Edgar Filing: RAINWIRE PARTNERS INC /DE/ - Form 10QSB

Note 1. Basis of Presentation

In the opinion of management, the accompanying unaudited consolidated condensed financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-QSB. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation of the Company's financial position as of September 30, 2002 and the consolidated results of its operations and cash flows for the nine months ended September 30, 2002 and 2001. Operating results for the nine months ended September 30, 2002 are not necessarily indicative of the results that may be expected for the year ended December 31, 2002.

These condensed financial statements should be read in conjunction with the financial statements and notes thereto contained in the Company's Form 10-KSB for the year ended December 31, 2001.

Item 2. Management's Discussion And Analysis Of Financial Condition And Results Of Operations.

This 10-QSB contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which are intended to be covered by the safe harbors created thereby. Investors are cautioned that certain statements in this 10-QSB are "forward looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and involve known and unknown risks, uncertainties and other factors. Such uncertainties and risks include, among others, certain risks associated with government regulation, and general economic and business conditions. Actual events, circumstances, effects and results may be materially different from the results, performance or achievements expressed or implied by the forward-looking statements. Consequently, the forward-looking statements contained herein should not be regarded as representations by the Company or any other person that the projected outcomes can or will be achieved.

The following discussion and analysis should be read in conjunction with the Consolidated Financial Statements and Notes thereto, appearing elsewhere in this Form 10-QSB.

A. Results of Operations.

Third quarter of 2002 compared to third quarter of 2001.

5

There were no earned revenues in either quarter as the Company had discontinued all operations since January 1, 2000. The minor amount of expenses incurred in the current quarter were charged to the accrued estimated losses already provided as of December 31, 2000 for such anticipated amounts. These expense items were paid from advances received from Oasis Group, Inc. ("Oasis"). The Company had previously entered into a Share Exchange Agreement with Oasis, which was terminated on September 25, 2002. There was no cash activity for the comparable quarter in 2001.

Edgar Filing: RAINWIRE PARTNERS INC /DE/ - Form 10QSB

Nine months of 2002 compared to the same period a year ago.

There were no earned revenues in either period for the reason stated above. The minor amount of expenses incurred in both periods were charged to the accrued estimated losses already provided as of December, 31, 2000 for such anticipated amounts. All remaining assets of the Company were liquidated during the first quarter of 2001 with proceeds used to reduce outstanding indebtedness recorded as of December 31, 2000.

B. Financial Condition.

The Company is solely dependent on advances from related parties to continue in existence as the Company is in a negative financial position, has discontinued its operations as of December 31, 2000 and has substantial past due obligations and commitments. Its audited financial statements disclose a "going concern" paragraph in its most recent audited financial statements and nothing has changed that circumstance to date. The Company has no employees or facilities.

C. Plan of Operations.

For the near term, the Company is financially dependent on its shareholders, related parties and /or management, who have financed its existence to date. As a result of the termination of the Share Exchange Agreement with Oasis, the Company is currently seeking a suitable acquisition or merger candidate but has had no discussions with any potential candidate since the termination of the Share Exchange Agreement.

Item 3. Controls and Procedures

(a) Evaluation of disclosure controls and procedures. Within 90 days before filing this report, the Company evaluated the effectiveness of the design and operation of its disclosure controls and procedures. The Company's disclosure controls and procedures are the controls and other procedures that the Company has designed to ensure that it records, processes, summarizes and reports in a timely manner the information the Company must disclose in its reports filed under the Securities Exchange Act. Lyne Marchessault, President and Peggy A. Evans, Chief Financial Officer, reviewed and participated in this evaluation. Base on this evaluation, Ms. Marchessault and Ms. Evans concluded that, as of the date of their evaluation, the Company's disclosure controls and procedures were effective.

6

(b) Internal controls. Since the date of the evaluation described above, there have not been any significant changes in the Company's internal controls or in other factors that could significantly affect those controls, including any corrective actions with regard to significant deficiencies an material weakness.

PART II OTHER INFORMATION

Item 1. Legal Proceedings

No material change.

Item 2. Changes in Securities and Use of Proceeds

Edgar Filing: RAINWIRE PARTNERS INC /DE/ - Form 10QSB

None

Item 3. Defaults Upon Senior Securities

Under the terms of our Series D Preferred Stock, if the Company shall fail to pay a dividend to the holders of the Series D for two consecutive quarters, the Series D shall be convertible into fifty million (50,000,000) shares of the common stock of the Company so long as such dividends remain unpaid. As of the date of the filing of this Quarterly Report, the Company has failed to pay a dividend for two consecutive quarters and the conversion feature has been triggered, although the holder has not converted the preferred stock. As of the date of the filing of this Quarterly Report, the Company does not have a sufficient number of authorized but unissued shares available to effect such a conversion; however, after the Company files its Amendment to its Certificate of Incorporation (as discussed in Item 4), the Company will have a sufficient number of shares to effect the conversion if the holder so elects.

Item 4. Submission of Matters to a Vote of Security Holders

On October 10, 2002, Rainwire's Board of Directors unanimously approved an Amendment to Rainwire's Certificate of Incorporation that increases the number of authorized shares from 20,000,000 to 300,000,000 shares of common stock, par value \$.001, and increases the number of authorized shares from 2,500,000 to 30,000,000 shares of preferred stock, par value \$.001. The amendment was approved by a majority of Rainwire's stockholders by written consent on October 18, 2002.

On October 11, 2002, Rainwire filed a Preliminary Information Statement on Schedule 14C in connection with the proposed amendment to its Certificate of Incorporation. Rainwire filed the Definitive Information Statement on Schedule 14C on November 12, 2002. The amendment will become effective upon the expiration of certain waiting periods mandated by Regulation 14A and 14C of the Securities Exchange Act of 1934, as amended, and upon the filing of the Certificate of Amendment with the Secretary of State of the State of Delaware, which is expected to occur on or about December 5, 2002.

7

Item 5. Other Information

On September 25, 2002, the Company terminated the Amended and Restated Plan and Agreement to Exchange Stock with Oasis Group, Inc. ("Oasis") dated as of December 19, 2001 (the "Share Exchange Agreement"), whereby Oasis would have become a wholly owned subsidiary. In addition, on September 25, 2002, the Company withdrew its Registration Statement on Form S-4 in connection with the Share Exchange (the "Registration Statement").

Item 6. Exhibits and Reports on Form 8-K.
