#### INFORMATION STATEMENT

# NO VOTE OR OTHER ACTION OF THE COMPANY'S SHAREHOLDERS IS REQUIRED IN CONNECTION WITH THIS INFORMATION STATEMENT

#### WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY

Dear Shareholders:

This Information Statement is furnished by the Board of Directors (the "Board") of Crown Equity Holdings, Inc. (the "Company") to inform shareholders of the Company of certain actions adopted by the Board and approved by shareholders holding a majority in interest of the voting power of the Company. This Information Statement will be mailed on approximately January 20, 2010 to shareholders of record of the Company's Common Stock as of December 31, 2009 ("Record Date"). Specifically, this Information Statement relates to the Amendment and Restatement of the Company's Articles of Incorporation.

The Company plans to amend and restate its Articles of Incorporation to provide for a decrease in the authorized shares as well as authorizing the creation of a class of preferred stock, par value \$.001. The Board of Directors adopted a proposal to file an Amended and Restated Certificate of Incorporation in which certain existing provisions would be amended, certain existing provisions would be retained, and certain new provisions would be added so as to amend the Certificate of Incorporation of the Company to:

(a) change the authorized capital stock by decreasing the number of authorized shares of Common Stock and authorizing a class of Preferred Stock, par value \$.001;

- (b) add provisions governing the Board of Directors;
- (c) add a provision limiting the liability of directors;
- (d) permitting the votes of interested directors to be counted in certain transactions;
- (e) add a provision for the indemnification of officers and directors; and

(f) add a provision permitting the Board of Directors to approve future stock splits without a vote of the stockholders without affecting the authorized capital stock.

In addition to the foregoing additive amendments, the Restated Articles would delete certain provisions which are not required in Restated Articles or which are simply declaratory of authority provided in the Nevada Private Corporation Act.

The filing of the Amended and Restated Certificate of Incorporation with the Nevada Secretary of State, which will implement the foregoing amendments, will not be done until a date which is at least twenty (20) days after the mailing of this definitive Information Statement. This Information Statement will be sent on or about January 20, 2010 to the Company's shareholders of record on the Record Date who have not been solicited for their consent to this corporate action.

This Information Statement is being furnished to you to inform you of the actions taken as required by rules and regulations of the Securities and Exchange Commission, and, in addition, to satisfy any requirements of notice under the Nevada Corporation Law. You are urged to read this Information Statement in its entirety for a description of the actions taken by the Board of Directors and approved by the majority shareholders of the Company.

#### Yours truly,

#### /s/ Kenneth Bosket

This Information Statement is to inform you of the actions taken by the Board of Directors of the Company and approved by the majority shareholder of the Company, on November 5, 2009 and to discuss the purposes and reasons for such actions.

#### PURPOSES OF AMENDMENTS OF CERTIFICATE OF INCORPORATION

The Company was organized on August 31, 1995. Since then, the Company has had several changes in its name and in its business, and with those changes, there have been various amendments to the Articles of Incorporation. As a result, the Articles of Incorporation as amended must be pieced together from a number of documents containing the prior amendments. At the same time, the Nevada Private Corporation Act has been amended and certain provisions are either no longer required or are not required in restated Articles. Also, the Company has determined that the cost of maintaining the presently authorized capital of the Company is not warranted. The Company also wishes to provide for a class of preferred stock for future acquisitions, debt financing and other business purposes.

In summary, the purpose of filing the Amended and Restated Certificate of Incorporation as discussed below in more detail is to decrease the number of shares of common stock presently authorized as well as authorizing a class of preferred stock. At the present time, the Company is engaged in the business of providing financial public relations services as well as distributing press releases and other news through its websites.

The filing of a Certificate of Amendment with the Nevada Secretary of State, which will effect the foregoing amendment, will not be done until a date which is at least twenty (20) days after the mailing of this definitive Information Statement. This Information Statement will be sent on or about January 20, 2010 to the Company's shareholders of record on the Record Date who have not been solicited for their consent to this corporate action.

#### VOTING SECURITIES

The Record Date of shareholders entitled to receive notice of this corporate action by the Company is the close of business on December 31, 2009. On such date, the Company had issued and outstanding 72,880,632 shares of its Common Stock. Accordingly, on the Record Date, there were a total of 72,880,632 votes, and the Company has received a majority of such votes (44,079,410) votes, or 60.5%) approving the Amendments and the Restatement. Pursuant to Nevada law, there are no dissenter's or appraisal rights relating to the actions taken.

