**PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD MAY 26, 2005**

We are sending this Proxy Statement to the shareholders of Intelligent Systems Corporation (the company) in connection with the solicitation of proxies by the Board of Directors to be voted at the 2005 Annual Meeting of Shareholders of Intelligent Systems Corporation and any adjournment thereof. The Annual Meeting will be held on May 26, 2005 at our corporate offices located at 4355 Shackleford Road, Norcross, Georgia 30093 at 4:00 p.m. local time. We expect to first mail this Proxy Statement and the accompanying proxy to shareholders on or about April 15, 2005.

VOTING

General

The securities that can be voted at the Annual Meeting consist of common stock of Intelligent Systems Corporation, \$.01 par value per share. Each share entitles its owner to one vote on each matter submitted to the shareholders. The record of shareholders entitled to vote at the Annual Meeting was taken as of the close of business on Friday, April 8, 2005. On that date, we had outstanding and entitled to vote 4,478,971 shares of common stock with each share entitled to one vote.

Quorum

A majority of the outstanding shares of our common stock must be present, in person or by proxy, to constitute a quorum at the Annual Meeting. We will treat shares that are withheld or abstain from voting as present at the Annual Meeting for purposes of determining a quorum. If a broker, bank, custodian, nominee or other record holder of our common stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular matter, the shares held by that record holder (referred to as broker non-votes) will also be counted as present in determining whether we have a quorum.

Proxies

At the Annual Meeting, the persons named as proxies will vote all properly executed proxy cards delivered in connection with this solicitation and not revoked in accordance with the directions given. Shareholders should specify their choices with regard to the proposal to be voted upon on the accompanying proxy card. **If no specific instructions are given with regard to the matter to be voted upon, then the shares represented by a signed proxy card will be voted FOR the election of the director nominee.** If any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their judgment.

Some of our shareholders hold their shares through a broker, bank, custodian or other nominee, rather than directly in their own name. This is commonly referred to as holding shares in street name. If you hold shares in street name, these proxy materials are being forwarded to you by your broker, bank, custodian or other nominee, which is considered, with respect to such shares, to be the shareholder of record. As the beneficial owner of shares held in street name, you have the right to direct the nominee how such shares should be voted. You also have the right to attend the Annual Meeting. However, since you are not the shareholder of record, you must first obtain a signed proxy from the

shareholder of record giving you the right to vote the shares

at the Annual Meeting. Your broker, bank, custodian or other nominee has enclosed or provided you a voting instruction card for you to use in directing the nominee how to vote your shares or obtain a proxy from the nominee.

You may revoke your proxy card or voting instructions delivered in connection with this solicitation at any time prior to voting at the Annual Meeting by:

giving written notice to the Secretary of the company at 4355 Shackleford Road, Norcross, Georgia 30093, for shareholders of record, or

executing and delivering to the Secretary a later dated proxy or, for shares held in street name, by submitting new voting instructions to your nominee, or

voting in person at the Annual Meeting.

You cannot revoke your proxy or voting instructions as to any matter upon which, prior to such revocation, a vote has been cast in accordance with the authority conferred by such proxy or voting instructions.

We will pay all expenses incurred in connection with the solicitation of proxies. Such costs include charges by brokers, fiduciaries and custodians for forwarding proxy materials to beneficial owners of stock held in their names. We may solicit proxies by mail, telephone and personal contact by directors, officers, and employees of the company without additional compensation.

Effective August 22, 2000, the company adopted the Non-Employee Director Stock Option Plan (the "Director Plan"). Up to 200,000 shares of common stock may be issued under the Director Plan to non-employee directors with each director receiving an initial grant of 5,000 options followed by annual grants of 4,000 options on the date of each subsequent Annual Meeting. Non-qualified stock options are granted at fair market value on the date of grant and vest 50 percent on each of the first and second anniversaries of the date of grant.

PROPOSAL 1 THE ELECTION OF ONE DIRECTOR**Nominee**

At the Annual Meeting of Shareholders, shareholders will elect one director to the Board of Directors to serve a three-year term until the 2008 Annual Meeting of Shareholders. The other directors' terms expire at the Annual Meeting of Shareholders listed in the following table for each category of directors, or until their earlier death, resignation or removal from office. Directors are elected by a plurality of the shares present and voting at the meeting. A plurality means that the individual who receives the largest number of votes cast is elected as director up to the maximum number of directors to be chosen at the meeting. Therefore, shares that are withheld or abstain from voting and broker non-votes will have no effect on the outcome of the vote. Unless contrary instructions are given, the persons named as proxies will vote the shares represented by a signed proxy card FOR the nominee.

