ABOUT THE 2011 ANNUAL MEETING

General: Date, Time and Place

We are providing this Proxy Statement to you in connection with the solicitation, on behalf of our Board, of proxies to be voted at our 2011 Annual Meeting of Stockholders (the "2011 Annual Meeting") or any postponement or adjournment of that meeting. The 2011 Annual Meeting will be held on June 21, 2011, at 10:00 a.m. local time at our principal executive officers, located at 12/F, Tower A, Chang An International Building, No. 88 Nan Guang Zheng Jie, Xi'an City, Shaanxi Province, 710068 China.

Matters to be Considered and Voted Upon

At the 2011 Annual Meeting, stockholders will be asked to consider and vote (i) to elect the nominees named herein as directors and (ii) to ratify the selection of our independent registered public accounting firm. The Board does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Stock Outstanding and Entitled to Vote

Our Board has established May 31, 2011 as the record date. Only holders of shares of the Company's common stock, par value \$.001 per share, as of the record date are entitled to notice of, and to vote at, the 2011 Annual Meeting. Each share of common stock entitles the holder thereof to one vote per share on each matter presented to our stockholders for approval at the 2011 Annual Meeting. At the close of business on April 29, 2011, we had 39,198,982 shares of common stock outstanding. We expect the same number of shares to be outstanding as of the record date.

Quorum; Required Vote

A quorum of stockholders is required for the transaction of business at the 2011 Annual Meeting. The presence of at least one-third of all of our shares of common stock issued and outstanding and entitled to vote at the meeting, present in person or represented by proxy, will constitute a quorum at the meeting. Votes cast by proxy or in person at the 2011 Annual Meeting will be tabulated by an election inspector appointed for the meeting and will be taken into account in determining whether or not a quorum is present. Abstentions and broker non-votes, which occur when a broker has not received customer instructions and indicates that it does not have the discretionary authority to vote on a particular matter on the proxy card, will be included in determining the presence of a quorum at the 2011 Annual Meeting. However, neither abstentions nor broker non-votes will be counted, and therefore will have no effect on the outcome on any of the proposals.

Assuming that a quorum is present, our stockholders may take action at the annual meeting with the votes described below.

Election of Directors. Under Nevada law and the Fourth Amended and Restated Bylaws of the Company ("Bylaws"), the affirmative vote of a plurality of the votes cast by the holders of our shares of common stock is required to elect each director. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Stockholders do not have any rights to cumulate their votes in the election of directors.

Ratification of the selection of Goldman Kurland Mohidin LLP as our independent registered public accounting firm. The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is required to ratify the selection of Goldman Kurland Mohidin, LLP as our independent registered public accounting firm.

Abstentions and Broker Non-Votes

Under applicable regulations, if a broker holds shares on your behalf, and you do not instruct your broker how to vote those shares on a matter considered "routine," the broker may generally vote your shares for you. A "broker non-vote" occurs when a broker has not received voting instructions from you on a "non-routine" matter, in which case the broker does not have authority to vote your shares with respect to such matter. Rules that govern how brokers vote your shares have recently changed. Unless you provide voting instructions to a broker holding shares on your behalf, your broker may no longer use discretionary authority to vote your shares on any of the matters to be considered at the 2011 Annual Meeting other than the ratification of our independent registered public accounting firm. Please vote your proxy so your vote can be counted.

Voting Procedure; Voting of Proxies; Revocation of Proxies

If your shares are registered directly in your name with our transfer agent, Securities Transfer Corporation, you are considered the "stockholder of record" with respect to those shares. As the stockholder of record, you may vote in

person at the 2011 Annual Meeting, or vote by proxy using the accompanying proxy card, which also is available at www.shareholdervote.info/. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the 2011 Annual Meeting and vote in person even if you have already voted by proxy. Please note that the notice letter you received directing you to the website at which the proxy materials are available is not the proxy card and should not be used to submit your vote.

1. To vote in person, come to the 2011 Annual Meeting and we will give you a ballot when you arrive.

2. To vote using the proxy card, simply print the proxy card, complete, sign and date it and return it promptly to Mr. Zhigang Wu, our Vice President of Finance, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guang Zheng Jie, Xi'an City, Shaanxi Province, 710068 China. Our Board has selected each of Guohua Ku and Zhigang Wu to serve as proxies.

