Important Notice Regarding the Availability of Proxy Materials for the Meeting to be held on February 26, 2015. This Proxy Statement to the stockholders is available at the Company's principal office.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE MEETING

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you are a stockholder of record as at the close of business on January 21, 2015 (the Record Date), and are entitled to vote at this Meeting. This Proxy Statement describes issues on which the Company would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Meeting to vote your shares.

When you sign the proxy card you appoint Steve Vestergaard, Chief Executive Officer, President and a Director of the Company, and Fred Vandenberg, Chief Financial Officer, Corporate Secretary and Treasurer, as your representatives at the Meeting. As your representatives, they will vote your shares at the Meeting (or any adjournments or postponements) as you have instructed them on your proxy card. With proxy voting, your shares will be voted whether or not you attend the Meeting. Even if you plan to attend the Meeting, it is a good idea to complete, sign and return your proxy card in advance of the Meeting, just in case your plans change.

If an issue comes up for vote at the Meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representatives will vote your shares, under your proxy, at their discretion, subject to any limitations imposed by law.

Who is soliciting my vote?

The Board of Directors of the Company is soliciting your proxy to vote at the Meeting.

Who pays for this proxy solicitation?

The Company will bear the entire cost of solicitation of proxies, including preparation, assembly and mailing of this proxy statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, depositories, fiduciaries and custodians holding shares in their names that are beneficially owned by others to forward to these beneficial owners. The Company may reimburse persons representing beneficial owners for their costs of forwarding the solicitation material to the beneficial owners of the shares at the Company's discretion. Original solicitation of proxies by mail may be supplemented by telephone, facsimile, electronic mail or personal solicitation by the Company's directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

Who is entitled to attend and vote at the Meeting?

Only stockholders of the Company of record at the close of business on January 21, 2015 (the Record Date), will be entitled to vote at the Meeting. Stockholders entitled to vote may do so by voting those shares at the Meeting or by proxy.

What matters am I voting on?

You are being asked to vote on the following matters:

1. To elect four members of the Company's Board of Directors to hold office until the next annual meeting of stockholders or until their respective successors have been elected or qualified.
2. To ratify the appointment of BDO Canada LLP as the Company's independent registered public accounting firm for the fiscal year ending August 31, 2015.
3. To consider, and, if deemed advisable, approve a resolution to approve the Company's Amended and Restated Employee Stock Purchase Plan.

The Company will also consider any other business that properly comes before the Meeting.

How do I vote?

You have several voting options. You may vote:

- by signing your proxy card and mailing it to the Company's transfer agent at the address on the proxy card;
- by signing and e-mailing your proxy card to the Company's transfer agent for proxy voting at the e-mail address provided on the proxy card;
- through the internet by following the instructions set out in the proxy card; and
- by attending the Meeting and voting in person.

If your shares are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in a street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account. You are also invited to attend the Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

What if I share an address with another person and we received only one copy of the proxy materials?

The Company will only deliver one Proxy Statement to multiple stockholders sharing an address unless it has received contrary instructions from one or more of the stockholders. The Company will promptly deliver a separate copy of this Proxy Statement to a stockholder at a shared address to which a single copy of the document was delivered upon oral or written request to:

Destiny Media Technologies Inc.
Attention: Fred Vandenberg, Corporate Secretary
Suite 750, 650 West Georgia Street
Vancouver, British Columbia, Canada V6B 4N7

Stockholders may also address future requests for separate delivery of Proxy Statements and/or annual reports by contacting us at the address listed above.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Meeting. You may do this by:

- (a) executing and delivering a written notice of revocation of proxy to the office of the Company at any time before the taking of the vote at the Meeting;
- (b) executing and delivering a later-dated proxy relating to the same shares to the office of the Company at any time before taking of the vote at the Meeting; or
- (c) attending the Meeting in person and:
 - (i) giving affirmative notice at the Meeting of your intent to revoke their proxy; and
 - (ii) voting in person.

Any written revocation of proxy or subsequent later-dated proxy should be delivered to the office of the Company as follows: Destiny Media Technologies Inc., Attention: Fred Vandenberg, Corporate Secretary, Suite 750, 650 West Georgia Street, Vancouver, British Columbia, Canada V6B 4N7. Attendance at the Meeting will not, by itself, revoke a stockholder's proxy without the giving of notice of intent to revoke that proxy.

What constitutes a quorum?

