ITEM 3.01. NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING

Edgar Filing: LIBERTY MEDIA CORP /DE/ - Form 8-K

(d) TRANSFER OF LISTING

As previously announced, the board of directors of Liberty Media Corporation (the "Company") has determined to create two new tracking stocks: the Liberty Interactive common stock and the Liberty Capital common stock (the "Proposed Tracking Stocks"), subject to certain conditions, including the receipt of requisite shareholder approval. The Liberty Interactive common stock will be intended to track and reflect the separate economic performance of the Interactive Group, which is expected to have attributed to it, among other assets, the Company's subsidiaries QVC, Inc. and Provide Commerce, Inc. as well as a portion of the Company's parent company debt. The Liberty Capital common stock will be intended to track and reflect the separate economic performance of the Capital Group, which is expected to have attributed to it all of the Company's businesses, assets and liabilities that are not part of the Interactive Group. If the Proposed Tracking Stocks are created and issued, each share of the Company's existing Series A common stock will be exchanged for a fraction of a share of Series A Liberty Interactive common stock and a fraction of a share of Series A Liberty Capital common stock, and each share of the Company's existing Series B common stock will be exchanged for a fraction of a share of Series B Liberty Interactive common stock and a fraction of a share of Series B Liberty Capital common stock (collectively, the "Exchange").

On February 28, 2006, the board of directors of the Company determined that an application will be made to list the Proposed Tracking Stocks on The Nasdaq National Market. The Company's existing Series A common stock and Series B common stock currently trade on the New York Stock Exchange under the symbols "L" and "LMC.B", respectively. Subject to the creation and issuance of the Proposed Tracking Stocks and the listing of the Proposed Tracking Stocks on The Nasdaq National Market, the Company intends to withdraw its existing Series A common stock and Series B common stock from listing on the New York Stock Exchange effective concurrently with the Exchange. No assurances, however, can be given that the Proposed Tracking Stocks will be created or issued or that the Exchange will occur as currently contemplated or at all.

The information in this Item 3.01 does not constitute an offer to sell or a solicitation of an offer to buy any securities in any jurisdiction. The Company may not offer or sell the Proposed Tracking Stocks until an applicable registration statement has been filed with and declared effective by the Securities and Exchange Commission.
