Item 1.01 Entry into a Material Definitive Agreement

On December 20, 2006, the Company amended its first lien senior secured credit facility with certain lenders; Merrill Lynch Capital, a division of Merrill Lynch Business Financial Services, Inc., as Administrative Agent, Lead Arranger and Sole Bookrunner; and General Electric Capital Corporation, as Syndication Agent (the Credit Agreement).

Borrowings under the Credit Agreement bear interest at a rate based on either LIBOR plus an applicable margin or an index rate (the Index Rate) plus an applicable margin. The applicable margin varies according to a pricing grid based on the Company s leverage ratio. The Company and its lenders amended the maximum leverage ratio and the fixed charge coverage ratio covenants in the Credit Agreement. The amendment also created a new tier to the pricing grid that provides that, if the Company s leverage ratio exceeds 6.25 to 1, then borrowings under the Credit Agreement will bear interest at a rate based on either (a) LIBOR plus 4.00% or (b) the Index Rate plus 2.00%. The amendment also increased the percentage of Excess Cash Flow (as defined in the Credit Agreement) the Company is required to use to prepay loans under the Credit Agreement from 50 percent to 75 percent..

Copies of the amendments to the Credit Agreements are filed as Exhibit 10.1 and Exhibit 10.2 hereto. The foregoing description of the amendments to the Credit Agreements does not purport to be complete, and is qualified in its entirety by reference to the full text of such amendments, which is incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant

The disclosure set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.

Item 9.01. Financial Statements and Exhibits
