Dear *SI International* Team Members:

Today we have made an important announcement that *SI International* is planning to join forces with Serco North America by the end of this year. I wanted to share the exciting news with you and my thoughts on why we think this is a win-win transaction for both companies. A copy of the news release can be found on *SI International*'s home page, [www.si-intl.com](http://www.si-intl.com).

Throughout our ten year history, we have successfully grown our company both organically and through nine acquisitions. We are now a top 50 Prime Federal IT contractor with over half a billion dollars in annual revenue. Our goal is to become a \$1 billion company within the next three years. This merger will propel us into becoming part of an approximately \$1.3 billion federal contractor and a \$6 billion world leader in government services transformation.

This announcement is an exciting milestone for *SI International*. By combining our teams of highly qualified professionals, we hope to broaden and deepen the services provided to our customers in the Federal Government. In moving forward together, our enhanced profile will provide us with greater resources to bid on bigger contracts.

After spending the past few months getting to personally know Serco and its management team, I believe that we are joining a top-notch global company that shares our values and culture. Serco recognizes that people are a company's greatest asset. As part of Serco, we anticipate you will have the opportunity to participate in many exciting and rewarding endeavors. This merger is about providing you the room to grow professionally, while at the same time strengthening and enhancing our business.

We realize that many uncertainties and questions naturally arise with significant change, so every effort will be made to keep you informed on the closing of the acquisition, integration plans, and related developments that may affect you.

Today at 10:00 a.m. Eastern Time, Ed Casey, Chairman and CEO of Serco North America, will be joining me in the Reston office for an *SI International* All Hands Meeting/Conference Call where we will discuss this exciting news. If you are unable to attend the meeting, you can join us by phone by dialing 1-888-396-2356 and entering passcode 68307370. I encourage each of you to participate. If you are unable to participate in the live conference call, a digital reply will be available beginning this afternoon. The replay dial-in number is 1-888-286-8010 and the passcode is 88937672.

If you have questions, please use the telephone hotline set up to respond to questions concerning the acquisition. For those calling within the DC metro area dial 703-234-7038; for outside the DC metro area dial 1-800-337-1858. To submit questions by email, use [si-questions@si-intl.com](mailto:si-questions@si-intl.com). In the meantime, I encourage you to visit <http://www.serco-na.com> to learn more about Serco.

I would like to stress to each of you that since *SI International* is a public company, it is very important that we do not discuss information with the media or investment community related to the acquisition. Any such inquiries you receive should be referred to Alan Hill, *SI International*'s Vice President of Corporate Communications at (703) 234-6854 or alan.hill@si-intl.com.

I look forward to speaking with you more about our exciting future. I know that Ed Casey and his team will be meeting and talking with many of you as we finalize the transaction.

Sincerely,

Brad Antle

President and CEO

*SI International*
