PROXY STATEMENT
QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving this Proxy Statement?

This Proxy Statement is furnished by the Board of Trustees (the “Board”) of Washington Real Estate Investment Trust, a Maryland real estate investment trust (“Washington REIT,” “we” or “us”), in connection with its solicitation of proxies for exercise at the 2018 Annual Meeting of Shareholders to be held on Thursday, May 31, 2018, at 8:30 a.m., Eastern Time, at 1775 Eye Street, N.W., Suite 1000, Washington, D.C. 20006, and at any and all postponements or adjournments thereof (the “Annual Meeting”). We are furnishing a Shareholder Meeting Notice, an Important Notice Regarding the Availability of Proxy Materials (the “Proxy Availability Notice”), the Proxy Statement, form of Proxy Card and our 2017 Annual Report (the “Annual Report”) to shareholders of record as of the close of business on March 15, 2018 (the “Record Date”) on or about March 29, 2018. This Proxy Statement and our Annual Report will be available at <http://www.edocumentview.com/wre> beginning on or about March 29, 2018.

The mailing address of our principal executive offices is 1775 Eye Street N.W., Suite 1000, Washington, D.C. 20006. We maintain a website at www.washreit.com. Information on or accessible through our website is not and should not be considered part of this Proxy Statement.

You should rely only on the information provided in this Proxy Statement. No person is authorized to give any information or to make any representation not contained in this Proxy Statement, and, if given or made, you should not rely on that information or representation as having been authorized by us. You should not assume that the information in this Proxy Statement is accurate as of any date other than the date of this Proxy Statement or, where information relates to another date set forth in this Proxy Statement, then as of that date.

Why didn't I automatically receive a paper copy of the Proxy Card and Annual Report?

Pursuant to rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials via the Internet. Accordingly, rather than paper copies of all of our proxy materials, we sent the Shareholder Meeting Notice and Proxy Availability Notice to our shareholders.

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will be asked to vote upon the matters set forth in the accompanying notice of annual meeting, including the election of trustees, an advisory resolution on named executive officer compensation, the ratification of the appointment of our independent registered public accounting firm and such other business as may properly come before the meeting and at any postponement or adjournment thereof.

May I attend the meeting?

All shareholders of record of common shares at the close of business on the Record Date, or their designated proxies, are authorized to attend the Annual Meeting. Each shareholder and proxy will be asked to present a valid government-issued photo identification, such as a driver's license or passport, before being admitted. If you are not a shareholder of record but you hold your shares in "street name" (i.e., your shares are held in an account maintained by a bank, broker or other nominee), then you should provide proof of beneficial ownership on the Record Date, such as your most recent account statement, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership.

Who is entitled to vote at the Annual Meeting?

The close of business on March 15, 2018 has been fixed as the Record Date for the determination of shareholders entitled to receive notice of and to vote at the Annual Meeting. Our voting securities consist of common shares of beneficial interest, \$0.01 par value per share ("common shares"), of which 78,618,431 common shares were outstanding at the close of business on the Record Date. Washington REIT has no other outstanding voting security. Each common share outstanding as of the close of business on the Record Date will be entitled to one vote on each matter properly submitted at the Annual Meeting.

What constitutes a quorum?

The presence, in person or by proxy, of shareholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting on any matter will constitute a quorum at the Annual Meeting. Shareholders do not have cumulative voting rights. Abstentions and broker non-votes, if any, are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. A broker non-vote occurs when a broker holding shares for a beneficial

owner does not authorize a proxy to cast a vote with respect to a particular proposal because the broker does not have discretionary voting power with respect to that matter and has not received voting instructions from the beneficial owner. If that happens, the broker may vote those shares only on matters deemed “routine” by the New York Stock Exchange (the “NYSE”), the exchange on which our common shares are listed. On non-routine matters, nominees holding shares for a beneficial owner cannot vote without instructions from the beneficial owner, resulting in a so-called “broker non-vote.”

Proposal 3 (Ratification of Ernst & Young LLP) is the only proposal that is considered “routine” under the NYSE rules. Accordingly, no broker non-votes will arise in the context of voting for the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018, and the broker is permitted to vote your shares on such ratification even if the broker does not receive voting instructions from you. The treatment of abstentions and broker non-votes and the vote required to approve each proposal are set forth under the caption “Voting Matters” under each proposal below.

How do I vote?

Voting by Proxy for Shares Registered Directly in the Name of the Shareholder

If you are a “registered shareholder” and hold your common shares in your own name as a holder of record with our transfer agent, Computershare Trust Company, N.A., you may instruct the proxy holders named in the Proxy Card how to vote your common shares in one of the following ways:

Vote by Internet. You may vote via the Internet by following the instructions provided on your Proxy Card. The website for Internet voting is printed on your Proxy Card. Internet voting is available 24 hours per day until 11:59 p.m., Eastern Time on May 30, 2018. To vote online, you will be asked to enter your control number(s) to ensure the security of your vote. You will find your control number on your Proxy Card received with your Proxy Statement. If you vote by Internet, you do not need to return your Proxy Card.

Vote by Telephone. You also have the option to vote by telephone by calling the toll-free number listed on your Proxy Card. Telephone voting is available 24 hours per day until 11:59 p.m., Eastern Time, on May 30, 2018. When you call, please have your Proxy Card in hand. You will receive a series of voice instructions that will allow you to vote your common shares. You will also be given the opportunity to confirm that your instructions have been properly recorded. If you vote by telephone, you do not need to return your Proxy Card.

Vote by Mail. If you received printed materials, and would like to vote by mail, then please mark, sign and date your Proxy Card and return it promptly to our transfer agent, Computershare Trust Company, N.A., in the postage-paid

envelope provided. If you did not receive printed materials and would like to vote by mail, you must request printed copies of the proxy materials by following the instructions on the Proxy Availability Notice.

Voting by Proxy for Shares held in "Street Name"

If your common shares are held in "street name" (i.e., through a broker, bank or other nominee), then you will receive instructions from your broker, bank or other nominee that you must follow in order to have your common shares voted. The materials from your broker, bank or other nominee will include a Voting Instruction Form or other document by which you can instruct your broker, bank or other nominee how to vote your common shares.

What am I being asked to vote on?

You are being asked to consider and vote on the following proposals:

- Proposal 1 (Election of Trustees) - page 6 below: To elect six trustees to the Board to serve until the annual meeting of shareholders in 2019 and until their successors have been duly elected and qualify.

Proposal 2 (Advisory Vote on Named Executive Officer Compensation) - page 28 below: To consider and vote on a non-binding, advisory basis upon the compensation of the named executive officers as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K ("Say-on-Pay vote").

Proposal 3 (Ratification of Appointment of Ernst & Young LLP) - page 66 below: The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

We are not currently aware of any other matter to be presented at the Annual Meeting other than those described in this Proxy Statement. If any other matter not described in the Proxy Statement is properly presented at the Annual Meeting, any proxies received by us will be voted in the discretion of the proxy holders.

What are the Board's voting recommendations?

The Board recommends that you vote as follows: FOR the election of the trustee nominees listed on the Proxy Card, FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, and FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018. All properly executed proxies will be voted in accordance with the instructions contained therein. If no instructions are specified, proxies will be voted in accordance with the Board's

recommendations above. All proxies will be voted in the discretion of the proxy holders on any other matter to come before the meeting, unless otherwise instructed on the Proxy Card.

What is householding?

If you and other residents at your mailing address own common shares in street name, your broker, bank or other nominee may have sent you a notice that your household will receive only one Annual Report, Notice of Annual Meeting and/or Proxy Statement, unless you have instructed otherwise. This procedure, known as “householding,” is intended to reduce the volume of duplicate information shareholders receive and also reduce our printing and postage costs. If you wish to request extra copies, we will promptly deliver a separate copy of such documents to shareholders who write or call us at the following address or telephone number: Washington Real Estate Investment Trust, 1775 Eye Street, N.W., Suite 1000, Washington, D.C. 20006, Attention: Investor Relations; telephone 202-774-3200. Shareholders wishing to receive separate copies of our Proxy Statement and Annual Report in the future, or shareholders currently receiving multiple copies of the Proxy Statement and Annual Report at their address who would prefer that only a single copy of each be delivered there, should contact their bank, broker or other nominee record holder.

Can I change my vote after I have voted?

You may revoke your proxy at any time prior to its exercise at the Annual Meeting by (1) submitting a duly executed Proxy Card bearing a later date to the Corporate Secretary, (2) attending the Annual Meeting and voting in person, or (3) delivering a signed notice of revocation of the Proxy Card to our Corporate Secretary at the following address: c/o Corporate Secretary, Washington Real Estate Investment Trust, 1775 Eye Street, N.W., Suite 1000, Washington, D.C. 20006. If your common shares are held by a broker, bank or any other persons holding common shares on your behalf, you must contact that institution to revoke a previously authorized proxy.

Whom should I call if I have questions or need assistance voting my shares?

Please call (800) 565-9748 or email info@washreit.com if you have any questions in connection with voting your shares.

PROPOSAL 1: ELECTION OF TRUSTEES

Description of Proposal

Our Board currently consists of eight trustees. On June 1, 2017, we held our 2017 Annual Meeting of Shareholders (the “2017 Annual Meeting”). At the 2017 Annual Meeting, our shareholders voted, among other things, to approve an amendment (the “Declassification Amendment”) to Section 5.2 of the Trust’s Articles of Amendment and Restatement (the “Declaration of Trust”) to declassify the Board. As a result of the approval of the Declassification Amendment at the 2017 Annual Meeting and the filing of the Declassification Amendment, each of the trustees elected at the 2017 Annual Meeting were, each of the Trustees elected at this Annual Meeting will be, and each of the trustees elected at all future annual meetings will be, elected for a one-year term. Beginning with the 2019 annual meeting of shareholders, when the last term in the existing classified board structure is scheduled to expire, all members of the Board will be elected annually. Benjamin S. Butcher, Edward S. Civera, Ellen M. Goitia, Charles T. Nason, Thomas H. Nolan, Jr., and Vice Adm. Anthony L. Winns (RET.) (collectively, the “Trustee Nominees”) have been nominated for election as trustees at the Annual Meeting. The Trustee Nominees will be elected to serve a one-year term and until his or her successor has been elected and qualifies or the trustee’s earlier resignation, death or removal.

Each of the Trustee Nominees is currently serving as a trustee and was recommended for nomination for re-election by the members of the Corporate Governance/Nominating Committee. For biographical information with respect to each Trustee Nominee, please refer to “Corporate Governance and Board Matters - Trustees - Trustee Nominees” commencing on page 9 below.

Voting Matters

Under our bylaws, the uncontested election of the trustees requires the affirmative vote of a majority of the total votes cast for and against such trustee. A majority of votes cast means that the number of votes “FOR” a nominee must exceed the number of votes “AGAINST” that nominee. Abstentions and other shares not voted (whether broker non-votes, if any, or otherwise) will not be counted as votes cast and will have no effect on the result of this vote.

If any of the Trustee Nominees were to become unable or unwilling to stand for election for any reason not presently known or contemplated, the persons named in the enclosed Proxy Card will have discretionary authority to vote pursuant to the Proxy Card for a substitute nominee nominated by the Board, or the Board, on the recommendation of the Corporate Governance/Nominating Committee, may reduce the size of the Board and number of nominees.

Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” THE ELECTION OF MESSRS. BUTCHER, CIVERA, NASON, NOLAN AND WINNS AND MS. GOITIA.

Board Governance

Leadership Structure

The Board has concluded that Washington REIT should maintain a Board leadership structure in which either the Chairman or a lead trustee is independent under the rules of the NYSE. As a result, the Board adopted a Corporate Governance Guideline setting forth this policy. The current Corporate Governance Guideline is set forth below:

The Board annually elects one of its trustees as Chairman of the Board. The current Chairman of the Board is independent under the rules of the NYSE. In the future, the Chairman of the Board may or may not be an individual who is independent under the rules of the NYSE (and may or may not be the same individual as the Chief Executive Officer). At any time that the Chairman of the Board is not an individual who is independent under the rules of the New York Stock Exchange, the Board will appoint a Lead Independent Trustee elected by the independent trustees. The Lead Independent Trustee has authority to: (i) preside at all meetings of the Board at which the Chairman of the Board is not present, including executive sessions of the independent trustees; (ii) serve as a liaison between the Chairman of the Board and the independent trustees; (iii) approve information sent to the Board; (iv) approve meeting agendas for the Board; (v) approve meeting schedules to assure that there is sufficient time for discussion of all agenda items; (vi) call meetings of the independent trustees; and (vii) if requested by major shareholders, consult and directly communicate with such shareholders.

