#### Edgar Filing: ARGAN INC - Form 8-K

The accompanying unaudited pro forma condensed combined statements of operations present the results of operations of AI as if the sale of PMD had occurred as of February 1, 2001 and the purchase of SMC had occurred on February 1, 2002. PMD is accounted for as a discontinued operation for all periods for which condensed combined proforma statements of operations are presented. The pro forma unaudited condensed combined balance sheet reflects the unaudited pro forma condensed combined financial position of AI as if the sale of PMD had occurred July 31, 2003. (See Item 2., above, for details.)

The pro forma financial data is not necessarily indicative of what the results would have been if the sale of PMD and the acquisition of SMC had occurred on the dates indicated and are not necessarily representative of the Company[]s financial position or results of operations for any future period. Because SMC and the Company were not under common control prior to July 17, 2003, historical combined results may not be comparable to, or indicative of, future performance.
