PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 24, 2004

INTRODUCTION

This Proxy Statement is being furnished to stockholders of Argan, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on Thursday, June 24, 2004, at 11:00 a.m., local time, at the offices of Allen & Company Incorporated located at 711 Fifth Avenue, 9th Floor, New York, New York 10022, and any adjournment or postponement thereof (the "Meeting").

At the Meeting, stockholders will be asked to consider and vote upon two proposals: (1) the election of seven directors to serve until the 2005 Annual Meeting (the "Election of Directors"); and (2) the ratification of the selection of the Company's independent auditors (the "Ratification of Auditors").

This Proxy Statement is dated May 20, 2004 and is first being mailed to stockholders along with the related form of proxy on or about May 26, 2004.

If a proxy in the accompanying form is properly executed and returned to the Company in time for the Meeting and is not revoked prior to the time it is exercised, the shares represented by the proxy will be voted in accordance with the directions specified therein for the matters listed on the proxy card. Unless the proxy specifies that it is to be voted against or is an abstention on a listed matter, proxies will be voted FOR the Election of Directors and FOR the Ratification of Auditors and otherwise in the discretion of the proxy holders as

Edgar Filing: ARGAN INC - Form DEF 14A

to any other matter that may come before the Meeting.

REVOCABILITY OF PROXY

Any stockholder of the Company who has given a proxy has the power to revoke such proxy at any time before it is voted either (i) by filing a written revocation or a duly executed proxy bearing a later date with H. Haywood Miller III, Corporate Secretary of the Company, at Argan, Inc., One Church Street, Suite 302, Rockville, Maryland 20850, or (ii) by appearing at the Meeting and voting in person. Attendance at the Meeting will not in and of itself constitute the revocation of a proxy. Voting by those present during the Meeting will be by ballot.

RECORD DATE, OUTSTANDING SECURITIES AND VOTES REQUIRED

The Board of Directors of the Company has fixed the close of business on May 6, 2004 as the record date (the "Record Date") for determining holders of outstanding shares of Common Stock, \$.15 par value per share (the "Common Stock"), who are entitled to notice of and to vote at the Meeting. As of the

1

Record Date, there were approximately 269 stockholders of record and 1,802,813 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote on each of the proposals to be voted upon.

Abstentions and broker non-votes are counted for purposes of determining the number of shares represented at the Meeting, but are deemed not to have voted on the proposals. Broker non-votes occur when a broker nominee, holding shares in street name for the beneficial owner thereof, has not received voting instructions from the beneficial owner and does not have discretionary authority to vote. The Election of Directors requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and voting. The Ratification of Auditors also requires the affirmative vote of a majority of the shares of Common Stock, present in person or represented by proxy and voting. Accordingly, abstentions, broker non-votes or the failure to either return a proxy or to attend the meeting will be deemed not to have voted on the Election of Directors and the Ratification of Auditors.

The officers and directors of the Company will vote the shares of Common Stock beneficially owned or controlled by them (representing approximately 36.8% of the shares of Common Stock issued and outstanding) in favor of the Election of Directors and the Ratification of Auditors.

PROPOSAL NUMBER ONE

ELECTION OF DIRECTORS

The directors of the Company are elected annually and hold office until the next annual meeting of stockholders and until their successors have been elected and shall have been qualified. Vacancies and newly-created directorships resulting from any increase in the number of authorized directors may be filled by a majority vote of the directors then in office.

At the meeting, stockholders of the Company are being asked to elect seven directors. Each of the nominees is currently a member of the Company's Board of Directors.

Unless a stockholder withholds authority, the holders of proxies representing shares of Common Stock will vote FOR the election of each of the

Edgar Filing: ARGAN INC - Form DEF 14A

nominees listed below. The Board of Directors has no reason to believe that the nominees will decline or be unable to serve as Directors of the Company. Based solely upon a review of copies of Section 16(a) reports and representations received by the Company from Reporting Persons, and without conducting any independent investigations of its own, the Company believes that no Reporting Person failed to timely file Forms 3, 4 or 5 with the Commission during the fiscal year ended January 31, 2004, other than Dr. Pugmire, and Messrs. DESCRIPTION OF THE 2001 STOCK OPTION PLAN

