ANNUAL MEETING OF SHAREHOLDERS

May 19, 2004

PROXY STATEMENT

This Proxy Statement is furnished to shareholders of Allied Holdings, Inc. (the Company) in connection with the solicitation by the Board of Directors of proxies to be used at the annual meeting of shareholders of the Company to be held on May 19, 2004 at 10:00 a.m., local time, at the corporate offices of the Company, 160 Clairemont Avenue, 3rd Floor Conference Room, Decatur, Georgia 30030, and any adjournments thereof.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation of shareholders of record by mail, telephone, or personal contact, arrangements will be made with brokerage houses to furnish proxy materials to their principals, and the Company will reimburse them for their mailing expenses. Custodians and fiduciaries will be supplied with proxy materials to forward to beneficial owners of the Common Stock of the Company. No remuneration will be paid directly or indirectly for the solicitation of proxies.

An annual report to the shareholders, including financial statements for the year ended December 31, 2003, is enclosed with this Proxy Statement. This Proxy Statement and the accompanying materials are first being mailed to shareholders on or about April 20, 2004.

VOTING AND OUTSTANDING STOCK

At the close of business on the record date, March 31, 2004, the Company had outstanding and entitled to vote at the annual meeting 8,848,423 shares of Common Stock. Each share of Common Stock is entitled to one vote. For each proposal to be considered at the annual meeting, the holders of a majority of the outstanding shares of stock entitled to vote on such matter at the meeting, present in person or by proxy, shall constitute a quorum. Abstentions and broker non-votes will be treated as present for purposes of determining a quorum. Broker non-votes are votes that brokers holding shares of record for their customers (i.e., in street name) are not permitted to cast under applicable stock exchange regulations because the brokers have not received instructions (or have received incomplete instructions) from their customers as to certain proposals and as to which the brokers have advised the Company that they lack voting authority. Under current New York Stock Exchange and American Stock Exchange rules, brokers would have discretionary voting power for the election of directors (Proposal 1), but not for the Long-Term Incentive Plan proposal (Proposal 2).

With regard to the election of directors, votes may be cast for the nominees or may be withheld. The election of directors requires the affirmative vote of a plurality of the votes cast by shares entitled to vote at the annual meeting. Votes that are withheld and broker non-votes will have no effect on the election of directors.

With regard to the proposals to be considered at the annual meeting other than for the election of directors, votes may be cast for or against each of the proposals, or shareholders may abstain from voting on each of the proposals. The approval of each of these proposals requires the affirmative vote of a majority of the votes cast at the meeting in person or by proxy and entitled to vote on such proposals. Provided that the total votes cast represent greater than 50% of the Company's outstanding shares of Common Stock, abstentions and broker non-votes will have no effect on the outcome of such proposals. Because the stock exchanges have historically taken the position that a broker non-vote is not a vote cast, the failure to submit a proxy card or vote in person or the abstention from voting or the failure to give a broker instructions for how to vote on the

Table of Contents

Long-Term Incentive Plan (Proposal 2) could, depending on the number of votes cast, have the same effect as a vote against the proposal.

You may vote in person at the annual meeting or by proxy. Whether or not you expect to be present at the annual meeting, please vote by proxy promptly. To vote by proxy, you may select one of the following options:

Vote by Telephone. You can vote your shares by telephone by calling the toll-free telephone number (at no cost to you) shown on your proxy card. Telephone voting is available 24 hours-a-day, seven days-a-week. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. Our telephone voting procedures are designed to authenticate the shareholder by using individual control numbers. Proxies granted by telephone using these procedures are valid under Georgia law. You can also consent to view future proxy statements and annual reports on the Internet instead of receiving them in the mail. If you vote by telephone, you do NOT need to return your proxy card.

Vote by Internet. You can also choose to vote on the Internet. The web site for Internet voting is shown on your proxy card. Internet voting is available 24 hours-a-day, seven days-a-week. You will be given the opportunity to confirm that your instructions have been properly recorded. Proxies granted over the Internet using these procedures are valid under Georgia law. If you vote on the Internet, you do NOT need to return your proxy card.

Vote by Mail. If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided. Please do so as soon as possible so that your shares may be represented at the annual meeting. If you wish to view future proxy statements and annual reports on the Internet, check the box provided on the card.

Revocation of Proxy. If you vote by proxy, you may revoke that proxy at any time before it is voted at the annual meeting. You may do this by: (i) voting again by telephone or on the Internet prior to the meeting; (ii) signing another proxy card with a later date and returning it to us prior to the meeting; or (iii) attending the meeting in person and casting a ballot.

If you sign the proxy card or submit your vote by Internet or by telephone but do not specify how you want your shares to be voted, your shares will be voted FOR each nominee listed in Proposal 1 and FOR Proposal 2. The persons named in the enclosed proxy card and acting thereunder will have discretion to vote on any other matter that may properly come before the annual meeting in accordance with their best judgment.

PROPOSAL 1.

Other Information About the Board and Its Committees

All directors have served continuously since their first election or appointment. Robert J. Rutland and Guy W. Rutland, III are brothers. Guy W. Rutland, IV is the son of Guy W. Rutland, III. The Board of Directors held fourteen meetings during 2003. Each director attended at least 75% of the meetings of the Board of Directors and the meetings of committees of which he was a member. The Board of Directors has two standing committees, the Audit Committee and the Compensation and Nominating Committee. In accordance with applicable American Stock Exchange and Securities and Exchange Commission (SEC) requirements, the Board of Directors has determined that each director serving on the Audit Committee and Compensation and Nominating Committee is an independent director.

The Company encourages shareholder communication with the Board of Directors. Any shareholder who wishes to communicate with the Board of Directors or with any particular director, including any independent director, may send such correspondence to Thomas M. Duffy, Secretary, Allied Holdings, Inc., 160 Clairemont Avenue, Decatur, Georgia 30030. Such correspondence should indicate that you are a shareholder of the Company and clearly specify that it is intended to be forwarded to the entire Board of Directors or to one or more particular directors. Mr. Duffy will forward all correspondence satisfying such criteria.

The Board of Directors has adopted a policy that all directors on the Board of Directors are expected to attend annual meetings of the Company's shareholders and be available for questions from shareholders, except in the case of unavoidable conflicts. All of the directors on the Board of Directors attended the Company's previous annual meeting of shareholders held in June 2003.

Table of Contents

Certain information regarding the function of the Board's committees, their present membership, and the number of meetings held by each committee during 2003 is presented below.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the Company's financial matters. The Board of Directors of the Company has adopted a written charter for the Audit Committee, a copy of which is attached to this Proxy Statement as Appendix A and has been filed with the SEC as an exhibit to the Company's annual report on Form 10-K. Under the charter, the Audit Committee's principal responsibilities include hiring the Company's independent auditors; reviewing the plans and results of the audit engagement with the independent auditors; inquiring as to the adequacy of the Company's internal accounting controls; monitoring the compliance with material policies and laws, including the Company's code of conduct; and reviewing the Company's financial statements, reports and releases.

The Audit Committee oversees the Company's Code of Conduct, which applies to all of the Company's directors, executive officers and non-bargaining unit employees. The Code of Conduct has been filed as an exhibit to the Company's annual report on Form 10-K.

The members of our Audit Committee are David G. Bannister, William P. Benton, Robert R. Woodson and Thomas E. Boland, with Mr. Bannister serving as the Chairman. The Board has determined that Messrs. Bannister, Boland and Woodson each qualifies as an audit committee financial expert as that term is defined by the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002. During 2003, the Audit Committee held ten meetings.

REPORT OF THE AUDIT COMMITTEE

April 7, 2004

To the Board of Directors of Allied Holdings, Inc.:

In performing our functions, we act only in an oversight capacity. Our committee and the Board of Directors recognize that management and the independent auditors have more resources and time, and more detailed knowledge and information regarding the Company's accounting, auditing, internal control and financial reporting practices than does our committee. In its oversight role, our committee relies on the work and assurances of the Company's management, which is responsible for the preparation, presentation and integrity of the Company's financial statements and reports, financial reporting process and internal controls, and of the independent auditors, who are responsible for auditing the Company's annual financial statements and, in their report, express an opinion as to the conformity of such annual financial statements to generally accepted accounting principles.

In this context, we met and held discussions with management and the independent auditors. Management represented to us that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and we have reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2003.

We have discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from KPMG LLP required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and have discussed with KPMG LLP the accountants' independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the SEC.

The foregoing report has been furnished by the Audit Committee of Allied Holdings' Board of Directors.

David G. Bannister, Chairman William P. Benton Robert R. Woodson Thomas E. Boland
The foregoing report of the Audit Committee shall not be deemed to be incorporated by reference in any previous or future documents filed by the Company with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates the Report by reference in any such document.

Compensation and Nominating Committee

The Compensation and Nominating Committee periodically reviews the compensation and other benefits provided to officers of the Company. The Board of Directors of the Company has adopted a written charter for the Compensation and Nominating Committee, a copy of which is attached to this Proxy Statement as Appendix B and has been filed as an exhibit to the Company's annual report on Form 10-K. Under the charter, the Compensation and Nominating Committee may establish compensation for the officers of the Company and approve employment agreements with the officers of the Company. The Compensation and Nominating Committee may also recommend to the Board of Directors changes to the Company's total compensation philosophy. In addition, the Compensation and Nominating Committee reviews the qualifications of all persons recommended to serve on the Board of Directors and makes recommendations to the Board of Directors regarding such persons.

Table of Contents

With respect to the Compensation and Nominating Committee's evaluation of director nominee candidates, the committee has no formal requirements or minimum standards for the individuals that it nominates. Rather, the Compensation and Nominating Committee considers each candidate on his or her own merits. However, in evaluating candidates, there are a number of factors that the committee generally views as relevant and is likely to consider. Some of these factors include the candidates :

professional experience, particularly experience that is germane to the Company's business, such as healthcare services, legal, human resources, finance, marketing, and regulatory experience;

whether the candidate is an audit committee financial expert (as defined by the SEC);

experience in serving on other boards of directors or in the senior management of companies that have faced issues generally of the level of sophistication that the Company faces;

contribution to diversity on the Board of Directors;

integrity and reputation;

ability to work collegially with others;

other obligations and time commitments and the ability to attend meetings in person; and

current membership on the Company's Board of Directors (our Board values continuity (but not entrenchment).

