**IMPORTANT INFORMATION -- PLEASE READ**

The IHC Stock Ownership Plan (the Stock Ownership Plan) referenced in the attached communication provides for the issuance of shares of common stock of Independence Holding Company (IHC) under IHC's 2006 Stock Incentive Plan (the 2006 Plan). The issuance of any shares under the 2006 Plan, including the shares issuable in connection with the Stock Ownership Plan, is subject to the approval of the IHC stockholders. IHC has submitted the 2006 Plan for approval at IHC's Annual Meeting of Stockholders, scheduled for June 15, 2006. If stockholder approval is not received, the 2006 Plan and the Stock Ownership Plan will be null and void.

IHC (the issuer) has filed a registration statement (including a prospectus) with the Securities and Exchange Commission (SEC) for the offering of certain shares under the 2006 Plan, including those issuable in connection with the Stock Ownership Plan. Before you make a decision to participate in the Stock Ownership Plan, you should read the prospectus in that registration statement and other documents the issuer has filed with the SEC for more complete information about the issuer and this offering. You may get these documents for free by visiting EDGAR on the SEC's website at [www.sec.gov](http://www.sec.gov). Alternatively, the issuer will arrange to send you the prospectus if you request it by calling Independence Holding Company at (203) 358-8000, or you may obtain it by visiting the issuer's website at [www.independenceholding.com](http://www.independenceholding.com) and selecting the SEC Filings option under the Investors drop-down menu.

The IHC Stock Ownership Plan, which gives you an ownership stake in IHC (*see reverse side*), is the cornerstone of our commitment to you our valued partner. You will earn IHC stock simply by selling the health plans of IHC-affiliated companies. Sell more, earn more up to 600 shares during the initial six-month qualification period. Don't miss out on this tremendous, wealth-building opportunity!

**Cross-Selling** Begin to utilize IHC affiliated-companies for nearly all your health insurance needs short-term medical, individual, small group, limited medical and dental. All plans are supported by state-of-the art enrollment and servicing capabilities. Put our resources to work for you and reap the rewards! As an added incentive for selling some of the best products in the industry, you may be eligible for a 100-share bonus in the IHC Stock Ownership Plan when you cross-sell three or more IHC affiliated-company product lines.
