Altamonte Springs, FL 32714
(407) 389-3232

We are an emerging global provider of advanced communications services utilizing Voice over Internet Protocol (“VoIP”) technology. Internet Protocol telephony is the real time transmission of voice communications in the form of digitized “packets” of information over the Internet or a private network, similar to the way in which e-mail and other data is transmitted. VoIP services allow consumers and businesses to communicate at reduced costs compared to legacy telephony networks. For more information on the Company, see our 2005 Annual Report on Form 10-KSB, as amended, which accompanies this Proxy Statement.

INFORMATION ABOUT THE ANNUAL MEETING

March 16, 2007, 10:00 a.m. Eastern Standard Time

WHERE WILL THE ANNUAL MEETING BE HELD?

The meeting will be held at the Holiday Inn 230 W. State Road 436, Altamonte, Springs, Florida 32714.

Edgar Filing: VOIP INC - Form DEF 14A

At the annual meeting and any adjournment or adjournments of the annual meeting, our shareholders will be asked to consider and vote upon the following matters:

1. To approve the election of Anthony Cataldo, Gary Post, Stuart Kosh and Nicholas A. Iannuzzi, Jr. to the board of directors of the Company to serve for 2007 and until their successors are elected and qualified;
2. To approve the VoIP, Inc. 2006 Equity Incentive Plan;

4. To approve the Amended and Restated Articles of Incorporation of the Company to increase the number of authorized shares of common stock that the Company is authorized to issue to 400,000,000 shares of common stock (which approval does not extend to the approval of any issuance of any shares of common stock); and

5. To consider and act on a proposal to approve the selection of Berkovits, Lago & Company, LLP as the Company's independent auditors for 2006; and

6. To transact such other business as may properly come before the annual meeting and any adjournment or adjournments of the meeting.

The proxies will not be used to vote to adjourn the meeting in order to continue to solicit votes to approve the matters to be voted on.

WHO CAN VOTE?

Only holders of record of our common stock at the close of business on January 16, 2007 will be entitled to notice of and to vote at the annual meeting and any adjournments of the annual meeting. You are entitled to one vote for each share of common stock held on that date. On January 16, 2007, there were 99,943,034 shares of our common stock outstanding and entitled to vote.

YOUR BOARD OF DIRECTORS HAS APPROVED EACH OF THE PROPOSALS SET FORTH HEREIN.

HOW DO I VOTE BY PROXY?

You may vote your shares by mail by marking, signing and dating the enclosed proxy card as promptly as possible and returning it in the enclosed postage-paid envelope. Proxies should not be sent by the stockholder to the Company, but to Securities Transfer Corporation, P.O. Box 701629, Dallas, Texas 75370. A pre-addressed, postage-paid envelope is provided for this purpose.

For each item of business, you may vote "FOR" or "AGAINST" or you may "ABSTAIN" from voting.

If you return your signed proxy card but do not specify how you want to vote your shares, we will vote them:

- "FOR" the election of the four directors to serve for 2007 and until their successors are elected and qualified;
- "FOR" the approval of the Company's 2006 Equity Incentive Plan;
- "FOR" the approval of the Amended and Restated Articles of Incorporation of the Company to authorize 25,000,000 shares of preferred stock (which approval does not extend to the approval of any issuances of shares of preferred stock);
- "FOR" the approval of the Amended and Restated Articles of Incorporation of the Company to increase the number of shares of common stock that the Company is authorized to issue to 400,000,000 shares of common stock (which approval does not extend to the approval of any issuances of shares of common or preferred stock); and
- "FOR" the approval of the selection of Berkovits, Lago & Company, LLP as the Company's independent auditors for 2006.

If any matters other than those set forth above are properly brought before the annual meeting, the individuals named in your proxy card may vote your shares in accordance with their best judgment.

HOW DO I CHANGE OR REVOKE MY PROXY?

You can change or revoke your proxy at any time before it is voted at the special meeting by:

1. Submitting another proxy by mail with a more recent date than that of the proxy first given;
2. Sending written notice of revocation to VoIP, Inc. 151 So. Wymore Road, Suite 3000, Alamonte Spring, Florida 32714: Attention Robert Staats; or
3. Attending the annual meeting and voting in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

2

WHAT CONSTITUTES A "QUORUM" FOR THE SPECIAL MEETING?

The holders of a majority of the issued and outstanding shares of the Company's common stock entitled to vote at the annual meeting present or represented by proxy, constitutes a quorum. A quorum is necessary to conduct business at the annual meeting. You will be considered part of the quorum if you have voted by proxy. Abstentions, broker non-votes and votes withheld from director nominees count as "shares present" at the annual meeting for purposes of determining a quorum. However, abstentions, withholding of a vote and broker non-votes do not count in the voting results. A broker non-vote occurs when a broker or other nominee who holds shares for another does not vote on a particular item because the broker or nominee does not have discretionary authority for that item and has not received instructions from the owner of the shares.

HOW MANY VOTES ARE REQUIRED?

On January 16, 2007, the record date for determination of shareholders entitled to vote at the annual meeting, there were outstanding and entitled to vote 99,943,034 shares of our common stock. The holders of a majority of our common stock issued and outstanding and entitled to vote at the annual meeting will constitute a quorum for the transaction of business at the annual meeting. Common stock represented in person or by proxy, including abstentions and broker non-votes with respect to one or more of the matters presented for shareholder approval, will be counted for purposes of determining whether a quorum exists at the annual meeting. When we refer to "broker non-votes," we mean common stock held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote the common stock as to a particular matter.

- The election of Anthony Cataldo, Gary Post, Stuart Kosh, and Nicholas A. Iannuzzi, Jr to the board of directors for 2007 will require an affirmative vote of the majority of the votes cast in person or by proxy, provided that a quorum is present at the annual meeting. Therefore, an abstention or withholding of a vote will not be counted for the purpose of determining whether the requisite vote has been obtained and will have no effect on the outcome of the vote.
- The adoption of the 2006 Equity Incentive Plan will require an affirmative vote of the majority of the votes cast in person or by proxy, provided that a quorum is present at the annual meeting. Therefore, an abstention or withholding of a vote will not be counted for the purpose of determining whether the requisite vote has been obtained and will have no effect on the outcome of the vote.
- The proposal to approve the selection of Berkovits, Lago & Company, LLP as the Company's independent auditors for 2006 will require the majority of the votes cast in person or by proxy, provided that a quorum is present at the annual meeting. Therefore, an abstention or withholding of a vote will not be counted for the purpose of determining whether the requisite vote has been obtained and will have no effect on the outcome of the vote.
- The proposal to approve the Amended and Restated Articles of Incorporation to authorize 25,000,000 shares of preferred stock (which approval does not extend to the approval of any issuances of shares of preferred stock) and the proposal to approve the Amended and Restated Articles of Incorporation to increase the number of authorized shares of the Company's common stock to 400,000,000 shares (which approval does not extend to the approval of any issuance of shares of common stock) require the affirmative vote of at least a majority of the Company's outstanding shares of Common Stock. Therefore, any abstentions, "broker non-votes" (shares held by brokers or nominees as to which they have no discretionary authority to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote thereon), or other limited proxies will have the effect of a vote against the proposals to approve the Amended and Restated Articles of Incorporation.

Broker non-votes with respect to a particular matter will not be counted as votes in favor of that matter and will not be counted as votes cast on that matter. Accordingly, broker non-votes will have no effect on the matters specified in the notice of meeting.

DISSENTER'S RIGHT OF APPRAISAL.

No action will be taken in connection with the proposal described in this Proxy Statement for which Texas law, our Articles of Incorporation or Bylaws provide a right of a shareholder to dissent and obtain appraisal of or payment for such shareholder's shares.

3

HOUSEHOLDING OF PROXY MATERIALS.

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” Proxy Statements and annual reports. This means that only one copy of this Proxy Statement or our annual report may have been sent to multiple shareholders in your household. We will promptly deliver a separate copy of either document to you if you call or write us at the following address or phone number: VoIP, Inc., 151 So. Wymore Rd., Suite 3000, Altamonte Springs, FL 32714, phone: (407) 389-3232, Attention: Robert Staats. If you want to receive separate copies of our annual report and Proxy Statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and phone number.

SHAREHOLDER PROPOSALS FOR THE ANNUAL MEETING IN 2008.

Written notice of proposals of shareholders submitted outside the processes of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), for consideration at our annual meeting of shareholders in 2008 must be received by us within a reasonable time before the Company begins to print and mail the Proxy Statement in order to be considered timely for purposes of Rule 14a-8 under the Exchange Act. The persons designated in our proxy card will be granted discretionary authority with respect to any shareholder proposal with respect to which we do not receive timely notice. Shareholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act for inclusion in our proxy materials for our annual meeting of shareholders in 2008 must be received by our corporate secretary at our principal offices by December 31, 2007.

OTHER MATTERS.

Our board of directors knows of no other business which will be presented for consideration at the annual meeting other than those matters described above. However, if any other business should come before the annual meeting, it is the intention of the person named in the enclosed proxy card to vote, or otherwise act, in accordance with his best judgment on such matters.

WHO PAYS FOR THE SOLICITATION OF PROXIES?

We will bear the costs of soliciting proxies. In addition to solicitations by mail, our directors, officers and employees may, without additional remuneration, solicit proxies by telephone, facsimile and personal interviews. We will reimburse these persons for their reasonable expenses in connection with any of these solicitations. In addition, we will request brokerage houses, custodians, nominees and fiduciaries to forward copies of the proxy materials to those persons for whom they hold shares and request instructions for voting the proxies, and we will reimburse brokerage houses and other persons for their reasonable expenses in connection with this distribution.

**PROPOSAL NO. ONE:
APPROVAL OF THE ELECTION OF DIRECTORS**

(ITEM ONE ON THE PROXY CARD)

Our board of directors presently consists of three directors. After the annual meeting, we expect that our board of directors will consist of four directors elected annually for a one year term. The persons named in the enclosed proxy will vote to elect as directors Mr. Anthony Cataldo, Mr. Gary Post, Mr. Stuart Kosh and Mr. Nicholas A. Iannuzzi, Jr., unless the proxy is marked otherwise. The directors will be elected at the upcoming annual meeting and will serve until the annual meeting of shareholders to be held in fiscal year 2008 and until their respective successors have been elected and qualified.

Each of the nominees has indicated his willingness to serve if elected. However, if any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee. Our board of directors has no reason to believe that any nominee will be unable to serve if elected.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSAL TO ELECT ALL OF THE NOMINEES TO THE BOARD OF DIRECTORS.

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS' MATTERS

Board of Directors and Committee Meetings; Committees of the Board

During the fiscal year ended December 31, 2004 and through October 2005, Mr. Steven Ivester was the sole director of the Company; consequently, formal board and committee meetings were not held during that time. One formal meeting of the board of directors was held in December 2005. During the fiscal year ending December 31, 2006, there were six board meetings.

Because Mr. Ivester was the only director of the Company, he performed the functions of the audit committee. Mr. Ivester was not an "audit committee financial expert," as defined by the SEC. Upon identification of the requisite number of suitable candidates, the Company plans to establish an audit committee of independent directors. During the fiscal years ended December 31, 2004 and 2005, the Company did not have a standing compensation or nominating committee. Existing board of directors members participate in the selection of director nominees, with the general objective of achieving a balance of experience, knowledge, integrity and capability on the board. A nominating committee is not considered necessary due to the small size of the company and of our board.

Upon election of the nominees for director, the Company plans to establish a compensation committee consisting of two or more independent directors. The compensation committee will operate pursuant to a written charter. Upon the election of the nominees for director, the Company plans to establish an audit committee consisting of two or more independent directors. The audit committee will operate pursuant to a written charter.

We do not presently have a policy with respect to attendance by the directors at the annual meetings of shareholders.

Procedures for Director Nominations

Neither our Articles of Incorporation nor our Bylaws contain any procedures whereby shareholders may recommend nominees for director. We do not pay and do not anticipate paying any fees to third parties for identifying or evaluating candidates for director.

Communications with Directors

Our board of directors does not provide a formal process by which shareholders may send communications to the board of directors. The Company does not at this time anticipate instituting such a process. However, shareholders may communicate with us or request information at any time by contacting Robert Staats, Chief Accounting Officer, at (407) 389-3232.

Compensation of Directors

In connection with their service on our board of directors, each non-employee director elected by the shareholders will receive 300,000 shares of our common stock per year. Also, each non-employee director receives \$2,500 per board meeting or board committee meeting attended either by telephone or personally.

Code of Ethics

At the board of directors meeting following the annual meeting, it is anticipated that we will adopt a Code of Business Conduct and Ethics, within the meaning of Item 406(b) of Regulation S-K that applies to the Company's directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. Upon adoption, a complete copy of the proposed Code of Ethics will be posted at our website at www.voipincorporated.com under "Investor Info." Any amendments to, or waivers of, the Code of Ethics will be promptly disclosed on our website.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial Ownership

The following table sets forth information as of February 5, 2007, except as otherwise noted, with respect to the beneficial ownership of our common stock and is based on 99,943,034 shares of common stock issued and outstanding as of February 5, 2007:

- Each person known by the Company to own beneficially more than five percent of our outstanding common stock;
- Each director and prospective director of the Company;
- The Company's Chief Executive Officer and each person who serves as an executive officer of the Company; and

The number of shares beneficially owned by each shareholder is determined under rules promulgated by the SEC. The information is not necessarily indicative of beneficial ownership for any other purpose. Under these rules, beneficial ownership includes any shares as to which the individual has sole or shared voting power or investment power and any shares as to which the individual has the right to acquire beneficial ownership within 60 days, except as otherwise noted, through the exercise or conversion of any stock option, warrant, preferred stock or other right. The inclusion in the following table of those shares, however, does not constitute an admission that the named shareholder is a direct or indirect beneficial owner of those shares. Unless otherwise indicated, to our knowledge based upon information produced by the persons and entities named in the table, each person or entity named in the table has sole voting power and investment power, or shares voting and/or investment power with his or her spouse, with respect to all shares of capital stock listed as owned by that person or entity.

These agreements provided for, among other things, the award of 10,000,000 stock options each to Messrs. Cataldo and Lewis upon sufficient underlying shares of common stock being authorized and available. The options were to be exercisable to purchase 10,000,000 shares of the Company's common stock each for Messrs. Cataldo and Lewis at an exercise price of \$0.01 per share for a period of five (5) years. The options were to contain a cashless exercise provision and cost free piggyback registration rights with respect to the common stock underlying the options. Messrs. Cataldo and Lewis were also to receive sufficient additional options under the same terms to assure that they have the right to exercise options to maintain a minimum of 5% and 8% beneficial ownership, respectively, of the Company's issued and outstanding common stock.

A number of the Company's current financing agreements contain "favored nations" provisions that require convertible debt conversion prices and stock warrant exercise prices to be repriced (reduced) in the event that, among other things, options are granted at exercise prices less than the Company's quoted common stock market price at grant date. However, these favored nations repricing provisions are not triggered upon issuing employee stock grants. Accordingly, in lieu of the stock options to be granted to Messrs. Cataldo and Lewis, the Board of Directors on January 24, 2007 resolved to issue stock grants for 10,000,000 common shares each, subject to sufficient increased shares of common stock being authorized and available for issuance, which will require shareholder approval. The stock grants are to have the same 5% and 8% anti-dilution provisions and piggyback registration rights as the options were to have.

Accordingly, these shares are not included with the shares, if any, reported as beneficially owned herein.

- (6) Consists of (a) 300,000 shares of common stock; and (b) warrants to purchase 3,000,000 shares of common stock.
- (7) Consists of warrants to purchase 125,000 shares of common stock and currently exercisable options to purchase 150,000 shares of common stock.
- (8) Represents the combined beneficial ownership as of February 5, 2007, of the executive officers and the Company's three directors (a total of five persons).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of our common stock to file with the SEC reports of their ownership and changes in ownership of our securities. Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on a review of the copies of such reports and written representations that no other reports were required, we believe that all filing requirements applicable to our officers, directors and greater than 10% shareholders were satisfied during the years ended December 31, 2005, except as noted below:

Seventeen (17) Forms 4 required under Section 16(a) were filed late by Mr. Steven Ivester, and Mr. Ivester noted in reports filed by him that he had realized certain “short swing profits,” all of which have been repaid to the Company. Two Forms 4 were filed late by Mr. Bill Burbank; one Form 4 was filed late by Mr. David Sasnett; and one Form 4 was filed late by Mr. John Todd. In addition, Forms 3 were filed late by each of Mr. Gary Post, Mr. David Ahn, Mr. Robert Staats, Mr. Bill Burbank, Mr. David Sasnett, and WQN, Inc.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The objectives of our compensation program are as follows:

- reward performance that drives substantial increases in shareholder value, as evidenced through both future operating profits and increased market price of our common shares; and
- attract, hire and retain well qualified executives given our competitive industry, startup nature, and risk profile.