If you do not return a signed proxy card and do not attend the meeting and vote in person, your shares will not be voted. Shares of our common stock represented by properly executed proxies that are received by us and are not revoked will be voted at the 2011 Annual Meeting in accordance with the instructions contained therein. If you return a signed and dated proxy card and instructions are not given, such proxies will be voted FOR election of each nominee for director named herein and FOR ratification of the selection of Goldman Kurland Mohidin, LLP as our independent registered public accounting firm. In addition, we reserve the right to exercise discretionary authority to vote proxies, in the manner determined by us, in our sole discretion, on any matters brought before the 2011 Annual Meeting for which we did not receive adequate notice under the proxy rules promulgated by the Securities and Exchange Commission ("SEC").

If you hold your shares in "street name" through a stockbroker, bank or other nominee rather than directly in your own name, you are considered the "beneficial owner" of such shares. Because a beneficial owner is not a stockholder of record, you may not vote these shares in person at the 2011 Annual Meeting unless you obtain a "legal proxy" from the broker, bank or nominee that holds your shares, giving you the right to vote those shares at the meeting. If you wish to attend the 2011 Annual Meeting and vote in person, you will need to contact your broker, bank or nominee to obtain a legal proxy.

Your proxy is revocable at any time before it is voted at the 2011 Annual Meeting in any of the following three ways:

1. You may submit another properly completed proxy bearing a later date.

2. You may send a written notice that you are revoking your proxy to Mr. Zhigang Wu, our Vice President of Finance, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guang Zheng Jie, Xi'an City, Shaanxi Province, 710068 China.

3. You may attend the annual meeting and vote in person. However, simply attending the annual meeting will not, by itself, revoke your proxy.

Proxy Solicitation

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Householding

SEC rules permit us to deliver a single proxy statement and annual report to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of this Proxy Statement and annual

report to any stockholder at the shared address to which a single copy of those documents were delivered. If you prefer to receive separate copies of the proxy statement and annual report, contact Mr. Zhigang Wu, our Vice President of Finance, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guang Zheng Jie, Xi'an City, Shaanxi Province, 710068 China.

Stockholder List

For at least ten days prior to the meeting, a list of stockholders entitled to vote at the 2011 Annual Meeting, arranged in alphabetical order, showing the address of and number of shares registered in the name of each stockholder, will be open for examination by any stockholder, for any purpose related to the 2011 Annual Meeting, during ordinary business hours at our principal executive offices. The list will also be available for examination at the 2011 Annual Meeting.

Other Business

The Board is not aware of any other matters to be presented at the 2011 Annual Meeting other than those mentioned in this Proxy Statement and our accompanying Notice of Annual Meeting of Stockholders. If, however, any other matters properly come before the 2011 Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment.

Proposals of Stockholders for 2012 Annual Meeting

Stockholders may present proper proposals for inclusion in the proxy statement for our 2012 Annual Meeting by submitting their proposals to us in a timely manner and in accordance with rules and regulations promulgated under our Bylaws and the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Stockholder notice shall set forth as to each matter the stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and address, as they appear on our books, of the stockholder proposing such business, (iii) the class and number of shares of CREG, which are beneficially owned by the stockholder, (iv) any material interest of the stockholder in such business and (v) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Exchange Act, in his capacity as a proponent to a stockholder proposal.

A stockholder's notice relating to nomination for directors shall set forth as to each person, if any, whom the stockholder proposes to nominate for election or re-election as a director: (i) the name, age, business address and residence address of such person, (ii) the principal occupation or employment of such person, (iii) the class and number of shares of CREG, which are beneficially owned by such person, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person(s) (naming such person(s)) pursuant to which the nominations are to be made by the stockholder and (v) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including without limitation such person's written consent to being named in our Proxy Statement, if any, as a nominee and to serving as a director if elected).

A copy of the full text of the provisions of our Bylaws, as amended, dealing with stockholder proposals is available to stockholders from our Secretary upon written request and an electronic copy of is available at the SEC's website located at www.sec.gov.

CORPORATE GOVERNANCE

Leadership Structure and Role in Risk Oversight

The Company’s current board leadership structure separates the board chair and principal executive officer roles into two positions. Mr. Ku has served as both Chairman of the Board and CEO of the Company since April 1, 2009. Our Board continues to believe there are important advantages to Mr. Ku serving in both roles at this time. Mr. Ku is the director most familiar with our business and industry and is best situated to propose Board agendas and lead Board discussions on important matters. Mr. Ku provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Another advantage is the clarity of leadership provided by one person representing us to employees, stockholders and other stakeholders. The Board has not named a lead independent director.

