ITEM 2.01 - COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On January 7, 2005, two wholly-owned subsidiaries of Urstadt Biddle Properties Inc., (the "Company") purchased The Dock Shopping Center (the "Property") located in Stratford, Connecticut from The Dock Incorporated (the "Seller"). The purchase price was approximately \$50,250,000 (excluding closing costs, fees and other expenses of approximately \$ 750,000).

The Property was acquired pursuant to Purchase and Sale Agreements dated January 6, 2005, between the Seller and the Company. There is no relationship between any Director or Officer of the Company and Seller.

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form 8-K/A

Registrant funded the purchase with cash of \$32,750,000 and borrowings under the Company's secured revolving bank credit line of \$17,500,000. Such borrowings accrue interest at a variable rate of 4.125% per annum.

Material Factors Considered by the Company:

Market and Competition:

Prior to acquiring the Property, the Company considered general regional and local economic market conditions and the Property's competitive posture within that market.

The Property acquired is a shopping center located in the Town of Stratford, Fairfield County, Connecticut. The Property contains 268,300 square feet of gross leasable area ("GLA") and is situated on 29 acres of land. At January 7, 2005, the Property was 97% leased to sixteen tenants whose primary businesses are the sale of retail products, goods and services. The Property also includes a 192 slip marina which will be leased to the former owner under a triple net lease for 1 year.

The Property is located within the highest area of retail concentration in Stratford near Route 1 a major interstate highway. The retail market of Stratford, Connecticut consists primarily of the Property and two shopping centers in the area. One shopping center is anchored by Walmart, Home Depot and Shaws; the second shopping center is anchored by a national retailer and a movie theater. The surrounding area has a dense residential population.

The Property was built in 1970 and expanded in 1986. The Property is located in a predominantly residential area in the town of Stratford, Fairfield County, Connecticut. Stratford and within five miles has a population of approximately 188,000 with a median household income of approximately \$72,050.

Tenants:

The Property's largest tenant is Stop & Shop, a subsidiary of Ahold Corporation, a national retail grocery chain occupying 60,461 square feet (22.5% of the Property's GLA). Stop & Shop also guarantees the rental income on 99,905 square feet of GLA (37.2% of the Property's GLA) which was previously occupied by a Bradlees department store. The guarantee expires in 2016. The space is currently vacant. No other tenant leases more than 10% of the Property's GLA.

Substantially all the leases are with tenants for terms longer than one year and generally provide for additional rental amounts based on each tenant's share of the cost of maintaining common areas and certain operating expenses including real estate taxes and insurance of the Property.

The following is a schedule of lease expirations of the property by year:

FOR THE YEAR ENDED DECEMBER 31, 2004

1. BUSINESS AND ORGANIZATION

The Dock Shopping Center (the "Property") is a retail property located in the Town of Stratford, Fairfield County, Connecticut. The Property is owned by The

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form 8-K/A

Dock, Incorporated, a Subchapter S Corporation. The Property, which consists of two shopping centers has an aggregate gross rentable area of approximately 268,000 square feet. The Property also includes a 192 slip marina.

On January 7, 2005, the Property was acquired by Urstadt Biddle Properties Inc., a real estate investment trust, an unaffiliated party (the "Company").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statement includes the accounts of The Dock Shopping Center ("the Property"). The accompanying financial statement was prepared in conformity with Rule 3-14 of Securities and Exchange Commission Regulation S-X. Accordingly, the financial statement is not representative of the actual operations for the periods presented, as certain expenses, which may not be comparable to the expenses expected to be incurred in the future operations of the acquired property, have been excluded. Expenses excluded consist of depreciation and amortization, leasing expenses, interest expense, and certain other expenses not directly related to the future operations of the Property. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been omitted pursuant to those rules and regulations, although the Company believes that the disclosures made are adequate to make the information not misleading.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts and disclosures during the reporting period. Actual results could differ from those estimates.

Real Estate

Significant improvements to real estate which enhance the value are capitalized as additions to the property's cost basis in the period in which the expenditures are incurred. Repairs and maintenance costs are expensed as incurred. Tenant allowances and improvements are capitalized as additions to the property's cost basis.

Rental Operations

The Property earns rental income from tenants under leasing arrangements which generally provide for minimum rents, escalations and charges to tenants for their pro rata shares of real estate taxes and operating expenses. All leases have been accounted for as operating leases. Base rental income is recorded on a straight-line basis over the terms of the related agreements. Escalation rents based on payments for real estate taxes and operating expenses are estimated and accrued. Percentage rent is recognized when a specific tenant's sales breakpoint is achieved.

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form 8-K/A

3. LEASES

Minimum future rentals on noncancelable leases which extend for more than one year at December 31, 2004 are as follows:

Year Ending December 31,	
2005	\$3,315,000
2006	3,204,000
2007	3,151,000
2008	1,618,000
2009	1,253,000
Thereafter	6,444,000

	\$18,985,000

Minimum rentals above do not include recoveries of operating expenses, real estate taxes, or percentage rents. Such amounts are reflected in the statement of revenues and certain operating expenses as escalations and percentage rent revenues. For the year ended December 31, 2004, percentage rent income of \$205,000 represents percentage rent received from Stop & Shop, a tenant who leases more than 10% of the Property's GLA.

For the year ended December 31, 2004, base rent includes approximately \$1,700,000 (52% of total base rent in 2004) received from Stop & Shop, a tenant who currently occupies 60,461 square feet of space and guarantees the rent on another 99,905 square feet of space at the Property which is currently vacant.

4. RELATED PARTY TRANSACTIONS

During the year ended December 31, 2004, The Property paid maintenance costs to Connecticut Coal, Inc. a related entity. The Property also reimbursed Connecticut Coal, Inc. for operating expenses paid on its behalf. Such expenses amounted to \$449,000 in the year ended December 31, 2004.

The Company intends to account for the acquisition of the property in accordance with SFAS 141 and 142.