In order to hold a valid meeting of the Company's stockholders, a quorum equal to one percent (1%) of the shares of the Common Stock outstanding must be represented at the meeting. These shares may be represented in person or represented by proxy.

Stockholders who abstain from voting on any or all proposals, but who are present at the Meeting or represented at the Meeting by a properly executed proxy will have their shares counted as present for the purpose of determining the presence of a quorum. Broker non-votes will also be counted as present at the Meeting for the purpose of determining the presence of a quorum. However, abstentions and broker non-votes will not be counted either in favor or against any of the proposals brought before the Meeting. A broker non-vote occurs when shares held by a broker for the account of a beneficial owner are not voted for or against a particular proposal because the broker has not received voting instructions from that beneficial owner and the broker does not have discretionary authority to vote those shares.

In the event that a quorum is not present at the Meeting, or in the event that a quorum is present but sufficient votes to approve the proposal are not received, the persons named as proxies on the enclosed proxy card may propose one or more adjournments of the Meeting to permit further solicitation of proxies. The persons named as proxies will vote upon such adjournment after consideration of all circumstances that may bear upon a decision to adjourn the Meeting. Any business that might have been transacted at the Meeting originally called may be transacted at any such adjourned session(s) at which a quorum is present. The Company will pay the costs of preparing and distributing to stockholders additional proxy materials, if required in connection with any adjournment. Any adjournment will require the affirmative vote of a majority of those securities represented at the Meeting in person or by proxy.

How are abstentions and broker non-votes treated?

Stockholders may vote for or against the proposals or they may abstain from voting. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum at the Meeting, but will not be counted as either in favor or against the proposals.

What vote is required to approve each item?

In order for a proposal to be approved, the number of votes cast at the Meeting in favor of the proposal must be greater than the number of votes cast against the proposal. As of the Record Date, there were 52,993,874 shares of common stock outstanding and entitled to vote. The affirmative vote of the holders of a majority of the Company's common stock represented at the Meeting in person or by proxy is required to approve the following proposals:

1. To elect four members of the Company's Board of Directors to hold office until the next annual meeting of stockholders or until their respective successors have been elected or qualified.
2. To ratify the appointment of BDO Canada LLP as the Company's independent registered public accounting firm for the fiscal year ending August 31, 2015.
3. To consider, and, if deemed advisable, approve a resolution to approve the Company's Amended and Restated Employee Stock Purchase Plan.

Therefore, the number of votes cast at the Meeting in favor of each of the above proposals must be greater than the number of votes cast against each respective proposal.

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares.

If your shares are registered in your name, and you do not sign and return your proxy card, your shares will not be voted at the Meeting.

Will I be entitled to appraisal rights under Nevada law?

Under Nevada law, the Company's stockholders are not entitled to appraisal rights in connection with the proposals.

When are the stockholder proposals due for the 2016 Annual Meeting?

The deadline for submitting a stockholder proposal for inclusion in the Company's proxy statement and form of proxy for its 2016 annual meeting of stockholders pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended, (the Exchange Act) is September 20, 2015; provided, however, that in the event the Company hold its 2015 annual meeting more than 30 days before or after the one year anniversary date of the 2015 Annual Meeting, the Company will disclose the new deadline by which proxies must be received under Item 5 of the Company's earliest possible Quarterly Report on Form 10-Q or, if impracticable, by any means reasonably calculated to inform stockholders. In addition, stockholder proposals must otherwise comply with the requirements of Rule 14a-8 of the Exchange Act.

Any stockholders who wish to submit a proposal are encouraged to seek independent counsel about SEC requirements. The Company will not consider any proposals that do not meet the SEC requirements for submitting a proposal. Notices of intention to present proposals for the Company's next annual meeting should be delivered to Destiny Media Technologies Inc., Suite 750, 650 West Georgia Street, Vancouver, British Columbia, Canada V6B

4N7, Attention: Fred Vandenberg, Corporate Secretary.

PROPOSAL NUMBER THREE APPROVAL OF AMENDED AND RESTATED EMPLOYEE STOCK PURCHASE PLAN

The Company is requesting that stockholders vote **FOR** the Company's Amended and Restated Employee Stock Purchase Plan (the **Plan**). The Company's Board of Directors has approved the Plan, subject to the approval from the stockholders at the Annual Meeting and TSX Venture Exchange (the **Exchange**) final approval. The Plan will facilitate employees, officers and directors becoming shareholders of the Company.

