**CNH Global Board Recommends Annual Dividend**

LAKE FOREST, Illinois (February 27, 2006) The Board of Directors of CNH Global N.V. (NYSE:CNH) has recommended a dividend of \$0.25 per common share for the year 2005. Payment of the dividend is subject to approval at the Annual General Meeting of shareholders, which will be held on April 7, 2006 at the company's registered offices in Amsterdam, the Netherlands.

If approved the dividend will be payable on May 5, 2006 to shareholders of record at the close of business on April 28, 2006.

The CNH Board of Directors has also recommended a dividend on the Series A Preferred Stock in compliance with its terms. Such dividend is computed based on the prevailing common share dividend yield, which is calculated using the average dividend yield of the common shares for the 30 trading days prior to the date the shareholders approve the dividend on the common shares. The average dividend yield of the common shares means the amount of dividend per share of the common shares declared by the shareholders divided by the average of the closing price per share of the common shares on the New York Stock Exchange for each of the 30 consecutive trading days prior to the date the shareholders approve the common share dividend.

If such calculation were to be made for the 30 days prior to the date of this press release, the total amount payable on all Series A preferred stock would be US\$25,471,000. The actual amount payable will be determined on the date of the Annual General Meeting and may be different from the amount calculated above.