The Compensation and Nominating Committee does not assign a particular weight to the individual factors. Similarly, the committee does not expect to see all (or even more than a few) of these factors in any individual candidate. Rather, the Compensation and Nominating Committee looks for a mix of factors that, when considered along with the experience and credentials of the other candidates and existing Board members, will provide shareholders with a diverse and experienced board of directors. With respect to the identification of nominee candidates, the Compensation and Nominating Committee has not developed a formalized process. Instead, its members and the Company's senior management have recommended candidates whom they are aware of personally or by reputation. The Company historically has not utilized a recruiting firm to assist in the process but could do so in the future.

The Compensation and Nominating Committee welcomes recommendations from shareholders and evaluates shareholder nominees in the same manner that it evaluates a candidate recommended by other means. In order to make a recommendation, the Compensation and Nominating Committee asks that a shareholder send the committee:

a resume for the candidate detailing the candidate's work experience and academic credentials;

written confirmation from the candidate that he or she (1) would like to be considered as a candidate and would serve if nominated and elected, (2) consents to the disclosure of his or her name, (3) has read the Company's Code of Conduct and that during the prior three years has not engaged in any conduct that, had he or she been a director, would have violated the Code or required a waiver, (4) is, or is not, independent (as that term is defined in the American Stock Exchange Corporate Governance rules, and (5) has no plans to change or influence the control of the Company;

the name of the recommending shareholder as it appears in the Company's books, the number of shares of Common Stock that are owned by the shareholder and written confirmation that the shareholder consents to the disclosure of his or her name. (If the recommending person is not a shareholder of record, he or she should provide proof of share ownership);

personal and professional references, including contact information; and

any other information relating to the candidate required to be disclosed in a proxy statement for election of directors under Regulation 14A of the Securities Exchange Act of 1934.

The foregoing information should be sent to the Compensation and Nominating Committee, c/o Thomas M. Duffy, who will forward it to the chairperson of the committee. The committee does not necessarily

respond directly to a submitting shareholder regarding recommendations. Also, the Company's Bylaws provide that shareholders may directly nominate directors for consideration at any annual meeting of shareholders. To nominate a candidate for election, a shareholder must follow the procedures set forth in the Company's Bylaws. These procedures are summarized under the heading "Shareholder Proposals at the Company's Next Annual Meeting of Shareholders" in this Proxy Statement.

The members of the Compensation and Nominating Committee are David G. Bannister, Robert R. Woodson, William P. Benton and J. Leland Strange, with Mr. Benton serving as the Chairman. During 2003, the Compensation and Nominating Committee held five meetings.

Compensation of Directors

For the year ended December 31, 2003, each director of the Company who was not also an employee received an annual fee of \$25,000 and a fee of \$1,500 for each meeting of the Board or any of its committees attended, plus reimbursement of expenses for attending meetings. An additional fee of \$5,000 was paid to the chairman of each committee of the Board.

EXECUTIVE COMPENSATION

Compensation and Nominating Committee Report on Executive Compensation

The Compensation and Nominating Committee of the Board, which was formed in December 1993, reviews, establishes, administers and monitors the Company's executive compensation plans, policies and programs as one of its principal functions.

Executive Compensation Components

The executive compensation philosophy of the Company is to link compensation with enhancement of shareholder value and retain executive talent the Company considers important for its long-term success. The Company's executive compensation is based on the following three principal components, each of which is intended to support the overall compensation philosophy.

Incentive Compensation. For 2003, the Compensation and Nominating Committee awarded incentive compensation for certain of the named executive officers utilizing criteria related to the implementation and achievement of the Company's turnaround plan. The Compensation and Nominating Committee determined that incentive compensation should be based on results measured against the value driver metrics that were established by the Company during 2003.

The criteria related to the implementation and achievement of the Company's turnaround plan and used by the Compensation and Nominating Committee included, but was not limited to, renewal of collective bargaining agreements, customer management and retention, the elimination of nonperforming assets and expenses, deleveraging activities, improved cash management, execution in the Company's core business units, refinancing activities, and the renewal of the Company's primary insurance arrangements. The Compensation and Nominating Committee reviewed factors such as the achievements of the Company which were directly and specifically linked to executive officers individual performance in connection with the revitalization initiatives adopted by the Company during 2003 in determining the amount of incentive compensation paid to executive officers.

Based upon criteria utilized by the Compensation and Nominating Committee as defined by the Company's turnaround initiatives, the Company paid bonuses to executive officers for 2003 as follows: Mr. Sawyer was paid a bonus of \$275,000; Robert J. Rutland was paid a bonus of \$123,060; Mr. Duffy was paid a bonus of \$150,000; Mr. Rawden was paid a bonus of \$100,000; and Mr. Chambers was paid a bonus of \$102,000.

Base Salary. Base salary amounts for each of the named executive officers are specified in their employment agreements. The Committee believes these base salary amounts are appropriate given the need of the Company to attract and retain qualified executives, and are competitive with those paid to executives of other leading companies engaged in the transportation, logistics and trucking industries, and turnaround management.

Table of Contents

Stock Compensation. Executive officers are eligible to receive annual grants of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, performance units and performance shares under the Company's Amended and Restated Long-Term Incentive Plan (the LTI Plan). During 2003, the Compensation and Nominating Committee awarded stock options to various officers, including certain of the named executive officers, pursuant to the LTI Plan. The Company issued 250 shares of restricted stock in 2003 to each full time non-bargaining employee in the United States other than those at the level of Senior Vice President or above. None of the executive officers were issued restricted stock in 2003. The Compensation and Nominating Committee believes that stock options assist the Company in the long-term retention of its executives and serve to align the interests of the executives with the shareholders by increasing their ownership stake in the Company.

CEO Compensation

The Compensation and Nominating Committee believes that Hugh E. Sawyer's compensation as Chief Executive Officer for the year ended December 31, 2003 was appropriately related to the short and long-term performance of the Company. Mr. Sawyer's base salary in 2003 was \$555,000 as provided by his employment agreement and was reduced by \$53,063 due to the effect of five weeks of unpaid furlough taken in 2003 pursuant to a Company initiative. Mr. Sawyer was paid a bonus for the year ended December 31, 2003 of \$275,000 based upon criteria utilized by the Compensation and Nominating Committee as defined by the Company's turnaround initiatives. The Compensation and Nominating Committee believes that the base salary and benefits provided by Mr. Sawyer's employment agreement provide for appropriate compensation to Mr. Sawyer in light of the Company's goal of attracting and retaining a qualified chief executive, and considers the compensation received by Mr. Sawyer for 2003 to have been comparable to chief executive officers of other leading companies engaged in the transportation, logistics and trucking industries or companies engaged in revitalization efforts.

officers with the Company. The agreements are between the Company and certain trusts established for the benefit of the executive officers and directors. The Company paid the premiums on the split dollar insurance agreements for Messrs. Berner F. Wilson, Guy W. Rutland III, Guy W. Rutland, IV and Robert J. Rutland until the enactment of the Sarbanes-Oxley Act of 2002 on June 30, 2002, at which time such Company payments were discontinued. Under certain circumstances, the Company will receive back the aggregate of the premiums paid by it or the cash surrender value of the policies, whichever is smaller. However, pursuant to the terms of the split dollar insurance agreements, the trustees representing the trusts for the benefit of the executive officers and directors have been utilizing the cash surrender value to pay the annual premiums due under the insurance policy, which may result in a reduction of the amount of potential recovery from the Company's interest in the policy.

The following table sets forth the annual amount of premiums payable on these policies for each of these agreements as of December 31, 2003:

PROPOSAL 2.

APPROVAL OF AMENDED AND RESTATED LONG-TERM INCENTIVE PLAN

The shareholders are being asked to vote on a proposal to approve the Amended and Restated Long-Term Incentive Plan (the LTI Plan), including an amendment to increase the number of authorized shares of Common Stock which may be issued under the LTI Plan by an additional 150,000 shares. The LTI Plan is intended to provide additional incentives to the officers, key employees and directors of the Company and its subsidiaries and affiliates whose contributions are substantial and essential to the continued growth and success of the business of the Company. The LTI Plan is also intended to motivate eligible officers, employees and directors to perform their responsibilities in the best interests of the Company and to attract and retain competent, qualified and dedicated persons whose efforts will result in the long-term growth and profitability of the Company.

Table of Contents

The Long-Term Incentive Plan was adopted by the Board of Directors and the shareholders in 1993. The Board of Directors amended and restated the Long-Term Incentive Plan in 2001, including an amendment to extend its expiration date to 2010. On March 12, 2002, the Board of Directors approved an amendment to the Long-Term Incentive Plan to increase the number of shares issuable thereunder from 1,500,000 to 2,000,000, which amendment was approved by the shareholders on May 22, 2002. On March 25, 2004, the Board of Directors further amended and restated the Long-Term Incentive Plan to increase the number of shares issuable thereunder to 2,150,000 and to incorporate such additional changes to the LTI Plan as described herein, subject to shareholder approval of the LTI Plan, as amended.

As a result, the LTI Plan currently provides that 2,150,000 shares of the Common Stock of the Company may be issued pursuant to the various components of the LTI Plan, subject to adjustments in the event of any stock split, exchange, reclassification or other change in the shares of Common Stock. As of March 31, 2004, the Company had issued options and other grants providing the recipients with the right to acquire 1,733,134 shares of the Common Stock of the Company. Approximately 952 employees are eligible to participate in the LTI Plan.

The Board of Directors has determined that it is in the best interests of the Company to amend and restate the Long-Term Incentive Plan in order to provide that an additional 150,000 shares of the Common Stock may be issued pursuant to the LTI Plan and to make other changes in order to further the purposes of the LTI Plan. The additional shares represent approximately 1.7% of the Common Stock issued and outstanding as of March 31, 2004.

Principal Features of the LTI Plan

The following is a summary of the principal features of the LTI Plan, as recently amended and restated. The summary, however, does not purport to be a complete description of all the provisions of the LTI Plan and is qualified in its entirety by the full text of the LTI Plan which is attached to this Proxy Statement as Appendix C.

Types of Awards

The LTI Plan provides for granting of five types of awards on a stand alone, combination, or tandem basis. Under the LTI Plan, the Company may grant non-qualified stock options, incentive stock options, restricted stock, stock appreciation rights, and performance awards.