The Board believes that the leadership structure described in our Corporate Governance Guidelines is appropriate because it ensures significant independent Board leadership regardless of whether the Chairman is independent under the rules of the NYSE. Currently, our President and Chief Executive Officer is Paul T. McDermott, and Charles T. Nason serves as our Chairman of the Board of Trustees and is independent under NYSE rules.

The Board recognizes that one of its key responsibilities is to evaluate and determine the optimal leadership structure for the Board so as to provide independent oversight of management. The Board understands that there is no single generally

accepted approach to providing Board leadership and the appropriate Board leadership structure may vary as circumstances warrant. Consistent with this understanding, our independent trustees periodically consider the Board's leadership structure.

On February 12, 2018, the Board selected Paul T. McDermott to become Chairman of the Board effective May 31, 2018, following the Annual Meeting. At the same time, consistent with good corporate governance and best practices, and as provided in Washington REIT's existing Corporate Governance Guidelines, the independent trustees selected Mr. Nason to become Lead Independent Trustee of the Board effective when Mr. McDermott becomes Chairman of the Board (subject to Mr. Nason's re-election as a trustee at the Annual Meeting). The Board believes that combining the Chairman and Chief Executive Officer roles is an appropriate corporate governance structure for Washington REIT at this time because it will utilize Mr. McDermott's extensive experience and knowledge regarding Washington REIT's three business segments while still providing for effective independent leadership of our Board and Washington REIT through Mr. Nason's service as Lead Independent Trustee. Mr. McDermott will not receive any additional compensation or salary as Chairman.

Independence

Under NYSE rules, a majority of the Board must qualify as "independent." To qualify as "independent," the Board must affirmatively determine that the trustee has no material relationship with us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us).

The Board has determined that all trustees and Trustee Nominees, with the exception of Mr. McDermott, are "independent," as that term is defined in the applicable NYSE listing standards.

Risk Oversight

One of the key functions of the Board is informed oversight of our risk management process. As an initial matter, the Board considers actual risk monitoring and management to be a function appropriately delegated to Washington REIT management, with the Board and its committees functioning in only an oversight role. Our Board will administer this oversight function directly, with support from its three standing committees, the Audit Committee, Compensation Committee and the Corporate Governance/Nominating Committee, each of which addresses risks specific to their respective areas of oversight. The Board has adopted a policy delineating the roles of the Board and its various committees in an ongoing risk oversight program for Washington REIT, providing that:

- the Board will coordinate all risk oversight activities of the Board and its committees, including appropriate coordination with Washington REIT's business strategy;
- the Audit Committee will oversee material financial reporting risk and risk relating to REIT non-compliance;

the Compensation Committee will oversee financial risk, financial reporting risk and operational risk, in each case arising from Washington REIT's compensation plans;
the Corporate Governance/Nominating Committee will oversee executive succession risk and Board function risk;
and

- the Board will oversee all other material risks applicable to Washington REIT, including operational, catastrophic and financial risks that may be relevant to Washington REIT's business.

Under its policy, the Board also involves the Audit Committee in its risk oversight functions as required by applicable NYSE rules.

Meetings

The Board held nine meetings in 2017. During 2017, each incumbent trustee attended at least 75% of the aggregate of the total number of meetings of the Board (held during the period for which he or she has been a trustee) and the total number of meetings of all committees of the Board on which he or she served (during the periods that he or she served). All members of the Board attended the Annual Meeting in person in 2017. The Board does not have a formal written policy requiring trustees to attend the Annual Meeting, although trustees have traditionally attended. Washington REIT's trustees who qualify as "non-management" within the meaning of the NYSE rules meet at regularly scheduled executive sessions without management participation. The sessions are presided over by Mr. Nason in his capacity as Chairman. In 2017, the Board met in executive session without the Chief Executive Officer five times.

Committee Governance

Our Board has three standing committees, an Audit Committee, a Compensation Committee and a Corporate Governance/Nominating Committee. The membership and the function of each of these committees are described below.

Edward S. Civera	1	Chair	
Ellen M. Goitia (2)	1	1	
Thomas H. Nolan, Jr.	1		1
Vice Adm. Anthony L. Winns		1	Chair
Number of meetings held during 2017	7	4	3

(2) Ms. Goitia began her service on the Audit and Compensation Committees on June 1, 2017, following her election as a Trustee.

Audit Committee

All members of the Audit Committee are, and were during 2017, “independent,” under NYSE rules. The Board has determined that each member of the Audit Committee qualifies as an audit committee financial expert, as that term is defined in the rules of the SEC.

The Audit Committee operates pursuant to a charter that was approved by the Board and that is reviewed and reassessed at least annually. The Audit Committee’s oversight responsibility includes oversight relating to: (i) the integrity of Washington REIT’s consolidated financial statements and financial reporting process; (ii) Washington REIT’s systems of disclosure controls and procedures, internal control over financial reporting and other financial information provided by Washington REIT; (iii) Washington REIT’s compliance with financial, legal and regulatory requirements; (iv) the annual independent audit of Washington REIT’s financial statements, the engagement and retention of the registered independent public accounting firm and the evaluation of the qualifications, independence and performance of such independent public accounting firm; (v) the performance of Washington REIT’s internal audit function; and (vi) the fulfillment of the other responsibilities set forth in its charter.

The Audit Committee assists the Board in oversight of financial reporting, but the existence of the Audit Committee does not alter the responsibilities of Washington REIT’s management and the independent accountant with respect to the accounting and control functions and financial statement presentation. For a more detailed description of the Audit Committee’s duties and responsibilities, please refer to the “Audit Committee Report” below in this Proxy Statement. The Audit Committee’s charter is available on our website, www.washreit.com, under the heading “Investor” and subheading “Corporate Overview - Corporate Governance,” and upon written request.

Compensation Committee

All members of the Compensation Committee are “independent,” under NYSE rules. The Compensation Committee operates pursuant to a charter that was approved by the Board and that is reviewed and reassessed at least annually. The Compensation Committee’s responsibilities include, among other duties: (i) discharging responsibilities relating to compensation of Washington REIT’s Chief Executive Officer, other executive officers and trustees, taking into consideration, among other factors, any shareholder vote on compensation; (ii) implementing and administering Washington REIT’s compensation plans

applicable to executive officers; (iii) overseeing and assisting Washington REIT in preparing the Compensation Discussion & Analysis for inclusion in Washington REIT's proxy statement and/or Annual Report on Form 10-K; (iv) providing for inclusion in Washington REIT's proxy statement a description of the processes and procedures for the consideration and determination of executive officer and trustee compensation; and (v) preparing and submitting for inclusion in Washington REIT's proxy statement and/or Annual Report on Form 10-K a Compensation Committee Report.

The Compensation Committee's charter is available on our website, www.washreit.com, under the heading "Investor" and subheading "Corporate Overview - Corporate Governance," and upon written request.

Corporate Governance/Nominating Committee

All members of the Corporate Governance/Nominating Committee are "independent," under NYSE rules. The Corporate Governance/Nominating Committee operates pursuant to a charter that was approved by the Board and that is reviewed and reassessed at least annually. The Corporate Governance/Nominating Committee's responsibilities include, among other duties: (i) to identify and recommend to the full Board qualified candidates for election as trustees and recommend nominees for election as trustees at the annual meeting of shareholders consistent with criteria approved by the Board; (ii) to develop and recommend to the Board a set of corporate governance guidelines applicable to Washington REIT, and implement and monitor such guidelines as adopted by the Board; (iii) to oversee the Board's compliance with financial, legal and regulatory requirements and its ethics program as set forth in Washington REIT's Code of Business Conduct and Ethics; (iv) to review and make recommendations to the Board on matters involving the general operation of the Board, including the size and composition of the Board and the structure and composition of Board committees; (v) to recommend to the Board nominees for each Board committee; (vi) to periodically facilitate the assessment of the Board's performance, as required by applicable law, regulations and NYSE corporate governance listing standards; (vii) to oversee the Board's evaluation of management; and (viii) to consider corporate governance issues that may arise from time to time and make recommendations to the Board with respect thereto.

The Corporate Governance/Nominating Committee's charter is available on our website, www.washreit.com, under the heading "Investor" and subheading "Corporate Overview - Corporate Governance," and upon written request.

Trustee Nominee Consideration

Selection Process

The Corporate Governance/Nominating Committee's process for the recommendation of trustee candidates, is described in our Corporate Governance Guidelines. Set forth below is a general summary of the process that the Corporate Governance/

Nominating Committee currently utilizes for the consideration of trustee candidates. The Corporate Governance/Nominating Committee may, in the future, modify or deviate from this process in connection with the selection of a particular trustee candidate.

The Corporate Governance/Nominating Committee develops and maintains a list of potential candidates for Board membership on an ongoing basis. Corporate Governance/Nominating Committee members and other Board members may recommend potential candidates for inclusion on such list. In addition, the Corporate Governance/Nominating Committee, in its discretion, may seek potential candidates from organizations, such as the National Association of Corporate Directors, that maintain databases of potential candidates. Shareholders may also put forward potential candidates for the Corporate Governance/Nominating Committee's consideration by submitting candidates to the attention of the Corporate Governance/Nominating Committee at our executive offices in Washington, D.C. The Corporate Governance/Nominating Committee screens all potential candidates in the same manner regardless of the source of the recommendation.

The Corporate Governance/Nominating Committee reviews the attributes, skill sets and other qualifications for potential candidates (as discussed below) from time to time and may modify them based upon the Corporate Governance/Nominating Committee's assessment of the needs of the Board and the skill sets required to meet those needs.

When the Corporate Governance/Nominating Committee is required to recommend a candidate for nomination for election to the Board at an annual or special meeting of shareholders, or otherwise expects a vacancy on the Board to occur, it commences a candidate selection process by reviewing all potential candidates against the current attributes, skill sets and other qualifications to determine whether a candidate is suitable for Board membership. This review may also include an examination of publicly available information and consideration of the NYSE independence requirements, the number of boards on which the candidate serves, the possibility of interlocks, other requirements or prohibitions imposed by applicable laws, regulations or Washington REIT policies and practices, and any actual or potential conflicts of interest. The Corporate Governance/Nominating Committee then determines whether to remove any candidate from consideration as a result of the foregoing review. Thereafter, the Corporate Governance/Nominating Committee determines a proposed interview list from among the remaining candidates and recommends such interview list to the Board.

Following the Board's approval of the interview list, the Chairman of the Corporate Governance/Nominating Committee or, at his or her discretion, other trustees, interview the potential candidates on such list. After the completion of candidate interviews, the Corporate Governance/Nominating Committee determines a priority ranking of the potential candidates on the interview list and recommends such priority ranking to the Board.

Following the Board's approval of the priority ranking, the Chairman of the Corporate Governance/Nominating Committee or, at his or her discretion, other trustees, contact the potential candidates based on their order in the priority ranking. When a potential candidate indicates his or her willingness to accept nomination to the Board, the recommendation process is substantially complete. Subject to a final review of eligibility under Washington REIT policies and applicable laws and regulations using information supplied directly by the candidate, the Corporate Governance/Nominating Committee then recommends the candidate for nomination.

The Corporate Governance/Nominating Committee's minimum qualifications and specific qualities and skills required for trustees are also set forth in our Corporate Governance Guidelines. Our Corporate Governance Guidelines currently provide that each trustee candidate, at a minimum, should possess the following attributes: integrity, trustworthiness, business judgment, credibility, collegiality, professional achievement, constructiveness and public awareness. Our Corporate Governance Guidelines also provide that, as a group, the independent trustees should possess the following skill sets and characteristics: financial acumen equivalent to the level of a public company chief financial officer or senior executive of a capital market, investment or financial services firm; operational or strategic acumen germane to the real estate industry; public and/or government affairs acumen; corporate governance acumen, gained through service as a senior officer or director of a publicly-owned corporation or comparable academic or other experience; and diversity in terms of gender, ethnicity, experience and expertise.