## AMENDMENT AND RESTATEMENT OF ARTICLES OF INCORPORATION

The following are the changes to the Articles of Incorporation which were recommended by the Company's Board of Directors and approved by the shareholder having a majority in interest of the voting power, together with the reasons for such changes:

1. The authorized capital structure is being changed. The proposed amendment will provide for 490,000,000 shares of Common Stock and 10,000,000 shares of undesignated preferred stock. At present, the Company is authorized to issue 5,000,000,000 shares of common stock having a par value of \$.001 per share and no preferred stock. This is being changed to authorize the Company to issue 10,000,000 shares of preferred stock having a par value of \$.001 per share and 490,000,000 shares of common stock also having a par value of \$.001 per share.

The number of common shares authorized is being reduced because the Company believes that it is unnecessary at the present time to have as many shares of common stock authorized as the Company presently does and it will substantially reduce the Company's annual fees with the State of Nevada by reducing the number of authorized common shares.

The Company is authorizing a class of preferred stock which the Company may utilize in the future for the acquisition of assets, to acquire interests in other companies, to raise capital or for debt financing, although the Company does not have any present plans for authorizing or issuing any class of preferred stock. Preferred Stock might also be used to raise capital for the Company in the future. A future investor may desire certain terms and conditions for the capital to be invested which can best be met through the authorization and issuance of shares of preferred stock. These terms and conditions may be superior to those afforded to shareholders of common stock of the Company. The terms of the preferred shares to be issued, if any, including dividend or interest rates, conversion prices, voting rights, redemption prices, maturity dates and similar matters will be determined by the Board of Directors at the time of issuance.

#### POTENTIAL ANTI-TAKEOVER EFFECT

Although the increased proportion of authorized but unissued shares to issued shares could, under certain circumstances, have an anti-takeover effect (for example, by permitting issuances that could dilute the stock ownership of a person seeking to effect a change in the composition of the Board of Directors or contemplating a tender offer or other transaction for the combination of the Company with another company), the increase in our authorized capital through the creation of a class of preferred stock is not being undertaken in response to any effort of which the Board of Directors is aware to accumulate shares of the Common Stock or obtain control of the Company. The Board of Directors does not currently contemplate the adoption of any other amendments to the Articles of Incorporation that could be construed to affect the ability of third parties to take over or change the control of the Company.

Authorized but unissued shares of common stock and preferred stock would be available for future issuance without our shareholders' approval. These additional shares may be utilized for a variety of corporate purposes including, but not limited to, future public or direct offerings to raise additional capital, corporate acquisitions and employee incentive plans. The issuance of such shares may also be used to deter a potential takeover of the Company that may otherwise be beneficial to shareholders by diluting the shares held by a potential suitor or issuing shares to a shareholder that will vote in accordance with the Company's Board of Directors' desires at that time. A takeover may be beneficial to shareholders because, among other reasons, a potential suitor may offer shareholders a premium for their shares of stock compared to the then-existing market price.

2. An Article will be added outlining the Board of Directors. The current Articles of Incorporation lack any definition of the Board. The new provision will set the number of directors at no fewer than one (1) and no more than twenty-one (21), to be elected annually, with the proviso that a director will serve until his successor is duly elected and qualified, although such service is for more than a year. The provision will permit vacancies, including vacancies resulting from an increase in the number of directors, to be filled by the Board.

3. An Article will be added limiting the liability of directors in accordance with the authorization of the Nevada Corporation Law. The current Articles do not contain any such limitation. Such a provision is considered a requirement for the Company to recruit qualified directors, especially in the absence of D&O insurance and given the Company's lack of substantial assets from which to provide meaningful indemnification.

4. An Article will be added permitting the Company to enter into contracts with its directors and with firms in which any of its directors are shareholders, owners, directors, officers, or otherwise interested, provided that such contracts are in the ordinary course of business, with interested directors being permitted to vote on such transactions. The current Articles do not contain such a provision. Although such authorization is in the Nevada Corporation Law, it has been felt advisable to add the provision to the Articles of Incorporation in view of the more likely potential for such eventuality arising, given the Company's new business plan than might otherwise be the case. Any such contract will still be subject to the Board of Director's review and approval and it must be determined that such a contract is in the best interests of the Company and its shareholders before it will be approved.

5. An Article will be added adding provisions for indemnification of officers and directors. The current Articles do not contain any provision for indemnification. Such a provision is authorized by the Nevada Corporation Law, and it is considered a requirement for the Company to recruit qualified directors, especially in the absence of D&O insurance.