Administration

The terms of the LTI Plan require administration by the Board of Directors or a committee appointed by the Board of Directors. Currently, the Compensation and Nominating Committee (the Committee) administers the LTI Plan. The Committee is authorized to, among other things,

determine the participants who will be granted options and other awards under the LTI Plan;

determine the terms and conditions of each participant's award agreement;

establish the exercise price and other provisions of each option award;

state the time and transfer restrictions for each award of restricted shares;

establish performance goals and performance periods and maximum values applicable to performance awards;

construe and interpret the LTI Plan and awards granted thereunder; and

perform all such acts it deems necessary or advisable to administer the LTI Plan.

Table of Contents

Eligibility

All officers or other key employees of the Company or its subsidiaries who are designated by the Committee are eligible to participate in the LTI Plan. Directors who are not employees are also entitled to participate in the LTI Plan.

Limitations on Transfer

No option or award granted under the LTI Plan may be transferred by an optionee or grantee except by will or by the laws of descent and distribution. Restricted shares are not transferable until the restriction period expires.

Termination and Amendment

The Board of Directors may at any time terminate the LTI Plan and may at any time amend or modify the LTI Plan in any respect, except as provided below. No amendment, modification, or termination of any option or award thereunder may in any manner adversely affect the rights of any participant without the consent of the participant. Additionally, the Board may not, without the approval of the Company's shareholders,

increase the number of shares authorized for issuance under the LTI Plan; or

affect any other change that requires the approval of the shareholders under applicable law or regulation.

Unless terminated sooner by action of the Board of Directors, the LTI Plan shall terminate on March 24, 2014. Options and awards outstanding upon termination of the LTI Plan shall continue in effect in accordance with their terms.

Adjustments

The limitations with respect to the number of shares that may be granted pursuant to awards under the LTI Plan are subject to adjustment by the Committee in the event of a stock split, stock or other dividend, combination or exchange of shares, exchange for other securities, reclassification, recapitalization, reorganization, merger, consolidation, spin-off, split-up, public offering, private placement or other similar change in the Company's shares.

Change In Control

If a change in control occurs as determined under the LTI Plan, the following will occur with respect to all awards outstanding under the LTI Plan:

Participants shall receive a pro rata portion of the cash that would have been payable pursuant to any performance awards during the applicable performance period as if the performance goals were achieved and shall receive cash payments equal to their account balances in the performance sharing bank established pursuant to the LTI Plan;

Any performance goals to which performance shares are subject will be deemed satisfied and all performance shares shall convert to restricted stock;

All restrictions on any shares of restricted stock, including restricted shares attributable to performance shares, shall immediately lapse and all such shares shall immediately vest;

All other awards (including options and stock appreciation rights) granted under the LTI Plan will become immediately exercisable or vested, and options may be surrendered to the Company in exchange for a cash payment equal to the excess of the value of the share subject to the option over the exercise price; and

Table of Contents

In the event a participant may be subject to liability under Section 16(b) of the Securities Exchange Act of 1934, as amended, for options or awards granted less than six months prior to a change in control, the participant's options may be surrendered and his or her awards exercised during the 60 day period after the date that is six months from the date of grant.

For purposes of the LTI Plan, a change in control refers to the acquisition by any person of beneficial ownership of 20% or more of the Company's outstanding voting securities, a change in composition of two-thirds of the Board of Directors without a vote of the incumbent board, shareholder approval of a merger or consolidation following which the Company's shareholders do not own more than 70% of the combined entity, or the liquidation or dissolution of the Company.

Stock Options

A stock option award grants to the optionee the right to buy a specified number of shares of Common Stock of the Company at a fixed price during a specified time, and subject to other terms and conditions as the Committee may determine. Incentive stock options are intended to be treated as such within the meaning of Section 422 of the Code. All stock options that do not qualify as incentive stock options are non-qualified stock options and do not have the special income tax advantages associated with incentive stock options. No more than 1,000,000 shares of Common Stock of the Company may be issued or transferred to an eligible employee in any calendar year pursuant to the grant of any combination of stock option awards and stock appreciation rights.

Exercise Price. The exercise price of all options is determined by the Committee at the time of grant, but the exercise price of any stock option may not be less than 100% of the fair market value of the underlying stock on the date of grant, or 110% in the case of an incentive stock option granted to a holder of 10% or more of the Company's voting stock.

Exercise. Each option may be exercised in whole, at any time, or in part, from time to time, within the period for exercise set forth in the related option agreement. No option is exercisable more than ten (10) years after the date of grant (or five (5) years in the case of an incentive stock option granted to a holder of 10% or more of the Company's voting stock). Each option becomes exercisable in such installments and at such times as may be designated by the Committee and set forth in the applicable agreement. The exercise price is payable at the Committee's discretion as follows:

in cash;

by check;

in shares of common stock of the same class of stock that is being purchased; or

by a combination of cash and stock.

Restricted Shares

A grant of restricted shares under the LTI Plan is an award of shares of Common Stock of the Company that are subject to restrictions on transfer, or on other incidents of ownership, for the periods of time as the Committee may determine. A stock certificate is delivered to the recipient upon the lapse of the restrictions. During the period of restriction, the beneficial owner of the restricted shares cannot transfer those shares. The Committee may determine the right of a beneficial owner to vote his restricted shares and to retain cash dividends that may be paid on such shares during the time of the restriction.

Performance Awards

A performance award is a right granted to an employee to receive cash or restricted shares of Common Stock of the Company. This compensation is based on the satisfaction of performance goals during the applicable performance period. The Committee determines the performance period and performance goals. The Committee bases the performance goals on one or more objective factors, including increases in earnings per share, pre-tax profits, net earnings or net worth, return on equity or assets, or any combination of the

Table of Contents

foregoing. These performance goals may be different for individual participants and may be based, in whole or in part, on the performance of a division, department, line of business or subsidiary of the Company or the performance of the Company as a whole. In no event shall an employee's combined vested restricted shares resulting from performance share awards and cash awards payable from the performance sharing bank for any calendar year exceed \$1 million and any excess amount shall be carried forward to the next calendar year for payment.

Performance Shares. The Committee may grant awards of performance shares, which shall be payable as restricted shares if the performance goals for the applicable performance period are satisfied. Generally, to be entitled to receive performance shares, an employee must remain in the employment of the Company or its subsidiaries through the end of the performance period. Performance shares which become restricted shares pursuant to completion of a performance goal are subject to all rules of the LTI Plan for restricted shares. Agreements evidencing awards of performance shares may contain other restrictions and conditions determined by the Committee based on terms and conditions in addition to satisfaction of the performance goals.

Cash Award. The Committee may also grant cash awards payable from a performance sharing bank (i.e., a record of account maintained by the Company) if the performance goals for the applicable performance period are satisfied. After the end of a performance period, a cash award is added to the account of an employee in the performance sharing bank if the specific performance goals have been satisfied. In addition, as soon as administratively practicable after the last day of each performance period, the Company shall pay in cash to the employee one-third of the employee's account in the performance sharing bank, regardless of whether the performance goals for the current period are satisfied. The Committee may establish the terms and conditions applicable to a grant of cash awards upon the termination of the employee's employment. If a participant's employment is terminated during a performance period involuntarily without cause, or due to death or disability, and a cash award would have been paid to the participant's account if such employee had remained employed throughout the entire performance period, then the Company shall credit such employee's account with an amount equal to the amount which would have been credited had such employee been employed for the entire performance period, prorated to reflect the number of days actually employed.

Stock-Appreciation Rights

Stock appreciation rights, also known as SARs, may be granted in tandem with a stock option or may be unrelated to a stock option. SARs will vest and become exercisable at a rate determined by the Committee, and will remain exercisable for such period as specified by the Committee. In no event may a SAR that is unrelated to a stock option have a term greater than ten (10) years, and all SARs granted in tandem with an option will have a term equal to that of the option. SARs entitle holders to receive from the Company an amount equal to the excess of the fair market value of a share of common stock on the exercise of the SAR over the fair market value of a share of common stock on the date of grant. The Committee will determine in its sole discretion whether a SAR will be settled in cash, common stock or a combination thereof. No more than 1,000,000 shares of Common Stock of the Company may be issued or transferred to an eligible employee in any calendar year pursuant to the grant of any combination of stock option awards and stock appreciation rights.

Description of the Changes to the LTI Plan

Increase of Number of Shares

The LTI Plan that the shareholders are being asked to approve includes an increase in the number of shares of Company Common Stock available for issuance from 2,000,000 to 2,150,000. As of March 31, 2004, 395,499 shares of Common Stock have been issued under the LTI Plan and are included in the number of shares outstanding. In addition, there were 1,733,134 options outstanding and 10,367 shares were available for issuance under the LTI Plan at March 31, 2004. The total number of shares of Common Stock issuable pursuant to options outstanding at March 31, 2004, together with the number of shares of Common Stock

Table of Contents

issuable pursuant to options available for future grant, including the increase of 150,000 shares in March 2004, would equal approximately 21% of the Company's outstanding Common Stock as of March 31, 2004.

Termination Date

The LTI Plan that the shareholders are being asked to approve includes a change in the termination date from December 31, 2010 to March 24, 2014.

Maximum Number of Shares

The LTI Plan that the shareholders are being asked to approve adds a 1,000,000 limitation on the number of shares that may be issued to an eligible employee during a calendar year pursuant to an award of stock options or SARs or any combination thereof. Cancelled or repriced options or SARs count against this 1,000,000 calendar year limit.

No Partial Payment of Performance Awards

The LTI Plan that the shareholders are being asked to approve eliminates the Committee's ability to provide for partial payment of performance awards when the performance goals are not met.

Sarbanes-Oxley Act

The LTI Plan that the shareholders are being asked to approve provides that no loan may be made thereunder that would violate the Sarbanes-Oxley Act of 2002 or any other federal or state securities law or securities exchange rule.

United States Federal Income Tax Consequences of Grants under the LTI Plan

Nonqualified Stock Options

For federal income tax purposes, no income is recognized by a participant upon the grant of a nonqualified stock option under the LTI Plan. Upon the exercise of a nonqualified stock option, however, compensation taxable as ordinary income will be realized by the participant in an amount equal to the product of (a) the number of shares covered by the exercise, and (b) the excess of the fair market value of a share of Company Common Stock, on the date of such exercise, over the exercise price. A subsequent sale or exchange of such shares will result in gain or loss measured by the difference between: (i) the aggregate exercise price of such shares, increased by any compensation income included upon the participant's exercise of the option with respect to such shares, and (ii) the amount realized on such sale or exchange. Such gain or loss will be capital in nature if the shares were held as a capital asset. See "Maximum Capital Gains Rates" below.

