- (e) On April 2, 2008, the Union Bankshares, Inc. Board of Directors adopted the 2008 Incentive Stock Option Plan of Union Bankshares, Inc. and Subsidiary (the "Plan") subject to shareholder approval at the annual meeting. The Plan is intended to replace the Company's 1998 Incentive Stock Option Plan, which expires at the May 21, 2008 annual shareholder meeting. Like the 1998 Plan, the new Plan authorizes the Board of

directors to grant to key employees of the Company and/or its subsidiary or subsidiaries stock options intended to qualify as "incentive stock options" under Section 422 A of the Internal Revenue Code as amended.

Subject to antidilution adjustments, 50,000 shares of the Company's common stock will be reserved for issuance under the Plan. Option grants will be subject to provisions typical for incentive stock options, such as a requirement that the option exercise price be at least equal to the fair market value of the underlying shares on the date of grant. In addition, the Plan requires that the optionee remain in the Company's employ for twelve months after the date of grant before the option becomes exercisable, subject to early vesting in the case of retirement, death or disability. The Plan will be administered by a Committee consisting of the non-employee directors.

No shares have yet been granted under the Plan and it is not expected that any shares will be granted unless and until the shareholders approve the Plan at the annual meeting. A copy of the new Plan is filed as Exhibit 10.1 to this report, and will be attached to the Company's annual meeting proxy statement as Appendix A to be mailed to shareholders on or about April 18, 2008.