The compensation level of our Chief Executive Officer (“CEO”) and our Chief Operating Officer (“COO”) in general is higher than other Company executives, and reflects the CEO’s and COO’s unique position and incentive to positively affect our future operating performance and shareholder value. Our CEO’s and COO’s compensation is heavily weighted toward equity compensation, primarily through stock grants, to provide a relatively strong personal economic incentive for these executives to increase the market price of our common shares. Specific salary and bonus levels, as well as the amount and timing of equity incentive grants, are determined informally and judgmentally, on an individual-case basis, taking into consideration each executive’s unique talents and experience as they relate to the needs of the Company. Specific Company performance measures as they may relate to the timing and amount of executive compensation have not yet been developed. Executive compensation is primarily paid or granted pursuant to each executive’s formal compensation agreement, but relatively small discretionary cash compensation is awarded at times on an individual-case basis. Compensation adjustments are made occasionally based on changes in an executive’s level of responsibility or on changed local and specific executive employment market conditions.

Our current employment agreements with our CEO, COO and Chief Accounting Officer (“CAO”) contain provisions for lump sum payments in the event their employment is involuntarily terminated without defined cause. In addition, our

CEO's employment agreement contains a provision for a lump sum payment in the event his employment is voluntarily terminated for good cause, as defined. For our CEO and COO, these lump sum payments would equal any earned but unpaid salary and bonus, unearned and unpaid bonus to the end of the contract term, plus the greater of unearned and unpaid salary to the end on the contract term or six months of salary. For our CAO, this lump sum payment would equal \$75,000.

While our executives are involved in negotiating their own employment agreements, such agreements are approved by our board of directors.

As previously disclosed, on September 14, 2006, VoIP, Inc. ("the Company") entered into employment agreements with Anthony J. Cataldo, the Company's Chairman and Chief Executive Officer, and Shawn Lewis, the Company's Chief Operating and Technology Officer. These agreements provided for, among other things, the award of 10,000,000 stock options each to Messrs. Cataldo and Lewis upon sufficient underlying shares of common stock being authorized and available. The options were to be exercisable to purchase 10,000,000 shares of the Company's common stock each for Messrs. Cataldo and Lewis at an exercise price of \$0.01 per share for a period of five (5) years. The options were to contain a cashless exercise provision and cost free piggyback registration rights with respect to the common stock underlying the options. Messrs. Cataldo and Lewis were also to receive sufficient additional options under the same terms to assure that they have the right to exercise options to maintain a minimum of 5% and 8% beneficial ownership, respectively, of the Company's issued and outstanding common stock.

A number of the Company's current financing agreements contain "favored nations" provisions that require convertible debt conversion prices and stock warrant exercise prices to be repriced (reduced) in the event that, among other things, options are granted at exercise prices less than the Company's quoted common stock market price at grant date. However, these favored nations repricing provisions are not triggered upon issuing employee stock grants. Accordingly, in lieu of the stock options to be granted to Messrs. Cataldo and Lewis, the Board of Directors on January 24, 2007 resolved to issue stock grants for 10,000,000 common shares each, subject to sufficient increased shares of common stock being authorized and available for issuance, which will require shareholder approval. The stock grants are to have the same 5% and 8% anti-dilution provisions and piggyback registration rights as the options were to have.

The following table sets forth information with respect to the compensation for the year ended December 31, 2006 of our principal executive officers and principal financial officers during 2006, and each person who served as an executive officer of our Company as of December 31, 2006.

⁽¹⁾ On December 12, 2006 non-employee directors were each awarded 300,000 of the Company's common shares, subject to sufficient authorized shares being approved by shareholders, as annual board member compensation. The fair value of the stock awards was based on the Company's closing common stock price of \$0.35 per share on the grant date.

The Company's current Stock Option Plan (the "2004 Option Plan") provides for the grant to eligible employees and directors of options for the purchase of common stock. The 2004 Option Plan covers, in the aggregate, a maximum of 4,000,000 shares of common stock and provides for the granting of both incentive stock options (as defined in Section 422 of the Internal Revenue Code of 1986) and nonqualified stock options (options which do not meet the requirements of Section 422). Under the 2004 Option Plan, the exercise price may not be less than the fair market value of the common stock on the date of the grant of the option.

The board of directors administers and interprets the 2004 Option Plan and is authorized to grant options thereunder to all eligible employees of the Company, including officers. The board of directors designates the optionees, the number of shares subject to the options and the terms and conditions of each option. Each option granted under the 2004 Option Plan must be exercised, if at all, during a period established in the grant which may not exceed 10 years from the later of the date of grant or the date first exercisable. An optionee may not transfer or assign any option granted and may not exercise any options after a specified period subsequent to the termination of the optionee's employment with the Company.

The board of directors is proposing a new equity incentive plan. See PROPOSAL NO. TWO.

Employment, Change of Control and Severance Arrangements

In September 2006, we entered into an employment agreement with Mr. Cataldo, our Chairman and Chief Executive Officer. The Agreement is for a term of three (3) years and provides for, among other things: (i) annual base compensation to Mr. Cataldo of \$250,000, (ii) a monthly vehicle allowance of \$1,500, and (iii) a quarterly bonus of \$15,000. The agreement also provided for the award of 10,000,000 stock options to Mr. Cataldo upon sufficient underlying shares of common stock being authorized and available. The options were to be exercisable to purchase 10,000,000 shares of the Company's common stock at an exercise price of \$0.01 per share for a period of five (5) years. The options were to contain a cashless exercise provision and cost free piggyback registration rights with respect to the common stock underlying the options. Mr. Cataldo was also to receive sufficient additional options under the same terms to assure that he has the right to exercise options to maintain a minimum of 5% beneficial ownership of the Company's issued and outstanding common stock. A number of the Company's current financing agreements contain "favored nations" provisions that require convertible debt conversion prices and stock warrant exercise prices to be repriced (reduced) in the event that, among other things, options are granted at exercise prices

less than the Company's quoted common stock market price at grant date. However, these favored nations repricing provisions are not triggered upon issuing employee stock grants. Accordingly, in lieu of the stock options to be granted to Mr. Cataldo, the Board of Directors on January 24, 2007 resolved to issue stock grants for 10,000,000 common shares, subject to sufficient increased shares of common stock being authorized and available for issuance, which will require shareholder approval. The stock grants are to have the same 5% anti-dilution provision and piggyback registration rights as the options were to have.

In May 2006, we entered into an employment agreement with Mr. Lewis, the Company's Chief Technology Officer. This agreement was modified in July 2006 to add the title Chief Operating Officer, and the initial term was extended to December 31, 2007 (unless terminated earlier pursuant to its terms). Mr. Lewis receives an annual salary of \$200,000, a monthly car allowance of \$1,500, and is eligible to participate in the Company's various benefit plans that are available to other executive officers of the Company. Mr. Lewis is also eligible to receive performance-based stock options under the Company's stock option plan, based on the Company's profitability and other measures as determined by the board of directors and Mr. Lewis. Mr. Lewis will be entitled to receive severance payments if his employment is terminated in certain circumstances, including in connection with a change of control of the Company. The employment agreement contains customary confidentiality and non-competition covenants. In September 2006, we entered into an amended employment agreement with Mr. Lewis, whereby the term of Mr. Lewis' agreement was extended for a period of three (3) years from the effective date of the Amended Agreement, and provided for an increase in annual base compensation from \$200,000 to \$250,000. The agreement also provided for the award of 10,000,000 stock options to Mr. Lewis upon sufficient underlying shares of common stock being authorized and available. The options were to be exercisable to purchase 10,000,000 shares of the Company's common stock at an exercise price of \$0.01 per share for a period of five (5) years. The options were to contain a cashless exercise provision and cost free piggyback registration rights with respect to the common stock underlying the options. Mr. Lewis was also to receive sufficient additional options under the same terms to assure that he has the right to exercise options to maintain a minimum of 8% beneficial ownership of the Company's issued and outstanding common stock. A number of the Company's current financing agreements contain "favored nations" provisions that require convertible debt conversion prices and stock warrant exercise prices to be repriced (reduced) in the event that, among other things, options are granted at exercise prices less than the Company's quoted common stock market price at grant date. However, these favored nations repricing provisions are not triggered upon issuing employee stock grants. Accordingly, in lieu of the stock options to be granted to Mr. Lewis, the Board of Directors on January 24, 2007 resolved to issue stock grants for 10,000,000 common shares, subject to sufficient increased shares of common stock being authorized and available for issuance, which will require shareholder approval. The stock grants are to have the same 8% anti-dilution provision and piggyback registration rights as the options were to have.

Upon execution of the agreement, Mr. Post was issued 300,000 shares of restricted common stock, warrants to purchase 1,500,000 shares of the Company's common stock at a purchase price of \$1.00 per share, and non-qualified stock options to purchase 1,500,000 shares at \$1.00 per share. On December 12, 2006 these options and warrants were converted to warrants to purchase 3,000,000 of the Company's common shares at \$0.475 per share, exercisable until December 2016.

Mr. Staats receives a salary of \$11,667 per month through December 31, 2006, increasing to \$12,917 per month on January 1, 2007. Upon execution of the agreement, Mr. Staats was issued options to purchase 100,000 shares of the Company's common stock at a purchase price equal to \$1.02 per share, and 150,000 warrants issued ratably over the six months following execution of the agreement at prices equal to the closing price of the common stock at the end of each such month. Mr. Staats will also be able to receive option grants on a yearly basis, as determined by the board of directors. Mr. Staats is eligible to participate in the Company's various benefit plans that are available to other executive officers of the Company.

In May 2006, we entered into an employment agreement with David Ahn who became our Vice President - Corporate Planning. Mr. Ahn's employment with us was terminated in September 2006. The employment agreement was for a

term of three years (unless terminated earlier pursuant to its terms). The employment agreement also provided that Mr. Ahn would receive a salary of \$8,500 per month through December 31, 2006, increasing to \$10,000 per month beginning January 1, 2007. Upon execution of the agreement, Mr. Ahn was issued warrants to purchase 500,000 shares of the Company's common stock and options to purchase 500,000 shares of the Company's common stock at a purchase price equal to \$1.00 per share. On December 12, 2006 these options and warrants were converted to warrants to purchase 500,000 of the Company's common shares at \$0.475 per share, exercisable until December 2016.

Steven Ivester resigned from his position as our Chief Executive Officer on October 18, 2005 and on that date entered into a three-year consulting agreement with our Company, whereby Mr. Ivester provided general business strategy, financing and product development advice. This agreement provided for the payment of fees and a car allowance totaling \$230,000 annually. This agreement was terminated in September 2006. Upon execution of the agreement, Mr. Adler was issued 500,000 shares of restricted common stock and warrants to purchase 500,000 shares of common stock, at a price of \$1.50 per share. In addition, Mr. Adler was granted non-qualified stock options to purchase 500,000 shares of common stock at an exercise price of \$1.56.

On October 18, 2005, we entered into an employment agreement with Mr. Sasnett, who became our Chief Financial Officer and served in this capacity until May 2006. This agreement, which has since been terminated, was for a term of three years (unless terminated earlier pursuant to its terms). The agreement provided that Mr. Sasnett was to receive a salary of \$10,416.66 per month through December 31, 2005, and would receive a salary of \$12,083.33 per month during the year ending December 31, 2006, \$13,750 per month during the year ending December 31, 2007 and \$15,416.67 per month during the year ending December 31, 2008, provided the agreement is in effect. Upon execution of the agreement, Mr. Sasnett was granted non-qualified stock options to purchase 300,000 shares of common stock, at an exercise price of \$1.53 per share. Mr. Sasnett was issued warrants to purchase 300,000 shares of common stock, at an exercise price of \$1.53 per share and was granted additional warrants to purchase an aggregate of 150,000 shares of common stock, at a price of \$1.53 per share, in six monthly increments beginning in November 2005.

On October 18, 2005, we entered into an employment agreement with Mr. Burbank, pursuant to which he served as our Chief Operating Officer. Mr. Burbank resigned as our Chief Operating Officer in January 2006. This agreement was for a term of three years (unless terminated earlier pursuant to its terms) and provided for a salary of \$12,500.00 per month through December 31, 2005, and \$15,000.00 per month thereafter. Upon execution of the agreement, Mr. Burbank was issued 500,000 shares of restricted common stock and issued warrants to purchase 500,000 shares of common stock at a purchase price of \$1.50.

On November 22, 2005, we entered into an employment agreement with Mr. Bibee, who became our President. Mr. Bibee resigned as our President in May 2006. This agreement was for a term of three years (unless terminated earlier pursuant to its terms). Mr. Bibee received a salary of \$13,750.00 per month through December 31, 2005 and received an annual salary of \$180,000 thereafter. Upon execution of the agreement, Mr. Bibee was granted non-qualified stock options to purchase 500,000 shares of common stock at an exercise price of \$1.56 and was issued warrants to purchase 1,000,000 shares of the Company's common stock, at a price of \$1.50 per share. Mr. Bibee will be entitled to receive severance payments if his employment is terminated in certain circumstances.

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS

In October 2005, the Company purchased all of the assets of WQN, Inc. Mr. Adler, our former chairman and chief executive officer, was the Chief Executive Officer of WQN, Inc. and owns approximately 37% of WQN's outstanding common stock. In connection with the transaction, the Company, through an acquisition subsidiary, purchased the assets for a purchase price consisting of (1) a note in the principal amount of \$3,700,000 (the "Note"), (2) 1,250,000 shares of the Company's restricted common stock and (3) a warrant to purchase 5,000,000 shares of the Company's common stock at an exercise price of \$ 0.001 per share (the "Warrant"). The Note accrues interest at the rate of 6% per annum. In addition, the Company issued WQN, Inc. an additional 500,000 shares of restricted common stock relating to the difference between the amount of accounts receivable transferred in the transaction and the accounts payable. The Note is convertible into common stock or preferred stock (at such time that a series of preferred stock is established). If a series of preferred stock is established, the Note will automatically convert into preferred stock. However, the Note is convertible, at the option of WQN, Inc., into common stock. The Warrant was exercised for common stock. Pursuant to the asset purchase agreement between the Company and WQN, the Company is required to hold a meeting of its shareholders in order to authorize a class of preferred stock that can be used to satisfy the conversion features of the Note.

As of December 31, 2004 the Company owed a shareholder \$560,000 under a note payable bearing interest at 3.75% and maturing December 31, 2005. The Company owed Steven Ivester \$1,000,000 as of December 31, 2005 under a note payable bearing interest at 3.75% and maturing December 31, 2005. The loan to Mr. Ivester was repaid by the Company in January 2006.

The Company and Mr. Ivester entered into a consulting agreement on October 18, 2005, which the Company terminated in September 2006. Pursuant to the consulting agreement, Mr. Ivester provided general business strategy, financing and product development advice. Mr. Ivester received \$200,000 per year for his services under the consulting agreement, as well as a \$2,500 per month vehicle allowance. Mr. Ivester was eligible to receive bonuses and participate in the Company's stock option plan, as determined by the board of directors.

Please see "Employment, Change of Control and Severance Arrangements" above for a discussion of arrangements and or employment agreements with our current and former executive officers.

Promoters

On February 27, 2004, the Company issued and sold 12,500,000 shares of common stock to Steven Ivester in exchange for cash of \$12,500 and his agreement to contribute the intellectual property rights and related assets of two

start-up companies formed to engage in the telecommunications industry. The shares issued represented approximately 88% of the shares outstanding after the exchange, as a result of which Mr. Ivester became the controlling shareholder of the Company. However, as of October 23, 2006, Mr. Ivester currently beneficially owns less than five percent of the Company's issued and outstanding shares of common stock.

On May 25, 2004 (but effective for all purposes as of April 15, 2004), the Company completed the acquisition of two Florida-based subsidiaries, eGlobalphone, Inc. and VoIP Solutions, Inc., both Florida corporations.

On August 4, 2004, the Company issued warrants to purchase 2,200,000 shares of common stock for an exercise price of \$1.00 per share to each of John Todd and Clive Raines. Mr. Todd's warrants were exchanged for \$40,000 and 250,000 shares in a net cashless exercise in February 2005, and Mr. Raines' warrants were exchanged for 1,000,000 shares of common stock on September 16, 2005.

Messrs. Ivester, Todd and Raines may be considered to be “promoters” of the Company, although Messrs. Ivester, Todd and Raines are no longer associated with the Company.

STOCK PERFORMANCE GRAPH

The following graph shows a comparison from December 31, 2003 through December 31, 2005 of cumulative total return for common stock, the Hemscott Index, and the Hemscott Group Index. Such returns are based on historical results and are not intended to suggest future performance data. Data for the Hemscott Index and the Hemscott Group Index assume the reinvestment of dividends. We have never paid dividends on our common stock, and have no present plans to do so.

**PROPOSAL NO. TWO:
TO APPROVE THE COMPANY'S
2006 EQUITY INCENTIVE PLAN
(ITEM TWO ON THE PROXY CARD)**

General

On December 7, 2005, our board of directors approved, subject to shareholder approval, the Company's 2006 Equity Incentive Plan (the "2006 Plan"). The 2006 Plan provides that key employees, consultants and non-employee directors of the Company or an affiliate ("eligible participants") may be granted: (1) options to acquire shares of the Company's common stock, (2) shares of restricted common stock (3) stock appreciation rights, (4) performance-based awards, (5) "Dividend Equivalents," and (6) other stock-based awards (collectively, "Awards"). The 2006 Plan will permit eligible participants to acquire a proprietary interest in the growth and performance of the Company. The purposes of the 2006 Plan are to (1) increase the incentive of its participants to contribute to the Company's success and prosperity, thus enhancing shareholder value, and (2) provide the Company with a proven means to attract and retain exceptionally qualified individuals upon whom, in large measure, the sustained progress, growth and profitability of the Company depend.

The Company is seeking shareholder approval for the future issuance of options under the 2006 Plan to allow its participants to acquire up to 10,000,000 shares of the Company's common stock.

The 2006 Plan is included in this Proxy Statement as Appendix A, and reference is made to Appendix A for a full description of the terms of the 2006 Plan.

Description of the 2006 Plan

The following summary describes the principal provisions of the 2006 Plan. The summary does not purport to be complete and is qualified in its entirety by the full text of the 2006 Plan attached as Appendix A to this Proxy Statement.

The total number of shares of common stock that may be subject to Awards under the 2006 Plan will not exceed 10,000,000 shares (subject to customary adjustments as provided in the 2006 Plan). Such number of shares is subject to adjustment by the committee, which the Board will establish, if the Plan is approved by the Company's stockholders, to administer the 2006 Plan (the "Committee"), in the event of a recapitalization, stock split, stock dividend or similar corporate transaction. Such shares may be either authorized or unissued shares or shares held in treasury.

The 2006 Plan is generally designed to meet the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), in order to preserve the Company's ability to take compensation expense deductions in connection with the exercise of options granted and the vesting of performance-based restricted stock under the 2006 Plan in certain circumstances. Under Code Section 162(m), a publicly held corporation is not permitted to take a federal income tax deduction for compensation recognized by certain executive officers in any year in excess of \$1,000,000 unless such compensation meets the shareholder approval and other requirements of Code Section 162(m).

The 2006 Plan is administered by the Committee, which must be comprised of not less than two individuals appointed by the board of directors, each of whom is (1) to the extent required by Rule 16b-3 and the Exchange Act, a "non-employee director," and (2) to the extent required by Code Section 162(m), an "outside director." We anticipate that two of the prospective directors will constitute the Committee, which may make such rules and regulations and establish such procedures for the administration of the 2006 Plan as it deems advisable.

The Committee may grant Awards under the 2006 Plan to eligible participants. The Company estimates that there are currently approximately 60 employees and service providers who are eligible participants. The Committee has the discretion, in accordance with the provisions of the 2006 Plan, to determine the terms of the Award, to whom an Award is granted and the number of shares of stock subject to the Award, subject to a maximum grant to an eligible participant in any year of 200,000 option shares and 200,000 shares of restricted stock that are intended to be “performance based” compensation under Code Section 162(m) (subject to customary adjustments as provided in the 2006 Plan), with any unused portion of the limitation available to be carried forward.

Stock Options

An option granted under the 2006 Plan may be an incentive stock option (an “ISO”) or may be a non-qualified stock option (a “Non-ISO”), as determined at the time of grant. In certain circumstances, the grant of Non-ISOs, as opposed to ISOs, can result in federal income tax advantages to the Company, as described below.

The exercise price for options may not be less than the fair market value of the stock on the date of the grant of the options. The 2006 Plan provides that optionees may pay the exercise price (1) in cash; (2) by delivery to the Company of shares of the Company's common stock owned by the participant; (3) with other securities; (4) with other Awards; (5) with other property; or (6) in any combination of the above, in each case on such other terms and conditions as may be acceptable to the Committee (which may include payment in installments or on a deferred basis).

An option granted under the 2006 Plan may not be exercised later than the date specified by the Committee, which will be a maximum of ten years from the date of the grant.

Restricted Stock

The Committee may award "restricted" shares of the Company's common stock and restricted stock units, which are grants of common stock or Awards designated in shares of restricted stock that are subject to risk of forfeiture or other restrictions. Shares of restricted stock and restricted stock units will be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to receive any dividend or other right or property), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

Except as otherwise determined by the Committee, upon termination of employment (as determined under criteria established by the Committee) for any reason during the applicable restriction period, all shares of restricted stock and all restricted stock units still, in either case, subject to restriction, shall be forfeited and reacquired by the Company; provided, however, that the Committee may, when it finds that a waiver would be in the best interests of the Company, waive in whole or in part any or all remaining restrictions with respect to shares of restricted stock or restricted stock units.

Stock Appreciation Rights

The Committee is authorized to grant eligible participants stock appreciation rights. A stock appreciation right gives the recipient a right to receive, upon exercise of the stock appreciation right, the excess of (1) the fair market value (as determined by the Committee) of one share of common stock on the date of exercise or, if the Committee determines in the case of any such right other than one related to any ISO, at any time during a specified period before or after the date of exercise over (2) the grant price of the right, as specified by the Committee. The grant price, term, methods of exercise, methods of settlement, and any other terms and conditions of any stock appreciation right are determined by the Committee. The Committee may impose such conditions or restrictions on the exercise of any stock appreciation right as it may deem appropriate.

Performance Awards

The Committee is authorized to grant performance awards to eligible participants. A performance award granted under the 2006 Plan (1) may be denominated or payable in cash, shares of common stock (including, without limitation, restricted stock), other securities, other Awards, or other property; and (2) confer on the recipient rights valued as determined by the Committee and payable to, or exercisable by, the recipient, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. The performance goals to be achieved during any performance period, the length of any performance period, the amount of any performance award granted, and the amount of any payment or transfer to be made pursuant to any performance award shall be determined by the Committee. The goals established by the Committee will be based on any one or combination of the following: earnings per share, return on equity, return on assets, total shareholder return, net operating income, cash flow, revenue, economic value added, increase in the price of the Company's common stock, cash flow return on investment, or any other measure the Committee deems appropriate. Partial achievement of the goal(s) may result in a payment or vesting corresponding to the degree of achievement.

Dividend Equivalents

The Committee is authorized to grant Awards under which the recipients are entitled to receive payments equivalent to dividends or interest with respect to a number of shares of common stock determined by the Committee, and the Committee may provide that such amounts (if any) shall be deemed to have been reinvested in additional shares of common stock or otherwise reinvested. Such Awards may have such terms and conditions as the Committee determines.

Other Stock-Based Awards

The Committee is also authorized to grant other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of common stock (including, without limitation, securities convertible into shares of common stock) as are deemed by the Committee to be consistent with the purposes of the 2006 Plan. The Committee determines the terms and conditions of such Awards.

Miscellaneous

Awards granted under the 2006 Plan generally are not transferable, except that the Committee may, in its sole discretion and subject to certain limitations, permit the transfer of Non-ISOs at the time of grant or thereafter for estate planning purposes. No Awards may be granted under the 2006 Plan after December 7, 2015. The Company will not be able to issue any shares of common stock under the 2006 Plan unless it has enough authorized common stock to do so.

The number of Awards that may be granted under the 2006 Plan to executive officers is not determinable at this time.

New Plan Benefits

Name and Position/Group	Dollar Value (\$)	Number of Units

Shawn M. Lewis Chief Technology Officer, Chief Operating Officer	(1) (2)	(1) (2)

- (1) The granting of Awards is discretionary, and we cannot now determine the number or type of Awards we will grant in the future to our executive officers. We expect that from time to time, in our discretion, we will grant Awards to our executive officers under the 2006 Plan under such terms consistent with the plan as we deem appropriate at the time of those grants.
- (2) All of these options will be granted with an exercise price equal to the fair market value of our common stock on the date of grant.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO APPROVE THE COMPANY'S 2006 EQUITY INCENTIVE PLAN.

**PROPOSAL NO. THREE:
TO APPROVE THE COMPANY'S AMENDED AND RESTATED
ARTICLES OF INCORPORATION TO AUTHORIZE
25,000,000 SHARES OF PREFERRED STOCK**

On December 7, 2005, the Company's board of directors unanimously approved and recommended for adoption by the shareholders the Amended and Restated Articles of Incorporation (the "Amended and Restated Articles"), the text of which is attached to this proxy statement as Appendix B. The following proposal is to approve the Amended and Restated Articles to authorize 25,000,000 shares of "blank check" preferred stock, but does not approve any issuance of any shares of common or preferred stock. Such shares issued or to be issued have previously been authorized by action of the board of directors, and no shareholder approval for such issuances is required or being sought.

As of February 5, 2007, there were 100,000,000 shares of our common stock authorized, of which 99,943,034 shares were issued and outstanding. The Company does not have any authorized shares of preferred stock.

The Amended and Restated Articles would authorize 25,000,000 shares of preferred stock. The board of directors would have the authority to issue classes or series of preferred stock in the future having such designations, rights, preferences and relative, participating, option or other special rights of the shares of each such class or series, including such things as voting rights, dividend rights, conversion rights, redemption rights, and other restrictions and features.

A copy of the Amended and Restated Articles is included as Appendix B to this proxy statement, and reference is made to Appendix B for a full description of the terms and provisions of the authorized preferred stock. If this proposal is approved by the Company's stockholders, the Company will as soon as practicable after the meeting file the Amended and Restated Articles of Incorporation with the Secretary of State of the State of Texas. Upon filing the Amended and Restated Articles, the Company will also file a Certificate of Designations, Rights and Preferences (the "Certificates of Designation") to create a Series A Convertible Preferred Stock (the "Series A Preferred"), consisting of 2,000,000 shares of Series A Preferred.

The Series A Preferred will feature a 5% cumulative dividend, a liquidation preference in the event the Company is dissolved, a right of the Company to redeem after August 1, 2008 if the price of the common stock closes above \$2.00 per share for 20 consecutive trading days, and each share of Series A Preferred will be convertible into 9.43 common shares. The Series A Preferred will have no voting rights.

The board of directors believes that the proposal to authorize 25,000,000 shares of preferred stock is in the best interests of the Company and its shareholders.

On August 3, 2005, the Company and WQN, Inc. ("WQN") executed an Asset Purchase Agreement, pursuant to which, among other things, VoIP Acquisition Company, a wholly-owned subsidiary of the Company ("Acquisition Subsidiary"), purchased substantially all of the assets of WQN relating to WQN's "voice over internet protocol" business. This transaction closed in October 2005.

The terms and conditions of the Asset Purchase Agreement were the result of arm's-length negotiations between representatives of WQN, Inc. and representatives of the Company. The following is a summary of the terms of the Asset Purchase Agreement that we believe are material. However, the description does not contain all of the terms of the Asset Purchase Agreement and is qualified in its entirety by reference to the copy of the Asset Purchase Agreement attached as Appendix C to this proxy statement and incorporated herein by reference. You are urged to read the Asset Purchase Agreement in its entirety.

The Company purchased WQN, Inc.'s assets pursuant to an asset purchase agreement (the "Asset Purchase Agreement") for a purchase price consisting of (1) a convertible promissory note in the principal amount of \$3,700,000 (the "Note"), (2) 1,250,000 shares of the Company's restricted common stock, and (3) a warrant (the "Warrant") to purchase 5,000,000 shares of common stock at a price of \$.001 per share. In addition, in connection with the closing of the

Acquisition, the Company issued WQN, Inc. 500,000 shares of restricted common stock relating to the difference between the amount of accounts receivable transferred in the Acquisition and the accounts payable.

The Note

The aggregate outstanding principal amount of the Note, together with interest of 6% per annum, will (a) automatically convert into shares of Series A Preferred if the proposal to approve the Amended and Restated Articles is approved and the Company files the Amended and Restated Articles and the Certificate of Designation with the Secretary of State of Texas, or (b) at WQN's option, convert into shares of common stock at an original conversion price of \$1.06 per share. WQN received "favored nations" rights such that for future securities offerings by the Company at prices per share less than this conversion price, in defined instances this common stock conversion price would be adjusted to the lower offering price. In addition, the conversion amount is subject to adjustment for any stock splits, combinations, stock dividends or mergers, consolidations or sales of the Company's assets. As a result of our Section 3(a)(10) agreements (as described in Proposal No. four) and the favored nations provision discussed above, the Note's common stock conversion rate was effectively reduced to \$0.26 per share. If the Note is converted into shares of Series A Preferred, the number of shares of Series A Preferred into which the Note shall be converted will be equal to the number of common shares convertible or converted hereunder, divided by 9.43. WQN will pay no further consideration if it converts one share of Series A convertible preferred stock into 9.43 shares of the Company's common stock. The Note in the principal amount of \$3,700,000 plus interest is currently convertible into approximately 15,161,812 common shares. Upon the establishment of Series A Preferred, the Company will automatically convert the Note into approximately 1,607,827 shares of Series A Preferred.

The Warrant

The Warrant was exercisable at any time after its issuance until August 1, 2010 for up to 5,000,000 shares of the Company's common stock at an exercise price of \$0.001 per share. The Warrant was exercised in January 2006.

Registration Rights

The 1,250,000 shares of the Company's common stock that WQN, Inc. received at closing and all shares issuable upon conversion of securities or exercise of warrants are restricted stock and not freely tradable. Pursuant to the Asset Purchase Agreement, WQN, Inc. was granted "piggy-back" registration rights on these shares, together with any shares which WQN, Inc. has the right to obtain through exercise or conversion of the Note or the Warrant or otherwise; provided, however, that at any time after WQN, Inc. has sold 1,250,000 shares pursuant to any such registration, the maximum number of shares that it may sell pursuant to any subsequent registration request shall not exceed 500,000 shares in any calendar quarter. Additionally, the shares WQN, Inc. requests to be registered will be subject to cut-back, if in the opinion of the Company's managing underwriter, if any, for such offering, the inclusion of the shares requested to be registered, when added to the securities being registered by the Company or the selling security holder(s) in the offering, would exceed the maximum amount of the Company's securities that can be marketed without otherwise materially and adversely affecting the entire offering.

Price Guarantee

WQN, Inc. was entitled to receive an additional amount of the Company's common stock if the value of the Company's common stock (1) held by WQN, Inc., (2) issuable upon exercise of the Warrant or conversion of the Note or the Company's preferred stock received upon exercise of the Note, based on the 20 trading-day average of the Company's common stock on May 26, 2006 or (3) thereafter sold by WQN, Inc. is less than \$5,000,000. To the extent the aggregate value so determined was less than \$5,000,000, the Company and Mr. Steven Ivester, the Company's former Chief Executive Officer and then-largest shareholder, would have issued to WQN, Inc. additional shares of the Company's common stock equal to the difference of such shortfall, using the same price per share on which the value of the Company's common stock was determined above. The Company would have been responsible for issuing 60% of the additional shares, and Steven Ivester would have been responsible for transferring the balance from his personal holdings. Based on an average of the Company's quoted common stock closing price for each of the 20 trading days preceding May 26, 2006, the aggregate market value of WQN, Inc.'s holdings, as previously defined, exceeded \$5,000,000. Therefore, no Company shares were issued or need to be issued under this provision.

Interest of Certain Persons in the Amended and Restated Articles

Mr. Michael Adler was the Chief Executive Officer of WQN, Inc. and became the Chief Executive Officer and a director of the Company in October 2005. Mr. Adler resigned as the Company's Chief Executive Officer in May 2006 and is no longer on its board. Mr. Adler serves on the board of directors of WQN, Inc. and is the holder of approximately 37% of the outstanding common stock of WQN, Inc.

INFORMATION ABOUT WQN, INC.

Prior to the Acquisition, WQN, Inc. was a VOIP telephony company providing international long distance services. VOIP enables voice communications over the Internet by compressing voice into data packets that can be efficiently transmitted over data networks and then converted back into voice at the receiving end. Customers use the VOIP services platform to make and receive calls using their home phone, business phone, personal computer and mobile phone. The acquired business currently includes the provision of enhanced Internet-based and other telephony services under various brand names to individual consumers primarily seeking to make international calls as well as the provision of enhanced Internet-based and other telephony services to resellers, corporations and service providers under their brand names and carrier transmission services whereby we sell our excess capacity to other long-distance carriers.

Below are the key products and services acquired by the Company from WQN, Inc.

Products

RocketVoIP

The acquired proprietary next generation VOIP technology service is marketed under the brand name RocketVoIP. With RocketVoIP, subscribers can use their broadband service to make and receive unlimited domestic and international calls using a home phone, mobile phone or personal computer. RocketVoIP has unique features and advantages over competing products that include:

- Unlimited local, long distance and international calling to 50 countries, for a low monthly fee;
- The ability to use a mobile phone to access WQN, Inc.'s network for high quality unlimited international calls;
 - Free in-network calling;
- Free features including Caller-ID, Call-Waiting, Call-Forwarding, 3-Way Calling, Voice Mail, and more; and
- A total calling solution enabling travelers to make and receive phone calls from anywhere in the world using a personal computer and high-speed Internet access, including Wi-Fi hotspots.

Easy Talk

The EasyTalk service offers competitively priced long distance services, which allow customers to speak to the party they are calling by the pressing of two designated buttons from the dial pad of the customer's phone. Customers are not required to switch their long distance service to use EasyTalk. The EasyTalk service offers many features including:

- Pinless dialing;

- Can be used from registered home, office and mobile phones;
- Access to personal on-line account management tools which enables customers to view their call history and purchase information 24 hours a day;
 - Recharge their accounts on-line or through our Interactive VoiceResponse System (IVR);
 - Update, modify and change their account information including credit card details; and
- Communicate with customer service representatives by email, live chat or by calling a customer service number.

My800online.com

The My800online.com service offers toll-free personal 800 numbers that can be routed to any home, office or cell phone in the world. It allows small businesses to create a virtual office telephone and lets international companies provide their U.S. based customers a toll-free number that will ring anywhere in the world. The My800online service offers many features including:

- No monthly fees or contracts;
- International call forwarding;
- The ability to recharge the number on-line at any time; and
- Access to personal on-line account management tools which enables customers to view account balance and call history 24 hours a day.

Virtual Prepaid Calling Cards

The Company uses the assets acquired from WQN, Inc. in part to sell virtual prepaid calling cards over the Internet. These are virtual, because no physical card is issued. The virtual calling cards give the Company the flexibility of promptly changing the rates and features to respond to changing consumer demand, rather than having an inventory of physical cards with set features that cannot be changed until all are recalled or used. This also allows the Company to offer and test several different types of virtual calling cards with varying pricing features, thus providing a greater selection to its customers.

The system functions as follows: A potential customer accesses our Website, follows the prompts to enter their credit card information to purchase the virtual calling card, we verify the credit card within seconds, and we electronically issue a personal identification number, or PIN, and a toll-free number to the customer when the electronic purchase transaction is completed. Once sold, the virtual calling card can be used immediately to make international and domestic long distance calls. The customer dials the toll-free number and enters the PIN and the telephone number the customer seeks to reach. The enhanced services platform determines whether the virtual calling card is valid and the number of call minutes remaining on it, based on the rate for the country being called. The platform completes the call and reduces the available credit balance on the virtual calling card at the conclusion of the call.

Resale of Virtual Calling Cards

The Company also buys virtual calling cards processed through other companies' platforms including prepaid long distance and wireless. We buy them at a discount and sell them to our customers on our Websites as our virtual cards. The Company sells these virtual cards for calls from the United States to other countries where it has not established

its own Internet network and where its negotiated rates with international long distance carriers are not as favorable and to offer other telecom products and services not available on the platform, such as prepaid wireless.

Retail Telephony Websites

The Company acquired various Websites from WQN, Inc. to allow it to target several U.S. niches that make international long distance calls. The Websites are accessible 24 hours per day, seven days a week, so the Company is not constrained by the hours a retail store would be open for business. The Websites may also be reached from the customer's home or office. The customer is not required to physically travel to another location to make a purchase and receive delivery. Online purchasing and delivery will also allow the Company to deliver a broad selection of products to customers worldwide in rural or other locations that do not have convenient access to physical stores. The acquired Websites include the following:

(1) These Websites target U.S.-based customers who call persons in Iran. As such, we take calls placed in the United States and deliver the calls to non-Iranian telecommunications carriers who in turn use other carriers that are unknown to us to terminate or complete the calls within Iran. We do not have any facilities in Iran nor do we have any employees working there. For the year ended December 31, 2005, our consolidated revenue was \$15,507,145. The revenue associated with call termination to Iran is approximately \$35,000 per month, all of which is generated from calls originating in the United States. Because the revenue received from terminating calls to Iran is such a small percentage of our consolidated revenue, and given that this revenue is generated entirely from our operations based in the United States from callers in the United States, we consider the revenue received from these calls to be immaterial, both quantitatively and qualitatively.

The Websites have been designed around industry standard architectures to reduce downtime in the event of outages or catastrophic occurrences. The Websites' operations staff consists of systems administrators, who manage, monitor and operate the Websites. The continued uninterrupted operation of the Websites is essential to the acquired business, and it will be the job of the site operations staff to ensure, to the greatest extent possible, the reliability of the Websites. The network is built around a redundant, high availability backbone. In order to achieve maximum redundancy, the network has several connections to the Internet.

Wholesale Services

The wholesale services that the Company conducts using WQN, Inc.'s assets consist of the following:

Distribution of Telephony Products

The Company distributes telephony services, which primarily consist of prepaid calling cards through a network of over 90 private distributors. The Company sells the product or service to a distributor at a discount who then resells the product or service to a retail outlet. Through this network the Company estimates it will sell products to over 10,000 retail outlets, of which more than 5,000 retail outlets are located in Southern California, which gives the Company access to various large ethnic communities seeking to make international phone calls. A significant portion

of the distribution business will consist of prepaid calling cards used to call from the United States to Mexico. Through this network, the Company also distributes our products in the Dallas, Houston, Chicago, New York City, Newark, and Miami markets. The Company uses this network to sell our proprietary VOIP products.

Platform Services

The Company sells the acquired Internet-based and other telephony services to resellers, corporations, and service providers who then resell the service under their own brand name. Many of these resellers are smaller companies that purchase virtual calling cards from us and then resell the products from their own Websites.

Services Platform and Network

Access

Access to the proprietary VOIP network and enhanced services platform is available by several methods. Customers can access the network from anywhere in the world through their high speed Internet connection using a broadband phone (which the Company supplies to RocketVOIP customers) and the soft phone, which is a downloadable software that enables customers to make PC-to-Phone calls. Customers can also access our network from the United States and Canada using toll-free and local access numbers.

Our Enhanced Services Platform

The Company acquired WQN, Inc.'s centrally managed, enhanced services platform, consisting of reliable and flexible data management, monitoring control and billing systems which support all of our products and services. Key elements include customer provisioning, customer access, fraud control, network security, call routing, call monitoring, call reliability and detailed call records. The enhanced services platform is a specialized telephone switch, soft switch, and software. It is connected to the Websites and databases acquired from WQN, Inc. and to its network of outgoing and incoming telephone lines and Internet lines. It sets up all customer account information when services are purchased and immediately activates the services so it can be used at the time of purchase. Programmed into the platform is a lowest cost routing matrix. This matrix automatically routes each call over the route most economical to the Company. This means it will select the international carrier with the lowest rate or the Internet if the Company has a gateway in the call destination country.

Proprietary Technology

The Company acquired WQN, Inc.'s proprietary customer software that permits a customer to purchase retail telephony services from the acquired Websites using a credit card and to have the services delivered while on the Websites for immediate use by the customer. Proprietary customer software also allows customers access to our platform using their high speed Internet connection to initiate and receive calls, and various proprietary credit and fraud management applications aid the Company in checking credit and limiting fraudulent transactions.

THE ACQUISITION

The acquisition of WQN:

- substantially enhanced our international VOIP business;
- the Acquisition provided us with an additional 60,000 retail customers using various VOIP services that could be integrated onto our VoiceOne network;
- the average margin at the time on the \$30 million in revenue from WQN was 3%, primarily because of outsourced network cost and the lack of network ownership, and by moving that traffic to our Voice One(R) proprietary

technology network, we anticipated increasing our margins.

- the customer service personnel that we acquired enable us to provide additional services to our service providers.

Background of the Acquisition

On April 4, 2005, Mr. Michael Adler (then CEO of WQN, Inc.) met with Mr. Ivester (then CEO of VoIP, Inc.) to discuss a possible strategic relationship or acquisition transaction between WQN, Inc. and the Company.

On April 12, 2005, Mr. Adler and Victor Grijalva, WQN, Inc.'s then Chief Financial Officer, met with Bill Burbank (then Chief Operating Officer of VoIP, Inc.) and Mr. Ivester to further discuss the possibility of a business transaction between the Company and WQN, Inc. and presented an overview of WQN, Inc. and WQN's VOIP business.

On April 14, 2005, the Company presented a formal, non-binding letter of intent to WQN, Inc. for the purchase of WQN's VOIP business.

On June 14, 2005, Mr. Adler received an email from Mr. Ivester regarding his understanding of the proposed deal terms.

On July 8, 2005, the Company sent WQN, Inc. the initial draft of the Asset Purchase Agreement from our legal counsel.

On July 21, 2005, Mr. Adler and Mr. Jones of WQN, Inc. and Mr. Kropp of Ladenburg Thalmann & Co. Inc. ("Ladenburg") visited the Company's offices in Orlando, Florida and conducted an investigation of the Company's Orlando operations, its management and its business.

On July 26, 2005, WQN, Inc. formally engaged Ladenburg as financial advisor and to issue a fairness opinion in connection with WQN, Inc.'s proposed sale of its VOIP business to the Company.

On August 3, 2005, the parties executed the Asset Purchase Agreement.

On August 9, 2005, each of the Company and WQN, Inc. filed a Current Report on Form 8-K with the SEC, disclosing the execution of the Asset Purchase Agreement.

On October 5, 2005, each of the Company and WQN, Inc. filed a Current Report on Form 8-K with the SEC, disclosing the closing of the Acquisition.

Steven Ivester, our former Chief Executive Officer, was the Company's sole director during the time that the WQN acquisition transaction occurred. Mr. Ivester is no longer affiliated with the Company. In October 2006, Mr. Ivester commenced an action against the Company in the Circuit Court of the 17th Judicial Circuit in and for Broward County, Florida. In this action, Mr. Ivester alleges that on or about November 16, 2005, the Company executed and delivered a promissory note to Mr. Ivester and that the Company failed to pay the amounts due on the note, and that the Company owes Mr. Ivester \$302,472.57 with interest since September 12, 2006 on the note. Mr. Ivester's action also alleges breach of contract. Specifically, Mr. Ivester alleges that on or about October 18, 2005, the Company and Mr. Ivester entered into a consulting services agreement, which provides for him to be indemnified by the Company for all expenses including reasonable attorneys fees incurred or paid by Mr. Ivester in connection with any action or proceeding, suit or investigation arising out of or relating to the performance by Mr. Ivester of his services pursuant to the consulting agreement. Mr. Ivester's action alleges that he was sued by a certain individual and that despite his demand for reimbursement and indemnification of his attorneys' fees incurred in said action related to such person's claims against the Company, the Company has failed and refused to indemnify Mr. Ivester for his attorneys' fees. Mr. Ivester's action also alleges that under the consulting agreement he was to be paid \$200,000 annually in equal bi-monthly installments; however, Mr. Ivester alleges, the Company has failed to pay him installment wages due on September 15, 2006 in the amount of \$7,692.31, as well as other monetary obligations under the consulting agreement. Mr. Ivester's action also alleges that as a result of the Company's breach of the consulting agreement, he

was entitled to notify the Company of his termination of the consulting agreement, which he alleges he did and as a result Mr. Ivester alleges that the compensation payable pursuant to consulting agreement was effectively accelerated and all compensation due under the consulting agreement became due and owing, but Mr. Ivester alleges the Company has repudiated its obligations under the consulting agreement. Mr. Ivester's action requests a judgment against the Company for an award of costs, attorney's fees and such further and other relief as deemed just and proper.

The Company has filed an Answer, Affirmative Defenses and Counterclaim to Mr. Ivester's action. The Company's answer denies Mr. Ivester's allegations and asserts its own defenses. The Company's counterclaim asserts that Mr. Ivester breached the fiduciary duty he owed the Company while he was its chief executive officer. The Company's Answer, requests that the court dismiss Mr. Ivester's complaint with prejudice and award the Company its reasonable attorneys' fees, grant the Company a judgment in its favor on its counterclaim and award the Company such other and further relief as the court deems necessary.

As a result of the lawsuit involving Mr. Ivester, we do not believe that it is appropriate to discuss the acquisition of WQN with him at this time, and because Mr. Ivester was the Company's sole director at the time of the WQN acquisition the Company cannot further describe the negotiations leading to and the reasons for the WQN acquisition.

Regulatory Approvals

The Acquisition was not subject to the approval of any state or federal regulatory agency or governmental body.

Conditions to the Closing of the Acquisition

The closing of the Acquisition was subject to certain customary conditions such as (1) the accuracy of certain representations and warranties in the Asset Purchase Agreement, (2) the performance of a number of covenants, (3) the absence of certain legal actions or proceedings prohibiting consummation of any of the transactions contemplated by the Asset Purchase Agreement, (4) WQN, Inc. having received approval of the Asset Purchase Agreement from its shareholders representing a majority of the shares eligible to vote and present in person or by proxy at its annual meeting, (5) all governmental consents having been received, (6) the Company having received the consent of each of (a) Cedar Boulevard Lease Funding, LLC and (b) the requisite investors in financing transactions consummated on July 5, 2005, and (7) the Company's internal controls being reasonably satisfactory to WQN, Inc. The Company's obligation to close was also subject to certain third party consents having been received and no material adverse change or effect having occurred on the part of WQN, Inc.

The Purchased Assets and Assumed Liabilities

The assets transferred to the Company were substantially all of WQN, Inc.'s assets comprising its VOIP business, including, without limitation, all of WQN, Inc.'s right, title and interest of WQN, Inc. in and to (but not including certain excluded assets): (1) all intellectual property (and rights associated therewith), including patents, patent applications, trademarks, service marks, proprietary rights in trade names (other than the name "WQN, Inc."), brand names, Internet domain names, trade dress, labels, logos, slogans and other indications of origin, and copyrighted works, (2) all rights, benefits and interests in and to all assigned licenses (other than "shrink-wrap" and other "off the shelf" software licenses), leases, contracts, agreements, commitments and undertakings, (3) all assigned deposits and prepaid assets, (4) cash in the amount of \$1,000,000, (5) all tangible personal property, (6) all inventories, (7) all accounts receivable, (8) all transferable governmental authorizations and all pending applications therefor or renewals thereof, (9) all data and records related to WQN, Inc.'s VOIP operations, (10) all intangible rights and property, including going concern value, goodwill, websites, URL listings, telephone, telecopy and e-mail addresses and listings, (11) all insurance benefits arising from or relating to the assets or the assumed liabilities prior to the effective time of the sale, and (12) all claims of WQN, Inc. against third parties relating to the assets.

Liabilities assumed by the Company in connection with the Acquisition consisted of approximately \$1,227,500 in accounts payable and \$167,000 in accrued liabilities, as adjusted on the closing date of the Acquisition. The Asset Purchase Agreement provided that WQN, Inc.'s accounts receivable conveyed to the Company as part of the assets, net of the allowance for doubtful accounts, must have equaled or exceeded WQN, Inc.'s accounts payable which were assumed by the Company as of the closing date. To the extent that the accounts receivable were less than WQN, Inc.'s accounts payable assumed by the Company, WQN, Inc. was obligated to pay to the Company the difference. Because WQN, Inc. was required to pay this excess amount, the Company issued to WQN, Inc. 500,000 shares of the Company's common stock.

Representations and Warranties

The Asset Purchase Agreement contained various representations and warranties of WQN, Inc. including, among others, representations and warranties related to: corporate organization and similar corporate matters; authorization and enforceability; non-contravention of WQN, Inc.'s certificate of incorporation or by-laws, and non-violation of laws and binding agreements; consents and approvals, compliance with certain laws of the Office of Foreign Asset Control; the timeliness and accuracy of SEC filings; the accuracy of financial statements contained in the SEC filings; the purchased assets (including good and marketable title thereto); absence of certain changes since March 31, 2005; absence of litigation; condition and title to assets and properties; taxes and tax returns; intellectual property; employee benefits; accounts receivable; absence of brokers; solvency; and investment intent.

The Asset Purchase Agreement contained various representations and warranties of the Company and the Acquisition Subsidiary, including among others, representations and warranties related to: corporate organization and similar corporate matters; authorization and enforceability; non-contravention of either the Acquisition Subsidiary's or the Company's certificate of incorporation or by-laws and non-violation of laws; consents and approvals; licenses and permits; absence of brokers; absence of litigation; the timeliness and accuracy of SEC filings; the absence of related party transactions; the absence of any other registration rights; and outstanding indebtedness.

The representations and warranties survive the closing until 12 months after the closing date or, in respect of intellectual property and employee benefits representations, until after the expiration of the applicable statutes of limitations, or, in respect of organization and authority and title to the purchased assets, indefinitely.

Bridge Loan

Concurrently with the execution of the Asset Purchase Agreement, on August 3, 2005, WQN, Inc. had advanced to the Company \$1,000,000, pursuant to a promissory note (the "Bridge Note"). The Bridge Note was cancelled upon completion of the transaction. In connection with the Bridge Note, the Company had issued to WQN, Inc. a warrant (the "Bridge Warrant") to purchase 625,000 shares of common stock, at an exercise price of \$1.37 per share. The Bridge Warrant also was cancelled in connection with the completion of the Acquisition.

Agreement Not to Compete

With certain limitations, WQN, Inc. has agreed that, for a period of five full years after the closing of the Acquisition, it will not, directly or indirectly, (1) engage in a competing business anywhere in the United States, Latin America, Europe, India, Iran or Japan where WQN, Inc.'s VOIP business was conducted, whether such engagement is as owner, partner, agent, consultant or shareholder (except as the holder of not more than one percent of the outstanding shares of a publicly held corporation and as a holder in investment fund vehicles, in which WQN, Inc. does not hold a controlling interest, or does not hold a position on the governing body thereof) or (2) solicit the employment of or hire any person who is an employee or independent contractor of the Purchaser or its subsidiaries.

Transition; Transition Services

WQN, Inc. agreed not to take any action that is designed or intended to have the effect of discouraging any lessor, licensor, customer, supplier, or other business associate of WQN, Inc. from maintaining the same business relationships with the Company after the closing of the Acquisition as it maintained with WQN, Inc. prior to the closing. WQN, Inc. agreed to refer all customer inquiries relating to the business of WQN, Inc. to the Company from and after the closing of the Acquisition. The Company was entitled to access to WQN, Inc.'s offices, for a period of up to 180 days from the closing date, at a rate of \$5,000 per month during each such month when such offices were actually utilized.

Board Observer; Board Member

WQN, Inc. will have board observation rights for so long as it holds 10% or more of the Company's outstanding common stock (or securities exercisable for, or convertible into, 10% or more of the Company's outstanding common stock). The observer will be entitled to attend all meetings of the board of directors of the Acquisition Subsidiary and receive the same information and materials as the other members of the board of directors in connection with such meetings; provided, that the observer may be excluded from all or part of any meeting (and may not receive materials) in order to preserve attorney client privilege, confidential information or trade secrets.

The Company agreed to nominate Mr. B. Michael Adler for election to, and use its best effort to cause Mr. Adler to be elected to, the board of directors of the Company at the annual meeting of shareholders. Mr. Adler became the Chairman of the Company's board. Mr. Adler served on the Company's board until May 2006.

Indemnification

WQN, Inc. has agreed to indemnify and hold harmless the Acquisition Subsidiary and the Company and their affiliates, parents, shareholders, subsidiaries, officers, directors, employees, agents, successors and assigns from and against all losses, liabilities, damages or deficiencies (including interest, penalties, judgments, costs of preparation and investigation, and attorneys' fees) (collectively, "Losses") arising out of or due to (1) the liabilities or the assets that were excluded from the Acquisition, (2) the breach or failure to perform any covenant, undertaking, agreement or other obligation of WQN, Inc., (3) the breach of any representation of WQN, Inc., (4) any and all environmental liabilities relating to the acquired assets incurred prior to the closing date, (5) any failure of WQN, Inc. to comply with the laws of any jurisdiction relating to bulk transfers that may apply in connection with the sale and transfer of the assets to Purchaser, (6) any and all liabilities for taxes of WQN, Inc. or its respective affiliates for all taxable periods or portions thereof ending on or before the closing date, (7) any and all liabilities for taxes of any person under Treas. Reg. Section 1.1502-6(a) (or any similar provision of state, local, or foreign law), as a transferee or successor, by contract or otherwise, or (8) any and all gains, transfer, sales, use, bulk sales, recording, registration, documentary, stamp, and other taxes that may result from, or be incurred in connection with, the transactions contemplated by the Asset Purchase Agreement.

The Company and the Acquisition Subsidiary agreed to indemnify and hold harmless WQN, Inc., and its affiliates, parents, shareholders, subsidiaries, officers, directors, members, managers, employees, agents, successors and assigns from and against any and all Losses arising out of or due to: (1) the use of the assets after the closing date, (2) the breach of or failure to perform any covenant, undertaking, agreement or other obligation of the Acquisition Subsidiary, (3) the breach of any representation of the Acquisition, (4) any and all environmental liabilities relating to the acquired assets incurred after the closing date, or (5) liabilities for taxes of the Acquisition Subsidiary for all taxable periods or portions thereof ending on or after the closing date.

No indemnification is available to any indemnified party for Losses until the aggregate amount of such Losses exceeds \$200,000, and then to the full extent of such Losses in excess of \$200,000 not to exceed \$4,000,000.

Agreement to hold a Meeting of Shareholders.

Pursuant to the Asset Purchase Agreement, the Company was to hold a meeting of its shareholders by December 4, 2005 in order to, among other things, authorize a class of preferred stock that can be used to satisfy the conversion feature of the Note.

Expenses

Each party paid its own fees and expenses in respect of the Acquisition.

Accounting Treatment of the Acquisition

The Acquisition was accounted for using the purchase method of accounting.

The Company is not in compliance with the terms of the Note

The Company has not made the scheduled payments on the note, and WQN has agreed to subordinate its repayment claim to all other convertible note holders. At September 30, 2006 the Company was in violation of certain requirements of this note; including the requirement to hold a meeting by December 4, 2005 to, among other things, authorize a class of preferred stock that can be used to satisfy the conversion feature of the Note. While WQN has not declared the Note in default, the full amount of the note at September 30, 2006 has been classified as current. In the event that WQN declares the Note in default, the outstanding principal amount of \$3,700,000 and interest then due, which as of December 31, 2006 was \$203,500 and all other amounts payable under the Note, will immediately become due and payable upon demand of WQN.

Shareholder Approval Required to Consummate the Acquisition

Approval of the holders of the common stock of WQN, Inc. was required in order for WQN, Inc. to enter into and consummate the Acquisition. WQN, Inc.'s shareholders approved the Acquisition on October 4, 2005.

The Company's Board recommends approving the proposed Amended and restated Articles of Incorporation to authorize 25,000,000 shares of Preferred Stock. Approval of this proposal will enable the Company to designate 2,000,000 shares of its preferred stock as Series A which will enable it to issue such shares of Series A Preferred Stock to WQN in connection with its contractual obligations. The approval will also provide the Company with additional shares of preferred stock which would be available for issuance and the board of directors would have the flexibility to act in a timely manner to take advantage of favorable market conditions and other opportunities with respect to stock splits, stock dividends, financing acquisitions and other corporate business, subject to any applicable laws or regulations. Such availability of an increased number of authorized shares and the ability to issue preferred stock will eliminate the delays and expense involved in first conducting a special meeting of shareholders in order to approve an amendment to the Company's Articles of Incorporation to increase the number of shares it is authorized to issue.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” APPROVAL OF AMENDING THE COMPANY'S CERTIFICATE OF INCORPORATION TO AUTHORIZE 25,000,000 SHARES OF PREFERRED STOCK (WHICH APPROVAL DOES NOT EXTEND TO THE APPROVAL OF THE ISSUANCE OF ANY SHARES)

**PROPOSAL No. FOUR:
TO APPROVE THE COMPANY'S AMENDED AND RESTATED
ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF
COMMON STOCK THAT THE COMPANY IS AUTHORIZED TO ISSUE TO
400,000,000 SHARES OF COMMON STOCK
(ITEM 4 ON THE PROXY CARD)**

General

The Company's board of directors unanimously approved and recommended for adoption by the shareholders the Amended and Restated Articles of Incorporation (the "Amended and Restated Articles"), the text of which is attached to this Proxy Statement as Appendix D . The following proposal is to approve the Amended and Restated Articles, but does not approve any issuance of shares of common stock, and no shareholder approval for such issuances is required or being sought.

Background and Reasons for the Proposed Amended and Restated Articles

As of February 5, 2007, there were 100,000,000 shares of our common stock authorized, of which, 99,943,034 shares were issued and outstanding. Therefore, the Company has insufficient shares of common stock available for future issuance, or for the exercise of current stock options and warrants, or for the conversion of convertible debt securities.

The Amended and Restated Articles would increase the number of shares of the Company's common stock that it is authorized to issue to 400,000,000 shares of common stock and would enable the Company to comply with its contractual obligations including those described below. A copy of the Amended and Restated Articles of Incorporation is included as Appendix D to this Proxy Statement.

As discussed above, the Company executed an asset purchase agreement with WQN pursuant to which it acquired substantially all of the assets of WQN relating to WQN's "Voice over Internet Protocol" business. For a discussion of the acquisition of WQN, please see Proposal No. Three. Approving the Amended and Restated Articles of Incorporation will enable the Company to issue common stock to WQN as may be required pursuant to the asset purchase agreement.

In connection with a private placement memorandum dated May 20, 2005, we issued 2,242,500 shares of our common stock for \$0.80 per share, and warrants to purchase 2,207,751 common shares at prices from \$1.60 to \$2.23 per share. As required by the subscription agreements, a portion of these shares was registered with the SEC in October 2005, but that registration became ineffective in July 2006. Until a registration statement covering all related shares and warrants is declared effective by the SEC, or the underlying shares and warrants are eligible for sales under Rule 144, we are liable for liquidated damages, requiring the issuance of new common shares at the rate of 10% of the unregistered shares per month, currently amounting to 1,218,500 common shares owing. All underlying shares and warrants are currently eligible for sale under Rule 144, so additional liquidated damages are not accruing.

In July and October 2005 we issued and sold \$3,085,832 in principal amount of convertible notes to accredited investors at a discount, receiving net proceeds of \$2,520,320. These notes are immediately convertible at the option of the note holders into shares of our common stock, at an original conversion rate of \$0.80 per share. These investors also received five-year warrants to purchase 964,322 shares of our common stock for \$1.37612 per share, five-year warrants to purchase 964,322 shares of our common stock for \$1.6503 per share, and one-year warrants to purchase 1,928,644 shares of our common stock for \$1.60 per share. The investors also received "favored nations" rights such that for future securities offerings by the Company at a price per share less than the above conversion rate or warrant exercise prices, the investors' conversion rate and warrant exercise price would be adjusted to the lower offering price. The principal balance of these notes is currently \$488,543. In May 2006, we repriced these warrants to \$0.78 per

share, at which time these warrants were exercised, resulting in net proceeds to the Company of \$2,720,120. We then issued warrants to the investors to purchase a like number of shares for \$0.80. As a result of our September 2006 Section 3(a)(10) agreement described below, and the favored nations provision discussed above, the notes' conversion rate (retroactive to the original note principal balances) and the exercise price of outstanding warrants were effectively reduced to \$0.26 per share. We are required to file registration statements to register up to 200% of the shares issuable upon conversion of these notes, and all of the shares issuable upon exercise of the warrants issued in connection with these notes.

In November 2005, we issued 1,375,000 shares of our common stock for \$0.80 per share, and warrants to purchase 2,225,000 common shares at \$0.26 per share. (This conversion rate is less than the original conversion rate, due to the note's favored nations provision affected by the Section 3(a)(10) agreement described in Note R to our consolidated financial statements contained on page 17 of our September 30, 2006 Quarterly Report on Form 10-Q.) We also agreed to register a total of 5,850,000 common shares and warrants related to this and a related agreement by January 17, 2006.

In January and February 2006, we issued and sold \$11,959,666 in principal amount of convertible notes to accredited investors at a discount, receiving net proceeds of \$9,816,662. These notes are immediately convertible at the option of the note holders into shares of our common stock at an original conversion rate of \$1.318 per share. These investors also received five-year warrants to purchase 4,537,052 shares of our common stock for \$1.45889 per share, and one-year warrants to purchase 4,537,052 shares of our common stock for \$1.5915 per share. The investors also received "favored nations" rights such that for future securities offerings by the Company at a price per share less than the above conversion rate or warrant exercise prices, the investor's conversion rate and warrant exercise price would be adjusted to the lower offering price. The principal balance of the notes is currently \$8,353,102. As a result of the Section 3(a)(10) agreement and the favored nations provision discussed below, the notes' conversion rate (retroactive to the original note principal balances) was effectively reduced to \$0.26 per share. As a result of the October 2006 financing discussed below and the favored nations provision discussed above, the outstanding warrants were effectively re-priced to \$0.28 per share. We are required to file registration statements to register up to 120% of the shares issuable upon conversion of these notes, and all of the shares issuable upon exercise of the warrants issued in connection with these notes.

In September 2006, the parties to the January and February 2006 note sales commenced an action against the Company in the Circuit Court of the Twelfth Judicial Circuit, Sarasota County, Florida alleging breach of the notes (the "First Note Action"). In September 2006, the parties to the July and October 2005 note sales commenced an action against the Company in the Circuit Court of the Twelfth Judicial Circuit, Sarasota County, Florida alleging that the Company was in breach of the notes (the "Second Note Action").

The parties to the First Note Action and the Company entered into a Settlement Agreement and Release in September 2006. The material terms of the Settlement and Release are:

- The amount due and owing under the Notes shall be reset to the principal amount due under the Notes in the amount of \$8,318,284, together with interest due under the Notes in the amount of \$207,957.09, and liquidated damages provided in the Notes in the amount of \$374,322.77, for a total amount of \$9,781,719.
- The plaintiffs agreed to surrender \$4,940,000 of the Notes Claims, on a pro rata basis, to the Company in exchange for 19,000,000 shares of the Company's common stock, par value \$0.001 per share, through the issuance of freely trading securities issued pursuant to Section 3(a)(10) of the Act.
- Four of the plaintiffs agreed to surrender their Warrant Claims to the Company in exchange for 2,500,000 shares of the Company's common stock, par value \$0.001 per share, through the issuance of freely trading securities issued pursuant to Section 3(a)(10) of the Act.
- The plaintiffs agreed to retain the balance of their Notes Claims and the Company agreed to reset the conversion rate for the remaining balance under the Notes to \$0.26 per share, which shall retain all rights.
- The Company agreed to reduce the exercise price of the un-exercised warrants purchased by the plaintiffs in connection with the Notes to \$0.475.
- The Company agreed to amend its Certificate of Incorporation and take all steps necessary, including obtaining shareholder approval, to authorize at least an additional 18,621,997 shares of common stock, as well as sufficient shares to cover the un-exercised warrants issued to the plaintiffs under the Notes and hold such shares in reserve for the plaintiffs' benefit in connection with the balance by the Investors herein on or before November 30, 2006.
- The plaintiffs agreed that none of the plaintiffs shall sell more than its pro-rata allocation of thirty percent (30%) of the daily trading volume in the Company's common stock, provided however, any Investor may cumulate the daily trading volume in any given calendar week to compute their leak-out amount; provided further, that the aforementioned cumulative trading volume resets every Monday. This Investors' Leak-Out provision does not apply to any sale of the Company's common stock at a price above \$0.75 per share.
- With respect to the balance of the claims retained by the plaintiffs under the Notes, the plaintiffs retained all rights granted to them in Notes that were not specifically waived in settlement agreement.
- The Company and the plaintiffs agreed to execute a mutual release upon the plaintiffs' receipt of the shares issued pursuant to Section 3(a)(10).

The parties to the Second Note Action entered into a Settlement and Release in September 2006. The material terms of the Settlement and Release are:

·The amount due and owing under the Notes shall be reset to the principal amount due under the Notes in the amount of \$911,781, together with interest due under the Notes in the amount of \$34,192 and liquidated damages provided in the Notes in the amount of \$41,030, for a total amount of \$987,003.

·The plaintiffs agreed to surrender \$498,460 of the Notes Claims, on a pro rata basis, to the Company in exchange for 1,917,153 shares of the Company's common stock, par value \$0.001 per share, through the issuance of freely trading securities issued pursuant to Section 3(a)(10) of the Act.

- The plaintiffs agreed to retain the balance of their Notes Claims, and the Company agreed to reset the conversion rate for the remaining balance under the Notes to \$0.26 per share, which shall retain all rights.
- The Company agreed to amend its Certificate of Incorporation and take all steps necessary, including obtaining shareholder approval, to authorize at least an additional 1,879,011 shares of common stock and hold such shares in reserve for plaintiffs' benefit in connection with the balance of the Notes retained by plaintiffs herein on or before November 30, 2006.
- The plaintiffs agreed that none of the plaintiffs shall sell more than their pro-rata allocation of thirty percent (30%) of the daily trading volume in the Company's common stock, provided however, any Investor may cumulate the daily trading volume in any given calendar week to compute their leak-out amount; provided further, that the aforementioned cumulative trading volume resets every Monday. This Leak-Out provision does not apply to any sale of the Company's common stock at a price above \$0.75 per share.
- With respect to the balance of the claims retained by the plaintiffs under the Notes, the plaintiffs retained all rights granted to them in Notes that were not specifically waived in the Settlement Agreement.

- The Company and the plaintiffs agreed to execute a mutual release upon the Investors' receipt of the
- shares issued pursuant to Section 3(a)(10).

In September 2006, in connection with employment agreements, our Chief Executive Officer ("CEO") and Chief Operating Officer ("COO") were each awarded options to purchase 10,000,000 shares of the Company's common stock at \$0.01 per share, subject to board of directors approval. Further, our CEO and COO are entitled to receive additional options with similar terms, in sufficient quantity to allow them to maintain a beneficial ownership of 5% and 8%, respectively, of the Company's outstanding common stock. On October 8, 2006, our COO was granted options to purchase 3,000,000 shares of the Company's common stock at \$0.36 per share under our 2004 Stock Option Plan. On October 9, 2006, we settled claims the COO had against the Company for alleged breaches of his employment agreement, and for nonregistration of the Company's common shares he holds pursuant to the Caerus merger agreement dated May 31, 2005, for \$1,080,000. Also on October 9, 2006, the COO exercised his options to purchase 964,782 common shares, and the proceeds were credited toward the settlement of his claims.

On October 17, 2006, we issued and sold \$2,905,875 in secured convertible notes to twelve accredited investors, for a net purchase price of \$2,324,700 (after a 20% original issue discount) in a private placement, receiving net proceeds of approximately \$1,436,900 (before closing costs of \$308,735). The investors also received five-year warrants to purchase a total of 10,378,125 shares of our common stock at an exercise price of \$0.407 per share. The note holders may at their election convert all or part of these convertible notes into shares of the Company's common stock at the conversion rate of \$0.28 per share, subject to adjustment as provided in the notes. We are required to file registration statements to register 130% of the shares issuable upon conversion of these notes, and all of the shares issuable upon exercise of the warrants issued in connection with these notes.

During November 2006 through January 2007, we executed fourteen (14) promissory notes (the "Notes") in the aggregate principal amount of \$1,666,667. Additionally, we agreed to issue certain of the Note holders five (5) year warrants to purchase available shares of the Company's common stock exercisable at \$0.475 per share, with the warrants containing a cashless exercise provision. The number of warrants that a Note holder will receive will be determined based upon the amount due under the Note (including interest) as of the repayment date of the Note, divided by the exercise price of the warrant.

On January 31, 2007, one of our lenders assigned a secured note payable previously issued by the Company to a group of accredited investors. The principal amount of the secured note at the time of its assignment was \$1,917,581. The secured note's terms were also amended to allow conversion of any unpaid principal balance into the Company's common stock at \$0.26 per share subject to sufficient authorized common shares, subject to adjustment as provided in the amended note agreement.

As a result of these and other transactions, 132,741,268 common shares are currently issuable upon the conversion of all convertible debt, and the exercise of all options and warrants. We are also contractually obligated to reserve an additional 38,326,739 shares from our authorized common shares. In addition, we are contractually obligated and plan to issue 12,696,153 common shares upon approval of our proposed increase in our authorized common shares. The following table specifies, for each listed obligation, the common shares issuable upon the conversion of all convertible debt and the exercise of all options and warrants, additional reservation requirements, and planned common share issuances upon approval of our proposed increase in our authorized common shares.

¹ These columns represent common shares issuable upon the hypothetical conversion of outstanding convertible debt, and the exercise of all outstanding warrants and options.

² These columns represent contractual requirements to reserve specified or computed numbers of common shares from our authorized capital, in addition to the conversion/exercise amounts referred to in footnote 1.

³ These are common shares that are contractually owing to various individuals or firms, and are expected to be issued as soon as our authorized shares are increased.

⁴ The 2006 Stock Option Plan is pending shareholder approval.

Our authorized shares of stock consist of 100,000,000 shares of common stock, of which 99,943,034 shares are currently issued and outstanding, and 183,764,160 additional shares are contingently issuable upon the exercise of stock options and warrants, conversion of convertible securities, and issuance of contractually obligated shares. If our current proposal to increase the authorized shares of common stock to 400,000,000 shares is approved, and a significant number of additional shares are subsequently issued as allowed for above or in conjunction with new financing, our current shareholders would experience significant dilution of their ownership, and our stock price per share could decline substantially.

The board of directors believes that the proposal to increase the number of authorized shares of common stock is in the best interests of the Company and its shareholders. If the proposed Amended and Restated Articles are approved by the shareholders, the Company would have additional shares available for issuance in order to meet its contractual obligations, issue shares of common stock pursuant to its 2004 Option Plan, its 2006 Plan (if it is approved) and enable the board of directors to have the flexibility to act in a timely manner to take advantage of favorable market conditions and other opportunities with respect to stock splits, stock dividends, financings, acquisitions or other corporate business, subject to the rules of any securities exchange on which the shares of common stock are listed at the time or other applicable laws or regulations as may be in effect from time to time. Such availability of an increased number of authorized shares will eliminate the delays and expense involved in first conducting a special meeting of shareholders in order to issue additional shares when needed.

The Company will, from time to time, investigate possible acquisitions and financings through the issuance of additional equity securities, but it is not possible to state whether an acquisition will materialize or, if so, whether the issuance of additional common stock would be desirable or required. Additional information on the company's contractual obligations pertaining to issuances of its common stock are incorporated herein by reference to its 10-KSB of the year ended December 31, 2005 and its subsequent quarterly reports which have been filed with the Securities and Exchange Commission.

The increase in shares authorized by the Amended and Restated Articles could under some circumstances (1) enable existing directors and officers of the Company to increase their beneficial ownership of the Company in response to a takeover attempt by another person by entering into transactions resulting in the issuance of authorized shares by the Company to existing directors and officers, and/or (2) dilute the beneficial ownership of the person making the takeover attempt by issuing shares to another person who might assist the board of directors in opposing the takeover if the board of directors determines that the takeover is not in the best interests of the Company and its shareholders. In addition, issuances of additional common stock or preferred stock convertible into common stock would significantly dilute the ownership position of the Company's shareholders.

The Company is only seeking approval to increase the number of shares of its common stock to 400,000,000 shares but not for approval of the issuance of such shares which is not required or sought.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION, AS AMENDED, TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK THAT THE COMPANY IS AUTHORIZED TO ISSUE TO 400,000,000 SHARES OF COMMON STOCK (WHICH APPROVAL DOES NOT EXTEND TO THE APPROVAL OF THE ISSUANCE OF ANY SHARES)

PROPOSAL NO. 5

**TO APPROVE THE SELECTION OF
BERKOVITS, LAGO & COMPANY LLP
AS THE COMPANY'S INDEPENDENT AUDITORS FOR 2006
ITEM NO. 5 ON THE PROXY CARD**

The board of directors recommends the selection of Berkovits, Lago & Company, LLP as our independent registered public accounting firm to perform the audit of our financials for the year ending December 31, 2006.

Representatives of Berkovits, Lago & Company, LLP are expected to be present at the annual meeting and will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions.

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On November 16, 2004, we were informed by Tschopp, Whitcomb & Orr that their firm was resigning as our auditor. During the two most recent fiscal years and during the interim period from December 31, 2003 until November 16, 2004, the Company did not have any disagreements with Tschopp, Whitcomb & Orr on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures that would require disclosure in this Proxy Statement. During such period, there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K.

On December 1, 2004, we retained the accounting firm of Berkovits, Lago & Company, LLP to conduct an audit of our financial statements for the year ended December 31, 2004, and to issue a report thereon. Our board of directors approved the selection of Berkovits, Lago & Company, LLP as new independent auditors. Neither management nor anyone on its behalf consulted with Berkovits, Lago & Company, LLP regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and neither a written report nor oral advice was provided to the Company that Berkovits, Lago & Company, LLP concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue during our two most recent fiscal years prior to engaging Berkovits, Lago & Company, LLP.

Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Committee, may be made at any time, and shall be final, conclusive, and binding upon all Persons, including the Company, any Affiliate, any

4. SHARES AVAILABLE FOR AWARDS

- (a) **SHARES AVAILABLE.** Subject to adjustment as provided in Section 4(b) of the Plan:
- (i) **CALCULATION OF NUMBER OF SHARES AVAILABLE.** The number of Shares available for granting Awards under the Plan shall be 10,000,000, of which 5,000,000 shall become available immediately and the next 5,000,000 shall be made available upon determination by the Board of Directors. Further, if, after the effective date of the Plan, any Shares covered by an Award granted under the Plan (“Award”) or by an award granted under a Predecessor Plan (“award”), or to which such an Award or award relates, are forfeited, or if an Award or award otherwise terminates without the delivery of Shares or of other consideration, then the Shares covered by such Award or award, or to which such Award or award relates, or the number of Shares otherwise counted against the aggregate number of Shares available under the Plan with respect to such Award or award, to the extent of any such forfeiture or termination, shall again be, or shall become, available for granting Awards under the Plan.
- (ii) **ACCOUNTING FOR AWARDS.** For purposes of this Section 4:
- (A) If an Award (other than a Dividend Equivalent) is denominated in Shares, the number of Shares covered by such Award, or to which such Award relates, shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan; and
- (B) Dividend Equivalents and Awards not denominated in Shares shall not be counted against the aggregate number of Shares available for granting Awards under the Plan.
- (iii) **SOURCES OF SHARES DELIVERABLE UNDER AWARDS.** Any shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or of Treasury Shares.
- (b) **ADJUSTMENTS.** In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, purchase, or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or property) which thereafter may be made the subject of Awards; (ii) the number and type of Shares (or other securities or property) subject to outstanding Awards; (iii) the number and type of Shares (or other securities or property) specified as the annual per-participant limitation under Section 6(g)(vi); and (iv) the grant, purchase, or exercise price with respect to any Award; or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award; provided, however, in each case, that with respect to Awards of Incentive Stock Options no such adjustment shall be authorized to the extent that such authority would cause the Plan to violate Section 422(b)(1)

of the Code or any successor provision thereto; and provided that the number of Shares subject to any Award denominated in Shares shall always be a whole number.

5. ELIGIBILITY

Any Employee, Outside Director or Consultant shall be eligible to receive Awards under the Plan. Any Awards granted to members of the Committee shall be approved by the Board of Directors of the Company.

6. AWARDS

- (a) **OPTIONS.** The Committee is hereby authorized to grant Options with the following terms and conditions, and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:
 - (i) **EXERCISE PRICE.** The exercise price per Share of each Option shall be determined by the Committee; provided, however, that such exercise price per Share under any Incentive Stock Option shall not be less than 100% (110% in the case of a “10-percent shareholder” as such term is used in Section 422(c)(5) of the Code) of the Fair Market Value of a Share on the date of grant of such Incentive Stock Option.

- (ii) **OPTION TERM.** The term of each Option shall be fixed by the Committee, provided that no Incentive Stock Option shall have a term greater than 10 years [5 years in the case of a “10-percent shareholder” as such term is used in Section 422(c)(5) of the Code].
 - (iii) **TIME AND METHOD OF EXERCISE.** The Committee shall determine the time or times at which an Option may be exercised in whole or in part, and the method or methods by which cash or property, or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price, in which payment of the exercise price with respect thereto may be made or deemed to have been made.
 - (iv) **INCENTIVE STOCK OPTIONS.** The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code, or any successor provision thereto, and any regulations promulgated thereunder.
- (b) **STOCK APPRECIATION RIGHTS.** The Committee is hereby authorized to grant Stock Appreciation Rights. A Stock Appreciation Right granted under the Plan shall confer on the holder thereof a right to receive, upon exercise thereof, the excess of (i) the Fair Market Value of one Share on the date of exercise or, if the Committee shall so determine in the case of any such right other than one related to any Incentive Stock Option, at any time during a specified period before or after the date of exercise over (ii) the grant price of the right as specified by the Committee. Subject to the terms of the Plan, the grant price, term, methods of exercise, methods of settlement, and any other terms and conditions of any Stock Appreciation Right shall be as determined by the Committee. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it may deem appropriate.
- (c) **RESTRICTED STOCK AND RESTRICTED STOCK UNITS.**
- (i) **ISSUANCE.** The Committee is hereby authorized to grant Awards of Restricted Stock and Restricted Stock Units.
 - (ii) **RESTRICTIONS.** Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to receive any dividend or other right or property), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.
 - (iii) **REGISTRATION.** Any Restricted Stock granted under the Plan may be evidenced in such manner as the Committee may deem appropriate, including, without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued with respect to Shares of Restricted Stock granted under the Plan, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.
 - (iv) **FORFEITURE.** Except as otherwise determined by the Committee, upon termination of employment (as determined under criteria established by the Committee) for any reason during the applicable restriction period, all Shares of Restricted Stock and all Restricted Stock Units still, in either case, subject to restriction shall be forfeited and reacquired by the Company; provided, however, that the Committee may, when it finds that a waiver would be in the best interests of the Company, waive in whole or in part any or all

remaining restrictions with respect to Shares of Restricted Stock or Restricted Stock Units. Unrestricted Shares, evidenced in such manner as the Committee shall deem appropriate, shall be delivered to the Participant promptly after such Restricted Stock shall become Released Securities.

A-4

- (d) **PERFORMANCE AWARDS.** The Committee is hereby authorized to grant Performance Awards. Subject to the terms of the Plan, a Performance Award granted under the Plan (i) may be denominated or payable in cash, Shares (including, without limitation, Restricted Stock), other securities, other Awards, or other property; and (ii) shall confer on the holder thereof rights valued as determined by the Committee and payable to, or exercisable by, the holder of the Performance Award, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. Subject to the terms of the Plan and any applicable Award Agreement, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted, and the amount of any payment or transfer to be made pursuant to any Performance Award shall be determined by the Committee. The goals established by the Committee shall be based on any one, or combination of the following: earnings per share, return on equity, return on assets, total shareholder return, net operating income, cash flow, revenue, economic value added, increase in Share price or cash flow return on investment, or any other measure the Committee deems appropriate. Partial achievement of the goal(s) may result in a payment or vesting corresponding to the degree of achievement.
- (e) **DIVIDEND EQUIVALENTS.** The Committee is hereby authorized to grant Awards under which the holders thereof shall be entitled to receive payments equivalent to dividends or interest with respect to a number of Shares determined by the Committee, and the Committee may provide that such amounts (if any) shall be deemed to have been reinvested in additional Shares or otherwise reinvested. Subject to the terms of the Plan, such Awards may have such terms and conditions as determined by the Committee.
- (f) **OTHER STOCK-BASED AWARDS.** The Committee is hereby authorized to grant such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as are deemed by the Committee to be consistent with the purposes of the Plan; provided, however, that such grants must comply with applicable law. Subject to the terms of the Plan, the Committee shall determine the terms and conditions of such Awards.
- (g) **GENERAL.**
 - (i) **NO CASH CONSIDERATION FOR AWARDS.** Awards shall be granted for no cash consideration or for such minimal cash consideration as may be required by applicable law.
 - (ii) **AWARDS MAY BE GRANTED SEPARATELY OR TOGETHER.** Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for any other Award or any award granted under any other plan of the Company or any Affiliate. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other plan of the Company or any Affiliate, may be granted either at the same time or at a different time from the grant of such other Awards or awards.
 - (iii) **FORMS OF PAYMENT UNDER AWARDS.** Subject to the terms of the Plan and of any applicable Award Agreement, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise, or payment of an Award may be made in such form or forms as the Committee shall determine, including, without limitation, cash, Shares, other securities, other Awards, or other property, or any combination thereof, and may

be made in a single payment or transfer, in installments, or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments.

A-5

- (iv) **LIMITS ON TRANSFER OF AWARDS.** No Award (other than Released Securities) and no right under any such Award shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by Will or by the laws of descent and distribution; provided, however, that, if so determined by the Committee, a Participant may, in the manner established by the Committee, a) designate a beneficiary or beneficiaries to exercise the rights of the Participant, and to receive any property distributable, with respect to any Award upon the death of the Participant; or b) transfer any Award other than an Incentive Stock Option for bona fide estate planning purposes. Each Award, and each right under any Award, shall be exercisable, during the Participant's lifetime, only by the Participant, a permitted transferee or, if permissible under applicable law, by the Participant's guardian or legal representative. No Award (other than Released Securities), and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company or any Affiliate.
- (v) **TERM OF AWARDS.** The term of each Award shall be for such period as may be determined by the Committee; provided, however, that in no event shall the term of any Incentive Stock Option exceed a period of ten years from the date of its grant.
- (vi) **SHARE CERTIFICATES.** All certificates for Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares or other securities are then listed, and any applicable federal or state securities laws; and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

7. AMENDMENT AND TERMINATION

Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Award Agreement or in the Plan:

- (a) **AMENDMENTS TO THE PLAN.** The Board of Directors of the Company may amend, alter, suspend, discontinue, or terminate the Plan, including, without limitation, any amendment, alteration, suspension, discontinuation, or termination that would impair the rights of any Participant, or any other holder or beneficiary of any Award theretofore granted, without the consent of any share owner, Participant, other holder or beneficiary of an Award, or other Person.
- (b) **AMENDMENTS TO AWARDS.** The Committee may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue, or terminate, any Awards theretofore granted, prospectively or retroactively, without the consent of any Participant, other holder or beneficiary of an Award.
- (c) **ADJUSTMENTS OF AWARDS UPON THE OCCURRENCE OF CERTAIN UNUSUAL OR NONRECURRING EVENTS.** Except as provided in the following sentence, the Committee shall be authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including,

without limitation, the events described in Section 4(b) hereof) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or in recognition of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits to be made available under the Plan. In the case of any Award that is intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code, the Committee shall not have authority to adjust the Award in any manner that would cause the Award to fail to meet the requirements of Section 162(m).

- (d) **CORRECTION OF DEFECTS, OMISSIONS, AND INCONSISTENCIES.** The Committee may correct any defect, supply any omission, or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

8.

GENERAL PROVISIONS

- (a) **NO RIGHTS TO AWARDS.** No Employee, Participant or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Employees, Outside Directors, Consultants, other holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to each recipient.
- (b) **DELEGATION.** The Committee may delegate to one or more officers or managers of the Company or any Affiliate, or a committee of such officers or managers, the authority, subject to such terms and limitations as the Committee shall determine, to grant Awards to, or to cancel, modify, waive rights with respect to, alter, discontinue, suspend, or terminate Awards held by, Employees, Consultants, or other holders or beneficiaries of Awards under the Plan who are not officers or directors of the Company for purposes of Section 16 of the Securities Exchange Act of 1934, as amended, and who also are not “covered employees” for purposes of Section 162(m) of the Code.
- (c) **WITHHOLDING.** The Company or any Affiliate shall be authorized to withhold from any Award granted or any payment due or transfer made under any Award or under the Plan the amount (in cash, Shares, other securities, other Awards, or other property) of withholding taxes due with respect to an Award, its exercise, or any payment or transfer under such Award or under the Plan and to take such other action as may be necessary in the opinion of the Company or Affiliate to satisfy all obligations for the payment of such taxes.
- (d) **NO LIMIT ON OTHER COMPENSATION ARRANGEMENTS.** Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.
- (e) **NO RIGHT TO EMPLOYMENT.** The grant of an Award shall not be construed as giving a Participant the right to remain an Employee, director or Consultant of the Company or any Affiliate. Further, the Company or an Affiliate may at any time terminate the service of any Employee, director or Consultant, free from any liability, or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement.
- (f) **GOVERNING LAW.** The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Texas and applicable federal law.
- (g) **SEVERABILITY.** If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person, or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.
- (h) **NO TRUST OR FUND CREATED.** Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the

Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

- (i) **NO FRACTIONAL SHARES.** No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Share, or whether such fractional Shares or any rights thereto shall be canceled, terminated, or otherwise eliminated.
- (j) **HEADINGS.** Headings are given to the sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

9. EFFECTIVE DATE OF THE PLAN

Subject to the approval of the shareholders of the Company, the Plan shall be effective _____ (the “Effective Date”); provided, however, that to the extent that Awards are granted under the Plan before its approval by shareholders, the Awards will be contingent on approval of the Plan by the shareholders of the Company at an annual meeting, special meeting, or by written consent.

10. TERM OF THE PLAN

No Award shall be granted under the Plan more than ten years after the Effective Date. However, unless otherwise expressly provided in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee to amend, alter, adjust, suspend, discontinue, or terminate any such Award, or to waive any conditions or rights under any such Award, and the authority of the Board of Directors of the Company to amend the Plan, shall extend beyond such date.

11. TERMINATION OF PREDECESSOR PLANS

Upon the Effective Date, the Predecessor Plan shall terminate and no further awards or grants may be made under such Predecessor Plan.

Seller shall, through its Board of Directors, recommend to its stockholders approval of this Agreement, shall use its reasonable best efforts to solicit such approval by its stockholders and shall not withdraw or modify, or propose to withdraw or modify in a manner adverse to Parent, such recommendation, except if in the good faith judgment of the Seller's Board of Directors, taking into consideration the written advice of outside legal counsel of Seller, the making of, or the failure to withdraw or modify, such recommendation would violate the fiduciary duties of Seller's Board of Directors to the Company's stockholders under applicable law.

(c) In the case of such a termination of this Agreement by Seller, such payment shall be made no later than, and shall be a condition to the validity of, such termination; provided, however, that Seller may offset such payment against the amounts then due to Seller under the Bridge Note.

C-17

7.5 Reasonable Best Efforts.

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of the parties hereto agrees to use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the sale of the Assets to Buyer and the other transactions contemplated by this Agreement, including: (i) obtaining all necessary actions or nonactions, waivers, consents and approvals from all Governmental Bodies and the making of all necessary registrations and filings (including filings with Governmental Bodies) and taking all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Body; (ii) obtaining all necessary Consents; (iii) defending any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated hereby, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Body vacated or reversed; and (iv) executing and delivering any additional instruments necessary to consummate the transactions contemplated by this Agreement. No party to this Agreement shall consent to any voluntary delay of the consummation of the sale of the Assets at the behest of any Governmental Body without the consent of the other parties to this Agreement, which consent shall not be unreasonably withheld.

(b) Each party hereto shall use its reasonable best efforts not to take any action, or enter into any transaction, which would cause any of its representations or warranties contained in this Agreement to be untrue in any material respect or result in a material breach of any covenant made by it in this Agreement or which could reasonably be expected to impede, interfere with, prevent or delay in any material respect, the sale of the Assets.

7.6 Public Announcements. Neither Parent nor Seller shall issue any press release with respect to the transactions contemplated by this Agreement or otherwise issue any written public statements with respect to such transactions without prior consultation with the other party, except as may be required by applicable law or by obligations pursuant to any listing agreement with any national securities exchange or the rules of the NASDAQ national market ("NASDAQ").

7.7 Notification of Certain Matters. Parent shall use its reasonable best efforts to give prompt notice to Seller, and Seller shall use its reasonable best efforts to give prompt notice to Parent, of: (i) the occurrence, or nonoccurrence, of any event of which it is aware and which would be reasonably likely to cause any representation or warranty contained in this Agreement to be untrue or inaccurate in any material respect, or (ii) any failure of Parent or Seller, as the case may be, to comply in a timely manner with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; provided, however, that the delivery of any notice pursuant to this Section 7.7 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

7.8 Transition; Transition Services.

(a) Seller will not take any action that is designed or intended to have the effect of discouraging any lessor, licensor, customer, supplier, or other business associate of Seller from maintaining the same business relationships with Buyer after the Closing as it maintained with Seller prior to the Closing. Seller will refer all customer inquiries relating to the business of Seller to Buyer from and after the Closing.

(b) Buyer and Parent shall be entitled to access to Seller's offices, for a period of up to 180 days from the Closing Date, at a rate of \$5,000 per month during each such month when such offices are actually utilized. Payment is due in advance on the first day of each month for which Buyer or Parent desires to utilize Seller's offices.

7.9 Covenant Not to Compete. Seller acknowledges that it has special knowledge, expertise, contacts and other information with respect to the Restricted Business (as defined below). In further consideration of the sale hereby,

Seller agrees to be bound by the terms of this Section 7.9. Seller acknowledges that the restrictions set forth in this Section 7.9 are necessary and appropriate to protect the interest of Buyer and to ensure that Buyer obtains all of the benefits intended to be conveyed to Buyer by Seller pursuant to this Agreement, including the goodwill of Seller.

(a) Certain Defined Terms. The following words and phrases shall have the meaning set forth below:

(i) “Restricted Business” means the business of providing VOIP products and services to retail and wholesale purchasers.

C-18

(ii) "Territory" means the United States, Latin America, Europe, India, Iran and Japan. Seller acknowledges that Buyer must protect itself on such basis. Seller recognizes and acknowledges that Buyer will be engaged, directly or indirectly, in the Restricted Business throughout the Territory and that it is reasonable and necessary for Buyer to protect its interest on such basis.

(b) Non-competition. Seller hereby agrees that for five years after the Closing Date, Seller will not, directly or indirectly, (i) have any ownership interest (whether as proprietor, partner, stockholder or otherwise) in, (ii) be an officer, director or general or managing partner of, or hold a similar position in, (iii) act as agent, broker or distributor for, or adviser or consultant to, (iv) be employed in, or (v) otherwise engage in, any business or business activities (without regard to the form in which conducted) Buyer which is engaged, or which Seller reasonably knows Buyer is undertaking to become engaged, in the Territory in the Restricted Business; provided, however, that (A) the ownership by Seller of less than one percent (1%) of the shares of capital stock of a publicly held corporation, and (B) Seller's status as a limited partner or member in investment fund vehicles, in which Seller does not hold a controlling interest, or does not hold a position on the governing body thereof, shall in no event be deemed a violation of the foregoing.

(c) No Interference With Employees. Seller hereby agrees that during a period of five years after the Closing Date, Seller will not, directly or indirectly, solicit, request, induce, assist or encourage any other employee of Seller or any of its subsidiaries to terminate his or her employment with Buyer or any of its subsidiaries, respectively.

(d) Trade Secrets; Confidential Information. Seller recognizes and acknowledges that it has had access to certain highly sensitive, special or unique information that is confidential or proprietary, and agrees that it shall not at any time after the date hereof, use or divulge, furnish or make accessible to anyone (other than in the regular course of the business of Seller) any knowledge or information of a confidential or secret nature with respect to the business affairs (including, but not limited to, any information concerning customers or accounts) of Seller except as may otherwise be required by law or may otherwise become public knowledge from a source, other than Seller, who are entitled to disclose such information.

(e) Miscellaneous. If the final judgment of a court of competent jurisdiction declares that any term or provision of this Section 7.9 is invalid or unenforceable, the parties agree that the court making the determination of invalidity or unenforceability shall have the power to reduce the scope, duration, or area of the term or provision, to delete specific words or phrases, or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified after the expiration of the time within which the judgment may be appealed.

7.10 Registration Rights. In addition to the rights of Seller under SEC Rule 144, if at any time during the two years after the Closing, Parent shall prepare and file one or more registration statements under the Securities Act with respect to public offering of equity securities of Parent, other than a registration statement on Forms S-4, S-8, or similar form, Parent will include in any such registration statement such information as is required, and such number of shares of Parent's common stock, par value \$0.001 per share (the "Common Stock"), common stock held by Seller or as to which Seller has the right to obtain through exercise or conversion, to permit a public offering of such shares of Common Stock; provided, however, that (i) after Seller has sold 1,250,000 shares pursuant to any such registration statement(s), the maximum number of shares that Seller may sell pursuant to any such registration statement(s) shall not exceed 500,000 shares in any calendar quarter and (ii) if, in the written opinion of the Parent's managing underwriter, if any, for such offering, the inclusion of the shares requested to be registered, when added to the securities being registered by Parent or the selling security holder(s), would exceed the maximum amount of Parent's securities that can be marketed without otherwise materially and adversely affecting the entire offering, then Parent may exclude from such offering pro rata among all shareholders requesting registration that portion of the shares required to be so registered so that the total number of securities to be registered is within the maximum number of

shares that, in the opinion of the managing underwriter, may be marketed without otherwise materially and adversely affecting the entire offering. Parent shall bear all fees and expenses other than the fees and expenses of Seller's counsel incurred in the preparation and filing of such registration statement and related state registrations, to the extent permitted by applicable law, and the furnishing of copies of the preliminary and final prospectus thereof to such Seller. This right shall be personal to Seller and not transferable.

7.11 Employees and Employee Benefits.

(a) Information on Active Employees. For the purpose of this Agreement, the term "Active Employees" shall mean all employees employed on the Closing Date by Seller for its business who are employed exclusively in Seller's business as currently conducted, including employees on temporary leave of absence, including family medical leave, military leave, temporary disability or sick leave, but excluding employees on long-term disability leave.

C-19

(b) Employment of Active Employees by Buyer.

(i) Buyer is not obligated to hire any Active Employee but may interview all Active Employees. Buyer will provide Seller with a list of Active Employees to whom Buyer has made an offer of employment that has been accepted to be effective on the Closing Date (the "Hired Active Employees"). Subject to Legal Requirements, Buyer will have reasonable access to the Seller's office and personnel Records (including performance appraisals, disciplinary actions, grievances and medical Records) of Seller for the purpose of preparing for and conducting employment interviews with all Active Employees and will conduct the interviews as expeditiously as possible prior to the Closing Date. Access will be provided by Seller upon reasonable prior notice during normal business hours. Effective immediately before the Closing, Seller will terminate the employment of all of its Hired Active Employees.

(ii) It is understood and agreed that (A) Buyer's expressed intention to extend offers of employment as set forth in this Section 6.11 shall not constitute any commitment, Contract or understanding (expressed or implied) of any obligation on the part of Buyer to a post-Closing employment relationship of any fixed term or duration or upon any terms or conditions other than those that Buyer may establish pursuant to individual offers of employment, and (B) employment offered by Buyer is "at will" and may be terminated by Buyer or by an employee at any time for any reason (subject to any written commitments to the contrary made by Buyer or an employee and Legal Requirements). Nothing in this Agreement shall be deemed to prevent or restrict in any way the right of Buyer to terminate, reassign, promote or demote any of the Hired Active Employees after the Closing or to change adversely or favorably the title, powers, duties, responsibilities, functions, locations, salaries, other compensation or terms or conditions of employment of such employees.

(c) Salaries and Benefits.

(i) Seller shall be responsible for (A) the payment of all wages and other remuneration due to Active Employees with respect to their services as employees of Seller through the close of business on the Closing Date, including pro rata bonus payments and all vacation pay earned prior to the Closing Date, and (B) the payment of any termination or severance payments and the provision of health plan continuation coverage in accordance with the requirements of COBRA and Sections 601 through 608 of ERISA.

(ii) Seller shall be liable for any claims made or incurred by Active Employees and their beneficiaries through the Closing Date under the Seller Employee Benefit Plans. For purposes of the immediately preceding sentence, a charge will be deemed incurred, in the case of hospital, medical or dental benefits, when the services that are the subject of the charge are performed and, in the case of other benefits (such as disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit.

7.12 Retention Records and Access. After the Effective Date, Buyer shall retain for a period consistent with Buyer's record-retention policies and practices those Records of Seller delivered to Buyer. Buyer also shall provide Seller and its representatives reasonable access thereto, during normal business hours and on at least three days' prior written notice, to enable them to prepare financial statements or Tax Returns or deal with tax audits. After the Effective Date, Seller shall provide Buyer and its representatives reasonable access to Records that are Excluded Assets, during normal business hours and on at least three days' prior written notice, for any reasonable business purpose specified by Buyer in such notice.

7.13 Board Observer; Board Member.

(a) Buyer hereby grants board observation rights to a representative of Seller (the "Observer") for so long as Seller holds 10% or more of the outstanding Parent Common Stock (or securities exercisable for, or convertible into, 10% or more of the outstanding Parent Common Stock). The Observer shall be entitled to attend all meetings of the Board of Directors of Buyer and receive the same information and materials as the other members of the Board of Directors

in connection with such meetings; provided, however, that the Board of Directors of Buyer, in its sole discretion, may exclude the Observer from all or part of any meeting and redact such materials in order to preserve attorney client privilege, confidential information or trade secrets. The Observer shall be required to enter into a Confidentiality and Nondisclosure Agreement with Buyer.

(b) Parent shall nominate Mr. Michael Adler for election to, and use its best effort to cause Mr. Adler to be elected to, the Board of Directors of Parent at the next annual meeting of stockholders of Parent. Mr. Adler, upon election, shall be designated Chairman of the Board. As Chairman of the Board, Mr. Adler shall not be an executive officer of Parent.

C-20

7.14 Purchase Note; Conversion Price of Preferred Stock. The Purchase Note shall provide that it is convertible into either Parent Common Stock or preferred stock of Parent at such time that Parent establishes a series of preferred stock. The conversion price of any such series of preferred stock shall be \$1.06; provided, however, that if the average closing bid price of the Parent Common Stock for a period of ten (10) trading days prior to the Closing Date is less than \$1.06, the conversion price into Parent Common Stock shall be adjusted to an amount equal to 120% of the average closing bid price of the Parent Common Stock during such ten (10) day period; provided further, however, that such adjusted conversion price shall in no event be less than \$0.80 or greater than \$1.06.

7.15 Accounts. The Accounts Receivable of Seller conveyed to Buyer as part of the Assets at Closing, net of the allowance for doubtful accounts, shall equal or exceed Seller's accounts payable which are assumed by Buyer hereunder as of the Closing Date. None of such Accounts Receivable shall more than 60 days past due. To the extent that such Accounts Receivable conveyed to Buyer are less than Seller's accounts payable assumed by Buyer, Seller shall pay to Parent the difference (the "Excess Amount."). If Seller is required to pay the Excess Amount, Parent shall issue to Buyer a number of shares of Parent Common Stock equal to one share of Parent Common stock for each dollar of the Excess Amount, up to a maximum of 500,000 shares.

- (c) No Order. No court or other Governmental Body having jurisdiction over the Company or Parent, or any of their respective subsidiaries, shall have been enacted, issued, promulgated, enforced or entered under any law, rule, regulation, executive order, decree, injunction or other order (whether temporary, preliminary or permanent) which is then in effect and has the effect of making the sale of the Assets or any of the transactions contemplated hereby illegal.

- (a) Performance of Obligations; Representations and Warranties. Each of Parent and Buyer shall have performed in all material respects each of its agreements contained in this Agreement required to be performed by them on or prior to

C-21

8.3 Conditions to Obligations of Parent and Buyer. The obligations of Parent and Buyer to effect the transactions contemplated by this Agreement shall be subject to the fulfillment at or prior to the Effective Time of the following additional conditions:

(a) Performance of Obligations; Representations and Warranties. Seller shall have performed in all material respects each of its agreements contained in this Agreement required to be performed on or prior to the Effective Time, each of the representations and warranties of Seller contained in this Agreement that is qualified by materiality shall be true and correct on and as of the Effective Time as if made on and as of such date (other than representations and warranties that address matters only as of a certain date that shall be true and correct as of such certain date) and each of the representations and warranties that is not so qualified shall be true and correct in all material respects on and as of the Effective Time as if made on and as of such date (other than representations and warranties that address matters only as of a certain date that shall be true and correct in all material respects as of such certain date), in each case except as contemplated or permitted by this Agreement, and Parent shall have received a certificate signed on behalf of Seller by its Chief Executive Officer and its Chief Accounting Officer to such effect.

(b) Consents. Seller shall have obtained the Consent of each Person that is not a Governmental Body whose Consent shall be required in connection with the sale of the Assets or any of the transactions contemplated hereby, except as to which the failure to obtain such Consents would not, individually or in the aggregate, have a material adverse effect on Parent (as if the sale of the Assets had been made).

(c) Secretary's Certificate. Parent shall have received a certificate, dated as of the date of Closing, of the secretary of Seller, in form and substance reasonably satisfactory to Parent, certifying (i) the certificate of incorporation of each of Seller and each subsidiary, (ii) the bylaws of Seller and each subsidiary, (iii) a certificate of good standing for each of Seller and its subsidiaries duly certified by the Secretary of State of the State of Delaware and (iv) the incumbency of each individual authorized to execute this Agreement on behalf of Seller.

ARTICLE IX. TERMINATION, AMENDMENT AND WAIVER

9.1 Termination. Subject to Section 9.4(b), this Agreement may be terminated at any time prior to the Effective Time, whether before or after any approval of the sale of the Assets by the stockholders of Seller:

(a) by mutual written consent of Parent and Seller;

(b) by either Parent or Seller if the other party shall have failed to comply in any material respect with any of its covenants or agreements contained in this Agreement required to be complied with prior to the date of such termination, which failure to comply has not been cured within thirty business days following receipt by such other

party of written notice from the nonbreaching party of such failure to comply;

C-22

(c) by either Parent or Seller if there has been (i) a breach by the other party (in the case of Parent, including any breach by Buyer) of any representation or warranty that is not qualified as to materiality which has the effect of making such representation or warranty not true and correct in all material respects or (ii) a breach by the other party (in the case of Parent, including any breach by Buyer) of any representation or warranty, in each case which breach has not been cured within thirty business days following receipt by the breaching party from the nonbreaching party of written notice of the breach;

(d) by Parent or Seller if the transactions contemplated by this Agreement have not been effected on or prior to the close of business on the date that is 120 days after the date of this Agreement; provided, however, that the right to terminate this Agreement pursuant to this Section 9.1(d) shall not be available to any party whose failure to fulfill any of its obligations contained in this Agreement has been the cause of, or resulted in, the failure of the sale of the Assets to have occurred on or prior to the aforesaid date;

(e) by Parent or Seller if any court or other Governmental Body having jurisdiction over a party hereto shall have issued an order, decree or ruling or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the sale of the Assets and such order, decree, ruling or other action shall have become final and nonappealable;

(f) by Parent or Seller if the stockholders of the Company do not approve this Agreement at the Stockholder Meeting or at any adjournment or postponement thereof; provided, however, that Seller may not terminate this Agreement pursuant to this Section 9.1(f) if Seller has not complied with its obligations under Sections 6.1 and 6.2 or has otherwise breached in any material respect its obligations under this Agreement in any manner that could reasonably have caused the failure of the stockholder approval to be obtained at the Stockholder Meeting;

(g) by Seller on or after the tenth calendar day after Seller has notified Parent in writing that the Board of Directors of Seller has determined that a Takeover Proposal involving Seller constitutes a Superior Proposal (as hereinafter defined); provided, that, as of such tenth calendar day after Seller has so notified Parent, the Board of Directors of Seller continues to believe in its good faith judgment, after taking into consideration any changes in the terms of the transactions contemplated by this Agreement that have been proposed by Parent on or prior to such date, that such Takeover Proposal involving Seller continues to constitute a Superior Proposal. For purposes of this Agreement "Superior Proposal" means a Takeover Proposal involving Seller that the Board of Directors of Seller determines in its good faith judgment, after consultation with its financial advisors, is more favorable to Seller's stockholders than the transactions contemplated by this Agreement; or

(h) by Parent if the Board of Directors of Seller shall have recommended to the stockholders of Seller any Takeover Proposal involving Seller.

The right of any party hereto to terminate this Agreement pursuant to this Section 9.1 shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any party hereto, any Person controlling any such party or any of their respective officers or directors, whether prior to or after the execution of this Agreement.

9.2 Effect of Termination. In the event of termination of this Agreement by either Parent or Seller, as provided in Section 9.1, this Agreement shall forthwith become void, except as provided in Section 7.4, and there shall be no liability hereunder on the part of Seller, Parent, Buyer or their respective officers or directors and Section 1.4 and Article X, which shall survive the termination); provided, however, that nothing contained in this Section 9.2 shall relieve any party hereto from any liability for any willful breach of a representation or warranty contained in this Agreement or the breach of any covenant contained in this Agreement.

9.3 Amendment. This Agreement may be amended by the parties hereto, by or pursuant to action taken by their respective Boards of Directors, at any time before or after approval of the matters presented at the Stockholder Meeting, but, after any such approval, no amendment shall be made which by law requires further approval by such stockholders without such further approval. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

9.4 Waiver. At any time prior to the Effective Time, the parties hereto may (a) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto and (c) waive compliance with any of the agreements or conditions contained herein which may legally be waived. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

Subject to the provisions of this Article X, Seller agrees to indemnify, defend and hold Parent, Buyer and their affiliates, parents, stockholders, subsidiaries, officers, directors, employees, agents, successors and assigns, (such indemnified persons are collectively hereinafter referred to as “Buyer Indemnified Persons”), harmless from and against any and all loss, liability, damage or deficiency (including interest, penalties, judgments, costs of preparation and investigation, and attorneys' fees) (collectively, “Losses”) that any Buyer Indemnified Person may suffer, sustain, incur or become subject to arising out of or due to: (a) the Excluded Liabilities or the Excluded Assets; (b) the nonfulfillment of any covenant, undertaking, agreement or other obligation of Seller or any other party (other than Buyer or Parent) under this Agreement or any Schedule hereto; (c) any inaccuracy of any representation of Seller or any other party (other than Buyer or Parent) in this Agreement or any Schedule hereto; (d) the breach of any warranty or covenant of Seller or any other party (other than Buyer or Parent) in this Agreement or any Schedule hereto; (e) any and all environmental liabilities relating to the Assets incurred prior to the Closing Date; (f) any failure of Seller to comply with the laws of any jurisdiction relating to bulk transfers that may apply in connection with the sale and transfer of the Assets to Buyer; (g) any and all liabilities for Taxes (including the obligation to contribute to the payment of a tax determined on a consolidated, combined, or unitary basis with respect to a group of corporations that includes or included Seller) of Seller or its respective affiliates for all taxable periods or portions thereof ending on or before the Closing Date; (h) any and all liabilities for Taxes of any person under Treas. Reg. Section 1.1502-6(a) (or any similar provision of state, local, or foreign law), as a transferee or successor, by contract or otherwise; or (i) any and all gains, transfer, sales, use, bulk sales, recording, registration, documentary, stamp, and other Taxes that may result from, or be incurred in connection with the transactions contemplated by this Agreement (“Conveyance Taxes”). “Losses” as used in this Article X is not limited to matters asserted by third parties, but includes Losses incurred or sustained in the absence of third party claims. Payment is not a condition precedent to recovery of indemnification for Losses. Notwithstanding the foregoing, Seller shall not be liable for indemnification hereunder until the aggregate Losses incurred by Parent or Buyer exceed \$200,000, and Seller shall only be liable for the amount of such excess. The maximum liability of Seller to Parent and Buyer for Losses hereunder shall be \$4,000,000.

10.2 Indemnification by Buyer. Subject to the provisions of this Article X, Buyer and Parent agree to indemnify, defend and hold Seller and its affiliates, parents, stockholders, subsidiaries, officers, directors, members, managers, employees, agents, successors and assigns, (such indemnified persons are collectively hereinafter referred to as “Seller Indemnified Persons”), harmless from and against any and all Losses that any Seller Indemnified Person may suffer, sustain, incur or become subject to arising out of or due to: (a) the use of the Assets after the Closing Date; (b) the nonfulfillment of any covenant, undertaking, agreement or other obligation of Buyer under this Agreement or any Schedule hereto; (c) any inaccuracy of any representation of Buyer in this Agreement or any Schedule hereto; (d) the breach of any warranty or covenant of Buyer in this Agreement or any Schedule hereto; (e) any and all environmental liabilities relating to the Assets incurred after the Closing Date; or (f) liabilities for Taxes of Buyer for all taxable periods or portions thereof ending on or after the Closing Date. Notwithstanding the foregoing, Buyer shall not be liable for indemnification hereunder until the aggregate Losses incurred by Seller exceed \$200,000, and Buyer shall only be liable for the amount of such excess. The maximum liability of Parent and Buyer to Seller for Losses hereunder shall be \$4,000,000.

10.3 Survival of Representations, Warranties and Covenants. The several representations, warranties and covenants contained in this Agreement and Buyer Indemnified Persons' right to indemnity in accordance with this Article VII shall survive the Closing Date and shall remain in full force and effect for 12 months thereafter, at which time all such claims shall terminate except such claims notice of which has been given to Seller prior to the expiration of such 12-month period; provided, however, that the representations and warranties (and related right to indemnity) set forth in Sections 4.1, 4.2, 4.6(a), 5.1 and 5.2 shall survive indefinitely, and the representations and warranties (and related right to indemnity) set forth in Sections 4.11 and 4.12 shall survive for the length of the applicable statute of limitations.

10.4 Notice and Opportunity to Defend. If a claim for Losses (a “Claim”) is to be made by any Buyer Indemnified Person or Seller Indemnified Person (any such indemnified person, hereinafter a “Claimant”) seeking indemnification hereunder, such Claimant shall notify the indemnifying party or parties (any such indemnifying party, a “Respondent”) promptly. If such event involves (a) any claim or (b) the commencement of any action or proceeding by a third person, Claimant shall give Respondent written notice of such claim or the commencement of such action or proceeding as provided above. Delay or failure to so notify Respondent shall only relieve Respondent of its obligation to the extent, if at all, that Respondent is prejudiced by reason of such delay or failure. Respondent shall have a period of 30 days within which to respond thereto. If Respondent accepts responsibility or does not respond within such 30 day period, then Respondent shall be obligated to compromise or defend, at its own expense and by counsel chosen by Respondent, which counsel shall be acceptable to such Buyer Indemnified Person or Seller Indemnified Person, as the case may be, such matter, and Respondent shall provide Claimant with such assurances as may be reasonably required by Claimant to assure that Respondent will assume and be responsible for the entire liability at issue, subject to the limitations set forth in Sections 10.3 and 10.4 hereof. If Respondent fails to assume the defense of such matter within said 30 day period, Claimant will (upon delivering notice to such effect to Respondent) have the right to undertake, at Respondent's cost and expense, the defense, compromise or settlement of such matter on behalf of such Claimant. The Claimant agrees to cooperate with Respondent and its counsel in the defense against any such asserted liability. In any event, Claimant shall have the right to participate at its own expense in the defense of such asserted liability. Any compromise of such asserted liability by Respondent shall require the prior written consent of Claimant, which consent will not be unreasonably withheld and in the event Claimant defends any such asserted liability, then any compromise of such asserted liability by Claimant shall require the prior written consent of Respondent, which consent shall not be unreasonably withheld.

10.5 Remedies Exclusive. The remedies conferred by this Article X are intended to be exclusive of and shall supersede any other remedy available under law or at equity.

10.6 Right of Setoff. Upon notice to Seller specifying in reasonable detail the basis therefore, Buyer shall first set off any amount to which it may be entitled under this Article X against amounts otherwise payable to Seller under the Purchase Note, prior to making a claim for payment pursuant to Section 10.1. The exercise of such right of setoff by Buyer in good faith, whether or not ultimately determined to be justified, will not constitute an event of default under any instrument deferring the rights of the Parties. The exercise of such right of setoff will not constitute an election of remedies or limit Buyer in any manner in the enforcement of any other remedies that may be available to it.

10.7 Settlement of Disputes.

(a) Arbitration. All disputes with respect to any claim for indemnification under this Article VII and all other disputes and controversies of every kind and nature between the parties hereto arising out of or in connection with this Agreement shall be submitted to arbitration pursuant to the following procedures:

(i) After a dispute or controversy arises, either party may, in a written notice delivered to the other party, demand such arbitration. Such notice shall include a statement of the matter in controversy;

(ii) Within 30 days after receipt of such demand, an arbitrator shall be chosen by the American Arbitration Association (“AAA”).

(iii) The arbitration hearing shall be held within 30 days of appointment of the arbitrator in Dallas, Texas, at a location designated by the arbitrator. The Commercial Arbitration Rules of the AAA shall be used and the substantive laws of the State of Texas (excluding conflict of laws provisions) shall apply;

(iv) An award rendered by the arbitrator appointed pursuant to this Agreement shall be final and binding on all parties to the proceeding, shall deal with the question of costs of the arbitration and all related matters, shall not award punitive damages, and judgment on such award may be entered by either party in a court of competent jurisdiction; and

(v) Except as set forth in subsection (b) below, the parties stipulate that the provisions of this Section 10.6 shall be a complete defense to any suit, action or proceeding instituted in any federal, state, or local court or before any administrative tribunal with respect to any controversy or dispute arising out of this Agreement. The arbitration provisions hereof shall, with respect to such controversy or dispute, survive the termination or expiration of this Agreement.

(b) Emergency Relief. Notwithstanding anything in this Section 10.6 to the contrary, either party may seek emergency relief from a court for any remedy that may be necessary to protect any rights or property of such party pending the establishment of the arbitral tribunal or its determination of the merits of the controversy.

The failure in any one or more instances of a party hereto to insist upon performance of any of the terms, covenants or conditions of this Agreement, to exercise any right or privilege in this Agreement conferred, or the waiver by said party of any breach of any of the terms, covenants or conditions of this Agreement shall not be construed as a subsequent waiver of any such terms, covenants, conditions, rights or privileges, but the same shall continue and remain in full force and effect as if no such forbearance or waiver had occurred.

11.10 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party.