If the nominee withdraws for any reason or is not able to serve as a director, the proxy will be voted for another person designated by the Board of Directors as substitute nominee, but in no event will the proxy be voted for more than one nominee. The Board of Directors has no reason to believe that the nominee will not serve if elected.

The Board of Directors has nominated the person named in the following table to serve as a director of the company. The nominee is currently a director of the company. The nominee and other directors gave us the following information concerning their current age, other directorships, positions with the company, principal employment and shares of our common stock beneficially owned as of March 31, 2005.

The Board of Directors has determined that Mr. Napier is an independent director under applicable rules of the American Stock Exchange (the AMEX).

Dr. Peatman has served as a director since 1979 and has been a Professor of Electrical Engineering at the Georgia Institute of Technology since 1964. The Board of Directors has determined that Dr. Peatman is an independent director under applicable rules of the AMEX.

Meetings and Committees of the Board of Directors

The Board of Directors met six times during the year ended December 31, 2004 and acted by unanimous consent one time. The Board of Directors has established an audit committee, a compensation committee, and a plan committee, but has no nominating committee. The Audit Committee of the Board of Directors met five times during 2004. During 2004, the Audit Committee consisted of Messrs. Napier, Peatman and Petit. Beginning in 2005 the Audit Committee consists of Messrs. Peatman and Petit. In 2004, the Audit Committee recommended the termination of the company's former independent auditor and the appointment of the company's new independent auditor, met with the independent auditor to review their report on the financial operations of the company and carried out a number of other responsibilities, as outlined in the Amended Audit Committee Charter. Each of the members of the Audit Committee is independent, as such term is defined in the listing standards of the AMEX and the rules of the SEC, and the Audit Committee meets the composition requirements of AMEX's listing standards for Small Business Issuers. The Board of Directors has determined that Mr. Petit is an audit committee financial expert as defined by the rules of the SEC, and is financially sophisticated as defined in the listing standards of AMEX. The Board of Directors based this determination, in part, on Mr. Petit's

Table of Contents

experience in actively supervising senior financial and accounting personnel and in overseeing the preparation of financial statements as the Chief Executive Officer and Chairman of a publicly-traded company. The publicly traded companies with which Mr. Petit has been associated are larger and more complex than is Intelligent Systems.

The Board has a Compensation Committee consisting of Messrs. Napier, Peatman and Petit, which met once during the last year. The Compensation Committee reviews and makes recommendations concerning the appropriate compensation level for the officers of the company and any changes in the company's various benefit plans.

The Plan Committee, which did not meet in 2004, is responsible for administering the 1991 Stock Option Plan (the 1991 Plan) and the 2003 Stock Incentive Plan (the 2003 Incentive Plan). The Plan Committee has the same members as the Compensation Committee. All directors attended all of the meetings of the Committees of the Board on which they serve and all of the meetings of the Board of Directors.

The company does not currently have a standing nominating committee. Please see Nominations Process below for information regarding the company's policies and procedures for director nominations.

Compensation of Directors

Non-employee directors earn \$8,000 per year plus a fee of \$2,000 per meeting day. Total compensation is capped at \$16,000 annually. Effective January 1, 1992, the company adopted the Outside Directors Retirement Plan which provides for each non-employee director, upon resignation from the Board after reaching the age of 65, to receive a lump sum cash payment equal to \$5,000 for each full year of service as a director of the company (and its predecessors and successors) up to \$50,000. Effective August 22, 2000, the company adopted the Non-Employee Director Stock Option Plan which provides for an initial grant to each director of 5,000 options to purchase common stock of the company and annual grants of 4,000 options on the date of each subsequent Annual Meeting. Options are granted at fair market value on the date of grant.

Change-in-Control Arrangements

Effective January 1, 1992, we adopted the Change in Control Plan for Officers so that if control of the company changes in the future, management would be free to act on behalf of the company and its shareholders without undue concern for the possible loss of future compensation. A change in control means either: (i) the accumulation by an unrelated person of beneficial ownership of more than 25 percent of the company's common stock, (ii) the sale of all or substantially all of the company's assets to an unrelated person, in a merger or otherwise, or (iii) a change of control within the meaning of any rules promulgated by the Securities and Exchange Commission.