Our Board is responsible for oversight of the Company’s risk management practices while management is responsible for the day-to-day risk management processes. In the Board’s opinion, this division of responsibilities is the most effective approach for addressing the risks facing the Company. The Board receives periodic reports from management regarding the most significant risks facing the Company. In addition, the Audit Committee assists the Board in its oversight of our risk assessment and risk management policies

Diversity

The Board does not have a formal policy with respect to Board nominee diversity. In recommending proposed nominees to the full Board, the Corporate Governance and Nominating Committee is charged with building and maintaining a board that has an ideal mix of talent and experience to achieve our business objectives in the current environment. In particular, the Corporate Governance and Nominating Committee is focused on relevant subject matter expertise, depth of knowledge in key areas that are important to us, and diversity of thought, background, perspective and experience so as to facilitate robust debate and broad thinking on strategies and tactics pursued by us.

Director Independence

Dr. Robert Chanson, Timothy Driscoll, Julian Ha, Nicholas Shao, Yilin Ma, Albert McLelland and Chungui Shi are our only non-employee directors, and our Board has determined that each of them is independent pursuant to the listing rules of NASDAQ. All of the members of each of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are independent as defined in NASDAQ Rule 5605(a)(2).

The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Exchange Act. In connection with its responsibilities, the Board has delegated to the Audit Committee the authority to select and hire our independent registered public accounting firm and determine their fees and retention terms. Narrative to Summary Compensation Table

In fiscal 2010, the primary components of our executive compensation programs were base salary and equity compensation. We use base salary to fairly and competitively compensate our executives, including our named executive officers, for the jobs we ask them to perform. We view base salary as the most stable component of our executive compensation program, as this amount is not at risk. We believe that the base salaries of our executives should be targeted at or above the median of base salaries for executives in similar positions with similar responsibilities at comparable companies, consistent with our compensation philosophy. Because of our emphasis on performance-based compensation for executives, base salary adjustments are generally made only when we believe there is a significant deviation from the market or an increase in responsibility. Our Compensation Committee reviews the base salary levels of our executives each year to determine whether an adjustment is warranted or necessary.

Nonstatutory Stock Option Plan – Equity Compensation

At our 2010 Annual Meeting of Stockholders, our stockholders approved the adoption of the China Recycling Energy Corporation Amended and Restated 2007 Nonstatutory Stock Option Plan (the “2007 Plan”), increasing the number of shares available for issuance to 5,200,000. The 2007 Plan is intended to further our growth and financial success by providing incentives, in the form of nonqualified stock options to acquire our common stock, to selected employees, officers, directors, and consultants of the Company or its subsidiaries so that their interests are aligned with the best interests of our stockholders. To date, we have achieved our business objectives, which we attribute, in part, to the 2007 Plan. The Board has delegated the administration of the 2007 Plan to the Compensation Committee of the Board. Among other powers and duties, the Compensation Committee determines the persons who will be eligible to receive awards and establishes the terms and conditions of all awards. The 2007 Plan provides for the issuance of nonqualified stock options.

The vesting terms of options granted under the 2007 Plan are subject to Non-Statutory Stock Option Agreements. The exercise price of each option granted under the 2007 Plan is at least 100% of the fair market value of a share of our common stock on the date of grant. For purposes of option awards, fair market value of a share of our common stock means the closing sale price of a share of our common stock on the relevant date on the principal exchange on which the common stock is then listed or admitted to trading. If no reported sale of common stock takes place on the relevant date on the principal exchange, then the reported closing asked price of a share of our common stock on such date on the principal exchange shall be the fair market value. If our common stock is not at the time listed or admitted to trading on a stock exchange, the fair market value of a share of our common stock means between the lowest reported bid price and highest reported asked price of a share of our common stock on the relevant date in the over-the-counter market, as such prices are reported in a publication of general circulation selected by the Board or the Compensation Committee and regularly reporting the market price of a share of our common stock. If our common stock is not listed or admitted to trading on any stock exchange or traded in the over-the-counter market, the Board shall determine the fair market value in good faith. The maximum term of any option is 5 years from the date of grant.

