REGAL ENTERTAINMENT GROUP

NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2010 AND OCTOBER 1, 2009

1. THE COMPANY AND BASIS OF PRESENTATION

Regal Entertainment Group (the Company, Regal, we or us) is the parent company of Regal Entertainment Holdings, Inc. (REH), which is the parent company of Regal Cinemas Corporation (Regal Cinemas) and its subsidiaries. Regal Cinemas' subsidiaries include Regal Cinemas, Inc. (RCI) and its subsidiaries, which include Edwards Theatres, Inc. (Edwards), Hoyts Cinemas Corporation (Hoyts) and United Artists Theatre Company (United Artists). The terms Regal or the Company, REH, Regal Cinemas, RCI, Edwards, Hoyts and United Artists shall be deemed to include the respective subsidiaries of such entities when used in discussions included herein regarding the current operations or assets of such entities.

Regal operates the largest theatre circuit in the United States, consisting of 6,723 screens in 542 theatres in 37 states and the District of Columbia as of September 30, 2010. The Company formally operates on a 52-week fiscal year with each quarter generally consisting of 13 weeks, unless otherwise noted. The Company's fiscal year ends on the first Thursday after December 25, which in certain years results in a 53-week fiscal year. As of September 30, 2010, the Company managed its business under one reportable segment: theatre exhibition operations.

For a discussion of significant transactions that have occurred through December 31, 2009, please refer to Note 1 to the consolidated financial statements included in Part II, Item 8 of our annual report on Form 10-K filed on March 1, 2010 with the Securities and Exchange Commission (the Commission) (File No. 001-31315) for the fiscal year ended December 31, 2009 (the 2009 Audited Consolidated Financial Statements).

On February 12, 2007, we, along with AMC Entertainment, Inc. (AMC) and Cinemark, Inc. (Cinemark) formed a joint venture company known as Digital Cinema Implementation Partners, LLC, a Delaware limited liability company (DCIP), to create a financing model and establish agreements with major motion picture studios for the implementation of digital cinema in our theatres. As further described in Note 3 Investments, on March 10, 2010, DCIP executed definitive agreements and related financing transactions in connection with the conversion to digital projection. As part of the closing, the Company made equity contributions to DCIP of approximately \$41.7 million, consisting of \$29.1 million in cash and 200 existing digital projection systems with a fair value of approximately \$12.6 million. In connection with the contribution of its 200 existing digital projection systems, the Company recorded a loss on the contribution of \$2.0 million based on the excess of the carrying value of the digital projection systems contributed over the \$12.6 million fair value (as determined by an independent appraisal) of such equipment. In addition, during May 2010, Regal sold an additional 337 digital projection systems to DCIP for aggregate proceeds of approximately \$20.0 million. In connection with this sale, the Company recorded a loss on disposal of approximately \$2.8 million. Such losses have been presented as a component of Net (gain) loss on disposal and impairment of operating assets in the accompanying unaudited condensed consolidated statement of income for the three quarters ended September 30, 2010. After giving effect to the equity contributions, the Company holds a 46.7% economic interest in DCIP as of September 30, 2010, while continuing to maintain a one-third voting interest along with each of AMC and Cinemark.

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

On May 24, 2010 and June 24, 2010, the Company acquired eight theatres with 106 screens located in Illinois, Indiana and Colorado from an affiliate of AMC. Regal purchased five of these AMC theatres representing 63 screens for approximately \$55.0 million in cash, subject to post-closing adjustments, and acquired the other three AMC theatres representing 43 screens in exchange for two Regal theatres consisting of 26 screens. The results of operations of the eight acquired theatres have been included in the Company's consolidated financial statements for periods subsequent to the respective acquisition dates. See Note 2 Acquisition for further discussion of this transaction.

As discussed further in Note 3 Investments, in accordance with the annual adjustment provisions of the Common Unit Adjustment Agreement with National CineMedia, LLC (National CineMedia), on March 17, 2010,

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

Table of Contents

we received from National CineMedia approximately 0.3 million newly issued common units of National CineMedia. On August 18, 2010, we redeemed 4.2 million of our National CineMedia common units for a like number of shares of National CineMedia, Inc. (NCM, Inc.) common stock, which we sold in an underwritten public offering for \$16.00 per share, reducing our investment in National CineMedia by \$13.7 million, the average carrying amount of the shares sold. We received approximately \$64.5 million in proceeds after deducting related fees and expenses payable by us, resulting in a gain on sale of \$50.8 million. In addition, on September 8, 2010, we redeemed an additional 0.1 million National CineMedia common units for a like number of shares of NCM, Inc. common stock and sold them to the underwriters to cover over-allotments at \$16.00 per share, further reducing our investment in National CineMedia by \$0.3 million, the average carrying amount of the shares sold. We received approximately \$1.5 million of net proceeds from this sale, resulting in a gain on sale of \$1.2 million. These transactions, together with National CineMedia's issuance of 6.5 million common units to AMC in the second quarter of 2010 as a result of an acquisition, had the effect of decreasing the Company's ownership share in National CineMedia. As a result, on a fully diluted basis, we own a 19.4% interest in NCM, Inc. as of September 30, 2010.

As described in Note 4 Debt Obligations, on May 19, 2010, Regal Cinemas entered into a sixth amended and restated credit agreement with Credit Suisse AG, Cayman Islands Branch, as Administrative Agent and the lenders party thereto which amends, restates and refinances its fifth amended and restated credit agreement. The sixth amended and restated credit agreement consists of a term loan facility in an aggregate principal amount of \$1,250.0 million with a final maturity date in November 2016 and a revolving credit facility in an aggregate principal amount of \$85.0 million with a final maturity date in May 2015. Proceeds of the term loan facility (approximately \$1,237.5 million, net of a \$12.5 million debt discount) were applied to refinance the term loan under the fifth amended and restated credit agreement, which had an aggregate principal balance of approximately \$1,262.1 million. Upon the execution of the sixth amended and restated credit agreement, Regal recognized a loss on debt extinguishment of approximately \$18.4 million.

On August 10, 2010, Regal Entertainment Group entered into an Underwriting Agreement with Credit Suisse Securities (USA) LLC, Barclays Capital Inc., Banc of America Securities LLC and Deutsche Bank Securities Inc., as the representatives of the underwriters, with respect to the Company's issuance and sale of \$275.0 million in aggregate principal amount of the Company's 91/8% Senior Notes due 2018 (the 91/8% Senior Notes). On August 16, 2010, the Company issued the 91/8% Senior Notes under an indenture with Wells Fargo Bank, National Association, as trustee (the Indenture). The net proceeds from the offering, after deducting offering expenses paid by the Company, were approximately \$269.5 million. Subsequent to the issuance of the 91/8% Senior Notes, during August and September 2010, we used a portion of the net proceeds from the offering to repurchase a total of approximately \$95.3 million aggregate principal amount of the 61/4% Convertible Senior Notes (as defined herein), in a series of privately negotiated transactions. As a result of these repurchases, the Company recorded a \$4.2 million loss on debt extinguishment during the quarter ended September 30, 2010. See Note 4 Debt Obligations for further discussion of these transactions.

Total comprehensive income (loss) for the quarters ended September 30, 2010 and October 1, 2009 was \$42.3 million and \$(3.9) million, respectively. Total comprehensive income for the three quarters ended September 30, 2010 and October 1, 2009 was \$58.4 million and \$57.4 million, respectively. Total comprehensive income (loss) consists of net income (loss) attributable to controlling interest and other comprehensive loss, net of tax, related to the change in the aggregate unrealized gain/loss on the Company's interest rate swap arrangements and available-for-sale equity securities during each of the quarters and three quarters ended September 30, 2010 and October 1, 2009. The Company's interest rate swap arrangements and available-for-sale equity securities are further described in Note 4 Debt Obligations and Note 11 Fair Value of Financial Instruments.

During the three quarters ended September 30, 2010, Regal paid three quarterly cash dividends of \$0.18 on each outstanding share of the Company's Class A and Class B common stock, or approximately \$83.3 million in the aggregate.

The Company has prepared the unaudited condensed consolidated balance sheet as of September 30, 2010 and the unaudited condensed consolidated statements of income (loss) and cash flows for the quarters and three quarters ended September 30, 2010 and October 1, 2009 in

accordance with U.S. generally accepted accounting

principles for interim financial information and the rules and regulations of the Commission. Accordingly, certain information and footnote disclosures typically included in an annual report have been condensed or omitted for this quarterly report. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly in all material respects the financial position, results of operations and cash flows for all periods presented have been made. The December 31, 2009 unaudited condensed consolidated balance sheet information is derived from the 2009 Audited Consolidated Financial Statements. These unaudited condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and notes thereto. The results of operations for the quarter and three quarters ended September 30, 2010 are not necessarily indicative of the operating results that may be achieved for the full 2010 fiscal year.

2. ACQUISITION*Acquisition of Eight AMC Theatres*

On May 24, 2010 and June 24, 2010, the Company acquired eight theatres with 106 screens located in Illinois, Indiana and Colorado from an affiliate of AMC. The Company purchased five of these AMC theatres representing 63 screens for approximately \$55.0 million in cash, subject to post-closing adjustments, and acquired the other three AMC theatres representing 43 screens in exchange for two Regal theatres consisting of 26 screens. As of the acquisition date, the exchanged Regal theatres had a net book value of approximately \$0.2 million. The Company accounted for the exchanged theatre assets as a non-monetary transaction and as such, allocated the net book value of the Regal theatres to the exchanged AMC theatres. Total cash paid of approximately \$55.0 million was directly allocated to the other five AMC theatres using the acquisition method of accounting. Accordingly, the total cash purchase price was allocated to the identifiable assets acquired and liabilities assumed for each of the respective theatre locations based on their estimated fair values at the dates of acquisition. The allocation of the purchase price is based on management's judgment after evaluating several factors, including an independent third party valuation. The results of operations of the eight acquired theatres have been included in the Company's consolidated financial statements for periods subsequent to the respective acquisition dates.

The following is a summary of the preliminary allocation of the aggregate cash purchase price to the estimated fair values of the identifiable assets acquired and liabilities assumed at the respective dates of acquisition (in millions):

Property and equipment, net	\$	40.6
Intangible assets		14.4
Total purchase price	\$	55.0

The transaction included the acquisition of certain identifiable intangible assets, consisting of \$14.4 million related to favorable leases with a weighted average amortization period of 35 years. During the quarter and three quarters ended September 30, 2010, the Company recognized \$0.1 million of amortization related to these intangible assets. Unaudited pro forma results of operations for the quarters and three quarters ended September 30, 2010 and October 1, 2009 reflecting the above acquisition have not been presented herein because the impact was inconsequential to the historical unaudited consolidated statements of income (loss) presented herein.

3. INVESTMENTS

Investment in Digital Cinema Implementation Partners

On February 12, 2007, we, along with AMC and Cinemark, formed DCIP, to create a financing model and establish agreements with major motion picture studios for the implementation of digital cinema in our theatres. On March 10, 2010, DCIP executed definitive agreements and related financing transactions in connection with the conversion to digital projection. DCIP's financing raised approximately \$660.0 million, consisting of approximately \$445.0 million in senior bank debt, approximately \$135.0 million in additional junior capital and approximately \$80.0 million in equity contributions (consisting of cash and existing digital projection systems) from us, AMC and Cinemark. Concurrent with closing, the Company entered into a master equipment lease agreement (the Master Lease) and other related agreements (collectively, the Digital Cinema Agreements) with Kasima, LLC, a wholly owned subsidiary of DCIP. Upon execution of the Digital Cinema Agreements, the Company made equity

Table of Contents

contributions to DCIP of approximately \$41.7 million, consisting of \$29.1 million in cash and 200 existing digital projection systems with a fair value of approximately \$12.6 million (collectively, the DCIP Contributions). The Company recorded such DCIP Contributions as an increase in its investment in DCIP. In connection with the contribution of its 200 existing digital projection systems, the Company recorded a loss on the contribution of \$2.0 million based on the excess of the carrying value of the digital projection systems contributed over the \$12.6 million fair value (as determined by an independent appraisal) of such equipment. In addition, during May 2010, Regal sold an additional 337 digital projection systems to DCIP for aggregate proceeds of approximately \$20.0 million. In connection with this sale, the Company recorded a loss on disposal of approximately \$2.8 million. Such losses have been presented as a component of Net (gain) loss on disposal and impairment of operating assets in the accompanying unaudited condensed consolidated statement of income for the three quarters ended September 30, 2010.

After giving effect to the DCIP Contributions, the Company holds a 46.7% economic interest in DCIP as of September 30, 2010, while continuing to maintain a one-third voting interest along with each of AMC and Cinemark. Since the Company determined that it is not the primary beneficiary of DCIP or any of its subsidiaries, it will continue to account for its investment in DCIP under the equity method of accounting. The Company's investment in DCIP is included as a component of Other non-current assets in the accompanying unaudited condensed consolidated balance sheets. The changes in the carrying amount of our investment in DCIP for the three quarters ended September 30, 2010 are as follows (in millions):

Balance as of December 31, 2009	\$	0.7
Equity contributions(1)		42.3
Equity in loss of DCIP(2)		(15.5)
Balance as of September 30, 2010	\$	27.5

-
- (1) In addition to cash investments in DCIP totaling \$0.6 million, upon execution of the Digital Cinema Agreements, the Company effected additional equity contributions to DCIP of approximately \$41.7 million, consisting of cash and existing digital projection systems.
- (2) For the three quarters ended September 30, 2010 and October 1, 2009, the Company recorded losses of \$15.5 million and \$2.5 million, respectively, representing its share of the net loss of DCIP. Such amounts are presented as a component of Other, net in the accompanying unaudited condensed consolidated statements of income.

We expect DCIP to fund the cost of conversion to digital projection principally through the collection of virtual print fees from motion picture studios and equipment lease payments from participating exhibitors, including us. In accordance with the Master Lease, the digital projection systems are leased from Kasima, LLC under a twelve-year term with ten one-year fair value renewal options. The Master Lease also contains a fair value purchase option. Under the Master Lease, the Company pays annual minimum rent of \$1,000 per digital projection system for the first six and half years from the effective date of the agreement and is, upon certain conditions, subject to minimum annual rent of \$3,000 per digital projection system beginning at six and half years from the effective date of the agreement through the end of the lease term. The Company is also subject to various types of other rent if such digital projection systems do not meet minimum performance requirements as outlined in the Master Lease. Certain of the other rent payments are subject to either a monthly or an annual maximum. The Company accounts for the Master Lease as an operating lease for accounting purposes.

During the early stage of deployment, the Company is focusing on an accelerated deployment of 3D compatible digital projection systems to a majority of its first run U.S. theatres. With respect to the Company's existing 35mm projection equipment that is scheduled to be replaced with digital projection systems, the Company has begun to accelerate depreciation on such 35 mm projection equipment over the expected deployment schedule since the Company plans to dispose of such equipment prior to the end of their useful lives. To that end, during the quarter and three quarters ended September 30, 2010, the Company recorded approximately \$3.5 million and \$16.4 million, respectively, of accelerated depreciation related to such 35mm projection equipment. As of September 30, 2010, we operated 1,648 screens outfitted with digital projection systems, 1,156 of which are digital 3D capable.

Investment in National CineMedia, LLC

In March 2005, Regal and AMC announced the combination of the operations of Regal CineMedia Corporation (RCM), and AMC s subsidiary, National Cinema Network, Inc., into a new joint venture company

Table of Contents

known as National CineMedia. In July 2005, Cinemark, through a wholly owned subsidiary, acquired an interest in National CineMedia. National CineMedia concentrates on in-theatre advertising and creating complementary business lines that leverage the operating personnel, asset and customer bases of its theatrical exhibition partners, which includes Regal, AMC and Cinemark. National CineMedia is, subject to limited exceptions, the exclusive provider of advertising and event services to Regal, AMC and Cinemark. The Company did not recognize any gain or loss resulting from the initial formation of National CineMedia due to the Company's continued involvement in the operations of National CineMedia. Pursuant to the other documents entered into in connection with the joint venture transaction, AMC and Regal, through their subsidiaries, retained all advertising contracts signed on or before the close of business on March 31, 2005, and Cinemark retained all advertising contracts signed on or before the close of business on July 15, 2005, subject to an administrative fee payable to National CineMedia to service such contracts.

