(f) Such Reporting Person is a citizen of the United States of America.

ITEM 3. Source and Amount of Funds or Other Consideration.

Each Reporting Person will use his personal funds to acquire the shares of the Issuer s common stock in the transactions described in Item 4 of this 13D.

ITEM 4. Purpose of Transaction.

On June 2, 2008, Halpryn entered into each of two stock purchase agreements, the first (as amended, the Keating Agreement) by and among KI Equity Partners V, LLC, Mr. Kevin R. Keating and Halpryn, individually and as agent for certain investors (the Investors), and the second by and between Garisch Financial, Inc. and Halpryn, individually and as agent for the Investors (as amended, the Garisch Agreement) and, together with the Keating Agreement, the Agreements) (KI Equity Partners V, LLC, Mr. Keating and Garisch Financial, Inc. are referred to collectively as the Sellers and each, a Seller). Subject to the satisfaction or waiver of numerous conditions, Halpryn has the right under the Agreements to acquire an aggregate of 74,600,000 shares (the Shares) or approximately 94% of the Issuer s common stock as follows: 69,100,000 shares under the Keating Agreement and 5,500,000 shares under the Garisch Agreement, for an aggregate purchase price of \$926,273.46 and \$73,726.54, respectively.

As contemplated by the Agreements, Halpryn has severally assigned to the Investors his right to acquire directly from the Sellers an aggregate of 73,434,374 of the Shares (the Assigned Shares), of which, upon Closing (as defined below), 32,637,500 shares will be acquired by Glauser. Halpryn disclaims beneficial ownership of all Assigned Shares.

The closings of the transactions (the Closing) contemplated by the Agreements are subject to the fulfillment of conditions precedent, including that: (i) the existing directors of the Issuer will increase the size of the Issuer s board of directors (the Board) to five directors; (ii) the Issuer s existing directors and officers will resign effective upon the Closing; (iii) the existing directors will appoint the designees of the Investors as detailed in the Issuer s Information Statement on Schedule 14f-1, as amended, as originally filed with the Securities and Exchange Commission on June 11, 2008; and (iv) the existing directors will appoint Halpryn as the Issuer s President and Chief Executive Officer.

As soon as practical after the Closing, it is anticipated that Halpryn will cause the Issuer to issue to the Reporting Persons and the Investors, in a private placement transaction (the Private Placement), an aggregate of 31,437,000 shares of common stock (the Post-Closing Shares), providing anticipated gross proceeds of \$500,000 for working capital purposes. In the aggregate, upon consummation of the Private Placement, the separate common stock holdings of the Reporting Persons and each of the Investors will comprise approximately 95.8% of the Issuer's then issued and outstanding common stock. Halpryn and Glauser will respectively acquire 7,476,110 and 8,448,694 of the Post-Closing Shares in the Private Placement, after which Halpryn will beneficially own an aggregate of 8,641,736 shares, or approximately 7.8% of the Issuer's then outstanding common stock, and Mr. Glauser will beneficially own a total of 41,086,194 shares, or approximately 37.1% of the Issuer's then outstanding common stock. No other Investor will have direct, indirect, sole or shared beneficial ownership of 5.0% or more of the Issuer's outstanding common stock. In addition, following the consummation of the foregoing transactions, there will not exist any agreement between or among any of the Reporting Persons or the Investors regarding the purchase, disposition, holding or voting of any of the Issuer's securities. Accordingly, each Reporting Person disclaims beneficial ownership of the shares of common stock held by one another and by each of the Investors.

After giving effect to the transactions described in this Item 4, the Reporting Persons and Investors' beneficial ownership of the Issuer's common stock will be as set forth in the table below. Unless otherwise indicated, each person named in the table below will have the sole power to vote and dispose of the number of shares beneficially owned by such person. To the Reporting Persons' knowledge, the source of funds for each Investor's purchase of Shares and Post-Closing Shares is the personal funds of such Investor.

From and after Closing, the Reporting Persons anticipate that the Issuer, which is a shell company (as defined in Rule 12b-2 of the Securities Exchange Act of 1934, as amended), will continue to follow its current business plan, which is to seek a target company with which to merge or to complete a business combination. As of the date of this 13D, no agreement has been entered into in respect of such a transaction, and there is no assurance that any such transaction will be effected in the near future or at all.

Except as described in this 13D, neither of the Reporting Persons has any present plan or proposal that relates to, or could result in, any of the events referred to in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D. Given the Issuer's business plan and status as a shell company, however, the Reporting Persons may at any time in the future propose that the Issuer take one or more of such actions.

ITEM 5. Interest in Securities of the Issuer.

Because of the substantial conditions precedent to the consummation of the transactions described herein, each Reporting Person disclaims current beneficial ownership of the shares reported in this 13D; however, the Reporting Persons have determined to file this 13D because such position is not free from doubt. After giving effect to the transactions described in Item 4 of this 13D, the Reporting Persons' beneficial ownership of the Issuer's common stock will be as set forth in the table below. Each of the Reporting Persons will have the sole power to vote and dispose of the number of shares beneficially owned by such person.

ITEM 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The Agreement Description is merely a summary and is qualified in its entirety by the full text of the Agreements, which are attached as Exhibits 99.1 and 99.2 to this 13D and are hereby incorporated herein by reference.

Halpryn has entered into a separate subscription agreement (a Subscription Agreement) with each Investor in connection with the assignment of the Assigned Shares to such Investor and the acquisition in the Private Placement of a portion of the Post-Closing Shares by such Investor. Each Subscription Agreement provides that the Investor party thereto will purchase from the Sellers a portion of the Shares and, in the Private Placement, a portion of the Post-Closing Shares. In addition, each Subscription Agreement contains terms, disclosure, covenants and conditions that are customary in private securities transactions exempt from registration under the Securities Act of 1933, as amended, pursuant to Section 4(2) therein and Rule 506 of Regulation D promulgated thereunder. The foregoing description of the Subscription Agreement is merely a summary and is qualified in its entirety by the full text of the form of Subscription Agreement attached as Exhibit 99.3 to this 13D and incorporated herein by reference.
