Item 1.01 Entry into a Material Definitive Agreement.

On February 8, 2006, SI International, Inc., a Delaware corporation ( *SI International* ), entered into a definitive Stock Purchase Agreement (the *Agreement* ) by and among SI International, Zen Technology, Inc., a Virginia corporation ( *Zen Technology* ), and Donald E. Reed, Leslie W. Butler, Barbara M. Reed and Cindy Andre (the *Sellers* ). The terms of the *Agreement* provide that SI International will acquire all of the outstanding capital stock of Zen Technology for \$60 million in cash, of which \$6 million will be held back by *SI International* for 15 months after closing in order to secure post-closing indemnity obligations of the *Sellers*. The purchase price is subject to a two-way adjustment based upon whether the working capital of Zen Technology at the closing of the acquisition is above or below the target working capital specified in the *Agreement*. Each of the parties to the *Agreement* has made customary representations and warranties and agreed to certain indemnification obligations. The *Agreement* also contemplates a non-competition covenant agreed to by each of the *Sellers* and a post-closing consulting relationship between SI International and each of Mr. Reed, Ms. Butler and Ms. Andre.

As part of the acquisition, the *Sellers* have agreed to make certain tax elections for the benefit of SI International. SI International estimates the net present value of such election is approximately \$10 million.

The consummation of the acquisition is subject to a number of conditions, including SI International obtaining the consent of its senior lender under its existing credit facility. There can be no assurances that the acquisition will be consummated.