On February 13, 2007, NCM, Inc., a newly formed entity that serves as the sole manager of National CineMedia, completed an initial public offering, or IPO, of its common stock. In connection with the IPO of NCM, Inc., RCM, through its wholly owned subsidiary Regal CineMedia Holdings, LLC, AMC and Cinemark amended and restated the operating agreement of National CineMedia and other ancillary agreements. In connection with the series of transactions completed in connection with the IPO, Regal received gross cash proceeds totaling approximately \$628.3 million and retained a 22.6% interest in NCM, Inc. After the payment of current taxes, net cash proceeds from these transactions totaled approximately \$447.4 million. The Company used a portion of the net cash proceeds to fund an extraordinary cash dividend of \$2.00 per share on each outstanding share of its Class A and Class B common stock, including outstanding restricted stock, or approximately \$302.0 million in the aggregate. Stockholders of record at the close of business on March 28, 2007 were paid this \$302.0 million dividend on April 13, 2007. As a result of the transactions completed in connection with the IPO, the Company recognized a gain of approximately \$350.7 million during fiscal 2007.

In connection with the IPO, the joint venture partners entered into a Common Unit Adjustment Agreement with National CineMedia. The Common Unit Adjustment Agreement was created to account for changes in the number of theatre screens operated by each of the joint venture partners. Pursuant to our Common Unit Adjustment Agreement, from time to time, common units of National CineMedia held by the joint venture partners will be adjusted up or down through a formula (common unit adjustment) primarily based on increases or decreases in the number of theatre screens operated and theatre attendance generated by each joint venture partner. The common unit adjustment is computed annually, except that an earlier common unit adjustment will occur for a joint venture partner if its acquisition or disposition of theatres, in a single transaction or cumulatively since the most recent common unit adjustment, will cause a change of two percent or more in the total annual attendance of all of the joint venture partners. The formation of National CineMedia, related IPO of NCM, Inc. and other related transactions are further described in Note 4 to the 2009 Audited Consolidated Financial Statements.

We account for our investment in National CineMedia following the equity method of accounting and such investment is included as a component of Other non-current assets in the accompanying unaudited condensed consolidated balance sheets. The changes in the carrying amount of our investment in National CineMedia for the three quarters ended September 30, 2010 are as follows (in millions):

Balance as of December 31, 2009	\$	79.1
Receipt of common units(1)		5.9
Redemption of common units(2)		(14.0)
Equity in earnings attributable to additional common units(3)		3.5
Earnings recognized from National CineMedia(4)		25.2
Distributions received from National CineMedia(4)		(30.4)
Balance as of September 30, 2010	\$	69.3

- (1) As a result of the annual adjustment provisions of the Common Unit Adjustment Agreement, on March 17, 2010, we received from National CineMedia approximately 0.3 million newly issued common units of National CineMedia. The

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

Company recorded the additional units at fair value using the available closing stock price of NCM, Inc. on March 17, 2010. Since the additional common units received do not represent the funding of prior losses of National CineMedia, the fair value of such units were recorded as a separate investment tranche in National CineMedia. As a result of these adjustments, the Company recorded an increase of \$5.9 million to its investment in National CineMedia during the three quarters ended September 30, 2010. With respect to the common units received on March 17, 2010, the Company

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

Table of Contents

recorded a corresponding \$5.9 million increase to deferred revenue. This amount is being amortized to advertising revenue over the remaining term of the exhibitor services agreement (ESA) following the units of revenue method.

- (2) On August 18, 2010, we redeemed 4.2 million of our National CineMedia common units for a like number of shares of NCM, Inc. common stock, which we sold in an underwritten public offering for \$16.00 per share, reducing our investment in National CineMedia by \$13.7 million, the average carrying amount of the shares sold. We received approximately \$64.5 million in proceeds after deducting related fees and expenses payable by us, resulting in a gain on sale of \$50.8 million. Finally, on September 8, 2010, we redeemed an additional 0.1 million National CineMedia common units for a like number of shares of NCM, Inc. common stock and sold them to the underwriters to cover over-allotments at \$16.00 per share, further reducing our investment in National CineMedia by \$0.3 million, the average carrying amount of the shares sold. We received approximately \$1.5 million of net proceeds from this sale, resulting in a gain on sale of \$1.2 million. These transactions caused a decrease in the Company's ownership share in National CineMedia. As a result, on a fully diluted basis, we own a 19.4% interest in NCM, Inc. as of September 30, 2010.
- (3) Since additional common units received pursuant to the Common Unit Adjustment Agreement represent separate investment tranches in National CineMedia, any undistributed equity in the earnings of National CineMedia pertaining to these tranches will be recognized under the equity method of accounting. As a result, the Company's share in the net income of National CineMedia with respect to these tranches totaled \$3.5 million during the three quarters ended September 30, 2010. The Company's share in the net income of National CineMedia with respect to additional common units received totaled approximately \$1.5 million during the three quarters ended October 1, 2009. Such amounts have been included as a component of Earnings recognized from NCM in the accompanying unaudited condensed consolidated statements of income.
- (4) During the three quarters ended September 30, 2010, the Company received \$30.4 million in cash distributions from National CineMedia. Approximately \$5.2 million of these cash distributions received during the three quarters ended September 30, 2010 were attributable to the receipt of additional common units pursuant to the Common Unit Adjustment Agreement and were recognized as a reduction in our investment in National CineMedia. During the three quarters ended October 1, 2009, the Company received \$29.9 million in cash distributions from National CineMedia. Approximately \$4.6 million of these cash distributions received during the three quarters ended October 1, 2009 were recognized as a reduction in our investment in National CineMedia. The remaining amounts were recognized in equity earnings during each of these periods and have been included as component of Earnings recognized from NCM in the accompanying unaudited condensed consolidated statements of income.

As a result of the amendment to the ESA and related modification payment, the Company recognizes various types of other revenue from National CineMedia, including per patron and per digital screen theatre access fees, net of payments for on-screen advertising time provided to our beverage concessionaire, other NCM revenue and amortization of upfront ESA modification fees utilizing the units of revenue amortization method.

These revenues are presented as a component of other operating revenues in the Company's financial statements and consist of the following amounts (in millions):

	Quarter Ended September 30, 2010	Quarter Ended October 1, 2009	Three Quarters Ended September 30, 2010	Three Quarters Ended October 1, 2009
Theatre access fees per patron	\$ 3.6	\$ 3.7	\$ 11.1	\$ 11.8

As of September 30, 2010, approximately \$1.4 million and \$1.0 million due from/to National CineMedia were included in Trade and other receivables, net and Accounts payable, respectively. As of December 31, 2009, approximately \$2.1 million due from/to National CineMedia were included in both Trade and other receivables, net and Accounts payable.

Summarized unaudited condensed consolidated statement of income information for National CineMedia for the quarters and the two quarters ended July 1, 2010 and July 2, 2009 is as follows (in millions):

	Quarter Ended July 1, 2010	Quarter Ended July 2, 2009	Two Quarters Ended July 1, 2010	Two Quarters Ended July 2, 2009

Other Investments

The Company also maintains an investment in RealD, Inc., an entity specializing in the licensing of 3D technologies. The carrying value of the Company's investment in RealD, Inc. as of September 30, 2010 was approximately \$15.1 million. See Note 11 Fair Value of Financial Instruments for a discussion of fair value estimation methods and assumptions with respect to the Company's investment in RealD, Inc. The Company has recorded this investment within Other Non-Current Assets in the accompanying unaudited condensed consolidated balance sheets.

4. DEBT OBLIGATIONS

Debt obligations at September 30, 2010 and December 31, 2009 consist of the following (in millions):

Regal Cinemas Sixth Amended and Restated Credit Agreement On May 19, 2010, Regal Cinemas entered into a sixth amended and restated credit agreement (the Amended Senior Credit Facility), with Credit Suisse AG, Cayman Islands Branch, as Administrative Agent (Credit Suisse) and the lenders party thereto which amends, restates and refinances the fifth amended and restated credit agreement (the Prior Senior Credit Facility) among Regal Cinemas, Credit Suisse, Cayman Islands Branch, and the lenders party thereto. The Amended Senior Credit Facility consists of a term loan facility (the Term Facility) in an aggregate principal amount of \$1,250.0 million with a final maturity date in November 2016 and a revolving credit facility (the Revolving Facility) in an aggregate principal amount of \$85.0 million with a final maturity date in May 2015. The Term Facility amortizes in equal quarterly installments in an aggregate annual amount equal to 1.0% of the original principal amount of the Term Facility, with the balance payable on the Term Facility maturity date.

Proceeds of the Term Facility (approximately \$1,237.5 million, net of a \$12.5 million debt discount) were applied to refinance the term loan under the Prior Senior Credit Facility, which had an aggregate principal balance of approximately \$1,262.1 million. Upon the execution of the Amended Senior Credit Facility, Regal recognized a loss on debt extinguishment of approximately \$18.4 million. No amounts have been drawn

on the Revolving Facility. The Amended Senior Credit Facility also permits Regal Cinemas to borrow additional term loans thereunder, subject to lenders providing additional commitments of up to \$200.0 million and satisfaction of other conditions, as well as other term loans for acquisitions and certain capital expenditures subject to lenders providing additional commitments and satisfaction of other conditions.

The obligations of Regal Cinemas are secured by, among other things, a lien on substantially all of its tangible and intangible personal property (including but not limited to accounts receivable, inventory, equipment, general intangibles, investment property, deposit and securities accounts, and intellectual property) and certain owned real property. The obligations under the Amended Senior Credit Facility are also guaranteed by certain subsidiaries of Regal Cinemas and secured by a lien on all or substantially all of such subsidiaries' personal property

and certain real property pursuant to that certain second amended and restated guaranty and collateral agreement, dated as of May 19, 2010, among Regal Cinemas, certain subsidiaries of Regal Cinemas party thereto and Credit Suisse AG, Cayman Islands Branch, as Administrative Agent (the Amended Guaranty Agreement). The obligations are further guaranteed by Regal Entertainment Holdings, Inc., on a limited recourse basis, with such guaranty being secured by a lien on the capital stock of Regal Cinemas, and by Regal on an unsecured basis.

Borrowings under the Amended Senior Credit Facility bear interest, at Regal Cinemas' option, at either a base rate or an adjusted LIBOR rate plus, in each case, an applicable margin that is determined according to the consolidated leverage ratio of Regal Cinemas and its subsidiaries. Such applicable margin will be either 2.5% or 2.75% in the case of base rate loans and either 3.5% or 3.75% in the case of LIBOR rate loans. Interest is payable (a) in the case of base rate loans, quarterly in arrears, and (b) in the case of LIBOR rate loans, at the end of each interest period, but in no event less often than every three months.

Regal Cinemas may prepay borrowings under the Amended Senior Credit Facility, in whole or in part, in minimum amounts and subject to other conditions set forth in the Amended Senior Credit Facility. Regal Cinemas is required to make mandatory prepayments with:

- 50% of excess cash flow in any fiscal year (as reduced by voluntary repayments of the Term Facility), with elimination based upon achievement and maintenance of a leverage ratio of 3.75:1.00 or less;
- 100% of the net cash proceeds of all asset sales or other dispositions of property by Regal Cinemas and its subsidiaries, subject to certain exceptions (including reinvestment rights);
- 100% of the net cash proceeds of issuances of funded debt of Regal Cinemas and its subsidiaries, subject to exceptions; and
- 50% of the net cash proceeds of issuances of equity securities by Regal Cinemas, including the net cash proceeds of capital contributions to Regal Cinemas, with elimination based upon achievement and maintenance of a leverage ratio of 3.75:1.00 or less.

The above-described mandatory prepayments are required to be applied pro rata to the remaining amortization payments under the Term Facility. When there are no longer outstanding loans under the Term Facility, mandatory prepayments are to be applied to prepay outstanding loans under the Revolving Facility with no corresponding permanent reduction of commitments under the Revolving Facility.

The Amended Senior Credit Facility includes several financial covenants including:

- maximum ratio of (i) the sum of funded debt (net of unencumbered cash) plus the product of eight (8) times lease expense to (ii) consolidated EBITDAR (as defined in the Amended Senior Credit Facility) of 6.00 to 1.0 throughout the term of the Amended Senior Credit

Facility;

- maximum ratio of funded debt (net of unencumbered cash) to consolidated EBITDA of 4.00 to 1.0 throughout the term of the Amended Senior Credit Facility;
- minimum ratio of (i) consolidated EBITDAR to (ii) the sum of interest expense plus lease expense of 1.50 to 1.0 throughout the term of the Amended Senior Credit Facility; and
- maximum capital expenditures not to exceed 35% of consolidated EBITDA for the prior fiscal year plus a one-year carryforward for unused amounts from the prior fiscal year.

The Amended Senior Credit Facility requires that Regal Cinemas and its subsidiaries comply with certain customary covenants, including with respect to incurring indebtedness and liens, making investments and acquisitions, effecting mergers and asset sales, prepaying indebtedness, and paying dividends. Among other things,

Table of Contents

such limitations will restrict the ability of Regal Cinemas to fund the operations of Regal or any subsidiary of REG that is not a subsidiary of Regal Cinemas, which guaranties the Amended Senior Credit Facility.

The Amended Senior Credit Facility includes events of default relating to customary matters, including, among other things, nonpayment of principal, interest or other amounts; violation of covenants; any material inaccuracy of representations and warranties; cross default and cross acceleration with respect to indebtedness in an aggregate principal amount of \$25.0 million or more; bankruptcy; judgments involving liability of \$25.0 million or more that are not paid; ERISA events; actual or asserted invalidity of guarantees or security documents; and change of control.

As of September 30, 2010 and December 31, 2009, borrowings of \$1,232.1 million (net of debt discount) and \$1,265.4 million, respectively, were outstanding under the Term Facility at an effective interest rate of 5.42% (as of September 30, 2010) and 5.38% (as of December 31, 2009), after the impact of the interest rate swaps described below is taken into account.

In connection with the offering of the Regal Cinemas 85/8% Senior Notes described below, on July 15, 2009, the Company used all of the net proceeds (approximately \$381.3 million) to repay a portion of the Prior Senior Credit Facility. As a result of this repayment, the Company recorded a loss on debt extinguishment of approximately \$7.4 million, representing the pro-rata write off of unamortized debt issue costs under the Prior Senior Credit Facility.

Regal 91/8% Senior Notes On August 10, 2010, Regal Entertainment Group entered into an Underwriting Agreement with Credit Suisse Securities (USA) LLC, Barclays Capital Inc., Banc of America Securities LLC and Deutsche Bank Securities Inc., as the representatives of the underwriters named on Schedule A thereto, with respect to the Company's issuance and sale of \$275.0 million in aggregate principal amount of the 91/8% Senior Notes. On August 16, 2010, the Company issued the 91/8% Senior Notes under the Indenture with Wells Fargo Bank, National Association, as trustee. The net proceeds from the offering, after deducting offering expenses paid by the Company, were approximately \$269.5 million. The Company used a portion of the net proceeds from the offering to repurchase a portion of the 6¼% Convertible Senior Notes as described below under the heading Regal 6¼% Convertible Senior Notes.

The 91/8% Senior Notes bear interest at a rate of 9.125% per year, payable semiannually in arrears in cash on February 15 and August 15 of each year. The 91/8% Senior Notes mature on August 15, 2018. The 91/8% Senior Notes are the Company's senior unsecured obligations. They rank on parity with all of the Company's existing and future senior unsecured indebtedness and prior to all of the Company's subordinated indebtedness. The 91/8% Senior Notes are effectively subordinated to all of the Company's future secured indebtedness to the extent of the assets securing that indebtedness and to any indebtedness and other liabilities of the Company's subsidiaries. None of the Company's subsidiaries initially guarantee any of the Company's obligations with respect to the 91/8% Senior Notes.

Prior to August 15, 2014, the Company may redeem all or any part of the 91/8% Senior Notes at its option at 100% of the principal amount plus a make-whole premium. The Company may redeem the 91/8% Senior Notes in whole or in part at any time on or after August 15, 2014 at the redemption prices specified in the Indenture. In addition, prior to August 15, 2013, the Company may redeem up to 35% of the original aggregate principal amount of 91/8% Senior Notes from the net proceeds of certain equity offerings at the redemption price specified in the Indenture.

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

If the Company undergoes a change of control (as defined in the Indenture), holders may require the Company to repurchase all or a portion of their 9 1/8% Senior Notes at a price equal to 101% of the principal amount of the 9 1/8% Senior Notes being repurchased, plus accrued and unpaid interest, if any, to the repurchase date.

