PROXY STATEMENT

SOLICITATION AND REVOCATION OF PROXIES

The following information is furnished in connection with the Annual Meeting of Stockholders of Barnwell Industries, Inc., a Delaware corporation (the Company), to be held on March 6, 2006 at 9:30 a.m., Central Standard Time, at the Clarion Shreveport Hotel, 1419 East 70th Street, Shreveport, Louisiana.

The accompanying Proxy is solicited by the Board of Directors of the Company, and the Company will bear the cost of such solicitation. Solicitation of proxies will be primarily by mail. Proxies may also be solicited by regular employees of the Company by telephone at a nominal cost. Brokerage houses and other custodians, nominees and fiduciaries will be requested to forward soliciting material to the beneficial owners of Common Stock (as defined below) and will be reimbursed for their expenses. All properly executed proxies will be voted as instructed.

Stockholders who execute proxies may revoke them by delivering subsequently dated proxies or by giving written notice of revocation to the Secretary of the Company at any time before such proxies are voted. No proxy will be voted if the stockholder attends the meeting and elects to vote in person.

This Proxy Statement and the accompanying Form of Proxy are first being sent to stockholders on or about January 19, 2006.

VOTING AT THE MEETING

Only stockholders of record at the close of business on January 9, 2006 (the Record Date) will be entitled to vote at the annual meeting and any adjournment thereof. As of the Record Date, 8,169,060 shares of common stock, par value \$0.50, of the Company (the Common Stock) were issued and outstanding. Each share of Common Stock outstanding as of the Record Date is entitled to one vote on any proposal presented at the meeting. With respect to abstentions, the shares will be considered present at the meeting for a particular proposal, but since they are not affirmative votes for the proposal, they will have the same effect as a vote withheld on the election of directors or a vote against such other proposal, as the case may be. Brokers and nominees may be precluded from exercising their voting discretion with respect to certain matters to be acted upon, other than the election of directors. Thus, if you do not give your broker or nominee specific instructions, your shares may not be

Edgar Filing: BARNWELL INDUSTRIES INC - Form DEF 14A

voted on these matters. Shares represented by such broker nonvotes will, however, be counted for purposes of determining whether there is a quorum.

ELECTION OF DIRECTORS

At the meeting eleven directors of the Company are proposed to be elected, each elected director to hold office until the next annual meeting and until his successor is duly elected and qualified. The persons named as proxies in the enclosed Proxy are executive officers of the Company and, unless contrary instructions are given, they will vote the shares represented by the Proxy for the election to the Board of Directors of the persons named below. The election of directors will require a plurality of the votes cast at the meeting. The Board of Directors has no reason to believe that any of the nominees for director will be unable to serve; however, in the event any of the nominees should withdraw or otherwise become unavailable for reasons not presently known, the persons named as proxies may vote for other persons in place of such nominees.

The Board of Directors has a standing Compensation Committee, a standing Audit Committee, and a standing Executive Committee. It has no standing nominating committee and there is no nominating committee charter. The Board of Directors believes that it is appropriate for the Company not to have a nominating committee because potential nominees are recommended by a majority vote of the independent directors and each director on the Board of Directors participates in the consideration of all director nominees. The Board

(1) This director is independent as defined in Section 121(A) of the American Stock Exchange listing standards.

identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Board identifies the desired skills and experience of a new nominee, if the Board determines that it is appropriate to replace the retiring member. The Board believes that potential directors should possess sound judgment, understanding of the business issues affecting the Company, integrity and the highest personal and professional ethics. In searching for potential Board nominees, the Board seeks directors who have a range of business, management and civic experience appropriate for the Board to discharge its responsibilities. In the case of both incumbent and new directors, the Board seeks persons who are able to devote significant time and effort to Board and Board committee responsibilities.

