Additional Changes to the Preliminary Prospectus Supplement

The aggregate principal amount of notes to be issued in the offering increased from \$150.0 million to \$200.0 million. The net proceeds received from the increased amount of \$50.0 million will be used to increase the amount of cash to the balance sheet to be used for general corporate purposes, which may include funding our drilling and development program and other capital expenditures as set forth under "Use of Proceeds" in the Prospectus Supplement.

Use of Proceeds

We estimate that our net proceeds from the sale of the notes offered hereby will be approximately \$204.6 million after deducting estimated expenses and underwriting discounts and commissions.

Capitalization

The "As Adjusted" column is amended to show (in thousands), Cash and cash equivalents of \$183,469, Total long-term debt of \$500,000 and Total capitalization of \$1,128,482.