The Indenture contains covenants that limit the Company's (and its restricted subsidiaries') ability to, among other things: (i) incur additional indebtedness; (ii) pay dividends on or make other distributions in respect of its capital stock, purchase or redeem capital stock, or purchase, redeem or otherwise acquire or retire certain subordinated obligations; (iii) enter into certain transactions with affiliates; (iv) permit, directly or indirectly, it to create, incur, or suffer to exist any lien, except in certain circumstances; (v) create or permit encumbrances or

restrictions on its ability to pay dividends or make distributions on its capital stock, make loans or advances to its subsidiaries (or the Company), or transfer any properties or assets to its subsidiaries (or the Company); and (vi) merge or consolidate with other companies or transfer all or substantially all of its assets. These covenants are, however, subject to a number of important limitations and exceptions. The Indenture contains other customary terms, including, but not limited to, events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding 9 1/8% Senior Notes to be due and payable immediately.

Regal Cinemas 85/8% Senior Notes On July 15, 2009, Regal Cinemas issued \$400.0 million in aggregate principal amount of the 85/8% Senior Notes due 2019 (the 85/8% Senior Notes) at a price equal to 97.561% of their face value in a transaction exempt from registration under the Securities Act of 1933, as amended (the Securities Act). Interest on the 85/8% Senior Notes is payable semi-annually in arrears on July 15 and January 15 of each year, beginning on January 15, 2010. The 85/8% Senior Notes will mature on July 15, 2019.

The net proceeds from the offering, after deducting the initial purchase discount (approximately \$9.8 million) and offering expenses paid by the Company, were approximately \$381.3 million. The Company used all of the net proceeds from the offering to repay a portion of the Prior Senior Credit Facility.

The 85/8% Senior Notes are Regal Cinemas' general senior unsecured obligations and rank equally in right of payment with all of its existing and future senior unsecured indebtedness; and senior in right of payment to all of Regal Cinemas' existing and future subordinated indebtedness, including the existing Regal Cinemas 9 3/8% Senior Subordinated Notes (the Senior Subordinated Notes). The 85/8% Senior Notes are effectively subordinated to all of Regal Cinemas' existing and future secured indebtedness, including all borrowings under the Amended Senior Credit Facility, to the extent of the value of the collateral securing such indebtedness, and are structurally subordinated to all existing and future indebtedness and other liabilities of any of Regal Cinemas' subsidiaries that are not guarantors of the 85/8% Senior Notes.

The 85/8% Senior Notes are fully and unconditionally guaranteed on a joint and several senior unsecured basis by Regal and all of Regal Cinemas' existing and future domestic restricted subsidiaries that guarantee its other indebtedness (collectively, with Regal, the Guarantors). The guarantees of the 85/8% Senior Notes are the Guarantors' general senior unsecured obligations and rank equally in right of payment with all of the Guarantors' existing and future senior unsecured indebtedness, including the 9 1/8% Senior Notes and the 6 1/4% Convertible Senior Notes, and rank senior in right of payment to all of the Guarantors' existing and future subordinated indebtedness, including the guarantees of the Senior Subordinated Notes. The 85/8% Senior Notes are effectively subordinated to all of the Guarantors' existing and future secured indebtedness, including the guarantees under the Amended Senior Credit Facility, to the extent of the value of the collateral securing such indebtedness, and are structurally subordinated to all existing and future indebtedness and other liabilities of any of the Guarantors' subsidiaries that is not a guarantor of the 85/8% Senior Notes.

Regal 6 1/4% Convertible Senior Notes On March 10, 2008, Regal issued \$200.0 million aggregate principal amount of the 6 1/4% Convertible Senior Notes due March 15, 2011 (the 6 1/4% Convertible Senior Notes). Interest on the 6 1/4% Convertible Senior Notes is payable semi-annually in arrears on March 15 and September 15 of each year, beginning September 15, 2008. The 6 1/4% Convertible Senior Notes are senior unsecured obligations of Regal and rank on parity with all of our existing and future senior unsecured indebtedness and prior to all of our subordinated indebtedness. The 6 1/4% Convertible Senior Notes are effectively subordinated to all of our future secured indebtedness to the extent of the assets securing that indebtedness and to any indebtedness and other liabilities of our subsidiaries. None of our subsidiaries have guaranteed any of our obligations with respect to the 6 1/4% Convertible Senior Notes. On or after December 15, 2010, note holders will have the option to convert their 6 1/4% Convertible Senior Notes, in whole or in part, into shares of our Class A common stock at any time prior to maturity, subject to certain limitations, unless previously purchased by us at the note holder's option upon a fundamental change (as defined in the indenture to the 6 1/4% Convertible Senior Notes dated March 10, 2008), at the then-existing conversion price per share. Prior to December 15, 2010, note holders have the right, at their option, to convert their 6 1/4% Convertible Senior Notes, in whole or in part, into shares of our Class A common stock, subject to certain limitations, unless previously purchased by us at the note holder's option upon a fundamental change, at

the then existing conversion price per share, subject to further adjustments described below, if:

- during any calendar quarter commencing after June 30, 2008, and only during such calendar quarter, if the last reported sale price per share of Class A common stock for at least 20 trading days in the period of 30 consecutive trading days ending on the last trading day of the immediately preceding calendar quarter exceeds 130% of the conversion price per share of Class A common stock for the 6¼% Convertible Senior Notes on the last trading day of such immediately preceding calendar quarter;
- during the five consecutive business days immediately after any ten consecutive trading day period (such 10 consecutive trading day period, the Note Measurement Period) in which the trading price (calculated using the trading price for each of the trading days in the Note Measurement Period) per \$1,000 principal amount of the 6¼% Convertible Senior Notes was less than 95% of the product of the last reported sale price per share of Class A common stock and the conversion rate for each day of the Note Measurement Period as determined following a request by a holder of the notes in accordance with the procedures described more fully in the 6¼% Convertible Senior Notes indenture;
- during certain periods if specified corporate transactions occur or specified distributions to holders of common stock are made, each as set forth in the 6¼% Convertible Senior Notes indenture (excluding certain distributions and excluding quarterly dividends not in excess of the base dividend amount (as defined in the 6¼% Convertible Senior Notes indenture)), in which case, the conversion price per share will be adjusted as set forth in the 6¼% Convertible Senior Notes indenture; or
- a fundamental change (as defined in the 6¼% Convertible Senior Notes indenture) occurs, a note holder may elect to convert all or a portion of its notes at any time commencing on the effective date of such transaction or 15 days prior to the anticipated effective date (in certain circumstances) until the latter of: (i) the day before the fundamental change repurchase date and (ii) 30 days following the effective date of such transaction (but in any event prior to the close of business on the business day prior to the maturity date), in which case we will increase the conversion rate for the notes surrendered for conversion by a number of additional shares of Class A common stock, as set forth in the table in the 6¼% Convertible Senior Notes indenture.

On September 30, 2010, at the then-current conversion price of \$23.0336 per share (which conversion price may be adjusted pursuant to the certain events described further in the 6¼% Convertible Senior Notes indenture), each \$1,000 of aggregate principal amount of 6¼% Convertible Senior Notes is convertible into approximately 43.4148 shares of our Class A common stock. Upon conversion, we may elect to deliver cash in lieu of shares of Class A common stock or a combination of cash and shares of Class A common stock. The conversion price and the number of shares delivered on conversion are subject to adjustment upon certain events.

In connection with the issuance of the 6¼% Convertible Senior Notes, we used approximately \$6.6 million of the net proceeds of the offering to enter into convertible note hedge and warrant transactions with respect to our Class A common stock to reduce the potential dilution from conversion of the 6¼% Convertible Senior Notes. Under the terms of the convertible note hedge arrangement (the 2008 Convertible Note Hedge) with Credit Suisse, we paid \$12.6 million for a forward purchase option contract under which we are entitled to purchase from Credit Suisse a fixed number of shares of our Class A common stock (at September 30, 2010, at a price per share of \$23.0336). In the event of the conversion of the 6¼% Convertible Senior Notes, this forward purchase option contract allows us to purchase, at a fixed price equal to the implicit conversion price of shares issued under the 6¼% Convertible Senior Notes, a number of shares of Class A common stock equal to the shares that we issue to a note holder upon conversion. Settlement terms of this forward purchase option allow the Company to elect cash or share settlement based on the settlement option it chooses in settling the conversion feature of the 6¼% Convertible Senior Notes.

In 2008, we also sold to Credit Suisse a warrant (the 2008 Warrant) to purchase shares of our Class A common stock. The 2008 Warrant is currently exercisable for approximately 4.5 million shares of our Class A common stock at the September 30, 2010 exercise price of \$25.376 per share (which exercise price may be adjusted pursuant to the provisions of the 2008 Warrant). We received \$6.0 million in cash from Credit Suisse in return for the sale of this forward share purchase option contract. Credit Suisse cannot exercise the 2008 Warrant unless and

Table of Contents

until a conversion event occurs. We have the option of settling the 2008 Warrant in cash or shares of our Class A common stock. We accounted for the sale of the 2008 Warrant as the sale of a permanent equity instrument pursuant to the guidance in ASC Subtopic 815-40, *Derivatives and Hedging Contracts in Entity's Own Equity*. Accordingly, the \$6.0 million sales price of the forward stock purchase option contract was recorded as a decrease to consolidated deficit.

The 2008 Convertible Note Hedge and the 2008 Warrant allow us to acquire sufficient Class A common shares from Credit Suisse to meet our obligation to deliver Class A common shares upon conversion by the note holder, unless the Class A common share price exceeds \$25.376 (as of September 30, 2010). When the fair value of our Class A common shares exceeds such price, the equity contracts no longer have an offsetting economic impact, and accordingly will no longer be effective as a share-for-share hedge of the dilutive impact of possible conversion.

The 6¼% Convertible Senior Notes allow us to settle any conversion by remitting to the note holder the accreted value of the note in cash plus the conversion spread (the excess conversion value over the accreted value) in either cash, shares of our Class A common stock or a combination of stock and cash. The accounting for convertible debt with such settlement features is addressed in the consensus reached with respect to the accounting for Instrument B as set forth in ASC Subtopic 815-15, *Derivatives and Hedging Embedded Derivatives*. Because the accreted value of the 6¼% Convertible Senior Notes may be settled in cash, shares of our Class A common stock or a combination of stock and cash, the accreted value of the 6¼% Convertible Senior Notes is assumed to be settled in shares and will result in dilution in our earnings per share computations using the if-converted method, if the effect is dilutive.

Subsequent to the issuance of the 9½% Senior Notes described above, during August and September 2010, the Company used a portion of the net proceeds from the offering to repurchase a total of approximately \$95.3 million aggregate principal amount of the 6¼% Convertible Senior Notes, in a series of privately negotiated transactions. As a result of the repurchases, the Company recorded a \$4.2 million loss on debt extinguishment during the quarter ended September 30, 2010.

Application of ASC Subtopic 470-20

Effective January 2, 2009, the Company retrospectively adopted certain provisions of ASC Subtopic 470-20, *Debt Debt with Conversion and Other Options*, related to the requirement that issuers of convertible debt instruments that may be settled in cash upon conversion (including partial cash settlement) should separately account for the liability and equity (conversion feature) components of such instruments. As a result, interest expense should be imputed and recognized based upon the entity's nonconvertible debt borrowing rate, which will result in incremental non-cash interest expense. Prior to the guidance in ASC Subtopic 470-20, U.S. generally accepted accounting principles provided that no portion of the proceeds from the issuance of the instrument should be attributable to the conversion feature. Our 6¼% Convertible Senior Notes are subject to ASC Subtopic 470-20.

We have determined that if the liability and equity component of the 6¼% Convertible Senior Notes had been separately valued at the time of their issuance on March 10, 2008, the amount allocated to long-term debt would have been \$187.4 million and the amount allocated to equity would have been \$12.6 million (the amount paid for the 2008 Convertible Note Hedge). The effective interest rate on the 6¼% Convertible Senior Notes (based upon the Company's estimated nonconvertible debt borrowing rate at the time of issuance) would have been approximately 8.7%.

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

During each of the quarters ended September 30, 2010 and October 1, 2009, the Company recorded approximately \$1.0 million of non-cash interest expense on the 6¼% Convertible Senior Notes. The amount of contractual coupon interest recognized on the 6¼% Convertible Senior Notes during each of these periods was approximately \$2.7 million and \$3.1 million, respectively. During the three quarters ended September 30, 2010 and October 1, 2009, the Company recorded approximately \$3.1 million and \$3.0 million, respectively, of non-cash interest expense on the 6¼% Convertible Senior Notes. The amount of contractual coupon interest recognized on the 6¼% Convertible Senior Notes during the same periods was approximately \$8.9 million and \$9.4 million, respectively.

After giving effect to the repurchases during the quarter ended September 30, 2010 described under Regal

Table of Contents

6¼% Convertible Senior Notes above, as of September 30, 2010 and December 31, 2009, the carrying amounts of the \$200.0 million 6¼% Convertible Senior Notes were approximately \$103.6 million and \$194.6 million, respectively, and the carrying amount of the related equity component (conversion feature) was \$12.6 million. We anticipate recording additional non-cash interest expense on the 6¼% Convertible Senior Notes in the amount of \$1.1 million (the unamortized discount as of September 30, 2010) through the March 2011 maturity date of the 6¼% Convertible Senior Notes, thereby increasing the carrying value to \$200.0 million. As of September 30, 2010, the if-converted value of the 6¼% Convertible Senior Notes was approximately \$104.7 million.

Interest Rate Swaps

As described in Note 5 to the 2009 Audited Consolidated Financial Statements, during the quarter ended April 2, 2009, Regal Cinemas entered into four additional hedging relationships via four distinct interest rate swap agreements with maturity terms of two to three years each from the respective effective dates of the swaps, which require Regal Cinemas to pay interest at fixed rates ranging from 2.15% to 2.53% and receive interest at a variable rate. These interest rate swaps were designated to hedge approximately \$1,000.0 million of variable rate debt obligations and became effective during the year ended December 31, 2009. These four interest rate swap agreements hedge an aggregate of approximately \$1,000.0 million of variable rate debt obligations at an effective rate of approximately 5.82% as of September 30, 2010 and December 31, 2009.

Under the terms of the Company's effective interest rate swap agreements as of September 30, 2010, Regal Cinemas pays interest at various fixed rates ranging from 2.15% to 2.53% and receives interest at a variable rate based on the 3-month LIBOR. The 3-month LIBOR rate on each reset date determines the variable portion of the interest rate-swaps for the following three-month period. The interest rate swaps settle any accrued interest for cash on the last day of each calendar quarter, until expiration. At such dates, the differences to be paid or received on the interest rate swaps will be included in interest expense. No premium or discount was incurred upon the Company entering into the interest rate swaps, because the pay and receive rates on the interest rate swaps represented prevailing rates for each counterparty at the time the interest rate swaps were entered into. The interest rate swaps qualify for cash flow hedge accounting treatment and as such, the Company has effectively hedged its exposure to variability in the future cash flows attributable to the 3-month LIBOR on approximately \$1,000.0 million of variable rate obligations. The change in the fair values of the interest rate swaps is recorded on the Company's consolidated balance sheet as an asset or liability with the effective portion of the interest rate swaps' gains or losses reported as a component of other comprehensive income (loss) and the ineffective portion reported in earnings (interest expense). As interest expense is accrued on the debt obligation, amounts in accumulated other comprehensive income (loss) related to the designated hedging instruments (the four interest rate swaps) will be reclassified into earnings to obtain a net cost on the debt obligation equal to the effective yield of the fixed rate of each swap.

See Note 11 Fair Value of Financial Instruments for discussion of the Company's interest rate swaps' fair value estimation methods and assumptions.

Other Long-Term Obligations Other long-term obligations (including the Senior Subordinated Notes) not explicitly discussed herein are described in Note 5 to the 2009 Audited Consolidated Financial Statements and incorporated by reference herein.

5. INCOME TAXES

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

The provision for (benefit from) income taxes of \$25.4 million and \$(1.0) million for the quarters ended September 30, 2010 and October 1, 2009, respectively, reflect effective tax rates of approximately 37.4% and 34.5%, respectively. The provision for income taxes of \$40.8 million and \$40.3 million for the three quarters ended September 30, 2010 and October 1, 2009, respectively, reflect effective tax rates of approximately 39.0% and 40.3%, respectively. The increase in the effective tax rate for the quarter ended September 30, 2010 is primarily attributable to the accrual of interest on uncertain tax positions with state taxing authorities during the quarter ended October 1, 2009. The decrease in the effective tax rate for the three quarters ended September 30, 2010 is primarily attributable to a decrease in the effective tax rates in certain states during three quarters ended September 30, 2010. The effective tax rates for the quarters and three quarters ended September 30, 2010 and October 1, 2009 also reflect

Table of Contents

the impact of certain non-deductible expenses and income tax credits.

