**Section 1 Registrant's Business and Operations**

**Item 1.02 Termination of a Material Definitive Agreement**

On December 14, 2004, the Board of Directors of BioSante Pharmaceuticals, Inc. terminated BioSante's Deferred Compensation Plan, which permitted BioSante's executive officers to defer the receipt of the stock portion of their annual bonus and BioSante's non-employee directors to defer the receipt of their annual stock retainer and stock compensation for attending board and committee meetings. A decision was made to terminate the plan primarily as a result of the American Jobs Creation Act of 2004, which significantly affects the design, operation and taxation of many nonqualified deferred compensation arrangements, including BioSante's plan. No BioSante executive officer or non-employee director had elected under the plan to defer any stock compensation received. BioSante's Board of Directors has not yet made any decision regarding whether to replace the plan with a new nonqualified deferred compensation plan intended to comply with the new legislation.
