Item 1.01. Entry into a Material Definitive Agreement.

On November 19, 2018, Consumers Energy Company (Consumers) amended and restated its secured \$250,000,000 Revolving Credit Agreement (the Agreement) with The Bank of Nova Scotia, as Agent. Obligations under the Agreement continue to be secured by first mortgage bonds of Consumers issued pursuant to the 126th Supplemental Indenture dated as of November 23, 2015 to the Indenture dated as of September 1, 1945, between Consumers and The Bank of New York Mellon, Trustee.

The Agreement currently expires on November 19, 2020, and amends and restates a revolving credit agreement dated November 23, 2015 that has substantially similar terms and was set to expire in 2019. Additionally, the Agreement has added a sustainability-linked pricing metric which permits an interest rate reduction by meeting targets related to environmental sustainability, specifically renewable energy generation. Any drawings under the Agreement will be used for general corporate purposes, refinancing debt and working capital.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by the provisions of the Agreement, which is attached hereto as Exhibit 10.1 and incorporated by reference herein.

Item 1.02. Termination of a Material Definitive Agreement.

The information set forth in response to Item 1.01 of this Form 8-K is incorporated by reference in response to this Item 1.02.