The purpose of the Plan is to attract, retain and reward eligible employees of the Company and to motivate employees to contribute to the growth and profitability of the Company.

The following summary of the material provisions of the Plan is qualified in its entirety by reference to the complete text of the Plan, a copy of which is attached as Appendix **A**.

Administration

The Board of Directors has appointed PI Financial Corp. (the **Plan Agent**) to administer the Plan. In the event that the Plan Agent's engagement is terminated, the Board of Directors will appoint another plan agent to administer the Plan.

Participants

Any person that is an officer, director or employee of the Company will be eligible to participate in the Plan (the **Participants**). Approximately 22 employees and 3 executive officers and 4 directors qualify to participate in the Plan.

Lawrence Langs, Edward Kolic and Yoshitaro Kumagai are independent directors of the Company, as aside from shares held by them, they have no ongoing interest or relationship with the Company other than serving as a director. Steven E. Vestergaard is not an independent director because of his position as the Company's President and Chief Executive Officer.

Meetings and Committees of the Board of Directors

During the fiscal year ended August 31, 2014, the Company's Board of Directors held 3 meetings and various matters were approved by consent resolution of the entire board and its audit committee had one meeting. The compensation and nomination committee had no formal meetings during the fiscal year ended August 31, 2014. All directors are expected to attend the Meeting and their attendance is recorded in the minutes.

Audit Committee

Composition

The Company's audit committee consists of Edward Kolic and Yoshitaro Kumagai, two of which are independent. Management believes that the audit committee members are collectively capable of analyzing and evaluating the financial statements and understanding internal controls and procedures for financial reporting.

Lawrence Langs resigned as a director of the Company on January 20, 2015, creating a vacancy on the audit committee. Lawrence Langs qualified as an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K.

Company expects to fill the vacancy soon and expects such replacement to be an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K.

The Company adopted a charter for the Audit Committee in November 2013, a copy of which is available on the Company's corporate website <http://dsny.com/node/1457>.

Reliance on Certain Exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis Non-audit Services*), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described above under the heading *Proposal Number Two Ratification of Selection of Independent Registered Public Accounting Firm Policy on Pre-Approval by Audit Committee of Services Performed by Independent Auditors* .

Exemption

The Audit Committee has relied on an exemption under Part 6.1 of NI 52-110.

Compensation Committee

Prior to Lawrence Lang's resignation as a Director of the Company on January 20, 2015, the Company's compensation committee consisted of Mr. Langs and Edward Kolic. The Company expects to fill the vacancy caused by Mr. Lang's resignation soon.

The compensation committee conducts reviews with regards to the compensation of the directors and the Company's executive officers once a year. To make its recommendations on such compensation, the compensation committee takes into account the types of compensation and the amounts paid to officers of comparable publicly traded companies.

The compensation committee's basic responsibility is to review the performance and development of the Company's management in achieving corporate goals and objectives and to assure that the Company's executive officers are compensated effectively in a manner consistent with the strategy of the Company, competitive practice, sound corporate governance principles and stockholder interests. The committee reviews and approves all compensation to directors and executive officers. The compensation committee may not delegate its authority. The Company does not engage compensation consultants. Executive officers may suggest to committee what amount of compensation they think it suitable or fair with respect to each candidate.

Neither the committee nor management has engaged consultants for determining or recommending the amount or form of executive or director compensation.

The Company adopted a charter for the compensation committee in November 2013, a copy of which is available on the Company's corporate website <http://dsny.com/node/1625>.

Directorships

Haig S. Bagerdjian is also a Director of Point.360, a film and television production services Company listed on the OTCQX marketplace.

Orientation and Continuing Education

The Board of Directors provides an overview of the Company s business activities, systems and business plan to all new directors. New director candidates have free access to any of the Company s records, employees or senior management in order to conduct their own due diligence and will be briefed on the strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing policies of the Company. The directors are encouraged to update their skills and knowledge by taking courses and attending professional seminars.

Ethical Business Conduct

The Board of Directors believes good corporate governance is an integral component to the success of the Company and to meet responsibilities to stockholders. Generally, the Board of Directors has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company.

The Board of Directors is also responsible for applying governance principles and practices, and tracking development in corporate governance, and adapting best practices to suit the needs of the Company. Certain of the directors of the Company may also be directors and officers of other companies, and conflicts of interest may arise between their duties. Such conflicts must be disclosed in accordance with, and are subject to such other procedures and remedies as applicable under Nevada law.

