**SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS**

**Item 1.01 Entry Into A Material Definitive Agreement.**

On August 30, 2006, Teton Energy Corporation ( we, us, or the Company ) finalized an employment agreement with our Chief Executive Officer, Karl F. Arleth. The employment agreement replaces the previous employment agreement that we had with Mr. Arleth that was dated as of May 1, 2003. The effective date of Mr. Arleth's new employment agreement is September 1, 2006. Many of the provisions of Mr. Arleth's new employment agreement are consistent with the provisions from his previous agreement, such as: Mr. Arleth is to be compensated at an initial base salary of \$250,000 per year and he will be entitled to a bonus based on his performance against objectives established by our compensation committee each year. In addition, Mr. Arleth is entitled to a severance benefit equal to 24 months of his base salary in the event he is terminated without cause. The new provisions provided for in Mr. Arleth's employment agreement include: an indemnification agreement with Mr. Arleth as part of his employment agreement and a provision that provides for us to purchase life insurance providing for no less than \$3,000,000 in benefits, with any such paid benefit to be distributed equally between us and a beneficiary of Mr. Arleth's choosing.

On August 30, 2006, our directors formally approved a form of indemnification agreement and we entered into indemnification agreements with each of our directors and one senior executive officer, Andrew N. Schultz. Unlike the employment agreements for Mr. Arleth and Mr. Pennington, Mr. Schultz's employment agreement did not contain a formal indemnification agreement. No other officers or employees are covered by these agreements, although they may be covered under Delaware law or our bylaws as applicable. Our directors may from time to time authorize us to enter into additional indemnification agreements with future directors, officers, and key employees of the Company.

In general, the indemnification agreements provide that we will, to the extent permitted by applicable law, indemnify each indemnitee against all expenses, judgments, fines, and penalties actually and reasonably incurred in connection with the defense or settlement of any criminal, civil or administrative action, or any threatened such action, brought against the indemnitee by reason of his or her relationship with the Company, or because the indemnitee is or was serving at our request as a director or officer of another corporation, partnership, joint venture, trust or other enterprise. The agreements provide for indemnification rights regarding third-party claims and proceedings brought by or in the right of the Company. In addition, the indemnification agreements provide for the advancement of expenses incurred by the indemnitee in connection with any proceeding covered by the agreement to the fullest extent permitted by Delaware or other applicable law.

The above description of the indemnification agreements does not purport to be complete and is qualified in its entirety by reference to the form of indemnification agreement, which is filed as exhibit 10.2 to this Current Report on Form 8-K.