Under the Change in Control Plan, if the employment of an officer of the company terminates for any reason within 12 months of a change in control, the officer would receive a lump sum cash payment in an amount equal to twice the total of (i) such officer's base annual salary at the time of termination, (ii) the cash value of annual benefits, and (iii) such officer's bonus for the most recent year, if any. Additionally, upon a change in control, all options shall vest and the exercise period for all options becomes the longer of (i) one year after the date of termination or (ii) the exercise period specified in the officer's option agreement. The right to such benefits would lapse one year after the occurrence of the last change in control event to occur if there were no actual termination during that period. Currently, J. Leland Strange, Francis A. Marks and Bonnie L. Herron are the only officers designated by the Board to

participate in the Change in Control Plan.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors reviews and approves compensation paid by the company to its executive officers. The Compensation Committee reviews compensation of the executive officers annually with input from the Chief Executive Officer (other than for the Chief Executive Officer). The Plan Committee is responsible for administering the 1991 Plan and the 2003 Incentive Plan, including selecting individuals who will receive stock option grants and determining the timing, pricing and amounts of the options granted. Both committees are comprised of two non-employee directors of the company.

- 6 -

Table of Contents

Given our current level of executive compensation, it was not necessary for the Compensation Committee to consider the cap on deductibility of compensation over \$1 million for named executive officers.

The basic goal of our compensation program for executive officers is to:

fairly compensate executive officers in line with their responsibilities and contributions to the company;

reward management for achievement of financial or other measurable goals of the company and specified subsidiaries, where the contribution of the executive can be tied to operations under his/her control; and

align management's compensation with shareholder interests as measured by stock price appreciation.

The compensation of executive officers consists of a base salary, a cash bonus and long-term compensation consisting of stock options. Because the company does not have readily identifiable comparative companies, the Compensation Committee determines the base salary for non-CEO executive officers with input from the Chief Executive Officer. The Committee intends the base salary to be in the median range for persons with similar experience and scope of responsibility. The Committee considers a number of subjective factors including the nature, scope and variety of responsibilities of each executive as well as the company's financial results and condition. The Committee considers an individual executive's performance in a variety of functions which may include line responsibility for established as well as start-up companies, corporate development activities (including acquisitions and investments), completion of significant transactions, contribution to and management of the company's minority-owned businesses and other corporate or subsidiary functions.

Cash bonuses are earned on an irregular basis by the named executives based on achievement of goals of the company as a whole or those subsidiaries or projects for which the named executive has management responsibility.

Our long-term incentive compensation plan is based on the 2003 Incentive Plan, which is designed to reward executives for increases in the market price of our stock, thus linking the interest of executives and shareholders. The Plan Committee, in its sole discretion, grants options to those individuals whose contribution is most likely to have an impact on our overall performance and price of the company's common stock. The Committee intends for the number of options granted to an individual executive to provide an adequate financial incentive over a three to five year time frame and to provide the executives with an equity interest in the company. The number of options granted to an executive officer depends upon a subjective evaluation of the individual's contribution to the company. The Plan Committee granted an aggregate of 100,000 options to purchase shares of the company's common stock in 2003. There were no options grants in 2004 or 2002. The named executive officers currently have an aggregate of 80,000 unexercised stock options under the 2003 Plan.

It is our policy to provide executives with the same benefits provided to all other employees with respect to medical, dental, life insurance and 401(k) plans.

Chief Executive Officer Compensation

The Compensation Committee reviews the compensation of the Chief Executive Officer annually. Mr. Strange, the largest shareholder of the company, does not have an employment agreement with the company. Since there have not been directly comparable peer group companies, the Compensation Committee considers a number of subjective factors in setting Mr. Strange's compensation. The Compensation Committee considered the nature, scope and variety of his responsibilities; his contribution to increasing the value of the company's majority and minority-owned companies; his performance as chief executive of the company's CoreCard Software subsidiary; and the company's financial results and condition. The Compensation Committee believes Mr. Strange's compensation is appropriate in consideration of the scope of his position, the performance of the company and the value of his contribution to the

company's operations and affiliate companies. Mr. Strange was awarded stock options in 2003 under the same conditions as described above for all executive officers. In determining the number of options granted, the Plan Committee considered his base salary, the number of shares owned by Mr. Strange, and the number of options granted to other executives.

Compensation Committee Interlocks and Insider Participation

Messrs. Napier and Peatman served as members of the Compensation Committee and the Plan Committee in 2004. Neither of these individuals is a present or former officer or employee of the company.

Audit Committee Report

In March 2004, the Board of Directors amended the company's Audit Committee Charter. The Audit Committee Charter includes organization and membership requirements, a statement of policy and the Committee's authority and responsibilities. All members of the Audit Committee currently meet the independence and qualification standards set forth in the AMEX listing standards.