Diversity Policy

The Board maintains a policy with regard to consideration of diversity in identifying trustee nominees. Consistent with this policy, the Corporate Governance/Nominating Committee specifically considers diversity as a factor in the selection of trustee nominees. As noted above, the Board defines diversity in our Corporate Governance Guidelines in terms of gender, ethnicity, experience and expertise.

The Board and the Corporate Governance/Nominating Committee both assess the policy to be effective insofar as it has been actively incorporated into discussions of the Corporate Governance/Nominating Committee with respect to Board membership occurring since the policy was adopted.

Other Governance Matters

Related Party Transactions Policy

When a reportable related party transaction arises, Washington REIT requires the review and approval of the Audit Committee. The Audit Committee will approve the transaction only if the Audit Committee believes that the transaction is in the best interest of Washington REIT.

Communications with the Board

The Board provides a process for shareholders and other interested parties to send communications to the entire Board or to any of the trustees. Shareholders and interested parties may send these written communications c/o Corporate Secretary, Washington Real Estate Investment Trust, 1775 Eye Street, N.W., Suite 1000, Washington, D.C. 20006. All communications will be compiled by the Corporate Secretary and submitted to the Board or the trustees on a periodic basis.

Corporate Governance Guidelines

Washington REIT has adopted Corporate Governance Guidelines. Our Corporate Governance Guidelines, as well as the Committee Charters, are available on our website, www.washreit.com, under the heading “Investor” and subheading “Corporate Overview - Corporate Governance,” and upon written request.

Code of Ethics and Business Conduct

Washington REIT has adopted a Code of Ethics and Business Conduct that applies to all of its trustees, officers and employees. The Code of Ethics is available on our website, www.washreit.com, under the heading “Investor” and subheading “Corporate Overview - Corporate Governance,” and available upon written request. Washington REIT intends to post on our website any amendments to, or waivers from, the Code of Ethics and Business Conduct promptly following the date of such amendment or waiver.

Trustee Compensation

General

For 2017, our non-employee trustees (other than our Chairman) received an annual retainer of \$35,000 plus an additional \$1,500 per committee meeting attended. Our Chairman received an annual retainer of \$110,000, with no additional compensation for committee meetings attended. Our Chairman does not sit on any of our committees, but routinely attends committee meetings in the course of exercising his duties as Chairman. Our Committee Chairs also received additional retainers as follows: Audit Committee, \$15,000; Corporate Governance/Nominating Committee, \$11,000; and Compensation Committee, \$11,000. Audit Committee members were also paid an additional annual retainer of \$3,750.

Each of our non-employee trustees also receives an annual \$100,000 common share grant, awarded 50% on December 15 of each calendar year and the remaining 50% on the earlier of the annual shareholder meeting date or May 15. The number of common shares is determined by the closing price of the common shares on the date of grant.

Washington REIT has adopted a non-qualified deferred compensation plan for non-employee trustees which was amended and restated effective October 21, 2015. The plan allows any non-employee trustee to defer a percentage or dollar amount of his or her cash compensation and/or all of his or her share compensation. Cash compensation deferred is credited with interest equivalent to the weighted average interest rate on Washington REIT's fixed-rate bonds as of December 31 of each calendar year. A non-employee trustee may alternatively elect to designate that all of his or her annual board retainer and/or all of his or her share compensation be converted into restricted share units at the market price of common shares as of the end of the applicable quarter. The restricted share units are credited with an amount equal to the corresponding dividends paid on Washington REIT's common shares. Following a trustee's separation from service, the deferred compensation plus earnings can be paid in either a lump sum or, in the case of deferred cash compensation only, in installments pursuant to a prior election of the trustee. Compensation deferred into restricted share units is paid in the form of shares. Upon a trustee's death, the trustee's beneficiary will receive a lump sum payout of any restricted share units in the form of shares, and any deferred cash compensation will be paid in accordance with the trustee's prior election either as a lump sum or in installments. The plan is unfunded and payments are to be made from general assets of Washington REIT.

Trustee Ownership Policy

The Board has adopted a trustee share ownership policy for non-employee trustees. Under the policy, each trustee is required to retain an aggregate number of common shares the value of which must at least equal five times the annual cash retainer.

In order to calculate the required number of shares, the annual cash retainer at the time of a trustee's election (or, if later, the policy implementation date of July 23, 2014) is multiplied by five, with the resulting product then being divided by the average closing price for the 60 days prior to the date of election (or, if later, the policy implementation date). Each non-employee trustee is required to meet the threshold within five years after their initial election to the Board. Trustees whose initial election was more than five years before the policy implementation date were required to have met their ownership goal on the policy implementation date (and Washington REIT believes all such trustees did, in fact, meet their ownership goal on the policy implementation date).

In order to effectuate the foregoing policy, common shares received by trustees as compensation vest immediately but are restricted in transfer so long as the trustee serves on the Board pursuant to an additional Board-adopted policy. As a result of the foregoing, our Board members may only sell their common shares received as compensation for Board service after the conclusion of their service on the Board. We believe this transfer restriction strongly promotes the alignment of our Board members' interests with the interests of our shareholders.

Trustee Compensation Table

The following table summarizes the compensation paid by Washington REIT to our non-employee trustees who served on the Board for the fiscal year ended December 31, 2017. All share awards are fully vested (but subject to the transfer restriction noted above). See "Principal and Management Shareholders - Trustee and Executive Officer Ownership" on page 25. Mr. McDermott does not receive any compensation for his service as a member of the Board.

PROPOSAL 2: ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Description of Proposal

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”) and Section 14A of the Securities Exchange Act, we provide our shareholders, annually, with the opportunity to vote, on an advisory basis, on the compensation of our named executive officers, or NEOs, as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. This proposal is commonly known as a say-on-pay proposal.

Please review the sections of this Proxy Statement entitled “Compensation Discussion and Analysis” for additional details regarding our executive compensation program. Please note, in particular the portion entitled “CD&A Executive Summary” on page 30 which describes significant components of our executive compensation program and actions taken by the Compensation Committee during and with respect to the 2017 compensation year.

We are asking our shareholders to indicate their support for our NEO compensation as described in this Proxy Statement. This proposal gives our shareholders the opportunity to express their views on our NEO compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our NEOs and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we will ask our shareholders to vote FOR the following resolution at the Annual Meeting:

“RESOLVED, that Washington REIT’s shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in Washington REIT’s Proxy Statement for the 2018 Annual Meeting of Shareholders, pursuant to the compensation disclosure rules of the Securities and Exchange Commission (Item 402 of Regulation S-K), including the Compensation Discussion and Analysis, the 2017 Summary Compensation Table and narrative discussions and the other related tables and disclosure.”

As provided by the Dodd-Frank Act, this vote is advisory, and therefore not binding on Washington REIT, the Board or the Compensation Committee. However, the Board and Compensation Committee value the views of our shareholders and, to the extent there is any significant vote against the NEO compensation as disclosed in this Proxy Statement, we will consider our shareholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Voting Matters

Under our bylaws, approval of the say-on-pay proposal requires the affirmative vote of a majority of the votes cast. A majority of votes cast means that the number of votes “FOR” a proposal must exceed the number of votes “AGAINST” that proposal. Abstentions and other shares not voted (whether broker non-votes, if any, or otherwise) will not be counted as votes cast and will have no effect on the result of this vote.

Notwithstanding the approval requirements set forth in the previous paragraph, the vote remains advisory, and the Board and Compensation Committee value the opinions of our shareholders regardless of whether approval (as defined in the previous paragraph) is actually obtained.

Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC.

COMPENSATION DISCUSSION AND ANALYSIS

CD&A Executive Summary

The primary goals of our executive compensation program are to attract and retain the best executive talent and to align the interests of our executives with those of our shareholders. A summary of some of the key attributes - what we do and what we don't do - that define our program, are set forth below.

Key Components: The following are key components of our executive compensation program:

WHAT WE DO

We pay for performance, with the vast majority of any executive officer's total compensation being based on performance

We use multiple performance metrics in our STIP – core FFO per share, core FAD per share and same-store NOI growth

We use TSR – and only TSR – in our LTIP

We have implemented a clawback policy applicable to our executives

We have robust share ownership guidelines (which apply to officers and Board members)

WHAT WE DON'T DO

Our STIP and LTIP do not provide awards that are solely based on time served

We do not provide tax gross ups with respect to payments made in connection with a change in control

We do not allow hedging or pledging of our shares

We do not guarantee minimum STIP or LTIP payouts or annual salary increases

We do not pay dividends on performance-based restricted shares until the performance period ends

Say-On-Pay Results and Consideration

Because our recent say-on-pay proposals received the approval of a very significant percentage of those shareholders voting (i.e., approval from holders of more than 95%, 97% and 98% of our shareholders who cast a vote in 2015, 2016 and 2017, respectively), the Compensation Committee considered such results and did not implement changes to our executive compensation program motivated by the shareholder advisory vote.

On June 1, 2017, the Board determined that, consistent with the Board's recommendation for the 2017 Annual Meeting and the vote of the shareholders, Washington REIT will hold future say-on-pay votes on an annual basis until the next required vote regarding frequency of "say-on-pay" votes is conducted.

Compensation Objectives and Components

We believe that the primary goal of executive compensation is to attract and retain the best executive talent and align the interests of our executive officers with those of our shareholders. We think attracting and retaining executive talent is imperative to creating long-term value for our shareholders. We believe providing salaries that fairly reward executives for their value to the organization is a critical base element of compensation. We view performance-based compensation as a means to further motivate and reward our executives for achievement of our financial objectives.

As a result, a substantial portion of our executive compensation program is performance-based.

Our executive compensation program primarily consists of base salary, our short-term incentive plan (the "STIP") and our long-term incentive plan (the "LTIP"). The STIP consists of annual cash and restricted share awards. The LTIP consists of awards of unrestricted shares and restricted shares. The additional components of our executive compensation program are described below under "- Other Executive Compensation Components."

The Compensation Committee makes compensation decisions after careful analysis of performance information and market compensation data. In developing our executive compensation program, the Compensation Committee established the following compensation guidelines:

- executive base salaries should generally approximate the median, but there should also be flexibility to address particular individual circumstances that might require a different result, and

- total direct compensation should approximate the 75th percentile of the peer group only in circumstances where management has achieved "top level performance" in operational performance and strategic initiatives.

An executive's salary and total direct compensation are not mechanically set to be a particular percentage of the peer group average. Instead, the Compensation Committee reviews the executive's compensation relative to the peer group to help the Compensation Committee perform its overall analysis of the compensation opportunity for each executive. Peer group data is not used as the determining factor in setting compensation because (1) the executive's role and experience within the company may be different from the officers at the peer companies, (2) the compensation for officers at the peer companies may be the result of over- or under-performance and (3) the Compensation Committee believes that ultimately the decision as to appropriate target compensation for a particular executive should be based on its own business judgment with respect to the compensation opportunity for each executive, taking into account advice from FPL Associates L.P. ("FPL"), as noted below.

2016 Omnibus Incentive Plan

At our annual meeting of shareholders in 2016, our shareholders approved our 2016 Omnibus Incentive Plan, pursuant to which we may grant equity awards in respect of up to 2,400,000 of our common shares. Effective as of the approval of our 2016 Omnibus Incentive Plan, no new awards may be granted under our 2007 Omnibus Incentive Plan, our legacy equity incentive plan.

Role of Compensation Consultant and Peer Group Analysis

The Compensation Committee engaged the services of FPL as an independent executive compensation consultant to provide advice and counsel in carrying out its duties. FPL provided the Compensation Committee with market data on executive pay practices and levels.

