**PRINCIPAL ACCOUNTANT FEES AND SERVICES**

The aggregate fees billed for each of the last two fiscal years for professional services rendered by Ernst & Young LLP, the Registrant's principal accountant (the "Auditor"), are as follows:

	<b>Fiscal 2004</b>	<b>Fiscal 2005</b>
Audit Fees	\$ 6,061,500	\$ 6,187,900
Audit-Related Fees	467,500	197,400
Tax Fees	1,758,000	1,693,200
All Other Fees	nil	nil

The services comprising the Audit Fees category for these two fiscal years were performed by the Auditor to comply with generally accepted auditing standards ("GAAS"). In some cases, fees in this category may include an appropriate allocation of fees for tax services or accounting consultations, to the extent such services were necessary to comply with GAAS.

The services comprising the Audit-Related Fees category for these two fiscal years consisted of fees paid in respect of assurance and related services (e.g. due diligence), including such things as employee benefit plan audits, due diligence relating to mergers and acquisitions, accounting consultations and audits in connection with acquisitions, internal control reviews, attest services that are not required by statute or regulation and consultation concerning financial accounting and reporting standards. The most significant audit-related services actually provided by the Auditor in respect of fiscal 2005 and fiscal 2004 related to benefit plan audits.

The services comprising the Tax Fees category for these two fiscal years consisted of fees paid in respect of services performed by the Auditor's tax professionals, except those services required in order to comply with GAAS which are included in the Audit Fees category. Tax services include tax compliance, tax planning and tax advice. The tax services actually provided by the Auditor in fiscal 2005 and fiscal 2004 consisted of Canadian, U.S., European and Mexican tax compliance, advisory and research services.

The services comprising the All Other Fees category captures fees in respect of all services not falling under any of the previous categories.

The Audit Committee has a process for pre-approving all services provided by, and related fees to be paid to, the Auditor. This process includes reviewing, on a quarterly basis, the details and associated costs of the services expected to be provided. Audit Committee approval is required for any services that have not been previously approved by the Audit Committee. The Audit Committee considers whether such services are consistent with the Commission's rules on auditor independence. The Audit Committee also considers whether the Auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Registrant's business, people, culture, accounting systems, risk profile, and whether the services enhance the Registrant's ability to manage or control risks and improve audit quality. The Audit Committee has delegated authority to its Chairman to pre-approve permitted non-audit services that have not previously been approved, provided that such approval is in writing and signed by the Chairman. The Chairman will report to the Audit Committee on all such pre-approvals granted under such authority at the next regularly scheduled Audit Committee meeting. None of the services provided by the Auditor in 2005 were treated as exempt from pre-approval pursuant to the de minimis provision of paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.