The Board will consider potential nominees brought to its attention by any director or officer of the Company. It also will evaluate recommendations for director nominee proposed by a stockholder who (i) has continuously held at least 1% of the outstanding shares of the Company's Common Stock entitled to vote at the annual meeting of stockholders for at least one year by the date the stockholder makes the recommendation and (ii) undertakes to continue to hold the Common Stock through the date of the meeting. Any recommendation for director nominee submitted by a qualifying stockholder must be received by the Company no later than 120 days prior to the anniversary of the date proxy statements were mailed to stockholders in connection with the prior year's annual meeting of stockholders. Any stockholder recommendation for director nominee must be submitted to the Company's Chairman of the Board in writing, including:

a statement by the stockholder that he/she is the holder of at least 1% of the Company's Common Stock and that the stock has been held for at least a year prior to the date of the submission and that the stockholder will continue to hold the shares through the date of the annual meeting of stockholders;

the candidate's name, age, contact information and current principal occupation or employment;

a description of the candidate's qualifications and business experience during, at a minimum, the last five years, including his/her principal occupation or employment and the name and principal business of any corporation or other organization in which the candidate was employed;

the candidate's resume; and

at least three (3) references for the candidate.

The Board will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above. All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process.

The members of the Compensation Committee are Mr. Hunter, Chairman, and Messrs. Anderson, Gardner, Johnston and Ms. Diane Kranz. Although Mr. Johnston is not independent as defined in Section 121 (A) of the American Stock Exchange listing standards, the independent

Edgar Filing: BARNWELL INDUSTRIES INC - Form DEF 14A

members of the Board of Directors have determined in accordance with the American Stock Exchange listing standards that Mr. Johnston, who is not an officer of the Company, brings a unique and valuable perspective to the Compensation Committee because of his real estate development experience and his opportunity to assess management's capabilities due to his ownership interests in Kaupulehu Developments, the Company's majority-owned real estate development general partnership. The Compensation Committee (i) determines the annual compensation of the Company's senior officers; (ii) recommends, if appropriate, new employee benefit plans to the Board of Directors; (iii) administers all employee benefit plans and (iv) makes determinations in connection therewith as may be necessary or advisable. During the fiscal year ended September 30, 2005, the Compensation Committee held one meeting.

The members of the Audit Committee are Ms. Kranz, Chairperson, and Messrs. Gardner, Anderson, Hunter and Takata⁽¹⁾. All of the members of the Audit Committee are independent (as independence is defined in Section 121 (A) of the American Stock Exchange listing standards). The Board of Directors has determined that the Audit Committee has at least one financial expert (as financial expert is defined in Item 401(e) of Regulation S-B), namely Ms. Kranz, who is a financial expert based on her being a certified public accountant. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is annexed to this Proxy

(1) Mr. Takata was first appointed to the Audit Committee on December 9, 2005.

Statement. The Audit Committee reviews the services of the independent accountants employed by the Company to audit the consolidated financial statements of the Company. The Audit Committee reviews periodically major issues regarding accounting and auditing principles and practices, the adequacy of internal controls that could affect the consolidated financial statements as well as all related party transactions and potential conflicts of interest. During the fiscal year ended September 30, 2005, the Audit Committee held four meetings.

The Board of Directors has a process for stockholders to send communications to the Board of Directors. Stockholders may send any communication to the Board of Directors, as a whole, or individually, by mail to the Company's address listed on page one of the Proxy Statement, to the attention of Russell M. Gifford, Secretary. All such communications will be forwarded to the Board of Directors or individual directors as appropriate. The Company strongly encourages its directors to attend the Annual Meeting. Two members of the Board of Directors attended the 2005 Annual Meeting of Stockholders of the Company.

The Audit Committee has also received the written disclosures and the letter from KPMG LLP that are required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee) as may be modified or supplemented, and has discussed with KPMG LLP the independent registered public accounting firm's independence. Directors who are not officers of the Company receive an annual fee of \$12,500 and are reimbursed for expenses incurred with respect to meeting attendance and are offered medical coverage in the United States at the Company's expense. Any such director who does not wish to obtain such medical coverage is paid an additional annual fee of \$3,000. The Chairman of the Compensation Committee receives an additional \$9,000 annual fee. The Chairperson of the Audit Committee receives an additional \$20,000 annual fee. The members of the Executive and Compensation Committees, other than the Chairmen, receive an additional \$1,500 annual fee. The members of the Audit Committee, other than the Chairperson, receive an additional \$7,500 annual fee. In lieu of payment of such fees to Mr. Hazellhoff-Roelfzema, the Company reimburses him for certain expenses incurred in connection with his service as a director. Mr. Terry Johnston, a director of the Company, is also reimbursed for certain expenses incurred with respect to services he performs for Kaupulehu Developments, a real estate partnership which is majority owned by the Company.