The Compensation Committee worked with FPL to develop a comparative group of companies and conduct a market analysis of executive compensation practices and pay levels based on this group. The Compensation Committee used the 12-company peer group set forth below for this purpose. Due to Washington REIT's unique property-type diversification and geographic focus, it is difficult to construct a peer group that matches Washington REIT's exact business model; however, the Compensation Committee, with FPL's consultation, believes the 12 companies identified below are suitable peer as they (i) fall between 0.5 to 2.0x times the size of Washington REIT based on total capitalization, (ii) operate in one or Washington REIT's existing real estate segments, and (iii) are self-advised and internally managed. FPL compared the compensation of Washington REIT's NEOs listed in the Summary Compensation Table on page 57 to the compensation of similarly situated executives employed by companies in the most recent NAREIT compensation survey and the 12-company peer group. The 12-company peer group set forth below will also be utilized for the relative total shareholder return components of the LTIP for periods that commenced on January 1, 2018, as described below on page 40.

Acadia Realty Trust	Cousins Properties Incorporated	Kite Realty Group Trust
Brandywine Realty Trust	Education Realty Trust, Inc.	Lexington Realty Trust
Columbia Property Trust	Highwoods Properties, Inc.	Mack-Cali Realty Corporation
Corporate Office Properties Trust	JBG Smith Properties	Piedmont Office Realty Trust, Inc.

FPL's data compared the compensation of Washington REIT officers based on base salary and total direct compensation, which included base salary, annual incentive compensation and an annualized present value of long-term incentive compensation. The Compensation Committee considers the amount and mix of base and variable compensation by referencing, for each executive level and position, the prevalence of each element and the level of compensation that are provided in the market based on the FPL comparison analysis.

The Compensation Committee takes into account current financial performance in its evaluation of executive compensation. In particular, the Compensation Committee takes into account current financial performance, represented by core FFO per share, core FAD per share and same-store NOI growth, in determining payouts under the STIP. The Compensation Committee does not delegate any of its principal functions or responsibilities.

Role of Executives

The Compensation Committee believes management input is important to the overall effectiveness of Washington REIT's executive compensation program. The Compensation Committee believes the advice of an independent consultant should be combined with management input and the business judgment of the Compensation Committee members to arrive at a proper alignment of compensation philosophy, programs and practices.

The Chief Executive Officer and the Executive Vice President and Chief Financial Officer are the management members who interact most closely with the Compensation Committee. These individuals work with the Compensation Committee to provide their perspective on aligning compensation strategies with our business strategy and on how well our compensation programs appear to be working.

Base Salary

Following static base salaries in 2014 and 2015, in 2016, the Compensation Committee, with assistance from FPL, undertook an extensive review of the pay levels of our NEOs and noted that, in general, the levels of base salary ranked materially below the market median of our peers. As a result of the review, the Compensation Committee felt that an adjustment was appropriate for 2016 in order to better align with Washington REIT's compensation philosophy in which we seek to approximate the market median across the collective NEO group. In addition, the Compensation Committee also took into account the broader risk-reward profile of the compensation program in which the majority of compensation is tied to incentive pay that may be considered to be "at-risk". During 2017, the Compensation Committee reviewed the pay levels of our NEOs and determined to make no changes for 2017.

The base salaries for our NEOs, as determined by our Compensation Committee for our Chief Executive Officer and our Chief Executive Officer for our Executive Vice Presidents, were as follows.

Position (1)	Name	2017 Base Salary	2016 Base Salary (1)	2015 Base Salary
President and Chief Executive Officer	Paul T. McDermott	\$ 650,000	\$650,000	\$500,000
Executive Vice President	Thomas Q. Bakke	425,000	425,000	350,000
Executive Vice President	Stephen E. Riffie	425,000	425,000	400,000
Senior Vice President	Taryn D. Fielder	325,000	N/A	N/A

(1) Base salaries of our NEOs were increased on July 1, 2016. Ms. Fielder joined Washington REIT as Senior Vice President, General Counsel and Corporate Secretary on March 29, 2017.

The Compensation Committee, acting in consultation with FPL Associates L.P., reviews and approves salary recommendations annually based on the considerations described above. The 2017 compensation for each of our NEOs was determined based on a review of publicly disclosed compensation packages of executives of other public real estate companies and was intended to ensure that executive salaries generally approximate the median of the peer group. The targeted compensation by component for our CEO and all other NEOs in 2017 was as follows:

Short-Term Incentive Plan (STIP)

Plan Summary

Under the STIP, executives are provided the opportunity to earn awards, payable 50% in cash and 50% in restricted shares, based on achieving various performance objectives within a one-year performance period. The cash component of the award is paid following completion of the one-year performance period. The restricted shares are subject to a ratable vesting schedule that runs for three years from the January 1 following completion of the one-year performance period. The table below sets forth each executive's total award opportunity under the STIP for the achievement of threshold, target and high performance requirements.

	Cash Component (50%)			Restricted Share Component (50%)		
	Threshold	Target	High	Threshold	Target	High
President and Chief Executive Officer	58%	113%	195%	58%	113%	195%
Executive Vice President	48%	93%	160%	48%	93%	160%
Senior Vice President	35%	65%	115%	35%	65%	115%

Overall STIP performance is evaluated on the following performance goals and weightings:

Financial Goals (75%)

The financial goals component of the STIP is comprised of the following three metrics:

- Core funds from operations (FFO) per share;
- Core funds available for distribution (FAD) per share; and
- Same-store net operating income (NOI) growth.

Our performance under these metrics is judged by the Compensation Committee in the aggregate and their aggregate weighting equals 75%. The Compensation Committee establishes guideline expectations for each performance metric but does not establish specific target, threshold or high performance levels underlying the aggregate financial performance goals. These guidelines were set by the Compensation Committee within the first 90 days of the one-year performance period (taking into account input from the Board and the Chief Executive Officer).

At the completion of the one-year performance period, fulfillment of our financial performance goals is evaluated in the aggregate by the Compensation Committee in its discretion (taking into account absolute performance, performance relative to other companies in the industry, challenges faced by Washington REIT and/or positive external circumstances that may have beneficially impacted Washington REIT's performance, input from the Board and a written presentation on satisfaction of such financial performance goals provided by the Chief Executive Officer). At the conclusion of the performance period, the Compensation Committee evaluates aggregate financial goal performance on a scale of below 1 (below threshold), 1 (threshold), 2 (target) or 3 (high). If the Compensation Committee determines that achievement of the aggregate financial goal performance fell between threshold and high, the portion of the award dependent on the aggregated financial performance goal would be determined by linear interpolation (with an associated payout level in between threshold and target performance levels, or target and high performance levels, as applicable). If achievement of the aggregate financial goal performance falls below threshold level (i.e., rated by the Compensation Committee below a level of 1), the portion of the award that is dependent on aggregate financial goal performance will not be paid.

"Core FFO" is calculated by adjusting NAREIT FFO (as defined below) for the following items (which we believe are not indicative of the performance of Washington REIT's operating portfolio and affect the comparative measurement of Washington REIT's operating performance over time): (1) gains or losses on extinguishment of debt, (2) expenses related to acquisition and structuring activities, (3) executive transition costs and severance expense related to corporate reorganization and related to executive retirements or resignations, (4) property impairments, casualty gains or losses, and gains or losses on sale not already excluded from NAREIT FFO, as appropriate, and (5) relocation expense. "NAREIT FFO" is defined by The

National Association of Real Estate Investment Trusts, Inc. (“NAREIT”) in an April 2002 White Paper as net income (computed in accordance with generally accepted accounting principles (“GAAP”)) excluding gains (or losses) associated with sales of property, impairment of depreciable real estate and real estate depreciation and amortization. “Core FAD” is calculated by adjusting FAD (as defined below) for the following items (which we believe are not indicative of the performance of Washington REIT’s operating portfolio and affect the comparative measurement of Washington REIT’s operating performance over time): (1) gains or losses on extinguishment of debt, (2) costs related to the acquisition of properties, (3) non-share-based severance expense related to corporate reorganization and related to executive retirements or resignations, (4) property impairments, casualty gains and losses, and gains or losses on sale, not already excluded from FAD, as appropriate, and (5) relocation expense. “FAD” is calculated by subtracting from NAREIT FFO (1) recurring expenditures, tenant improvements and leasing costs, that are capitalized and amortized and are necessary to maintain our properties and revenue stream (excluding items contemplated prior to acquisition or associated with development / redevelopment of a property) and (2) straight line rents, then adding (3) non-real estate depreciation and amortization, (4) non-cash fair value interest expense and (5) amortization of restricted share compensation, then adding or subtracting the (6) amortization of lease intangibles, (7) real estate impairment and (8) non-cash gain/loss on extinguishment of debt, as appropriate. Core FFO per share and core FAD per share under the STIP are interpreted to exclude the impact of the two-class method as defined in generally accepted accounting principles when computing earnings per share.

“Same-store NOI growth” is the change in the NOI (as defined below) of the same-store (also as defined below) portfolio properties from the prior reporting period to the current reporting period. “NOI” is a non-GAAP measure defined as real estate rental revenue less real estate expenses. NOI is calculated as net income, less non-real estate revenue and the results of discontinued operations (including the gain on sale, if any), plus interest expense, depreciation and amortization, general and administrative expenses, acquisition costs, real estate impairment, and gain or loss on extinguishment of debt. “Same-store” portfolio properties include properties that were owned for the entirety of the years being compared, and exclude properties under redevelopment or development and properties acquired, sold or classified as held for sale during the years being compared. We define “development” properties as those for which we have planned or ongoing major construction activities on existing or acquired land pursuant to an authorized development plan. We consider a property's development activities to be complete when the property is ready for its intended use. The property is categorized as same-store when it has been ready for its intended use for the entirety of the years being compared. We define redevelopment properties as those for which we have planned or ongoing significant development and construction activities on existing or acquired buildings pursuant to an authorized plan which has an impact on current operating results, occupancy and the ability to lease space with the intended result of a higher economic return on the property. We categorize a redevelopment property as same-store when redevelopment activities have been complete for the majority of each year being compared.

Individual Goals (25%)

At the completion of the one-year performance period, fulfillment of individual goals is evaluated by the Compensation Committee in its discretion with respect to the Chief Executive Officer and by the Chief Executive Officer in his discretion with respect to all other executives (this carries a 25% weighting). At the conclusion of the one-year performance period, the Compensation Committee or Chief Executive Officer, as applicable, evaluates performance on a scale of 1 (threshold), 2 (target) or 3 (high). If achievement of individual goals falls below threshold level, the portion of the award that is dependent on individual goals will not be paid.

The financial and individual performance goals are re-evaluated on an annual basis as to their appropriateness for use with respect to the 2017 performance period and in subsequent annual programs under the STIP based on any potential future changes in Washington REIT business goals and strategy.

Vesting and Payment

With respect to the 50% of the STIP award payable in restricted shares, the restricted shares (1) vest as to one-third of the shares on each of the first three anniversaries of the last day of the performance period, over a three-year period commencing on the January 1 following the end of the one-year performance period, (2) consist of a number of shares determined by dividing the dollar amount payable in restricted shares by the closing price per share on January 1 following the performance period (or, if not a trading day, the first trading day thereafter), and (3) are issued within 2 1/2 months of the end of the one-year performance period. The restricted shares are awarded out of and in accordance with Washington REIT's 2016 Omnibus Incentive Plan. Washington REIT pays dividends currently on the restricted shares described in this paragraph. Because the restricted shares under the STIP will only be issued after the one-year performance period has ended, no dividends will be paid on restricted shares until the actual performance has been achieved.