Assessments

The Board of Directors has not implemented a process for assessing its effectiveness. As a result of the Company's small size and the Company's stage of development, the Board of Directors considers a formal assessment process to be inappropriate at this time. The Board of Directors plans to continue evaluating its own effectiveness on an ad hoc basis.

The Board of Directors does not formally assess the performance or contribution of individual Board members or committee members.

Stockholder Communication with the Board of Directors

Stockholders desiring to communicate with the Board of Directors on matters other than director nominations should submit their communication in writing to Fred Vandenberg, Treasurer & Corporate Secretary, Destiny Media Technologies Inc., Suite 750, 650 West Georgia Street, Vancouver BC V6B 4N7 and identify themselves as a stockholder. The Plan Agent will then execute the purchase order and shall allocate Shares (or fraction thereof) to each Participant's individual recordkeeping account. In the event the purchase of Shares takes place over a number of days and at different prices, then each Participant's allocation shall be adjusted on the basis of the average price per Share over such period.

6.2 Commissions and Administrative Costs. Commissions relating to the purchase of the Shares under the Plan will be deducted from the total contributions submitted to the Plan Agent. The Company will pay all administrative costs associated with the implementation and operation of the Plan.

6.3 Shares to be held by Plan Agent. The Shares purchased under the Plan shall be held by the Plan Agent. Participants shall receive quarterly statements that will evidence all activity in the accounts that have been established on their behalf. Such statements will be issued by the Plan Agent. In the event a Participant wishes to hold certificates in his or her own name, the Participant must instruct the Plan Agent independently and bear the costs associated with the issuance of such certificates and pay, if required, a fee for each certificate so issued. Fractional Shares shall be liquidated on a cash basis only in lieu of the issuance of certificates for such fractional Shares upon the Participant's withdrawal.

7. SALE OF SHARES PURCHASED UNDER THE PLAN

7.1 Escrow. The Shares purchased under the Plan will be escrowed (the Escrowed Shares) by the Plan Agent for a period to be determined by the Board of Directors (the Escrow Period).

7.2 Sale of Shares. Following the Escrow Period, each Participant may sell at any time all or any portion of the Shares acquired under the Plan and held by the Plan Agent by notifying the Plan Agent who will execute the sale on behalf of the Participant. The Participant shall pay commission and any other expenses incurred with regard to the sale of the Shares. All such sales of the Shares will be subject to compliance with any applicable federal or state securities, tax or other laws. Each participant assumes the risk of any fluctuations in the market price of the Shares.

8. WITHDRAWAL FROM THE PLAN

8.1 Withdrawal. Upon the Company receiving three weeks written notice, a Participant may cease making contributions to the Plan at any time by changing his or her payroll deduction to zero. If the Participant desires to withdraw from the Plan by liquidating all or part of his or her shareholder interest, the Participant must contact the Plan Agent directly and he or she shall receive the proceeds from the sale less commission and other expenses on such sale.

9. TERMINATION OF PARTICIPANTS RIGHTS

9.1 Termination. The Participant's rights under the Plan will terminate when he or she ceases to be an eligible Participant due to retirement, resignation, death, termination or any other reason. A notice of withdrawal will be deemed to have been received from a Participant on the day of his or her final payroll deduction. If a Participant's payroll deductions are interrupted by any legal process, a withdrawal notice will be deemed as having been received on the day the interruption occurs.

9.2 Disposition of Shares. In the event of the Participant's termination under section 9.1, the Participant will be required to:

- (a) sell any shares then remaining in the Participant's account;
- (b) transfer all remaining shares to an individual brokerage account; or
- (c) request the Company's transfer agent to issue a share certificate to the Participant for any shares remaining in the Participant's account.

Notwithstanding the above, the Escrowed Shares will continue to be held in escrow by the Plan Agent until the expiry of the Escrow Period. Following the Escrow Period, the Participant will be required to dispose of his or her shares in accordance with this section 9.2.

9.3 Fractional Shares. Any fractional shares remaining in the Participant's account will be sold and the proceeds will be sent to the Participant.

9.4 Failure to Notify. If the Participant does not do any of the options set out in section 9.2 within 30 days, the Participant will be sent a certificate representing his or her whole Shares. The Participant will also receive a check equal to your proceeds from the sale of your fractional shares, less applicable transaction and handling fees.