In assessing the realizable value of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which these temporary differences become deductible. The Company has recorded a valuation allowance against deferred tax assets at September 30, 2010 and December 31, 2009, totaling \$13.1 million as management believes it is more likely than not that certain deferred tax assets will not be realized in future tax periods. Future reductions in the valuation allowance associated with a change in management's determination of the Company's ability to realize these deferred tax assets will result in a decrease in the provision for income taxes.

The Company and its subsidiaries collectively file income tax returns in the U.S. federal jurisdiction and various state jurisdictions. The Company is not subject to U.S. federal examinations by tax authorities for years before 2007, and with limited exceptions, is not subject to state income tax examinations for years before 2006. However, the taxing authorities still have the ability to review the propriety of tax attributes created in closed tax years if such tax attributes are utilized in an open tax year.

6. CAPITAL STOCK AND SHARE-BASED COMPENSATION

Capital Stock

As of September 30, 2010, the Company's authorized capital stock consisted of:

- 500,000,000 shares of Class A common stock, par value \$0.001 per share;
- 200,000,000 shares of Class B common stock, par value \$0.001 per share; and
- 50,000,000 shares of preferred stock, par value \$0.001 per share.

Of the authorized shares of Class A common stock, 18.0 million shares were sold in connection with the Company's initial public offering in May 2002. The Company's Class A common stock is listed on the New York Stock Exchange under the trading symbol RGC. As of September 30, 2010, 130,572,036 shares of Class A common stock were outstanding. Of the authorized shares of Class B common stock, 23,708,639 shares were outstanding as of September 30, 2010, all of which are held by Anschutz Company (Anschutz). Each share of Class B common stock converts into one share of Class A common stock at the option of the holder or upon certain transfers of a holder's Class B common stock. Each holder of Class B common stock is entitled to ten votes for each outstanding share of Class B common stock owned by that stockholder on every matter properly submitted to the stockholders for their vote. Of the authorized shares of the preferred stock, no shares were

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

issued and outstanding as of September 30, 2010. The Class A common stock is entitled to one vote for each outstanding share of Class A common stock on every matter properly submitted to the stockholders for a vote. Except as required by law, the Class A and Class B common stock vote together as a single class on all matters submitted to the stockholders. The material terms and provisions of the Company's certificate of incorporation affecting the relative rights of the Class A common stock and the Class B common stock are described in Note 9 to the 2009 Audited Consolidated Financial Statements.

Warrants

Other than disclosed in Note 4 Debt Obligations and Note 9 Earnings Per Share, no warrants to acquire the Company's Class A or Class B common stock were outstanding as of September 30, 2010.

Share-Based Compensation

In 2002, the Company established the 2002 Stock Incentive Plan (the Incentive Plan) for a total of 11,194,354 authorized shares, which provides for the granting of incentive stock options and non-qualified stock options to certain officers, employees and consultants of the Company. As described below under Restricted Stock

Table of Contents

and Performance Share Units, the Incentive Plan also provides for grants of restricted stock and performance shares that are subject to restrictions and risks of forfeiture. Readers should refer to Note 9 to the 2009 Audited Consolidated Financial Statements for additional information related to these awards and the Incentive Plan.

Stock Options

As of September 30, 2010, options to purchase a total of 510,436 shares of Class A common stock were outstanding under the Incentive Plan, and 1,502,279 shares remain available for future issuance under the Incentive Plan. There were no stock options granted during the quarters and three quarters ended September 30, 2010 and October 1, 2009. During the three quarters ended October 1, 2009, the Company recognized approximately \$0.1 million of share-based compensation expense related to stock options. Such expense is presented as a component of General and administrative expenses. No share-based compensation expense related to stock options was recognized during the quarter and three quarters ended September 30, 2010.

We receive a tax deduction for certain stock option exercises during the period the options are exercised, generally for the excess of the price at which the stock is sold over the exercise price of the options. We are required to report excess tax benefits from the award of equity instruments as financing cash flows. Excess tax benefits are recorded when a deduction reported for tax return purposes for an award of equity instruments exceeds the cumulative compensation cost for the instruments recognized for financial reporting purposes. For the three quarters ended September 30, 2010, our unaudited condensed consolidated statement of cash flows reflects less than \$0.1 million of excess tax benefits as financing cash flows. Net cash proceeds from the exercise of stock options were \$0.7 million for the three quarters ended September 30, 2010. The actual income tax benefit realized from stock option exercises was approximately \$0.1 million for the same period. For the three quarters ended October 1, 2009, our unaudited condensed consolidated statement of cash flows reflects less than \$0.1 million of excess tax benefits as financing cash flows. Net cash proceeds from the exercise of stock options were \$0.1 million for the three quarters ended October 1, 2009. The actual income tax benefit realized from stock option exercises was less than \$0.1 million for the same period.

The following table represents stock option activity for the three quarters ended September 30, 2010:

	Number of Shares	Weighted Average Exercise Price	Weighted Average Contract Life (Yrs.)
Outstanding options at beginning of period	569,757	\$ 9.43	2.78
Granted			
Exercised	(55,574)	12.63	
Forfeited	(3,747)	16.18	
Outstanding options at end of period	510,436	9.03	2.02
Exercisable options at end of period	510,436	9.03	2.02

Restricted Stock

As described in Note 9 to the 2009 Audited Consolidated Financial Statements, the Company maintains the Incentive Plan which provides for restricted stock awards to officers, directors and key employees. Under the Incentive Plan, shares of Class A common stock of the Company may be granted at nominal cost to officers, directors and key employees, subject to a continued employment restriction. On January 13, 2010, 289,679 restricted shares were granted under the Incentive Plan at nominal cost to officers, directors and key employees. These awards vest

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

25% at the end of each year for four years in the case of officers and key employees and vest 100% at the end of one year in the case of directors. The closing price of our Class A common stock on the date of this grant was \$14.72 per share.

During the quarter ended April 1, 2010, the Company withheld approximately 61,266 shares of restricted stock at an aggregate cost of approximately \$0.9 million, as permitted by the applicable equity award agreements, to satisfy employee tax withholding requirements related to the vesting of 279,680 restricted stock awards.

During the quarters ended September 30, 2010 and October 1, 2009, the Company recognized approximately \$1.1 million and \$1.1 million, respectively, of share-based compensation expense related to restricted share grants. During the three quarters ended September 30, 2010 and October 1, 2009, the Company recognized

Table of Contents

approximately \$3.3 million and \$2.9 million, respectively, of shares-based compensation expense related to restricted share grants. Such expense is presented as a component of General and administrative expenses. The compensation expense for these awards was determined based on the market price of our stock at the date of grant applied to the total numbers of shares that were anticipated to fully vest. As of September 30, 2010, we have unrecognized compensation expense of \$8.3 million associated with restricted stock awards.

The following table represents the restricted stock activity for the three quarters ended September 30, 2010:

Unvested at beginning of period	971,568
Granted during the period	289,679
Vested during the period	(282,480)
Forfeited during the period	(4,001)
Unvested at end of period	974,766

During each of the three quarters ended September 30, 2010 and October 1, 2009, the Company paid three cash dividends of \$0.18 per share of outstanding restricted stock totaling approximately \$0.6 million and \$0.5 million, respectively.

Performance Share Units

The Incentive Plan also provides for grants in the form of performance share units to officers, directors and key employees. Performance share agreements are entered into between the Company and each grantee of performance share units (each, a 2006 Performance Agreement). Our 2006 Performance Agreement covered performance share grants in the fiscal years ended December 28, 2006, December 27, 2007 and January 1, 2009, and is described in Note 9 to the 2009 Audited Consolidated Financial Statements.

In 2009, we adopted an amended and restated form of Performance Agreement (each, a 2009 Performance Agreement). On January 13, 2010, 311,953 performance shares were granted under our Incentive Plan at nominal cost to officers and key employees. Under the 2009 Performance Agreement, which is described in the section entitled Compensation Discussion and Analysis Elements of Compensation Performance Shares, of our 2009 proxy statement, each performance share represents the right to receive from 0% to 150% of the target numbers of shares of restricted Class A common stock. The number of shares of restricted common stock earned will be determined based on the attainment of specified performance goals by January 13, 2013 (the third anniversary of the grant date) set forth in the 2009 Performance Agreement. Such performance shares vest on January 13, 2014 (the fourth anniversary of the grant date). The shares are subject to the terms and conditions of the Incentive Plan. The closing price of our Class A common stock on the date of this grant was \$14.72 per share, which approximates the grant date fair value of the awards.

Pursuant to the terms and conditions of the 2006 and 2009 Performance Agreements, grantees will be issued shares of restricted common stock of the Company in an amount determined by the attainment of Company performance criteria set forth in such Performance Agreement. The shares of restricted common stock received upon attainment of the performance criteria will be subject to further vesting over a period of time, provided the grantee remains a service provider to the Company during such period.

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

During the quarters ended September 30, 2010 and October 1, 2009, the Company recognized approximately \$0.8 million and \$0.6 million, respectively, of share-based compensation expense related to performance share grants. During the three quarters ended September 30, 2010 and October 1, 2009, the Company recognized approximately \$2.2 million and \$1.4 million, respectively, of share-based compensation expense related to performance share grants. Such expense is presented as a component of General and administrative expenses. As of September 30, 2010, we have unrecognized compensation expense of \$8.1 million associated with performance share units. During the quarter ended July 1, 2010, 183,430 performance share awards were effectively cancelled. These awards were scheduled to vest on June 1, 2010, the one year anniversary of the calculation date. As of the calculation date, which was June 1, 2009, threshold performance goals were not satisfied, and therefore, all 183,430 restricted shares under this performance grant were cancelled as of June 1, 2010.

Table of Contents

The following table summarizes information about the Company's number of performance shares for the three quarters ended September 30, 2010:

Unvested at beginning of period	999,330
Granted (based on target)	311,953
Cancelled/forfeited	(190,731)
Unvested at end of period	1,120,552

The above table does not reflect the maximum or minimum number of shares of restricted stock contingently issuable. An additional 0.7 million shares of restricted stock could be issued providing the performance criteria maximums are met.

7. COMMITMENTS AND CONTINGENCIES

Our theatres must comply with Title III of the Americans with Disabilities Act of 1990 (the "ADA") to the extent that such properties are public accommodations and/or commercial facilities as defined by the ADA. Compliance with the ADA requires that public accommodations reasonably accommodate individuals with disabilities and that new construction or alterations made to commercial facilities conform to accessibility guidelines unless structurally impracticable for new construction or technically infeasible for alterations. Non-compliance with the ADA could result in the imposition of injunctive relief, fines, awards of damages to private litigants and additional capital expenditures to remedy such non-compliance.

In prior years, private litigants and the Department of Justice ("DOJ") had filed claims against us or our subsidiaries alleging that a number of our theatres with stadium seating violated the ADA because these theatres allegedly failed to provide wheelchair-bound patrons with lines of sight comparable to those available to other members of the general public and denied persons in wheelchairs access to the stadium portion of the theatres. On June 8, 2005, Regal reached an agreement with the DOJ resolving and dismissing the private litigants' claims and all claims made by the United States under the ADA. From time to time, we still receive claims that the stadium seating offered by our theatres allegedly violates the ADA. In these instances, we seek to resolve or dismiss these claims based on the terms of the DOJ settlement or under applicable ADA standards.

In addition, we, from time to time, receive letters from the attorneys general of states in which we operate theatres regarding investigation into the accessibility of our theatres to persons with visual or hearing impairments. We believe we provide the members of the visually and hearing impaired communities with reasonable access to the movie-going experience.

We believe that we are in substantial compliance with all current applicable regulations relating to accommodations for the disabled. We intend to comply with future regulations in this regard, and except as set forth above, we do not currently anticipate that compliance will require us to expend substantial funds. Our theatre operations are also subject to federal, state and local laws governing such matters as wages, working conditions, citizenship and health and sanitation requirements. We believe that we are in substantial compliance with all of such laws.

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

We and certain of our subsidiary corporations are also presently involved in various legal proceedings arising in the ordinary course of our business operations, including, but not limited to, personal injury claims, employment and contractual matters. We believe we have adequately provided for the settlement of such matters. Management believes any additional liability with respect to these claims and disputes will not be material in the aggregate to our consolidated financial position, results of operations or cash flows.

8. RELATED PARTY TRANSACTIONS

During the quarters and three quarters ended September 30, 2010 and October 1, 2009, Regal Cinemas incurred less than \$0.1 million of expenses payable to Anschutz affiliates for certain advertising services. Also during the quarters and three quarters ended September 30, 2010 and October 1, 2009, Regal Cinemas received less than \$0.1 million from an Anschutz affiliate for rent and other expenses related to a theatre facility.

Table of Contents

During fiscal 2006, Regal entered into a management agreement with an Anschutz affiliate to manage a Los Angeles, California theatre site on their behalf. During fiscal 2009, the ultimate financial terms of the management agreement were approved by the Company's board of directors, which included a management fee payable to Regal based on a percentage of revenues generated by the theatre, subject to a minimum annual fee payable to Regal. The theatre opened in October 2009. During the quarter and three quarters ended September 30, 2010, the Company received approximately \$0.1 million and \$0.4 million, respectively, from the Anschutz affiliate for management fees related to the theatre site. Finally, as of December 31, 2009, the Anschutz affiliate owed the Company approximately \$0.6 million related to certain reimbursable costs (primarily pre-opening costs) associated with the theatre. This amount was paid to Regal during the quarter ended April 1, 2010.

9. EARNINGS (LOSS) PER SHARE

We compute earnings (loss) per share of Class A and Class B common stock using the two-class method. Basic earnings per share is computed using the weighted average number of common shares outstanding during the period. Diluted earnings (loss) per share is computed using the weighted average number of common shares and, if dilutive, common stock equivalents outstanding during the period. Potential common stock equivalents consist of the incremental common shares issuable upon the exercise of common stock options, restricted stock and performance shares, the assumed conversion of the 6¼% Convertible Senior Notes and the 2008 Warrant issued in connection with the 6¼% Convertible Senior Notes. The dilutive effect of outstanding stock options, restricted shares and performance shares and the 2008 Warrant issued in connection with the 6¼% Convertible Senior Notes is reflected in diluted earnings (loss) per share by application of the treasury-stock method. The dilutive effect of assumed conversion of the 6¼% Convertible Senior Notes is reflected in diluted earnings (loss) per share by application of the if-converted method. In addition, the computation of the diluted earnings (loss) per share of Class A common stock assumes the conversion of Class B common stock, while the diluted earnings (loss) per share of Class B common stock does not assume the conversion of those shares. Since the Company reported a net loss of \$1.8 million for the quarter ended October 1, 2009, the impact of potential common stock equivalents described above were not included in the computation of diluted net loss per common share because the effect would have been antidilutive.

The rights, including the liquidation and dividend rights, of the holders of our Class A and Class B common stock are identical, except with respect to voting. The undistributed earnings (loss) for the periods presented are allocated based on the contractual participation rights of the Class A and Class B common shares as if the earnings (loss) for the periods presented had been distributed. As the liquidation and dividend rights are identical, the undistributed earnings (loss) are allocated on a proportionate basis. Further, as we assume the conversion of Class B common stock in the computation of the diluted earnings (loss) per share of Class A common stock, the undistributed earnings (loss) are equal to net income (loss) attributable to controlling interest for that computation.

The following table sets forth the computation of basic and diluted earnings per share of Class A and Class B common stock (in millions, except share and per share data):

	Quarter ended September 30, 2010		Quarter ended October 1, 2009		Three Quarters Ended September 30, 2010		Three Quarters Ended October 1, 2009

10. RECENT ACCOUNTING PRONOUNCEMENTS

During June 2009, the FASB issued SFAS No. 167, Amendments to FASB Interpretation No. 46(R) which is to be adopted as of the beginning of its first annual reporting period that begins after November 15, 2009, and interim and annual reporting periods thereafter. SFAS No. 167 amends FASB Interpretation No. 46(R), Consolidation of Variable Interest Entities an interpretation of ARB No. 51 (FIN 46(R)) to require an enterprise to perform an analysis to determine whether the enterprise's variable interest or interests give it a controlling financial interest in a variable interest entity. This analysis identifies the primary beneficiary of a variable interest entity as the enterprise that has both of the following characteristics:

- a. The power to direct the activities of a variable interest entity that most significantly impact the entity's economic performance; and
- b. The obligation to absorb losses of the entity that could potentially be significant to the variable interest entity or the right to receive benefits from the entity that could potentially be significant to the variable interest entity.

