemented through a whole life insurance policy as to which the Company will pay up to 15 annual premium payments through 2007; provided, however, that the Company is not obligated to pay the premiums on the insurance policy upon the termination of Mr. Thomas' employment.

On March 3, 2004, the Company and Mr. Thomas entered into a supplement to the employment agreement and the supplemental retirement benefits agreement. Among other items, the supplement (i) clarifies the calculation, timing and funding of the Thomas SERP, and (ii) amends certain provisions of Mr. Thomas' employment agreement and supplemental retirement benefits agreement.

The Thomas SERP currently provides that Mr. Thomas will receive lifetime retirement income from the Company equal to 60% of the average of his salary plus any bonus earned under the Short Term Incentive Plan during Mr. Thomas' final three calendar years of employment with the Company, but reduced by offsets of the annuitized amount of the account balances attributable to Company contributions (and investment earnings thereon) under certain employee benefit plans and insurance policies as well as the annualized benefit payable under a defined benefit plan of a predecessor company. The Thomas SERP is payable upon any termination of Mr. Thomas' employment (except a termination with cause) or upon his retirement before or after he attains age 65.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

The supplement also provides that Mr. Thomas will receive a minimum annual retirement benefit from the Company equal to \$400,000 per year, reduced by the offsets described above, regardless of the amounts of his salary and any bonuses paid under the Short Term Incentive Plan during his final three calendar years of employment and regardless of whether Mr. Thomas retires before or after age 65. Based upon the formula contained in the supplement, which governs the amount of the Thomas SERP, the annual benefit payable under the Thomas SERP (but excluding the applicable offsets) upon Mr. Thomas' retirement from the Company in 2005 would equal the minimum annual retirement benefit of \$400,000.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee is comprised of five non-employee directors: Messrs. Butler, Kolb, Kunz, Mullett and Wintrub. No member of the Compensation Committee is or was formerly an officer or employee of the Company or any of its subsidiaries. No executive officer of the Company serves as a member of the board of directors or compensation committee of any entity that has one or

17

more executive officers of that entity serving as a member of the Board of Directors or Compensation Committee of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee has furnished the report set forth below on executive compensation for the year ended December 31, 2004. The functions of the Compensation Committee are described above under the heading "CORPORATE GOVERNANCE AND BOARD MATTERS."

An objective of the Compensation Committee is to help assure that executive compensation bears a reasonable relationship to corporate performance, business strategy and increases in stockholder value. The following principles currently serve as guidelines for compensation recommendations and decisions of the Compensation Committee:

- Reward executives through appropriate incentive compensation and ownership in the Company for achievement of short term and long term business goals and strategies.
- Align executive officer compensation with the success of the Company such that compensation is based, in part, upon performance in order to create an environment that rewards performance.
- Provide a total executive compensation package that enables the Company to attract and retain appropriate executives.

The Compensation Committee periodically reviews information relating to comparable companies in order to establish general guidelines for executive officer compensation. In addition, the Compensation Committee has retained an independent compensation consultant to review the competitiveness of the executive compensation program in relation to other comparable companies, including those in the peer group set forth under the heading "STOCK PERFORMANCE GRAPH."

The principal elements of the compensation program for executive officers, including Mr. Thomas, the Chief Executive Officer of the Company, are summarized below.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

BASE SALARY

Base salary levels are set based upon the requirements of the executive's employment agreement with the Company, competitive market conditions and the executive's job performance. In determining the 2004 base salary increases for Mr. Thomas and the other executive officers of the Company, the Compensation Committee considered several factors, including the executive's responsibilities, duties, performance and experience, as well as base salaries for executives holding similar positions at comparable companies, but no specific weights were placed on any of these factors.

For 2004, Mr. Thomas received a base salary of \$418,000, representing a 2.8% increase in his base salary from 2003. Under his employment agreement with the Company, Mr. Thomas is to receive a base salary of not less than \$400,000 per year.

SHORT TERM INCENTIVE PLAN

The Company maintains the Short Term Incentive Plan to focus the efforts of its executive officers on the short term performance of the Company. Each year, the Compensation Committee sets

18

performance standards that must be satisfied for an award to be made under the Short Term Incentive Plan and corresponding award rates. Awards under the Short Term Incentive Plan are payable in cash. For 2004, the performance factors for Mr. Thomas were based on the Company's (i) sales, (ii) cash flow, and (iii) net earnings.

In 2004, Mr. Thomas earned an award of \$38,099 under the Short Term Incentive Plan.

LONG TERM INCENTIVE PLAN

The Company maintains the Long Term Incentive Plan to focus the efforts of its executive officers on the long term performance of the Company. Each year, the Compensation Committee sets performance standards that must be satisfied for an award to be made under the Long Term Incentive Plan and corresponding award rates. For the three-year performance period ended December 31, 2004, performance factors for Mr. Thomas were based on the Company's (i) sales, (ii) cash flow, (iii) net earnings, (iv) return on equity compared to the average return on equity for the Company's peer group and (v) reduction in bank debt. Awards under the Long Term Incentive Plan are paid 50% in a single lump sum cash amount and 50% in options to acquire shares of the Company's common stock. Stock options awarded under the Long Term Incentive Plan are subject to the provisions of the 1992 Stock Option Plan.

Mr. Thomas earned a Long Term Incentive Plan award of \$179,883 attributable to the 2002-2004 performance period, with 50% of the award paid in a cash sum of \$89,941 and 50% paid in the form of a stock option grant of 17,705 shares of the Company's common stock valued under the Black-Scholes option pricing model.

STOCK PERFORMANCE GRAPH

The graph set forth below compares the five-year cumulative total stockholder return of the Company's common stock with the cumulative total stockholder return of (i) the Russell 2000(R) Index, (ii) the NYSE Market Index and (iii) an industry peer group index compiled by the Company that consists of several companies. The graph assumes \$100 was invested on January 1, 2000 in the Company's common stock, the NYSE Market Index, the Russell 2000(R) Index and the peer group index and assumes the reinvestment of dividends, if any.

The Company has determined to use the Russell 2000(R) Index rather than the NYSE Market Index for its stock performance graph because shares of the Company's common stock are no longer traded on the New York Stock Exchange.

ANNUAL REPORT AND PROXY STATEMENT