Management is responsible for our company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report thereon. As outlined in more detail in the Audit Committee Charter, the Audit Committee's responsibility is generally to approve all services provided by and compensation paid to the independent auditors; review the adequacy of the company's internal and disclosure controls and risk management practices; review and monitor the annual audit of the financial statements including the financial statements produced and notes thereto; review SEC filings containing the company's financial statements; regularly meet with the independent auditors and management in separate sessions; and authorize investigations into any matter within the scope of their responsibilities. During fiscal year 2004, among its other activities, the Audit Committee:

terminated the company's former independent auditors due to cost considerations;

engaged the new independent auditors and established their compensation;

reviewed and discussed with management and the independent auditors the audited financial statements of the company as of December 31, 2004 and for the year then ended;

discussed with the independent auditors the matters required to be discussed by auditing standards generally accepted in the United States (SAS No. 61); and

received from the independent auditors the written disclosures and written affirmation of their independence required by Independence Standards Board Standard No. 1 and discussed with the auditors the firm's independence.

Based upon the reviews and discussions summarized above, the Audit Committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

Nominations Process

The Board of Directors has not appointed a standing nominating committee or adopted a formal nominating committee charter because the Board of Directors has determined that due to the size, make-up, independence, long

tenure and low turnover of the current Board of Directors, there would be limited benefit to the company or its shareholders to do so. Currently, James V. Napier, Parker H. Petit and John B. Peatman, all of whom meet the applicable AMEX independence requirements, participate in the consideration of director nominees. They met once during 2004. Messrs. Napier, Petit and Peatman also nominate the officers of the company for election by the Board of Directors.

The Board of Directors has never received a recommendation from a shareholder as to a candidate for nomination to the Board of Directors and therefore has not previously formed a policy with respect to consideration of such a candidate. However, it is the Board's intent to consider any security holder nominees that may be put forth in the future. The Board has not identified any specific, minimum qualifications or skills that it believes must be met by a nominee for director. It is the intent of the Board to review from time to time the appropriate skills and characteristics of directors in the context of the current make-up of the Board

and the requirements and needs of the company at a given time. Given the current composition, stability and size of the Board of Directors and the company, the fact that the director nominee is standing for re-election and the fact that the Board has received no nominee candidates from security holders, the Board has not considered other candidates for election at the upcoming Annual Meeting of Shareholders. There is one vacancy on the Board of Directors at the present time due to the retirement of a director as of December 31, 2003, whose term on the Board extends until the Annual Meeting of Shareholders in 2005. The Board has not presently named a nominee for the vacant seat but may do so in the future. Security holders wishing to nominate a candidate for consideration at the Annual Meeting of Shareholders in 2006 should submit the nominee's name, affiliation and other pertinent information along with a statement as to why such person should be considered for nomination. Such nominations should be addressed to the Board of Directors in care of the Secretary of the company and be received no later than 120 days before the date of the Annual Meeting of Shareholders. The board will evaluate any such nominees in a manner similar to that for all director nominees.

Communication Between Security Holders and the Board of Directors

Security holders wishing to communicate with members of the Board of Directors should send a letter to the Secretary of the company with instructions as to which director(s) is to receive the communication. The Secretary will forward the written communication to each member of the Board of Directors identified by the security holder or, if no individual director is identified, to all members of the Board of Directors. The company has not in the past required members of the Board of Directors to attend each Annual Meeting of Shareholders because the formal meetings have been attended by very few shareholders, and have generally been very brief and procedural in nature. One of the company's directors attended the 2004 Annual Meeting of Shareholders. The board will continue to monitor shareholder interest and attendance at future meetings and reevaluate this policy as appropriate.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, and regulations of the Securities and Exchange Commission thereunder require our executive officers and directors and persons who own more than ten percent of our common stock, as well as certain affiliates of these persons, to file initial reports of ownership of our common stock and changes in such ownership with the Securities and Exchange Commission. The Securities and Exchange Commission also requires executive officers, directors and persons owning more than ten percent of our common stock to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms received by us, we believe that, during the fiscal year ended December 31, 2004, the executive officers, directors, and persons owning more than ten percent of our common stock complied with all applicable filing requirements in a timely manner.

CODE OF ETHICS

The company adopted a Code of Ethics that applies to all directors, officers, and employees. The Code of Ethics is posted on our website at www.intelsys.com. The company discloses on its website, within the time required by the rules of the SEC, any waivers of, or amendments to, the Code of Ethics for the benefit of an executive officer.