The Company generally is entitled to a deduction (subject to the other deduction limitation provisions of the Code) for compensation paid to a participant at the same time and in the same amount as the participant is considered to have realized compensation by reason of the exercise of an option.

Incentive Stock Options

Generally, for federal income tax purposes, no income is recognized by the participant upon the grant or exercise of an incentive stock option. If shares of Company Common Stock are issued to a participant pursuant to the exercise of an incentive stock option granted under the LTI Plan, and no disqualifying disposition of such shares is made by such participant within two years after the date of grant of the option or within one year after the transfer of such shares to the participant, then (a) upon sale of such shares, any amount realized in excess of the option price will be taxed to such participant as a capital gain (see "Maximum Capital Gains Rates" below) and any loss sustained will be a capital loss, and (b) no deduction will be allowed to the Company for federal income tax purposes. Upon exercise of an incentive stock option, the participant may be subject to alternative minimum tax on certain items of tax preference.

Table of Contents

If shares of Company Common Stock, acquired upon the exercise of an incentive stock option are disposed of prior to the expiration of the two-years-from-grant/one-year-from-transfer holding period (i.e., a disqualifying disposition), generally (a) the participant will realize ordinary income in the year of disposition in the amount equal to the excess (if any) of the fair market value of the shares at exercise (or, if less, the amount realized on the disposition of the shares) over the option price thereof, and (b) the Company will be entitled to deduct such amount (subject to the other deduction limitation provisions of the Code). Any further gain or loss realized will be taxed as capital gain or loss, which will be taxed at rates which depend on how long such shares were held (see *Maximum Capital Gains Rates* below), and will not result in any deduction by the Company. If an incentive stock option is exercised at a time when it no longer qualifies as an incentive stock option, the option is treated as a nonqualified stock option.

Restricted Shares; Performance Awards

Awards of restricted shares generally will not result in taxable income to the employee for federal income tax purposes at the time of the grant. A recipient of restricted shares generally will receive compensation subject to tax at ordinary income rates on the fair market value of the shares at the time the restricted shares are no longer subject to forfeiture. However, a recipient who elects under Section 83(b) of the Code within 30 days of the date of the grant will have ordinary taxable income on the date of the grant equal to the fair market value of the restricted shares as if such shares were unrestricted and could be sold immediately. The recipient will not be required to include any additional compensation in income when the restrictions on such shares actually lapse. If the restricted shares subject to such election are forfeited, the transaction is treated as a sale or exchange and the recipient will be entitled to a loss equal to the excess of (1) the amount paid (if any) for the shares, over (2) the amount realized (if any) upon the forfeiture. To the extent the shares are a capital asset in the hands of the recipient, the loss is a capital loss. Upon sale of the restricted shares after the forfeiture period has expired and in the absence of such tax election, the recipient's holding period for purposes of calculating the tax on capital gains and losses begins when the restriction period expires, and the tax basis will be equal to the fair market value of the restricted shares on the date the restriction period expires. However, if the recipient timely elects to be taxed as of the date of the grant, the holding period commences on the date of the grant and the tax basis will be equal to the fair market value of the restricted shares on the date of the grant as if such shares were then unrestricted and could be sold immediately.

A performance award of restricted shares generally will not result in taxable income to the employee for federal income tax purposes at the time of grant. A recipient of such a performance award generally will be subject to tax at the same time and in the same manner as applicable to recipients of restricted shares as described above, except that the recipient will generally not be entitled to make a Section 83(b) tax election.

The Company is generally entitled to a deduction (subject to the deduction limitation provisions of the Code) for compensation paid to a participant in the same amount and at the same time as the participant is considered to have realized compensation with respect to restricted shares or a performance award.

Maximum Capital Gains Rates

Capital gains recognized by recipients generally will be subject to a maximum federal income tax rate of 15% if the shares sold or exchanged are held for more than 12 months.

Limits on Deductions

Under Section 162(m) of the Code, the amount of compensation paid to the Chief Executive Officer and the four other most highly paid executive officers of the Company in the year for which a deduction is claimed by the Company (including its subsidiaries) is limited to \$1 million per person, except that compensation that is performance-based will be excluded for purposes of calculating the amount of compensation subject to this \$1 million limitation. The ability of the Company to claim a deduction for compensation paid to any other executive officer or employee of the Company (including its subsidiaries) is not affected by this provision.

Awards under the LTI Plan for which the Company may otherwise claim a deduction will be subject to the limitations on deductibility in Section 162(m) of the Code. The Committee will take into account the

Table of Contents

deductibility of awards under Section 162(m) of the Code in determining the awards to be granted under the LTI Plan.

The following table illustrates estimated benefits under the LTI Plan. Awards under the LTI Plan are discretionary and are based on a variety of factors. Accordingly, future awards under the LTI Plan are not determinable at this time. However, the awards set forth in the following table represent awards granted under the LTI Plan during 2003 to certain individuals.

- (3) Consists of the Company's 2003 Stock Issuance Plan, which was implemented in connection with certain mandated unpaid furloughs to be taken by employees in 2003. The Company granted to each of its full time salaried employees in the United States, and agreed to grant to each of its full time salaried employees in Canada, who were employed as of June 30, 2003 (other than employees at the level of Senior Vice President or above or employees subject to a collective bargaining agreement or otherwise represented by any labor union), 250 shares of Common Stock of the Company. The shares granted to the U.S. employees vest one year from the date of grant and may not be sold or otherwise transferred prior to such date. Canadian participants have the right to receive the shares one year from the date of a stock agreement that provides for the terms and conditions related to the issuance of the shares. If a Change in Control occurs as determined under the Plan prior to the termination of employment of the participant with the Company, (i) all restrictions on the shares of restricted stock immediately lapse and all such shares immediately vest in the U.S. participant, and (ii) all rights under the 2003 Stock Agreement shall automatically be exchanged for shares of Common Stock, and such shares shall be immediately issuable to the Canadian participant. The Plan terminates immediately upon the issuance of restricted shares of Company Common Stock to each U.S. participant and issuance of shares of Company Common Stock to each Canadian participant, and in any event no later than December 31, 2004.

The Board of Directors of the Company recommends that the shareholders vote FOR the LTI Plan, including an increase in the number of shares of Common Stock reserved for issuance under the LTI Plan by 150,000 shares.

AUDIT COMMITTEE CHARTER

Purpose

The primary purpose of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") in its oversight of:

the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company,

the independent accountants their report on the financial reports of the Company, and

the adequacy of the system of internal controls and compliance with material policies and laws, including the Company's Code of Conduct;

The function of the Committee is one of oversight and review. Management of the Company is responsible for the preparation of the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Committee and the Board of Directors (the "Board") recognize that management (including the internal audit staff) and the independent auditors have more resources and time, and more detailed knowledge and information regarding the Company's accounting, auditing, internal control and financial reporting than the Committee does; accordingly, the Committee's oversight role does not provide any expert or special assurance as to the financial statement and other financial information provided by the Company to its shareholders and others.

The ultimate accountability of the independent accountants is to the Committee, and the Committee ultimately has the authority and responsibility to select, evaluate and, where appropriate, replace the independent accountants.

Composition and Structure

The Committee shall consist of not less than three directors designated by the Board. The Board must affirmatively determine that the members of the Committee meet the independence and qualification requirements of the American Stock Exchange (the "AMEX"), Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "Exchange Act"), and the rules and regulations of the Securities and Exchange Commission (the "SEC").

If the Board seeks to appoint one director to the Committee who is not independent under AMEX listing standards but who does satisfy the requirements of Rule 10A-3 under the Exchange Act, the Company may appoint such person to the Committee in exceptional and limited circumstances as long as the Board determines that membership on the Committee by the individual is in the best interests of the Company and its shareholders. The Company must disclose the identity of this individual, the nature of the relationship that makes that individual not independent and the reasons for the Board's determination. Such a member may not serve for a period of time in excess of two consecutive years and may not serve as chair of the Committee.

Disclosure will be made in the proxy statement regarding the independence of Committee members pursuant to AMEX listing standards.

One member of the Committee may be designated by the Company's Board of Directors as an audit committee financial expert (as defined by the rules and regulations of the SEC), and the identity of such member shall be disclosed in the Company's proxy statement. If no member of the Committee qualifies as an audit committee financial expert, the Company must disclose this fact in its proxy statement and state why the Committee does not have a member who meets applicable standards.

At least one member of the Committee must be financially sophisticated in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting, or any

other comparable experience or background which results in the individual's financial sophistication, including but not limited to being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities. A director who qualifies as an audit committee financial expert is presumed to qualify as financially sophisticated.

Each Committee member must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

Meetings

The Committee may meet as often as necessary, but not less than on a quarterly basis.

One member of the Committee shall be appointed as chairperson (the Chairperson). The Chairperson shall be responsible for leadership of the Committee, including scheduling and presiding over meetings, preparing agendas, and making regular reports to the Board. The Chairperson will also maintain regular liaison with the Chief Executive Officer, Chief Financial Officer, the General Counsel of the Company, the lead independent audit partner and the director of Internal Audit. A member of the Committee who is determined by the Board to be not independent may serve as Chairperson of the Committee.

Responsibilities and Authority

The following functions shall be common recurring activities of the Committee in carrying out its purpose set forth in this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board from time to time related to the purpose of the Committee outlined in this Charter.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern within the purpose of the Committee that the Committee deems appropriate or necessary. The Committee shall have the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties, and the Company shall provide for appropriate funding, as determined by the Committee for the payment of (a) compensation to the independent auditor(s) engaged for the purpose of preparing or issuing the audit report or performing other audit, review or attest services for the Company, (b) compensation to any independent advisors employed by the Committee and (c) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

2. Oversee the independence of the auditor by:

Ensuring that the independent auditors prepare and deliver on an annual basis a formal written statement delineating all relationships between the independent auditors and the Company, consistent with Independence Standards Board Standard 1, and reviewing and discussing with the independent auditor, on a periodic basis, any disclosed relationships or services that may impact the objectivity and independence of the auditor.

