**Item 7.01. Regulation FD Disclosure.**

On September 21, 2007, Discovery Holding Company ( DHC ) stated that it was in preliminary discussions with Advance/Newhouse Programming Partnership concerning an exchange of Advance/Newhouse s interests in Discovery Communications Holding, LLC for shares of DHC. Such discussions are preliminary in nature and there are significant business and legal issues that remain to be negotiated, including matters relating to valuation and governance. A DHC spokesman cautioned that such significant business issues would need to be resolved for any transaction to proceed and that DHC could provide no assurance as to the probability, timing or terms (financial or otherwise) of any such transaction.

DHC is making this filing in response to market rumors that were published in a financial news blog based upon certain comments made by Dr. John Malone, Chairman of the Board of Directors of DHC, during a break at the Liberty Media Corporation investor conference held in New York City on September 21, 2007.

This Form 8-K is being furnished to the SEC under Item 7.01 of Form 8-K in satisfaction of the public disclosure requirements of Regulation FD.