(1) Mr. Steckley was granted 180,000 incentive units on June 1, 1998. The value of such units directly relates to Barnwell of Canada, Limited's (BOC's) net income and to changes in the value of BOC's oil and gas reserves since 1998, with adjustments for changes in commodities prices and subject to other terms and conditions. Such adjusted reserve value is then divided by the number of shares of the Company's outstanding common stock to determine the value of each unit. These units became exercisable over 4 years from the date of grant, are now all

vested and expire 10 years from such date. At September 30, 2005, the U.S. dollar equivalent of the value of the units was \$715,000. This is an increase of US\$185,000 over the value of these units at September 30, 2004.

(2) All amounts shown for Mr. Steckley in this table represent the average U.S. dollar equivalent during each fiscal year of payments made to him in Canadian dollars.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Barnwell Kona Corporation (BKC), a wholly-owned subsidiary of the Company, and Nearco, Inc. (Nearco), an entity controlled by Mr. Terry Johnston, a member of the Board of Directors of the Company, own approximately 55.2% and 28.9%, respectively, of Cambridge Hawaii Limited Partnership (CHLP). CHLP is a Hawaii limited partnership, of which BKC is the sole general partner. The principal asset of CHLP is a 49.9% interest in Kaupulehu Developments, a Hawaii real estate partnership (KD). Mr. Johnston also indirectly owns another approximately 14.9% of CHLP. Barnwell Hawaiian Properties, Inc., a wholly-owned subsidiary of the Company (BHP) owns a 50.1% interest in KD. In connection with the acquisition by Nearco of its interest in CHLP, Nearco issued a \$1,463,000 promissory note to BKC which was secured by Nearco and Mr. Johnston 's entire interest in CHLP. On February 13, 2004, the principal balance of the note and all accrued interest was paid in full.

In 1987, BHP and CHLP agreed to pay Nearco 2% and 4%, respectively, of cash consideration received from the sale of property owned by KD. Pursuant to these agreements, in fiscal 2005 BHP and CHLP paid fees of \$53,000 and \$106,000, respectively, to Nearco in connection with KD 's receipt of proceeds from real estate transactions. In addition, Nearco was paid \$268,000 in fiscal 2005 as a fee for services Nearco performed and the Company believes such fees are fair and reasonable compensation for such services.

Consistent with the provisions of the Sarbanes-Oxley Act of 2002, the Company prohibits the making of any future loans to officers and directors.

BARNWELL INDUSTRIES, INC.**

STATEMENT OF PURPOSE

The Audit Committee is appointed by the Board of Directors of the Company (the "Board") to: (A) assist the Board in monitoring: (1) the integrity of the financial statements of the Company, (2) the compliance by the Company with legal and regulatory requirements, (3) the independent auditor's qualifications and independence and (4) the performance of the Company's internal audit function and independent auditor; and (B) prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement.

A member of the Company's Audit Committee shall not simultaneously serve on the audit committees of more than three public companies unless the Board affirmatively determines that such simultaneous service would not impair the ability of the member to serve effectively on the Company's Audit Committee.

DUTIES AND RESPONSIBILITIES

The Audit Committee shall:

1. Review and reassess the adequacy of this Charter annually and submit it to the Board for approval.
2. Appoint and oversee the work of the independent auditor, which shall report to the Audit Committee, and meet with the independent auditor prior to the audit to review the planning and staffing of the audit.

6. Evaluate the performance of the independent auditor and, if so determined by the Audit Committee, replace the independent auditor.
7. Obtain and review, at least annually, a report by the independent auditor describing: (1) the independent auditor's internal quality-control procedures, (2) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditor, and any steps taken to deal with any such issues, and (3) all relationships between the independent auditor and the Company. Review (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (ii) analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements; (iii) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company; and (iv) earnings press releases (paying particular attention to any use of pro forma, or adjusted non-GAAP, information), as well as financial information and earnings guidance provided to analysts and rating agencies.
11. Review with management and the independent auditor, prior to inclusion in any report filed by the Company with the Securities and Exchange Commission, the Company's audited financial statements and quarterly financial statements, together with the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations.

16. Review with the independent auditor any problems or difficulties the auditor may have encountered and any management letter provided by the auditor and the Company's response to that letter. Such review should include:

Any restrictions on the scope of activities or access to required information, and
