Item 1.01 Entry into a Material Definitive Agreement.

Combination Agreement

On January 29, 2007, Bowater Incorporated, a Delaware corporation (Bowater), Abitibi-Consolidated Inc., a corporation amalgamated under the laws of Canada (Abitibi), Alpha-Bravo Holdings Inc., a Delaware corporation (Parent), Alpha-Bravo Merger Sub Inc., a Delaware corporation (Merger Sub) and Bowater Canada Inc., a corporation incorporated under the laws of Canada (ExchangeCo), entered into a Combination Agreement and Agreement and Plan of Merger (together with the exhibits thereto, the Agreement). Pursuant to the Agreement, the name of Parent is being changed to AbitibiBowater Inc. Parent is a newly formed entity owned 50% by each of Abitibi and Bowater, and Merger Sub is a newly formed, wholly owned direct subsidiary of Parent.

Also, on January 29, 2007, Abitibi and Bowater issued a joint press release announcing the execution of the Agreement. A copy of such press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The Agreement provides that Merger Sub will merge with and into Bowater (the Merger) and each issued and outstanding share of Bowater common stock will be cancelled and converted into the right to receive 0.52 (the Bowater Exchange Ratio) of a share of Parent common stock. In the Merger, Bowater will be the surviving corporation and continue as a wholly owned subsidiary of Parent, and the former stockholders of Bowater will become stockholders of Parent. In addition, pursuant to the Agreement and the Plan of Arrangement contained as Exhibit B to the Agreement, and except as described in the following paragraph, each issued and outstanding common share of Abitibi will be transferred to Parent in exchange for 0.06261 (the Abitibi Exchange Ratio) of a share of Parent common stock (the Arrangement) (the Merger and the Arrangement are referred to collectively as the Transactions). As a result, Abitibi will continue as a wholly owned subsidiary of Parent and the former shareholders of Abitibi who receive Parent shares pursuant to the Arrangement will become stockholders of Parent.

Pursuant to the Arrangement, any non-tax exempt Canadian resident holder of Abitibi common shares may elect to receive, in lieu of shares of Parent common stock, exchangeable shares of ExchangeCo which are exchangeable for corresponding shares of Parent common stock.

All Abitibi and Bowater stock options, stock appreciation rights and other stock-based awards outstanding at the effective time of the Transactions, whether vested or unvested, will be converted into options, stock appreciation rights or stock-based awards with respect to Parent common stock (except for those options, stock appreciation rights or stock-based awards of Bowater that are required to be repurchased by Bowater pursuant to the applicable terms of the Bowater plans pursuant to which each option, stock appreciation right or stock-based award was initially issued). The number of shares subject to such converted stock options, stock appreciation rights and stock-based awards will be adjusted by multiplying the number of shares subject to such Abitibi or Bowater stock option, stock appreciation right or stock-based award by the Abitibi Exchange Ratio, in the case of Abitibi, and by the Bowater Exchange Ratio, in the

case of Bowater. Similarly, the exercise price of the converted stock options or base price of the stock appreciation rights will be adjusted by dividing such price by the Abitibi or Bowater Exchange Ratio as appropriate, rounded to the nearest one-hundredth of a cent. The options, stock appreciation rights and other stock-based awards to acquire Parent common stock will be issued subject to the same terms and conditions as were applicable under the respective Abitibi or Bowater plans pursuant to which each option, stock appreciation right or stock-based award was initially issued but taking into account any changes thereto, including acceleration thereof, by reason of the Agreement or the Transactions.

The Agreement provides that following the effective time of the Transactions, Parent will have a fourteen member Board of Directors which will include seven directors named by each of Abitibi and Bowater. John W. Weaver, President and Chief Executive Officer of Abitibi, will be the Executive Chairman of Parent, and David J. Paterson, Chairman, President and Chief Executive Officer of Bowater, will be the President and Chief Executive Officer of Parent.

Abitibi and Bowater have each made customary representations, warranties and covenants in the Agreement, including, among others, covenants to conduct their businesses in the ordinary course between the execution of the Agreement and the consummation of the Transactions and covenants not to engage in certain kinds of transactions during that period. In addition, Abitibi and Bowater have made certain additional customary covenants, including, among others, covenants, subject to certain exceptions, (A) to cause stockholder meetings to be held to consider approval of the Transactions and the other transactions contemplated by the Agreement, (B) not to solicit proposals relating to alternative business combination transactions, and (C) not to enter into discussions concerning, or provide confidential information in connection with, alternative business combination transactions unless the failure to do so would be inconsistent with the fiduciary duties of their Boards.

Consummation of the Transactions is subject to customary conditions, including, among others, (i) approval of the stockholders of each of Abitibi and Bowater, (ii) receipt of the interim order and the final order of the Superior Court, District of Montreal, Province of Quebec, approving the Arrangement, (iii) absence of any material adverse effect, (iv) expiration or termination of the applicable Hart-Scott-Rodino Act waiting period, (v) approval under the Competition Act (Canada), (vi) receipt of certain notices under the Investment Canada Act, (vii) the absence of any order or injunction prohibiting the consummation of the Transactions, (viii) the registration statement of Parent filed on Form S-4 having become effective, (ix) shares of Parent common stock having been approved for listing on the New York Stock Exchange and the Toronto Stock Exchange and exchangeable shares of ExchangeCo having been approved for listing on the Toronto Stock Exchange, (x) subject to certain exceptions generally qualified by material adverse effect, the accuracy of representations and warranties with respect to Abitibi's and Bowater's business, as applicable, and (xi) the holders of no more than 12% of Abitibi's common shares having exercised their dissent rights in respect of the Arrangement.

The Agreement contains certain mutual termination rights for Abitibi and Bowater, and further provides that, upon termination of the Agreement under specified circumstances, a party would be required to pay the other party's fees and expenses in an amount not to exceed \$12,000,000 and a termination fee of \$28,000,000.

Either Abitibi or Bowater may terminate the Agreement if, (i) the Transactions have not been consummated by January 31, 2008, (ii) a required governmental approval is finally or unappealably denied or the Transactions become illegal, (iii) either party does not obtain the necessary shareholder approval, (iv) there is a breach of any representation, warranty, covenant or agreement by the other party such that the terminating party's conditions to closing are incapable of being satisfied by January 31, 2008, (v) the other party's Board of Directors changes its recommendation to the shareholders that the Transactions be approved or if the other party intentionally violates certain obligations with respect to its meeting of shareholders, the joint proxy statement/management information circular and other securities filings of the parties, or the solicitation of alternate business combination transactions.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 2.1 hereto, and is incorporated into this report by reference.
