Item 7.01. Regulation FD Disclosure.

On April 10, 2008, The Scotts Miracle-Gro Company (the "Company") learned of a criminal investigation, which the Company understands is being jointly led by the U.S. Department of Justice ("DOJ"), the U.S. Environmental Protection Agency ("USEPA") and the Ohio Department of Agriculture ("ODA"). Based upon information from representatives of the DOJ and USEPA, as well as the Company's review of its files, the Company believes that at this time the investigation is focused on the status of registrations of the Company's products with the USEPA and discrepancies in the files with respect to such registrations. At this time, the Company believes that the federal and state registrations of four products, as well as the labels of those products, are at issue. One of the four products relates solely to the Company's lawn services business, and another is a retail lawns product, the manufacture of which had previously been discontinued. The other two products, a specialized fertilizer product for Southern lawns and a weed and feed gardens product (Miracle-Gro® Shake 'n Feed with Weed Preventer All Purpose Plant Food), represent less than 1% of the Company's total sales. The Company promptly ceased shipping the products covered by the registrations addressed by the investigation.

The Company was in the process of working with the USEPA to establish a plan for a consumer recall of the Miracle-Gro® Shake 'n Feed with Weed Preventer All Purpose Plant Food product. However, on April 23, 2008, the USEPA issued a press release and a Stop Sale, Use or Removal order with respect to this product and the lawn services product mentioned above. The Company is complying with the USEPA order and issued a press release on April 23, 2008, with respect to the recall. A copy of the press release is attached to this Form 8-K as Exhibit 99.1. The Company is still in the process of determining the cost of the product recall but currently believes that it will be in the range of \$5 million to \$10 million.

The Company is cooperating with the DOJ, USEPA and ODA in connection with their investigation. There can be no assurance that the ultimate outcome of the investigation will not result in further action, whether administrative, civil or criminal, by the DOJ, USEPA or ODA against the Company.
