EXPLANATORY NOTE AND INCORPORATION BY REFERENCE OF CONTENTS OF
REGISTRATION STATEMENTS ON FORM S-8 NOS. 333-110085 AND 333-120579

This Registration Statement is being filed for the purpose of increasing the number of securities of the same class as other securities for which a Registration Statement on Form S-8 relating to the same benefit plans is effective.

2003 EIAP

The 2003 EIAP authorizes the issuance of a number of shares of Common Stock equal to the sum of (i) 2,500,000 shares, (ii) the number of shares of Common Stock remaining available for issuance and not subject to options granted under the Registrant's Third Amended and Restated 2000 Stock Incentive Plan (the "2000 Plan") as of June 10, 2004, (iii) with respect to awards granted under the 2000 Plan on or before June 10, 2004, that expire or are cancelled without having been exercised in full or shares of Common Stock that are repurchased pursuant to the terms of awards granted under the 2000 Plan, the number of shares of Common Stock subject to each such award as to which such award was not exercised prior to its expiration or cancellation or which are repurchased, plus (iv) an amount on June 10, 2004, and each June 10th during the term of the 2003 EIAP, equal to the lesser of (A) 5% of the Registrant's outstanding shares of Common Stock on such date, (B) 2,500,000 shares or (C) a lesser amount as may be determined by the Registrant's board of directors.

The 2003 EIAP was amended effective as of December 10, 2007 to provide that the automatic "evergreen" increase described in clause (iv) above shall occur on January 1 of each year, beginning on January 1, 2008, rather than on June 10 of each such year.

As of June 10, 2004, the Registrant had terminated the 2000 Plan and 45,637 shares remained available for issuance under the 2000 Plan and became available for issuance under the 2003 EIAP pursuant to clause (ii) above. As of the date of this Registration Statement, with respect to awards granted under the 2000 Plan on or before June 10, 2004, options to purchase 94,462 shares have expired or have been cancelled prior to exercise and have become available for issuance under the 2003 EIAP pursuant to clause (iii) above, and options to purchase 179,849 shares remain outstanding under the 2000 Plan and may become available for issuance under the 2003 EIAP pursuant to clause (iii) above.

The increase on June 10, 2004 pursuant to clause (iv) was 1,337,659 shares. The increase on June 10, 2005 pursuant to clause (iv) was 1,398,086 shares. The increase on June 10, 2006 pursuant to clause (iv) was 1,459,540 shares. The increase on June 10, 2007 pursuant to clause (iv) was 1,575,203 shares. The increase on January 1, 2008 pursuant to clause (iv), as amended, was 2,038,912 shares. The increase on January 1, 2009 pursuant to clause (iv), as amended, was 2,500,000 shares. The increase on January 1, 2010 pursuant to clause (iv), as amended, will be 2,500,000. Therefore, as of January 1, 2010, the maximum number of shares of Common Stock reserved for issuance under the 2003 EIAP will be 15,629,348 shares.

The Registrant previously registered (i) 2,500,000 shares of its Common Stock for issuance under the 2003 EIAP on a Registration Statement on Form S-8 filed with the Securities and Exchange Commission (the "Commission") on October 30, 2003 (File No. 333-110085) (the "First Registration Statement") and (ii) an additional 8,176,722 shares of Common Stock for issuance under the 2003 EIAP on a Registration Statement on Form S-8 filed with the Commission on November 17, 2004 (File No. 333-120579) (the "Second Registration Statement"). In accordance with Rule 416(b) under the Securities Act, as a result of a 1-for-3 reverse stock split effected by the Registrant on May 5, 2006 (the "2006 Reverse Stock Split"), the number of shares of Common Stock registered pursuant to the First Registration Statement and the Second Registration Statement was proportionately reduced from 10,676,722 shares to 3,558,907 shares in the aggregate. Accordingly, the Registrant is hereby registering 12,070,441 additional shares of Common Stock for issuance pursuant to the 2003 EIAP.

2003 ESPP

The 2003 ESPP authorizes the issuance of a number of shares of Common Stock equal to the sum of (i) 300,000 shares plus (ii) an annual increase amount on December 31, 2003, and each December 31st during the term of the 2003 ESPP, equal to the lesser of (A) 1% of the Registrant's outstanding shares of Common Stock on such date, (B) 30,000 shares or (C) a lesser amount as may be determined by the Registrant's board of directors.

The increase on each of December 31, 2003, December 31, 2004 and December 31, 2005 pursuant to clause (ii) was 30,000 shares. On May 5, 2006, as a result of the 2006 Reverse Stock Split, pursuant to the provisions of the 2003 ESPP the number of shares authorized for issuance under the 2003 ESPP was proportionately reduced from 390,000 shares to 130,000 shares in the aggregate. The increase on each of December 31, 2006, December 31, 2007 and December 31, 2008 pursuant to clause (ii) was 30,000 shares. Therefore, as of the date hereof, the total number of shares of Common Stock reserved for issuance under the 2003 ESPP is 220,000 shares.

The Registrant previously registered 600,000 shares of its Common Stock for issuance under the 2003 ESPP on the First Registration Statement. In accordance with Rule 416(b) under the Securities Act, as a result of the 2006 Reverse Stock Split, the number of shares of Common Stock registered pursuant to the First Registration Statement was proportionately reduced to 200,000 shares in the aggregate. Accordingly, the Registrant is hereby registering 20,000 additional shares of Common Stock for issuance pursuant to the 2003 ESPP.

Pursuant to General Instruction E to Form S-8, this Registration Statement hereby incorporates by reference the contents of the First Registration Statement and Second Registration Statement referenced above.

UNDERTAKINGS

1. The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(i) and (a)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