In August 2001, the Board of Directors adopted and the stockholders of the Company approved the 2001 Stock Option Plan. As adopted in 2001, the Plan authorized the issuance of options to purchase a maximum of 33,333 shares of Common Stock. In April 2003, the Board of Directors adopted and the stockholders of the Company approved an amendment to the 2001 Stock Option Plan increasing the total number of shares of Common Stock reserved for issuance under the Plan to 250,000. The maximum number of shares may be adjusted in certain events, such as a stock split, reorganization or recapitalization. Officers, directors and employees of the Company or its subsidiaries are eligible to receive non-qualified stock options under the Plan. Employees (including officers and directors who are employees) of the Company or its subsidiaries are eligible to receive incentive stock options under the Plan. In the event incentive stock options are granted, the aggregate fair market value of the Common Stock issuable under such options for each optionee during any calendar year cannot exceed \$100,000. To the extent that an incentive stock option exceeds the \$100,000 threshold, the excess will be treated as a non-qualified stock option.

The Company receives no monetary consideration for the grant of options under the 2001 Stock Option Plan. In the case of an incentive stock option, the exercise price cannot be less than the fair market value (as defined in the Plan) of the Common Stock on the date the option is granted. If the optionee is a stockholder who beneficially owns 10% or more of the outstanding Common Stock, the exercise price of incentive stock options may not be less than 110% of the fair market value of the Common Stock. The term of an option cannot exceed ten years; provided, however, that the term of options granted to owners of 10% or more of the outstanding shares of Common Stock cannot exceed five years.

The 2001 Stock Option Plan will terminate automatically and no options may be granted after July 19, 2011 (the "Termination Date"); provided,

Edgar Filing: ARGAN INC - Form DEF 14A

however, that Plan may be terminated by the Board of Directors at any time prior to the Termination Date. Termination of the Plan will not affect options that were previously granted.

Pursuant to the terms of the 2001 Stock Option Plan, the vesting with respect to all issued and outstanding options to purchase Common Stock of the Company may accelerate and become fully exercisable upon a change in control of the Company.

As of January 31, 2004, there were 48,000 options granted under the 2001 Stock Option Plan.

EMPLOYMENT AND SEVERANCE AGREEMENTS

On March 1, 1993, the Company entered into an employment agreement with Mr. Figoff pursuant to which Mr. Figoff agreed to serve as the Executive Vice President of the Company for a term of five years at an annual base salary of \$95,000. Effective February 14, 1994, Mr. Figoff's annual base salary was increased to \$104,500. Mr. Figoff was appointed President of the Company in February 1995, and was appointed President and Chief Executive Officer in May 1995. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviews the Company's compensation plan on a regular basis. The Compensation Committee regularly updates its assessment of various long-term incentive tools including stock options, restricted stock, performance-based equity and other alternatives that might be available.

The Company's primary objective in developing executive compensation policies is to attract, motivate and retain highly qualified and effective leaders. The compensation policy includes various components of compensation that are intended to align management behaviors and priorities directly with the Company's strategic objectives and to encourage management to act in the best long-term interest of the Company and its shareholders. The Company's executive officer compensation policy generally consists of three elements: base compensation, annual cash bonus and long-term incentive compensation.

CASH COMPENSATION

Annual cash compensation consists of two elements: base salary and annual cash bonus. Each officer is offered a base salary that is commensurate for the role that he or she is performing. In setting compensation, the Compensation Committee strives to maintain base compensation for the Company's executive officers at levels which the Compensation Committee, based on its experience, believes are competitive with the compensation of comparable executive officers in similarly situated companies.

Increases in base salary are based on a periodic review and evaluation of the performance of the operation or function for which the executive has responsibility, and is measured against defined performance

Edgar Filing: ARGAN INC - Form DEF 14A

criteria. The executive is also reviewed according to his or her competence as an effective leader in the Company, which includes an evaluation of the skills and experience required for the job, coupled with a comparison of these elements with similar elements for other executives both within and outside of the Company.

Executive officers are eligible to participate in a bonus plan. The Compensation Committee determines awards under the bonus plan. The Compensation Committee considers input of the Chief Executive Officer with respect to the bonus to be awarded to the other executive officers. The executive officers, as well as other key employees, may receive bonuses based upon meeting the performance objectives of the Company and their contributions to the Company.