INDEPENDENT PUBLIC ACCOUNTANTS

On November 22, 2004, the Audit Committee dismissed BDO Seidman, LLP as its independent public accountants. The audit reports issued by BDO Seidman, LLP on the consolidated financial statements of Intelligent Systems

Corporation as of and for the fiscal years ended December 31, 2002 and December 31, 2003 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the term of their engagement from July 3, 2002 through the date of their dismissal, there were no disagreements between us and BDO Seidman, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to BDO Seidman's satisfaction, would have caused BDO Seidman to make reference to the subject matter of the disagreements in connection with its reports on our consolidated financial statements for such periods, nor have there been any reportable events as listed in Item 304(a)(1)(IV) of Regulation S-B. We provided BDO Seidman, LLP with a copy of the foregoing disclosures, and a letter from BDO Seidman, LLP confirming its agreement with these disclosures was filed on November 24, 2004 on Form 8-K.

Table of Contents

Effective November 24, 2004, the Audit Committee appointed Tauber & Balser, PC as the company's new independent public accountants. Prior to its engagement of Tauber & Balser, PC in 2004, the company did not consult with Tauber & Balser, PC with respect to any of the matters or reportable events set forth in Item 304(a)(2) of Regulation S-B.

Tauber & Balser, PC, Atlanta, Georgia, acted as our principal independent public accountants for the fiscal year ended December 31, 2004. We expect that representatives of Tauber & Balser, PC will be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions. The Audit Committee has not yet selected auditors for the current fiscal year ending December 31, 2005 because historically this decision is made in the second quarter of the year. The following is a summary of fees and expenses billed to the company by BDO Seidman, LLP, our former auditor, and Tauber & Balser, PC for services rendered for the fiscal years ended December 31, 2003 and 2004:

Audit Fees - We were billed fees of \$92,905 by BDO Seidman, LLP for the annual audit and quarterly reviews of the consolidated financial statements for the year ended December 31, 2003 and \$39,510 for review of the first three quarters in the year ended December 31, 2004. For the audit of our financial statements for the fiscal year ended December 31, 2004, we were billed (or expect to be billed) fees of \$75,000 to \$85,000 by Tauber & Balser, PC. Such services were pre-approved by the Audit Committee.

Audit-Related Fees - These fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the company's Financial Statements and are not reported under Audit Fees. BDO Seidman, LLP billed us \$6,000 related to transition activities to the new auditors in 2004 and \$7,500 related to their consent included in our Form 10-KSB for the year ended December 31, 2004. There were no such fees billed in 2003.

Fees for Tax Services - We did not pay any fees for tax services to BDO Seidman, LLP or Tauber & Balser, PC during the two years ended December 31, 2004.

All Other Fees - We were not billed any fees for any other services by BDO Seidman, LLP or Tauber & Balser, PC during the two years ended December 31, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In 2003, J. Leland Strange, a director, and President and Chief Executive Officer of the company, participated as a common shareholder in the pro rata distribution of the escrow fund related to the sale in April 2001 of PaySys International, Inc. as described more fully in Note 2 to the Consolidated Financial Statements. Mr. Strange, who had owned his shares in PaySys since 1983 prior to the company's investment in PaySys in 1994, received \$149,106, which represented his pro rata share of the escrow funds released.

The lease on our headquarters and primary facility at 4355 Shackleford Road, Norcross, Georgia expired May 31, 2004. The former landlord was unwilling to renew this lease and had instead expressed a desire to sell the facility. On June 1, 2004, ISC Properties, LLC, an entity controlled by our Chairman and Chief Executive Officer, J. Leland Strange, purchased the facility from the former landlord and leased approximately 45 percent of the facility to the company in order to allow us to stay in the present facility and to avoid the disruption and expense of a move. After careful consideration, the Board of Directors concluded that the lease transaction was fair to the company and in the best interests of the company and its shareholders, and approved the lease transaction between the company and ISC Properties, LLC effective June 1, 2004. Mr. Strange recused himself from deliberations concerning, and voting to approve, the lease transaction. In connection with this approval, the Board of Directors waived the conflict of interest

provisions of our Code of Ethics as they apply to Mr. Strange in connection with the lease transaction. We also evaluated the arrangement to determine if ISC Properties, LLC should be considered a Variable Interest Entity (VIE) within the guidance of Financial Accounting Standards Board FIN No. 46. After carefully considering the characteristics of the relationship between the company and ISC Properties, LLC, it was determined that ISC Properties, LLC did not meet the criteria of a VIE and, as a result, ISC Properties, LLC is not consolidated with the company.