If, during the three-year vesting period for the restricted shares described in the previous paragraph, the executive's employment is terminated by Washington REIT without Cause, or the executive resigns for Good Reason, Retires, dies or becomes subject to a Disability while employed by Washington REIT, or a Change in Control occurs, the restricted shares awarded under the STIP will immediately vest. "Cause," "Good Reason," "Retire", "Disability" and "Change in Control" have the meanings set forth in the STIP. With respect to the 50% of the award payable in cash under the STIP, 100% of such cash portion is payable within 2 1/2 months of the end of the performance period. The executive can elect to defer 100% of the cash portion pursuant to Washington REIT's Deferred Compensation Plan for Officers. If the executive makes such election, the cash is converted to restricted share units and Washington REIT will match 25% of deferred amounts in restricted share units. The executive is required to be employed on the last day of the performance period to receive an STIP award, subject to the following exceptions. If during the performance year, the executive's employment is terminated by Washington REIT without Cause, or

the executive resigns for Good Reason, Retires, dies or becomes subject to a Disability while employed by Washington REIT, the executive will receive an award under the STIP calculated based upon actual results for the full one-year performance period, but the award will be prorated based on the period of employment during the one-year performance period through the date of such event and the portion of the award paid in restricted shares will immediately vest. If a Change in Control occurs during the one-year performance period, the performance goals under the STIP will be prorated based on the period of time during the one-year performance period through the date of the Change in Control, the executive will receive an award under the STIP that is prorated based on the period of employment during the one-year performance period through the date of the Change in Control and the portion of the award paid in restricted shares will immediately vest.

STIP Determinations by Compensation Committee

In the case of core FFO per share, core FAD per share and same-store NOI growth objectives, management proposed guidelines for measuring threshold, target and high performance levels based on Washington REIT's business projection and budget materials. These guidelines were then extensively reviewed by the Compensation Committee (together with the Board) and subsequently approved. The resulting approved guidelines for each of the financial goals across threshold, target, and high performance levels under the STIP are presented in the table below, along with the 2017 actual results recognized by the Compensation Committee:

	Threshold	Target	High	Final Results Recognized by the Committee
Core FFO per share	\$1.73	\$1.78	\$1.82	\$1.82
Core FAD per share	\$1.38	\$1.43	\$1.47	\$1.47
Same-store NOI growth	3.4%	4.9%	5.5%	6.0%

In making its assessment of the performance of financial goals, the Compensation Committee noted that actual performance with respect to core FFO per share was at the guideline high performance level, actual performance with respect to core FAD per share was at the guideline high performance level, and actual performance with respect to same-store NOI growth exceeded the guideline high performance level. In recognition of this overall performance, the Compensation Committee determined a combined score of 3.00 for the financial goals (75% weighting) portion of the STIP (on a scale of 1 to 3, with 3 being the highest level of achievement). In determining such combined score, the Compensation Committee made no subjective adjustments to its scoring of core FFO per share, core FAD per share and same-store NOI growth.

In the case of the individual objectives (25% weighting) portion of the STIP, the Compensation Committee reviewed and determined the performance of Mr. McDermott and Mr. McDermott reviewed and determined the performance of each of the other executives. With respect to the Compensation Committee's determination of Mr. McDermott's performance, the Compensation Committee took into account the continued recycling of proceeds from the 2016 sale of the Maryland office portfolio and the 2017 sale of Walker House, the acquisition of Watergate 600, the completion of the redevelopment of the Army

Navy Building, successful execution of the capital plan, including strengthening the balance sheet by raising equity and paying down \$50 million of secured debt, and continuing operational improvements within Washington REIT. With respect to Mr. McDermott's determination of the performance of the other executives, Mr. McDermott took into account the performance in 2017 of each executive in leading his or her respective department and Washington REIT as a whole and in contributing to the financial and operational accomplishments of Washington REIT. The final determinations of the Compensation Committee and Mr. McDermott with respect to individual performance are reflected in the actual payout amounts for 2017 under the STIP as presented in the Summary Compensation Table and related footnotes within this Proxy Statement.

Based on the results outlined above, the Compensation Committee approved the following awards under the STIP in 2017:

	Target 2017 STIP Award (Value)	Actual 2017 STIP Award (Value)
Chief Executive Officer	\$1,469,000	\$2,470,000
Executive Vice President	790,500	1,323,875
Senior Vice President	321,795	554,477

At the request of the Compensation Committee, an internal audit was performed to review management's calculations for the STIP to confirm that they comply with the STIP. This internal audit was then presented to the Compensation Committee for its review and acceptance.

Long-Term Incentive Plan (LTIP)

Plan Summary

Under the LTIP, executives are provided the opportunity to earn awards based on achieving TSR performance objectives across a three-year performance period, which if earned, are payable 75% in unrestricted shares and 25% in restricted shares. The LTIP is a "rolling" plan, with a new three-year performance period commencing on January 1 of each year. Each executive's total award opportunity under the LTIP, stated as a percentage of base salary, for the achievement of threshold, target and high performance requirements is set forth in the table below:

	Threshold	Target	High
President and Chief Executive Officer	80%	150%	270%
Executive Vice President	50%	95%	170%
Senior Vice President	40%	80%	140%

For purposes of calculating award payouts at the conclusion of each three-year performance period, the level of salary is determined for each executive as of the beginning of the applicable performance period. Each TSR goal is measured over a

three-year performance period based on a share price determination made at the beginning and end of the performance period and dividends paid with respect to the common shares during the performance period. For purposes of calculating total shareholder return metrics, the “starting price” equals the average closing price for the 20-trading day period beginning on the first trading day of the performance period. The “ending price” equals the average closing price for the 20-trading day period beginning on the first trading day after the end of the performance period for performance periods that commenced before January 1, 2016, and the average closing price for the last 20 trading days of the performance period for performance periods commencing on or after January 1, 2016. For periods commencing prior to January 1, 2018, LTIP performance is evaluated on both of the following TSR performance goals and weightings:

Absolute TSR (50%)

For absolute TSR, threshold, target and high performance levels are 6%, 8% and 10%, respectively, total shareholder return over the performance period (calculated on a compounded, annualized basis). If absolute TSR falls between 6% and 8% or between 8% and 10%, absolute TSR will be rounded to the closest TSR percentage in increments of 0.5% (e.g., 8.3% will be rounded to 8.5%) and the portion of the LTIP award that is dependent upon TSR will be determined by linear interpolation. If absolute TSR falls below the applicable threshold level, the portion of the award that is dependent on such goal will not be paid.

Relative TSR (50%)

For relative TSR, Washington REIT’s TSR performance will be measured over the applicable performance period against a peer group of companies selected by the Compensation Committee at the beginning of the performance period. Prior to determining performance for an applicable period, the Compensation Committee will remove companies from the peer group for such period that cease to be peer group companies as a result of acquisitions, divestitures and other similar actions.

For the performance period that commenced on January 1, 2017, Washington REIT’s relative TSR performance will be measured over the performance period against the 13-company peer group set forth below.

Brandywine Realty Trust	Equity One, Inc.	Lexington Realty Trust
Cedar Realty Trust	First Potomac Realty Trust	Liberty Property Trust
Columbia Property Trust	First Industrial Realty Trust, Inc.	Mack-Cali Realty Corporation
Corporate Office Properties Trust	Highwoods Properties, Inc.	Piedmont Office Realty Trust, Inc.
Cousins Properties Incorporated		

For the performance period that commenced on January 1, 2016, Washington REIT's relative TSR performance will be measured over the performance period against the 13-company peer group set forth below.

American Assets Trust, Inc.	Equity One, Inc.	Piedmont Office Realty Trust, Inc.
Brandywine Realty Trust	First Potomac Realty Trust	Post Properties, Inc.
Columbia Property Trust	Highwoods Properties, Inc.	Saul Centers, Inc.
Corporate Office Properties Trust	Liberty Property Trust	Weingarten Realty Investors
Cousins Properties Incorporated		

For the performance period that commenced on January 1, 2015, Washington REIT's relative TSR performance will be measured over the performance period against the 15-company peer group set forth below.

American Assets Trust, Inc.	Cousins Properties Incorporated	Mack-Cali Realty Corporation
Brandywine Realty Trust	Federal Realty Investment Trust	Post Properties, Inc.
Corporate Office Properties Trust	First Potomac Realty Trust	Regency Centers Corporation
Camden Property Trust	Home Properties, Inc.	Saul Centers, Inc.
Columbia Property Trust	Liberty Property Trust	Weingarten Realty Investors

For performance periods that commenced on or after January 1, 2018, the absolute TSR metric was replaced with a relative TSR metric where relative return is compared against that of the companies comprising the FTSE NAREIT Diversified Index. In addition, as it pertains to the relative TSR metric where relative TSR is measured against the peer group, the peer group set forth above under "Role of Compensation Consultant and Peer Group Analysis" will be utilized to measure Washington REIT's relative TSR performance.

Threshold, target and high performance levels for relative TSR measures are the 33rd, the 51st and the 76th percentiles, respectively. If relative TSR falls between the these percentiles, the actual relative TSR performance level is to be determined by linear interpolation (with an associated payout level in between threshold and target performance levels, or target and high performance levels, as applicable). If relative TSR falls below the applicable threshold level, the portion of the award that is dependent on such goal will not be paid.

Vesting and Payment

The LTIP awards are payable 75% in unrestricted shares and 25% in restricted shares, and are awarded out of and in accordance with Washington REIT's 2016 Omnibus Incentive Plan. These unrestricted shares and restricted shares are to (1) in the case of the restricted shares only, vest over a one-year period commencing on the January 1 following the end of the three-year performance period, (2) consist of an aggregate number of shares determined by dividing the dollar amount payable in unrestricted shares and restricted shares by the closing price per share on such January 1 and (3) be issued within 2 1/2 months

of the end of the three-year performance period. Washington REIT must pay dividends currently on the restricted shares described above in this paragraph. Because restricted shares under the LTIP will only be issued after the three-year performance period has ended, no dividends will be paid on restricted shares until the actual performance has been achieved.

If, during the one-year vesting period for the restricted shares described in the previous paragraph, the executive's employment is terminated by Washington REIT without Cause, or the executive resigns for Good Reason, Retires, dies or becomes subject to a Disability while employed by Washington REIT, or a Change in Control occurs, the restricted shares awarded under the LTIP will immediately vest. "Cause," "Good Reason," "Retire," "Disability" and "Change in Control" have the meanings set forth in the LTIP. The executive is required to be employed on the last day of the performance period to receive an LTIP award, subject to the following exceptions. If during the three-year performance period, the executive's employment is terminated by Washington REIT without Cause, or the executive resigns with Good Reason, Retires, dies or becomes subject to a Disability while employed by Washington REIT, the executive will receive an award under the LTIP calculated based on actual levels of achievement as of the date of such event, but the award will be prorated based on the period of employment during the three-year performance period through the date of such event and the award will immediately vest. If a Change in Control occurs while the executive was employed by Washington REIT during the three-year performance period, the executive will receive an award calculated in a similar manner as described in the immediately preceding sentence (provided, however, that the award would not be prorated based on the period of employment during the performance period through the date of such event) and the award would immediately vest. In all of the foregoing cases, payment of the award would be accelerated.

The grant date fair values for the LTIP awards for 2017 are presented in the Summary Compensation Table and related footnotes within this Proxy Statement.

LTIP Determinations by Compensation Committee

With respect to TSR goals under the LTIP, the Compensation Committee reviewed the total shareholder return calculations against LTIP metrics with respect to the award opportunity, which had a three-year performance period ending on December 31, 2017. As noted above, for the absolute TSR goal, the threshold, target and high performance levels were 6%, 8% and 10% total shareholder return over the performance period (calculated on a per annum basis). As of the end of the performance period, Washington REIT's absolute total shareholder return for the period was calculated to be 4.5%. As a result, pursuant to the terms of the LTIP, no award was made with respect to the absolute TSR goal since absolute total shareholder return for the period did not meet the threshold performance level. For the relative TSR goal for the three-year period ending on December 31, 2017, Washington REIT's TSR performance was measured over the performance period against the company peer group utilized by the Compensation Committee as of the

beginning of such period, with peer companies that were no longer in existence being removed from the peer group when performance was measured. Threshold, target and high performance levels for relative TSR were the 33rd, the 51st and the 76th percentiles, respectively. As of the end of the performance period, Washington REIT's relative TSR ranked at the 58th percentile. As a result, pursuant to the terms of the LTIP, the Compensation Committee made awards with respect to the relative TSR goal calculated based on such achievement.

