Item 1.01 Entry into a Material Definitive Agreement.

Subscription Agreement

On April 11, 2016, Net 1 UEPS Technologies, Inc. (the Company) entered into a Subscription Agreement (the Subscription Agreement) with International Finance Corporation, IFC African, Latin American and Caribbean Fund, LP, IFC Financial Institutions Growth Fund, LP, and Africa Capitalization Fund, Ltd. (collectively, the Investors). Under the Subscription Agreement, the Investors have agreed to purchase, and the Company has agreed to sell, in the aggregate, approximately 9.98 million shares of the Company's common stock, par value \$0.001 per share, at a price of \$10.79 per share, for gross proceeds to the Company of approximately \$107.7 million. Closing of the transaction is subject to closing conditions.

Policy Agreement

The Company has entered into a Policy Agreement with the Investors (the Policy Agreement) that becomes effective on the closing under the Subscription Agreement. The material terms of the Policy Agreement are described below.

Board Rights

For so long as the Investors in aggregate beneficially own shares representing at least 5% of the Company's common stock, the Investors will have the right to nominate one director to the Company's board of directors. For so long as the Investors in aggregate beneficially own shares representing at least 2.5% of the Company's common stock, the Investors will have the right to appoint an observer to the Company's board of directors at any time when they have not designated, or do not have the right to designate, a director.

Registration Rights

The Company has agreed to grant certain registration rights to the Investors for the resale of their shares of the Company's common stock, including filing a resale shelf registration statement and taking certain actions to facilitate resales thereunder.

Put Option

Each Investor will have the right, upon the occurrence of specified triggering events, to require the Company to repurchase all of the shares of its common stock purchased by the Investors pursuant to the Subscription Agreement (or upon exercise of their preemptive rights discussed below). Events triggering this put right relate to (1) the Company being the subject of a governmental complaint alleging, a court judgment finding or an indictment alleging that the Company (a) engaged in specified corrupt, fraudulent, coercive, collusive or obstructive practices; (b) entered into transactions with targets of economic sanctions; or (c) failed to operate its business in compliance with anti-money laundering and anti-terrorism laws; or (2) the Company rejecting a bona fide offer to acquire all of its outstanding Common Stock at a time when it has in place or implements a shareholder rights plan, or adopting a shareholder rights plan triggered by a beneficial ownership threshold of less than twenty percent. The put price per share will be the higher of the price per share paid by the Investors pursuant to the Subscription Agreement (or paid when exercising their preemptive rights) and the volume weighted average price per share prevailing for the 60 trading days preceding the triggering event, except that with respect a put right triggered by rejection of a bona fide offer, the put price per share will be the highest price offered by the offeror.

Preemptive Rights

For so long as the Investors hold in aggregate 5% of the outstanding shares of common stock of the Company, each Investor will have the right to purchase its pro-rata share of new issuances of securities by the Company, subject to certain exceptions.

The foregoing descriptions of the Subscription Agreement and the Policy Agreement, and the transactions contemplated thereby, do not purport to be complete and are qualified in their entirety by reference to the full text of such agreements, which are attached hereto as Exhibits 10.31 and 10.32, respectively, and are incorporated by reference herein.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

The issuance by the Company of shares of common stock to the Investors pursuant to the Subscription Agreement is being made in reliance upon the exemption from registration afforded by Section 4(a)(2) of the U.S. Securities Act of 1933, as amended (the Securities Act), and/or Rule 506(b) of Regulation D under the Securities Act as a transaction not involving a public offering. The Investors are accredited investors as defined in Rule 501 of Regulation D under the Securities Act, and are acquiring the shares of the Company's common stock for investment only and not with a view toward, or for resale in connection with, the public sale or distribution thereof. Furthermore, the shares of the Company's common stock are not being offered or sold by any form of general solicitation or general advertising.