Additionally, an enterprise is required to assess whether it has an implicit financial responsibility to ensure that a variable interest entity operates as designed when determining whether it has the power to direct the activities of the variable interest entity that most significantly impact the entity's economic performance. SFAS No. 167 amends FIN 46(R) to require ongoing reassessments of whether an enterprise is the primary beneficiary of a variable interest entity. SFAS No. 167 amends FIN 46(R) to add an additional reconsideration event for determining whether an entity is a variable interest entity when any changes in facts and circumstances occur such that the holders of the equity investment at risk, as a group, lose the power from voting rights or similar rights of those investments to direct the activities of the entity that most significantly impact the entity's economic performance. SFAS No. 167 amends FIN 46(R) to require enhanced disclosures that will provide users of financial statements with more transparent information about an enterprise's involvement in a variable interest entity. The enhanced disclosures are required for any enterprise that holds a variable interest in a variable interest entity. The adoption of SFAS No. 167 had no impact on the Company's consolidated financial position, cash flows and results of operations.

In January 2010, the FASB issued Accounting Standards Update (ASU) No. 2010-06, *Fair Value Measurements and Disclosures (Topic 820) Improving Disclosures about Fair Value Measurements*, (ASU 2010-06). This Update provides a greater level of disaggregated information and enhanced disclosures about valuation techniques and inputs to fair value measurements. ASU 2010-06 is effective for interim and annual reporting periods beginning after December 15, 2009 and became effective for the Company as of April 1, 2010 except for certain disclosure requirements. Disclosures about purchases, sales, issuances, and settlements in the roll forward of activity in Level 3 fair value measurements are effective for fiscal years beginning after December 15, 2010, and for interim periods within those fiscal years and is effective for the Company as of the beginning of fiscal 2011.

Table of Contents**11. FAIR VALUE OF FINANCIAL INSTRUMENTS**

Fair value refers to the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the market in which the entity transacts. The inputs used to develop these fair value measurements are established in a hierarchy, which ranks the quality and reliability of the information used to determine fair value. The fair value classification is based on levels of inputs. Assets and liabilities that are carried at fair value are classified and disclosed in one of the following categories described in ASC Topic 820, *Fair Value Measurements and Disclosures*:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

The following table summarizes the fair value hierarchy of the Company's financial assets and liabilities carried at fair value on a recurring basis as of September 30, 2010:

	Total Carrying Value at September 30, 2010	Fair Value Measurements at September 30, 2010 Using

(1) The Company maintains an investment in RealD Inc., an entity specializing in the licensing of 3D technologies. In connection with the RealD, Inc. motion picture license agreement, the Company received a ten-year option to purchase 1,222,782 shares of RealD, Inc. common stock at approximately \$0.00667 per share. The stock options vest in three tranches upon the achievement of screen installation targets. During the three quarters ended September 30, 2010, the Company vested in the first and second tranches to purchase a total of 815,188 shares of RealD, Inc. common stock. These options are accounted for as available-for-sale equity securities and are recorded in the unaudited condensed consolidated balance sheet in Other non-current assets with a corresponding amount recorded to Other non-current liabilities on the dates at which the options vest. Recurring fair value adjustments to these options are recorded to Other non-current assets with a corresponding entry to Accumulated other comprehensive loss on a quarterly basis. The fair value of the RealD, Inc. stock options is determined using RealD, Inc.'s publicly traded common stock price, which falls under Level 2 of the valuation hierarchy, after consideration of the lock-up period to which the Company is subject until January 2011. As of September 30, 2010, the carrying value of the RealD, Inc. stock options vested and held by the Company as of September 30, 2010 was approximately \$15.1 million. The corresponding amounts recorded in Other non-current liabilities and Accumulated other comprehensive loss, net were \$12.7 million and \$1.5 million (net of tax), respectively. The amount recorded in Other non-current liabilities is being amortized on a straight-line basis to reduce RealD, Inc. license expense recorded in the unaudited condensed consolidated statement of operations. Such amortization totaled \$0.2 million and \$0.4 million, respectively for the quarter and three quarters ended September 30, 2010.

(2) The fair value of the Company's interest rate swaps described in Note 4 Debt Obligations is based on Level 2 inputs, which include observable inputs such as dealer quoted prices for similar assets or liabilities, and represents the estimated amount Regal Cinemas would receive or pay to terminate the agreements taking into consideration various factors, including current interest rates, credit risk and counterparty credit risk. The counterparties to the Company's interest rate swaps are major financial institutions. The Company evaluates the bond ratings of the financial institutions and believes that credit risk is at an acceptably low level. As of September 30, 2010, the aggregate fair value of the Company's four interest rate swaps was determined to be approximately \$(28.4) million, which was recorded as a component of Other non-current liabilities with a corresponding amount of \$(17.3) million, net of tax, recorded to Accumulated other comprehensive loss, net. As of December 31, 2009, the aggregate fair value the Company's four interest rate swaps was determined to be approximately \$(16.8) million, which was recorded as a component of Other non-current liabilities with a corresponding amount of \$(10.3) million, net of tax, recorded to Accumulated other comprehensive loss, net. These interest rate swaps exhibited no ineffectiveness during the quarters and three quarters ended September 30, 2010 and October 1, 2009 and accordingly, the net losses on the swaps of \$7.0 million and \$3.8 million, respectively, were reported as a component of other comprehensive loss for the three quarters ended September 30, 2010 and October 1, 2009.

Table of Contents

In addition, the Company is required to disclose the fair value of financial instruments that are not recognized in the statement of financial position for which it is practicable to estimate that value. The methods and assumptions used to estimate the fair value of each class of financial instrument are as follows:

Cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities:

The carrying amounts approximate fair value because of the short maturity of these instruments.

Long term obligations, excluding capital lease obligations, lease financing arrangements and other:

The fair value of the Amended Senior Credit Facility described in Note 4 Debt Obligations, which consists of the Term Facility and the Revolving Facility, is estimated based on quoted prices (Level 2 inputs as described in ASC Topic 820) as of September 30, 2010 and December 31, 2009. The associated interest rates are based on floating rates identified by reference to market rates and are assumed to approximate fair value. The fair values of the 91/8% Senior Notes, the 85/8% Senior Notes and the 6¼% Convertible Senior Notes are estimated based on quoted prices (Level 1 inputs as described in ASC Topic 820) for these issuances as of September 30, 2010 and December 31, 2009. The fair value of the Senior Subordinated Notes is estimated based on quoted prices (Level 2 inputs as described in ASC Topic 820) for this issuance as of September 30, 2010 and December 31, 2009. The aggregate carrying values and fair values of long-term debt at September 30, 2010 and December 31, 2009 consist of the following:

	September 30, 2010	(in millions)	December 31, 2009
Carrying value	\$	2,053.7	\$ 1,902.2
Fair value	\$	2,087.8	\$ 1,923.1

12. SUBSEQUENT EVENTS

On October 28, 2010, the Company declared a cash dividend of \$0.18 per share on each share of the Company's Class A and Class B common stock (including outstanding restricted stock), payable on December 17, 2010, to stockholders of record on December 8, 2010.

During October 2010, we repurchased approximately \$30.0 million aggregate principal amount of the 6¼% Convertible Senior Notes, in a privately negotiated transaction. The Company is currently evaluating the accounting implications of the fees related to the settlement and the remaining unamortized debt issue costs and unamortized debt discount associated with the 6¼% Convertible Senior Notes on its consolidated financial position, cash flows and results of operations.

On November 1, 2010, we redeemed the remaining outstanding \$51.5 million principal amount of the Senior Subordinated Notes due February 1, 2012 at a redemption price of 100.0% of their principal amount, plus accrued interest.

13. CONDENSED CONSOLIDATING FINANCIAL INFORMATION

On July 15, 2009, Regal Cinemas issued \$400.0 million in aggregate principal amount of the 85/8% Senior Notes. The 85/8% Senior Notes are fully and unconditionally guaranteed on a joint and several senior unsecured basis by Regal and all of Regal Cinemas' existing and future domestic restricted subsidiaries that guarantee Regal Cinemas' other indebtedness (the "Subsidiary Guarantors").

The following condensed consolidating financial information, which has been prepared in accordance with the requirements for presentation of Rule 3-10(d) of Regulation S-X promulgated by the Commission, presents the condensed consolidating financial information separately for:

- (i) Regal, which is a guarantor of the 85/8% Senior Notes;

- (ii) Regal Cinemas, which is the issuer of the 85/8% Senior Notes;

- (iii) The Subsidiary Guarantors, on a combined basis, which are guarantors of the 85/8% Senior Notes;

- (iv) The non-guarantor subsidiaries, on a combined basis, which are not guarantors of the 85/8% Senior Notes;

- (v) Consolidating entries and eliminations representing adjustments to (a) eliminate intercompany transactions between or among Regal, Regal Cinemas, the Subsidiary Guarantors and the non-guarantor subsidiaries, (b) eliminate the investments in our subsidiaries and (c) record consolidating entries; and

- (vi) Regal and its subsidiaries on a consolidated basis.

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Some of the information in this Quarterly Report on Form 10-Q includes forward-looking statements within the meaning of Section 27A of the Securities and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act). All statements other than statements of historical facts included in this Form 10-Q, including, without limitation, certain statements under Management's Discussion and Analysis of Financial Condition and Results of Operations, may constitute forward-looking statements. In some cases you can identify these forward-looking statements by words like may, will, should, expects, plans, anticipates, believes, estimates, predicts, potential or continue or the negative of those words and other comparable words. These forward-looking statements involve risks and uncertainties. Our actual results could differ materially from those indicated in these statements as a result of certain factors as more fully discussed under the heading Risk Factors contained in our annual report on Form 10-K filed on March 1, 2010 with the Commission (File No. 001-31315) for the Company's fiscal year ended December 31, 2009. The following discussion and analysis should be read in conjunction with the unaudited condensed consolidated financial statements and notes thereto included herein.

The Company

We conduct our operations through our wholly owned subsidiaries. We operate the largest and most geographically diverse theatre circuit in the United States, consisting of 6,723 screens in 542 theatres in 37 states and the District of Columbia as of September 30, 2010. We believe the size, reach and quality of our theatre circuit provide an exceptional platform to realize economies of scale from our theatre operations. We also maintain an investment in National CineMedia, which concentrates on in-theatre advertising and creating complementary business lines that leverage the operating personnel, asset and customer bases of its theatrical exhibition partners, which include us, AMC and Cinemark. The Company manages its business under one reportable segment: theatre exhibition operations.

We generate revenues primarily from admissions and concession sales. Additional revenues are generated by our vendor marketing programs, our gift card and discount ticket programs and various other activities in our theatres. In addition, National CineMedia provides us with a theatre access fee associated with revenues generated from its sale of on-screen advertising, rental of theatres for meetings and concerts and other events. Film rental costs depend on a variety of factors including the prospects of a film, the popularity and box office revenues of a film, and such film rental costs generally increase as the admissions revenues generated by a film increase. Because we purchase certain concession items, such as fountain drinks and popcorn, in bulk and not pre-packaged for individual servings, we are able to improve our margins by negotiating volume discounts. Other operating expenses consist primarily of theatre labor and occupancy costs.

On July 15, 2009, Regal Cinemas issued \$400.0 million in aggregate principal amount of the 85/8% Senior Notes at a price equal to 97.561% of their face value in a transaction exempt from registration under the Securities Act. Interest on the 85/8% Senior Notes is payable semi-annually in arrears on January 15 and July 15 of each year, beginning on January 15, 2010. The 85/8% Senior Notes will mature on July 15, 2019. The net proceeds from the offering, after deducting the initial purchase discount (approximately \$9.8 million) and offering expenses paid by the Company, were approximately \$381.3 million. The Company used all of the net proceeds of the offering to repay a portion of the Prior Senior Credit Facility. As a result of this repayment, the Company recorded a loss on debt extinguishment of approximately \$7.4 million, representing the pro-rata write off of unamortized debt issue costs under the Prior Senior Credit Facility. See Note 4 Debt Obligations for further discussion of this transaction.

As further described in Note 3 Investments, on March 10, 2010, DCIP executed definitive agreements and related financing transactions in connection with the conversion to digital projection. As part of the closing, the Company made the DCIP Contributions. In connection with the contribution of its 200 existing digital projection systems, the Company recorded a loss on the contribution of \$2.0 million based on the excess

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

of the carrying value of the digital projection systems contributed over the \$12.6 million fair value (as determined by an independent appraisal) of such equipment. In addition, during May 2010, Regal sold an additional 337 digital projection systems

Table of Contents

to DCIP for aggregate proceeds of approximately \$20.0 million. In connection with this sale, the Company recorded a loss on disposal of approximately \$2.8 million. Such losses have been presented as a component of Net (gain) loss on disposal and impairment of operating assets in the accompanying unaudited condensed consolidated statement of income for the three quarters ended September 30, 2010. After giving effect to the DCIP Contributions, the Company holds a 46.7% economic interest in DCIP as of September 30, 2010, while continuing to maintain a one-third voting interest along with AMC and Cinemark.

On May 24, 2010 and June 24, 2010, the Company acquired eight theatres with 106 screens located in Illinois, Indiana and Colorado from an affiliate of AMC. Regal purchased five of these AMC theatres representing 63 screens for approximately \$55.0 million in cash, subject to post-closing adjustments, and acquired the other three AMC theatres representing 43 screens in exchange for two Regal theatres consisting of 26 screens. The results of operations of the eight acquired theatres have been included in the Company's consolidated financial statements for periods subsequent to the respective acquisition dates. See Note 2 Acquisition for further discussion of this transaction.

On March 17, 2010, we received from National CineMedia approximately 0.3 million newly issued common units of National CineMedia. On August 18, 2010, we redeemed 4.2 million of our National CineMedia common units for a like number of shares of NCM, Inc. common stock, which we sold in an underwritten public offering for \$16.00 per share, reducing our investment in National CineMedia by \$13.7 million, the average carrying amount of the shares sold. We received approximately \$64.5 million in proceeds after deducting related fees and expenses payable by us, resulting in a gain on sale of \$50.8 million. In addition, on September 8, 2010, we redeemed an additional 0.1 million National CineMedia common units for a like number of shares of NCM, Inc. common stock and sold them to the underwriters to cover over-allotments at \$16.00 per share, further reducing our investment in National CineMedia by \$0.3 million, the average carrying amount of the shares sold. We received approximately \$1.5 million of net proceeds from this sale, resulting in a gain on sale of \$1.2 million. The aggregate net proceeds will be used for general corporate purposes. These transactions, together with National CineMedia's issuance of 6.5 million common units to AMC in the second quarter of 2010 as a result of an acquisition, had the effect of decreasing the Company's ownership share in National CineMedia. As a result, on a fully diluted basis, we own a 19.4% interest in NCM, Inc. as of September 30, 2010.

On May 19, 2010, Regal Cinemas entered into the Amended Senior Credit Facility, with Credit Suisse and the lenders party thereto which amends, restates and refinances the Prior Senior Credit Facility among Regal Cinemas, Credit Suisse, Cayman Islands Branch, and the lenders party thereto. The Amended Senior Credit Facility consists of a Term Facility in an aggregate principal amount of \$1,250.0 million with a final maturity date in November 2016 and a Revolving Facility in an aggregate principal amount of \$85.0 million with a final maturity date in May 2015. The Term Facility amortizes in equal quarterly installments in an aggregate annual amount equal to 1.0% of the original principal amount of the Term Facility, with the balance payable on the Term Facility maturity date. Net proceeds of the Term Facility (approximately \$1,237.5 million) were applied to refinance the term loan under the Prior Senior Credit Facility, which had an aggregate principal balance of approximately \$1,262.1 million. Upon the execution of the Amended Senior Credit Facility, Regal recognized a loss on debt extinguishment of approximately \$18.4 million. No amounts have been drawn on the Revolving Facility. The Amended Senior Credit Facility also permits Regal Cinemas to borrow additional term loans thereunder, subject to lenders providing additional commitments of up to \$200.0 million and satisfaction of other conditions, as well as other term loans for acquisitions and certain capital expenditures subject to lenders providing additional commitments and satisfaction of other conditions. The Amended Senior Credit Agreement is secured by substantially all assets of Regal Cinemas and certain of its subsidiaries.