Other Executive Compensation Components

CEO Employment Matters

Employment Letter

On August 20, 2013, Washington REIT announced that it had selected Mr. McDermott to be its new President and Chief Executive Officer and had entered into an employment letter specifying the terms of his employment. The employment letter specified that Mr. McDermott's annual base salary would initially be \$500,000. After December 31, 2014, the Board agreed to review his base salary on an annual basis and may increase it in its discretion. In connection with entering into the employment letter, Mr. McDermott was awarded 21,000 restricted common shares on his start date, which was October 1, 2013. These shares were agreed to vest in equal installments of 7,000 shares each over a three year period while he remains employed, on the first, second and third anniversary dates of his start date. As of October 1, 2016, all of these shares had vested. Under the employment letter, effective January 1, 2014, Mr. McDermott became eligible to participate in the STIP and LTIP at the Chief Executive Officer level, in accordance with the terms of the STIP and the LTIP, as they may be amended by the Board for all participating employees generally from time to time.

The employment letter provided that Mr. McDermott is entitled to an automobile allowance of \$14,000 per year and reimbursement of up to \$15,000 for legal expenses for reviewing the employment letter. The employment letter also entitles Mr. McDermott to a 401(k) match and participation in our supplemental executive retirement plan ("SERP"). The employment letter requires Mr. McDermott to protect the confidentiality of Washington REIT confidential information and comply with Washington REIT's stock ownership guidelines described below in this Proxy Statement. It further provided that he would enter into the form of indemnification agreement entered into by and between Washington REIT and its other officers and Board members.

The employment letter provides that either Mr. McDermott or Washington REIT may terminate the employment relationship at any time for any lawful reason, with or without Cause, Good Reason (as defined below) or notice. If Mr. McDermott's employment is terminated without Cause or he terminates for Good Reason, he would receive the following severance benefits, payable in installments according to Washington REIT's payroll cycle, and pro-rata portions of any STIP and LTIP values as determined by the applicable plans, provided that he signs Washington REIT's standard separation agreement

and general release. If Mr. McDermott were to be terminated without Cause or for Good Reason, he would receive 12 months of base salary.

Under the employment letter, “Cause” means commission of a felony or crime of moral turpitude; conduct in the performance of duties which is illegal, dishonest, fraudulent or disloyal; breach of any fiduciary duty owed to Washington REIT; any action or inaction that constitutes a material breach of the employment letter which is not cured to Washington REIT’s reasonable satisfaction within 30 days of receipt of written notice advising of such material breach; or gross neglect of duty which is not cured to Washington REIT’s reasonable satisfaction within 30 days of receipt of written notice advising of such gross neglect. “Good Reason” means a material diminution in base salary or a material diminution in overall base compensation earning potential that is not agreed to by the employee (other than due to failure to achieve performance-based measures), a material diminution in authority, duties or responsibilities, a material change in geographic location at which the employee is employed, or any action or inaction by Washington REIT that constitutes a material breach of the employment letter, provided the employee gives written notice within 90 days after the condition providing the basis for such Good Reason first exists and such Good Reason has not been corrected or cured within 30 days after Washington REIT has received written notice of the employee’s intent to terminate his employment for Good Reason and specifying in detail the basis for such termination.

June 2017 Equity Award

On June 1, 2017, the Board of Trustees approved a one-time equity award to Mr. McDermott to recognize Mr. McDermott’s significant contribution to Washington REIT’s performance and to further incentivize Mr. McDermott’s continued service to Washington REIT. The Board based its decision on a recommendation of the Compensation Committee. The Compensation Committee recognized, among other things, that Mr. McDermott has been a key component of Washington REIT’s improved performance since the date he joined Washington REIT. During Mr. McDermott’s tenure with Washington REIT through the date of the award, total shareholder return was approximately 50.7%. Additionally, the Compensation Committee considered that Mr. McDermott’s departure would significantly disrupt Washington REIT and its performance. The Compensation Committee, after consultations with FPL, and after considering Mr. McDermott’s performance as well as his current level of compensation relative to peer company compensation, recommended approval of a one-time equity award in the form of 100,000 restricted shares of Washington REIT. The Compensation Committee recognized the importance of incentivizing continued long-term service to Washington REIT and structured the award so that all 100,000 restricted shares do not vest until the fifth anniversary of the grant date (i.e., June 1, 2022), at which time 100% of the restricted shares will vest, subject to Mr. McDermott’s continued employment with Washington REIT until such vesting date. Based on the closing price of Washington REIT’s stock on the grant date, the value of the award was \$3,261,000. The restricted shares were granted out of and in accordance with Washington REIT’s 2016 Omnibus Incentive Plan. The Compensation Committee does not expect the one-time equity award to be a recurring portion of Mr. McDermott’s compensation.

CFO Employment Letter

On January 18, 2015, Washington REIT entered into an employment letter with Mr. Riffie specifying the terms of his employment. Pursuant to Mr. Riffie's employment letter, Mr. Riffie participates in Washington REIT's executive compensation program, including the STIP and LTIP, at the Executive Vice President level, with the following modifications (1) Mr. Riffie's base annual salary is \$400,000 per annum (rather than \$350,000), (2) his participation in the STIP and LTIP takes effect as of January 1, 2015, and (3) his STIP target is 175% (rather than 186%), split evenly between the cash component of 87.5% and the restricted share component of 87.5%. Mr. Riffie was also awarded 5,287 RSUs valued at \$150,000, granted under Washington REIT's 2007 Omnibus Long-term Incentive Plan, on his first date of employment. As of February 17, 2018, these 5,287 RSUs are fully vested.

For 2015 and 2016, Mr. Riffie's threshold, target and high award opportunities under the STIP for each of the cash component and the restricted share component were determined by the Compensation Committee to be 42%, 87.5% (as noted above) and 140%, respectively. Mr. Riffie's threshold, target and high award opportunities under the LTIP were determined by the Compensation Committee to be 44%, 95% and 149%, respectively. Effective January 1, 2017, the separate award opportunities for Mr. Riffie under the STIP and LTIP were eliminated so that all Executive Vice Presidents now have the same LTIP and STIP opportunities.

COO Employment Letter

On April 5, 2014, Washington REIT entered into an employment letter with Mr. Bakke specifying the terms of his employment. Pursuant to Mr. Bakke's employment letter, Mr. Bakke was awarded \$100,000 in RSUs, granted under Washington REIT's 2007 Omnibus Long-term Incentive Plan, on his first date of employment. These 4,151 RSUs are fully vested.

General Counsel Employment Letter

On April 5, 2017, Washington REIT entered into an employment letter with Ms. Fielder specifying the terms of her employment. Pursuant to Ms. Fielder's employment letter, Ms. Fielder was awarded \$75,000 in RSUs, granted under Washington REIT's 2016 Omnibus Incentive Plan, on her first date of employment, which was March 29, 2017. These 2,431 RSUs are subject to vest in five equal installments over a five-year period, on the first, second, third, fourth and fifth anniversaries of such date.

Supplemental Executive Retirement Plan

Because the Internal Revenue Code of 1986 (the "Code") limits the benefits that would otherwise be provided by our qualified retirement programs, Washington REIT provides a SERP for the benefit of the NEOs. This plan was established in November 2005 and is a defined contribution plan under which, upon a participant's termination of employment from Washington

REIT for any reason other than cause, the participant will be entitled to receive a benefit equal to the participant's accrued benefit times the participant's vested interest. A participant's benefit accrues over years of service. Washington REIT makes contributions to the plan on behalf of the participant ranging from 9.5% to 19% of base salary. The exact contribution percentage is based on the participant's current age and service such that, at age 65, the participant could be expected to have an accumulation (under assumptions made under the plan) that is approximately equal to the present value of a life annuity sufficient to replace 40% of his or her final three year average salary. Vesting generally occurs based on a minimum of 10 years of service or upon death, total and permanent disability, involuntary discharge other than for cause, or retirement or voluntary termination if the participant does not engage in prohibited competitive activities during the two-year period after such retirement or voluntary termination.

Washington REIT accounts for this plan in accordance with Accounting Standards Codification ("ASC") 710, Compensation - General and ASC 320, Investments - Debt and Equity Securities, whereby the investments are reported at fair value, and unrealized holding gains and losses are included in earnings. For the years ended December 31, 2017, 2016 and 2015, Washington REIT recognized current service cost of \$251,000, \$225,000, and \$262,000, respectively.

Severance Plan

On August 4, 2014, the Board and Compensation Committee adopted an Executive Officer Severance Pay Plan to provide specified benefits to executive officers in the event of their termination of employment from Washington REIT. Under the severance plan, in the event of a qualifying termination of employment of an executive officer, the executive officer will be entitled to receive severance pay in accordance with the following matrix:

Weeks of Severance Pay

Years of Service	Base Salary	
	\$170K but less than \$225K	\$225K or more
Less than 1	12	14
1-4	16	18
5	18	20
6	20	22
7	22	24
8	24	26
9	26	28
10	28	30
11	30	32
12	32	34
13	34	36
14	36	38
15	38	40
16	40	42
17	42	44
18	44	46
19	46	48
20	48	50
21	50	52
22 or more	52	52

In addition to the severance pay set forth above, under the severance plan each executive officer will also be entitled to receive a severance benefit comprised of an ongoing payment from Washington REIT equal to the employer portion of current medical, dental and vision elections for the period of severance (or, if less, the applicable COBRA payment). Any severance pay and severance benefits described above will be subject to applicable payroll and tax withholding.

Under the severance plan, for an executive officer to be eligible for severance pay and severance benefits, the termination of such executive officer must be by Washington REIT without “Cause” (as defined in the severance plan) or by resignation of the executive officer for “Good Reason” (as defined in the severance plan). Washington REIT also has the discretion under the severance plan to pay severance pay and benefits in other involuntary termination scenarios and to pay supplemental severance pay. In all cases, the executive officer must execute and not revoke Washington REIT’s standard form of separation agreement applicable to executive officers in order to receive severance pay and benefits. Washington REIT will be required to make the severance payment in a lump-sum on or before March 15 of the calendar year following the calendar year in which the executive officer is terminated, but such portion of the payments (if any) that would constitute deferred compensation under Section 409A of the Code will not be paid until at least six months after the executive officer’s termination if the executive officer is also a “specified employee” under the provisions of the Code. The severance pay and severance benefits under the severance plan are in addition to, and not in lieu of, any applicable equity vesting, acceleration of payment or other benefits that may exist under the LTIP, the STIP, the SERP and other compensation plans. If the executive officer is entitled to severance payments under a

change in control agreement with Washington REIT, then the executive officer will not also receive payment under the severance plan. In addition, for the President and Chief Executive Officer, he will be entitled to the severance payments under the severance plan or his employment letter with Washington REIT, whichever is greater. The severance plan defines participating executive officers to be officers at the level of President and Chief Executive Officer, Executive Vice President or Senior Vice President.

Deferred Compensation Plan

Beginning in 2007, Washington REIT adopted a plan that allows officers to voluntarily defer salary and STIP awards. The plan allows any officer to defer a percentage or dollar amount of his or her salary and/or his or her STIP awards. The amounts deferred are not included in the officer's current taxable income and, therefore, are not currently deductible by us. Salary deferrals are credited during the year with earnings based on the weighted average interest rate on Washington REIT's fixed rate bonds as of December 31 of each calendar year. STIP awards are deferred as restricted share units, with a 25% match of restricted share units on the deferred amount. The 25% match vests in full after three years. The restricted share units are credited with an amount equal to the corresponding dividend paid on Washington REIT's common shares. Participants may elect to defer receipt of payments to a specified distribution date that is at least three years from first day of the year to which the salary deferred related or, if applicable, at least five years from any previously designated distribution date. If a participant has not elected to further defer a distribution beyond the original designated distribution date, then payment will commence upon the earliest of (1) the original specified distribution date, (2) the date the participant terminates employment from Washington REIT, (3) the participant's death, (4) the date the participant sustains a total and permanent disability, or (5) a change in control. Amounts deferred into restricted share units will be paid in the form of shares. The plan is unfunded and payments are to be made from general assets of Washington REIT.

Change in Control Termination Agreements

The change in control agreements with the NEOs discussed below provide for continuation of payments and benefits by Washington REIT in the event of termination due to a "change in control" (as defined in these agreements). The basic rationale for these change in control protections is to diminish the potential distractions due to personal uncertainties and risks that inevitably arise when a change in control is threatened or pending.

