These risks include, but are not limited to those risks and uncertainties associated with our business described from time to time in our filings with the Securities and Exchange Commission, including our Annual Report on Form 10-K filed on February 27, 2015, the ability to extend the income tax agreement, the expected amount of the income tax provisions for the second quarter of 2015 and the expected use of a portion of the proceeds from the new loan. Although we believe the expectations reflected in such forward-looking statements are based upon reasonable assumptions, we can give no assurance that the expectations will be attained or that any deviation will not be material. All information in this Current Report is as of the date of this Current Report, and we undertake no obligation to update any forward-looking statement to conform the statement to actual results or changes in our expectations.

Item 2.02. Results of Operations and Financial Condition.

As of June 30, 2015, DiamondRock Hospitality Company (the Company) had not received the extension of the income tax agreement with the U.S. Virgin Islands (USVI) related to the TRS that owns Frenchman s Reef. The previous agreement, which expired in February 2015, reduced the income tax rate to approximately 7%. As a result, the TRS that owns Frenchman s Reef continues to be subject to the enacted statutory rate of 37.4%. The extension delay is expected to increase the Company s second quarter income tax provision by approximately \$2.0 million. The Company continues to diligently work to extend this agreement, which, if extended, would be retroactively applied back to the date of expiration, but it may not be successful. If the agreement is not extended, the TRS that owns Frenchman s Reef will continue to be subject to the enacted statutory rate, which as of June 30, 2015 was 37.4%.

The information in this Item 2.02 of this Current Report is being furnished and shall not be deemed filed for any purpose, including for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that Section. The information in this Current Report on Form 8-K shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act regardless of any general incorporation language in such filing.

Item 8.01. Other Information

The Company recently closed on a \$65 million loan secured by a mortgage on the JW Marriott Denver at Cherry Creek. The loan has a term of 10 years and bears interest at a fixed rate of 4.33%. Principal payments are based on a 30 year amortization schedule after a one-year interest only period, and the loan will mature in 2025. The Company used a portion of the proceeds to fully repay the approximately \$38.1 million outstanding on the previous mortgage loan. The remaining proceeds are expected to address near term debt maturities.