6. An Article will be added permitting the Board of Directors to authorize and declare stock splits (reverse splits and forward splits) without a shareholder vote without thereby impacting the number of shares of stock authorized. The current Articles do not contain any such provision, which is permitted by the Nevada Corporation Law. The Board desires to provide for greater flexibility by permitting the declaration of splits without requiring a vote of the shareholders, which can be time-consuming in what may be a time-sensitive situation. The Nevada Corporation Law gives the Board such authority, but also provides that in such an event, the split would affect the authorized number of shares, not only the issued and outstanding shares. This provision will allow the Board to take such action without affecting the authorized number of shares. At present, the Company has no plans to authorize or declare a reverse or forward stock split of its common stock or to enter into any going-private transaction.

7. Certain existing Articles will be deleted:

(a) Article 6, providing for non-assessment of stock is not required as the stock is not assessable stock.

(b) Article 8, providing for perpetual existence, is not required as the Nevada Private Corporation Act provides for perpetual existence in the absence of a provision for any other date.

(c) Article 7, providing the names and addresses of the incorporators, is not required in restated Articles.

(d) Article 9, providing that the Board of Directors has the power to adopt and amend, the corporation's Bylaws, is not needed as this power is given to the Board by the Nevada Private Corporation Act.

NOTE: The Amended and Restated Articles of Incorporation as intended to be filed with the Secretary of State of Nevada are attached hereto as an exhibit and made a part hereof. Reference is hereby made to such exhibit for the specific wording of each of the foregoing provisions.

5. Limitation on Liability of Director. 6. Interested Directors. In case the corporation enters into contracts or transacts business with one or more of its directors, or with any firm of which one or more of its directors are members, or with any other corporation or association of which one or more of its directors are shareholders, directors, or officers, such contracts or transactions shall not be invalidated or in any way affected by the fact that such director or directors have or may have an interest therein which is or might be adverse to the interest of this corporation, provided that such contracts or transactions are in the usual course of business.

In the absence of fraud, no contract or other transaction between this corporation and any other corporation or any individual or firm, shall in any way be affected or invalidated by the fact that any of the directors of this corporation is interested in such contract or transaction, provided that such interest shall be fully disclosed or otherwise known to the Board of Directors in the meeting of such Board at which time such contract or transaction was authorized or confirmed, and provided, however, that any such directors of this corporation who are so interested may be counted in determining the existence of a quorum at any meeting of the Board of Directors of this corporation which shall authorize or confirm such contract or transaction, and any such director may vote thereon to authorize any such contract or transaction with the like force and effect as if he were not such director or officer of such other corporation or not so interested.

7. Indemnification. The following indemnification provisions shall be deemed to be contractual in nature and not subject to retroactive removal or reduction by amendment.

A. This corporation shall indemnify any director and any officer who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil or criminal, judicial, administrative or investigative, by reason of the fact that he/she is or was serving at the request of this corporation as a director or officer or member of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement, actually and reasonably incurred by him/her in connection with such action, suit or proceeding, including any appeal thereof, if he/she acted in good faith or in a manner he/she reasonably believed to be in, or not opposed to, the best interests of this corporation, and with respect to any criminal action or proceeding, if he/she had no reasonable cause to believe his/her conduct was unlawful. However, with respect to any action by or in the right of this corporation to procure a judgment in its favor, no indemnification shall be made in respect of any claim, issue, or matter as to which such person is adjudged liable for negligence or misconduct in the performance of his/her duty to the corporation unless, and only to the extent that, the court in which such action or suit was brought determines, on application, that despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity in view of all the circumstances of the case.

Termination of any action, suit or proceeding by judgment, order, settlement, conviction, or in a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the party did not meet the applicable standard of conduct. Indemnification hereunder may be paid by the corporation in advance of the final disposition of any action, suit or proceeding, on a preliminary determination that the director, officer, employee or agent met the applicable standard of conduct.

B. The corporation shall also indemnify any director or officer who has been successful on the merits or otherwise, in defense of any action, suit, or proceeding, or in defense of any claim, issue, or matter therein, against all expenses, including attorneys' fees, actually and reasonably incurred by him/her in connection therewith, without the necessity of an independent determination that such director or officer met any appropriate standard of conduct.

C. The indemnification provided for herein shall continue as to any person who has ceased to be a director or officer, and shall inure to the benefit of the heirs, executors, and administrators of such persons.

D. In addition to the indemnification provided for herein, the corporation shall have power to make any other or further indemnification, except an indemnification against gross negligence or willful misconduct, under any resolution or agreement duly adopted by the Board of Directors, or duly authorized by a majority of the shareholders.

8. Stock Splits without Stockholder Approval. The Board of Directors, without the consent of the stockholders of the corporation, may adopt any recapitalization affecting the outstanding shares of capital stock of the corporation by effecting a forward or reverse split of all of the outstanding shares of any class of capital stock of the corporation, with appropriate adjustment to the corporation's capital accounts.

4