The termination benefits payable in connection with a change in control require a "double trigger," which means that (1) there is a "change in control" (as that term is defined in the agreement) and (2) after the change in control, the covered NEO's employment is "involuntarily terminated" by Washington REIT or its successor not for "cause" (as both terms are defined in the agreement), but including a termination by the executive because his duties, responsibilities or compensation are materially diminished, within 24 to 36 months of the change in control (as such period is specified in the covered NEO's agreement). In

addition, if one of the foregoing terminations of employment occurs in the 90 day period before the change in control, the termination will be presumed to be due to the change in control unless Washington REIT can demonstrate to the contrary. A double trigger was selected to enhance the likelihood that an executive would remain with Washington REIT after a change in control because the executive would not receive the continuation of payments and benefits if he or she voluntarily resigned after the change in control. Thus, the executive is protected from actual or constructive dismissal after a change in control and any new controlling party or group is better able to retain the services of a key executive.

The formula to calculate the change in control benefit is similar for each of the NEOs, with the variable being whether the benefit will be paid for 24 or 36 months. The formula is as follows:

A. A continuation of base salary at the rate in effect as of the termination date for a period based on the levels below:

Executive Position	Period
Chief Executive Officer	36 months
Executive Vice Presidents	24 months
Senior Vice Presidents	24 months

B. Payment of an annual bonus for each calendar year or partial calendar in which the NEO receives salary continuation as described above, in an amount equal to the average annual short-term incentive plan compensation received during the three years prior to the involuntary termination.

C. Payment of the full cost to continue coverage under Washington REIT's group health insurance plan pursuant to the Consolidated Omnibus Budget Reconciliation Act ("COBRA") for the period of time the NEO receives salary continuation up to a maximum of 18 months or until the NEO obtains other comparable coverage, whichever is sooner.

D. Immediate vesting in all unvested common share grants, restricted share units, performance share units and dividend equivalent units granted to the NEO under Washington REIT's 2007 Omnibus Long-Term Incentive Plan or Washington REIT's 2016 Omnibus Incentive Plan and immediate vesting in the deferred compensation plans.

In addition to our change in control agreements, our STIP and LTIP each provide for particular awards to be made in the event of a change in control that occurs during the performance period under each such plan. These awards are described in further detail under the headings "Short-Term Incentive Plan (STIP)" and "Long-Term Incentive Plan (LTIP)" above. For further information on Change of Control payments, see "Potential Payments upon Change in Control" on page 63.

Perquisites

NEOs participate in other employee benefit plans generally available to all employees on the same terms. In addition, the NEOs are provided with supplemental life insurance and in some cases granted an automobile allowance and/or provided

an executive physical. The Compensation Committee believes that these benefits are reasonable and consistent with its overall compensation program to better enable Washington REIT to attract and retain key employees. For more information on specific benefits and perquisites, see the footnotes to the Summary Compensation Table.

Policies Applicable to Executives

Clawback Policy

Washington REIT has adopted a clawback policy with respect to the return (clawback) from executive officers of incentive compensation. The policy states that, with respect to any incentive awards granted after March 20, 2013, the Board will have the right to seek to recoup all or any portion of the value of such awards in the event of a material restatement of Washington REIT's financial statements covering any of the three fiscal years preceding the payment of an award which results from fraud or misconduct committed by a recipient of such award. The Board may seek recoupment from any award recipient whose fraud or misconduct gave rise or contributed to the restatement. The value with respect to which recoupment may be sought will be determined by the Board. Further, it is the intention of the Board that, to the extent that the final clawback provisions adopted by the SEC and the NYSE differ from the foregoing policy, the foregoing policy will be amended to conform to the final provisions.

Hedging Prohibition Policy

To prevent speculation or hedging in our shares by trustees, officers or employees, Washington REIT has adopted a policy prohibiting hedging. The policy states that Washington REIT strictly prohibits any trustee, officer or employee from engaging in hedging or monetization transactions to lock in the value of his or her Washington REIT share holdings. Such transactions, while allowing the holder to own Washington REIT shares without the full risks and rewards of ownership potentially separate the holder's interest from those of the other Washington REIT shareholders. Therefore, no Washington REIT trustee, officer or employee is permitted to purchase or sell derivative securities relating to Washington REIT shares, such as exchange-traded options to purchase or sell Washington REIT shares, or other financial instruments that are designed to hedge or offset any decrease in the market value of Washington REIT shares (including but not limited to prepaid variable forward contracts, equity swaps, collars and exchange funds).

Margin Loan Prohibition Policy

Washington REIT maintains a policy that no executive officer may take a margin loan where Washington REIT's shares are used, directly or indirectly, as collateral for the loan. Such persons are also prohibited from otherwise pledging Washington REIT securities as collateral for a loan agreement.

Executive Ownership Policy

The Compensation Committee believes that common share ownership allows our executives to better understand the viewpoint of shareholders and incentivizes them to enhance shareholder value by aligning their interests with shareholders' interests. To that end, in 2010, the Compensation Committee and Board adopted a formal stock ownership policy. The stock ownership policy requires each executive to retain an aggregate number of common shares having a market value at least equal to a specified multiple of such executive's annual base salary (determined as of each executive's date of hire). The applicable multiples of base salary required to be held are as follows:

Title	Multiple of Base Salary
Chief Executive Officer and President	3.0x
Executive Vice Presidents	2.0x
Senior Vice Presidents	1.0x

The policy requires that each executive attain the level set forth above within five years after his or her date of employment with Washington REIT. The aggregate number of common shares required to be held by each executive in office is determined based on the market value of common shares on the 60 trading days prior to the date of such hiring or promotion, as applicable. Once established, an executive's common share ownership goal will not change because of changes in his or her base salary or fluctuations in Washington REIT's common share price. The policy also contains additional terms and conditions, including an interim ownership requirement for executives during the transition period to the full requirements.

The multiples of base salary reflected in the stock ownership guidelines above were determined by the Compensation Committee based on the recommendation of the Hay Group (the Compensation Committee's consultant at the time the stock ownership guidelines were adopted), which had presented the Compensation Committee with a survey of stock ownership requirements in the peer group utilized by the Compensation Committee for 2010 compensation and a survey of stock ownership practices of large public companies.

Tax Deductibility of Executive Compensation

As a result of the Tax Cuts and Jobs Act, effective January 1, 2018, Section 162(m) of the Code generally disallows a tax deduction to public companies for individual compensation in excess of \$1 million paid to its chief executive officer, chief financial officer, and each of its three other most highly compensated executive officers in any taxable year unless such compensation is covered by the grandfather rule for certain items of compensation paid pursuant to a written binding contract that was in effect on November 2, 2017. Following shareholder approval of our 2016 Omnibus Incentive Plan and prior to

January 1, 2018, the benefits under our short-term incentive and long-term incentive plans were able to qualify as “performance based” under Section 162(m) and therefore were eligible to be exempt from the \$1 million deduction limitation as “performance based” compensation. To the extent that compensation paid to Washington REIT’s executive officers is subject to and does not qualify for deduction under Section 162(m), Washington REIT is prepared to exceed the limit on deductibility under Section 162(m) to the extent necessary to establish compensation programs that we believe provide appropriate incentives and reward our executives relative to their performance. Washington REIT believes that it must maintain the flexibility to take actions that may not qualify for tax deductibility under Section 162(m) if it is deemed to be in the best interests of Washington REIT.

Compensation Committee Matters

The Compensation Committee is responsible for approving executive compensation decisions and making recommendations to the Board. The Compensation Committee is also responsible for approving and making recommendations to the Board with respect to other employee compensation and benefit plan matters. In addition, the Compensation Committee is required to produce an annual report on executive compensation for inclusion in our proxy statement, in accordance with applicable SEC rules and regulations.

The Compensation Committee is comprised of at least three and no more than six independent members of the Board (as the term “independent” is defined in the applicable listing standards of the New York Stock Exchange). The current Compensation Committee charter was adopted on October 18, 2017. A copy of the Compensation Committee Charter can be found on our website at www.washreit.com, under the heading “Investor” and subheading “Corporate Overview - Corporate Governance.” Among other matters, the Compensation Committee charter provides the Compensation Committee with the independent authority to retain and terminate any compensation consulting firms or other advisors to assist in the evaluation of trustee, Chief Executive Officer and other executive compensation.

The Compensation Committee meets at least once annually or more frequently as circumstances require. Each meeting allows time for an executive session in which the Compensation Committee and outside advisors, if requested, have an opportunity to discuss all executive compensation issues without members of management being present.

Compensation Consultant Matters

Pursuant to the Compensation Committee charter, the decision to retain an independent consultant (as well as other advisors) is at the sole discretion of the Compensation Committee, and any such independent consultant works at the direction of the Compensation Committee. In establishing 2017 executive compensation levels, the Compensation Committee Chairman worked with FPL to determine the scope of work to be performed to assist the Compensation Committee in its decision making processes. In conducting its work on 2017 executive compensation levels for the Compensation Committee, FPL also interacted

with other members of the Compensation Committee, the Chief Executive Officer and the Executive Vice President and Chief Financial Officer.

As noted above, FPL provided the Compensation Committee with competitive pay analysis regarding both the broader market (including the NAREIT survey) and a group of public REITs. FPL attended Compensation Committee meetings and, upon request by the Compensation Committee, executive sessions to provide advice and counsel regarding decisions facing the Compensation Committee.

The Compensation Committee has reviewed its relationship with FPL to ensure that FPL is independent from management. This review process includes a review of the services FPL provides, the quality of those services, and fees associated with the services during the fiscal year, as well as consideration of the factors impacting independence that are set forth in NYSE rules.

Compensation Policies and Risk Management

The Compensation Committee members evaluate the principal elements of executive and non-executive compensation to determine whether they encourage excessive risk-taking. While the Compensation Committee members focus primarily on the compensation of the executive officers because risk-related decisions depend predominantly on their judgment, they also consider other Washington REIT employees operating in decision-making capacities. The Compensation Committee believes that because of the following there is a low likelihood that our compensation policies and practices would encourage excessive risk-taking:

RISK MITIGATION FACTORS

A significant percentage of compensation is equity-based, long-term compensation under the STIP and LTIP, both of which provide for equity-based compensation. Awards made under the STIP are payable 50% in restricted shares that vest over a three-year period. Awards made under the LTIP are made after a three-year performance period. At the conclusion of such three-year performance period, the LTIP awards are payable 75% in unrestricted shares and 25% in restricted shares that vest over a one-year period commencing at the conclusion of the three-year performance period. This significant use of restricted shares encourages our executives to focus on sustaining our long-term performance because unvested awards could significantly decrease in value if our business were not managed with long-term interests in mind.

The STIP and LTIP utilize a balanced variety of performance goals. The STIP utilizes aggregate financial performance (comprised of core FFO per share, core FAD per share and same-store NOI growth) at a 75% weighting and the executive's individual performance compared to individual goals at a 25% weighting. For performance periods

commencing prior to January 1, 2018, the LTIP utilizes absolute TSR (50% weighting) and relative TSR (50% weighting). For performance periods commencing after January 1, 2018, the LTIP utilizes two relative TSR metrics described above. As a result, the benefit plan design contains several performance goals intentionally selected by the Compensation Committee with the goal of aligning executive compensation with long-term creation of shareholder value.

The STIP and LTIP contain reasonable award opportunities that are capped at appropriate maximum levels. For each executive, the target incentive award is based on a percentage of base salary ranging from 130% to 226% for the STIP and 80% to 150% for the LTIP. For the STIP, the actual award to be paid to the executive could range from a 51% to 54% of the target incentive award for threshold performance and 172% to 177% of the target incentive award for high performance. For the LTIP, the actual award to be paid to the executive could range from a 50% to 53% of the target incentive award for threshold performance and 175% to 180% of the target incentive award for high performance.

The Compensation Committee retains discretion under the STIP with respect to total awards. Under the STIP, aggregate financial performance and the participant's performance compared to individual objectives represent all of the performance goals under the STIP (i.e., 100% of the performance goals are determined in the Compensation Committee's (or Chief Executive Officer's) discretion), and each is subject to the discretion of the Compensation Committee.