On August 10, 2010, Regal Entertainment Group entered into an Underwriting Agreement with Credit Suisse Securities (USA) LLC, Barclays Capital Inc., Banc of America Securities LLC and Deutsche Bank Securities Inc., as the representatives of the underwriters, with respect to the 91/8% Senior Notes. On August 16, 2010, the Company issued the 91/8% Senior Notes under the Indenture with Wells Fargo Bank, National Association, as trustee. The net proceeds from the offering, after deducting offering expenses paid by the Company, were approximately \$269.5 million. The net proceeds will be used to repay outstanding indebtedness under the 6¼% Convertible Senior Notes, the Senior Subordinated Notes and for general corporate purposes. Subsequent to the issuance of the 91/8% Senior Notes, during August and September 2010, we used a portion of the net proceeds from

Table of Contents

the offering to repurchase a total of approximately \$95.3 million principal amount of the 6¼% Convertible Senior Notes, in a series of privately negotiated transactions. As a result of these repurchases, the Company recorded a \$4.2 million loss on debt extinguishment during the quarter ended September 30, 2010.

For a summary of industry trends as well as other risks and uncertainties relevant to the Company, see **Business** **Industry Overview and Trends** and **Risk Factors** contained in our annual report on Form 10-K for the fiscal year ended December 31, 2009 and **Results of Operations** below.

Results of Operations

Based on our review of industry sources, national box office revenues for the time period that corresponds to Regal's third fiscal quarter of 2010 were estimated to have increased by approximately 6% in comparison to the third fiscal quarter of 2009. During the third fiscal quarter of 2010, the industry's box office results were positively impacted by an increase in the percentage of attendance generated by premium-priced 3D and IMAX® films, including the strong performance of *Inception*, *Despicable Me* and *The Twilight Saga: Eclipse*.

Our total revenues for the quarter ended September 30, 2010 (Q3 2010 Period) were \$696.4 million and consisted of \$486.1 million of admissions revenues, \$183.0 million of concessions revenues and \$27.3 million of other operating revenues, and increased approximately 3.4% from total revenues of \$673.5 million for the quarter ended October 1, 2009 (Q3 2009 Period).

Total admissions revenues increased \$22.7 million during the Q3 2010 Period, or 4.9%, to \$486.1 million, from \$463.4 million in the Q3 2009 Period primarily due to a 6.2% increase in average ticket prices, partially offset by a 1.3% decline in attendance. An increase in the percentage of our admissions revenues generated by premium-priced 3D and IMAX® films exhibited during the Q3 2010 Period along with price increases identified during our ongoing periodic pricing reviews (which include analysis of various factors such as general inflationary trends and local market conditions) were the primary drivers of the increase in our Q3 2010 Period average ticket price. We believe that the slight decrease in attendance during the Q3 2010 Period was largely mitigated by an increase in the percentage of attendance from films released in premium-priced 3D and IMAX® formats, such as *Inception*, *Despicable Me* and *The Twilight Saga: Eclipse*. Based on our review of certain industry sources, the increase in our admissions revenues on a per screen basis was in line with the industry's results for the Q3 2010 Period as compared to the Q3 2009 Period.

During the three quarters ended September 30, 2010 (the Fiscal 2010 Period), we continued to make progress with respect to the following strategic initiatives:

- We demonstrated our commitment to providing incremental value to our stockholders. Total cash dividends distributed to our stockholders during the Fiscal 2010 Period totaled approximately \$83.3 million.
- We continued to expand our use of new technologies to provide a premium movie-going experience for our customers and broaden our premium content offerings. Specifically, the installation of digital projection systems, when combined with 3D technology or

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

IMAX® theatre systems, allow us to offer our patrons premium 3D and large format movie experiences that we believe generate incremental revenue for the Company. As of September 30, 2010, we operated 46 IMAX® screens and operated 1,648 additional screens outfitted with digital projection systems, 1,156 of which are digital 3D capable. In addition, we ultimately expect to outfit all of our screens with digital projection systems, with approximately 40% of our total screens being digital 3D capable. We remain optimistic regarding the benefits of digital cinema primarily as it relates to future growth potential associated with 3D film product and other 3D content and are pleased to see continued support of 3D and IMAX® film product by the major motion picture studios.

- During the Fiscal 2010 Period, the Company acquired eight theatres with 106 screens from an affiliate of AMC. Regal purchased five of these AMC theatres representing 63 screens for approximately \$55.0 million in cash, subject to post closing adjustments, and acquired the other three AMC theatres

representing 43 screens in exchange for two Regal theatres consisting of 26 screens. In addition to the theatres acquired from an affiliate of AMC, we opened one new theatre with 16 screens and closed 15 theatres with 167 screens (including the two theatres exchanged with AMC), ending the Fiscal 2010 Period with 542 theatres and 6,723 screens.

The following table sets forth the percentage of total revenues represented by certain items included in our consolidated statements of income (loss) for the Q3 2010 Period, the Q3 2009 Period, the Fiscal 2010 Period and the three quarters ended October 1, 2009 (the Fiscal 2009 Period) (dollars in millions, except average ticket prices and average concession per patron):

Q3 2010 Period Compared to Q3 2009 Period and the Fiscal 2010 Period Compared to the Fiscal 2009 Period

Admissions

Total admissions revenues increased \$22.7 million during the Q3 2010 Period, or 4.9%, to \$486.1 million, from \$463.4 million in the Q3 2009 Period primarily due to a 6.2% increase in average ticket prices, partially offset by a 1.3% decrease in attendance. During the Fiscal 2010 Period, total admissions revenues increased \$33.5 million, or 2.3%, to \$1,498.1 million, from \$1,464.6 million in the Fiscal 2009 Period. A 7.4% increase in average ticket prices, partially offset by 4.9% decrease in attendance, led to the favorable increase in the Fiscal 2010 Period admissions revenues. An increase in the percentage of our admissions revenues generated by premium-priced 3D and IMAX® films exhibited during the Q3 2010 Period and the Fiscal 2010 Period along with price increases identified during our ongoing periodic pricing reviews (which include analysis of various factors such as general inflationary trends and local market conditions) were the primary drivers of the increase in our Q3 2010 Period and Fiscal 2010 Period average ticket prices. We believe that the slight decrease in attendance during the Q3 2010 Period was largely mitigated by an increase in the percentage of attendance from films released in premium-priced 3D and IMAX® formats, such as *Inception*, *Despicable Me* and *The Twilight Saga: Eclipse*. We believe that the overall decrease in attendance during the Fiscal 2010 Period was primarily a result of the breadth of films released during 2009, partially offset by an increase in the percentage of attendance from premium-priced 3D and IMAX® films and strong attendance from key 2010 film releases, such as *Avatar*, *Toy Story 3*, *Alice in Wonderland*, *Iron Man 2*, and *Inception*. Based on our review of certain industry sources, the increase in our admissions revenues on a per screen basis was in line with the industry's results for the Q3 2010 Period as compared to the Q3 2009 Period. The increase in our admissions revenues on a per screen basis was slightly less than the industry's results for the Fiscal 2010 Period as compared to the Fiscal 2009 Period. We believe the less than industry increase in admissions revenues on a per screen basis in the Fiscal 2010 Period was attributable to geographical differences in film product performance.

Table of Contents

Concessions

During the Q3 2010 Period, total concessions revenues increased \$0.4 million, or 0.2%, to \$183.0 million, from \$182.6 million for the Q3 2009 Period. Total concessions revenues decreased \$16.3 million, or 2.8%, to \$560.6 million in the Fiscal 2010 Period, from \$576.9 million in the Fiscal 2009 Period. Average concessions revenues per patron during the Q3 2010 Period increased 1.6%, to \$3.25, from \$3.20 for the Q3 2009 Period and increased 1.9%, to \$3.24 during the Fiscal 2010 Period, from \$3.18 in the Fiscal 2009 Period. The increase in average concessions revenues per patron for the Q3 2010 Period and the Fiscal 2010 Period was primarily a result of selective price increases effected subsequent to the end of the Q3 2009 period.

Other Operating Revenues

Other operating revenues decreased \$0.2 million, or 0.7%, to \$27.3 million for the Q3 2010 Period, from \$27.5 million for the Q3 2009 Period. During the Fiscal 2010 Period, other operating revenues increased \$1.4 million, or 1.6%, to \$88.2 million, from \$86.8 million in the Fiscal 2009 Period. Included in other operating revenues are the theatre access fees paid by National CineMedia (net of payments for onscreen advertising time provided to our beverage concessionaire), revenues from our vendor marketing programs and other theatre revenues, including revenue related to our gift card and discount ticket programs. The decrease in other operating revenues during the Q3 2010 Period was primarily driven by decreases in revenues related to our gift card and discount ticket programs, partially offset by increases in other theatre revenues. The increase in other operating revenues during the Fiscal 2010 Period was primarily driven by increases in revenues related to our gift card and discount ticket programs and other theatre revenues, partially offset by a decrease in revenues from our vendor marketing programs.

Film Rental and Advertising Costs

Film rental and advertising costs as a percentage of admissions revenues decreased to 52.4% during the Q3 2010 Period from 52.8% in the Q3 2009 Period. During the Fiscal 2010 Period, film rental and advertising costs as a percentage of admissions revenues increased to 52.8% from 52.4% in the Fiscal 2009 Period. The decrease in film rental and advertising costs as a percentage of admissions revenues during the Q3 2010 Period was primarily attributable to a reduction in newspaper advertising costs during the period. The increase in film rental and advertising costs as a percentage of admissions revenues during the Fiscal 2010 Period was primarily attributable to higher film costs associated with the success of *Avatar*, partially offset by a reduction in newspaper advertising costs.

Cost of Concessions

During the Q3 2010 Period, cost of concessions decreased \$1.2 million, or 4.4%, to \$25.9 million as compared to the Q3 2009 Period. Cost of concessions decreased \$3.4 million, or 4.1%, to \$79.4 million during the Fiscal 2010 Period, from \$82.8 million in the Fiscal 2009 Period. Cost of concessions as a percentage of concessions revenues for the Q3 2010 Period was approximately 14.2% compared to 14.8% for the Q3 2009 Period. For the Fiscal 2010 Period, cost of concessions as a percentage of concession revenues was approximately 14.2%, compared to 14.4% for the Fiscal 2009 Period. The decrease in cost of concessions as a percentage of concessions revenues during the Q3 2010 Period and the Fiscal 2010 Period was primarily related to selective price increases effected subsequent to the end of the Q3 2009 period, slightly lower raw material costs for certain items and a shift in the mix and sizes of products sold at the concession stand. In addition, we also experienced an increase in the amount of vendor marketing revenue recorded as a reduction of cost of concessions during the Fiscal 2010 Period.

Rent Expense

Rent expense increased by \$3.0 million, or 3.2%, to \$96.7 million in the Q3 2010 Period, from \$93.7 million in the Q3 2009 Period. During the Fiscal 2010 Period, rent expense totaled \$285.7 million, an increase of \$3.5 million, or 1.2% from the Fiscal 2009 Period. The increase in rent expense during the Q3 2010 Period and the Fiscal 2010 Period was primarily attributable to increases in contingent rent associated with the

Table of Contents

increase in total revenues and incremental rent associated with the 106 screens acquired from an affiliate of AMC, partially offset by a reduction in rent associated with the closure of 195 screens subsequent to the end of the Q3 2009 period.

Other Operating Expenses

Other operating expenses increased \$2.5 million, or 1.3%, to \$196.7 million in the Q3 2010 Period, from \$194.2 million in the Q3 2009 Period. During the Fiscal 2010 Period, other operating expenses increased \$19.3 million, or 3.4%, to \$595.2 million, from \$575.9 million in the Fiscal 2009 Period. The increase in other operating expenses during the Q3 2010 Period was attributable to increased costs associated with higher 3D and IMAX® film revenues, incremental DCIP related expenses and inflationary increases in non-rent occupancy costs, partially offset by a reduction in theatre-level payroll costs. The increase in other operating expenses during the Fiscal 2010 Period was attributable to increased costs associated with higher 3D and IMAX® film revenues, incremental DCIP related expenses and slight increases in non-rent occupancy and theatre-level payroll costs.

General and Administrative Expenses

For the Q3 2010 Period, general and administrative expenses decreased \$0.6 million, or 3.5%, to \$16.5 million as compared to \$17.1 million in the Q3 2009 Period. General and administrative expenses increased \$1.8 million, or 3.8%, to \$49.6 million during the Fiscal 2010 Period, from \$47.8 million in the Fiscal 2009 Period. As a percentage of total revenues, general and administrative expenses decreased to 2.4% during the Q3 2010 Period, from 2.5% in the Q3 2009 Period and during the Fiscal 2010 Period increased to 2.3%, from 2.2% in the Fiscal 2009 Period. The decrease in general and administrative expenses during the Q3 2010 Period was primarily attributable to a reduction in legal and professional fees and travel related expenses during the period, partially offset by increases in stock-based compensation expense and corporate payroll costs. The increase in general and administrative expenses during the Fiscal 2010 Period was primarily attributable to increases in stock-based compensation expense and corporate payroll costs.

Depreciation and Amortization

Depreciation and amortization expense increased \$0.7 million, or 1.4%, to \$51.9 million for the Q3 2010 Period, from \$51.2 million in the Q3 2009 Period. During the Fiscal 2010 Period, depreciation and amortization expense increased \$10.9 million, or 7.2%, to \$162.5 million, from \$151.6 million in the Fiscal 2009 Period. The increase in depreciation and amortization expense during the Q3 2010 Period and the Fiscal 2010 Period as compared to the Q3 2009 Period and the Fiscal 2009 Period, respectively, was primarily due to accelerated depreciation of \$3.5 million and \$16.4 million, respectively, related to the replacement of 35mm projectors in connection with our conversion to digital projection systems, partially offset by slightly lower capital expenditures during the Q3 2010 Period and the Fiscal 2010 Period.

Income from Operations

During the Q3 2010 Period, income from operations increased \$19.7 million, or 51.3%, to \$58.1 million, from \$38.4 million in the Q3 2009 Period. Income from operations decreased \$25.5 million, or 12.9%, to \$171.7 million during the Fiscal 2010 Period, from \$197.2 million in the

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

Fiscal 2009 Period. The overall increase in income from operations during the Q3 2010 Period as compared to the Q3 2009 Period was primarily attributable to the aforementioned increase in admissions revenues, coupled with reductions in cost of concessions, general and administrative expenses and net (gain) loss on disposal and impairment of operating assets (\$4.1 million and \$7.2 million, respectively, for the Q3 2010 Period and Q3 2009 Period), partially offset by increases in film rental and advertising costs, rent expense and other operating expenses. The net decrease in income from operations during the Fiscal 2010 Period as compared to the Fiscal 2009 Period was primarily attributable to increases in film rental and advertising costs, rent expense, other operating expenses, general and administrative expenses and depreciation and amortization expense, partially offset by the overall increase in total revenues and reductions in cost of concessions and net loss on disposal and impairment of operating assets (\$11.6 million and \$23.1 million, respectively, for the Fiscal 2010 Period and Fiscal 2009 Period).

Table of Contents

Interest Expense, net

Net interest expense totaled \$38.3 million for the Q3 2010 Period, which represents a decrease of \$2.0 million, or 5.0%, from the Q3 2009 Period. During the Fiscal 2010 Period, net interest expense declined \$4.5 million, or 3.9%, to \$110.0 million, from \$114.5 million in the Fiscal 2009 Period. The decrease in net interest expense during the Q3 2010 Period and Fiscal 2010 Period was principally due to a lower effective interest rate on our Term Facility as a result of a change in our interest rate swap portfolio during fiscal 2009 and incremental interest income during such periods, partially offset by incremental interest expense associated with the fiscal 2009 issuance of the 85/8% Senior Notes and the fiscal 2010 issuance of the 91/8% Senior Notes during August 2010.

