Notes to Condensed Pro Forma Consolidated Financial Statements

March 31, 2005 and December 31, 2004

(unaudited)

---

(1) Represents Liberty's cash contribution of \$200 million to a subsidiary of DHC prior to the completion of the Spin Off.

(2) Represents the elimination of a valuation allowance for certain net operating loss carryforwards ( NOLs ) reflected in the historical DHC financial statements but not reflected in the historical Liberty financial statements. The valuation allowance was reflected in the historical DHC financial statements as it is more likely than not that DHC (once it is a separate public company) will not be able to realize the benefits of these NOLs. Liberty had not recorded a valuation allowance for these NOLs because it had determined that it was more likely than not that it would be able to use them if DHC remained in the Liberty tax consolidated group.

(3) Represents the elimination of the tax effect of certain intercompany transactions between Liberty and DHC that are reflected in the DHC historical financial statements, but are eliminated in the historical consolidated Liberty financial statements.