The compensation paid by the Company to its Chief Executive Officer for fiscal 2004 was based upon an agreement negotiated with Mr. Bosselmann. The Compensation Committee believes, based upon the individual experience of its members, that the compensation package for Mr. Bosselmann for fiscal 2004 was reasonable based upon Mr. Bosselmann's experience, his level of responsibility and the contributions made and expected to be made by him to the Company.

12

LONG-TERM INCENTIVE COMPENSATION

Each of the executive officers and all employees are eligible to receive awards under the 2001 Stock Option Plan. The 2001 Stock Option Plan will be used to align a portion of the officers' compensation with the shareholders' interest and the long-term success of the Company by encouraging the executive officers and other employees to remain with the Company, and by enabling optionees to develop and maintain a significant, long-term stock ownership position in the Company's Common Stock. The value realizable from exercisable options is dependent upon the extent to which the Company's performance is reflected in the market price of the Company's Common Stock at any particular point in time.

In determining the number of options to be granted to each executive officer, the Compensation Committee considers input of the Chief Executive Officer with respect to the executive officers, other than the Chief Executive Officer. These determinations are based upon compensation surveys conducted during fiscal 2001 of executive officers and certain key employees in comparable companies.

The members of the Compensation Committee have submitted this report.

PROPOSAL NUMBER TWO

RATIFICATION OF INDEPENDENT ACCOUNTANTS

The persons named in the enclosed proxy will vote to ratify the selection of Ernst & Young LLP as the Company's independent public accounting firm for the fiscal year ending January 31, 2005 unless otherwise directed by the stockholders.

CHANGE IN ACCOUNTANTS FOLLOWING PRIVATE PLACEMENT

Rose, Snyder & Jacobs, a corporation of Certified Public Accountants ("RS&J"), audited the Company's financial statements for its fiscal years ended January 31, 2003 and January 31, 2002. The Company dismissed RS&J as the Company's principal accountants in May 2003. The decision to dismiss RS&J was approved by the Audit Committee of the Company on May 19, 2003, and RS&J was notified of the decision on May 20, 2003. The Company found no fault with the services rendered by RS&J to the Company. Rather, the Company believes that RS&J

Edgar Filing: ARGAN INC - Form DEF 14A

is not equipped to audit the newly-established national operations of the Company.

During the Company's two most recently completed fiscal years, there were no disagreements with RS&J on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of RS&J, would have caused it to make references to the subject matter of the disagreement in connection with its report. RS&J's reports on the Company's financial statements for the past two years did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's two most recently completed fiscal years and the subsequent interim period preceding the decision to change principal accountants, there were no reportable events as defined in Regulation S-K Item 304(a)(1)(v).

On May 19, 2003, Ernst & Young LLP was engaged as the Company's new principal accountants. During the Company's two most recent fiscal years and the subsequent interim period prior to engaging Ernst & Young, neither the Company nor anyone on its behalf consulted with Ernst & Young regarding the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company by Ernst & Young that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue.

Representatives of Ernst & Young are expected to be present at the meeting.

20

FEES PAID TO ACCOUNTANTS

The following table shows the fees for professional services provided by Ernst & Young and RS&J for the fiscal years ended January 31, 2004 and January 31, 2003.

Edgar Filing: ARGAN INC - Form DEF 14A

the 2005 Annual Meeting, any proposal by a record holder of Common Stock must be received by the Company at its principal offices in Rockville, Maryland on or before January 26, 2005. A proponent of such a proposal must comply with the proxy rules under the Securities Exchange Act of 1934, as amended.

All costs and expenses associated with soliciting proxies will be borne by the Company. In addition to the use of the mails, proxies may be solicited by the directors, officers and employees of the Company by personal interview, telephone, telegram, facsimile or electronic mail. Directors, officers and employees will not be additionally compensated for such solicitation but may be reimbursed for their out-of-pocket expenses. Arrangements will also be made with custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of Common Stock and the Company will reimburse custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses incurred in connection therewith.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors is not aware of any other business or matters to be presented for consideration at the Meeting other than as set forth in the Notice of Meeting attached to this Proxy

ANNUAL REPORT ON FORM 10-KSB

The Company will provide without charge to each beneficial holder of its Common Stock on the Record Date, upon the written request of any such person, copies of the Company's Annual Report on Form 10-KSB for the fiscal year ended January 31, 2004, as filed with the Commission.