Earnings Recognized from NCM

The Company received \$8.4 million and \$8.0 million, respectively, in cash distributions from National CineMedia during the Q3 2010 Period and Q3 2009 Period. Approximately \$1.5 million and \$1.3 million, respectively, of these cash distributions received during the Q3 2010 Period and the Q3 2009 Period were recognized as a reduction in our investment in National CineMedia. The Company received \$30.4 million and \$29.9 million, respectively, in cash distributions from National CineMedia during the Fiscal 2010 Period and Fiscal 2009 Period. Approximately \$5.2 million and \$4.6 million, respectively, of these cash distributions received during the Fiscal 2010 Period and the Fiscal 2009 Period were recognized as a reduction in our investment in National CineMedia. In addition, during the Q3 2010 Period, the Q3 2009 Period, the Fiscal 2010 Period and the Fiscal 2009 Period, the Company recorded approximately \$1.8 million, \$0.7 million, \$3.5 million and \$1.5 million, respectively, of equity earnings with respect to newly issued common units received from National CineMedia. As a result, during Q3 2010 Period, the Q3 2009 Period, the Fiscal 2010 Period and the Fiscal 2009 Period, the Company recognized \$8.7 million, \$7.4 million, \$28.7 million and \$26.8 million, respectively, of earnings from National CineMedia. Such amounts are presented as Earnings recognized from NCM in the accompanying unaudited condensed consolidated statements of income. The increase in earnings recognized from National CineMedia during the Q3 2010 Period and the Fiscal 2010 Period as compared to the Q3 2009 Period and the Fiscal 2009 Period was primarily attributable to slightly higher earnings of National CineMedia and the timing of their contractual cash distributions to the Company.

Income Taxes

The provision for (benefit from) income taxes of \$25.4 million and \$(1.0) million for the Q3 2010 Period and the Q3 2009 Period, respectively, reflect effective tax rates of approximately 37.4% and 34.5%, respectively. The provision for income taxes of \$40.8 million and \$40.3 million for the Fiscal 2010 Period and the Fiscal 2009 Period, respectively, reflect effective tax rates of approximately 39.0% and 40.3%, respectively. The increase in the effective tax rate for the Q3 2010 Period is primarily attributable to the accrual of interest on uncertain tax positions with state taxing authorities during the Q3 2009 Period. The decrease in the effective tax rate for the Fiscal 2010 Period is primarily attributable to a decrease in the effective tax rates in certain states during the Fiscal 2010 Period. The effective tax rates for all periods presented also reflect the impact of certain non-deductible expenses and income tax credits.

Net Income (Loss) Attributable to Controlling Interest

During the Q3 2010 Period, net income attributable to controlling interest totaled \$42.6 million, which represents an increase of \$44.4 million, from net loss attributable to controlling interest of \$(1.8) million in the Q3 2009 Period. Net income attributable to controlling interest for the

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

Fiscal 2010 Period was \$63.9 million, which represents an increase of \$3.9 million, from net income attributable to controlling interest of \$60.0 million during the Fiscal 2009 Period. The increase in net income attributable to controlling interest for the Q3 2010 Period was primarily attributable to an increase in operating income and the impact of the \$52.0 million (\$31.4 million after related tax effects) gain on sale of NCM, Inc. common stock recorded during the Q3 2010 Period, partially offset by incremental losses from the Company's equity investment in DCIP. The increase in net income attributable to

Table of Contents

controlling interest for the Fiscal 2010 Period was primarily attributable to the impact of the \$52.0 million (\$31.4 million after related tax effects) gain on sale of NCM, Inc. common stock, partially offset by a reduction in operating income, the Fiscal 2010 Period loss on debt extinguishment associated with the Amended Senior Credit Facility and certain repurchases of the 6¼% Convertible Senior Notes and incremental losses from the Company's equity investment in DCIP.

Cash Flows

The following table summarizes certain cash flow data for the Fiscal 2010 Period and the Fiscal 2009 Period (in millions):

	Fiscal 2010 Period		Fiscal 2009 Period	
Net cash provided by operating activities	\$	114.5	\$	220.0
Net cash used in investing activities		(56.4)		(88.4)
Net cash provided by (used in) financing activities		27.8		(109.5)
Net increase in cash and cash equivalents	\$	85.9	\$	22.1

Fiscal 2010 Period Compared to Fiscal 2009 Period

Net cash flows provided by operating activities decreased by approximately \$105.5 million, to \$114.5 million for the Fiscal 2010 Period, from approximately \$220.0 million for the Fiscal 2009 Period. The decrease in net cash flows generated from operating activities for the Fiscal 2010 Period was primarily attributable to a reduction in operating income, coupled with the timing of certain Fiscal 2010 Period vendor and income tax payments.

Net cash flows used in investing activities totaled approximately \$56.4 million for the Fiscal 2010 Period compared to cash flows used in investing activities of approximately \$88.4 million for the Fiscal 2009 Period. Contributing to the decrease in cash flows used in investing activities during the Fiscal 2010 Period was the impact of net proceeds totaling approximately \$66.0 million resulting from the sale of NCM, Inc. common stock, coupled with lower capital expenditures and higher proceeds from the disposition of assets during the Fiscal 2010 Period, partially offset by the \$55.0 million acquisition of eight AMC theatres and approximately \$29.8 million of cash contributions to DCIP during the Fiscal 2010 Period.

Net cash flows provided by financing activities were approximately \$27.8 million for the Fiscal 2010 Period compared to cash flows used in financing activities of approximately \$109.5 million for the Fiscal 2009 Period. The net increase in cash flows provided by financing activities during the Fiscal 2010 Period was primarily attributable to proceeds of \$275.0 million received in connection with the Fiscal 2010 Period issuance of the 91/8% Senior Notes, partially offset by \$97.9 million used to repurchase a portion of the 6¼% Convertible Senior Notes during the Fiscal 2010 Period, incremental payments (including a \$12.5 million debt discount) related to the Amended Senior Credit Facility and incremental debt acquisition costs and related to the Amended Senior Credit Facility and the 91/8% Senior Notes.

Liquidity and Capital Resources

On a consolidated basis, we expect our primary uses of cash to be for operating expenses, capital expenditures, investments, general corporate purposes related to corporate operations, debt service and the Company's quarterly dividend payments. The principal sources of liquidity are cash generated from operations, cash on hand and borrowings under the Amended Senior Credit Facility described below. Under the terms of the Amended Senior Credit Facility and the 85/8% Senior Notes issued during fiscal 2009, Regal Cinemas is restricted as to how much it can advance or distribute to Regal, its indirect parent. Since Regal is a holding company with no significant assets other than the stock of its subsidiaries, this restriction could impact Regal's ability to effect future debt or dividend payments, pay corporate expenses or redeem or convert for cash its 6¼% Convertible Senior Notes. In addition, as described further below, the Indenture under the 91/8% Senior Notes limits the Company's (and its restricted subsidiaries') ability to, among other things, incur additional indebtedness, pay dividends on or make other distributions in respect of its capital stock, purchase or redeem capital stock, make loans or advances to its

Table of Contents

subsidiaries (or the Company), or purchase, redeem or otherwise acquire or retire certain subordinated obligations.

Our revenues are generated principally through admissions and concessions sales with proceeds received in cash or via credit cards at the point of sale. Our operating expenses are primarily related to film and advertising costs, rent and occupancy, and payroll. Film costs are ordinarily paid to distributors within 30 days following receipt of admissions revenues and the cost of the Company's concessions are generally paid to vendors approximately 30 to 35 days from purchase. Our current liabilities generally include items that will become due within 12 months. In addition, from time to time, we use cash from operations and borrowings to fund dividends in excess of net income (loss) attributable to controlling interest and cash flows from operating activities less cash flows from investing and other financing activities. As a result, at any given time, our balance sheet may reflect a working capital deficit.

We fund the cost of capital expenditures through internally generated cash flows, cash on hand, proceeds from disposition of assets and financing activities. Our capital requirements have historically arisen principally in connection with acquisitions of theatres, new theatre construction, adding new screens to existing theatres, upgrading the Company's theatre facilities (including digital 3D and IMAX® screens) and replacing equipment.

We intend to continue to grow our theatre circuit through selective expansion and acquisition opportunities. The Company has a formal and intensive review procedure for the authorization of capital projects, with the most important financial measure of acceptability for a discretionary non-maintenance capital project being whether its projected discounted cash flow return on investment meets or exceeds the Company's internal rate of return targets. The credit crisis of late 2008 and early 2009 negatively impacted real estate development and has caused a temporary slowdown in our building program. As a result, we currently expect capital expenditures (net of proceeds from asset sales) for theatre development, replacement, expansion, upgrading and replacements to be below our historical levels and in the range of approximately \$60.0 million to \$75.0 million in fiscal year 2010, exclusive of acquisitions. Such capital expenditures are expected to be partially funded through asset dispositions conducted during the normal course of our business.

On March 10, 2010, DCIP executed definitive agreements and related financing transactions in connection with the conversion to digital projection. DCIP's financing raised \$660.0 million, consisting of \$445.0 million in senior bank debt, \$135.0 million in additional junior capital and approximately \$80.0 million in equity contributions (consisting of cash and existing digital projection systems) from us, AMC and Cinemark. Concurrent with closing, the Company entered into the Digital Cinema Agreements with Kasima, LLC, and made the DCIP Contributions. The Company recorded such DCIP Contributions as an increase in its investment in DCIP, which included the fair value of the 200 existing digital projection systems, as determined by an independent appraisal. In connection with the contribution of its 200 existing digital projection systems, the Company recorded a loss on the contribution of \$2.0 million based on the excess of the carrying value of the digital projection systems contributed over the \$12.6 million fair value (as determined by an independent appraisal) of such equipment. In addition, during May 2010, Regal sold an additional 337 digital projection systems to DCIP for aggregate proceeds of approximately \$20.0 million. In connection with this sale, the Company recorded a loss on disposal of approximately \$2.8 million. Such losses have been presented as a component of Net (gain) loss on disposal and impairment of operating assets in the accompanying unaudited condensed consolidated statement of income for the three quarters ended September 30, 2010.

After giving effect to the DCIP Contributions, the Company holds a 46.7% economic interest in DCIP as of September 30, 2010, while continuing to maintain a one-third voting interest along with each of AMC and Cinemark. Since the Company determined that it is not the primary beneficiary of DCIP or any of its subsidiaries, it will continue to account for its investment in DCIP under the equity method of accounting.

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

The costs of implementing digital projection in our theatres will be substantially funded by DCIP. We expect DCIP to fund the cost of conversion to digital projection principally through the collection of virtual print fees from motion picture studios and equipment lease payments from participating exhibitors, including us. We will bear operating and maintenance costs with respect to digital projection systems in our theatres, which we expect to be relatively comparable to what we currently spend on our conventional film projectors. In accordance with the Master Lease, the digital projection systems are leased from Kasima, LLC under a twelve-year term with ten one-year fair value renewal options. The Master Lease also contains a fair value purchase option. Under the Master Lease, the Company pays annual minimum rent of \$1,000 per digital projection system for the first six and half

Table of Contents

years from the effective date of the agreement and is, upon certain conditions, subject to minimum annual rent of \$3,000 per digital projection system beginning at six and half years from the effective date of the agreement through the end of the lease term. The Company is also subject to various types of other rent if such digital projection systems do not meet minimum performance requirements as outlined in the Master Lease. Certain of the other rent payments are subject to either a monthly or an annual maximum. The Company accounts for the Master Lease as an operating lease for accounting purposes. The initial financing is expected to cover the cost of conversion to digital projection for approximately 70% of our circuit's screens. We ultimately expect to outfit all of our screens with digital projection systems, with approximately 40% of our total screens being digital 3D capable and intend to complete the conversion of our entire circuit in approximately three to four years. As of September 30, 2010, we operated 1,648 screens outfitted with digital projection systems, 1,156 of which are digital 3D capable.

During the early stage of deployment, the Company is focusing on an accelerated deployment of 3D compatible digital projection systems to a majority of its first run U.S. theatres. We believe the installation of digital projection systems, when combined with 3D technology or IMAX® theatre systems, will allow us to offer our patrons premium 3D and large format movie experiences, which we believe will generate incremental revenue for the Company. We remain optimistic about the benefits of digital cinema primarily as it relates to future growth potential associated with 3D film product and other 3D content and are pleased to see continued support of 3D and IMAX® film product by the major motion picture studios.

On May 24, 2010 and June 24, 2010, the Company acquired eight theatres with 106 screens located in Illinois, Indiana and Colorado from an affiliate of AMC. Regal purchased five of these AMC theatres representing 63 screens for approximately \$55.0 million in cash, subject to post-closing adjustments, and acquired the other three AMC theatres representing 43 screens in exchange for two Regal theatres consisting of 26 screens. The results of operations of the eight acquired theatres have been included in the Company's consolidated financial statements for periods subsequent to the respective acquisition dates. See Note 2 Acquisition for further discussion of this transaction.

As described more fully in Note 3 Investments, on March 17, 2010, we received from National CineMedia approximately 0.3 million newly issued common units of National CineMedia in accordance with the annual adjustment provisions of the Common Unit Adjustment Agreement. On August 18, 2010, we redeemed 4.2 million of our National CineMedia common units for a like number of shares of NCM, Inc. common stock, which we sold in an underwritten public offering for \$16.00 per share, reducing our investment in National CineMedia by \$13.7 million, the average carrying amount of the shares sold. We received approximately \$64.5 million in proceeds after deducting related fees and expenses payable by us, resulting in a gain on sale of \$50.8 million. In addition, on September 8, 2010, we redeemed an additional 0.1 million National CineMedia common units for a like number of shares of NCM, Inc. common stock and sold them to the underwriters to cover over-allotments at \$16.00 per share, further reducing our investment in National CineMedia by \$0.3 million, the average carrying amount of the shares sold. We received approximately \$1.5 million of net proceeds from this sale, resulting in a gain on sale of \$1.2 million. The aggregate net proceeds will be used for general corporate purposes. These transactions, together with National CineMedia's issuance of 6.5 million common units to AMC in the second quarter of 2010 as a result of an acquisition, had the effect of decreasing the Company's ownership share in National CineMedia. As a result, on a fully diluted basis, we own a 19.4% interest in NCM, Inc. as of September 30, 2010.

On May 19, 2010, Regal Cinemas entered into the Amended Senior Credit Facility, with Credit Suisse and the lenders party thereto that amends, restates and refinances the Prior Senior Credit Facility among Regal Cinemas, Credit Suisse, Cayman Islands Branch, and the lenders party thereto. The Amended Senior Credit Facility consists of a Term Facility in an aggregate principal amount of \$1,250.0 million with a final maturity date in November 2016 and a Revolving Facility in an aggregate principal amount of \$85.0 million with a final maturity date in May 2015. The Term Facility amortizes in equal quarterly installments in an aggregate annual amount equal to 1.0% of the original principal amount of the Term Facility, with the balance payable on the Term Facility maturity date.

Net proceeds of the Term Facility (approximately \$1,237.5 million) were applied to refinance the term loan under the Prior Senior Credit Facility, which had an aggregate principal balance of approximately \$1,262.1 million.

Table of Contents

Upon the execution of the Amended Senior Credit Facility, Regal recognized a loss on debt extinguishment of approximately \$18.4 million. No amounts have been drawn on the Revolving Facility. The Amended Senior Credit Facility also permits Regal Cinemas to borrow additional term loans thereunder, subject to lenders providing additional commitments of up to \$200.0 million and satisfaction of other conditions, as well as other term loans for acquisitions and certain capital expenditures subject to lenders providing additional commitments and satisfaction of other conditions. The Amended Senior Credit Facility is secured by substantially all assets of Regal Cinemas and certain of its subsidiaries.

The Amended Senior Credit Facility includes several financial covenants including:

- maximum ratio of (i) the sum of funded debt (net of unencumbered cash) plus the product of eight (8) times lease expense to (ii) consolidated EBITDAR (as defined in the Amended Senior Credit Facility) of 6.00 to 1.0 throughout the term of the Amended Senior Credit Facility;
- maximum ratio of funded debt (net of unencumbered cash) to consolidated EBITDA of 4.00 to 1.0 throughout the term of the Amended Senior Credit Facility;
- minimum ratio of (i) consolidated EBITDAR to (ii) the sum of interest expense plus lease expense of 1.50 to 1.0 throughout the term of the Amended Senior Credit Facility; and
- maximum capital expenditures not to exceed 35% of consolidated EBITDA for the prior fiscal year plus a one-year carryforward for unused amounts from the prior fiscal year.