Washington REIT adopted a stock ownership policy by which each executive is required to maintain a multiple of his or her base salary in common shares. The multiples are 3x (for the Chief Executive Officer), 2x (for Executive Vice Presidents) and 1x (for Senior Vice Presidents). This ownership policy requires each executive to maintain a meaningful equity interest that could significantly decrease in value if our business were not managed with long-term interests in mind.

Washington REIT adopted a "clawback" policy by which the Board has the right to seek or recoup all or any portion of the value of incentive awards. The Board's clawback right will apply in the event of a material restatement of Washington REIT's financial statements covering any of the three fiscal years preceding the payment of an award which results from fraud or misconduct committed by a recipient of such award.

We believe this combination of factors encourages prudent management of Washington REIT. In particular, by structuring our compensation programs to ensure that a considerable amount of the wealth of our executives is tied to our long-term health, we believe we discourage executives from taking risks that are not in our long-term interests.

Compensation Committee Interlocks and Insider Participation

During the last completed fiscal year, the Compensation Committee was comprised of Chairman Civera, Messrs. Butcher and Winns, and, as of the 2017 Annual Meeting, Ms. Goitia. The Compensation Committee was responsible for making decisions and recommendations to the Board with respect to compensation matters. There are no Compensation Committee interlocks and no Washington REIT employee serves on the Compensation Committee.

Compensation Committee Report

The Compensation Committee of Washington REIT has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

SUBMITTED BY THE COMPENSATION COMMITTEE:

COMPENSATION TABLES

Summary Compensation Table

The Summary Compensation Table has been prepared to comply with the disclosure requirements of the SEC. The Summary Compensation Table sets forth the compensation paid for 2017, 2016 and 2015 to each of our “NEOs” (who are the executive officers set forth in the Summary Compensation Table) and includes as compensation for the indicated year all incentive compensation awards granted in that year (although the awards were made with respect to performance in other years). For an alternative view that we believe more accurately reflects incentive compensation received for a given year, we urge you to refer to the Total Direct Compensation Table on page 59.

(1) Mr. Riffe became Executive Vice President and Chief Financial Officer-elect on February 17, 2015 and became Chief Financial Officer on March 4, 2015.

(2) Ms. Fielder became Senior Vice President, General Counsel and Corporate Secretary on March 29, 2017.

(3) Column (e) represents the total grant date fair value of all equity awards computed in accordance with FASB ASC Topic 718.

(4) Mr. McDermott received a one-time equity award of 100,000 restricted shares on June 1, 2017, which had a grant date fair value of \$3,261,000. Per the terms of the award, none of the restricted shares vest until the fifth anniversary of the grant date (i.e. June 1, 2022), subject to Mr. McDermott's continued employment with Washington REIT until such vesting date.

The NEOs' non-equity incentive plan compensation for 2017, 2016 and 2015, which is reported in this table, was determined by the Compensation Committee at its meetings on February 6, 2018 (subject to the Audit Committee's (5) ratification of Washington REIT's final financial performance for the applicable period), February 8, 2017 and February 17, 2016, respectively. For 2017, 2016 and 2015, the cash award was paid in February of 2018, 2017 and 2016, respectively. The payments were recorded as expenses for the year to which they relate.

For 2017, the amounts shown in column (i) include the life insurance premiums paid by us for group term life (6) insurance, our match for each individual who made 401(k) contributions, auto allowances, SERP contributions, membership dues and fees for parking at the corporate headquarters. The table below shows the components of "All Other Compensation" for 2017:

Total Direct Compensation Table

The SEC's calculation of total compensation, as shown in the 2017 Summary Compensation Table set forth on page 57, includes several items that are driven by accounting and actuarial assumptions, which are not necessarily reflective of compensation actually realized by the NEOs in a particular year. To supplement the SEC-required disclosure, we have included the additional table below, which shows the equity incentive compensation awards that were actually received with respect to the applicable year, not the year the award was made.

(a) Name and Principal Position	(b) Year	(c) Salary (\$)	(e) Stock Awards (1) (\$)	(g) Non-Equity Incentive Plan Compensation (\$)	(i) All Other Compensation (\$)	(j) Total Direct Compensation (\$)

These amounts differ substantially from the amounts reported as Stock Awards in column (e) in the Summary Compensation Table required under SEC rules and are not a substitute for the amounts reported in the Summary Compensation Table. Total Direct Compensation in this table represents: (1) total compensation, as determined (1) under applicable SEC rules and as set forth in column (j) in the Summary Compensation Table on page 57, minus (2) the aggregate fair value of equity awards as reflected in the Stock Awards column (e) in the Summary Compensation Table, plus (3) incentive compensation awards that were actually received with respect to the applicable performance year.

Mr. McDermott received a one-time equity award of 100,000 restricted shares on June 1, 2017, which had a grant date fair value of \$3,261,000. Per the terms of the award, none of the restricted shares vest until the fifth anniversary of the grant date (i.e. June 1, 2022), subject to Mr. McDermott's continued employment with Washington REIT until such vesting date.

(3) Ms. Fielder became Senior Vice President, General Counsel and Corporate Secretary on March 29, 2017.

(1) The amounts shown in columns (c), (d) and (e) reflect the threshold, target and maximum payment levels for 2017 under the 50% cash STIP component which were established on February 7, 2017. The actual cash bonuses received by each of the named executive officers for performance in 2017, paid in 2018, are set out in column (g) of the Summary Compensation Table.

(2) Amounts represent LTIP awards based on achievement of performance objectives over a three-year performance period (commencing January 1, 2017 and concluding December 31, 2019). For performance below threshold levels, no incentives will be paid pursuant to the program, and the maximum award will only be paid if actual performance meets or exceeds the high level of performance. The award will be paid out in a number of unrestricted shares and restricted shares that vest over a one-year period commencing on January 1 following the end of the performance period, with the total number of restricted and unrestricted shares issued determined by dividing the dollar amount payable by the closing price per share on January 1 or if such January 1 is not a trading day, the first trading day following such January 1.

(3) Amounts represent performance-based restricted share awards pursuant to the STIP for the performance period commencing January 1, 2016 and concluding December 31, 2016 that vest over three years, with one-third vesting on December 31, 2017, 2018 and 2019.

(4) Ms. Fielder became Senior Vice President, General Counsel and Corporate Secretary on March 29, 2017.

For unvested and vested restricted shares, an amount equal to the dividends granted on the shares is paid at the same time dividends on common shares are paid.

The amounts reflected in this column are not included in the Summary Compensation Table because they do not constitute "above-market" or "preferential" earnings, as those terms are defined in SEC Regulation S-K 402(c)(2)(viii)(B).

(4) The amounts reflected in this column include contributions reported as compensation for the last fiscal year, as set forth in columns (b) and (c), amounts reported as compensation in prior fiscal years and earnings (which were not required to be reported as compensation), less aggregate withdrawals/distributions currently and previously reported in this table.

Supplemental Executive Retirement Plan

The following table presents information regarding the contributions to and earnings on the NEOs' SERP balances during 2017 as of December 31, 2017.

(1) The amounts reflected in this column are reported as compensation for the last completed fiscal year in the Summary Compensation Table.

The amounts reflected in this column are not included in the Summary Compensation Table because they do not constitute "above-market" or "preferential" earnings, as those terms are defined in SEC Regulation S-K 402(c)(2)(viii)(B).

Potential Payments upon Change in Control

Washington REIT has entered into change in control agreements with the NEOs which entitle them to continuation of compensation and other benefits if Washington REIT is subject to a change in control, the NEO's employment with Washington REIT or its successor is terminated by Washington REIT or its successor, other than for "cause," or by the NEO for "good reason" and such termination occurs within 24 or 36 months of the change in control. The formula to calculate the change in control benefit is similar for each of the NEOs, with the variable being whether the benefit will be paid for 24 or 36 months. The formula is as follows:

1. Continuation of base salary at the rate in effect as of the termination date for a period of 24 or 36 months from the date of termination.

Payment of an annual bonus for each calendar year or partial calendar in which the NEO receives salary

2. continuation as described above, in an amount equal to the average annual STIP compensation received during the three years prior to the involuntary termination.

Payment of the full cost of COBRA continuation coverage for the period of time in which salary continuation

3. pursuant to the change in control agreement is paid, up to a maximum of 18 months or until the NEO obtains other comparable coverage, whichever is sooner.

4. Immediate vesting in all unvested common share grants and restricted share units granted to the NEO under Washington REIT's LTIP and immediate vesting in the SERP and deferred compensation plans.

The following table lists the estimated amounts each of the NEOs would have become entitled to under their change in control agreements had their employment with Washington REIT terminated on December 31, 2017, under the circumstances described above.

Name	2017 Base Salary (\$)	Average 3 Year Bonus (\$)	Annual Change in Control Benefit Amount (\$)	Change in Control Benefit Formula (# of months)	Vesting of all unvested Share Grants, SERP and Deferred Compensation (\$)	Total Change in Control Benefit Amount (\$)(1)
Paul T. McDermott	\$650,000	\$1,904,211	\$2,554,211	36	\$6,473,922	(2) \$14,136,555
Thomas Q. Bakke	425,000	1,049,027	1,474,027	24	1,554,065	4,502,119
Stephen E. Riffe	425,000	1,042,814	1,467,814	24	1,627,391	4,563,019
Taryn D. Fielder	325,000	554,476	879,476	24	224,361	1,983,313

(1) The cost of COBRA continuation benefits has not been included in the total change in control benefit amount, as the value would not be material.

(2) Mr. McDermott received a one-time equity award on June 1, 2017, which had a grant date fair value of \$3,261,000, which would vest immediately upon a change in control.

CEO Pay Ratio

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, presented below is the ratio of annual total compensation of our CEO to the annual total compensation of our median employee (excluding our CEO). The ratio presented below is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K under the Securities Exchange Act of 1934.

To identify the "median employee" from our employee population, we used W-2 Medicare compensation for U.S. employees (annualizing such compensation for employees who had worked less than the 12 month period) and excluding our CEO from the calculation. We have no employees outside of the United States. We did not use any statistical sampling techniques and did not make any cost of living adjustments in identifying our median employee. We did not include independent contractors that we do not consider to be employees. Using this methodology, we determined that we had 148 employees as of December 31, 2017.

The 2017 annual total compensation as determined under Item 402 of Regulation S-K for our CEO was \$6,895,784. This amount includes the value of the one-time equity award granted to our CEO in June 2017 as if it were earned in 2017. None of this award vests until the fifth anniversary of the grant date (i.e., June 1, 2022), at which time 100% of the restricted shares will vest, subject to Mr. McDermott's continued employment with Washington REIT until such vesting date (see "Other Executive Compensation Components - June 2017 Equity Award" on page 45). The 2017 annual total compensation as determined under

Item 402 of Regulation S-K for our median employee was \$125,149. The ratio of our CEO's annual total compensation to our median employee's total compensation for fiscal year 2017 is 55 to 1. Excluding the one-time equity award granted in June 2017 (none of which vests until the fifth anniversary of the grant date (i.e., June 1, 2022)), the ratio would have been 29 to 1.

The SEC's rules for calculating the required pay ratio permit companies to use reasonable estimates and assumptions in their methodologies, and companies have different employee populations and compensation practices. As a result, pay ratios reported by other companies may not be comparable to the pay ratio reported above.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Description of Proposal

The firm of Ernst & Young LLP served as Washington REIT's independent registered public accounting firm for 2017. The Audit Committee has appointed Ernst & Young LLP as Washington REIT's independent registered public accounting firm for 2018.

If this appointment is not ratified by our shareholders, the Audit Committee may re-consider the appointment. Even if the selection is ratified, the Audit Committee, in its discretion, may appoint a different independent registered public accounting firm at any time during the year if it determines that such change would be in the best interests of Washington REIT.

Representatives of Ernst & Young LLP are expected to attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so. They are also expected to be available to respond to appropriate questions.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chairman of the Audit Committee authority to approve permitted services provided that the Chairman reports any decisions to the Committee at its next scheduled meeting. All services performed by Ernst & Young LLP for the fiscal year ending December 31, 2017 were preapproved by the Audit Committee or the Chairman of the Audit Committee.
