Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

In March 2009, the Reporting Person, together with certain other stockholders in the Company and with the Company, brought an action in Arizona state court requesting, among other things, a judicial determination that Michael De La Garza was not properly elected as a director or as an officer of MedCom. The Arizona state court has granted preliminary equitable relief requiring, among other things, Mr. De La Garza to cease holding himself out to be an officer or director of the Company. The Reporting Person, the other stockholders party to the action, the Company and others have entered into a settlement agreement with Mr. De La Garza, which will, when approved by the Bankruptcy Court, resolve pending Arizona state court litigation against Mr. De La Garza, in which the Company sought, among other things, injunctive and declaratory relief that Mr. De La Garza was not authorized to act on behalf of the Company as an officer or director.

Under the terms of the settlement, among other things, for the avoidance of any doubt, Mr. De La Garza will resign from the Board of Directors of the Company and as President and Chief Executive Officer of the Company and of another company, Card Activation Technologies, Inc.. Mr. De La Garza will be retained by the Company as its Chief Operating Officer (although with limited ability to bind the Company) and will report to the Company's Board of Directors.

The settlement agreement is fully executed, but will not become final and effective until entry of a final, non-appealable Order from the Bankruptcy Court in the involuntary bankruptcy proceeding currently pending in Arizona against the Company either (1) approving the settlement agreement, or (2) dismissing the bankruptcy proceeding.