The Amended Senior Credit Facility requires that Regal Cinemas and its subsidiaries comply with certain customary covenants, including with respect to incurring indebtedness and liens, making investments and acquisitions, effecting mergers and asset sales, prepaying indebtedness, and paying dividends. Among other things, such limitations will restrict the ability of Regal Cinemas to fund the operations of Regal or any subsidiary of Regal that is not a subsidiary of Regal Cinemas, which guaranties the Amended Senior Credit Facility.

The Amended Senior Credit Facility includes events of default relating to customary matters, including, among other things, nonpayment of principal, interest or other amounts; violation of covenants; any material inaccuracy of representations and warranties; cross default and cross acceleration with respect to indebtedness in an aggregate principal amount of \$25.0 million or more; bankruptcy; judgments involving liability of \$25.0 million or more that are not paid; ERISA events; actual or asserted invalidity of guarantees or security documents; and change of control. For a detailed summary of other material terms of the Amended Senior Credit Facility, please refer to the information provided under Note 4 Debt Obligations.

On August 10, 2010, Regal Entertainment Group entered into an Underwriting Agreement with Credit Suisse Securities (USA) LLC, Barclays Capital Inc., Banc of America Securities LLC and Deutsche Bank Securities Inc., as the representatives of the underwriters, with respect to the 91/8% Senior Notes. On August 16, 2010, the Company issued the 91/8% Senior Notes under the Indenture with Wells Fargo Bank, National

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

Association, as trustee. The net proceeds from the offering, after deducting offering expenses paid by the Company, were approximately \$269.5 million. The net proceeds will be used to repay outstanding indebtedness under the 6¼% Convertible Senior Notes, the Senior Subordinated Notes and for general corporate purposes. During the quarter ended September 30, 2010, the Company used a portion of the net proceeds from the offering to repurchase a portion of the 6¼% Convertible Senior Notes as described below.

The 91/8% Senior Notes bear interest at a rate of 9.125% per year, payable semiannually in arrears in cash on February 15 and August 15 of each year. The 91/8% Senior Notes mature on August 15, 2018. The 91/8% Senior Notes are the Company's senior unsecured obligations. They rank on parity with all of the Company's existing and future senior unsecured indebtedness and prior to all of the Company's subordinated indebtedness. The 91/8% Senior Notes are effectively subordinated to all of the Company's future secured indebtedness to the extent of the assets securing that indebtedness and to any indebtedness and other liabilities of the Company's subsidiaries. None of the Company's subsidiaries initially guarantee any of the Company's obligations with respect to the 91/8% Senior Notes.

Table of Contents

Prior to August 15, 2014, the Company may redeem all or any part of the 9 1/8% Senior Notes at its option at 100% of the principal amount plus a make-whole premium. The Company may redeem the 9 1/8% Senior Notes in whole or in part at any time on or after August 15, 2014 at the redemption prices specified in the Indenture. In addition, prior to August 15, 2013, the Company may redeem up to 35% of the original aggregate principal amount of the 9 1/8% Senior Notes from the net proceeds of certain equity offerings at the redemption price specified in the Indenture.

If the Company undergoes a change of control (as defined in the Indenture), holders may require the Company to repurchase all or a portion of their 9 1/8% Senior Notes at a price equal to 101% of the principal amount of the 9 1/8% Senior Notes being repurchased, plus accrued and unpaid interest, if any, to the repurchase date.

The Indenture contains covenants that limit the Company's (and its restricted subsidiaries') ability to, among other things: (i) incur additional indebtedness; (ii) pay dividends on or make other distributions in respect of its capital stock, purchase or redeem capital stock, or purchase, redeem or otherwise acquire or retire certain subordinated obligations; (iii) enter into certain transactions with affiliates; (iv) permit, directly or indirectly, it to create, incur, or suffer to exist any lien, except in certain circumstances; (v) create or permit encumbrances or restrictions on its ability to pay dividends or make distributions on its capital stock, make loans or advances to its subsidiaries (or the Company), or transfer any properties or assets to its subsidiaries (or the Company); and (vi) merge or consolidate with other companies or transfer all or substantially all of its assets. These covenants are, however, subject to a number of important limitations and exceptions. The Indenture contains other customary terms, including, but not limited to, events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding 9 1/8% Senior Notes to be due and payable immediately.

Subsequent to the issuance of the 9 1/8% Senior Notes, during August and September 2010, we used a portion of the net proceeds from the offering to repurchase a total of approximately \$95.3 million principal amount of the 6 1/4% Convertible Senior Notes, in a series of privately negotiated transactions. As a result of the repurchases, the Company recorded a \$4.2 million loss on debt extinguishment during the quarter ended September 30, 2010.

As of September 30, 2010, we had approximately \$1,232.1 million aggregate principal amount outstanding (net of debt discount) under the Term Facility, \$275.0 million aggregate principal amount outstanding under the 9 1/8% Senior Notes, \$391.5 million aggregate principal amount outstanding (net of debt discount) under the 8 5/8% Senior Notes, \$103.6 million aggregate principal amount outstanding (net of debt discount) under the 6 1/4% Convertible Senior Notes, and \$51.5 million aggregate principal amount outstanding under the Senior Subordinated Notes. As of September 30, 2010, we had approximately \$2.7 million outstanding in letters of credit, leaving approximately \$82.3 million available for drawing under the Revolving Facility.

During the Fiscal 2010 Period, Regal paid three quarterly cash dividends of \$0.18 per share on each outstanding share of the Company's Class A and Class B common stock, or approximately \$83.3 million in the aggregate. Further, on October 28, 2010, the Company declared a cash dividend of \$0.18 per share on each share of the Company's Class A and Class B common stock (including outstanding restricted stock), payable on December 17, 2010, to stockholders of record on December 8, 2010. These dividends have been or will be funded through cash flow from operations and available cash on hand. We, at the discretion of the board of directors and subject to applicable law, anticipate paying regular quarterly dividends on our Class A and Class B common stock for the foreseeable future. The amount, if any, of the dividends to be paid in the future will depend upon our then available cash, anticipated cash needs, overall financial condition, loan agreement restrictions, future prospects for earnings and cash flows, as well as other relevant factors.

EBITDA

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

Earnings before interest, taxes, depreciation, and amortization (EBITDA) was approximately \$158.2 million and \$88.7 million for the Q3 2010 Period and the Q3 2009 Period, respectively. EBITDA was approximately \$377.2 million and \$366.4 million for the Fiscal 2010 Period and the Fiscal 2009 Period, respectively. The increase in EBITDA for the Q3 2010 Period was primarily attributable to an increase in operating income and the impact of the \$52.0 million gain on sale of NCM, Inc. common stock recorded during the Q3 2010 Period. The increase

Table of Contents

EBITDA during the Fiscal 2010 Period was primarily attributable to the impact of the \$52.0 million gain on sale of NCM, Inc. common stock, partially offset by a reduction in operating income, the Fiscal 2010 Period loss on debt extinguishment associated with the Amended Senior Credit Facility and certain repurchases of the 6¼% Convertible Senior Notes and incremental losses from the Company's equity investment in DCIP. The Company uses EBITDA as a supplemental liquidity measure because we find it useful to understand and evaluate our capacity, excluding the impact of interest, taxes, and non-cash depreciation and amortization charges, for servicing our debt, paying dividends and otherwise meeting our cash needs, prior to our consideration of the impacts of other potential sources and uses of cash, such as working capital items. We believe that EBITDA is useful to investors for these purposes as well. EBITDA should not be considered an alternative to, or more meaningful than, net cash provided by operating activities, as determined in accordance with U.S. generally accepted accounting principles (GAAP), since it omits the impact of interest, taxes and changes in working capital that use or provide cash (such as receivables, payables and inventories) as well as the sources or uses of cash associated with changes in other balance sheet items (such as long-term loss accruals and deferred items). Because EBITDA excludes depreciation and amortization, EBITDA does not reflect any cash requirements for the replacement of the assets being depreciated and amortized, which assets will often have to be replaced in the future. Further, EBITDA, because it also does not reflect the impact of debt service, income taxes, cash dividends, capital expenditures and other cash commitments from time to time as described in more detail elsewhere in this Form 10-Q, does not represent how much discretionary cash we have available for other purposes. Nonetheless, EBITDA is a key measure expected by and useful to our fixed income investors, rating agencies and the banking community all of whom believe, and we concur, that these measures are critical to the capital markets' analysis of our ability to service debt, fund capital expenditures, pay dividends and otherwise meet cash needs, respectively. We also evaluate EBITDA because it is clear that movements in these non-GAAP measures impact our ability to attract financing and pay dividends. EBITDA, as calculated, may not be comparable to similarly titled measures reported by other companies. A reconciliation of EBITDA to net cash provided by (used in) operating activities is calculated as follows (in millions):

	Q3 2010 Period	Q3 2009 Period	Fiscal 2010 Period	Fiscal 2009 Period

Contractual Cash Obligations and Commitments

The Company has assumed long-term contractual obligations and commitments in the normal course of business, primarily debt obligations and non-cancelable operating leases. Other than the operating leases that are detailed below, the Company does not utilize variable interest entities or any other form of off-balance sheet financing. As of September 30, 2010, the Company's estimated contractual cash obligations and commercial commitments over the next several periods are as follows (in millions):

	Payments Due By Period				
	Total	Current	13 - 36 months	37 - 60 months	After 60 months
Contractual Cash Obligations:

(1) These amounts are included on our unaudited condensed consolidated balance sheet as of September 30, 2010. Our Amended Senior Credit Facility provides for mandatory prepayments under certain scenarios. See Note 4 Debt Obligations.

(2) Future interest payments on the Company's unhedged debt obligations (consisting of approximately \$243.8 million of variable interest rate borrowings under the Term Facility, \$275.0 million outstanding under the 9 1/2% Senior Notes, \$400.0 million outstanding under the 8 5/8% Senior Notes, \$104.7 million outstanding under the 6 1/4% Convertible Senior Notes, approximately \$51.5 million due under the Senior Subordinated Notes and approximately \$12.5 million of other debt obligations) are based on the stated fixed rate or in the case of the \$243.8 million of variable interest rate borrowings under the Term Facility, the current interest rate as of September 30, 2010 (3.79%). Future interest payments on the Company's hedged indebtedness as of September 30, 2010 (the remaining \$1,000.0 million of borrowings under the Term Facility) are based on (1) the applicable margin (as defined in Note 4 Debt Obligations) as of September 30, 2010 (3.50%) and (2) the expected fixed interest payments under the Company's interest rate swap agreements, which are described in further detail under Note 5 to the 2009 Audited Consolidated Financial Statements.

(3) The present value of these obligations, excluding interest, is included on our unaudited condensed consolidated balance sheet as of September 30, 2010. Future interest payments are calculated based on interest rates implicit in the underlying leases, which have a weighted average interest rate of 11.22%, maturing in various installments through 2021. Refer to Note 5 to the 2009 Audited Consolidated Financial Statements for additional information about our capital lease obligations and lease financing arrangements.

(4) Includes estimated capital expenditures to which we were committed as of September 30, 2010, including improvements associated with existing theatres, the construction of new theatres and the estimated cost of ADA related betterments.

(5) We enter into operating leases in the ordinary course of business. Such lease agreements provide us with the option to renew the leases at defined or then fair value rental rates for various periods. Our future operating lease obligations would change if we exercised these renewal options or if we enter into additional operating lease agreements. Our operating lease obligations are further described in Note 6 to the 2009 Audited Consolidated Financial Statements.

(6) These amounts are included on our unaudited condensed consolidated balance sheet as of September 30, 2010 and represent liabilities associated with unrecognized tax benefits. The table does not include approximately \$26.6 million of recorded liabilities associated with unrecognized tax benefits for which we do not believe that the amount and timing of the payments are reasonably estimable.

(7) In addition, as of September 30, 2010, Regal Cinemas had approximately \$82.3 million available for drawing under the \$85.0 million Revolving Facility. Regal Cinemas also maintains a sublimit within the Revolving Facility of \$10.0 million for short-term loans and \$30.0 million for letters of credit.

We believe that the amount of cash and cash equivalents on hand, cash flow expected from operations and availability under our Revolving Facility will be adequate for the Company to execute its business strategy and meet anticipated requirements for lease obligations, capital expenditures, working capital and debt service for the next 12 months.

Critical Accounting Estimates

For a discussion of accounting policies that we consider critical to our business operations and the understanding of our results of operations and affect the more significant judgments and estimates used in the preparation of our unaudited condensed consolidated financial statements, please refer to Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations - Critical Accounting Estimates - contained in our annual report on Form 10-K for the fiscal year ended December 31, 2009 and incorporated by

reference herein. As of September 30, 2010, there were no significant changes in our critical accounting policies or estimation procedures.

Recent Accounting Pronouncements

For a discussion of the recent accounting pronouncements relevant to our operations, please refer to the information provided under Note 10 Recent Accounting Pronouncements of our notes to the accompanying unaudited condensed consolidated financial statements included in Part I, Item 1 (Financial Statements) of this Form 10-Q, which information is incorporated by reference herein.

Seasonality

The Company's revenues are usually seasonal, coinciding with the timing of releases of motion pictures by the major distributors. Generally, studios release the most marketable motion pictures during the summer and the holiday seasons. The unexpected emergence of a hit film during other periods can alter the traditional pattern. The timing of movie releases can have a significant effect on the Company's results of operations, and the results of one quarter are not necessarily indicative of the results for the next or any other quarter. The seasonality of motion picture exhibition, however, has become less pronounced as studios are releasing motion pictures somewhat more evenly throughout the year.

Item 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The Company is exposed to various market risks including interest rate risk and equity price risk. The Company's interest rate risk is confined to interest rate exposure of its and its wholly owned subsidiaries' debt obligations that bear interest based on floating rates. The Amended Senior Credit Facility provides variable rate interest that could be adversely affected by an increase in interest rates. Borrowings under the Term Facility bear interest, at Regal Cinemas' option, at either a base rate or an adjusted LIBOR rate or the base rate plus, in each case, an applicable margin.

Under the terms of the Company's effective interest rate swap agreements (which hedge an aggregate of approximately \$1,000.0 million of variable rate debt obligations as of September 30, 2010) described in Note 4 Debt Obligations, Regal Cinemas pays interest at various fixed rates ranging from 2.15% to 2.53% and receives interest at a variable rate based on the 3-month LIBOR.

As of September 30, 2010 and December 31, 2009, borrowings of \$1,232.1 million (net of debt discount) and \$1,265.4 million, respectively, were outstanding under the Term Facility at an effective interest rate of 5.42% (as of September 30, 2010) and 5.38% (as of December 31, 2009), after the impact of the interest rate swaps is taken into account. A hypothetical change of 10% in the Company's effective interest rate under the Term Facility as of September 30, 2010, would increase or decrease interest expense by \$1.7 million for the quarter ended September 30, 2010.

Edgar Filing: REGAL ENTERTAINMENT GROUP - Form 10-Q

In addition, the Company is exposed to equity price risk associated with stock options vested and held in RealD, Inc. as described further in Note 11 Fair Value of Financial Instruments. Such stock options are accounted for as available for sale securities with recurring fair value adjustments recorded as a component of accumulated other comprehensive loss/income (net of related tax effects).

Item 4. CONTROLS AND PROCEDURES

We maintain disclosure controls and procedures that are designed to ensure that information required to be disclosed by us in the reports that we file or submit to the Commission under the Exchange Act, is recorded, processed, summarized and reported within the time periods specified by the Commission's rules and forms, and that information is accumulated and communicated to our management, including our principal executive, principal

financial and principal accounting officers (whom we refer to in this periodic report as our Certifying Officers), as appropriate to allow timely decisions regarding required disclosure. Our management evaluated, with the participation of our Certifying Officers, the effectiveness of our disclosure controls and procedures as of September 30, 2010, pursuant to Rule 13a-15(b) under the Exchange Act. Based upon that evaluation, our Certifying Officers concluded that, as of September 30, 2010, our disclosure controls and procedures were effective.

There were no changes in our internal control over financial reporting that occurred during our most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II OTHER INFORMATION

Item 1. LEGAL PROCEEDINGS

Information required to be furnished by us under this Part II, Item 1 (Legal Proceedings) is incorporated by reference to Note 7 Commitments and Contingencies of our notes to the accompanying unaudited condensed consolidated financial statements included in Part I, Item 1 (Financial Statements) of this quarterly report on Form 10-Q.

Item 1A. RISK FACTORS

There have been no material changes from risk factors as previously disclosed in our annual report on Form 10-K filed on March 1, 2010 with the Commission (File No. 001-31315) for the fiscal year ended December 31, 2009.
