REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Plan Administration Committee  
of the SCHOTTENSTEIN STORES CORPORATION  
AND AFFILIATES ASSOCIATES PROFIT SHARING  
AND 401(K) PLAN NO. SS7:

We have audited the accompanying statements of net assets available for plan benefits of the SCHOTTENSTEIN STORES CORPORATION AND AFFILIATES ASSOCIATES PROFIT SHARING AND 401(k) PLAN NO. SS7 (the "Plan") as of December 31, 1999 and 1998, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 1999. These financial statements and the schedules referred to below are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements and schedules based on our audits.

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form 11-K/A

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 1999 and 1998, and the changes in net assets available for plan benefits for the year ended December 31, 1999, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets Held for Investment Purposes and Schedule of Nonexempt Transactions are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

### INDEPENDENT AUDITORS' REPORT

To the Plan Committee  
of The Profit Sharing and 401(k) Plan No. SS7:

We have audited the accompanying financial statements of The Profit Sharing and 401(k) Plan No. SS7 (formerly "the Schottenstein Stores Corporation and Affiliates Associated Profit Sharing and 401(k) Plan No. SS7") (the "Plan") as of December 31, 2000, and for the year then ended, listed in the Table of Contents. These financial statements and the schedule referred to below are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements and schedule based on our audit. The statement of net assets available for plan benefits of The Profit Sharing and 401(k) Plan No. SS7 as of December 31, 1999 was audited by other auditors whose report, dated December 15, 2000, expressed an unqualified opinion on that statement.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial

statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2000, and the changes in net assets available for plan benefits for the year ended December 31, 2000, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic 2000 financial statements taken as a whole. The supplemental schedule listed in the Table of Contents is presented for the purpose of additional analysis and is not a required part of the basic 2000 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management. Such schedule has been subjected to the auditing procedures applied in our audit of the basic 2000 financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic 2000 financial statements taken as a whole.

THE PROFIT SHARING AND 401(k) PLAN NO. SS7

Notes to Financial Statements for the  
Years Ended December 31, 2000 and 1999

1. DESCRIPTION OF THE PLAN

GENERAL - The following description of The Profit Sharing and 401(k) Plan No. SS7 (the Plan) (formerly "the Schottenstein Stores Corporation and Affiliates Associated Profit Sharing and 401(k) Plan No. SS7") is provided for general information only. Interested parties should refer to the Plan document for more complete information.

The Plan was adopted by Schottenstein Stores Corporation and affiliated companies (the "Company") effective August 1, 1989 for the profit sharing provisions of the Plan and effective October 1, 1989 for the 401(k) provisions of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

The Plan is administered by the Company, and all Plan expenses, with the exception of loan fees, are paid by the Company. Reliance Trust Company is the trustee and asset custodian of the Plan.

CONTRIBUTIONS TO THE PLAN - The Plan is a defined contribution plan. Pursuant to the 401(k) feature of the Plan, an eligible employee may contribute up to 20% of his or her cash compensation on a pretax basis within certain dollar limitations imposed by the Internal Revenue Service. The Company matches employee contributions on the first \$50,000 of gross wages as follows:

EMPLOYEE CONTRIBUTION	EMPLOYER MATCH
1.0 %	1.5 %
2.0 %	2.5 %
3.0 %	3.0 %

Effective January 1, 2001 the match formula will be as follows:

EMPLOYEE CONTRIBUTION	EMPLOYER MATCH
1.0 %	1.0 %
2.0 %	2.0 %
3.0 %	3.0 %
4.0 %	3.5 %
5.0 %	4.0 %
6.0 %	4.5 %

Effective January 1, 2001 there will no longer be a \$50,000 gross wages limitation. The Company may also elect to make a discretionary profit sharing contribution. Such contributions are allocated to eligible participants, as defined by the Plan, based on the ratio of each participant's compensation to the total of all eligible participants' compensation. Total discretionary contributions for 2000 were approximately \$1,800,000.

INVESTMENTS - Participants have the option to direct the investment of their accounts among alternative investment funds selected by the Plan committee.

Years Ended December 31, 2000 and 1999

ELIGIBILITY AND VESTING - Employees are eligible for participation in the Plan after completing 60 days of service, and having attained the age of twenty and one-half years.

Amounts contributed by the participants and earnings thereon are fully vested and nonforfeitable at all times. Amounts contributed by the Company (matching and profit sharing contributions) to a participant's account and earnings thereon vest at the rate of 25% per year, beginning with the second full year of plan matching participation. Participants are fully vested at the end of the fifth year of matching participation.

ALLOCATION OF INVESTMENT INCOME AND FORFEITURES - Investment income for each fund is allocated to the applicable participants' accounts based on the ratio of each participant's account balance to the total of all participants' account balances in that fund, as defined. Forfeitures have historically been used to offset employer contributions after five consecutive one year service breaks, as defined by the Plan, based on the ratio of each eligible participant's compensation to the total of all eligible participants' compensation. The Plan's forfeitures are immediately available to offset employer contributions.

BENEFIT PAYMENTS - Benefits are generally payable upon the participating employee's retirement, death, disability or termination of employment and are paid as a lump-sum amount.

NET ASSETS TRANSFERRED - In 2000, the net assets of two affiliated Companies' 401(k) plan were transferred to the Plan, and the affiliated Companies' 401(k) plan were merged into the Plan. The total amount of transferred assets was \$16,948,402.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING - The financial statements are prepared using the accrual basis of accounting.

USE OF ESTIMATES - The preparation of financial statements in

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form 11-K/A

conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

VALUATION OF INVESTMENTS - Investments are stated at fair value.

Unrealized appreciation (depreciation) of assets is based on fair values at year end and fair values at the beginning of the Plan year or cost at the time of purchase during the year. Realized appreciation (depreciation) on sale or redemption of assets is based on the proceeds and the fair value of the assets at the beginning of the Plan year or cost at the time of purchase during the year.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

PARTICIPANT LOANS - Subject to certain provisions, a participant may borrow from their account balances. The participant executes a promissory note with an interest rate based upon prevailing commercial lending rates. Loan principal and interest are paid over a period in excess of one year as determined by the Plan Committee. Participant loans are valued at cost which approximates fair value.

#### 3. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated September 26, 1996, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Company adopted the proposed amendments in April 1997. The Plan has been amended since the latest determination letter. However, the Plan Administrator believes the Plan, as currently designed, is in compliance and is being operated within the applicable requirements of the IRC.

#### 4. INVESTMENTS

The fair value of investments, which represent 5% or more of net assets available for Plan benefits, as of December 31, 2000 and 1999, are as follows:
