WRITTEN CONSENT OF STOCKHOLDERS

May 29, 2008

NOTICE IS HEREBY GIVEN, pursuant to Section 228 of the General Corporation Law of the State of Delaware ("Delaware Law") that, on April 24, 2008, the holders of a majority of the outstanding shares of Interpharm Holdings, Inc., a Delaware corporation ("we," "us" or the "Company"), entitled to vote thereon, acting by written consent without a meeting of stockholders, approved

· an asset purchase agreement, dated as of April 24, 2008, by and among the Company, our wholly owned subsidiary, Interpharm, Inc., a New York corporation, Amneal Pharmaceuticals of New York, LLC, a Delaware limited liability company ("Amneal"), and the shareholders of the Company indicated as majority shareholders on the signature pages to the asset purchase agreement (the "Majority Stockholders"),

· a real estate contract, dated April 24, 2008, among our wholly owned subsidiaries, Interpharm, Inc., a New York corporation, and Interpharm Realty, LLC, a New York limited liability company, and Kashiv, LLC, a Delaware limited liability company affiliated with Amneal (the "real estate contract"), and

· the transactions contemplated thereby.

In addition, on May 2, 2008 and May 28, 2008, the same persons, acting by written consent without a meeting of stockholders, approved a first amendment, dated May 2, 2008, to the asset purchase agreement (the "first amendment").

Under the asset purchase agreement, as amended by the first amendment (collectively referred to as the "asset purchase agreement"), and the real estate contract, we and our subsidiaries will sell substantially all of our assets and business to the buyers for an aggregate of \$61.6 million in cash, subject to certain adjustments thereto and subject to the terms and conditions of the asset purchase agreement and real estate contract. Under the asset purchase agreement, at the closing, Amneal will also establish an escrow fund of \$3.5 million for the potential payment of up to \$3.5 million additional consideration to the Company and Interpharm, to the extent such funds are not used to indemnify Amneal and Kashiv pursuant to the terms of the asset purchase agreement and real estate contract.

As permitted by Delaware Law, no meeting of stockholders of the Company is being held to vote on the approval of the asset purchase agreement or the real estate contract or the approval of the sale of substantially all of our assets because such transactions have been approved by the requisite stockholders in an action by written consent of the stockholders of the Company. The terms and conditions of the asset purchase agreement and real estate contract and the various transactions contemplated thereby are described in detail in the enclosed Information Statement, which is incorporated by reference and made part of this notice.

INFORMATION STATEMENT INTRODUCTION

After careful consideration, on April 24, 2008, the Board of Directors of the Company (the “Board of Directors”) unanimously adopted (i) the Asset Purchase Agreement, dated as of April 24, 2008 (the “original agreement”) by and among Interpharm Holdings, Inc., a Delaware corporation (the “Company”, “we” or “us”), our wholly-owned subsidiary Interpharm, Inc., a New York corporation (“Interpharm, Inc.”), Amneal Pharmaceuticals of New York, LLC, a Delaware limited liability company (“Amneal”), and the shareholders of the Company indicated as “majority shareholders” on the signature pages thereto (the “Majority Stockholders”), and (ii) the Contract for the Sale of Real Estate, dated as of April 24, 2008 (the “real estate contract”), among Interpharm, Inc., Interpharm Realty, LLC, a New York limited liability company (“Realty”) and Kashiv, LLC a Delaware limited liability company (“Kashiv”).

On May 2, 2008 the Board of Directors unanimously adopted the First Amendment to Asset Purchase Agreement dated May 2, 2008 (the “first amendment”), to the original agreement. The original agreement and the first amendment are hereinafter collectively referred to as the “asset purchase agreement” and such agreements and the real estate contract are hereinafter collectively referred to as the “sale agreements.” Under the sale agreements, the Company, Interpharm, Inc. and Realty (collectively referred to as the “sellers”) will sell substantially all of their assets to Amneal and Kashiv for an aggregate purchase price of \$61.6 million in cash, subject to certain adjustments. Under the asset purchase agreement, at the closing, Amneal will also establish an escrow fund of \$3.5 million for the potential payment of up to \$3.5 million additional consideration to the Company to the extent such funds are not used to indemnify Amneal and Kashiv pursuant to the terms of the sale agreements.

In addition to adopting the sale agreements, the Board of Directors has adopted and approved all related agreements and transactions as described in this Information Statement.

The Board of Directors has determined that the sale of substantially all of the Company’s assets, as set forth in the sale agreements (the “asset sale”), including the sale under the real estate contract of the real property located at 50 Horseblock Road, Yaphank, New York (the “Real Property”), is advisable and in the best interests of the Company and its stockholders. References to the asset sale in this Information Statement also include the sale of the Real Property.

The asset sale involves risks, including the existence of conditions to the obligations of Amneal and Kashiv to complete the asset sale, all of which must either be satisfied or waived prior to the completion of such sale.

The sale agreements and related transactions are more fully described in the section entitled “The Asset Purchase Agreement and Related Documents.”

This Information Statement is being furnished to stockholders of the Company beginning June 2, 2008 in connection with the proposed asset sale to Amneal and Kashiv. It is being furnished to the Company’s stockholders of record as of May 28, 2008. You should not assume that the information contained herein is accurate as of any date other than the date hereof. All information in this Information Statement concerning the Company has been supplied by the Company. All information contained in this Information Statement concerning Amneal and Kashiv has been supplied by Amneal.

Copies of the asset purchase agreement and the real estate contract are attached to this Information Statement as Annexes A and B, respectively.

As of May 28, 2008, there were (i) 66,738,426 shares of our Common Stock, par value \$0.01 per share (“Common Stock”), (ii) 277,000 shares of Series C Convertible Preferred Stock, par value \$0.01 per share (“Series C Preferred”), (iii) 4,855,389 shares of Series A-1 Preferred Stock \$0.01 per share (“Series A-1 Preferred”), and (iv) 20,825 shares of Series D-1 Preferred Stock, par value \$.01 per share (the “Series D-1 Preferred” and, together with the Series C

Preferred, the “Voting Preferred Stock”) issued and outstanding. Under the Delaware General Corporation Law (“Delaware Law”) and the terms of our Certificate of Incorporation, as amended and as currently in effect, the asset sale requires the approval of the majority of the outstanding Common Stock and the Voting Preferred Stock voting together as a single class. The holders of Common Stock and Series C Preferred have one vote per share. The holders of Series D-1 Preferred have one vote per share of Common Stock into which such holders’ shares of Series D-1 Preferred are then convertible. The shares of Series D-1 Preferred outstanding as of May 28, 2008 are convertible into an aggregate of 21,052,632 shares of Common Stock. Accordingly, the approval of holders of shares of Common Stock, Series C Preferred and Series D-1 Preferred entitled to cast 44,034,030 votes, voting together as a single class, is required to approve the asset sale. The holders of a majority of the outstanding Common Stock and Voting Preferred Stock voting together as a single class have executed written consents approving the original agreement, the first amendment and the real estate contract and approving the transactions contemplated by each of those agreements in accordance with Section 228 of Delaware Law. Accordingly, in accordance with Delaware Law and the Certificate of Incorporation of the Company, as amended and currently in effect, the holders of a majority of the outstanding shares of Common Stock and Voting Preferred Stock, voting as a single class, have approved the asset sale and the asset purchase agreement. The actions by written consent are sufficient to approve the sale and the other transactions contemplated by the asset purchase agreement and the real estate contract without any further action or vote of the stockholders of the Company. Accordingly, no other actions are necessary to approve the asset sale, and no such actions are being requested.

The members of Amneal and Kashiv are not required to approve the asset sale.

The holders of Series A-1 Preferred do not have voting rights on the asset sale and the consent of the holders of Series A-1 Preferred was not necessary to obtain the stockholder approval of the transaction required by the Company's Certificate of Incorporation, as amended, or under Delaware Law. However, the holders of a majority of the outstanding Series A-1 Preferred consented to the terms of the asset purchase agreement thereby waiving certain rights such holders would have in connection with the asset sale.

SUMMARY

The following is a summary of information contained elsewhere in this Information Statement. Reference is made to, and this summary is qualified in its entirety by, the more detailed information contained elsewhere in this Information Statement and the exhibits attached hereto. We urge you to read this Information Statement, the Asset Purchase Agreement, as amended by the First Amendment, the Real Estate Contract and the Opinion of Houlihan Lokey Howard & Zukin Financial Advisors, Inc. concerning the fairness of the asset sale transaction referred to herein to the Company from a financial point of view set forth on Annex A, Annex B and Annex C, respectively, in their entirety because they contain important information about the Company and the asset sale.

The Parties Involved in the Asset Sale

The parties involved in the asset sale (which for purposes of this Information Statement includes the sale of the Real Property by our subsidiary, Interpharm, Inc.) are the Company, Interpharm, Inc. and Realty (collectively, the “sellers”) and Amneal and Kashiv (collectively, the “buyers”). See “Information Regarding the Parties.”

The Company, Interpharm, Inc. and Realty

The Company, through its operating wholly-owned subsidiary, Interpharm, Inc., has been engaged in the business of developing, manufacturing and marketing generic prescription strength and over-the-counter pharmaceuticals since 1984. We currently sell our products under (i) our own label to major retailers, wholesalers, managed care organizations and national distributors and (ii) under private label to wholesalers, distributors, repackagers, and other manufacturers. As of April 30, 2008, we manufactured and marketed 38 generic pharmaceutical products, which represent various oral dosage strengths for eleven unique products and different dosage strengths for 27 of these products.

The Company’s common stock was delisted from the American Stock Exchange on May 1, 2008 and is currently quoted in the Pink Sheets under the symbol “IPAH.” The Company’s principal executive offices are located at 75 Adams Avenue, Hauppauge, New York 11788 and its telephone number is 631-952-0214. The Company is a Delaware corporation.

Interpharm, Inc. is a New York corporation and a wholly owned subsidiary of the Company.

Realty is a New York limited liability company which is the former owner of the Company's real property in Yaphank, New York and currently has no assets. Realty is a wholly owned subsidiary of the Company.

For addition information, See “Information Regarding the Parties.”

Amneal

Amneal is a Delaware limited liability company and wholly owned subsidiary of Amneal Pharmaceuticals, LLC. Kashiv, LLC is also a Delaware limited liability company and is owned by the principals of Amneal Pharmaceuticals, LLC.

Amneal Pharmaceuticals, LLC, a Delaware limited liability company, is a pharmaceutical company that develops, manufactures and distributes generic pharmaceutical products, both over the counter and prescription. Amneal Pharmaceuticals, LLC is privately owned and has operated since 2001, with its headquarters in Paterson, New Jersey.

For additional information regarding Amneal and Kashiv, see "Information Regarding the Parties."

Structure of the Transaction and Consideration to be Received

Under the agreements relating to the asset sale, the sellers will sell to Amneal and Kashiv substantially all of the assets of the Company and its subsidiaries, including the Real Property located at 50 Horseblock Road, Yaphank, New York, in exchange for an aggregate of \$61.6 million in cash (which amount is subject to certain adjustments, including credits for advances by Amneal to the Company under the loan and security agreement, reductions for the mutually agreed value of certain liabilities assumed by Amneal and the amount of reductions in inventory of the sellers between the dates of signing and closing of the asset purchase agreement, increases for the face amount of receivables of the sellers which are assigned to Amneal and certain adjustments and prorations under the real estate contract). Under the asset purchase agreement, at the closing, Amneal will also establish an escrow fund of \$3.5 million for the potential payment of up to \$3.5 million additional consideration to the Company and Interpharm, Inc. to the extent such funds are not used to indemnify Amneal or Kashiv pursuant to the terms of the sale agreements.

The asset sale will become effective following the satisfaction or waiver of all closing conditions as contemplated by the sale agreements. See the section in this information statement entitled "The Asset Purchase Agreement and Related Documents."

Interpharm's Reasons for the Transaction

The sellers agreed to enter into the sale agreements because, as a result of certain defaults by the Company under the Wells Fargo Credit Agreement (as defined below) and Restated Forbearance Agreement (as defined below) with Wells Fargo Bank, National Association ("Wells Fargo"), under the Amended and Restated Forbearance Agreement, dated as of March 25, 2008 (the "Restated Forbearance Agreement"), among the Company, Interpharm Inc. and Wells Fargo, the Company and Interpharm Inc. had a deadline of April 30, 2008 to procure a binding commitment for a sale if Interpharm Inc. could not refinance its obligations to Wells Fargo under the Credit Agreement and Security Agreement dated as of February 9, 2006 between Interpharm, Inc. and Wells Fargo (the "Wells Fargo Credit Agreement") with a new lender. If the sellers could not refinance or otherwise satisfy their indebtedness to Wells Fargo, in accordance with the Restated Forbearance Agreement, Wells Fargo would be entitled to foreclose on the sellers' assets securing such indebtedness (which assets constitute substantially all of the sellers' assets) and effectively put the sellers out of business. The Board of Directors of the Company determined that the asset sale on the terms negotiated with Amneal and Kashiv was preferable to all other strategic and financial alternatives (including voluntary bankruptcy) then available to the Company and Interpharm, Inc. See the "Background of the Asset Sale."

Opinion of the Company's Financial Advisor

On May 7, 2008, Houlihan Lokey Howard & Zukin Financial Advisors, Inc. ("Houlihan Lokey"), the Company's financial advisor in connection with the transaction, rendered a written opinion to the Board of Directors as to the fairness, from a financial point of view, of the consideration to be received by the sellers in the asset sale, as of May 7, 2008 and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion.

Houlihan Lokey's opinion was directed to the Board of Directors and only addressed the fairness from a financial point of view of the consideration to be received by the sellers in the asset sale and does not address any other aspect or implication of the asset sale. The summary of Houlihan Lokey's opinion in this information statement is qualified in its entirety by reference to the full text of its written opinion, which is included as Annex C to this information statement and sets forth the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion. We encourage our stockholders to read carefully the full text of Houlihan Lokey's written opinion. However, neither Houlihan Lokey's opinion nor the summary of its opinion and the related analyses set forth in this information statement are intended to be, and do not constitute advice or a recommendation to the Board of Directors or any stockholder as to how to act with respect to the asset sale or related matters. See "Opinion of Houlihan Lokey."

Use of Proceeds

The Company will use the cash proceeds of the asset sale to (i) pay expenses incurred in connection with the asset sale (which are estimated to be \$1 million) and (ii) satisfy in full all liabilities and indebtedness of the Company not assumed by the buyers (estimated to be \$52.5 million), including a Success Fee of \$500,000 and additional forbearance fees aggregating \$275,000 payable to Wells Fargo which is payable under the Restated Forbearance Agreement if the asset sale is consummated.

Under the asset purchase agreement, the Company has agreed that if the asset sale is consummated, it will not make any payment or distribution with respect to its equity securities, whether by way of redemption, dividend, distribution or otherwise, to the Majority Stockholders or any other holders of Company's capital stock until more than 90 days

after the closing date.

In addition to making the above payments, after the asset sale is consummated the Company intends to wind up its operations and distribute its remaining net assets, if any, to its stockholders.

For additional information see "The Company's Plans Following the Asset Sale."

Proceeds Sharing Agreement

The Majority Stockholders have entered into an Amended and Restated Proceeds Sharing Agreement dated as of May 1, 2008 (the "Proceeds Sharing Agreement") which provides, among other things, that in the event that the holders of the Company's Common Stock receive aggregate cash distributions from the Company or Amneal with respect to their shares of Common Stock of less than \$3 million and the holders of Series D-1 Preferred ("D-1 Holders") receive aggregate cash distributions from the Company or Amneal of at least \$13 million with respect to their Series D-1 Preferred, each of the D-1 Holders agrees to share proceeds with all holders of Common Stock to the extent that proceeds to such D-1 Holders are in excess of \$6.5 million, until all holders of Common Stock have received proceeds from the Company, Amneal and the D-1 Holders equal to an aggregate of \$3 million.

The Company is not a party to, nor obligated under, the Proceeds Sharing Agreement to make any payments to the holders of any class or series of the Company's capital stock other than as may be required under the terms of such capital stock.

See "The Asset Purchase Agreement and Related Documents - Ancillary Agreement - Proceeds Sharing Agreement."

Indemnity

The asset purchase agreement obligates us to indemnify the buyers for:

- any liabilities of any seller not assumed by the buyers;
- any failure by us to observe or perform our covenants;
- any representation or warranty made by us being untrue or incorrect in any respect;
- any taxes of any seller or with respect to the business for all periods prior to the closing date, and any tax liability of any seller or the Company's shareholders arising in connection with the transactions contemplated by the asset purchase agreement;
- any failure of any seller to have good, verified marketable title to the assets to be sold under the asset purchase agreement free and clear of all liens (other than permitted liens);
- any challenge to the transaction by any shareholder of the Company;
- all reasonable attorneys fees and other losses in connection with pending litigation (other than litigation that Amneal agrees to assume) against the assets to be sold under the asset purchase agreement;
- certain failures of the sellers to have effective, exclusive and original ownership of all of their tangible and intellectual property;
- brokers fees, commissions or similar payments to Greiner-Maltz Company of Long Island or any of its affiliates with respect to the sale of the Real Property or otherwise; and
- any failure by the Company to pay costs required to be paid by the Company under the asset purchase agreement to transfer to Amneal of the U.S. Drug Enforcement Agency ("DEA") controlled substances license for the facility at 75 Adams Avenue, Hauppauge, New York and the Real Property; and
-

any costs of product recalls which occur 180 days after the closing date for product lots which were manufactured prior to the closing date.

See "The Asset Purchase Agreement and Related Documents - Indemnification and Escrow."

Escrow

The parties have agreed, pursuant to an escrow agreement to be entered into with Sovereign Bank, as escrow agent, that Amneal shall place \$3.5 in escrow for one year. The escrow fund shall be used to secure the indemnification obligations of the Company and Interpharm, Inc. under the sale agreements. Funds will be released to the Company after one year assuming no claims against the escrow. See "The Asset Purchase Agreement and Related Documents — Indemnification and Escrow."

Representations and Warranties of the Company and its Subsidiaries

The representations and warranties of the sellers contained in the sale agreements include customary representations regarding the sellers and the assets to be conveyed to Amneal and Kashiv. See "The Asset Purchase Agreement and Related Documents — Representations, Warranties, and Covenants."

Conditions to Closing

Before the asset sale can be completed certain closing conditions must be satisfied or waived. See "The Asset Purchase Agreement and Related Documents — Conditions Precedent to the Closing of the Asset Sale."

Closing

Under the sale agreements, the closing of the asset sale is scheduled to be held on June 16, 2008, or, if the DEA has not issued a controlled substances license to Amneal for Interpharm, Inc.'s 75 Adams Avenue, Hauppauge, New York facility prior to June 16, 2008, the closing date shall be automatically extended to the earlier of July 16, 2008 or the third business day after the DEA license is issued. In the event that the DEA license has not been issued to Amneal prior to July 16, 2008 then, unless Amneal and the Company agree to extend the closing date or Amneal waives the condition that it be issued the DEA license prior to closing and elects to close, the asset purchase agreement shall automatically terminate at midnight on July 16, 2008.

Under rules promulgated by the SEC, the asset sale may not be consummated until at least 20 days following the mailing of this Information Statement. In addition, the closing of the asset sale is subject to the satisfaction or waiver of additional closing conditions under the sale agreements.

We anticipate that the asset sale will close on June 24, 2008, which is not later than the third business day following the date on which the Company will fulfill its information statement filing and mailing obligations by having mailed this information statement to stockholders at least 20 days prior to consummating the asset sale. However, in the event that prior to the earlier of (i) June 16, 2008 and (ii) the third business day after the DEA license is issued, the sellers have not complied with certain of the conditions to the obligations of Amneal to close the sale agreements, the closing date of the sale agreements shall be automatically extended to the third business day following the date on which all of such conditions have been satisfied.

For additional information see "The Asset Purchase Agreement and Related Documents — Conditions Precedent to the Closing of the Asset Sale" and — "Termination, Amendments and Waivers."

Termination

Amneal and the Company have the option to terminate the sale agreements under certain circumstances, including the ability to terminate the sale agreements if the asset sale has not been completed by September 16, 2008, even if the reason the closing has not occurred is that all of Amneal's conditions to close have not been satisfied. See "The Asset Purchase Agreement and Related Documents—Termination."

No Solicitation

Except in connection with certain unsolicited third-party proposals received prior to the time a definitive Information Statement is filed with the SEC (which occurred on May 29, 2008), the asset purchase agreement prohibits the Company from soliciting, and prohibits the Company from participating in discussing with third parties, or taking other actions related to, alternate transactions to the asset sale to Amneal. See "The Asset Purchase Agreement and Related Documents - No Solicitation of Alternative Transactions."

Break-up Fee

If the asset purchase agreement is terminated in connection with the Company entering into a definitive agreement with a third party with respect to an alternative transaction, the Company would be required under certain circumstances to pay Amneal a termination fee of 4% of the purchase price in the asset sale (defined as the sum of (a) the \$61.6 million base cash purchase price, (b) the \$3.5 million escrowed amount and (c) the amount of the sellers' liabilities assumed by Amneal in connection with the asset sale) and Amneal's reasonable expenses related to the transaction. In addition, Interpharm, Inc. would become obligated to repay all advances made to it by Amneal under the loan and security agreement entered into between such parties on April 24, 2008. See "The Asset Purchase Agreement and Related Documents - Break-up Fee."

Expenses

In general, all fees and expenses incurred in connection with the sale agreements and the transactions contemplated thereby will be paid by the party incurring the expenses whether or not the asset sale is completed. See "The Asset Purchase Agreement and Related Documents."

Vote Required for Stockholder Approval

Since the asset sale may constitute a sale of "all or substantially all" of the assets of the Company as defined under Section 271 of Delaware Law, the Company has elected to obtain stockholder approval of the asset sale. Section 271 of Delaware Law requires the approval of the holders of a majority of the outstanding shares of the Company entitled to vote on that matter.

As of May 28, 2008, there were (i) 66,738,426 shares of our Common Stock, (ii) 277,000 shares of Series C Preferred, (iii) 4,855,389 shares of Series A-1 Preferred and (iv) 20,825 shares of Series D-1 Preferred issued and outstanding. The Series C Preferred and the Series D-1 Preferred (which are collectively referred to as the "Voting Preferred Stock") are the only shares of preferred stock which carry rights to vote on the asset sale. Under Delaware Law and the terms of our Certificate of Incorporation, as amended and as currently in effect, the asset sale requires the approval of the majority of the outstanding Common Stock and Voting Preferred Stock voting together as a single class. The holders of Common Stock and Series C Preferred have one vote per share. The holders of Series D-1 Preferred have one vote per share of Common Stock into which such holders' shares of Series D-1 Preferred are then convertible. The shares of Series D-1 Preferred outstanding as of May 28, 2008 are convertible into 21,052,632 shares of Common Stock. Accordingly, the approval of holders of shares of Common Stock, Series C Preferred Stock and Series D-1 Preferred Stock entitled to cast 44,034,030 votes, voting together as a single class, is required to approve the asset sale. The Majority Stockholders, constituting the holders of a majority of the outstanding Common Stock and Voting Preferred Stock, voting together as a single class, have executed written consents approving the asset purchase agreement and the real estate contract and approving the transactions contemplated by each of those agreements in accordance with Section 228 of Delaware Law. Accordingly, in accordance with Delaware Law and the Certificate of Incorporation of the Company, as amended and currently in effect, the holders of a majority of the outstanding shares of Common Stock and Voting Preferred Stock, voting as a single class, have approved the asset sale and asset purchase agreement. The actions by written consent are sufficient to approve the sale and the other transactions contemplated by the asset purchase agreement and the real estate contract without any further action or vote of the stockholders of the Company. Accordingly, no other actions are necessary to approve the asset sale, and no such actions are being requested. The members of Amneal and Kashiv are not required to approve the asset sale.

See "Stockholder Consent to Asset Sale."

Tax Consequences

The asset sale does not generate any U.S. federal income tax consequences to the stockholders of the Company. See "Certain United States Federal Income Tax Considerations" for a summary of the tax consequences to the Company.

Appraisal Rights

Stockholders are not entitled to appraisal rights. See "Absence of Dissenters' Rights."

A: Stockholders of record as of the close of business on the date the stockholders approved the asset sale (which for purposes of this information statement is May 28, 2008, the date such stockholders approved the first amendment to the asset purchase agreement), are entitled to receive this information statement and the accompanying notice of stockholder action by written consent, which describes the corporate action that has been approved by the written consent of our stockholders.

Q: *Am I being asked to vote on the asset sale?*

A: No, we are not asking you to vote for approval of the asset sale or to provide your written consent to the asset sale, because your vote or written consent is not required for approval of the asset sale, which has been already been approved by the written consents of the Majority Stockholders.

Q: *Will there be a stockholder meeting to consider and approve the asset sale?*

A: No, a stockholder meeting will not be held to consider and approve the asset sale. The asset sale has already been approved by the written consent of our stockholders.

Q: *Will any of the proceeds from the asset sale be distributed to me as a shareholder?*

A: After the asset sale is consummated the Company intends to pay all of its outstanding indebtedness and to wind up its operations and distribute its remaining net assets, if any, to its stockholders. For an explanation of the estimated distributions, see "the Company's Plans Following the Asset Sale." Under the asset purchase agreement, the Company has agreed that if the asset sale is consummated, it will not make any payment or distribution with respect to its equity securities, whether by way of redemption, dividend, distribution or otherwise, to the Majority Stockholders or any other holders of Company's capital stock until more than 90 days after the closing date.

Q: *The asset purchase agreement was amended. What terms were changed?*

A: The parties amended the asset purchase agreement on May 2, 2008 to, among other things, decrease the base cash amount payable at closing to the Company to \$61,600,000 from \$65,000,000; to add certain matters for which the Company and Interpharm, Inc. would indemnify the buyers; to add certain pre-closing covenants; and to amend certain schedules to the asset purchase agreement. No other material terms were changed.

Q: *Is the asset sale subject to the satisfaction of any conditions?*

A: Yes. Before the asset sale can be consummated, certain closing conditions must be satisfied or waived. These conditions are described in this information statement in the section entitled "The Asset Purchase Agreement and Related Documents—Conditions Precedent to Obligations of Amneal." If these conditions are not satisfied or waived, then the asset sale will not be consummated even though it has been approved by written consent.

Q: *When do you expect the asset sale to be consummated?*

A: We intend to consummate the asset sale on the date on which all of the remaining closing conditions specified in the asset purchase agreement are satisfied or waived. Assuming the remaining closing conditions are satisfied or waived by such date, we expect to consummate the asset sale on June 24, 2008 but no earlier than 20 days after the date this information statement is first mailed to the stockholders.

Q: *What are the U.S. federal income tax consequences of the asset sale?*

A: The net proceeds from the asset sale will consist solely of cash. The sale of our assets will generally generate a capital gain or loss to us depending on whether the net proceeds are greater or less than our adjusted tax basis in such assets. We believe that we have net operating losses available that will be sufficient to offset any gains realized upon consummation of the asset sale.

Our stockholders will not directly experience any U.S. federal income tax consequences as a result of the consummation of the asset sale.

For additional information on the U.S. federal income tax consequences of the asset sale, see the section in this information statement entitled "Certain U.S. Federal Income Tax Considerations" beginning on page 35.

Tax matters are very complicated, and the tax consequences of any asset sale will depend on the facts of your own situation. You are urged to consult your own tax advisor with respect to your own individual tax consequences as a result of the asset sale and any related dividends.

Q: *What should I do now?*

A: No action by you is required.

Q: *Who can help answer my questions?*

A: If you would like additional copies, without charge, of this information statement or if you have questions about the asset sale, then you should contact us as follows:

BACKGROUND OF THE ASSET SALE

On February 9, 2006, the Company and Interpharm, Inc. entered into a credit and security agreement (the "Wells Fargo Credit Agreement") with Wells Fargo Bank, National Association, acting through its Wells Fargo Business Credit operating division ("Wells Fargo" or "Wells Fargo Business Credit"). Under the Wells Fargo Credit Agreement, the Company obtained a \$41,500,000 credit facility from Wells Fargo. Copies of the Wells Fargo Credit Agreement and related documents are annexed to the Company's Current Report on Form 8-K filed with the SEC on February 15, 2006.

On October 26, 2007, the Company, Interpharm, Inc. and Wells Fargo Business Credit entered into a Forbearance Agreement, which was subsequently amended on November 12, 2007. The amendment was necessary because as of June 30, 2007, the Company had defaulted under the Wells Fargo Credit Agreement with respect to (i) financial reporting obligations, including the submission of its annual audited financial statements for the fiscal year ended June 30, 2007 and (ii) financial covenants related to minimum net cash flow, maximum allowable leverage ratio, maximum allowable total capital expenditures and unfinanced capital expenditures for the fiscal year ended June 30, 2007 (collectively, the "Existing Defaults").

Under the terms of the Forbearance Agreement, Wells Fargo agreed to waive the Existing Defaults based upon the receipt by Interpharm Inc. of at least \$8,000,000 in proceeds from the sale of equity or subordinated debt. On November 7 and 14, 2007, the Company and Interpharm, Inc. received a total of \$8,000,000 in gross proceeds from the issuance and sale of subordinated debt. In addition, the Forbearance Agreement served as an amendment to the Wells Fargo Credit Agreement with respect to certain financial covenants, including, but not limited to, the Company's required "net income before tax" and "net cash flow" for certain periods.

On January 10, 2008, the Company and Interpharm, Inc. received notice of defaults under the Forbearance Agreement with respect to: (i) financial covenants relating to required net income before tax for the months ended October 31, 2007 and November 30, 2007, (ii) financial covenants relating to required net cash flow for the months ended October 31, 2007 and November 30, 2007 and (iii) an obligation to have a designated financial advisor provide an opinion as to Company's and Interpharm, Inc.'s ability to meet their fiscal year 2008 projections.

As a result of the January 10, 2008 defaults, Wells Fargo began a review of the Company's and Interpharm, Inc.'s borrowing base and eligible collateral. At that time, the Company and Interpharm, Inc. did not have any credit availability under the Wells Fargo Credit Agreement, had fallen behind on payments to raw material vendors and had limited ability to procure enough raw materials in order to meet customer orders. On January 21, 2008, Wells Fargo reduced the available credit facility by making wholesale accounts receivables from Cardinal Health, McKesson, and AmeriSource Bergen ineligible from the borrowing base.

On January 28, 2008, the Company's Management, key investors and certain members of the Board of Directors met at the request of Wells Fargo. Wells Fargo registered concern as to the Company's ability to continue as a going concern. In response to Wells Fargo's actions, the Company's management and its Board of Directors developed a plan to overhaul the operations of the Company and to seek financing of equity or debt or alternatively to consider a sale or merger of the business to enhance creditor and shareholder value. Management and a designee of the Board, Richard J. Miller, presented a restructuring plan (the "Plan") to Wells Fargo on January 29, 2008 and negotiated the New Forbearance Agreement with Wells Fargo described below.

As part of the Plan, the Company agreed to reduce the payroll of the business and seek refinancing or sale of the business. In the ensuing four weeks, the Company interviewed several investment bankers to solicit their interest in representing the Company. The bankers suggested that the Company and its creditors and stockholders would be best served to refinance the business. The Board concluded to follow several paths of refinancing and sale and engaged a Board member, Richard Miller, to lead such efforts. In connection with Wells Fargo's review, the Company and Interpharm, Inc. completed a restructuring of their operations pursuant to a new operating plan under which 20% of payroll expenses were eliminated by a reduction in force, research and development activities were substantially reduced and the Company and Interpharm, Inc. began the process to seek an alternative source of financing.

On February 5, 2008, the Company, Interpharm, Inc. and Wells Fargo entered into a new Forbearance Agreement (the "New Forbearance Agreement") whereby Wells Fargo agreed to, among other things, (i) forbear from exercising its remedies arising from the Company's and Interpharm, Inc.'s default under the Wells Fargo Credit Agreement until June 30, 2008 provided no further default occurred; (ii) provide a moratorium on certain principal payments; and (iii) advance the Company up to \$2,999,999 under a newly granted real estate line of credit mortgage on the Company's real estate, which amounts were to be due on June 30, 2008.

The New Forbearance Agreement limited the Company's and Interpharm, Inc.'s borrowing base on which certain advances are made, including receivables from certain wholesaler customers which comprised approximately 19% of Interpharm, Inc.'s sales for the nine months ended March 31, 2008. Sales to these wholesale customers were made at a "wholesale acquisition cost" and then the difference between this cost and the price at which the products were resold by the wholesaler was charged against the receivable to Interpharm, Inc.

The New Forbearance Agreement also provided for a number of events of default, including (i) a material adverse change; (ii) failure of the Company to meet certain budget items by more than 10%; (iii) failure to receive a letter of intent for the sale of the assets of the Company for an amount in excess of the Wells Fargo indebtedness by March 31, 2008; (iv) failure by the Company to receive a commitment for the sale of the assets of the Company for an amount in excess of the Wells Fargo indebtedness by April 30, 2008; (v) failure of the Company to close a transaction for the sale of the assets of the Company for an amount in excess of the Wells Fargo indebtedness by June 30, 2008; and (vi) the Wells Fargo indebtedness remaining outstanding on June 30, 2008.

In addition, the New Forbearance Agreement provided for the payment to Wells Fargo of a “Success Fee” of \$500,000 in the event that the Company was able to complete a sale of its stock or assets. In the event that the entire Wells Fargo indebtedness was paid by February 28, 2008, the Success Fee was to be reduced to \$250,000, if by March 31, 2008 it was to be reduced to \$350,000 and if by April 30, 2008 it was to be reduced to \$450,000.

In February 2008, the Company, through Richard Miller, one of its directors, sought refinancing of its debt to Wells Fargo from 29 lending groups and six equity firms. The Company also discussed the possible acquisition of its business with eight companies who expressed various levels of interest in the Company. A sale process was established whereby the Company would provide certain information under a confidentiality agreement to interested acquirers for their review in order to make an initial proposal to the Company. An initial proposal would require a bidder to propose a value for the business, the internal requirements for approval, and any regulatory hurdles to complete a transaction.

Two equity financing sources (“Equity source A” and “Equity source B”) expressed significant interest in March 2008. Equity source A expressed an interest in investing \$5 million into the Company in connection with a refinancing of the Wells Fargo debt. After diligence with the Company and its investors, Equity source A determined that it was not interested in moving forward in a transaction. Equity source B reviewed materials, held discussions with the Company and informally proposed a \$5 million mezzanine investment. After further discussions with the Company, Equity source B withdrew its interest in the investment opportunity.

On March 11, 2008, Mr. Miller met with Wells Fargo to update them on the performance of the Company and the refinancing and sale efforts. Mr. Miller reported the Company’s revenue in February 2008 exceeded budget by over 25% and that the Company had EBITDA from operations of over \$800,000. In addition, the Company was in compliance with all covenants in the Forbearance Agreement. Mr. Miller outlined the potential lenders for refinancing as well as efforts to sell the business. Wells Fargo expressed satisfaction as to the speed of the turnaround of the business.

On March 13, 2008, the Company received a letter from Wells Fargo that it was reducing the advance rate on its inventory borrowing facility from fifty percent to thirty-nine percent effective March 17, 2008. The reduction eliminated almost all of the availability the Company had built in its working capital line. In response, the Company and its counsel met with the Wells Fargo on March 17, 2008 to discuss the inventory advance rate reduction, Wells Fargo’s contractual right to reduce the advance rate and the impact Wells Fargo’s actions would have on the Company’s business.

Wells Fargo informed the Company that it had reduced the advance rate based upon a recently procured appraisal of the Company’s and Interpharm, Inc.’s inventory which resulted in a reduction in available collateral against which to borrow. As a result, on March 25, 2008, the Company, Interpharm, Inc. and Wells Fargo entered into an Amended and Restated Forbearance Agreement (the “Restated Forbearance Agreement”) in which, in exchange for a \$250,000 payment and other consideration, Wells Fargo agreed to provide the Company with additional borrowing availability through: (i) increasing the cap on Interpharm’s revolving credit line by approximately \$2.3 million which was secured by a mortgage against its facility at 50 Horseblock Road in Yaphank, New York; (ii) increasing the percentage of inventory which was eligible as collateral for borrowing; and (iii) adding eligible receivables against which to borrow.

In addition to the foregoing, the Restated Forbearance Agreement provided that it was an event of default if the Company did not receive a letter of intent for a purchase of substantially all of its assets for an amount in excess of the amounts owing to Wells Fargo, or a proposal to refinance the amounts owing to Wells Fargo, by March 31, 2008.

On March 18, 2008, the Company received a proposal from a mezzanine lender ("Lender A") for a \$30 million term loan to be used to refinance the amounts owed to Wells Fargo. The contemplated interest rate was 12% with an additional stock dividend equal to 2%. In addition, the Company was to issue to Lender A a number of warrants equal to 5% of the number of fully diluted outstanding shares of common stock of the Company with an exercise price of \$0.20 and which were to have a 10 year term.

The proposal also set forth a time frame of between April 4 and April 8, 2008 for Lender A's credit committee approval. On April 9, 2008, Lender A informed the Company that it was amending its proposal due to the concerns over the impact of the Wells Fargo reduction in inventory advance rates of March 13, 2008. The new proposal included requirements of significant additional due diligence expenses that the Company would be required to prepay and lacked certainty of closing on the transaction by April 30, 2008.

The Company received another refinancing proposal on March 20, 2008 from a bank ("Lender B"). Lender B's proposal was for a \$20,000,000 senior secured revolving credit facility to refinance existing Wells Fargo indebtedness and to provide working capital. The security for the credit facility was to be the Company's eligible accounts receivable. In early April 2008, Lender B advised that it would not proceed with the proposal due to Lender B's deemed ineligibility of the Company's receivables from pharmaceutical wholesalers with agreements providing that when and if the Company is unable to ship products, the wholesaler can obtain substitute products and chargeback any difference in price to the Company.

The only other refinancing proposal received by the Company was a proposal from a lender ("Lender C"). Lender C proposed a refinancing of the Real Property for \$10 million which was declined by the Company as it would not have provided the necessary amount of money to repay Wells Fargo, by itself and the Company believed it could obtain a higher amount from a refinancing of the Real Property.

At the time that the Company and Interpharm entered into the Restated Forbearance Agreement, it had been in the process of seeking means of accounts receivable financing for the accounts against which Wells Fargo would not lend, a new credit line which could replace the Wells Fargo Credit Agreement and pay off Wells Fargo all amounts owed and/or a sale of the Company and/or substantially all of its assets.

In March and April, 2008, the Company, through its designated representative, Richard Miller, a director of the Company, held discussions with six potential buyers of the Company or substantially all of its assets. From March 14, 2008 to April 9, 2008, the Company received and responded to inquiries from four interested acquirers. On March 21, 2008, the Company received a proposed letter of intent from Amneal Pharmaceuticals, LLC, Amneal's parent company, to acquire the Company for \$55 million. Except for entering into a non-disclosure agreement in connection with a potential transaction prior to receiving the letter of intent, the Company had no prior relationships with Amneal Pharmaceuticals, LLC which became aware of the Company through a law firm that performed services for both the Company and Amneal Pharmaceuticals, LLC. The Company had several subsequent meetings and conversations with Amneal Pharmaceuticals, LLC management in an effort to communicate to Amneal Pharmaceuticals, LLC's management the value of the Company's assets.

Three interested parties submitted term sheets. Bidder A conducted on-site due diligence on April 2, 2008, received follow-up due diligence materials and conducted follow-up due diligence calls that culminated in a proposal April 9, 2008. Bidder B met with the Company on March 31, 2008 and performed certain due diligence on the Company information that resulted in a proposal delivered April 2, 2008. Bidder B's proposal was reviewed and compared for financial comparison, certainty of closure, and structural elements. Bidder C proposed a transaction on March 21, 2008, but was unable to demonstrate an ability to finance the transaction and therefore, the Company did not consider its bid. The Company responded to Amneal Pharmaceuticals, LLC, Bidder A and Bidder B with additional due diligence information and invited each to re-bid. Neither Bidder A nor Bidder B submitted a revised proposal.

On April 7, 2008 Amneal Pharmaceuticals, LLC revised its proposal to \$65.5 million for the purchase of substantially all of the Company's assets. After several days during which the parties held multiple calls and negotiations, Amneal Pharmaceuticals, LLC revised its proposal on April 11, 2008 to a total of \$68.5 million, exceeding the next highest bid by \$3.5 million – Bidder A had bid \$50 million and Bidder B had bid \$65 million. The Company's Board of Directors approved the proposal and executed a letter of intent for a transaction with \$68.5 million of purchase price consideration with interim financing for the Company.

On April 11, 2008, the Company reached agreement on a term sheet for the sale of substantially all of its assets to Amneal. Later that day, Amneal presented to the Company a draft Asset Purchase Agreement, Contract of Sale for the Company's Real Property at 50 Horseblock Road in Yaphank, New York and a Loan and Security Agreement for a \$1.5 million loan to the Company from Amneal pending the closing under the Asset Purchase Agreement. The parties began negotiating the draft agreements in meetings which began on April 14, 2008 and which concluded on April 24, 2008 when the transaction documents were executed.

After execution of the Amneal term sheet, the Company received a bid from a prospective purchaser for the Real Property of \$12 million. The Company declined the bid in favor of the Amneal asset sale.

Background to the Amendment to the Asset Purchase Agreement

Under the asset purchase agreement, Amneal had a period to April 30, 2008 (which period was extended to May 2, 2008 by written agreement of the parties) to conduct a due diligence review of the sellers and their assets. Based upon the results thereof, Amneal would have the right to terminate its purchase obligation and receive the return of its advances to Interpharm, Inc. under the loan and security agreement. Prior to the end of the due diligence period, the parties engaged in negotiations and discussion regarding several due diligence issues raised by Amneal. The result of those negotiations was that Amneal committed to continue with the asset sale transaction under the terms of the first amendment to the asset purchase agreement in lieu of exercising its right to terminate the Agreement.

In the first amendment, the parties agreed to a reduction of the base cash amount (a component of the purchase price which does not include \$3.5 million to be deposited in escrow by Amneal for the potential payment of up to \$3.5 million additional consideration to the Company and Interpharm, to the extent such funds are not used to indemnify Amneal or Kashiv pursuant to the terms of the sale agreements) from \$65.0 million to \$61.6 million. In addition, the parties agreed to add certain covenants and indemnity obligations of the Company and Interpharm, Inc. as well as certain schedules to the original agreement.

Receipt and Consideration of Unsolicited Proposals After Signing Of Asset Purchase Agreement

On April 24, 2008 the Company filed with the SEC a Current Report on Form 8-K disclosing that it had entered into the asset purchase agreement and real estate contract. On May 14, 2008 the Company filed with the SEC a preliminary copy of this Information Statement which described in greater detail the terms of the asset purchase agreement and real estate contract and attached copies of such agreements.

On May 21, 2008 the Company received an unsolicited proposal from Bidder B, which had previously submitted a \$65 million bid to the Company as described above. After receipt of such new proposal the Board of Directors of the Company appointed a Special Committee, consisting of Richard J. Miller and David Reback, to initially consider the proposal and any further unsolicited proposals received by the Company.

The new proposal from Bidder B was in the form of a cover letter and a markup of the asset purchase agreement and real estate contract. Among other things, the new bid provided for (a) an increase of \$5.5 million in the base purchase price to be paid by Bidder B as compared to Amneal, (b) additional advances to be made by Bidder B to Interpharm, Inc. under a loan and security agreement on the same terms as the loan and security agreement with Amneal to enable the sellers to pay to Amneal the Break-up Fee under the asset purchase agreement as well as other expenses in connection with the termination of the asset purchase agreement and real estate contract, which Bidder B estimated to be \$3.5 million, (c) an increase in the indemnity basket from \$250,000 to \$500,000, (d) an increase in the cap on the sellers' indemnity obligations to \$4 million from \$3.5 million and (e) the elimination of the concept of "excluded receivables" from the transaction, thereby potentially increasing the purchase price by up to \$300,000. The new bid also stated that Bidder B was prepared to increase the base purchase price to the extent that it had underestimated the Break-up Fee and/or other costs of the Company in terminating the agreements with the buyers.

As in the asset purchase agreement with Amneal, Bidder B's obligation to close a signed agreement would not be contingent on its obtaining financing for such purchase. The new bid also eliminated any due diligence contingency to be set forth in the proposed asset purchase agreement and real estate contract to be entered into, but the cover letter for the bid stated the bidder's willingness to enter into such agreements would be subject to its ability to complete a reasonable due diligence investigation of the Company and its subsidiaries and a review of the schedules, disclosure memorandum and exhibits to the asset purchase agreement with Amneal. Bidder B stated that it would expect to accomplish such investigation within five business days after commencement of discussions with the Company concerning its proposal and that it was Bidder B's goal to be "in a position to execute all agreements related to our Proposal as expeditiously as possible." The new bid also contemplated a requirement to file under the Hart-Scott-Rodino Anti-Trust Improvement Act of 1976.

During the period from May 21 to May 26, 2008 the members of the Special Committee analyzed Bidder B's bid, including, among other things, the capability of Bidder B to finance the purchase, Bidder B's ability to obtain required licenses from the FDA, the timing of concluding a transaction with Bidder B as compared to Amneal and the incremental transaction costs in concluding a transaction with Bidder B, including the payment of a Break-up Fee to Amneal.

The Special Committee determined that, net of the incremental costs associated with accepting Bidder B's proposal and terminating the asset sale agreements with Amneal and Kashiv, Bidder B's proposal, though reasonably expected to result in an incremental distribution to the Company's preferred stockholders, was not reasonably expected to result in additional proceeds to the Company's common stockholders. The Special Committee also determined that a transaction with Bidder B was not likely to be consummated before June 30, 2008, which is the expiration date of the period under the New Forbearance Agreement during which Wells Fargo has agreed to forbear from exercising its remedies arising from the Company's and Interpharm, Inc.'s default under the Wells Fargo Credit Agreement.

On May 26, 2008 the Board of Directors of the Company held a meeting by telephone (the "May 26, 2008 Board Meeting"). The members of the Special Committee made a presentation to the Board concerning the terms of Bidder B's proposal and the Special Committee's analysis of such proposal. The Special Committee recommended the rejection of Bidder B's proposal based upon (i) the unlikely prospect of proceeds to the Company's common stockholders, (ii) the likelihood that a transaction could not be consummated until after June 30, 2008 and the absence of any assurance that Wells Fargo would agree to continue to forbear after June 30, 2008 from exercising its remedies arising from the Company's and Interpharm, Inc.'s default under the Wells Fargo Credit Agreement and (iii) the lack of certainty due to the bid's due diligence requirement. Based on the foregoing, the Board of Directors determined to accept the Special Committee's recommendation to reject Bidder B's proposal.

On May 28, 2008 we received a further revised proposal from Bidder B. In the revised proposal Bidder B increased the base purchase price it was offering by \$1 million over the base purchase price offered in its May 21, 2008 bid (so that the new base purchase price offered was \$68.1 million). The new bid stated that "In order to assure that the common shareholders of the Company receive proceeds in excess of those such common shareholders would receive pursuant to the Amneal Agreements, we will require that the Company and the Preferred Shareholders enter into a proceeds sharing agreement on substantially the same terms as the Amneal Proceeds Sharing Agreement, except that under our proposed proceeds sharing agreement the common shareholders of the Company would be guaranteed to receive up to \$4 million rather than the \$3 million guaranteed pursuant to the Amneal Proceeds Sharing Agreement. The additional \$1 million will come from the increase of \$1 million to the Base Purchase Price specified above and our proposed proceeds sharing agreement would require such additional funds to be shared with the common shareholders of the Company by the holders of the Series D-1 Preferred Stock."

During the evening of May 28, 2008 the Board of Directors held a meeting by telephone to discuss the revised proposal from Bidder B at which the members of the Special Committee made a presentation to the Board concerning the terms and their analysis of such revised proposal. It was not known at the time of the meeting whether the D-1

Holders would agree to enter into a new proceeds sharing agreement on the terms required by Bidder B as a condition to its offer.

Based on the foregoing, the Board determined that the Company would not further consider Bidder B's revised proposal unless the D-1 Holders agreed to enter into a new proceeds sharing agreement on the terms required by Bidder B. On May 29, 2008 both of the D-1 Holders informed the Company that they would not agree to enter into a new proceeds sharing agreement on the terms required by Bidder B. Therefore, Bidder B's revised proposal has been rejected.

On May 23, 2008, the Company also received a written proposal from another bidder ("Bidder D") for the purchase of "substantially all of the assets and certain liabilities primarily related to the Company, excluding any tax liabilities, debt, debt-like and inter-company liabilities" for a purchase price of \$69.0 million. The offer was not contingent on Bidder D's ability to secure financing for the transaction. The proposal also stated that Bidder D was prepared to "move very quickly to consummate the purchase" and that Bidder D anticipated "that a definitive purchase agreement could be executed by June 15." The proposal did not contain a detailed markup of the agreements with Amneal or Kashiv or otherwise specify more detailed terms regarding the purchase.

The members of the Special Committee also analyzed such proposal and determined that (i) the purchase price under the proposal appeared to be insufficient to provide any proceeds to the common stockholders of the Company, (ii) such proposal lacked sufficient detail to properly evaluate the prospects of certainty to close and related contractual matters and (iii) a transaction with Bidder D would not likely be consummated until July 30, 2008 at the earliest. At the May 26, 2008 Board Meeting the members of the Special Committee also discussed the available details of Bidder D's proposal and after consideration of such details and based on the foregoing, the Board determined to accept the Special Committee's recommendation to reject Bidder D's proposal.

In light of the failure of the unsolicited proposals received by the Company subsequent to the signing of the asset purchase agreement and real estate contract to provide for a reasonable likelihood for proceeds to be available to the common stockholders of the Company, the Company has not requested that Houlihan Lokey or any other advisor consider whether or render an opinion to the Company that the consideration to be received by the sellers in the asset sale is as of May 29, 2008 or any later date fair, from a financial point of view, to the sellers.

THE COMPANY'S REASONS FOR THE ASSET SALE

The Company and Interpharm agreed to enter into the sale agreements because, as a result of certain defaults by the Company under the Restated Forbearance Agreement, under the Restated Forbearance Agreement with Wells Fargo they had a deadline of April 30, 2008 to procure a binding commitment for a sale if they could not refinance their obligations to Wells Fargo under the Wells Fargo Credit Agreement with a new lender. If the sellers could not refinance or otherwise satisfy their indebtedness to Wells Fargo, in accordance with the Restated Forbearance Agreement, Wells Fargo would be entitled to foreclose on the sellers' assets securing such indebtedness (which assets constitute substantially all of the sellers' assets) and effectively put the sellers out of business. The Board of Directors of the Company determined that an asset sale on the terms negotiated with Amneal and Kashiv was more favorable to the Company and its shareholders than other strategic and financial alternatives (including voluntary bankruptcy) then available to the Company.

THE COMPANY'S PLANS FOLLOWING THE ASSET SALE

After the asset sale is completed, we intend to pay off our indebtedness in full, wind up our affairs and dissolve.

In connection with our dissolution, we will pay, or set aside sufficient amounts for the payment of, or otherwise discharge, all of our known debts and obligations, which we expect will be an aggregate amount of approximately \$52.5 million. We will also pay amounts under the MIP, which we estimate will aggregate \$3.62 million, and thereafter distribute any remaining assets, if any, to our stockholders. Under the asset purchase agreement, we have agreed that, if the asset sale is consummated, we will not make any payment or distribution with respect to our equity securities, whether by way of redemption, dividend, distribution or otherwise, to the holders of our capital stock until more than 90 days after the closing date, and we do not intend to make any payments to our stockholders until more than 90 days after the closing date of the asset sale.

In connection with our dissolution, as of May 27, 2008 holders of outstanding Series A-1 Preferred would be entitled to receive distributions (including for accrued but unpaid dividends) of approximately \$3,400,000 in the aggregate before any distribution is made to holders of any other class or series of our capital stock, including Common Stock, and holders of Series C Preferred and Series D-1 Preferred are entitled to receive distributions (including for accrued but unpaid dividends) of approximately \$272,000 and \$20,825,000, in the aggregate, respectively, before any distribution is made to holders of Common Stock. We expect that, in connection with our dissolution, after paying all of our debts and obligations and the aggregate amounts payable in liquidation to our preferred stockholders, without consideration of the Proceeds Sharing Agreement, no amounts would be available for distribution to holders of Common Stock.

However, the Majority Stockholders have entered into a Proceeds Sharing Agreement which provides, among other things, that, in the event that the holders of the Company's Common Stock receive aggregate cash distributions from the Company or Amneal with respect to their shares of Common Stock of less than \$3 million and the D-1 Holders receive aggregate cash distributions from the Company or Amneal of at least \$13 million with respect to their Series D-1 Preferred, each of the D-1 Holders agrees to share proceeds with all holders of Common Stock to the extent that proceeds to each of such D-1 Holders are in excess of \$6.5 million, until holders of Common Stock have received proceeds from the Company, Amneal and the D-1 Holders equal to an aggregate of \$3 million.

The amount of the purchase price is based on, among other things, certain adjustments to be made to the purchase price pursuant to the terms of the asset purchase agreement, the mutually agreed value of certain liabilities to be assumed by Amneal and indemnification claims by Amneal and Kashiv against the Company, and the final purchase price is not presently determinable. In addition, our assets are subject to the claims of our creditors, which will be senior to the claims of our stockholders. We cannot assure you that we will properly assess all claims that may be potentially brought against us. Accordingly, we cannot assure you that, due to possible reductions in the purchase

price and the claims of our creditors that either of the D-1 Holders would receive amounts in excess of \$6.5 million with respect to their Series D-1 Preferred. In such event the D-1 Holders would not be obligated to share with the holders of Common Stock any amounts, if any, that the D-1 Holders receive with respect to their Series D-1 Preferred and it is likely that no distributions would be made or proceeds of the asset sale be otherwise received by the holders of the Common Stock.

The Company is not a party to, nor obligated under, the Proceeds Sharing Agreement to make any payments to the holders of any class or series of the Company's capital stock other than as otherwise provided under the terms of such capital stock. However, based on the receipt by the Company of an assumed purchase price of \$67.2 million for its assets (which gives effect to a positive adjustment in the purchase price of \$2.1 million pursuant to the asset purchase agreement), payment of \$52.5 million in satisfaction of our debts and obligations and payment of an aggregate of \$3.62 million to participants in the MIP, we estimate that \$12,200,080 will be distributed to the D-1 Holders, \$2,768,000 will be distributed to holders of Common Stock and \$850,000 and \$350,000 (in addition to amounts distributed to them as holders of common stock) will be distributed to Bhupatlal Sutaria and Raj Sutaria, respectively, either by the Company or by the D-1 Holders under the terms of the Proceeds Sharing Agreement. Based on 66,738,426 shares outstanding as of May 27, 2008, holders of Common Stock will receive approximately \$.04 per share.

ABSENCE OF DISSENTERS' RIGHTS

No dissenters' or appraisal rights are available to the stockholders under the General Corporation Law of the State of Delaware, the Company's certificate of incorporation or its bylaws in connection with the asset sale.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director, executive officer, or affiliate of the Company or any other person has any substantial interest, direct or indirect, by security holdings or otherwise, in any action covered by the related resolutions adopted by the Board of Directors, which is not shared by all other stockholders, except as follows:

1. Maganlal Sutaria, M.D., is a member of the Company's Board of Directors and serves as our Chairman of the Board. Dr. Sutaria and his wife, Vimla Sutaria, are the holders of a Junior Subordinated Secured 12% Promissory Note due 2010, in the principal amount of \$3 million (the "Sutaria Note") which evidences a \$3 million loan made to the Company on November 7, 2007. Upon the consummation of the asset sale, the Company is required to pay off in full all of its indebtedness, which indebtedness would include all principal and outstanding interest on the Sutaria Note, before making any distributions to holders of its capital stock, including Common Stock.

2. Raj Sutaria, a son of Maganlal Sutaria and brother of Perry Sutaria, M.D., is an Executive Vice President of the Company, and a 33-1/3% equity holder of Sutaria Family Realty, LLC ("SFR"), which is the holder of the Company's Secured 12% Promissory Note Due 2009 in the principal amount of \$2.5 million (the "SFR Star Note"). The SFR Star Note evidences a \$2.5 million loan made by SFR to the Company on November 14, 2008. Upon the consummation of the asset sale, the Company is required to pay off in full all of its indebtedness, which indebtedness would include all principal and outstanding interest on the SFR Star Note, before making any distributions to holders of its capital stock, including Common Stock.

3. Perry Sutaria, M.D., a son of Maganlal Sutaria and brother of Raj Sutaria, is a director of the Company. Perry Sutaria is also a 33-1/3% equity holder of SFR which is the holder of the SFR Star Note in the principal amount of \$2.5 million which evidences a \$2.5 million loan made by SFR to the Company on November 14, 2007. Upon the consummation of the asset sale, the Company is required to pay off in full all of its indebtedness, which indebtedness would include all principal and outstanding interest on the SFR Star Note, before making any distributions to holders of its capital stock, including Common Stock.

4. Tullis-Dickerson Capital Focus III, L.P. ("TD-III") is the holder of the Company's Secured 12% Promissory Note Due 2009 in the principal amount of \$833,333 (the "TD-III Star Note") which evidences an \$833,333 loan made by TD-III to the Company on November 14, 2007. Upon the consummation of the asset sale, the Company is required to pay off in full all of its indebtedness, which indebtedness would include all principal and outstanding interest on the TD-III Star Note, before making any distributions to holders of its capital stock, including Common Stock. Joan P. Neuscheler, a director of the Company, is a member of the general partner of the limited partnership, TD-III.

5. TD-III also is the holder of 10,412.5 shares of Series D-1 Preferred. The Company anticipates that after using the proceeds of the asset sale to pay its creditors, up to \$13 million of the remaining proceeds will be used to redeem the Series D-1 Preferred or distributed to holders of Series D-1 Preferred in connection with the Company's dissolution before any amounts will be distributed to holders of Common Stock. The aggregate liquidation preference (not including accrued, but unpaid dividends) of the outstanding shares of Series D-1 Preferred (which includes the 10,412.5 shares held by TD-III and an additional 10,412.5 shares held by Aisling Capital II, L.P.) was \$20,825,000 as of May 27, 2008. TD-III is a party to the Proceeds Sharing Agreement which provides, among other things, that in the event that the holders of the Company's Common Stock receive aggregate cash distributions from the Company or Amneal with respect to their shares of Common Stock of less than \$3 million and the D-1 Holders receive aggregate cash distributions from the Company or Amneal of at least \$13 million with respect to their Series D-1 Preferred, each

of the D-1 Holders agrees to share proceeds with all holders of Common Stock to the extent that proceeds to such D-1 Holders are in excess of \$6.5 million, until all holders of Common Stock have received proceeds from the Company, Amneal and the D-1 Holders equal to an aggregate of \$3 million. In addition, the D-1 Holders and the holders of a majority of the outstanding shares of Series A-1 Preferred agreed that to the extent that each of the D-1 Holders receive at least \$2 million, they would pay Bhupatlal K. Sutaria, the former President of the Company, the brother of Maganlal K. Sutaria and uncle of Perry and Raj Sutaria, an aggregate of \$850,000 unless Bhupatlal K. Sutaria receives more than \$250,000 as a common stockholder, in which case, the \$850,000 would be reduced by such amount. The D-1 Holders and Series A-1 Preferred holders further agreed that if each of the D-1 Holders receive in excess of \$2 million, the D-1 Holders and Series A-1 Preferred holders will pay Raj Sutaria an aggregate of \$350,000 unless Raj Sutaria receives more than \$200,000 as a common stock holder, in which case the \$350,000 will be reduced by such amount.

6. On March 5, 2008 the Company's Board of Directors approved the MIP, under which persons selected by the Compensation Committee of the Board of Directors have been granted awards to receive cash distributions from a pool of money based on the sales price received by the Company for its assets less the Company's bank debt. Each person selected has been assigned a preliminary allocation of the total pool, which allocation may be changed in the discretion of the Compensation Committee based on the person's performance through the closing of the asset sale. Based on the receipt by the Company of an assumed purchase price of \$67.2 million for its assets (which gives effect to a positive adjustment in the purchase price of \$2.1 million pursuant to the asset purchase agreement) and an assumed bank debt of \$31.0 million, the pool would be \$3.62 million (10% of such difference). The awards under the MIP would be payable after payment of all indebtedness of the Company and before any amounts are paid to holders of preferred or common stock of the Company. Approximately 45 persons may participate in the MIP, including: Cameron Reid, a former director and Chief Executive Officer of the Company who is currently a consultant to the Company under a consulting agreement described below; Jeffrey Weiss, an Executive Vice President - Sales and Marketing of the Company; Peter Giallorenzo, the Chief Operating Officer, Chief Financial Officer and an Executive Vice President of the Company; Kenneth Cappel, an Executive Vice President and General Counsel of the Company; and Raj Sutaria, an Executive Vice President of the Company.

7. The aggregate liquidation preference of all outstanding shares of Series A-1 Preferred as of May 27, 2008 was \$3,400,000. The Company anticipates that it will offer to repurchase all of the outstanding shares of Series A-1 Preferred by paying to the holders the aggregate liquidation preference of such shares as of the date of repurchase with a portion of the proceeds of the asset sale. Dr. Maganlal K. Sutaria, Perry Sutaria, Raj Holdings I, LLC ("Raj Holdings") and Rametra Holdings I, LLC ("Rametra Holdings") are the holders of an aggregate of 4,398,827 shares of Series A-1 Preferred, constituting all of the outstanding shares of Series A-1 Preferred. Raj Sutaria is the sole member and Perry Sutaria is the sole manager of Raj Holdings. Mona Rametra is the sole member and Perry Sutaria is the sole manager of Rametra Holdings. Raj Sutaria is the son of Maganlal Sutaria and a brother of Perry Sutaria. Perry Sutaria is the son of Maganlal Sutaria and a brother of Raj Sutaria. Mona Rametra is the daughter of Maganlal Sutaria and the sister of Raj Sutaria and Perry Sutaria.

8. The Company and Cameron Reid, a former director and Chief Executive Officer of the Company, have entered into a consulting agreement under which Mr. Reid is required to perform services for the Company equivalent to those which he performed as Chief Executive Officer. Mr. Reid and the Company were parties to an employment agreement dated June 24, 2005 which was terminated on April 13, 2008. Under that employment agreement the Company has accrued salary payable to Mr. Reid in the aggregate amount of \$200,000. The consulting agreement provides for payment to Mr. Reid of his accrued salary (but no other fees), within 20 days after the consummation of the asset sale. In addition, Mr. Reid shall participate in the MIP for 9% of the total amount that can be paid to all participants in the Plan. If the asset sale is not consummated or Mr. Reid voluntarily terminates the consulting agreement prior to an asset sale closing, the Company shall have no obligation to pay any accrued salary to Mr. Reid. Mr. Reid is also the holder of the Company's Secured 12% Promissory Note Due 2009 in the principal amount of \$833,333 (the "Reid Star Note") which evidences an \$833,333 loan made by Mr. Reid to the Company on November 14, 2007. Upon the consummation of the asset sale, the Company is required to pay off in full all of its indebtedness, which indebtedness would include all principal and outstanding interest on the Reid Star Note, before making any distributions to holders of its capital stock, including Common Stock.

The dissolution of the Company requires the approval of its Board of Directors and stockholders, and any distributions to the Company's preferred or common stockholders or redemptions of outstanding preferred stock will occur only when, as and if authorized by the Company's Board of Directors. Based on the receipt by the Company of assumed purchase prices of \$62.2 million and \$67.2 million for its assets (which in each case gives effect to a positive adjustment in the purchase price of \$2.1 million pursuant to the asset purchase agreement) and assuming that (a) \$52.5 million will be sufficient to satisfy all of the Company's debts and obligations and \$3.62 million will be paid to participants in the MIP, (b) the Company distributes the remaining proceeds to its stockholders, (c) no outstanding warrants and vested options are exercised, (d) we repurchase all of the outstanding shares of Series A-1 Preferred or pay liquidating distributions to the holders of all of the outstanding shares of Series A-1 Preferred, in either case, by paying to the holders the aggregate liquidation preference (including accrued but unpaid dividends) of such shares as of May 27, 2008 and (e) we repurchase all of the outstanding shares of Series D-1 Preferred or pay liquidating distributions to the holders of all of the outstanding shares of Series D-1 Preferred, in either case, by paying to the D-1 Holders an aggregate of \$12,200,080, in the case of a \$67.2 million purchase price, and \$11,268,000, in the case of a \$62.2 million purchase price (which amounts are net of amounts that the Series D-1 Holders shall pay to the holders of Common Stock and Bhupatlal Sutaria and Raj Sutaria under the Proceeds Sharing Agreement), we expect that the Company's directors, executive officers and their associates will receive the following amounts (not including amounts which may be payable under the MIP) from the proceeds of the asset sale. The following table reflects the amounts to be received under two scenarios - in the first, the Company will receive a purchase price of \$62.2 million if it fails to settle a claim and litigation on the terms required under the first amendment to the asset purchase agreement and in the second, the Company will receive a purchase price of \$67.2 million if it is able to settle a claim and litigation on the terms required under the first amendment:

THE ASSET PURCHASE AGREEMENT AND RELATED DOCUMENTS

Purchase and Sale of Assets

In exchange for \$61.6 million (as such amount shall be adjusted pursuant to the terms of the asset purchase agreement and the real estate contract) and the potential payment of up to \$3.5 million additional consideration to the Company and Interpharm, to the extent such funds are not used to indemnify Amneal and Kashiv pursuant to the terms of the sale agreements and the assumption by Amneal of certain liabilities of sellers, the sellers will sell and transfer to Amneal substantially all of the rights, properties and assets owned by the sellers (except for the excluded assets described below), free and clear of all liens encumbrances and other claims, except for certain liabilities that Amneal has agreed to assume. Kashiv has agreed to purchase the Real Property.

Excluded Assets

The assets of the sellers that Amneal will not be purchasing (the “Excluded Assets”) include the rights of the sellers under certain contracts which Amneal elects not to assume; certain receivables of the sellers; the sellers’ corporate minute books, stock ledgers, certificates of incorporation, bylaws, shareholders agreements, employee files and records, and related corporate documents and instruments; the shares of capital stock, limited liability company interests (except APR, LLC) or other securities which any seller holds in any of its subsidiaries; the rights of each Seller in and to the names and logos for “Interpharm”, “Interpharm Holdings” and certain other names and logos and any other assets Amneal elects to exclude before the closing. For a period of three years from and after the closing, Amneal shall have a royalty free transferable license to use the names “Interpharm” and “Interpharm Holdings” and the related logos in connection with its seeking to obtain regulatory approval to market and sell the products marked by the sellers.

Assumption of Liabilities by Amneal

As of and after the closing date of the sale agreement, Amneal shall assume certain liabilities, capital leases, trade payables and the performance obligations of the sellers under certain contracts.

Assumption of Mortgage on Real Property by Kashiv

The real estate contract provides that the sellers shall, upon request of Kashiv, use commercially reasonable efforts to cause the holder of the existing mortgage(s) encumbering the Real Property to assign such mortgage(s) to Kashiv’s lender at the closing. In such event Kashiv shall pay any and all costs in connection with the assignment. The amount paid by or on behalf of Kashiv to the holder(s) of such mortgage(s) shall be deemed a payment on account of the purchase price for the asset sale.

Payment of Purchase Price

At the closing, the Company will receive an amount equal to \$61.6 million plus or minus adjustments to such amount, including reductions for the mutually agreed value of all liabilities assumed by Amneal and the amount of reductions in inventory of the sellers between the dates of signing of the original agreement and closing of the asset sale and increases for the face amount of receivables of the sellers which are assigned to Amneal) as well as certain adjustments and prorations under the real estate contract. Amneal will also establish an escrow fund of \$3.5 million for the potential payment of up to \$3.5 million additional consideration to the Company and Interpharm, to the extent such funds are not used to indemnify Amneal and Kashiv pursuant to the terms of the asset purchase agreement and the real estate contract. In addition, all amounts advanced by Amneal to Interpharm, Inc. under the loan and security agreement discussed in the subsection entitled “Ancillary Agreements - Loan and Security Agreement” below shall be credited against the cash amount payable by Amneal at the closing of the asset sale.

Representations, Warranties, and Covenants

The sale agreements contain substantial representations and warranties of the Company and Interpharm, Inc. regarding the business and the assets being transferred to the buyers. These representations are effective as of the date of signing of the asset purchase agreement and as of the date of the closing of the asset sale.  - No violations: execution and performance of sale agreements will not (i) violate the governing documents of any seller or any other subsidiary of the Company, (ii) violate any applicable laws or (iii) result in a violation or breach of, or constitute a default under, or result in the creation of any lien upon, or create any rights of termination, cancellation or acceleration in any person with respect to any contract to which any seller or any other subsidiary of the Company is a party or by which the assets to be sold to the buyers are bound or any permit of any seller or any other subsidiary of the Company;

Litigation: Absence of pending or threatened litigation other than as disclosed.

Absence of Changes since December 31, 2007: Except (i) as reflected in the Company's unaudited consolidated balance sheet at December 31, 2007 or liabilities described in any notes, (ii) for liabilities incurred in the ordinary course of business or in connection with the asset purchase agreement or the transactions contemplated thereby, or (iii) performance obligations under contracts required in accordance with their terms, or performance obligations, to the extent required under applicable laws, in each case to the extent arising after the date of signing of the asset purchase agreement, since December 31, 2007 no seller or any other subsidiary of the Company has any material liabilities or obligations of any nature (whether accrued, absolute, contingent or otherwise) required by GAAP to be set forth on a financial statement or in the notes thereto. Since December 31, 2007 the business of the sellers has been conducted only in the ordinary course consistent with past practice and there has not been any change in the accounting methods, principles or practices of any seller or any other subsidiary of the Company.

The Company specifically notes, however, that since October 25, 2007, Wells Fargo Bank has limited the financing available to sellers under the terms of its Loan Agreement with sellers dated February 9, 2006, as amended, as modified by its forbearance agreements with sellers and, as a result of this limited financing, the sellers have experienced certain difficulties in obtaining raw materials and inventory items necessary to the operation of their business, which has had a materially adverse effect on the operations, inventory, sales, margins and financial condition of the business, and have resulted in sellers' operation of the business in a manner which is not consistent with past practice, all as more particularly described in the Disclosure Memorandum.

Ordinary Course: Except as described in the preceding paragraph, from December 31, 2007 to the date of signing of the asset purchase agreement: (i) the sellers' business has been operated in the ordinary course, consistent with past practice; (ii) there has been no event, change or development which, individually or in the aggregate, has had a material adverse effect on the sellers, their business or their ability to perform their obligations under the asset purchase agreement; and (iii) there has not been any damage, destruction or casualty loss to the physical properties of any seller or any of their suppliers.

Intellectual Property: The sellers and other subsidiaries of the Company whose intellectual property is being sold own all of the intellectual property to be transferred to Amneal, free and clear of any liens or restrictions of any kind (other than permitted liens). Between the date of signing of the asset purchase agreement and the Closing Date, the Company and Amneal shall each use their commercially reasonable efforts to (i) obtain promptly all such third party approvals and consents as are necessary or appropriate to the consummation of the transactions contemplated thereby, (ii) cause all conditions to the obligations of Amneal under the asset purchase agreement over which it is able to exercise influence or control to be satisfied prior to the Closing Date, and (iii) obtain promptly and timely comply with all requisite statutory, regulatory or court approvals, third party releases and consents, and other requirements necessary for the valid and legal consummation of the transactions contemplated thereby.

No Solicitation of Alternative Transactions

Until the asset sale has been completed or the asset purchase agreement has been terminated, the Company and its subsidiaries and the Majority Stockholders have agreed to, and have agreed to cause their respective directors, officers, managers, partners, shareholders, members, employees, consultants, contractors, representatives, agents, accountants, bankers, attorneys and other advisors (collectively, “Representatives”) to, cease any activities, discussions or negotiations with any parties that may be ongoing with respect to an Acquisition Proposal (defined as any inquiry, proposal, offer or expression of interest by any third party relating to a merger, consolidation or other business combination involving any seller, or any purchase of more than 20% of the consolidated assets of sellers or more than 20% of the outstanding shares of capital stock or membership interests any seller) and each seller and each Majority Stockholder shall not, and shall cause its respective Representatives, not to, directly or indirectly, (i) solicit, participate in, initiate or encourage (including by way of furnishing information), or take any other action designed or reasonably likely to facilitate or encourage, any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, any Acquisition Proposal or (ii) participate in any discussions or negotiations (including by way of furnishing information) regarding any Acquisition Proposal.

Termination, Amendments and Waivers

At any time prior to the closing, the sale agreements may be terminated, among other things, by reason of the following:

- by Amneal, upon written notice to Company, if any of Amneal's conditions to its obligations to close shall not have been fulfilled in all material respects at the time at which the closing would otherwise occur or if satisfaction of such a condition is or becomes impossible, provided that at the time of such notice Amneal must have complied in all material respects with its obligations under the asset purchase agreement; and provided, further, that the Company shall have ten (10) days after the date such notice is sent by Amneal in which to fulfill such conditions not fulfilled unless satisfaction of such a condition is or becomes impossible;

• by the Company, upon written notice to Amneal, if any of the Company's conditions to its obligations to close shall not have been fulfilled in all material respects at the time at which the Closing would otherwise occur or if satisfaction of such a condition is or becomes impossible, provided that at the time of such notice the Company must have complied in all material respects with its obligations under the asset purchase agreement; and provided, further, that Amneal shall have ten (10) days after the date such notice is sent by the Company in which to fulfill such conditions not fulfilled unless satisfaction of such a condition is or becomes impossible;

§ by the Company, in connection with Company's entering into a definitive agreement to effect an Acquisition Proposal provided that Company has complied, with the terms of the asset purchase agreement regarding the Company's entertaining Acquisition Proposals described in the section entitled "No Solicitation of Alternative Transactions" above and provided, further, that an election by Company to terminate the asset agreement for such reason shall not be effective until Company shall have paid Amneal a Break-up Fee described below and reimbursed Amneal's out of pocket costs and expenses plus paid Amneal an amount equal to all advances made by Amneal to the Company under the loan agreement described in the section "Loan and Security Agreement" above.

§ by Amneal, if (i) Company enters into a definitive agreement to effect an Acquisition Proposal, (ii) the Company's Board of Directors recommends that Company's shareholders accept or approve any Acquisition Proposal or (iii) the Company's Board of Directors withdraws or modifies, in a manner material and adverse to the Company, its recommendation regarding the transactions contemplated by the asset purchase agreement, in any case, regardless of whether Company has complied with the provisions of the asset purchase agreement relating to the Company's entertaining Acquisition Proposals.

§ automatically, if a DEA controlled substances license for the facility at 75 Adams Avenue, Hauppauge, New York 11788 and the Real Property has not been issued to Amneal by July 16, 2008 and Amneal and the Company do not mutually agree to extend the closing date of the sale agreements or Amneal waives the condition that it be issued such a license prior to the closing.

The Company shall be required to immediately reimburse Amneal for all advances made by Amneal to Interpharm, Inc. under the loan and security agreement in the event of a termination of the asset purchase agreement (i) by Amneal due to a failure to satisfy all of Amneal's closing conditions, (ii) by either party if the closing does not occur on or prior to September 16, 2008, (iii) by mutual agreement of the parties, (iv) if a DEA controlled substances license for the facility at 75 Adams Avenue, Hauppauge, New York and the Real Property has not been issued to Amneal by July 16, 2008, and the Company and Amneal do not agree to extend the closing date or waive the condition, (v) if the real estate contract is terminated by Amneal in accordance with its terms and (vi) for any of the reasons set forth in the subsection entitled "Break-up Fee" immediately below.

September 16, 2008 and within twelve months after such termination the Company enters into a definitive agreement with respect to, or consummates an Acquisition Proposal, then the Company must pay Amneal a break-up fee in an amount equal to 4% of the purchase price for the asset sale, reimburse Amneal's out of pocket costs and expenses plus pay Amneal an amount equal to all advances made by Amneal to the Company under the loan and security agreement. The maximum amount of Losses incurred by a party for which any party shall be liable for indemnification under the sale agreements shall not exceed \$3.5 million.

Escrow Agreement

Amneal, Kashiv, the Company, Interpharm, Inc. and Sovereign Bank, as a third-party escrow agent (the "Escrow Agent") will enter into an Escrow Agreement dated on or before the closing.

At the closing, \$3.5 million of the purchase price (the "Escrow Fund") will be placed in escrow and held by the Escrow Agent for the purpose of securing the indemnification obligations of the Company and Interpharm, Inc. set forth in the asset purchase agreement and real estate contract. The Escrow Fund shall be held as trust funds and shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any party, and shall be held and disbursed solely for the purposes and in accordance with the terms of the Escrow Agreement.

Ancillary Agreements

Restrictive Covenant Agreement

It is a condition precedent to the closing of the asset sale that the Company and Interpharm, Inc. enter into a Restrictive Covenant Agreement (the "Noncompete Agreement"). Under the terms of the Noncompete Agreement, each of the Company and Interpharm, Inc. will agree that for a period of five years from the Closing Date of the asset purchase agreement, it shall not, without Amneal's prior written consent, directly or indirectly (i) be Materially Interested in any business or activity which competes or endeavors to compete with the manufacture and sale of any of Products, (ii) in relation to any business or activity which is in competition with any of the Products, deal, negotiate or contract with any Client or Prospective Client, or canvass, solicit or endeavor to take away from the Buyer the business or custom of any Client or Prospective Client, or assist any third party to do so or (iii) endeavor to entice away from Amneal, or in any way seek to affect the terms of business on which Amneal deals with, any person who or which on the Closing Date of the asset purchase agreement or at any time during the 12 month period immediately preceding the Closing Date was an agent or distributor of any seller or a supplier of goods or services to any seller under the asset purchase agreement, or assist any third party to do so.

For purposes of the Noncompete Agreement, "Materially Interested" is defined as being directly or indirectly employed, appointed or engaged by or in any manner concerned or interested whether as partner, shareholder, member or otherwise, save for the ownership for investment purposes only of not more than 1% or less of any class of publicly traded equity and "products" is defined as having the same definition as the term in the asset purchase agreement, namely, all products of the sellers approved, pending approval and in development by any seller, whether or not discontinued or previously marketed.

In addition, under the Noncompete Agreement each of the Company and Interpharm, Inc. will agree that for a period of two years after the Closing Date of the asset purchase agreement, it shall not, without Amneal's prior written consent, directly or indirectly, solicit or endeavor to entice away from Amneal, or employ or engage, any person who was on the Closing Date, or at any time during the 12 month period immediately preceding the Closing Date, a director or Employee (as such term is defined in the asset purchase agreement) of any seller and hired by Amneal on or after the Closing Date, or assist any third party to do so. In addition, each of the Company and Interpharm, Inc. will agree at all times from and after the Closing Date, it: (i) will at all times hold in strictest confidence all of the sellers' proprietary and confidential information, (ii) will not, without Amneal's prior written consent, directly or indirectly, use (other than as an employee of Amneal) or disclose to any person any such confidential information or (iii) make critical, negative or disparaging remarks about the sellers' business or Amneal or its affiliates, or their respective officers, directors, shareholders, managers, members, partners employees or representatives.

Loan and Security Agreement

Simultaneously with the execution of the asset purchase agreement Amneal and Interpharm, Inc. entered into a loan and security agreement (the "loan and security agreement") providing for Amneal to make an initial loan to Interpharm Inc. of \$500,000 and up to 4 additional loans of \$250,000 each on the last business day of each of the four weeks after the initial loan is made. Interest on the outstanding principal of the loans made pursuant to the loan agreement accrues at the rate of 6% per annum. The loans are secured by a security interest, subordinate to the security interest held by Wells Fargo and the holders of certain subordinated notes of the Company, in the accounts, equipment, inventory, general tangibles and all other assets of Interpharm, Inc. and the proceeds of such collateral. The loans are repayable after the termination of the asset purchase agreement, but if the asset sale is consummated, the outstanding principal and accrued interest on the loans shall be credited against the purchase price for the asset sale and the loans shall then be deemed discharged.

Interpharm, Inc. shall have no obligation to repay the loans if the asset purchase agreement is terminated by the Company due to a failure to satisfy the closing conditions of the sellers and in certain other situations.

As of May 27, 2008 Amneal had loaned an aggregate of \$1,500,000 to Interpharm, Inc. under the loan agreement.

Sutaria, Perry Sutaria, Raj Holdings I, LLC ("Raj Holdings", and together with Perry Sutaria, and Dr. Maganlal K. Sutaria, the "Series A-1 Holders", and the Series A-1 Holders together with the Series D-1 Holders, the "Preferred Holders"), Raj Sutaria, Ravi Sutari and Bhupatalal K. Sutaria, entered into an Amended and Restated Proceeds Sharing Agreement (the "Proceeds Sharing Agreement").

As a condition to entering into the Proceeds Sharing Agreement, each of the Majority Stockholders executed and delivered to the Company a signed written consent of stockholders approving the asset purchase agreement and the asset sale. In the Proceeds Sharing Agreement the Majority Stockholders also agreed to refrain from exercising any dissenter rights or rights of appraisal under applicable law with respect to the asset sale and vote in favor of the asset sale at any regular or special meeting of stockholders (or vote by written consent). In addition, under the Proceeds Sharing Agreement, each of the Series D-1 Holders agreed, severally and not jointly, that, if, as a result of the asset sale, it receives distributions from the Company based on its holdings of the Series D-1 Preferred Stock in excess of \$6,500,000 (the "Excess Amount"), such Series D-1 Holder shall direct the Company to distribute or shall itself distribute, the Excess Amount to all holders of the Common Stock on a pro rata basis; provided, that, the Excess Amount distributed to the holders of Common Stock may not exceed \$3,000,000.

Pursuant to the Proceeds Sharing Agreement, the Preferred Holders agreed, severally and not jointly, that, if, as a result of the asset sale, the Series D-1 Holders receive distributions from the Company based on their holdings of the Series D-1 Preferred Stock in excess of \$2,000,000, each Preferred Holder shall pay to Bhupatlal K. Sutaria such Preferred Holder's pro rata share of \$850,000, except that if Bhupatlal K. Sutaria receives aggregate proceeds with respect to his shares of common stock in an amount greater than \$250,000, then any such excess amount shall reduce, dollar for dollar, the aggregate amount of \$850,000 payable to him as described earlier in this sentence.

The Preferred Holders agreed, severally and not jointly, that, if, as a result of the asset sale, the Series D-1 Holders receive distributions from the Company based on their holdings of the Series D-1 Preferred Stock in excess of \$2,000,000, each Preferred Holder shall pay to Raj Sutaria such Preferred Holder's pro rata share of \$350,000, except that if Raj Sutaria receives aggregate proceeds with respect to his shares of common stock in an amount greater than \$200,000, then any such excess amount shall reduce, dollar for dollar, the aggregate amount of \$350,000 payable to him as described earlier in this sentence.

GOVERNMENTAL AND REGULATORY MATTERS

Except with respect to the expiration of the 20-calendar day period from the dissemination of this Information Statement to the Company's stockholders until the asset sale may be consummated, the parties are not aware of any governmental or regulatory approvals required in connection with the consummation of the asset sale.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of the material U.S. federal income tax consequences to the Company upon the asset sale. The discussion does not cover all aspects of U.S. federal income taxation and does not address state, local, foreign or other tax laws. The summary is based on the tax laws of the United States, including the Internal Revenue Code of 1986, as amended, its legislative history, existing and proposed regulations thereunder, published rulings and court decisions, all as currently in effect and all subject to change at any time, possibly with retroactive effect.

The asset sale does not generate any U.S. federal income tax consequences to the stockholders of the Company. The Company, on the other hand, will recognize gain or loss on the sale of its assets to Amneal. The Company's gain or loss with respect to each asset sold will equal the difference between the portion of the purchase price allocable to that asset and the Company's basis in that asset. The amount of purchase price generally allocated to each asset will be determined based on the fair market value of that particular asset.

Any ordinary income or capital gain recognized for federal income tax purposes may be offset by any available capital loss carryforwards. At December 31, 2007 the Company has remaining Federal net operating losses of \$44,053,000 available through 2027. We believe that these net operating losses will be sufficient to offset any gains realized upon consummation of the asset sale.

ACCOUNTING TREATMENT OF THE ASSET SALE

The asset sale will be accounted for as a sale of assets transaction. At the closing of the asset sale, any excess in the purchase price received by the Company, less transaction expenses, if any, over the net book value of the net assets sold will be recognized as a gain.

STOCKHOLDER CONSENT TO THE ASSET SALE

Under Section 228 of the Delaware Law, unless otherwise provided in a corporation's certificate of incorporation, any action required to be taken at any annual or special meeting of stockholders, or any action that may be taken at any annual or special meeting of stockholders, may be taken without a meeting, without prior notice and

without a vote, if a written consent to that action is signed by stockholders having not less than the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all shares were present and vote.

As of May 28, 2008, there were (i) 66,738,426 shares of our Common Stock, (ii) 277,000 shares of Series C Preferred, (iii) 4,855,389 shares of Series A-1 Preferred and (iv) 20,825 shares of Series D-1 Preferred issued and outstanding. Under Delaware Law and the terms of our Certificate of Incorporation, as amended and as currently in effect, the asset sale requires the approval of the majority of the outstanding Common Stock and Voting Preferred Stock voting together as a single class. The holders of the Common Stock and Series C Preferred have one vote per share. The holders of Series D-1 have one vote per share of Common Stock into which such holders' shares of D-1 Preferred are then convertible. The shares of Series D-1 Preferred outstanding as of May 28, 2008 are convertible into 21,052,632 shares of Common Stock. Accordingly, the approval of holders of shares of Common Stock, Series C Preferred Stock and Series D-1 Preferred Stock entitled to cast 44,034,030 votes, voting together as a single class, is required to approve the asset sale. The Majority Stockholders, constituting the holders of a majority of the outstanding Common Stock and Voting Preferred Stock, voting together as a single class, have executed written consents approving the asset purchase agreement and the real estate contract and approving the transactions contemplated by each of those agreements in accordance with Section 228 of Delaware Law.

Accordingly, in accordance with Delaware Law and the Certificate of Incorporation of the Company, as amended and currently in effect, the holders of a majority of the outstanding shares of Common Stock and Voting Preferred Stock, voting as a single class, have approved the asset sale and the asset purchase agreement. The actions by written consent are sufficient to approve the sale and the other transactions contemplated by the asset purchase agreement and the real estate contract without any further action or vote of the stockholders of the Company. Accordingly, no other actions are necessary to approve the asset sale, and no such actions are being requested. The members of Amneal and Kashiv are not required to approve the asset sale.

Pursuant to Section 228 of the Delaware Law, the Company is delivering the accompanying notice of the stockholders' consent to all holders of the Company's common stock as of May 28, 2008 who did not participate in the action by written consent.

FINANCING OF THE ASSET SALE

The asset sale is not conditioned on any financing arrangements by Amneal and the consideration to be received by the Company at the closing will be immediately available funds.

OPINION OF HOULIHAN LOKEY

On May 7, 2008, Houlihan Lokey rendered a written opinion to the Board of Directors, to the effect that, as of May 7, 2008 and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion, the consideration to be received by the sellers in the asset sale was fair, from a financial point of view, to the sellers.

Houlihan Lokey's opinion was directed to the Board of Directors and only addressed the fairness from a financial point of view of the consideration to be received by the sellers in the asset sale and does not address any other aspect or implication of the asset sale. The summary of Houlihan Lokey's opinion in this information statement is qualified in its entirety by reference to the full text of its written opinion, which is included as Annex C to this information statement and sets forth the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion. We encourage our stockholders to read carefully the full text of Houlihan Lokey's written opinion. However, neither Houlihan Lokey's opinion nor the summary of its opinion and the related analyses set forth in this information are intended to be, and do not constitute advice or a recommendation to the Board of Directors or any stockholder as to how to act with respect to the asset sale or related matters.

In arriving at its opinion, Houlihan Lokey, among other things:

· reviewed the following agreements and documents:

- the original asset purchase agreement;
- the first amendment;
- the real estate contract;

- reviewed certain publicly available business and financial information relating to the Company that Houlihan Lokey deemed to be relevant;
- reviewed certain information relating to the current and future operations, financial condition and prospects of the Company made available to Houlihan Lokey by the Company, including (a) financial projections for the fiscal year

ending June 30, 2009, prepared by the management of the Company, relating to the Company as a going concern, (b) cash flow projections for the thirteen week period ending June 20, 2008 (together, the “Projections”) and (c) a liquidation analysis prepared by the management of the Company (the “Liquidation Analysis”);

- spoke with certain members of the management of the Company regarding the business, operations, financial condition and prospects of the Company, the asset sale and related matters, including management's views of the operational and financial risks and uncertainties attendant with not pursuing the asset sale;
- reviewed the current and historical market prices and trading volume for Company Common Stock;
- reviewed a certificate addressed to Houlihan Lokey from senior management of the Company which contained, among other things, representations regarding the accuracy of the information, data and other materials (financial or otherwise) provided to Houlihan Lokey by or on behalf of the Company; and
- conducted such other financial studies, analyses and inquiries and considered such other information and factors as Houlihan Lokey deemed appropriate.

Houlihan Lokey relied upon and assumed, without independent verification, the accuracy and completeness of all data, material and other information furnished, or otherwise made available to it, or that it discussed or reviewed, or that was publicly available, and did not assume any responsibility with respect to such data, material and other information. In addition, management of the Company advised Houlihan Lokey, and Houlihan Lokey assumed, that the Projections and Liquidation Analysis reviewed by Houlihan Lokey were reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of management as to the future financial results and condition of the Company (or the future results of any liquidation thereof) and Houlihan Lokey expressed no opinion with respect to such projections, analysis or the assumptions on which they are based. Houlihan Lokey noted that the Projections and Liquidation Analysis are subject to significant uncertainty, particularly in light of the Company's recent financial performance, current financial condition, current and prospective access to capital, current and prospective liquidity and unfavorable future prospects. In this regard, Houlihan Lokey relied upon and assumed that the Company is unable to obtain financing in an amount or on terms that will allow the Company to continue as a going concern and therefore, absent the asset sale, the Company will have no alternative other than to seek protection under U.S. bankruptcy laws, which would likely result in a liquidation of the Company. Houlihan Lokey relied upon and assumed, without independent verification, that there had been no material change in the business, assets, liabilities, financial condition, results of operations, cash flows or prospects of the Company since the date of the most recent financial statements provided to Houlihan Lokey, and that there was no information or any facts that would make any of the information reviewed by Houlihan Lokey incomplete or misleading. Houlihan Lokey did not consider any aspect or implication of any transaction to which the Company or any of its security holders may be a party (other than as specifically described in its opinion with respect to the asset sale).

Houlihan Lokey relied upon and assumed, without independent verification, that (a) the representations and warranties of all parties to the agreements listed above and all other related documents and instruments that are referred to those agreements are true and correct, (b) each party to all such agreements and other related documents and instruments will fully and timely perform all of the covenants and agreements required to be performed by such party, (c) all conditions to the consummation of the asset sale will be satisfied without waiver thereof, and (d) the asset sale will be consummated in a timely manner in accordance with the terms described in the agreements and documents provided to Houlihan Lokey, without any amendments or modifications. Houlihan Lokey also relied upon and assumed, without independent verification, that (i) the asset sale will be consummated in a manner that complies in all respects with all applicable federal and state statutes, rules and regulations, and (ii) all governmental, regulatory, and other consents and approvals necessary for the consummation of the asset sale will be obtained and that no delay, limitations, restrictions or conditions will be imposed or amendments, modifications or waivers made that would result in an adverse effect on the amount or timing of receipt of the consideration. The Company informed Houlihan Lokey that (i) it has very little or no unrestricted cash on hand, (ii) financial projections that represent the best currently available estimates and judgments of the Company management as to the future financial results and operations of the Company exist only through June 30, 2009, and (iii) as referred to above, the Company was unable to obtain financing sufficient to continue as a going concern. As a result, in reaching the conclusion in its opinion,

Houlihan Lokey did not perform a discounted cash flow analysis. In addition, Houlihan Lokey reviewed data regarding publicly traded companies in the same industry as the Company and recent change of control transactions involving companies in the same industry as the Company. However, because of (i) the Company's lack of financing, (ii) the lack of publicly traded companies in the same industry as the Company facing similar going concern issues, and (iii) the lack of recent change of control transactions involving companies in the same industry as the Company facing similar going concern issues, Houlihan Lokey did not rely, in whole or in part, on either a comparable public companies analysis or a comparable mergers and acquisitions transaction analysis in reaching the conclusion set forth in its opinion.

Furthermore, in connection with its opinion, Houlihan Lokey was not requested to make, and did not make, any physical inspection or independent appraisal or evaluation of any of the assets, properties or liabilities (fixed, contingent, derivative, off-balance-sheet or otherwise) of any of the sellers or any other party, nor was Houlihan Lokey provided with any such appraisal or evaluation, other than (a) the Liquidation Analysis, and (b) certain appraisals relating to the Real Property and the machinery and equipment of the sellers (collectively, the “Appraisals”). Houlihan Lokey relied upon and assumed, without independent verification, the accuracy of the conclusions set forth in the Liquidation Analysis and the Appraisals, and assumed that the assumptions, estimates and conclusions contained in the Liquidation Analysis accurately reflect the outcome of an orderly liquidation of the sellers’ assets. Houlihan Lokey is not a real estate, machinery or equipment appraisal firm, and did not express any opinion with respect to such subject matter. If the conclusions set forth in the Appraisals and the Liquidation Analysis are not accurate, the conclusion set forth in the Houlihan Lokey opinion could be materially affected. Houlihan Lokey did not estimate, and expressed no opinion regarding, the liquidation value of any entity or asset. Houlihan Lokey noted, however, that the Liquidation Analysis reflects the belief of management of the Company that the liquidation value of the Company’s assets is substantially lower than the amount of the consideration. Houlihan Lokey did not undertake any independent analysis of any potential or actual litigation, regulatory action, possible unasserted claims or other contingent liabilities, to which the Company is or may be a party or is or may be subject, or of any governmental investigation of any possible unasserted claims or other contingent liabilities to which any of the sellers is or may be a party or is or may be subject. Houlihan Lokey assumed, with the Company’s consent, that the consideration will not be reduced pursuant to Schedule 2.3(c) of the asset purchase agreement by more than \$5 million as a result of any liability assumed by the buyers related to pending litigation.

Houlihan Lokey was not requested to, and did not, (a) initiate or participate in any discussions or negotiations with, or solicit any indications of interest from, third parties with respect to the asset sale, the assets, businesses or operations of any of the sellers, or any alternatives to the asset sale, (b) negotiate the terms of the asset sale, or (c) advise the Board of Directors or any other party with respect to alternatives to the asset sale. In reaching its conclusion, Houlihan Lokey considered the status of the Company’s ongoing negotiations with its lenders with respect to the Company’s defaults on the covenants of its credit facilities and Houlihan Lokey’s discussions with Company management as to the Company’s financing alternatives and recent efforts to raise additional capital and seek other strategic alternatives, including a potential sale of the Company and/or its assets. The opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to Houlihan Lokey as of, the date of the opinion. Houlihan Lokey did not undertake, and is under no obligation, to update, revise, reaffirm or withdraw this opinion, or otherwise comment on or consider events occurring after May 7, 2008.

Houlihan Lokey’s opinion was furnished for the use and benefit of the Board of Directors in connection with the exercise of its fiduciary duties, and may not be relied on by any other person or used for any other purpose without Houlihan Lokey’s prior written consent. The opinion should not be construed as creating any fiduciary duty on the part of Houlihan Lokey to any party. The opinion was not intended to be, and does not constitute, a recommendation to the Board of Directors, any security holder or any other person as to how to act with respect to any matter relating to the asset sale.

Houlihan Lokey was not requested to opine as to, and the opinion does not express an opinion as to or otherwise address: (i) the underlying business decision of any of the sellers, their respective security holders or any other party to proceed with or effect the asset sale, (ii) the terms of any arrangements, understandings, agreements or documents related to, or the form or any other portion or aspect of, the asset sale or otherwise (other than the consideration to the extent expressly specified in the opinion), including the terms of the Proceeds Sharing Agreement, (iii) the fairness of any portion or aspect of the asset sale to the holders of any class of securities, creditors or other constituencies of any of the sellers, or to any other party, including the terms of the Proceeds Sharing Agreement, except as set forth in the opinion, (iv) the relative merits of the asset sale as compared to any alternative business strategies that might exist for any of the sellers or any other party or the effect of any other transaction in which any of the sellers or any other party might engage, (v) the fairness of any portion or aspect of the asset sale to any one class or group of any of the sellers’

or any other party's security holders vis-à-vis any other class or group of any of the sellers' or such other party's security holders (including without limitation (a) the allocation of any consideration amongst or within such classes or groups of security holders, whether pursuant to the Proceeds Sharing Agreement, or otherwise, (b) the allocation of the consideration amongst the sellers, or (c) the allocation of the consideration amongst the assets purchased in the asset sale), (vi) whether or not any of the sellers, their respective security holders or any other party is receiving or paying reasonably equivalent value in the asset sale, (vii) the solvency, creditworthiness or fair value of any of the sellers or any other participant in the asset sale under any applicable laws relating to bankruptcy, insolvency, fraudulent conveyance or similar matters, or (viii) the fairness, financial or otherwise, of the amount or nature of any compensation to or consideration payable to or received by any officers, directors or employees of any party to the asset sale, any class of such persons or any other party, relative to the consideration or otherwise. Furthermore, no opinion, counsel or interpretation was intended by Houlihan Lokey in matters that require legal, regulatory, accounting, insurance, tax or other similar professional advice. Houlihan Lokey assumed that such opinions, counsel or interpretations have been or will be obtained from the appropriate professional sources. Furthermore, Houlihan Lokey relied, with the Company's consent, on the assessment by the Company and its advisers, as to all legal, regulatory, accounting, insurance and tax matters with respect to the sellers and the asset sale.

In preparing its opinion to the Board of Directors, Houlihan Lokey performed a variety of analyses, including those described below. The summary of Houlihan Lokey's analyses is not a complete description of the analyses underlying Houlihan Lokey's opinion. The preparation of a fairness opinion is a complex process involving various quantitative and qualitative judgments and determinations with respect to the financial, comparative and other analytical methods employed and the adaptation and application of these methods to the unique facts and circumstances presented. As a consequence, neither a fairness opinion nor its underlying analyses is readily susceptible to summary description. Houlihan Lokey arrived at its opinion based on the results of all analyses undertaken by it and assessed as a whole and did not draw, in isolation, conclusions from or with regard to any individual analysis, methodology or factor. Accordingly, Houlihan Lokey believes that its analyses and the following summary must be considered as a whole and that selecting portions of its analyses, methodologies and factors or focusing on information presented in tabular format, without considering all analyses, methodologies and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying Houlihan Lokey's analyses and opinion. Each analytical technique has inherent strengths and weaknesses, and the nature of the available information may further affect the value of particular techniques.

In performing its analyses, Houlihan Lokey considered general business, economic, industry and market conditions, financial and otherwise, and other matters as they existed on, and could be evaluated as of, the date of the opinion. Houlihan Lokey's analyses involved judgments and assumptions with regard to industry performance, general business, economic, regulatory, market and financial conditions and other matters, many of which are beyond the control of the Company, such as the impact of competition on the business of the Company and on the industry generally, industry growth and the absence of any adverse material change in the financial condition and prospects of the Company or the industry or in the markets generally. No company, transaction or business used in Houlihan Lokey's analyses for comparative purposes is identical to the Company or the proposed asset sale and an evaluation of the results of those analyses is not entirely mathematical. Houlihan Lokey believes that mathematical derivations (such as determining average and median) of financial data are not by themselves meaningful and should be considered together with qualities, judgments and informed assumptions. While the results of each analysis were taken into account in reaching its overall conclusion with respect to fairness, Houlihan Lokey did not make separate or quantifiable judgments regarding individual analyses. The estimates contained in the Company's analyses and the sensitivity reference range indicated by Houlihan Lokey's analyses are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by the analyses. In addition, any analyses relating to the value of assets, businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold, which may depend on a variety of factors, many of which are beyond the control of our company. Much of the information used in, and accordingly the results of, Houlihan Lokey's analyses are inherently subject to substantial uncertainty.

Neither Houlihan Lokey's opinion nor its analyses were determinative of the consideration or of the views of the Board of Directors or management with respect to the asset sale. The type and amount of consideration payable in the asset sale were determined through negotiation between the Company and Amneal, and the decision to enter into the asset sale was solely that of the Board of Directors.

The following is a summary of the material analyses performed by Houlihan Lokey in connection with Houlihan Lokey's opinion rendered on May 7, 2008. The order of the analyses does not represent relative importance or weight given to those analyses by Houlihan Lokey. The analyses summarized below include information presented in tabular format. The tables alone do not constitute a complete description of the analyses. Considering the data in the tables below without considering the full narrative description of the analyses, as well as the methodologies underlying, and the assumptions, qualifications and limitations affecting, each analysis, could create a misleading or incomplete view of Houlihan Lokey's analyses.

Review of Solicitation Process and Situational Factors

· Houlihan Lokey reviewed its understanding as to the solicitation process undertaken by the Company in exploring third party interest in a refinancing transaction, a capital infusion transaction and a strategic acquisition of the Company.

· Starting in January 2008, the Company approached 29 lenders regarding a refinancing of its Wells Fargo credit facilities, six private equity firms regarding a capital infusion and 13 strategic buyers regarding a sale of the Company.

Five of 29 lenders contacted expressed initial interest in refinancing the Wells Fargo facilities, but all lenders subsequently declined to pursue a refinancing.

Two of the six private equity firms contacted expressed interest regarding a capital infusion. Terms discussed with one of the firms were unacceptable to existing holders of Company preferred stock; other firm subsequently declined to pursue a capital infusion.

Four of 13 strategic buyers contacted expressed initial interest regarding a sale of the business and the Company entered negotiations with the highest bidder, Amneal.

· Without the emergency working capital from Amneal, the Company would have been forced to declare bankruptcy within two weeks.

If the Company is unable to consummate the asset sale with the Amneal, the Company will likely have no alternative other than to seek protection under the U.S. bankruptcy laws, which will likely result in a liquidation of the Company.

Review of Financial Analysis

Hypothetical Liquidation Analysis-Company Case. Houlihan Lokey reviewed a hypothetical liquidation analysis for the Company prepared by the Company, which was based in part on the Company's balance sheet as of March 31, 2008 (except for accounts receivable) and various assumed realization values. The Company's assumed recovery values are set forth below:

Type of Asset	Net Book Value as of 3/31/08	Estimated Liquidation Value (in millions)
Cash and Equivalents	\$ 0.6	\$ 0.6
Accounts Receivable (Net of Allowances) (as of 4/16/08)	13.8	7.0
Inventory - Raw Materials	2.4	0.6

Hypothetical Liquidation Analysis-Sensitivity Case. Houlihan Lokey also sensitized the Company's liquidation analysis described above to account for more aggressive recovery assumptions regarding accounts receivables, inventory, real estate and certain machinery and equipment. This analysis indicated that in such events the high end of the recovery range for the Company's assets was approximately 25% below the estimated proceeds from the transaction. The sensitized assumed recovery reference range is set forth below:

	Book Value	Recovery %	Sensitivity Reference Range	
			Low	High
			(in millions)	
Cash and Equivalents	\$ 0.6	100% - 100%	\$ 0.6	\$ 0.6
Accounts Receivable (Net of Allowances) (as of 4/16/08)	13.8	70% - 80%	9.7	11.0
Inventory - Raw Materials	2.4	50% - 75%	1.2	1.8
Inventory - Work in Progress	2.4	25% - 50%	0.6	1.2
Inventory - Finished Goods	2.9	50% - 75%	1.5	2.2
Prepaid Expenses and Other Current Assets	1.0	0% - 0%	0.0	0.0
Building - 50 Horseblock Road (including land)	11.9	143% - 188%	17.0	22.3
Machinery & Equipment	17.5	35% - 39%	6.2	6.8
Other Assets	1.7	100% - 100%	1.7	1.7
Total	\$ 54.3		\$ 38.5	\$ 47.7

Selected Companies Analysis. Houlihan Lokey did not rely in whole or in part, on a comparable public companies analysis in reaching the conclusion set forth in its opinion because of the Company's lack of ability to obtain financing and the lack of publicly traded companies in the same industry as the Company facing similar going concern issues.

Selected Transactions Analysis. Houlihan Lokey did not rely, in whole or in part, on a comparable mergers and acquisitions transactions analysis in reaching the conclusion set forth in its opinion because of the Company's lack of ability to obtain financing and the lack of recent change of control transactions involving companies in the same industry as the Company facing similar going concern issues.

Discounted Cash Flow Analysis. For the reasons discussed above, Houlihan Lokey did not perform a discounted cash flow analysis.

Other Matters

Houlihan Lokey was engaged by the Company to provide an opinion to the Board of Directors regarding the fairness from a financial point of view of the consideration to be received by the sellers in the asset sale. We engaged Houlihan Lokey based on Houlihan Lokey's experience and reputation. Houlihan Lokey is regularly engaged to render financial opinions in connection with mergers, acquisitions, divestitures, leveraged buyouts, recapitalizations, and for other purposes. Pursuant to the engagement letter, the Company paid Houlihan Lokey a customary fee for its services, a portion of which became payable upon the execution of Houlihan Lokey's engagement letter and the balance of which became payable upon the delivery of Houlihan Lokey's opinion, regardless of the conclusion reached therein. No portion of Houlihan Lokey's fee is contingent upon the successful completion of the asset sale. The Company has also agreed to reimburse Houlihan Lokey for certain expenses and to indemnify Houlihan Lokey, its affiliates and certain related parties against certain liabilities and expenses, including certain liabilities under the federal securities laws arising out of or relating to Houlihan Lokey's engagement.

In the ordinary course of business, certain of Houlihan Lokey's affiliates, as well as investment funds in which they may have financial interests, may acquire, hold or sell, long or short positions, or trade or otherwise effect transactions, in debt, equity, and other securities and financial instruments (including loans and other obligations) of, or investments in, any of the sellers, the buyers or any other party that may be involved in the asset sale and their respective affiliates or any currency or commodity that may be involved in the asset sale. The Company has agreed to reimburse certain of Houlihan Lokey's expenses and to indemnify Houlihan Lokey and certain related parties for certain liabilities arising out of its engagement.

Houlihan Lokey and its affiliates may provide investment banking, financial advisory and other financial services to any of the sellers, the buyers and other participants in the asset sale and their respective affiliates in the future, for which Houlihan Lokey and such affiliates may receive compensation.

(ii) the Base Cash Amount shall be reduced by an amount equal to the amount of the Assumed Liabilities assumed under Sections 2.3(a), 2.3(b) and 2.3(c); provided, however, that the dollar amount ascribed to the liability of the pending litigation assumed under Section 2.3(c) shall be as mutually agreed by Buyer and Company after good faith negotiations during the Due Diligence Period (subject to the provisos to Section 2.3(c)) and, if the parties cannot so agree on a dollar amount to be ascribed to the liability for any pending litigation matter, such pending litigation matter shall not be assumed by Buyer;

(iii) the Base Cash Amount shall be increased by an amount equal to the amount of the face value of the Receivables (other than the Excluded Receivables) outstanding as of the Closing which have not been outstanding more than ninety (90) days for retail accounts and one hundred twenty (120) days for wholesale accounts since invoicing (less reserves for returns, allowances, credits, rebates, prebates and chargebacks in amounts satisfactory to Buyer and consistent with Sellers’ past practices);

(v) the Base Cash Amount shall be reduced by an amount equal to the amount of any reductions in the aggregate dollar value ascribed to Inventory (net of reserves) between the Signing Date and the Closing Date, as determined in accordance with Section 2.6(b) below.

(b) Determination of Inventory. On or prior to the fifth (5th) Business Day prior to the Closing Date, Company shall deliver to Buyer a written statement setting forth in reasonable detail a list of Inventory and the calculation by Company of the dollar values thereof and the computations used in connection therewith. The dollar values ascribed to Inventory shall be based on Company's accounting and valuation methods consistent with past practices and consistently applied, provided that any Inventory with a shelf life of less than fourteen (14) months (except for Midrin which shall have a minimum shelf life of twelve (12) months) shall be ascribed no value. During the two (2) Business Day period following the receipt by Buyer of such statement, Buyer and its Representatives shall be permitted to: (i) review during normal business hours and make copies reasonably required of (x) the working papers of Company relating to the preparation of such statement and (y) any supporting schedules, supporting analyses and other supporting documentation relating to the preparation of such statement; and (ii) perform a reasonable spot check (physical count) of the Inventory. In the event Buyer disagrees with the dollar values ascribed to Inventory reflected on such statement, Buyer and Company shall seek in good faith to resolve in writing any differences which they may have with respect thereto on or prior to Closing Date. At the close of business on the day before Closing, parties will update (as of such date) the list of Inventory and the calculation of the dollar values thereof for the changes from the date the above referenced Inventory statement was first delivered to Buyer. At Closing, the Base Cash Amount shall be adjusted in accordance with Section 2.6(a)(v) above based on the determinations made pursuant to this Section 2.6(b). Such determination and adjustment shall be final and binding on all parties, and no further adjustments based on Section 2.6(a)(v) above shall be made pursuant to Section 2.6(c) below.

(c) Adjustment Process.

(i) Notwithstanding anything herein to the contrary, for purposes of this Section 2.6(c), the terms "Cash Amount Adjustments" and "Closing Cash Amount" shall be deemed to exclude the adjustments under Section 2.6(a)(v), which shall instead be determined in accordance with Section 2.6(b) above and adjusted at the Closing.

(ii) On or prior to the fifth (5th) Business Day prior to the Closing Date, Company shall deliver to Buyer a written statement (the "**Preliminary Statement**") setting forth in reasonable detail the calculation by Company of the Closing Cash Amount, the Cash Amount Adjustments and the computations used in connection therewith. During the two (2) Business Day period following the receipt by Buyer of the Preliminary Statement, Buyer and its representatives shall be permitted to review during normal business hours and make copies reasonably required of (x) the working papers of Company, and, if relevant, its independent auditors relating to the preparation of the Preliminary Statement and (y) any supporting schedules, supporting analyses and other supporting documentation relating to the preparation of the Preliminary Statement.

(iii) In the event Buyer disagrees with the Closing Cash Amount or the Cash Amount Adjustments reflected on the Preliminary Statement, Buyer shall notify Company of such disagreement within two (2) Business Days after receipt thereof (the “**Buyer Disagreement Notice**”), such Buyer Disagreement Notice to include the amount Buyer believes to be the correct Closing Cash Amount and/or Cash Amount Adjustments, as the case may be. If the Buyer Disagreement Notice is not received by Company within such two Business Day period, the Closing Cash Amount and the Cash Amount Adjustments included in the Preliminary Statement shall be used in order to determine the Purchase Price paid at Closing.

(iv) If a Buyer Disagreement Notice which disputes the Closing Cash Amount or the Cash Amount Adjustments included in the Preliminary Statement is received by Company within such two (2) Business Day period, then:

(x) the Closing Cash Amount used in order to determine the Purchase Price paid at Closing shall be the lower of: (A) the Closing Cash Amount included in the Preliminary Statement; and (B) the Closing Cash Amount included in the Buyer Disagreement Notice; and

(y) within thirty (30) days after the Closing, Buyer shall prepare and deliver to Company a written statement (the “**Statement**”) setting forth in reasonable detail its calculation of Closing Cash Amount and the Cash Amount Adjustments.

(v) During the ten (10) day period following the receipt by Company of the Statement, Company and their Representatives shall be permitted to review during normal business hours and make copies reasonably required of (x) the working papers of Buyer, Company and, if relevant, its independent auditors relating to the preparation of the Statement and (y) any supporting schedules, supporting analyses and other supporting documentation relating to the preparation of the Statement. The Statement shall become final and binding upon the parties on the tenth (10th) day following delivery thereof, except to the extent that Company gives written notice of disagreement with the Statement (the “**Company Disagreement Notice**”) to Buyer prior to such date. Any Company Disagreement Notice shall (A) specify in reasonable detail the nature of any disagreement so asserted (any such disagreement to be limited to whether such calculation of Closing Cash Amount and the Cash Amount Adjustments are mathematically correct and/or have been prepared in accordance with the definition of the Closing Cash Amount and the Cash Amount Adjustments, and the definitions included in such definitions) and (B) if independent auditors are engaged by Company in connection with the preparation of the Company Disagreement Notice, be accompanied by a certificate of the independent auditors of Company that they concur with each of the positions taken by Company in the Company Disagreement Notice. If a Company Disagreement Notice complying with the preceding sentence is received by Buyer in a timely manner, then the Statement (as revised in accordance with clause (I) or (II) below) shall become final and binding upon the parties on the earlier of (I) the date Buyer and Company resolve in writing any differences they have with respect to the matters specified in the Company Disagreement Notice or (II) the date any disputed matters are finally resolved in writing by the Accounting Firm (as defined below).

(vi) During the fifteen (15) day period following the delivery of a Company Disagreement Notice that complies with the preceding paragraph, Buyer and Company shall seek in good faith to resolve in writing any differences which they may have with respect to the matters specified in the Company Disagreement Notice. During such period, Buyer and its independent auditors shall be permitted to review and make copies reasonably required of (i) the working papers of Company and, if relevant, the designated independent auditors (if any) of Company relating to the preparation of the Company Disagreement Notice and (ii) any supporting schedules, supporting analyses and other supporting documentation relating to the preparation of the Company Disagreement Notice.

(vii) If, at the end of such fifteen (15) day period, the differences as specified in the Company Disagreement Notice are not resolved, Company and Buyer shall within ten (10) days following the end of such fifteen (15) day period engage a nationally recognized independent accounting firm mutually and reasonably acceptable to Buyer and Company (the “**Accounting Firm**”) and submit to the Accounting Firm for review and resolution of any and all matters which remain in dispute and which are properly included in the Company Disagreement Notice. In acting hereunder, the Accounting Firm shall be acting as accounting experts and not as arbitrators. In resolving any disputed item, the Accounting Firm shall: (i) be bound by the provisions of this Section 2.6 and the definitions of Closing Cash Amount and Cash Amount Adjustments and the definitions included in such definitions; and (ii) limit its review to matters still in dispute as specifically set forth in the Company Disagreement Notice (and only to the extent such matters are still in dispute following such fifteen (15) day period). The Accounting Firm’s determination of any item that is a component of Closing Cash Amount or Cash Amount Adjustments and is the subject of a dispute cannot, however, be in excess of, or less than, the greatest or lowest value, respectively, claimed for any particular item in the Statement or the Company Disagreement Notice (or, if different, the value claimed by the relevant party at the end of such fifteen (15) day period). Company and Buyer shall each use their reasonable efforts to cause the Accounting Firm to render a decision resolving the matters in dispute within thirty (30) days following the submission of such matters to the Accounting Firm. Company and Buyer agree that judgment may be entered upon the determination of the Accounting Firm in any court having jurisdiction over the party against which such determination is to be enforced.

(viii) Except as specified in the following sentence, the fees and expenses of the Accounting Firm in connection with the Accounting Firm's determination of Closing Cash Amount or Cash Amount Adjustments pursuant to this Section 2.6 shall be borne, in its entirety, by the party whose calculation of the Closing Cash Amount as initially submitted to the Accounting Firm is furthest away from the Closing Cash Amount as determined by the Accounting Firm. The fees and expenses of Buyer's independent auditors (if any) incurred in connection with the issuance of the Statement and review of the Company Disagreement Notice, if any, shall be borne by Buyer, and the fees and expenses of the independent auditors of Company incurred in connection with their review of the Statement and their preparation of the Company Disagreement Notice, if any, shall be borne by Company.

(ix) If the Closing Cash Amount as determined by the Accounting Firm is greater than the Closing Cash Amount used in order to determine the Purchase Price paid at Closing, Buyer shall, within five (5) Business Days after the final determination of the Closing Cash Amount and Cash Amount Adjustments, make payment to Company, by wire transfer of immediately available funds, of the amount of such excess. If the Closing Cash Amount as determined by the Accounting Firm is less than the Closing Cash Amount used in order to determine the Purchase Price paid at Closing, Company shall, within five (5) Business Days after the final determination of the Closing Cash Amount and Cash Amount Adjustments, make payment to Buyer, by wire transfer of immediately available funds, of the amount of such shortfall. Buyer and Company agree that the amount of any payment to be made pursuant to this Section 2.6(c)(viii) shall bear interest from (and including) the Closing Date to (but excluding) the date of payment at a rate per annum equal to the "prime rate" of interest in effect at Wells Fargo on the Closing Date. Such interest shall be payable at the same time as the payment to which it relates and shall be calculated daily, on the basis of a year of 365 days and the actual number of days elapsed, and compounded annually.

(x) Any payment required to be made under this Section 2.6 shall be deemed an adjustment to the Purchase Price.

2.7 Allocation of Consideration Among Acquired Assets. Buyer and Sellers shall file all income tax returns or reports, including without limitation, IRS Form 8594, for their respective taxable years in which the Closing occurs to reflect an allocation of the Consideration among the Acquired Assets in a manner consistent with the allocations set forth on Schedule 2.7 and Buyer and Sellers shall not take any position inconsistent therewith before any Governmental Authority charged with the collection of taxes or in any judicial proceedings relating to such tax reporting.

2.8 Due Diligence Contingency. Buyer shall have a period, commencing on the Signing Date and ending on the earlier of the Closing Date and April 30, 2008 (the "***Due Diligence Period***"), to conduct (directly and through its Representatives) any and all legal, regulatory, financial, business, environmental and other investigations, evaluations and inspections regarding the assets, liabilities, prospects, vendors, customers, Employees, operations and affairs of the Business, Sellers and their Products and the Sellers Real Property (the "***Due Diligence***") as desired by Buyer (including, but not limited, to a review of the ANDAs and the intellectual property matters applicable to each of such Products). If Buyer is not satisfied, in its sole discretion, with the results of its Due Diligence, it may elect to exercise its termination rights pursuant to Section 7.1(e), upon the conditions and subject to the limitations set forth therein.

2.9 **Excluded Receivables.**

(a) Buyer shall have the right to elect, by written notice to Company given at any time within the Due Diligence Period, to not assume such Receivables as it may choose having an aggregate face amount of not more than Three Hundred Thousand Dollars (\$300,000) (any Receivables which Buyer so elects not to assume are hereinafter referred to as “***Excluded Receivables***”). Buyer shall, at no cost to Buyer, use commercially reasonable efforts (consistent with its own receivables collection practices) to assist Company in the collection of and/or collect the Excluded Receivables on Company’s behalf.

(b) From and after the Closing, Company shall have the right and authority to collect for its own account all Excluded Receivables and to endorse any checks or drafts received with respect to any Excluded Receivables. Buyer will promptly deliver to Company any cash or other property received directly or indirectly by it with respect to the Excluded Receivables, including any amounts payable as interest.

2.10 **Escrow Fund Arrangement.**

(a) On the Closing Date, Buyer will deliver to Sovereign Bank or such financial institution as may be proposed by Buyer and reasonably acceptable to Company (the “***Escrow Agent***”) by wire transfer of immediately available funds, a cash amount equal to the Escrow Amount, which amount shall be held in accordance with Section 2.5(c) above (together with all interest earned thereon, the “***Escrow Fund***”) all pursuant to the terms of an agreement among the Escrow Agent, Buyer and Company in form and substance as may be mutually agreed by the parties (the “***Escrow Agreement***”). Each of Company and Buyer covenants to endeavor to negotiate in good faith and use its diligent efforts to reach mutual agreement on the terms of the Escrow Agreement prior to the expiration of the Due Diligence Period. The Escrow Fund shall be available for any of Buyer’s indemnity claims as set forth in Article VIII below or any payment required to be made to Buyer under Section 2.6.

(b) The Escrow Fund shall be held as a trust fund, shall be the property of Buyer pending disbursement to Sellers and shall not be subject to any Lien, attachment, trustee process or any other judicial process of any creditor of any party, and shall be held and disbursed solely for the purposes and in accordance with the respective terms of the Escrow Agreement.

(b) In the event that any Seller receives notice that the FDA intends to inspect the Sellers Real Property (a "**FDA Inspection**"), Company shall immediately notify Buyer and provide Buyer with a copy of such FDA notice and, at any time after the expiration of the Due Diligence Period, will allow a representative from Buyer to be present during the FDA Inspection (without participation). 5.5 Records Pertaining to Sellers.

(a) At the Closing, Company shall deliver or cause to be delivered to Buyer any and all books and records in the possession of any Seller applicable to any Seller, the Business or the Acquired Assets (other than any Seller's corporate and limited liability company minute books, stock/unit ledgers, certificates of incorporation, bylaws, shareholders agreements, certificates of formation, operating agreements and related corporate and limited liability company documents and instruments).

(b) Buyer shall, for a period of five years (except in the case of any sales invoices, which shall be for three years) after the Closing Date, neither dispose of nor destroy any of the business records or files of Sellers or Buyer without first offering to turn over possession of copies thereof to Company, at Company's expense, by written notice to Company at least thirty (30) days prior to the proposed date of such disposition or destruction.

5.6 **No Solicitation or Negotiation.** Sellers and each Majority Shareholder, severally and not jointly, agree as follows:

(a) Unless and until such time as this Agreement is otherwise terminated in accordance with Section 7.1, each Seller and each Majority Shareholder shall, and shall cause its Representatives, to, immediately cease any activities, discussions or negotiations with any parties that may be ongoing with respect to an Acquisition Proposal and request the return or destruction of all confidential information regarding Sellers provided to any such persons on or prior to the Signing Date pursuant to the terms of any confidentiality agreements or otherwise. Each Seller and each Majority Shareholder shall not, and shall cause its respective Representatives, not to, directly or indirectly, (i) solicit, participate in, initiate or encourage (including by way of furnishing information), or take any other action designed or reasonably likely to facilitate or encourage, any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, any Acquisition Proposal or (ii) participate in any discussions or negotiations (including by way of furnishing information) regarding any Acquisition Proposal; provided, however, that if, at any time before the date on which the definitive Information Statement is filed with the SEC (or, if earlier, mailed to the Company's shareholders), Company's Board of Directors determines in good faith, after consultation with outside counsel and a financial advisor of nationally recognized reputation, that such action is, or is reasonably likely to be, necessary in order to comply with its fiduciary duties under Law and that such Acquisition Proposal is reasonably likely to lead to a superior proposal for the common shareholders of Company as compared to the transactions contemplated by this Agreement, and if done for the sole purpose of increasing sums available for distribution to Common stockholders of Interpharm Holdings, Inc., then, in such case, Company may, in response to an Acquisition Proposal not solicited after April 11, 2008 and which is submitted in writing by such Person to the Board of Directors of Company after April 11, 2008 and subject to compliance with this Section 5.6 (and provided that Company has complied in all respects with its obligations under this Section 5.6) (x) furnish information with respect to Company and its Subsidiaries (other than the terms of this Agreement, or that certain letter of intent dated April 11, 2008 between Company and Amneal Pharmaceuticals, LLC, or any discussions or negotiations regarding any of the foregoing) to the Person making such Acquisition Proposal (or its designated representatives) pursuant to a confidentiality and standstill agreement, provided that any such information has been or contemporaneously is provided to representatives of Buyer, and (y) participate in discussions or negotiations regarding such Acquisition Proposal.

(b) Except as set forth in Section 5.6(c), the Board of Directors of Company shall not (i) withdraw or modify, or propose to withdraw or modify, its approval and recommendation of this Agreement and the transactions contemplated hereby (the "***Recommendation***"), (ii) approve or recommend or take no position with respect to, or propose to approve or recommend or take no position with respect to, any Acquisition Proposal or (iii) cause Company to enter into any agreement related to any Acquisition Proposal (other than a confidentiality and standstill agreement with respect to an Acquisition Proposal as contemplated by Section 5.6(a)).

(c) If, before the date on which the definitive Information Statement is filed with the SEC (or, if earlier, mailed to Company's shareholders), Company's Board of Directors determines in good faith, after consultation with outside counsel and a financial advisor of nationally recognized reputation, that such action is necessary in order to comply with its fiduciary duties under Law and that such Acquisition Proposal is reasonably likely to lead to a superior proposal for the common shareholders of Company as compare to the transactions contemplated by this Agreement, and if done for the sole purpose of increasing sums available for distribution to common stockholders of Interpharm Holdings, Inc., and *provided that* Company has complied in all respects with its obligations under this Section 5.6 and has negotiated in good faith with Buyer with respect to any amendment or modification to this Agreement proposed by Buyer, then, in such case Company's Board of Directors may (i) withdraw or modify its Recommendation or (ii) subject to the provisions of Section 7.2(b)(iii) hereof, cause Company to terminate this Agreement; but in either case (x) only at a time that is after the fifth business day following the receipt by Buyer of written notice advising Buyer that Company has received a definitive Acquisition Proposal and containing the information about such Acquisition Proposal specified by Section 5.6(d) and (y) only if simultaneously with taking such action it also executes a definitive written agreement to implement such Acquisition Proposal. For purposes of this Section 5.6(c), "50%" shall be substituted for "20%" in the definition of the term "Acquisition Proposal."

(d) Company shall immediately (but in no event later than one Business Day after receipt thereof) advise Buyer orally and in writing (by facsimile and email) of any request for information or of any Acquisition Proposal, the material terms and conditions of such request or Acquisition Proposal and the identity of the Person making such request or Acquisition Proposal. Company will immediately inform Buyer of any material developments in any discussions or negotiations with respect to, and any material change in the terms (including amendments or proposed amendments) of, any such request or Acquisition Proposal, with the intent and desire of enabling Buyer to make a matching offer so that the transactions contemplated hereby may be effected, and if such matching offer is so made by Buyer, Company shall accept Buyer's matching offer and reject such other Acquisition Proposal. Company will promptly provide Buyer with any agreements entered into by Company with respect to any such request or Acquisition Proposal.

(e) Nothing contained in this Section 5.6 shall prohibit Company from taking and disclosing to its shareholders a position contemplated by Rule 14e-2 or Rule 14d-9 promulgated under the Exchange Act or from making any disclosure to Company's shareholders if, in the good faith judgment of its Board of Directors, after consultation with outside counsel, failure so to disclose would be inconsistent with Law; *provided, however*, that neither Company nor its Board of Directors shall, except as specifically permitted by Section 5.6(c), withdraw or modify, or propose to withdraw or modify, its Recommendation or approve or recommend, or propose to approve or recommend, an Acquisition Proposal.

(f) Remedies. If any Seller, any Majority Shareholder or their respective Representatives shall violate this Section 5.6 and if, as a result, the conditions to Closing in Section 6.2 will not be satisfied prior to the Outside Date, Buyer shall have the right to avail itself of any and all legal and equitable remedies available to Buyer, including, without limitation, specific performance (without the need to post a bond or other security and regardless of the absence or availability of remedies at law).

5.7 **Employee Bonuses.** Company hereby covenants and agrees that, except to the extent disclosed in Part 3.16(a) of the Disclosure Memorandum, it will not pay or permit to be paid to any Employees or directors of any Seller any bonuses otherwise payable upon a change of control of any Seller or termination of employment or engagement.

5.8 **Public Announcements and Disclosure.** The Company will notify the Buyer one Business Day in advance prior to making any required press release or public announcement with respect to the transactions contemplated by this Agreement except as may be required by Law or AMEX regulations. Except as and to the extent required by Law or AMEX regulations, without the prior written consent of the other party (which consent shall not be unreasonably withheld or conditioned, and the request for which shall be timely responded to), neither Buyer, any Seller nor any Majority Shareholders will at any time make, and each will direct its Representatives not to make, directly or indirectly, any public comment, statement, or communication with respect to, or otherwise disclose or permit the disclosure of the existence of discussions regarding, the transactions contemplated by this Agreement or any of the terms of this Agreement or any other agreement among the parties (including without limitation those of the letter of intent). If either Buyer or Company is required by Law or AMEX regulations to make any such disclosure, it must first provide to the other party the content of the proposed disclosure (with a reasonable opportunity to comment thereon), the reasons that such disclosure is required by law and the time and place that the disclosure will be made.

5.9 **Majority Shareholder Written Consent.** During the term of this Agreement, each Majority Shareholder covenants and agrees that it will not rescind, withdraw or modify its consent as set forth in the Transaction Written Consent or take or permit to occur any action that would modify the Required Shareholder Approval or cause the Required Shareholder Approval not to have been obtained.

5.10 **Information Statement; Public Announcement; SEC Filings.**

(a) Not more than 14 calendar days after the Signing Date, Company shall file with the SEC an Information Statement on Schedule 14C (the “***Information Statement***”) containing the information required by the Exchange Act with respect to the Transaction Written Consent and the transactions contemplated by this Agreement. Company shall cooperate and provide Buyer (and its counsel) with a reasonable opportunity to review and comment on the Information Statement prior to filing such with the SEC. Company will respond as promptly as practicable to any comments from the SEC or its staff with respect to the preliminary version of the Information Statement. Company will use all reasonable best efforts to cause the definitive version of the Information Statement to be mailed to its shareholders in accordance with Law and the applicable rules and regulations of AMEX as soon as it is legally permitted to do so but, in any event, not later than 21 calendar days before the Outside Date.

(b) Company will notify Buyer promptly upon the receipt of any comments from the SEC or its staff in connection with the filing of, or amendments or supplements to, the Information Statement. Whenever any event occurs which is required to be set forth in an amendment or supplement to the Information Statement, Company or Buyer, as applicable, will promptly inform the other of such occurrence and cooperate in filing with the SEC or its staff, and/or mailing to shareholders of Company, such amendment or supplement. Company shall cooperate and provide Buyer (and its counsel) with a reasonable opportunity to review and comment on any amendment or supplement to the Information Statement or any response to any comment made by the SEC or its staff prior to filing such with or communicating such to the SEC or its staff, and will provide Buyer with a copy of all such filings made with or communications to the SEC or its staff. ARTICLE VI CLOSING

6.1 **Closing.**

(a) Unless this Agreement is first terminated as provided in Section 7.1 hereof, and subject to the satisfaction or waiver of all conditions to the consummation of the transactions contemplated hereby, the closing of the transactions contemplated hereby (the “**Closing**”) shall take place: (i) at the offices of Budd Lerner, P.C., 150 John F. Kennedy Parkway, Short Hills, New Jersey 07078 on June 16, 2008, as extended pursuant to paragraph (b) below; or (ii) at such other place, time and date as Buyer and Company may mutually agree in writing (the “**Closing Date**”).

(b) During the Due Diligence Period, Buyer and its Representatives will inspect Company’s facility at 75 Adams Avenue, Hauppauge, New York 11788 and give Seller a written list of the deficiencies which Buyer believes in good faith would be an impediment to the transfer to Buyer of Company’s Drug Enforcement Agency controlled substances Permit. Company will use its best efforts to, as promptly as practicable after Buyer’s delivery of such deficiencies list, remedy all such deficiencies with the first \$120,000 in costs of such remediation borne 100% by Company and all additional costs of remediation (whether or the deficiencies list or otherwise imposed by the Drug Enforcement Agency) shall be split 50% by Buyer and 50% by Company; provided, however, that if total remediation costs in excess of the first \$120,000 exceed \$250,000, then either party can elect, by written notice given to the other party within five (5) Business Days of the end of the Due Diligence Period, not to pay for such excess remediation costs (such electing party, a “**Non-Paying Party**”). If such written election is made, then the other party may elect, by written notice given to the Non-Paying Party within five (5) Business Days of receipt of the Non-Paying Party’s written election, to assume all of said remediation costs and, if such notice to assume remediation costs is not given within such five (5) Business Day period, this Agreement shall immediately and automatically terminate at the end of such five (5) Business Day period.

(c) In the event that a Drug Enforcement Agency controlled substances license for the facility at 75 Adams Avenue, Hauppauge, New York 11788 (the “**DEA License**”) has not been issued to Buyer prior to June 16, 2008, then the Closing Date shall be automatically extended to the earlier of (i) July 16, 2008 and (ii) the third (3rd) Business Day following the date on which the DEA License has been issued. In the event that the DEA License has not been issued to Buyer prior to July 16, 2008 then, unless Buyer and Company mutually agree to extend the Closing Date or Buyer waives the condition that it be issued the DEA License prior to Closing and elects to close, this Agreement shall automatically terminate at midnight on July 16, 2008.

(d) In the event that Company shall not have fully complied with and satisfied all of the Information Statement filing and/or mailing obligations required under Section 5.10 of this Agreement prior to June 16, 2008, then the Closing Date shall be automatically extended to the third (3rd) Business Day following the date on which the last of such filing and/or mailing obligations have been fully complied with and satisfied.

(e) In the event that Sellers shall not have fully complied with and satisfied all of the conditions set forth in Section 6.2 hereof (other than Section 6.2(j) and other than as set forth in paragraphs (b), (c) and (d) above) prior to June 16, 2008, then the Closing Date shall be automatically extended to the third (3rd) Business Day following the date on which the last of such conditions has been fully complied with and satisfied.

(n) Tail Insurance Policy. At the Closing and at Company's sole expense, Company shall have procured "tail-coverage" on the claims-made products liability insurance policies covering each Seller on such terms as may be reasonably satisfactory to Buyer, and Buyer shall be named as additional insured thereon.

ARTICLE VII
TERMINATION PRIOR TO CLOSING

7.1 **Right of Termination.** This Agreement may be terminated and abandoned at any time prior to the Closing:

(a) by the written mutual consent of Buyer and Company;

(b) by Buyer, upon written notice to Company, if any of the conditions set forth in Section 6.2 shall not have been fulfilled in all material respects at the time at which the Closing would otherwise occur or if satisfaction of such a condition is or becomes impossible, provided that at the time of such notice Buyer must have complied in all material respects with its obligations under this Agreement; and provided, further, that Company shall have ten (10) days after the notice sent by Buyer pursuant to this subsection (b) in which to fulfill such conditions not fulfilled unless satisfaction of such a condition is or becomes impossible;

(c) by Company, upon written notice to Buyer, if any of the conditions set forth in Section 6.3 shall not have been fulfilled in all material respects at the time at which the Closing would otherwise occur or if satisfaction of such a condition is or becomes impossible, provided that at the time of such notice Company must have complied in all material respects with their obligations under this Agreement; and provided, further, that Buyer shall have ten (10) days after the notice sent by Company pursuant to this subsection (c) in which to fulfill such conditions not fulfilled unless satisfaction of such a condition is or becomes impossible;

(d) by either Buyer or Company, upon written notice to the other, if the Closing shall not have occurred on or prior to September 16, 2008 (the “***Outside Date***”); provided, however, that at the time of such notice the party exercising such termination right shall have complied in all material respects with its obligations under this Agreement;

(e) by Buyer, if Buyer is not satisfied in its sole discretion with the results of its Due Diligence, upon written notice given to Company prior to expiration of the Due Diligence Period that Buyer has elected to terminate this Agreement pursuant to this Section 7.1(e); provided, however, that Buyer shall be deemed to have waived its termination right under this Section 7.1(e) if Buyer has not given such written notice to Company prior to expiration of the Due Diligence Period;

(f) By Company, in connection with Company’s entering into a definitive agreement to effect an Acquisition Proposal in accordance, and provided that Company has complied, with Section 5.6; *provided, however*, that an election by Company to terminate this Agreement pursuant to this Section 7.1(f) shall not be effective until Company shall have paid the Break-up Fee plus all Buyer Advances to the Company as provided in Section 7.2(b)(iii);

(g) By Buyer, if (i) Company enters into a definitive agreement to effect an Acquisition Proposal, (ii) Company's Board of Directors recommends that Company's shareholders accept or approve any Acquisition Proposal or (iii) Company's Board of Directors withdraws or modifies, in a manner material and adverse to Company, the Recommendation, in any case, regardless of whether Company has complied with Section 5.6;

(h) Automatically, as set forth in Section 6.1(b) above; or

(i) Automatically, as set forth in Section 6.1(c) above; or

(j) Automatically, in the event of Buyer's termination for any reason of the Facility Purchase Agreement, as permitted thereunder.

7.2 **Effect of Termination.**

(a) In the event of a termination of this Agreement, all further obligations of the parties under this Agreement shall terminate, no party shall have any right under this Agreement against any other party, except as set forth in this Section 7.2, and each party shall bear its own costs and expenses; provided, however, that (except as set forth in Section 7.2(b)(ii) below) termination under Section 7.1 shall not relieve any party of liability for any failure to perform or comply with this Agreement prior to the date of termination, or constitute a waiver of any claim with respect thereto.

(b) Notwithstanding anything herein to the contrary:

(i) in the event of any termination of this Agreement by Buyer pursuant to Sections 7.1(b), (d) or (e), or by mutual written consent pursuant to Section 7.1(a), or in the event of any termination of this Agreement pursuant to Section 7.1(h) due to Buyer's election to be a Non-Paying Party or in the event of any termination of this Agreement pursuant to Section 7.1(i) or Section 7.1(j), Company shall immediately reimburse Buyer for all Buyer Advances in accordance with the terms of the Loan and Security Agreement;

(ii) in the event of any termination of this Agreement by Company pursuant to Section 7.1(c), or in the event of any termination of this Agreement pursuant to Section 7.1(h) due to Seller's election to be a Non-Paying Party, all Buyer Advances shall be retained by Company as liquidated damages and Buyer shall have no further obligations against any of the Sellers or their shareholders of any nature whatsoever arising out of this Agreement;

(iii) if this Agreement is terminated by Company pursuant to Section 7.1(f) or by Buyer pursuant to Section 7.1(g), then Company shall pay to Buyer, an amount in cash equal to four percent (4%) of the Purchase Price plus reimbursement of all of its out-of-pocket costs and expenses (the "***Break-up Fee***") plus all Buyer Advances; and

(iv) If (A) this Agreement is terminated by Company pursuant to Section 7.1(d) and (B) Company consummates an Acquisition Proposal or enters into a definitive agreement with respect to an Acquisition Proposal, in either case, within twelve (12) months of such termination, then Company shall pay Buyer the Break-up Fee plus all Buyer Advances.

Payment of the Break-up Fee and Buyer Advances, if applicable, required by this Section 7.2(b) shall be payable by wire transfer of immediately available funds (1) in the case of termination of this Agreement by Company pursuant to Section 7.1(f) or by Buyer pursuant to Section 7.1(g), concurrently with the effective date of such termination, or (2) in case of a situation contemplated by Section 7.2(b)(iv), concurrently with the consummation of such Acquisition Proposal.

ARTICLE VIII INDEMNIFICATION

8.1 Obligation of Company to Indemnify Buyer. Company hereby agrees to indemnify and hold harmless Buyer and its Representatives from, against and in respect of any and all Losses suffered, sustained, incurred or required to be paid by any of them by reason of:

(i) any representation or warranty made by Company in or pursuant to this Agreement or any of the other Transaction Documents being untrue or incorrect in any respect;

(ii) any failure by Company to observe or perform its covenants and agreements set forth in this Agreement or any other agreement or document executed by them in connection with the transactions contemplated hereby;

(iii) any liability of any Seller to the extent it is not an Assumed Liability, including without limitation any liability of any Seller (other than the Assumed Liabilities) arising from the operation of the Business prior to the Closing;

(iv) any Taxes of any Seller or with respect to the Business for all periods prior to the Closing Date, and any Tax liability of any Seller or Company's shareholders arising in connection with the transactions contemplated hereby;

(v) any failure of any Seller to have good, verified marketable title to the Acquired Assets free and clear of all Liens (other than Permitted Liens); or

(vi) any challenge to the transaction by any shareholder of the Company.

8.2 [Intentionally Omitted]

8.3 Obligation of Buyer to Indemnify Company. Buyer agrees to indemnify and hold harmless Company and its Representatives from, against, for and in respect of any all Losses suffered, sustained, incurred or required to be paid by any of them by reason of:

A-54

- (i) any representation or warranty made by Buyer in or pursuant to this Agreement being untrue or incorrect in any respect;
- (ii) any failure by Buyer to observe or perform its covenants and agreements set forth in this Agreement or any other agreement or document executed by it in connection with the transactions contemplated hereby;
- (iii) Buyer's failure to discharge or satisfy the Assumed Liabilities; or
- (iv) the operation of Buyer or the conduct of Buyer's business following the Closing, including, without limitation, any loss, liability, obligation, Lien, damage, cost or expense arising from products produced or processed by Buyer after the Closing, provided that the act that gives rise to said Losses does not arise from a breach by any Seller of any of the Transaction Documents.

8.4 **Claim Notice.**

(a) Except to the extent set forth in the next sentence, a party will not have any liability under the indemnity provisions of this Agreement with respect to a particular matter unless (i) a written notice (the "***Claim Notice***") setting forth in reasonable detail the specific nature of the Losses and the estimated amount of such Losses (the "***Claimed Amount***") has been given to the Indemnifying Party (as defined below) prior to the time that the representations, warranties, covenants or agreements which are the basis for such indemnification terminate pursuant to Section 8.8(b) and, (ii) in addition, if such matter arises out of a third party suit, action, investigation, proceeding or claim, such Claim Notice is given promptly, but in any event within thirty (30) days after the Indemnified Party (as defined below) is given notice of the claim or the commencement of the suit, action, investigation or proceeding. Notwithstanding the preceding sentence, failure of the Indemnified Party to give a Claim Notice hereunder shall not release the Indemnifying Party from its obligations under this Article VIII, except to the extent the Indemnifying Party is materially prejudiced by such failure to give such Claim Notice. The Indemnified Party, if Buyer, shall also concurrently deliver a copy of the Claim Notice to the Escrow Agent to the extent cash remains available in the Escrow Fund to satisfy the Claimed Amount.

(b) With respect to Losses described in Section 8.1, Company shall be the "Indemnifying Party" and Buyer and its Representatives shall be the "Indemnified Parties". With respect to Losses described in Section 8.3, Buyer shall be the "Indemnifying Party" and Company and its Representatives shall be the "Indemnified Party".

8.5 **Defense of Third Party Claims.**

(a) Upon receipt of Claim Notice of any third party suit, action, investigation, claim or proceeding for which indemnification might be claimed by an Indemnified Party, the Indemnifying Party shall be entitled to defend, contest or otherwise protect against any such suit, action, investigation, claim or proceeding at its own cost and expense, and the Indemnified Party must reasonably cooperate in any such defense or other action. The Indemnified Party shall have the right, but not the obligation, to participate at its own expense in defense thereof by counsel of its own choosing, but the Indemnifying Party shall be entitled to control the defense unless the Indemnified Party has relieved the Indemnifying Party from liability with respect to the particular matter or the Indemnifying Party fails to assume defense of the matter.

(b) In the event the Indemnifying Party shall fail to defend, contest or otherwise protect in a timely manner against any such suit, action, investigation, claim or proceeding, the Indemnified Party shall have the right, but not the obligation, thereafter to defend, contest or otherwise protect against the same and make any compromise or settlement thereof and recover the entire cost thereof from the Indemnifying Party including, without limitation, reasonable attorneys' fees, disbursements and all amounts paid as a result of such suit, action, investigation, claim or proceeding or the compromise or settlement thereof; provided, however, that the Indemnified Party must send a written notice to the Indemnifying Party of any such proposed settlement or compromise, which settlement or compromise the Indemnifying Party may reject within thirty (30) days of receipt of such notice. Failure to reject such notice within such thirty (30) day period shall be deemed an acceptance of such settlement or compromise. Consent of the Indemnifying Party to such proposed settlement or compromise may not be unreasonably withheld, delayed or conditioned. The Indemnified Party shall have the right to effect a settlement or compromise over the objection of the Indemnifying Party; provided, that if (i) the Indemnifying Party is contesting such claim in good faith or (ii) the Indemnifying Party has assumed the defense from the Indemnified Party, the Indemnified Party waives any right to indemnity therefor unless consent of the Indemnifying Party to such proposed settlement or compromise was unreasonably withheld, delayed or conditioned.

(c) If the Indemnifying Party undertakes the defense of such matters then the Indemnified Party shall not, so long as the Indemnifying Party does not abandon the defense thereof, be entitled to recover from the Indemnifying Party any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof other than the reasonable costs of investigation undertaken by the Indemnified Party with the prior written consent of the Indemnifying Party.

(d) Buyer, Company, the Majority Shareholders and each of their successors and assigns shall cooperate with each other in the defense of any suit, action, investigation, proceeding or claim by a third party, shall keep each other informed of all settlement negotiations with third parties and the progress of any litigation and, during normal business hours, shall afford each other access to their books and records and employees relating to such suit, action, investigation, proceeding or claim and shall furnish each other all such further information that they have the right and power to furnish as may reasonably be necessary to defend such suit, action, investigation, proceeding or claim.

8.6 Claims Between Company and Buyer.

(a) Company Claims Against Buyer. In the case of a claim for indemnification hereunder which is brought by Seller as the Indemnified Party against Buyer as the Indemnifying Party, this Section 8.6(a) shall apply. Upon the Claim Notice having been given to the Indemnifying Party, the Indemnifying Party shall have thirty (30) days in which to notify the Indemnified Party in writing (the "***Dispute Notice***") that the claim for indemnification is in dispute, setting forth in reasonable detail the basis of such dispute. In the event that a Dispute Notice is not given to the Indemnified Party within the required thirty (30) days, the Indemnifying Party shall be obligated to pay the Indemnified Party the Claimed Amount within sixty (60) days after the date that the Claim Notice had been given to the Indemnifying Party. In the event that a Dispute Notice is timely given to an Indemnified Party, the parties hereto shall have thirty (30) days to resolve any such dispute. In the event that such dispute is not resolved by such parties within such period, the parties shall have the right to pursue all available remedies to resolve such dispute.

(b) Buyer Claims Against Company. In the case of a claim for indemnification hereunder which is brought by Buyer as the Indemnified Party against Seller as the Indemnifying Party, this Section 8.6(b) shall apply. Within thirty (30) days after delivery of a Claim Notice from Indemnified Party, Indemnifying Party shall deliver to Indemnified Party and the Escrow Agent a written response (the “**Company Response**”) in which Indemnifying Party shall either:

(i) agree that Indemnified Party is entitled to receive all of the Claimed Amount, in which case Indemnified Party and Indemnifying Party shall deliver to the Escrow Agent, to the extent cash remains available in the Escrow Fund to satisfy the Claimed Amount, within two (2) Business Days following the delivery of the Company Response, a written notice executed by such parties instructing the Escrow Agent to disburse the Claimed Amount to Indemnified Party;

(ii) agree that Indemnified Party is entitled to receive part, but not all, of the Claimed Amount (the “**Agreed Amount**”) in which case Indemnified Party and Indemnifying Party shall deliver to the Escrow Agent, to the extent cash remains available in the Escrow Fund to satisfy the Agreed Amount, within two (2) Business Days following the delivery of the Company Response, a written notice executed by such parties instructing the Escrow Agent to disburse the Agreed Amount to Indemnified Party; or

(iii) dispute that Indemnified Party is entitled to receive any of the Claimed Amount, in which case, after a final, non-appealable judgment has been rendered or a settlement has been reached in respect of such dispute, Indemnified Party shall, to the extent Indemnified Party is successful in obtaining any cash sum in such final resolution or settlement, and to the extent cash remains available in the Escrow Fund to satisfy such cash sum, Indemnified Party shall deliver to the Escrow Agent a copy of the settlement agreement or court order or decree setting forth the cash sum to which Indemnified Party is thereby entitled and the Escrow Agent shall act in accordance with the terms of the Escrow Agreement.

8.7 Buyer’s Knowledge is Not Waiver. Notwithstanding any right of Buyer to fully investigate the affairs of Sellers and notwithstanding any knowledge of facts determined or determinable by Buyer pursuant to such investigation or right of investigation, Buyer has the right to rely fully upon the representations, warranties, covenants and agreements of Sellers contained in this Agreement (including the Schedules), as modified by the Disclosure Memorandum, or in any document delivered to Buyer by any Seller or its Representatives in connection with the transactions contemplated by this Agreement, and such knowledge (except to the extent set forth in the Disclosure Memorandum in a section corresponding to the representation which it is intended to qualify or in a qualification contained in a provision of this Agreement or a Schedule hereto) shall not constitute a waiver of any Claims for indemnified Losses which Buyer may make under this Article VIII or estop Buyer from making any such Claims.

8.8 **Survival.** Notwithstanding anything to the contrary in this Agreement, the representations and warranties of each of the parties set forth in this Agreement shall survive the Closing, and such representations and warranties shall terminate on the one (1) year anniversary of the Closing; provided, however, that any representation or warranty that is the subject of a Claim Notice delivered in good faith in compliance with the requirements of Section 8.4(a) prior to the one (1) year anniversary of the Closing shall survive with respect only to the specific matters described in such Claim Notice until the earlier to occur of (y) the date on which a final nonappealable resolution of the matter described in such Claim Notice has been reached or (z) the date on which the matter described in such Claim Notice has otherwise reached final resolution. All covenants and agreements of each of the parties set forth in this Agreement shall survive the Closing indefinitely.

8.9 **Indemnity Basket.** Notwithstanding anything to the contrary in this Agreement, no Indemnifying Party shall have any obligation to indemnify any Indemnified Party under this Article VIII until and unless the aggregate amount of Losses (other than those referred to in the proviso to this sentence) incurred by all Indemnified Parties exceeds Two Hundred Fifty Thousand Dollars (\$250,000.00) in the aggregate (the “**Basket**”), after which point the Indemnifying Parties will be obligated to indemnify the Indemnified Parties from and against the full amount of such Losses (including the Basket), subject to the Ceiling; provided, however, that the Basket shall not apply with respect to any Losses set forth in Section 8.10(b) below.

8.10 **Indemnity Ceiling.** Notwithstanding anything to the contrary in this Agreement, the liability of the parties under this Article VIII shall be limited as follows:

(a) The maximum amount of Losses incurred by a party for which any party shall be liable pursuant to this Article VIII shall not exceed (i) with respect to all of Company, Three Million Five Hundred Thousand Dollars (\$ 3,500,000.00), and (ii) with respect to Buyer, Three Million Five Hundred Thousand Dollars (\$ 3,500,000.00) (as applicable, the “**Ceiling**”).

(b) Notwithstanding the foregoing, with respect to Losses relating to or resulting from any fraud or any intentional misconduct, an Indemnified Party shall be entitled to indemnification with respect to such Losses as though the Ceiling were equal to the Purchase Price.

8.11 **Characterization of Indemnity Payment for Tax Purposes.** All amounts payable under this Article VIII shall be treated for all tax purposes as adjustments to the Purchase Price, except as otherwise required by law.

The Indemnified Party shall use commercially reasonable efforts to collect any amounts available under such insurance coverage and/or from such other Person alleged to have responsibility with respect to the Loss, as applicable. If an Indemnified Party receives an amount under insurance coverage and/or from such other Person, as applicable, with respect to Losses sustained at any time subsequent to any indemnification payment pursuant to this Article VIII, then such Indemnified Party shall promptly reimburse the applicable Indemnifying Party for any payment made or expense incurred by such Indemnifying Party in connection with providing such indemnification up to such amount realized or received by the Indemnified Party.

FOR PROPERTY LOCATED AT 50 HORSEBLOCK ROAD, YAPHANK, NEW YORK

DATED April 24, 2008

CONTRACT OF SALE

THIS AGREEMENT (hereinafter referred to as this "Contract") made this 24th day of April, 2008, by and among INTERPHARM, INC., a New York corporation, and INTERPHARM REALTY LLC, a New York limited liability company, having an office at 75 Adams Avenue, Hauppauge, New York ("Seller"), and Kashiv, LLC, a Delaware limited liability company, having an address at 209 McLean Boulevard, Paterson, New Jersey 07504 ("Purchaser").

WHEREAS, Seller, Interpharm Holdings, Inc. and certain of its shareholders (collectively referred to as "Interpharm") are the sellers under an Asset Purchase Agreement of even date herewith and Amneal Pharmaceuticals of New York LLC is the Purchaser, pursuant to which Agreement substantially all of Interpharm's assets (including the property referred to herein below) will be sold by Seller and certain of its liabilities will be assumed by Purchaser, said Asset Purchase Agreement hereinafter referred to as the "Asset Agreement".

NOW THEREFORE, in consideration of the mutual covenants and agreements herein contained and intending to be legally bound hereby, the parties agree as follows:

1. Property.

Upon and subject to the following terms, covenants and conditions, Seller agrees to sell and convey to Purchaser, and Purchaser agrees to purchase from Seller, fee simple title in and to all of the property of Seller consisting of approximately 38 acres of land located at 50 Horseblock Road, Yaphank, New York, (the "Land") (as more particularly described in Exhibit "A" annexed hereto), free and clear of all liens, encumbrances and exceptions to title except for the Permitted Exceptions (as hereinafter defined):

(a) Fee simple title in and to any and all streets, alleys, passages, easements, rights of way, ways, water, water courses, privileges, licenses, hereditaments, and any appurtenances and other rights and benefits belonging or in any way related to the Land.

(b) Fee simple title in and to any buildings, structures, infrastructure, utility lines, drainage facilities, and other improvements (collectively, "Improvements"), now or hereafter located, placed, erected or constructed upon the Land, including the building consisting of approximately 110,000 square feet of space, (the "Building") as located on the Land.

(c) Good and marketable title in and to all machinery, apparatus, appliances, equipment, fittings and fixtures now or hereafter attached or appurtenant to, or forming a part of, the Improvements or located upon and used in connection with the maintenance and operation of the Property including, without limitation all heating, lighting, plumbing, drainage, ventilating, air conditioning, exhaust, pneumatic, mechanical, electrical, fire alarm, signage, and other systems attached to, appurtenant to, forming a part of, or abutting the Property, all as more fully described on Schedule A attached hereto ("Equipment").

(d) All of Seller's right, title and interest, if any, in and to any land lying in the bed of any street, road, avenue, way or boulevard, open or proposed, in front of or adjoining the Land, and all right, title and interest of Seller in and to any award made or to be made in lieu thereof and in and to any award for damage to the Land or the Improvements by reason of any change of grade in any street, road, avenue, way or boulevard; and Seller covenants to execute and deliver to Purchaser at the Closing (as hereinafter defined) or thereafter, on demand, all proper instruments for the conveyance of such title and the assignment and collection of such award.

(e) All of Seller's right, title and interest in and to any consents, authorizations, variances, waivers, licenses, permits and approvals from any Federal, state, county, municipal or other governmental or quasi-governmental agency, department, board, commission, bureau or other entity or instrumentality in respect of the Property, (as hereinafter defined) building, and zoning heretofore held by or granted to Seller, including without limitation, the permanent certificate(s) of occupancy (collectively, "Approvals").

(f) The property rights described in Sections 1 (a)-(e) hereof are collectively referred to herein as the "Property".

2. Purchase Price.

The purchase price ("Purchase Price") for the Property to be paid by Purchaser to Seller at Closing upon receipt of the Closing Documents (as hereinafter described) shall be TWENTY MILLION DOLLARS (\$20,000,000) to be paid at Closing by certified check, bank cashier's check or wire transfer of funds to Seller's order.

3. The closing ("Closing") shall be held at the offices of Budd Lerner, P.C., 150 John F. Kennedy Parkway, Short Hills, New Jersey at 10 a.m. on June 16, 2008 (such date or the date to which the Closing may be advanced or adjourned as hereinafter provided or by agreement of the parties, being herein called the "Closing Date"). Notwithstanding anything to the contrary contained herein, the sale of the Property shall be closed contemporaneously with the closing of the Asset Agreement unless the Closing Date is extended in accordance with the terms hereof.

4. Representations, Warranties and Covenants of Seller.

In order to induce Purchaser to enter into this Contract and to perform its obligations hereunder, Seller represents, warrants and covenants to and agrees with Purchaser that:

B-2

(a) Authorization of Seller. Seller has full power and authority to (i) execute and deliver this Contract and all other documents executed and delivered by Seller (both contemporaneously herewith and at the Closing hereunder) in connection with the sale of the Property contemplated in this Contract and (ii) perform all of its obligations arising under or in connection with this Contract. Seller represents that all other documents executed and delivered by Seller (both contemporaneously herewith and at the Closing hereunder) in connection with the sale of the Property have been (or will be, if executed at Closing) duly executed and delivered and constitute the legal, valid and binding obligations of Seller, enforceable in accordance with their respective terms and provisions, except that such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or similar laws then in effect and affecting creditors' rights generally. No consent or approval of any person, firm, corporation or governmental commission, board, bureau or other administrative agency is required to be obtained by Seller in order for Seller to enter into this Contract or any such other document or to fully perform all of its obligations under this Contract or under any such other document, except as expressly provided herein.

(b) Title to the Property.

(i) Seller is the sole owner of the Property and has not assigned, pledged, transferred or otherwise encumbered its interest therein except for the exceptions which are listed on Exhibit "B" annexed hereto (the "Permitted Exceptions"). Seller has, is able to and will transfer and deliver to Purchaser, fee simple, good, marketable and Insurable Title (as hereinafter defined) to the Property, by bargain and sale deed in recordable form, free of liens, claims, encumbrances, rights-of-way, easements, restrictions, reservations, covenants, conditions, claims, liabilities, charges, reversions, options or other agreements and any other matter affecting title except the Permitted Exceptions, which title shall include such state of facts as an accurate survey will disclose, provided the same does not prohibit the use of the Property for currently zoned purposes. The words "Insurable Title" and "Insurable" as used in this Contract are hereby defined to mean title which may be insured at standard rates by any reputable title insurance company authorized to do business in the State of New York and selected by Purchaser (the "Title Company") without exception other than the Permitted Exceptions and standard title policy exceptions.

B-3

(ii) The Property is in good operating condition and repair, ordinary wear and tear excepted, and is suitable for business operations as presently conducted and as proposed to be conducted thereon. There is no condition or defect of the Property thereon that could materially affect its use or operation thereof as described herein. Seller enjoys peaceful and undisturbed possession of the Property. Seller has valid easements and rights of way necessary to conduct its operations thereon as then are currently conducted and following the consummation of the Closing, such easements and rights of way will remain valid and in full force and effect. No options have been granted by Seller to others to purchase, lease or otherwise acquire any interest in the Property or any part thereof. Seller has the exclusive right of possession of the Property, and on and as of the Closing, will have vacated the Property.

(iii) To the Knowledge (as hereinafter defined) of Seller, all aspects of the Property and its present use, occupancy and operation thereof are in compliance, in all material respects, with all laws and restrictive covenants of record, and there has not been any proposed change thereto that would affect the Property or its use, occupancy or operation. Seller has not received any written or oral communications alleging any conflict or dispute relating to the Property or the activities thereon. To the Knowledge of Seller, no portion of the Property is subject to any classification, designation or preliminary determination of any government authority or pursuant to any law that restrict its use, development, occupancy or operation. Neither Seller nor any other person have caused any work or Improvements to be performed upon or made to the Property for which there remains outstanding payment obligation that would or might serve as the basis for any lien in favor of the person who performed the work.

B-4

(iv) All requisite certificates of occupancy and other permits and approvals required to be obtained by Seller with respect to the Property and the use, occupancy and operation thereof have been obtained and paid for and are currently in effect and allow Sellers to operate the Property as presently and proposed to be conducted.

(v) From and after the date hereof and until Closing or the earlier termination of this Contract, Seller will not sell, assign, lease or create any right, title or interest whatever in or to the Property or create or permit to exist any lien, encumbrance, charge, or other exception to title thereon (except for the Permitted Exceptions).

(c) No Violations, Compliance with Laws.

(i) As to Seller, neither the execution, nor the delivery of, nor the performance under this Contract or any other document executed and delivered by it (both contemporaneously herewith and at the Closing hereunder) in connection with the sale of the Property hereunder is precluded by, will conflict with, result in a breach of or violate, any provision of (x) any existing Federal, state, local or other governmental or quasi-governmental law, statute, ordinance, restriction, rule or regulation, (y) any judgment, order, decree, writ or injunction of any court or governmental department, commission, board, bureau, agency or instrumentality applicable to Seller or any other person or entity with respect to the Property, or (z) Seller's Certificate of Incorporation or By-laws.

B-5

(ii) Seller has not received any verbal or written notice of any condition which may give rise to any violation of any law, rule, regulation, order or ordinance applicable to the Property now in effect. Seller has not received notice or request from any insurance company or board of fire underwriters, requesting the performance of any work or alteration with respect to the Property now in effect.

(d) Condemnation.

There has been no actual nor, to the Knowledge of Seller, any threatened condemnation or taking by eminent domain of any of the Property or any real property proximate to the Land. Seller will give Purchaser prompt notice of any actual or, if known to Seller, any threatened condemnation of any of the Property or any land proximate to the Land.

(e) Possession.

No other person, firm, corporation or entity has any right or option to acquire lease, use or occupy all or any portion of the Property.

(f) Litigation.

Seller has no Knowledge of any pending or threatened litigation affecting the Property, or Seller's interest in the Property, and that Seller is not a party to any litigation affecting the Property except for claims, if any, covered by policies of liability insurance, for which carriers shall have undertaken the defense thereof.

(g) Environmental.

(i) Except as set forth on Schedule "C" attached hereto, the Property is not presently, and to the Knowledge of Seller after due inquiry and investigation, has never been used for the generation, manufacture, storage, treatment, discharge or disposal of Hazardous Materials (as hereinafter defined); and

(ii) During the occupancy and operation of the Property by Seller, and, to the Actual Knowledge of Seller, prior to Seller's occupancy or operation, no release, leak, discharge, spill, disposal, or emission of any Hazardous Materials has occurred in, on or under the Property in quantity or manner that violates or requires further investigation or remediation under Environmental Requirements; and

(iii) Seller does not use, treat, store, dispose or transport any Hazardous Materials. There is no pending or, to the Actual Knowledge of Seller, threatened litigation or administrative proceeding or investigation (whether civil, criminal or administrative) concerning the use of the Property involving any Hazardous Materials or Environmental Requirements. To the Knowledge of Seller, there is no material quantity of friable ACM within the Property, and there are no above-ground or underground storage tank systems located at the Property.

(iv) There is no pending, or to the Knowledge of Seller, threatened claim, action, complaint, notice of violation or proceeding by any governmental authority or third party respecting the Property arising out of any violation or alleged violation of any Environmental Law; and

(v) To the Knowledge of Seller, the Property is in compliance with all Environmental Laws.

(vi) The execution and delivery of this Contract by Seller and the consummation by Seller of the transactions contemplated hereby will not affect the validity or require the transfer of any permits under Environmental Requirements and will not require notification, registration, reporting, filing, investigation or remediation under any Environmental Requirement, including without limitation, any environmental transfer law.

B-7

(vii) As used in this paragraph 4(g), the term “Environmental Law” shall mean and include CERCLA, 42 U.S.C. 9601, *et seq.*, RCRA 42 U.S.C. 6901, *et seq.*, all other similar existing and future federal, state and municipal statutes and ordinances governing the environment, all as amended from time to time and all rules and regulations promulgated thereunder. The term “Hazardous Materials” shall mean and include asbestos, polychlorinated biphenyls, petroleum products and any other hazardous or toxic material, wastes and substances which are defined as such in any Environmental Law.

(h) Bankruptcy.

Seller has not filed any petition in connection with any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any law relating to bankruptcy or insolvency relating to its business operations, nor has any such petition been filed against Seller. No general assignment of property of Seller has been made for the benefit of creditors, and no receiver, master, liquidator or trustee has been applied for or appointed for the Seller or any of its properties, including the Property. Prior to the Closing, Seller shall not voluntarily file or enter into any bankruptcy proceeding or liquidation, convey a meeting of its creditors or have a receiver appointed over all or part of its assets, or take any similar action in consequence of its debt.

B-8

(i) Survival.

Notwithstanding anything to the contrary in the Contract, the representations, warranties and covenants of Seller set forth in this Contract shall survive the Closing and shall terminate on the one (1) year anniversary of the Closing.

As used in this Section 4, “Knowledge” and “Actual Knowledge” shall mean any fact, circumstance, event or other matter that (i) any of the officers or directors of the Seller actually knows (hereinafter referred to as “Actual Knowledge”), or (ii) any of the foregoing parties should reasonably know in the normal discharge of his or her assigned duties and responsibilities, and “Environmental Requirements” means all Environmental laws, documents, judgments, decrees, orders, agreements and other restrictions and requirements (whether now or hereafter in effect) of any governmental authority relating to the regulation of, imposing standards of conduct or liability regarding, or protection of, human health and safety (including, without limitation, employee health and safety), public welfare, natural resources, conservation, the environment, or the storage, treatment, disposal, transportation, handling, or other management of Hazardous Materials.

5. Assignment; Assignment of Mortgage.

(a) Purchaser shall have the right to assign this Contract without the prior written consent of Seller. Purchaser shall notify Seller of any assignment no later than two (2) days prior to Closing.

(b) Seller shall, upon request of Purchaser, use commercially reasonable efforts to cause the holder of the existing mortgage(s) encumbering the Property to assign such mortgage(s) to Purchaser’s lender at Closing. Purchaser shall pay any and all costs in connection herewith. The amount paid by or on behalf of Purchaser to the holder(s) of such mortgage(s) shall be deemed a payment on account of the Purchase Price. The holder(s) of such existing mortgage(s) shall comply with Section 274-a of the Real Property Law.

6. Conditions.

(a) As conditions precedent to Purchaser's obligation to purchase the Property, (unless waived in whole or in part by Purchaser in writing), (i) all of the representations and warranties of Seller set forth in this Contract shall be true and correct as of the Closing Date with the same force and effect as if made on such date, (ii) that the closing under the Asset Agreement occurs concurrently with the sale of the Property and (iii) all of the covenants and agreements of Seller set forth in this Contract shall have been observed and complied with in full on or before the Closing Date (unless such observance or compliance is not required by the terms of such covenants prior to the Closing), including, without limitation, the delivery of all documents required to be delivered by Seller pursuant to this Contract.

(b) As conditions precedent to Seller's obligation to sell the Property, (unless waived in whole or in part by Seller in writing), (i) all of the representations and warranties of Purchaser set forth in this Contract shall be true and correct as of the Closing Date with the same force and effect as if made on such date, (ii) that the closing under the Asset Agreement occurs concurrently herewith and (iii) all of the covenants and agreements of Purchaser set forth in this Contract shall have been observed and complied with in full on or before the Closing Date (unless such observance or compliance is not required by the terms of such covenant prior to the Closing), including, without limitation, the delivery of all documents required to be delivered by Purchaser pursuant to this Contract.

B-10

7. Contingencies.

This Contract is expressly subject to the satisfaction of the following conditions and contingencies:

(a) Title Examination. Purchaser shall undertake within thirty (30) days after the execution of this Contract to obtain a title commitment and report and shall have instructed the title company to forward a copy of the title commitment to Seller's counsel, in accordance with paragraph 8 (b) hereof. If Purchaser shall not object to matters affecting title within thirty (30) days of the date hereof, the condition of title set forth in the report shall be deemed accepted by Purchaser thereby waiving any title objections, excepting title objections which may arise after the thirty (30) day period.

(b) Intentionally Omitted.

(c) Due Diligence Investigation. Purchaser shall have a period until April 30, 2008 (the "Due Diligence Period"), to conduct (directly and through its Representatives) any and all legal, regulatory, financial, business, environmental and other investigations, evaluations and inspections regarding the Property (the "Due Diligence") as desired by Purchaser (including, but not limited to, a physical inspection of the Land, the Improvements, the Equipment, a "Phase I" environmental inspection, an inspection of the title and survey, financing, an investigation of all Approvals and specific zoning and land use ordinances and investigation of all other facts and circumstances necessary for Purchaser to determine whether or not the Property is suitable for Purchaser's intended purposes. If Purchaser is not satisfied, in its sole discretion, with the results of its Due Diligence, it may exercise its termination rights upon the conditions and subject to the limitations set forth herein.

B-11

Purchaser further agrees that, except for pre-existing conditions, it shall indemnify, defend and save harmless Seller from and against any and all claims or liabilities incurred in connection with the making of said inspections. Purchaser shall repair and restore any damage to the Property incurred in connection with the performance of said investigations.

(d) Termination. In the event of the failure of any of the contingencies hereinabove referred to or any of the conditions set forth in Section 6.2 of the Asset Agreement, Purchaser shall either (i) terminate the within Contract or (ii) waive any such condition and seek specific performance of this Contract, if required.

(e) Delivery of Documents to Purchaser. Within one (1) day of the execution of this Contract, Seller shall deliver to Purchaser building plans, site plans, environmental and engineering studies/reports, property operating statements, back title policy and survey and any other relevant information and documentation pertaining to the Property which are in Seller's possession. If Closing does not take place, Purchaser shall promptly return all such materials to Seller.

8. Conditions Precedent to Closing. The obligation of Purchaser to purchase the Property and to perform its obligations hereunder is expressly conditioned on the satisfaction at Closing of each of the following conditions precedent (any one or more of which may be waived in whole or in part by Purchaser, at Purchaser's option):

(a) Performance of the terms and conditions of paragraph 7.

B-12

(b) Delivery to Purchaser of a preliminary title binder issued by the title insurance company selected by Purchaser, at Purchaser's sole expense, together with copies of all documents constituting exceptions to title. If the title binder reflects any defects or objections, other than Permitted Exceptions, then Seller shall have twenty (20) days after receipt of the title binder from Purchaser or the Title Company within which to cure or remove any such defects or objections and have a new title binder issued and Seller shall take such action during such twenty (20) day period as shall be necessary to cure or remove any such defects or objections and to have a new title binder issued to Purchaser. However, the period of time to cure shall be extended if it is reasonable to conclude that Seller will require more than twenty (20) days to cure the defect and Seller has demonstrated a good faith effort to start to remove the defect. Any such objection which can be cured at the Closing by payment of funds may be so cured by Seller at the Closing. If such defects or objections are not cured or removed to the satisfaction of Purchaser within said twenty (20) day period, or any agreed upon extension thereto, then Purchaser may elect to accept such title as Seller can convey, without abatement, upon payment of the Purchase Price less the amount of any liens or encumbrances of definite or ascertainable amount which Seller is obligated to pay and discharge.

(c) Closing of the Asset Agreement simultaneous with the closing of this Contract.

9. Seller's and Purchaser's Obligations at Closing.

(a) At the Closing, Seller will:

(i) deliver to Purchaser the customary Bargain and Sale Deed with covenants against grantor's acts duly executed and acknowledged so as to convey to Purchaser fee simple title in and to the Property, and such other documents as may be required to comply with the terms and conditions of this Contract and the reasonable requirements of Purchaser's title insurance company.

(ii) provide for payment of all outstanding liens, mortgages or other monetary encumbrances which are liens against the Property which payment shall be made through the Title Company or Purchaser's attorney out of the proceeds to be paid at Closing.

B-13

- (iii) deliver all additional documents reasonably required by the Title Company or Purchaser's attorney
 - (iv) deliver to Purchaser original Closing Statement setting forth the Purchase Price and the prorations between the parties.
 - (v) deliver to Purchaser a certification that Seller is not a "foreign person" within the meaning of Section 1445 of the Internal Revenue Code, as amended, and regulations promulgated thereunder.
- (b) At the Closing, Purchaser will
- (i) pay the Purchase Price due hereunder in accordance with the provisions of this Contract.
 - (ii) deliver all documents reasonably required to effectuate the purposes of this Contract.
 - (iii) deliver to Seller an original Closing Statement setting forth the Purchase Price and the prorations between the parties.

10. Fees and Expenses.

Each party will pay its own fees and expenses of counsel in connection with the purchase and sale of the Property.

11. New York State Real Property Transfer Tax and Recording Fees.

New York State Real Property Transfer Tax with respect to the sale of the Property pursuant to this Contract shall be paid by Seller. Purchaser shall be solely responsible for the recording fees of the deed. Purchaser shall pay the Peconic Tax, if applicable.

12. Prorations.

At Closing there shall be adjusted and/or prorated between the parties, the following:

(a) Taxes, water and sewer charges, assessments, charges, fees, levies and impositions constituting a lien, unconfirmed assessments for which work has been completed prior to the date of execution of this Contract, but not yet assessed, shall be the obligation of Seller for which proper assessment shall be taken and held by the Title Company if the same shall be effective.

(b) The parties shall have utility meters read the day of Closing and Seller shall be responsible for paying all utility bills which accrue against the Property prior to the date of Closing and Purchaser shall be required to pay all utility bills accruing against the Property subsequent to the date of Closing. Purchaser shall, as of the day prior to the date of Closing, post with each utility company, such deposit as each such utility company shall require, to the end that Seller's utility deposits shall be refunded to Seller following the Closing, after appropriate charge for Seller's utility bills.

13. Indemnification.

(a) Seller agrees to indemnify and hold Purchaser harmless from, against and in respect of any and all losses, damages, liabilities, obligations, fines, penalties, costs and expenses, including, but not limited to, reasonable attorneys fees and environmental expert fees (collectively "Losses") suffered, sustained, incurred or required to be paid by Purchaser by reason of:

(i) any representation or warranty made by Seller in or pursuant to this Contract being untrue or incorrect in any material respect; or

(ii) any failure by Seller to observe or perform its covenants and agreements set forth in this Contract.

B-15

(b) Except to the extent set forth in the next sentence, Seller will not have any liability under the indemnity provisions of this Contract with respect to a particular matter unless (i) Purchaser has given Seller a written notice setting forth in reasonable detail the specific nature and estimated amount of the Losses (the "Claim Notice") prior to the time that the representations, warranties, covenants or agreements which are the basis for such indemnification terminate pursuant to paragraph 4(i) and, (ii) in addition, if such matter arises out of a third party suit, action, investigation, proceeding or claim, such Claim Notice is given promptly, but in any event within thirty (30) days after Purchaser is given notice of the claim or the commencement of the suit, action, investigation or proceeding. Notwithstanding the preceding sentence, failure of Purchaser to give a Claim Notice hereunder shall not release Seller from its obligations under this paragraph 13, except to the extent Seller is materially prejudiced by such failure to give such Claim Notice.

(c) (i) Upon receipt of Claim Notice of any third party suit, action, investigation, claim or proceeding for which indemnification might be claimed by Purchaser, Seller shall be entitled to defend, contest or otherwise protect against any such suit, action, investigation, claim or proceeding at its own cost and expense, and Purchaser must reasonably cooperate in any such defense or other action. Purchaser shall have the right, but not the obligation, to participate at its own expense in defense thereof by counsel of its own choosing, but Seller shall be entitled to control the defense unless Purchaser has relieved Seller from liability with respect to the particular matter or Seller fails to assume defense of the matter.

B-16

(ii) In the event Seller shall fail to defend, contest or otherwise protect in a timely manner against any such suit, action, investigation, claim or proceeding, Purchaser shall have the right, but not the obligation, thereafter to defend, contest or otherwise protect against the same and make any compromise or settlement thereof and recover the entire cost thereof from Seller including, without limitation, reasonable attorneys' fees, disbursements and all amounts paid as a result of such suit, action, investigation, claim or proceeding or the compromise or settlement thereof; provided, however, that Purchaser must send a written notice to Seller of any such proposed settlement or compromise, which settlement or compromise Seller may reject within thirty (30) days of receipt of such notice. Failure to reject such notice within such thirty (30) day period shall be deemed an acceptance of such settlement or compromise. Consent of Seller to such proposed settlement or compromise may not be unreasonably withheld, delayed or conditioned. Purchaser shall have the right to effect a settlement or compromise over the objection of Seller; provided, that if Seller is contesting such claim in good faith or has assumed the defense of such claim from the other party or waives any right to indemnity therefore unless consent of Seller to such proposed settlement or compromise was unreasonably withheld, delayed or conditioned.

(iii) If Seller undertakes the defense of such matters, then Purchaser shall not, so long as Seller does not abandon the defense thereof, be entitled to recover from Seller any legal or other expenses subsequently incurred by Purchaser in connection with the defense thereof other than the reasonable costs of investigation undertaken by such party with the prior written consent of Seller.

(iv) The parties shall cooperate with each other in the defense of any suit, action, investigation, proceeding or claim by a third party, shall keep each other informed of all settlement negotiations with third parties and the progress of any litigation and, during normal business hours, shall afford each other access to their books and records and employees relating to such suit, action, investigation, proceeding or claim and shall furnish each other all such further information that they have the right and power to furnish as may reasonably be necessary to defend such suit, action, investigation, proceeding or claim.

(d) In the case of a claim for indemnification hereunder that is not a third party claim covered by paragraph 13(c) hereof, upon the Claim Notice having been given to Seller, it shall have thirty (30) days in which to notify Purchaser in writing (the “Dispute Notice”) that the amount of the claim for indemnification is in dispute, setting forth in reasonable detail the basis of such dispute. In the event that a Dispute Notice is not given to Purchaser within the required thirty (30) days, Seller shall be obligated to pay Purchaser the amount set forth in the Claim Notice within sixty (60) days after the date that the Claim Notice had been given to Seller. In the event that a Dispute Notice is timely given to Purchaser, the parties hereto shall have thirty (30) days to resolve any such dispute. In the event that such dispute is not resolved by such parties within such period, the parties shall have the right to pursue all available remedies to resolve such dispute.

(e) Notwithstanding the foregoing, Seller shall only be responsible to indemnify Purchaser for damages to the extent the aggregate of all Claims made by Purchaser hereunder and pursuant to the Asset Agreement exceed \$250,000 (the “Basket”) and are less than \$3,500,000 (the “Ceiling”); provided, however, that any claim hereunder shall be satisfied only from the Escrow Fund established pursuant to the Asset Agreement. The procedure for the parties to determine the amount of damages to be paid to Purchaser is set forth in Article 8 of the Asset Agreement.

14. Broker.

Each of Purchaser and Seller represents and warrants to the other that no real estate broker has been involved with the negotiation and consummation of the sale of the Property. Purchaser and Seller each agrees to indemnify each other from any claims or liabilities asserted by any real estate broker alleging participation in the purchase and sale of the property and claiming authority from the indemnifying party.

B-18

15. Risk of Loss.

(a) In the event of condemnation or casualty to the Property between the date hereof and the Closing Date, the same shall affect the rights and obligations of the parties hereunder as hereinafter provided. If, prior to the Closing Date, all or any portion of the Property is condemned, taken by eminent domain, damaged by fire or by any other cause of any nature, Seller shall promptly give Purchaser notice of such taking or damage. In the event of condemnation, Purchaser shall have the right at its election to take title subject to the claim of Seller as to the condemnation award or in lieu thereof, to terminate the Contract. Such decision shall be made within thirty (30) days of Seller's notice. In the event of casualty or damage, if the cost of restoration shall be less than TWO HUNDRED FIFTY THOUSAND AND 00/100 DOLLARS (\$250,000.00), Seller shall undertake to restore the Property and Improvements to the condition required to be delivered under the terms and conditions of this Contract and the Closing Date shall be extended for such reasonable time as may be required to effectuate restoration. If the cost of restoration shall exceed TWO HUNDRED FIFTY THOUSAND AND 00/100 DOLLARS (\$250,000.00), then either party shall have the right to terminate this Contract within forty five (45) days from the date of such fire or casualty, provided that if Seller elects to terminate this Contract, Purchaser shall have the right to keep this Contract in full force and effect by agreeing to proceed to purchase the Property and to accept an assignment of the insurance proceeds payable to Seller in connection with such fire or casualty. Seller shall advise Purchaser in writing within fifteen (15) days after said fire or casualty whether or not the cost to restore will exceed TWO HUNDRED FIFTY THOUSAND AND 00/100 DOLLARS (\$250,000.00) as shall be evidenced by the written opinion of an AIA architect licensed to practice in the State of New York.

B-19

(b) Purchaser reserves the right, if Seller terminates this Contract as provided in paragraph 15(a) above, to elect to close title without abatement of Purchase Price, subject to assignment of Seller to Purchaser of Seller's right, title and interest in and to any claims Seller may have under its insurance policies, or to deduct from the Purchase Price any sums received by Seller in settlement of the casualty claim; provided, Purchaser gives Seller fifteen (15) days notice of such election.

18. Benefits and Obligations: No Third Party Beneficiary.

This Contract shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Notwithstanding anything to the contrary contained herein, no party other than the parties hereto or their respective successors and assigns shall have any right or benefit herein, including, without limitation, the right to insist upon or enforce against either Seller or Purchaser the performance of all or any of their respective obligations hereunder and no such third party shall be deemed to have received any benefit as a result of any of the provisions of this Contract.

(b) In the event Seller shall default and refuse to close title except for any reason permitted hereunder or due to a default of Purchaser, Purchaser shall have the right to either (i) commence a suit for specific performance and if successful, shall also be entitled to all Purchaser's costs and expenses, including, without limitation, reasonable attorneys' and experts'/consultants' fees; provided, however, in the event specific performance is unavailable, Purchaser shall be entitled to bring suit for all damages, including reasonable attorneys' fees, experts' and consultants' fees suffered by reason of such failure and all of Purchaser's actual costs and expenses in connection with the purchase of the Property or (ii) terminate this Contract, in which case Seller shall reimburse Purchaser for all costs associated with its Due Diligence Investigation pursuant to paragraph 7 hereof and the parties hereunder shall have no further obligations or liabilities, one to the other with respect to the Property.

21. Bind and Inure.

This Contract shall be binding upon the parties hereto and their successors and assigns.

22. Tax Free Exchange.

(a) It is mutually understood and agreed by and between Seller and Purchaser that Purchaser shall have the right to effectuate a like-kind exchange under Section 1031 of the Internal Revenue Code of 1986 ("§1031"), as amended, and the Regulations promulgated thereunder ("§1031 Exchange"), in connection with the subject transaction. Seller agrees to fully cooperate and execute and deliver all documents necessary to accomplish the §1031 Exchange for Purchaser including but not limited to, delivery of escrow instructions, as appropriate, consenting to Purchaser's assignment of certain rights to a "qualified intermediary" (as defined in §1031) for the limited purpose of complying with §1031, and the execution thereof.

(b) Without limiting the foregoing, Purchaser agrees that (a) it shall be responsible for all costs associated with its §1031 Exchange, and that Seller shall not be required to incur any additional cost, expense, or liability of any kind for the purpose of effectuating a §1031 Exchange for Purchaser; (b) Purchaser shall indemnify and hold Seller harmless from and against any loss, cost, damage, expense or other liability (including reasonable attorney's fees) that Seller may incur or suffer in the performance of its obligations under this paragraph 22; (c) no assignment by Purchaser to a "qualified intermediary" for purposes of complying with §1031 shall operate to limit or modify Purchaser's obligations or liabilities to Seller under this Contract.

ANNEX C

May 7, 2008

Board of Directors
Interpharm Holdings, Inc.
85 Adams Avenue
Hauppauge, NY 11788

Dear Members of the Board of Directors:

We understand that Amneal Pharmaceuticals of New York, LLC (the “Acquiror”), Interpharm Holdings, Inc. (the “Company”), Interpharm, Inc., a wholly-owned subsidiary of the Company (“Interpharm”), and certain shareholders of the Company listed therein (the “Majority Shareholders”), have entered into an Asset Purchase Agreement, dated as of April 24, 2008 (the “Original Agreement”), as amended pursuant to the First Amendment to Asset Purchase Agreement, dated May 2, 2008 (the “Amendment”, and together with the Original Agreement, the “Asset Purchase Agreement”), and that Interpharm, Interpharm Realty LLC (“Realty LLC”) and Kashiv LLC have entered into a Contract of Sale dated April 24, 2008 (the “Contract of Sale”), pursuant to which, among other things, the Company and its subsidiaries will sell substantially all of their respective assets, including real property located at 50 Horseblock Road, Yaphank, New York (the “Real Estate”), to the Acquiror and its affiliates, and the Acquiror will assume certain specified liabilities of the Company and its subsidiaries, for a cash purchase price of \$61.6 million (the “Consideration”), subject to certain adjustments, together with the Acquiror establishing an escrow fund of \$3.5 million for the potential payment of additional consideration to the Company and Interpharm, as provided for in the Asset Purchase Agreement (such sale of the Real Estate, together with the other asset sales and liability assumptions contemplated by the Asset Purchase Agreement, collectively, the “Transaction”). The Company, Interpharm and Realty LLC are referred to herein collectively as the “Sellers”. We further understand that, in connection with the Transaction, the Majority Shareholders and certain other holders of Company common stock have entered into a Proceeds Sharing Agreement, dated as of May 2, 2008 (the “Proceeds Sharing Agreement”), which sets forth an allocation of the proceeds due to certain shareholders from the Transaction amongst those stockholders and allocates some of the proceeds to the holders of the Company’s common stock, \$0.01 par value per share (“Company Common Stock”).

You have requested that Houlihan Lokey Howard & Zukin Financial Advisors, Inc. (“Houlihan Lokey”) provide an opinion (the “Opinion”) as to whether, as of the date hereof, the aggregate Consideration to be received by the Sellers in the Transaction is fair to the Sellers, in the aggregate, from a financial point of view.

In connection with this Opinion, we have made such reviews, analyses and inquiries as we have deemed necessary and appropriate under the circumstances. Among other things, we have:

1. reviewed the following agreements and documents:

a. the Original Agreement;

b. the Amendment; and

c. the Contract of Sale;

2. reviewed certain publicly available business and financial information relating to the Company that we deemed to be relevant;

3. reviewed certain information relating to the current and future operations, financial condition and prospects of the Company made available to us by the Company, including (a) financial projections for the fiscal year ending June 30, 2009, prepared by the management of the Company, relating to the Company as a going concern, (b) cash flow projections for the thirteen week period ending June 20, 2008 (together, the "Projections") and (c) a liquidation analysis prepared by the management of the Company (the "Liquidation Analysis");

4. spoken with certain members of the management of the Company regarding the business, operations, financial condition and prospects of the Company, the Transaction and related matters, including such management's views of the operational and financial risks and uncertainties attendant with not pursuing the Transaction;

5. reviewed the current and historical market prices and trading volume for Company Common Stock;

6. reviewed a certificate addressed to us from senior management of the Company which contains, among other things, representations regarding the accuracy of the information, data and other materials (financial or otherwise) provided to us by or on behalf of the Company; and

7. conducted such other financial studies, analyses and inquiries and considered such other information and factors as we deemed appropriate.

We have relied upon and assumed, without independent verification, the accuracy and completeness of all data, material and other information furnished, or otherwise made available, to us, discussed with or reviewed by us, or publicly available, and do not assume any responsibility with respect to such data, material and other information. In addition, management of the Company has advised us, and we have assumed, that the Projections and Liquidation Analysis reviewed by us have been reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of such management as to the future financial results and condition of the Company (or the future results of any liquidation thereof) and we express no opinion with respect to such projections, analysis or the assumptions on which they are based. We note that the Projections and Liquidation Analysis are subject to significant uncertainty, particularly in light of the Company's recent financial performance, current financial condition, current and prospective access to capital, current and prospective liquidity and unfavorable future prospects. In this regard, you have advised us, and we have relied upon and assumed, that the Company is unable to obtain financing in an amount or on terms that will allow the Company to continue as a going concern and therefore, absent the Transaction, the Company will have no alternative other than to seek protection under U.S. bankruptcy laws and would likely result in a liquidation of the Company. We have relied upon and assumed, without independent verification, that there has been no material change in the business, assets, liabilities, financial condition, results of operations, cash flows or prospects of the Company since the date of the most recent financial statements provided to us, and that there is no information or any facts that would make any of the information reviewed by us incomplete or misleading. We have not considered any aspect or implication of any transaction to which the Company or any of its security holders may be a party (other than as specifically described herein with respect to the Transaction).

We have relied upon and assumed, without independent verification, that (a) the representations and warranties of all parties to the agreements identified in item 1 above and all other related documents and instruments that are referred to therein are true and correct, (b) each party to all such agreements and other related documents and instruments will fully and timely perform all of the covenants and agreements required to be performed by such party, (c) all conditions to the consummation of the Transaction will be satisfied without waiver thereof, and (d) the Transaction will be consummated in a timely manner in accordance with the terms described in the agreements and documents provided to us, without any amendments or modifications thereto. We also have relied upon and assumed, without independent verification, that (i) the Transaction will be consummated in a manner that complies in all respects with all applicable federal and state statutes, rules and regulations, and (ii) all governmental, regulatory, and other consents and approvals necessary for the consummation of the Transaction will be obtained and that no delay, limitations, restrictions or conditions will be imposed or amendments, modifications or waivers made that would result in an adverse effect on the amount or timing of receipt of the Consideration. The Company has informed us that (i) it has very little or no unrestricted cash on hand, (ii) financial projections that represent the best currently available estimates and judgments of the Company management as to the future financial results and operations of the Company exist only through June 30, 2009, and (iii) as referred to above, the Company is unable to obtain financing sufficient to continue as a going concern. As a result, in reaching our conclusions hereunder, we did not perform a discounted cash flow analysis. In addition, we reviewed data regarding publicly traded companies in the same industry as the Company and recent change of control transactions involving companies in the same industry as the Company. However, because of (i) the Company's lack of financing, (ii) the lack of publicly traded companies in the same industry as the Company facing similar going concern issues, and (iii) the lack of recent change of control transactions involving companies in the same industry as the Company facing similar going concern issues, we did not rely, in whole or in part, on either a comparable public companies analysis or a comparable mergers and acquisitions transaction analysis in reaching the conclusion set forth herein.

Furthermore, in connection with this Opinion, we have not been requested to make, and have not made, any physical inspection or independent appraisal or evaluation of any of the assets, properties or liabilities (fixed, contingent, derivative, off-balance-sheet or otherwise) of any of the Sellers or any other party, nor were we provided with any such appraisal or evaluation, other than (a) the Liquidation Analysis, and (b) certain appraisals relating to the Real Estate and the machinery and equipment of the Sellers (collectively, the "Appraisals"). We have relied upon and assumed, without independent verification, the accuracy of the conclusions set forth in the Liquidation Analysis and the Appraisals, and have assumed that the assumptions, estimates and conclusions contained in the Liquidation Analysis accurately reflect the outcome of an orderly liquidation of the Sellers' assets. We are not real estate, machinery or equipment appraisers, and do not express any opinion with respect to such subject matter. If the conclusions set forth in said Appraisals and the Liquidation Analysis are not accurate, the conclusion set forth in this Opinion could be materially affected. We did not estimate, and express no opinion regarding, the liquidation value of any entity or asset. We note, however, that the Liquidation Analysis reflects the belief of management of the Company that the liquidation value of the Company's assets is substantially lower than the amount of the Consideration. We have undertaken no independent analysis of any potential or actual litigation, regulatory action, possible unasserted claims or other contingent liabilities, to which the Company is or may be a party or is or may be subject, or of any governmental investigation of any possible unasserted claims or other contingent liabilities to which any of the Sellers is or may be a party or is or may be subject, and have assumed, with your consent, that the Consideration will not be reduced pursuant to Schedule 2.3(c) of the Asset Purchase Agreement by more than \$5 million as a result of any liability assumed by the Acquiror related to pending litigation.

We have not been requested to, and did not, (a) initiate or participate in any discussions or negotiations with, or solicit any indications of interest from, third parties with respect to the Transaction, the assets, businesses or operations of any of the Sellers, or any alternatives to the Transaction, (b) negotiate the terms of the Transaction, or (c) advise the Board of Directors or any other party with respect to alternatives to the Transaction. In reaching our conclusions hereunder, we have considered the status of the Company's ongoing negotiations with its lenders with respect to the Company's defaults on the covenants of its credit facilities and our discussions with Company management as to the Company's financing alternatives and recent efforts to raise additional capital and seek other strategic alternatives, including a potential sale of the Company and/or its assets. This Opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. We have not undertaken, and are under no obligation, to update, revise, reaffirm or withdraw this Opinion, or otherwise comment on or consider events occurring after the date hereof.

This Opinion is furnished for the use and benefit of the Board of Directors in connection with the exercise of its fiduciary duties, and may not be relied on by any other person or used for any other purpose without our prior written consent. This Opinion should not be construed as creating any fiduciary duty on Houlihan Lokey's part to any party. This Opinion is not intended to be, and does not constitute, a recommendation to the Board of Directors, any security holder or any other person as to how to act with respect to any matter relating to the Transaction.

In the ordinary course of business, certain of our affiliates, as well as investment funds in which they may have financial interests, may acquire, hold or sell, long or short positions, or trade or otherwise effect transactions, in debt, equity, and other securities and financial instruments (including loans and other obligations) of, or investments in, any of the Sellers, the Acquiror or any other party that may be involved in the Transaction and their respective affiliates or any currency or commodity that may be involved in the Transaction. The Company has agreed to reimburse certain of our expenses and to indemnify us and certain related parties for certain liabilities arising out of our engagement.

Houlihan Lokey and its affiliates may provide investment banking, financial advisory and other financial services to any of the Sellers, the Acquiror and other participants in the Transaction and their respective affiliates in the future, for which Houlihan Lokey and such affiliates may receive compensation.

In addition, we will receive a fee for rendering this Opinion, which is not contingent upon the successful completion of the Transaction.

We have not been requested to opine as to, and this Opinion does not express an opinion as to or otherwise address: (i) the underlying business decision of any of the Sellers, their respective security holders or any other party to proceed with or effect the Transaction, (ii) the terms of any arrangements, understandings, agreements or documents related to, or the form or any other portion or aspect of, the Transaction or otherwise (other than the Consideration to the extent expressly specified herein), including the terms of the Proceeds Sharing Agreement, (iii) the fairness of any portion or aspect of the Transaction to the holders of any class of securities, creditors or other constituencies of any of the Sellers, or to any other party, including the terms of the Proceeds Sharing Agreement, except as set forth in this Opinion, (iv) the relative merits of the Transaction as compared to any alternative business strategies that might exist for any of the Sellers or any other party or the effect of any other transaction in which any of the Sellers or any other party might engage, (v) the fairness of any portion or aspect of the Transaction to any one class or group of any of the Sellers' or any other party's security holders vis-à-vis any other class or group of any of the Sellers' or such other party's security holders (including without limitation (a) the allocation of any consideration amongst or within such classes or groups of security holders, whether pursuant to the Proceeds Sharing Agreement, or otherwise, (b) the allocation of the Consideration amongst the Sellers, or (c) the allocation of the Consideration amongst the assets purchased in the Transaction), (vi) whether or not any of the Sellers, their respective security holders or any other party is receiving or paying reasonably equivalent value in the Transaction, (vii) the solvency, creditworthiness or fair value of any of the Sellers or any other participant in the Transaction under any applicable laws relating to bankruptcy, insolvency, fraudulent conveyance or similar matters, or (viii) the fairness, financial or otherwise, of the amount or nature of any compensation to or consideration payable to or received by any officers, directors or employees of any party to the Transaction, any class of such persons or any other party, relative to the Consideration or otherwise. Furthermore, no opinion, counsel or interpretation is intended in matters that require legal, regulatory, accounting, insurance, tax or other similar professional advice. It is assumed that such opinions, counsel or interpretations have been or will be obtained from the appropriate professional sources. Furthermore, we have relied, with your consent, on the assessment by the Company and its advisers, as to all legal, regulatory, accounting, insurance and tax matters with respect to the Sellers and the Transaction. The issuance of this Opinion was approved by a committee authorized to approve opinions of this nature.

If the Company is required under the federal securities laws to include the text of this Opinion and a description hereof in any proxy statement or other similar communication required to be filed by the Company with the Securities and Exchange Commission and delivered to the Company's stockholders in connection with the Transaction, the Company may do so, provided that (i) this Opinion will be reproduced therein only in its entirety, and (ii) the content and context of any such inclusion or description (including, without limitation, any reference to Houlihan Lokey, the Company's engagement of Houlihan Lokey, the services provided by Houlihan Lokey or this Opinion) shall be subject to Houlihan Lokey's prior review and written approval (and, if applicable, formal written consent).

Based upon and subject to the foregoing, and in reliance thereon, it is our opinion that, as of the date hereof, the aggregate Consideration to be received by the Sellers in the Transaction is fair to the Sellers, in the aggregate, from a financial point of view.

Very truly yours,