3.1 *Powers of the Committee.* This Plan shall be administered by the Committee and, subject to the express terms and conditions set forth herein, the Committee shall have the power, from time to time:

(a) To determine those Eligible Employees to whom Options shall be granted under this Plan and, subject to the limitations set forth in Section 4.1, the number of Incentive Stock Options, Nonqualified Stock Options or any combination thereof to be granted to each Eligible Employee; to prescribe the terms and conditions (which need not be identical) of each Option, including without limitation the purchase price per Share subject to each Option; and, to make any amendment or modification to any Agreement consistent with the terms of this Plan, provided, however, that no Incentive Stock Options may be granted after March 24, 2014;

(b) To determine those Eligible Directors to whom Nonqualified Stock Options shall be granted under this Plan and the number of Nonqualified Stock Options to be granted to each Eligible Director; to prescribe the terms and conditions (which need not be identical) of each Option, including without limitation the purchase price per Share subject to each Option; and, to make any amendment or modification to any Agreement consistent with the terms of this Plan;

(c) To select those Eligible Employees to whom Awards shall be granted under this Plan and to determine the number of Performance Awards, Shares of Restricted Stock, Stock Appreciation Rights or any combination thereof to be granted pursuant to each Award; to prescribe the terms and conditions of each Award, including without limitation the restrictions or performance criteria relating to such awards, shares or rights, the maximum value of each Performance Award and whether Stock Appreciation Rights will be granted along with, in conjunction with, or related to, an Option; and, to make any amendment or modification to any Agreement consistent with the terms of this Plan;

Table of Contents

(d) To select those Eligible Directors to whom Awards shall be granted under this Plan and to determine the number of Performance Awards, Shares of Restricted Stock, Stock Appreciation Rights or any combination thereof to be granted pursuant to each Award; to set annual incentives and performance based measures; to prescribe the terms and conditions of each Award, including without limitation the restrictions or performance criteria relating to such awards, shares or rights, the maximum value of each Performance Award and whether Stock Appreciation Rights will be granted along with, in conjunction with, or related to, Nonqualified Stock Options; and, to make any amendment or modification to any Agreement consistent with the terms of this Plan;

(e) To construe and interpret this Plan and the Options and Awards granted hereunder and to establish, amend and revoke rules and regulations for the administration of this Plan, including without limitation correcting any defect or supplying any omission in, or reconciling any inconsistency in, this Plan or in any Agreement, in such manner and to such extent it shall deem necessary or advisable to make this Plan fully effective, and all decisions and determinations by the Committee in the exercise of this power shall be final, binding and conclusive upon the Company, each Subsidiary, Optionees and Grantees, as the case may be;

(f) To determine the duration and purposes for leaves of absence which may be granted to an Optionee or Grantee on an individual basis without constituting a termination of employment or service for purposes of this Plan;

(g) To exercise its discretion with respect to the powers and rights granted to it as set forth in this Plan; and

(h) To exercise, generally, such powers and to perform such acts as it shall deem necessary or advisable to promote the best interests of the Company with respect to this Plan.

3.2 *The Committee.* In addition to the powers described in Section 3.1, the Committee shall have such powers and duties as shall be expressly delegated in writing by the Board. The Board may, at the time of delegating such duties, specify the minimum number of meetings to be held each calendar year; the number of members of the Committee that shall constitute a quorum; and the requisite vote of the Committee needed to adopt or defeat any proposal. In the event of a failure of the Board to specify the matters described in the preceding sentence, the Committee may establish its own rules of governance. Anything in this Plan to the contrary notwithstanding, the Board may, at any time after the appointing of a Committee and for any reason, disband the Committee, at which time any and all powers and duties previously delegated to the Committee shall revert to the Board; provided, however, that any action taken by the Board with regards to the establishment or certification of the satisfaction of Performance Goals shall only be taken by those directors that are considered to be outside directors under the provisions of Treasury Regulation Section 1.162-27(e)(3). No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to this Plan, Agreements, Options or Awards, and all members of the Committee shall be fully indemnified by the Company with respect to any such action, determination or interpretation.

3.3 *Awards Issuable by the Board.* The Board may grant any awards available under the Plan except Incentive Stock Options and awards described in Article IX to Eligible Directors. When the Board does so, it shall have all those powers described in Sections 3.1 and 3.2 which are vested in the Committee with respect to such awards.

ARTICLE IV

STOCK SUBJECT TO PLAN

4.1 *Number of Shares.* The maximum number of Shares that may be issued or transferred pursuant to Options and Awards under this Plan shall be Two Million One Hundred Fifty Thousand (2,150,000) Shares (or such number and kind of shares of stock or other securities to which such Shares are adjusted upon a Change in Capitalization pursuant to Article XI hereof provided that the number of shares available under the

Table of Contents

Plan may be increased pursuant to action by the shareholders of the Company) and the Company shall reserve for the purposes of this Plan, out of its authorized but unissued Shares or out of Shares held in the Company's treasury, or partly out of each, such number of Shares as shall be determined, from time to time, by the Board so long as the aggregate number of shares so reserved shall not exceed the maximum set forth above. Notwithstanding the foregoing, the maximum number of Shares that may be issued or transferred to any Eligible Employee during a single calendar year pursuant to Options, Stock Appreciation Rights or any combination thereof shall be limited to one million (1,000,000) Shares.

4.2 *Shares Eligible After Expiration.* Whenever any outstanding Option or Award or portion thereof expires or is forfeited (other than by exercise of the Option or any Stock Appreciation Right), the Shares allocable to the expired or forfeited portion of such Option or Stock Appreciation Right may again be the subject of Options and Awards hereunder.

4.3 *Cancellation or Repricing.* In the event of a cancellation or repricing of an Option or Stock Appreciation Right, then the canceled or repriced Option or Stock Appreciation Right shall continue to be counted against the maximum number of Shares that may be awarded under Section 4.1 to any Eligible Employee during a single calendar year.

ARTICLE V

ELIGIBILITY

Subject to the terms and conditions of this Plan, the Committee shall have full and final authority to select those Eligible Employees and Eligible Directors who shall receive Options, Awards, or both; provided, however, that no Eligible Employee shall receive any Incentive Stock Options unless such Eligible Employee shall be an Employee of the Company, a parent or a subsidiary (within the meaning of Section 422 of the Code) at the time the Incentive Stock Option is granted. No Eligible Director shall receive any Incentive Stock Options.

ARTICLE VI

OPTIONS

The Committee may, at any time and from time to time during the term of this Plan, grant Options in accordance with this Plan and the terms and conditions of the Option shall be set forth in an Agreement; each Option and Related Agreement shall be subject to the following terms and conditions:

6.1 *Purchase Price.* The purchase price or the manner in which the purchase price is to be determined for Shares under each Option shall be set forth in the Agreement; provided, however, that the purchase price per Share under each Option shall not be less than one hundred percent (100%) of the Fair Market Value of a Share at the time the Option is granted (one hundred ten percent (110%) in the case of an Incentive Stock Option granted to a Ten-Percent Stockholder).

6.2 *Duration.* Options granted hereunder shall be for such term as the Committee shall determine; provided, however, that no Option shall be exercisable after the expiration of ten (10) Years from the date it shall be granted (five (5) years in the case of an Incentive Stock Option granted to a Ten-Percent Stockholder). The Committee may, after the granting of any Option, extend the term thereof, but in no event shall the term as so extended exceed the maximum term provided for in the preceding sentence.

6.3 *Non-transferability.* No Option shall be transferable by the Optionee to whom granted otherwise than by will or the laws of descent and distribution, and an Option may be exercised during the lifetime of such Optionee only by such Optionee or such Optionee's guardian or legal representative. The terms of such Option shall be final, binding and conclusive upon the beneficiaries, executors, administrators, heirs and successors of the Optionee.

6.4 *Vesting.* Subject to Section 6.9 hereof, each Option shall be exercisable in such installments (which need not be equal) and at such times as may be designated by the Committee and set forth in the

Table of Contents

Agreement. To the extent not exercised, installments shall accumulate and be exercisable, in whole or in part, at any time after becoming exercisable, but not later than the date the Option expires. The Committee may accelerate the exercisability of any Option or portion thereof, at any time and from time to time.

6.5 *Method of Exercise.* The exercise of an Option shall be made only by a written notice (a) delivered in accordance with Section 18.4 hereof to the Secretary or an officer of the Company at the Company's principal executive office, (b) specifying the number of Shares to be purchased and accompanied by payment therefor and (c) otherwise in accordance with the Agreement pursuant to which the Option was granted. The purchase price for any Shares purchased pursuant to the exercise of an Option shall be paid in full upon such exercise and, in the sole discretion of the Committee, either in cash, by check, or by transferring Shares to the Company upon such terms and conditions as determined by the Committee. The written notice pursuant to this Section 6.5 may also provide instructions from the Optionee to the Company that upon receipt of the purchase price in cash from the Optionee's broker or dealer, designated as such in the written notice, in payment for any Shares purchased pursuant to the exercise of an Option, the Company shall issue such Shares directly to the designated broker or dealer. Any Shares transferred to the Company as payment of the purchase price under an Option shall be valued at their Fair Market Value on the day preceding the date of exercise of such Option. If requested by the Committee, the Optionee shall deliver the Agreement evidencing the Option and the Agreement evidencing any related Stock Appreciation Right to the Secretary or an officer of the Company who shall endorse thereon a notation of such exercise and return such Agreement to the Optionee. No fractional Shares shall be issued upon exercise of an Option and the number of Shares that may be purchased upon exercise shall be rounded to the nearest number of whole Shares.

6.6 *Rights of Optionees.* No Optionee shall be deemed for any purpose to be the owner of any Shares subject to any Option unless and until (a) the Option shall have been exercised pursuant to the terms thereof, (b) the Company shall have issued and delivered the Shares to the Optionee, and (c) the Optionee's name shall have been entered as a stockholder of record on the books of the Company. Thereupon, the Optionee shall have full voting, dividend and other ownership rights with respect to such Shares.

6.7 *Termination of Employment.* An Agreement shall set forth the terms and conditions of the Option upon the termination of the Optionee's employment with the Company, Subsidiary or Division, as applicable (including a Grantee's ceasing to be employed by a Subsidiary or Division as a result of the sale of such Subsidiary or Division or an interest in such Subsidiary or Division), as the Committee may, in its discretion, determine at the time the Option is granted or thereafter; provided, however, that no Option shall be exercisable beyond its maximum term as set forth in Section 6.2 hereof.