Potential Payments Upon Termination or Change of Control

Employment Agreements

Certain of our executive officers, including our CEO, have an employment agreement with the Company. Under Chinese law, we may only terminate employment agreements without cause and without penalty by providing notice of non-renewal one month prior to the date on which the employment agreement is scheduled to expire. If we fail to provide this notice or if we wish to terminate an employment agreement in the absence of cause, as defined in the agreement, then we are obligated to pay the employee one month's salary for each year we have employed the employee. We are, however, permitted to terminate an employee for cause without penalty pursuant to the employment agreement. Mr. Peng resigned as CFO and Secretary of the Company, effective December 30, 2010, and he did not receive, nor was he entitled to receive, any payments or other benefits in connection with his termination of employment.

2007 Plan

In 2010, the Company granted 2,200,000 options to acquire the Company's common stock at \$3.05 per share to thirty six (36) managerial and non-managerial employees as new equity awards pursuant to the 2007 plan.

According to the vesting terms, the options granted were divided into three tranches, (i) 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets its minimum revenue and earnings goals in the Company's guidance for 2010 as delivered in its earnings releases and/or conference calls in the first quarter of 2010, such vesting to occur immediately upon completion of the annual audit confirming the financial results for 2010; and (ii) an additional 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets certain financial goals, which will be set out and decided by the Compensation Committee, such vesting to occur immediately upon Compensation Committee's determination that the Company has met such goals; and (iii) the remaining 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets certain financial goals of 2012, which will be set out and decided by the Compensation Committee. The options may only be exercised to the extent that the options have become vested and exercisable.

As of December 31, 2010, stock options to purchase 2,255,000 shares of our common stock, issued pursuant to the 2007 Plan, were vested and exercisable.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has furnished the following report on its activities during the fiscal year ended December 31, 2010. The report is not deemed to be “soliciting material” or “filed” with the SEC or subject to the SEC’s proxy rules or to the liabilities of Section 18 of the Exchange Act, and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates it by reference into any such filing.

The primary function of the Audit Committee is to assist the Board in its oversight and monitoring of our financial reporting and auditing process. The Audit Committee charter sets forth the responsibilities of the Audit Committee. A copy of the Audit Committee charter is available on our website at www.creg-cn.com under the links “Investor Relations—Corporate Governance.” For fiscal year 2010, the Audit Committee was comprised of Sean Shao (Chairman), Timothy Driscoll and Julian Ha, each of whom is independent under applicable SEC and NASDAQ listing standards. If our stockholders elect director nominee Albert McLelland, then Mr. McLelland, who is independent under applicable SEC and NASDAQ listing standards, will replace Mr. Shao as Chairman of the Audit Committee.

Management has primary responsibility for our financial statements and the overall reporting process, including maintaining effective internal control over financial reporting and assessing the effectiveness of our system of internal controls. The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present our financial position, results of operations and cash flows in conformity with U.S. generally accepted accounting principles, and discusses with the Audit Committee any issues they believe should be raised with the Audit Committee. These discussions include a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee monitors our processes, relying, without independent verification, on the information provided to it and on the representations made by management and the independent registered public accounting firm.

In 2010, the Audit Committee held 5 meetings. Representatives of Goldman Kurland Mohidin, LLP, our independent registered public accounting firm, attended each meeting of the Audit Committee that involved the discussion of financial statements. The Audit Committee reviewed and discussed with management and Goldman Kurland Mohidin, LLP our audited financial statements for the year ended December 31, 2010 and discussed Goldman Kurland Mohidin, LLP’s judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 114 (which superseded Statement on Auditing Standards No. 61), other standards of the Public Company Accounting Oversight Board (United States), rules of the SEC, and other applicable regulations.

The Audit Committee also received the written disclosures and the letter from Goldman Kurland Mohidin, LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the firm’s independence from our management and has discussed with Goldman Kurland Mohidin, LLP its independence. The members of Audit Committee considered whether the services provided by Goldman Kurland Mohidin, LLP, for the year ended December 31, 2010, are compatible with maintaining their independence. The Board has delegated to the Audit Committee the authority to approve the engagement of our independent registered public accounting firm.

Based upon its review of the audited financial statements and the discussions noted above, the Audit Committee recommended that the Board include the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2010 for filing with the SEC.
