-

Item 8.01. Other Events and Regulation FD Disclosure.

On June 29, 2005, Carter's, Inc. ("Carter's") issued a press release announcing the pricing terms of the previously announced cash tender offer and consent solicitation by its subsidiary, The William Carter Company ("TWCC"), for its outstanding 10.875% Senior Subordinated Notes due 2011 (the "Notes"). The total consideration for each \$1,000 principal amount of Notes validly tendered and not revoked prior to 5:00 p.m., New York City time, on June 22, 2005 (the "Consent Payment Deadline") is \$1,123.21, which includes a consent payment of \$30.00. The total consideration was determined by reference to a fixed spread of 50 basis points over the bid-side yield of the 2-3/8 percent U.S. Treasury Note due August 15, 2006, which was calculated at 2:00 p.m., New York City time, on June 29, 2005. The reference yield and the tender offer yield are 3.600% and 4.100%, respectively. In addition, holders will receive accrued and unpaid interest on the Notes up to, but not including, the payment date for the offer, which is expected to be on or about July 14, 2005. As of the Consent Payment Deadline, TWCC had received tenders and consents for 100% of the outstanding Notes. The tender offer is scheduled to expire at 9:00 a.m., New York City time, on July 14, 2005, unless extended.

Item 9.01. Financial Statements and Exhibits.