6.8 *Modification or Substitution.* Subject to the terms of this Plan, the Committee may, in its discretion, modify outstanding Options or accept the surrender of outstanding Options (to the extent not exercised) and grant new Options in substitution therefor; provided, however, that any such modification or grant shall comply with the limitations set forth in Section 4.1. Notwithstanding the foregoing, no modification of an Option shall adversely alter or impair any rights or obligations under the Agreement without the Optionee's prior written consent.

6.9 *Effect of Change in Control.* Notwithstanding anything contained in this Plan or an Agreement to the contrary, in the event of a Change in Control, (a) all Options outstanding on the date of such Change in Control shall become immediately and fully exercisable; (b) each Optionee shall be permitted to surrender for cancellation, within sixty (60) days after such Change in Control, any Option or portion of an Option to the extent not yet exercised; and (c) upon cancellation, each Optionee shall be entitled to receive a cash payment in an amount equal to:

(i) in the case of a Non-Qualified Stock Option, the excess of the greater of the Fair Market Value, on the date preceding the date of surrender, of the Shares subject to such Option or portion thereof surrendered or the Adjusted Fair Market Value of the Shares subject to such Option or portion thereof surrendered over the aggregate purchase price for such Shares under such Option; or

Table of Contents

(ii) in the case of an Incentive Stock Option, the excess of the Fair Market Value, at the time of surrender, of the Shares subject to such Option or portion thereof surrendered over the aggregate purchase price for such Shares under such Option; provided, however, that in the case of an Option granted within six (6) months prior to the Change in Control to any Optionee who may be subject to liability under Section 16(b) of the Exchange Act, such Optionee shall be entitled to surrender for cancellation his or her Option during the sixty (60) day period commencing upon the expiration of six (6) months after the date of grant of any such Option.

ARTICLE VII

STOCK APPRECIATION RIGHTS

The Committee may, in its discretion, either alone or in connection with the grant of an Option, grant Stock Appreciation Rights in accordance with this Plan and such terms and conditions as shall be set forth in an Agreement. If granted in connection with an Option, a Stock Appreciation Right shall cover the same Shares covered by the Option (or such lesser number of Shares as the Committee may determine) and shall, except as provided in this Article VII, be subject to the same terms and conditions as the related Option.

7.1 *Time of Grant.* A Stock Appreciation Right may be granted (a) at any time if unrelated to an Option, or (b) if related to an Option, either at the time of grant, or at any time thereafter during the term of the Option.

7.2 *Stock Appreciation Right Related to an Option.*

(a) *Payment.* A Stock Appreciation Right granted in connection with an Option shall entitle the holder thereof to receive payment of an amount computed pursuant to Section 7.2(c) below upon exercise of the Stock Appreciation Right or any portion thereof.

(b) *Exercise.* Subject to Section 7.6 hereof, a Stock Appreciation Right granted in accordance with an Option shall be exercisable at such time or times and only to the extent that the related Option is exercisable, and shall not be transferable except to the extent the related Option may be transferable. A Stock Appreciation Right granted in connection with an Incentive Stock Option shall be exercisable only if the Fair Market Value of a Share on the date of exercise exceeds the purchase price specified in the related Incentive Stock Option Agreement.

(c) *Amount of Payment.* Except as otherwise provided in Section 7.9 below, upon the exercise of a Stock Appreciation Right related to an Option, the Grantee shall be entitled to receive an amount determined by multiplying

(i) the excess of the Fair Market Value of a Share on the date of exercise of such Stock Appreciation Right over the per Share purchase price under the related Option, by

(ii) the number of Shares as to which such Stock Appreciation Right is being exercised.

Notwithstanding the foregoing, the Committee may limit, in any manner, the amount payable with respect to any Stock Appreciation Right by including such limit in the Agreement evidencing the Stock Appreciation Right at the time it is granted.

(d) *Treatment of Related Options and Stock Appreciation Rights Upon Exercise.* Upon the exercise of a Stock Appreciation Right granted in connection with an Option, the Option related thereto shall be deemed to be exercised and shall be canceled to the extent of the number of Shares as to which the Stock Appreciation Right is exercised, and upon the exercise of an Option granted in connection with a Stock Appreciation Right or the surrender of such Option pursuant to Section 6.9 hereof, the Stock Appreciation Right related thereto shall be deemed to be exercised and shall be canceled to the extent of the number of Shares as to which the Option is exercised or surrendered.

7.3 *Stock Appreciation Right Unrelated to an Option.* The Committee may grant to Eligible Employees or Eligible Directors Stock Appreciation Rights unrelated to Options. Stock Appreciation Rights

Table of Contents

unrelated to Options shall contain such terms and conditions as to exercisability (subject to Section 7.6 below), vesting and duration as the Committee shall determine, but in no event shall they have a term of greater than ten (10) years. The amount payable upon exercise of a Stock Appreciation Right shall be determined in accordance with Section 7.2(c) or Section 7.9 hereof, as the case may be, except that Fair Market Value of a Share on the date of the grant of the Stock Appreciation Right shall be substituted in clause (i) of Section 7.2(c) for per share purchase price under the related Option. No Stock Appreciation Right unrelated to Options shall be transferable by the Grantee otherwise than by will or the laws of descent and distribution.

7.4 *Method of Exercise.* Stock Appreciation Rights shall be exercised by a Grantee only by a written notice delivered in accordance with Section 18.4 hereof to the Secretary or an officer of the Company at the Company's principal executive office, specifying the number of Shares with respect to which the Stock Appreciation Right is being exercised. If requested by the Committee, the Grantee shall deliver the Agreement evidencing the Stock Appreciation Right being exercised and the Agreement evidencing any related Option to the Secretary or an officer of the Company who shall endorse thereon a notation of such exercise and return such Agreement to the Grantee.

7.5 *Form of Payment.* Payment of the amount determined under Sections 7.2(c) or Section 7.3 may be made, in the discretion of the Committee, solely in whole Shares in a number determined at their Fair Market Value on the date preceding the date of exercise of the Stock Appreciation Right, or solely in cash, or in a combination of cash and Shares. If the Committee decides to make full payment in Shares and the amount payable results in a fractional Share, payment for the fractional Share shall be made in cash.

7.6 *Restrictions.* No Stock Appreciation Right may be exercised before the date six (6) months after the date it is granted, unless the death or Disability of the Grantee occurs before the expiration of the six (6) month period.

7.7 *Termination of Employment.* The Agreement shall set forth the terms and conditions of the Award upon the termination of the Grantee's employment with the Company, Subsidiary or a Division (including a Grantee's ceasing to be employed by a Subsidiary or Division as a result of the sale of such Subsidiary or Division or an interest in such Subsidiary or Division) as the Committee may, in its discretion, determine at the time the Stock Appreciation Right is granted or thereafter.

7.8 *Modification or Substitution.* Subject to the terms of this Plan, the Committee may modify outstanding Awards of Stock Appreciation Rights or accept the surrender of outstanding Awards of Stock Appreciation Rights (to the extent not exercised) and grant new Awards in substitution therefor; provided, however, that any such modification or grant shall comply with the limitations set forth in Section 4.1. Notwithstanding the foregoing, no modification of an Award shall adversely alter or impair any rights or obligations under the Agreement without the Grantee's consent.

7.9 *Effect of Change in Control.* Notwithstanding anything contained in this Plan to the contrary, in the event of a Change in Control, subject to Section 7.6 hereof, all Stock Appreciation Rights shall become immediately and fully exercisable. Notwithstanding Section 7.2(c), Section 7.3 and Section 7.5 hereof, upon the exercise of a Stock Appreciation Right or any portion thereof during the sixty (60) day period following a Change in Control, the amount payable shall be in cash and shall be determined by reference to

(a) in the case of a Stock Appreciation right related to a Non-Qualified Stock Option or a Stock Appreciation Right not related to an Option, the greater of (i) the Fair Market Value of the Shares on the date preceding the date of such exercise and (ii) the Adjusted Fair Market Value of the Shares on the date of such exercise; or

(b) in the case of a Stock Appreciation Right related to an Incentive Stock Option, the Fair Market Value of the Shares on the date of such exercise;

provided, however, that in the case of a Stock Appreciation Right granted within six (6) months prior to the Change in Control to any Grantee who may be subject to liability under Section 16(b) of the Exchange Act, such Grantee shall be entitled to exercise such Grantee's Stock Appreciation Right during the sixty (60) day

Table of Contents

period commencing upon the expiration of six (6) months from the date of grant of any such Stock Appreciation Right.

ARTICLE VIII

RESTRICTED STOCK

The Committee may grant Awards of Restricted Stock, and may issue Shares of Restricted Stock, which shall be evidenced by an Agreement between the Company and the Grantee. Each Agreement shall contain such restrictions, terms and conditions as the Committee may, in its discretion, determine. Without limiting the generality of the foregoing, such Agreements may require that an appropriate legend be placed on Share certificates. Awards of Restricted Stock shall be subject to the following terms and conditions:

8.1 *Rights of Grantee.* Shares of Restricted Stock granted pursuant to an Award hereunder shall be issued in the name of the Grantee as soon as reasonably practicable after the Award is granted provided that the Grantee shall have executed an Agreement evidencing the Award, the appropriate blank stock powers and, in the discretion of the Committee, an escrow agreement and any other documents which the Committee may require as a condition to the issuance of such Shares. If a Grantee shall fail to execute the Agreement evidencing a Restricted Stock Award, the appropriate blank stock powers and, in the discretion of the Committee, an escrow agreement or any other documents which the Committee may require within the time period prescribed by the Committee at the time the Award is granted, the Award shall be null and void. At the discretion of the Committee, Shares issued in connection with a Restricted Stock Award shall be deposited together with the stock powers with an escrow agent designated by the Committee. Unless the Committee determines otherwise and as set forth in the Agreement, upon delivery of the Shares to the escrow agent, the Grantee shall have all of the rights of a stockholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions paid or made with respect to the Shares.

8.2 *Non-transferability.* Until any restrictions upon the Shares of Restricted Stock awarded to a Grantee shall have lapsed in the manner set forth in Section 8.3 below, such Shares shall not be sold, transferred or otherwise disposed of and shall not be pledged or otherwise hypothecated, nor shall they be delivered to the Grantee.

8.3 *Lapse of Restrictions.*

(a) *Generally.* Restrictions upon Shares of Restricted Stock awarded hereunder shall lapse at such time or times and on such terms and conditions as the Committee may determine.

