Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On April 23, 2007, the Snap-on Incorporated Board of Directors elected Nicholas T. Pinchuk as Snap-on's President and Chief Operating Officer. Mr. Pinchuk was also elected to the company's Board of Directors; his term will expire at the 2008 annual meeting of shareholders.

Prior to his appointment as President and Chief Operating Officer, Mr. Pinchuk was Snap-on's Senior Vice President and President - Worldwide Commercial & Industrial Group, which positions he has held since joining Snap-on in June 2002. Prior to joining Snap-on, Mr. Pinchuk, age 60, served in several executive operational and financial management positions at United Technologies Corporation, including president, Global Refrigeration Operations of its Carrier Corporation unit and president of Carrier's Asia Pacific Operations. Before Carrier, he held various financial and engineering positions at Ford Motor Company. Mr. Pinchuk also serves on the board of directors of Columbus McKinnon Corporation.

Mr. Pinchuk's salary was increased to \$550,000 annually as a result of his election to the new positions of President and Chief Operating Officer. Because Mr. Pinchuk is currently an executive officer of Snap-on, and one of its named executive officers, information as to his compensation and the terms of his employment (including his severance agreement and his change in control agreement) is included in Snap-on's definitive proxy statement for its 2007 annual meeting of shareholders (the 2007 Proxy Statement).

Jack D. Michaels is continuing as Snap-on's Chairman and Chief Executive Officer and as a member of the Board of Directors.

In addition, on April 24, 2007, Thomas J. Ward was appointed Senior Vice President and President - Snap-on Tools Company LLC, replacing Alan T. Biland who is leaving that position at Snap-on to pursue other interests. Snap-on is in discussions with Mr. Biland concerning the terms of his departure from the company. As a result of Mr. Ward's selection for the new positions, his base salary was increased to \$370,000, and an option for 10,000 shares has been recommended to be granted to Mr. Ward by the Organization and Executive Compensation Committee of Snap-on's Board of Directors, which administers Snap-on's Incentive and Stock Awards Plan, at the Committee's next regular meeting. Mr. Ward was previously Senior Vice President and President - Diagnostics and Information Group of Snap-on. Because Mr. Ward is currently also one of Snap-on's named executive officers, information as to his compensation and the terms of his employment (including his change in control agreement) is included in the 2007 Proxy Statement.

Information as to Mr. Pinchuk's and Mr. Ward's compensation and their agreements with Snap-on included under the caption Executive Compensation Information in the Proxy Statement is incorporated herein by reference.
