Fourth-Quarter 2016 RPC Guidance

The company currently expects average revenue per contract (RPC) by product category for the fourth quarter of 2016 to be in line with the amounts noted below for the two-months ended November 30, 2016. These expectations are estimated, preliminary and may change. There can be no assurance that our final RPC for the three-months December 31, 2016 will not differ materially from these expectations.