(b) *Effect of Change in Control.* Notwithstanding anything contained in this Plan to the contrary, in the event of a Change in Control, all restrictions upon any Shares of Restricted Stock (other than Performance Shares) shall lapse immediately and all such Shares shall become fully vested in the Grantee.

8.4 *Termination of Employment.* The Agreement shall set forth the terms and conditions of an Award of Restricted Stock upon the termination of the Grantee's employment with the Company, a Subsidiary, or a Division (including a Grantee's ceasing to be employed by a Subsidiary or Division as a result of the sale of such Subsidiary or Division or an interest in such Subsidiary or Division) as the Committee may, in its discretion, determine at the time the Award is granted or thereafter.

8.5 *Modification or Substitution.* Subject to the terms of this Plan, the Committee may modify outstanding Awards of Restricted Stock or accept the surrender of outstanding Awards of Restricted Stock (to the extent not exercised) and grant new Awards in substitution therefor. Notwithstanding the foregoing, no modification of an Award shall adversely alter or impair any rights or obligations under the Agreement without the Grantee's consent.

8.6 *Treatment of Dividends.* At the time an Award of Shares of Restricted Stock is granted, the Committee may, in its discretion, determine that the payment to the Grantee of dividends, or a specified portion thereof, declared or paid on such Shares by the Company shall be (a) deferred until the lapsing of the restrictions imposed upon such Shares and (b) held by the Company for the account of the Grantee until such

Table of Contents

time. In the event of such deferral, there shall be credited at the end of each year (or portion thereof) interest on the amount of the account at the beginning of the year at an annual rate as the Committee, in its discretion, may determine. Payment of deferred dividends, together with interest accrued thereon, shall be made upon the lapsing of restrictions imposed on such Shares, and any dividends deferred (together with any interest accrued thereon) in respect of any Shares of Restricted Stock shall be forfeited upon the forfeiture of such Shares pursuant to Section 8.4 hereof or otherwise.

8.7 *Delivery of Shares.* Upon the lapse of the restrictions on Shares of Restricted Stock, the Committee shall cause a stock certificate to be delivered to the Grantee with respect to such Shares, free of all restrictions hereunder.

8.8 *Vesting.* Subject to Section 8.3 hereof, each Award of Restricted Stock shall vest at such times as may be designated by the Committee and set forth in the Agreement.

ARTICLE IX

PERFORMANCE AWARDS

9.1 *Performance Goals.* Performance Goals for Performance Awards may be expressed in terms of (a) earnings per Share, (b) pre-tax profits, (c) net earnings, net income or net worth, (d) return on equity or assets, or (e) any combination of the foregoing. Performance Goals shall be established at the time the Award is granted. Performance Goals may be based on the performance of the Company and its Subsidiaries (which may be on a consolidated basis), a Subsidiary or a Division. Prior to the end of a Performance Period, the Committee, in its discretion, may adjust the Performance Goals to reflect a Change in the Capitalization, a change in the tax rate or book tax rate of the Company or any Subsidiary, or any other event which may materially affect the performance of the Company, a Subsidiary or a Division, including, but not limited to, market conditions or a significant acquisition or disposition of assets or other property by the Company, a Subsidiary or a Division.

9.2 *Performance Shares.* The Committee may, in its discretion, grant Awards of Performance Shares, which shall be payable as Restricted Stock if Performance Goals set by the Committee for the Performance Period to which such Performance Shares relate are met. Performance Shares shall be evidenced by an Agreement between the Company and the Grantee. Each Agreement may contain restrictions and terms and conditions as the Committee may, in its discretion, require. Performance Shares which become Restricted Stock upon attainment of a Performance Goal shall, upon issuance of the Restricted Stock, be subject to the rules applicable to Restricted Stock as set forth under Article VIII. Unless the Agreement provides otherwise, if the Grantee's employment with the Company and its Subsidiaries terminates due to the Grantee's Retirement, Disability or death, all of the Grantee's unvested shares of Restricted Stock shall vest immediately. However, unless the Agreement provides otherwise, if the Grantee's employment with the Company or its Subsidiary terminates for any reason other than the Grantee's Retirement, Disability or death, the Grantee's unvested shares of Restricted Stock shall be forfeited on the date of such termination of employment.

9.3 *Cash Awards.* The Committee may, in its discretion, grant Cash Awards to Eligible Employees. Such Awards shall be payable solely in cash from the Performance Sharing Bank provided Performance Goals set by the Committee for the Performance Period to which such Cash Awards relate are met. Cash Awards shall be evidenced by an Agreement between the Company and the Grantee. Each Agreement may contain restrictions, and terms and conditions as the Committee may, in its discretion, require.

(a) *Payment of Awards.* After the end of each Performance Period, provided the specified Performance Goal in the applicable Agreement is met so as to justify a Cash Award, a Grantee's Cash Award shall be added to his account in the Performance Sharing Bank. After such addition, thirty-three percent (33%) of the Grantee's Bank Balance shall be paid to him, in cash, as soon as administratively practicable after the last day of the Performance Period to which such Award relates. A Participant may elect to defer receipt of a Cash Award which would otherwise be payable to him during a calendar year if he elects to so defer pursuant to the terms of the Deferred Compensation Plan.

Table of Contents

(b) *Termination of Employment.* The Agreement shall set forth the terms and conditions of the grant of Cash Awards upon the termination of the Grantee's employment with the Company, a Subsidiary, or a Division (including a Grantee's ceasing to be employed by a Subsidiary or Division as a result of the sale of such Subsidiary or Division or an interest in such Subsidiary or Division) as the Committee may, in its discretion, determine at the time the Award is granted or thereafter. Unless the Agreement provides otherwise, if the Grantee's employment with the Company and its Subsidiaries terminates during the Performance Period due to the Grantee's Retirement, Disability, death, or involuntary termination without Cause (whether due to corporate reorganization, job elimination, Change in Control or otherwise), the Grantee shall be entitled to a cash payment of his undistributed Bank Balance as soon as administratively practicable after such termination of employment. Unless the Agreement provides otherwise, subject to Section 9.4, if the Grantee's employment with the Company or a Subsidiary terminates during the Performance Period for any reason other than the Grantee's Retirement, Disability, death, or involuntary termination without Cause (whether due to corporate reorganization, job elimination, Change in Control or otherwise), the Grantee's Bank Balance will be forfeited on the date of such termination of employment. If a Grantee's employment is terminated during a Performance Period involuntarily without Cause (whether due to corporate reorganization, job elimination, Change in Control or otherwise), or due to death or Disability, and a Cash Award would have been paid to the Participant's Performance Sharing Bank if the Grantee had remained employed throughout the entire Performance Period, then a credit shall be made to such Grantee's Performance Sharing Bank equal to the credit which would have been made had the Grantee been employed for the entire Performance Period, pro rated for the number of days the Grantee actually was employed during the Performance Period.

(c) *Maximum Awards under Sections 9.2 and 9.3.* Notwithstanding anything herein to the contrary, in no event shall a Grantee's combined vested Restricted Stock resulting from Performance Share Awards (*i.e.* which vest during the calendar year and become Shares) and Cash Awards payable to the Grantee from the Performance Sharing Bank for a calendar year exceed \$1,000,000. Any excess amounts over the \$1,000,000 limitation shall be carried forward to the next calendar year for payment, subject to the same \$1,000,000 limitation in such succeeding year.

9.4 *Effect of Change in Control.* Notwithstanding anything contained in this Plan to the contrary, in the event of a Change in Control:

(a) With respect to Cash Awards, the Grantee shall be entitled to receive a pro rata share of the Cash Award which would have been payable for the entire Performance Period in which such Change in Control occurs, provided that the Cash Award shall be calculated as if the Performance Goal was exactly achieved. The pro rata share shall be based on the number of days during the Performance Period which precede the date of the Change in Control. Subject to any conditions the Committee may specify, the Grantee shall also be entitled to receive a cash payment equal to the amount of the Grantee's Bank Balance, if any, immediately prior to, upon or as soon as administratively practicable after such Change in Control.

(b) With respect to Performance Shares, all Performance Goals for the Performance Period in which the Change of Control occurs shall be deemed met and all restrictions on such Performance Shares shall lapse immediately. All Performance Shares shall be converted to Restricted Stock. All Restricted Stock shall be fully vested, so as to convert such Restricted Stock to Shares.

9.5 *Non-transferability.* No Performance Awards shall be transferable by the Grantee otherwise than by will or the laws of descent and distribution.

9.6 *Modification or Substitution.* Subject to the terms of this Plan, the Committee may modify outstanding Performance Awards or accept the surrender of outstanding Performance Awards and grant new Performance Awards in substitution therefor. Notwithstanding the foregoing, no modification of a Performance Award shall adversely alter or impair any rights or obligations under the Agreement without the Grantee's written consent.

ARTICLE X

LOANS

10.1 *Loans.* The Company or any Subsidiary may make loans to a Grantee or Optionee in connection with the exercise of an Option, subject to the following terms and conditions and such other terms and conditions not inconsistent with this Plan including the rate of interest (if any) imposed by the Committee from time to time. Notwithstanding the forgoing, no loan may be made to a Grantee or Optionee that would violate the Sarbanes Oxley Act of 2002 or any other federal or state securities law or securities exchange rule.

10.2 *Maximum Amount of Loan.* No loan made under this Plan shall exceed the sum of (a) the aggregate purchase price payable pursuant to the Option with respect to which the loan is made, plus (b) the amount of the reasonably estimated income taxes payable by the Optionee or Grantee with respect to the Option or Award. In no event may any such loan exceed the Fair Market Value, at the date of exercise, of any such Shares.

10.3 *Term.* No loan shall have an initial term exceeding ten (10) years; provided, however, that loans under this Plan shall be renewable at the discretion of the Committee.

10.4 *Repayment.* Loans under this Plan may be satisfied by an Optionee or Grantee either in cash or, with the consent of the Committee, in whole or in part by the transfer to the Company of Shares whose Fair Market Value on the date of such payment is equal to the cash amount for which such Shares are transferred.

10.5 *Security.* Each loan shall be secured by a pledge of Shares with a Fair Market Value of not less than the principal amount of the loan. After partial repayment of a loan, pledged Shares no longer required as security may be released into escrow or pursuant to the terms of the Option, Award or escrow agreement to the Optionee or Grantee (as the case may be).

