Item 8.01 Other Events.

With respect to the 2006 Proxy Statement of Triumph Group, Inc. (the Company) filed on June 22, 2006 (the 2006 Proxy Statement), the Company is providing the following information with respect to Proposal No. 3 Approval of the Amendment and Restatement of Triumph Group, Inc. s Amended and Restated Directors Stock Incentive Plan (the Directors Plan). Although all required disclosures have been provided in the 2006 Proxy Statement, this Form 8-K is being filed to highlight some of the information previously disclosed and to provide additional information which may be of potential interest to stockholders.

Director Stock Ownership Guidelines

Upon approval of the proposed amendments to the Directors Plan, the Company commits to implementing a guideline for directors to own shares of the Company s common stock having a value of at least three times the annual director fee retainer (the Retainer). The Retainer for the Board of Directors is currently \$25,000. As disclosed in the stock ownership table in the 2006 Proxy Statement, all but one director (who most recently joined the Board) currently meet this guideline through direct beneficial ownership.

Vesting Schedule or Mandatory Holding/Deferral Period.

All outstanding option awards under the Directors Plan vest over three years. The Company further commits that, under the proposed Directors Plan, stock options and restricted stock awards will vest over no less than three years and deferred stock units will not be payable until the end of at least three years.

Mix Between Cash and Equity

The Company is committed to compensate non-employee directors in a balanced mix of cash and equity. As disclosed in the table below, for the Company s fiscal year ended March 31, 2006, each non-employee director received an annual cash retainer of \$25,000 and a stock option valued on the Black-Scholes method at \$21,375. As disclosed on page 6 of the 2006 Proxy Statement, the compensation of non-employee directors is currently under review, but will be determined in accordance with the foregoing principle.

Retirement / Benefit and Perquisites Programs

The Company does not provide any retirement benefits or perquisites to any of its non-employee directors.