ARTICLE XI

ADJUSTMENT UPON CHANGES IN CAPITALIZATION

11.1 *Adjustments.* In the event of a Change in Capitalization, the Committee shall conclusively determine the appropriate adjustments, if any, to (a) the maximum number and class of Shares or other stock or securities with respect to which Options or Awards may be granted under this Plan, (b) the number and class of Shares or other stock or securities which are subject to outstanding Options or Awards granted under this Plan, and (c) the purchase price therefor, if applicable.

11.2 *Limitations Regarding Incentive Stock Options.* Any such adjustment in the Shares or other stock or securities subject to outstanding Incentive Stock Options (including any adjustments in the purchase price) shall be made in such manner as not to constitute a modification as defined by Section 424(h)(3) of the Code and only to the extent otherwise permitted by Sections 422 and 424 of the Code.

11.3 *Continuation of Conditions, Restrictions, Etc.* If, by reason of a Change in Capitalization, a Grantee of an Award shall be entitled to, or an Optionee shall be entitled to exercise an Option with respect to, new, additional or different shares of stock, securities, Performance Awards (other than rights or warrants to purchase securities), such new additional or different shares shall thereupon be subject to all of the conditions, restrictions and performance criteria which were applicable to the Performance Awards pursuant to the Award or Shares subject to the Option, as the case may be, prior to such Change in Capitalization.

ARTICLE XII

EFFECT OF CERTAIN TRANSACTIONS

Subject to Sections 6.9, 7.9, 8.3(b) and 9.5 hereof, in the event of (a) the liquidation or dissolution of the Company or (b) a merger or consolidation of the Company (a Transaction), this Plan and the Options and Awards issued hereunder shall continue in effect in accordance with their respective terms and each Optionee and Grantee shall be entitled to receive in respect of each Share subject to any outstanding Options or

Awards, as the case may be, upon exercise of any option or Award or payment or transfer in respect of any Award, the same number and kind of stock, securities, cash, property, or other consideration that each holder of a Share was entitled to receive in the Transaction in respect of a Share.

ARTICLE XIII

RELEASE OF FINANCIAL INFORMATION

A copy of the Company's annual report to stockholders shall be delivered to each Optionee and Grantee at the time such report is distributed to the Company's stockholders. Upon reasonable request the Company shall furnish, as soon as reasonably practicable, to each Optionee and Grantee a copy of its most recent annual report and each quarterly report and current report filed under the Exchange Act since the end of the Company's prior fiscal year.

ARTICLE XIV

TERMINATION AND AMENDMENT

14.1 Termination. This Plan shall terminate on March 24, 2004 and no Option or Award may be granted thereafter. The Board may sooner terminate or amend this Plan (other than to reduce the rights of Optionees and Grantees, as the case may be, under Sections 6.9, 7.9, 8.3(b) and 9.5 hereof), at any time and from time to time; provided, however, that to the extent necessary under Section 16(b) of the Exchange Act and the rules and regulations promulgated thereunder, no amendment shall be effective unless approved by the stockholders of the Company in accordance with applicable law and regulations at an annual or special meeting held within twelve (12) months before or after the date of adoption of such amendment.

14.2 Amendment. Except as provided in Articles XI and XII hereof, rights and obligations under any Option or Award granted before any amendment of this Plan shall not be adversely altered or impaired by such amendment, except with the written consent of the Optionee or Grantee, as the case may be.

ARTICLE XV

NON-EXCLUSIVITY

The adoption of this Plan by the Board and approval by the Company's shareholders shall not be construed as amending, modifying or rescinding any previously approved incentive arrangement or as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable.

ARTICLE XVI

LIMITATION OF LIABILITY

As illustrative of the limitations of liability of the Company, but not intended to be exhaustive thereof, nothing in this Plan shall be construed to:

- (a) give any person any right to be granted an Option or Award other than at the sole discretion of the Committee;
- (b) give any person any rights whatsoever with respect to Shares except as specifically provided in this Plan;
- (c) limit in any way the right of the Company to terminate the employment of any person at any time; or
- (d) be evidence of any agreement or understanding, expressed or implied, that the Company will employ any person in any particular position at any particular rate of compensation or for any particular period of time.

ARTICLE XVII

REGULATIONS AND OTHER APPROVALS, GOVERNING LAW

17.1 *Governing Law.* This Program and the rights of all persons claiming hereunder shall be construed and determined in accordance with the laws of the State of Georgia without giving effect to the conflicts of laws principles thereof, except to the extent that such law is preempted by federal law.

17.2 *Conditions.* The obligation of the Company to sell or deliver Shares with respect to Options and Awards granted under this Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Board.

17.3 *Rule 16b-3.* This Plan is intended to comply with Rule 16b-3 promulgated under the Exchange Act and the Committee shall interpret and administer the provisions of this Plan or any Agreement in a manner consistent therewith. Any provisions inconsistent with such Rule shall be inoperative and shall not affect the validity of this Plan.

17.4 *Authority of the Board.* The Board may make such changes as may be necessary or appropriate to comply with the rules and regulations of any government authority, or to obtain for Eligible Employees granted Incentive Stock Options the tax benefits under the applicable provisions of the Code and regulations promulgated thereunder. The Board, in its sole discretion, may also make Awards to Eligible Directors except in no case shall the Board award such Eligible Directors Incentive Stock Options.

17.5 *Effect of Securities Laws.* Each Option and Award is subject to the requirement that, if at any time the Committee determines, in its discretion, that the listing, registration or qualification of Shares issuable pursuant to this Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Option or the issuance of Shares, no Options shall be granted or payment made or Shares issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions as acceptable to the Committee.

17.6 *Registration.* The Company shall have no obligation to register, under any federal or state securities laws, any Shares acquired pursuant to this Plan. Notwithstanding anything contained in this Plan to the contrary, in the event that the disposition of Shares acquired pursuant to this Plan is not covered by a then current registration statement under the Securities Act of 1933, as amended, and is not otherwise exempt from such registration, such Shares shall be restricted against transfer to the extent required by the Securities Act of 1933, as amended, and Rule 144 or other regulations thereunder. The Committee may require any individual receiving Shares pursuant to this Plan, as a condition precedent to receipt of such Shares (including upon exercise of an Option), to represent and warrant to the Company in writing that the Shares acquired by such individual are acquired without a view to any distribution thereof and will not be sold or transferred other than pursuant to an effective registration thereof under said Act or pursuant to an exemption applicable under the Securities Act of 1933, as amended, or the rules and regulations promulgated thereunder. The certificates evidencing any of such Shares shall bear an appropriate legend to reflect their status as restricted securities as aforesaid.

ARTICLE XVIII

MISCELLANEOUS

18.1 *Multiple Agreements.* The terms of each Option or Award may differ from other Options or Awards granted under this Plan at the same time, or at some other time. The Committee may also grant more than one Option or Award to a given Eligible Employee or Eligible Director during the term of this Plan, either in addition to, or in substitution for, one or more Options or Awards previously granted to that Eligible Employee or Eligible Director. The grant of multiple Options, Awards or both may be evidenced by a single Agreement or multiple Agreements, as determined by the Committee.

18.2 *Withholding of Taxes.*

(a) The Company shall have the right to deduct from any distribution of cash to any Optionee or Grantee an amount equal to the federal, state and local income taxes and other amounts as may be required by law to be withheld (the *Withholding Taxes*) with respect to any Option or Award. If an Optionee or Grantee is entitled to receive Shares upon exercise of an Option or pursuant to an Award, the Optionee or Grantee shall pay the Withholding Taxes to the Company prior to the issuance, or release from escrow, of such Shares. In satisfaction of the Withholding Taxes to the Company, the Optionee or Grantee may make a written election (the *Tax Election*) which may be accepted or rejected in the discretion of the Committee, to have withheld a portion of the Shares issuable to him or her upon exercise of the Option or pursuant to an Award having an aggregate Fair Market Value equal to the Withholding Taxes, provided that (i) in respect of an Optionee or Grantee who may be subject to liability under Section 16(b) of the Exchange Act (unless his or her employment was terminated due to Disability or death), (A) the Optionee or Grantee makes the Tax Election at least six (6) months after the date the Option or Award was granted and (B) the Tax Election is made either at least six (6) months prior to the date that the amount of the Withholding Taxes are determined (the *Tax Date*) or during the ten (10) day period beginning on the third business day and ending on the twelfth business day following the release for publication of the Company's quarterly or annual statements of earnings, (ii) the Tax Election is made prior to the Tax Date, and (iii) the Tax Election is irrevocable; provided, however, in the event that the Tax Date occurs subsequent to the exercise of the Option or issuance of Shares, the Optionee or Grantee shall tender back to the Company on the Tax Date that number of Shares having a Fair Market Value on the date preceding the Tax Date at least equal to the Withholding Taxes.

(b) If an Optionee makes a disposition, within the meaning of Section 424(c) of the Code and Regulations promulgated thereunder, of any Share or Shares issued to him pursuant to his exercise of the Option within the two (2) year period commencing on the day after the date of the grant or within the one year period commencing on the day after the date of transfer of such Share or Shares to the Optionee pursuant to such exercise, the Optionee shall, within ten (10) days such disposition, notify the Company thereof, by delivery of written notice to the Company at its principal executive office, and immediately deliver to the Company the amount of Withholding Taxes.

18.3 *Designation of Beneficiary.* Each Optionee and Grantee may designate a person or persons to receive, in the event of his or her death, any Option or Award or any amount payable pursuant thereto, to which he or she would then be entitled. Such designation will be made upon forms supplied by and delivered to the Company and may be revoked in writing. If an Optionee or Grantee fails effectively to designate a beneficiary, then his or her estate shall be deemed to be the beneficiary.

18.4 *Notices.* All notices, requests, demands and other communications required of or from any Grantee or Optionee under, or in connection with, this Plan (other than pursuant to Article XIII hereof) shall be in writing, and shall be deemed to have been duly given if delivered or mailed by registered or certified mail and return receipt requested, postage prepaid, or by overnight courier service, charges prepaid, to the Company at its then current main business office address; all such notices shall be deemed duly given on the day delivered or, if mailed, on the fifth day following the postmark date.

ARTICLE XIX

The effective date of this Plan shall be March 25, 2004, provided that any Options or Awards issued after such date shall be issued, subject to approval of this Plan by the affirmative vote of the holders of a majority of the securities of the Company present, or represented, and entitled to vote at a meeting of stockholders duly held in accordance with the applicable laws of the State of Georgia within twelve (12) months of such adoption.
